3 such person's license. Every individual so licensed who desires to renew
4 such license shall file with the board, on or before the date of expiration of
5 such license, a renewal application with the prescribed biennial renewal
6 fee. Every licensee who is no longer engaged in the active practice of
7 massage therapy may so state by affidavit and submit such affidavit with

9 payment of a fee fixed by rules and regulations of the board. Except for the
10 first renewal for a license that expires within 30 months following
11 licensure examination or for renewal of a license that expires within the
12 first nine months following licensure by reinstatement or endorsement,
13 every licensee with an active massage therapy license shall submit with the

24 license.

25 (c) Continuing education courses shall be offered by providers
26 approved by the board. The courses shall be completed within the 24
27 months immediately preceding the date renewal is due. Hours in excess of
28 the total number required may not be carried over to future renewals. The
29 continuing education requirements shall not apply to a massage therapist
30 within the biennium during which the massage therapist is first licensed,
31 except that such requirements shall apply to licensees every biennium
32 thereafter.

33 (d) Any individual who fails to secure a license renewal within the
34 time specified herein may secure a reinstatement of such lapsed license by
35 making verified application therefor on a form provided by the board,
36 furnishing proof that the applicant is competent and qualified to act as a
37 massage therapist and satisfying all of the requirements for reinstatement,
38 including payment to the board of a reinstatement fee as established by the

13 rules and regulations.

14 (f) (1) The board shall require an initial applicant for licensure as a
15 massage therapist to be fingerprinted and submit to a state and national
16 criminal history record check. The fingerprints shall be used to identify the
17 applicant and to determine whether the applicant has a record of criminal
18 history in this state or another jurisdiction. The board is authorized to
19 submit the fingerprints to the Kansas bureau of investigation and the
20 federal bureau of investigation for a state and national criminal history
21 record check and request subsequent arrest notification services from both
22 agencies. The board may use the information obtained from fingerprinting
23 and the applicant's criminal history only for purposes of verifying the
24 identity of any applicant and in making the official determination of
25 character and fitness of the applicant for any licensure to practice massage
26 therapy in this state. Any disclosure of a record for a purpose other than
27 that provided by this subsection is a class A nonperson misdemeanor and
28 shall constitute grounds for removal from office or termination of
29 employment.

30 (2) Local and state law enforcement officers and agencies shall assist
31 the board in the taking and processing of fingerprints of applicants to
32 practice massage therapy in this state and shall release all records of an
33 applicant's adult convictions and nonconvictions to the board.

34 (3) The board shall fix a fee for fingerprinting and conducting a state
35 and national criminal history record check of applicants or licensees as
36 may be required by the board in an amount necessary to reimburse the
37 board for the cost. Fees collected under this subsection shall be remitted to
38 the state treasurer in accordance with K.S.A. 75-4215, and amendments
39 thereto. Upon receipt of each such remittance, the state treasurer shall
40 deposit the entire amount in the state treasury to the credit of the healing
41 arts fee fund.

42 (4) As used in this subsection, "initial applicant" means an individual
43 who has submitted an application for licensure as a massage therapist in

1 this state for the first time.

2 Sec. 11. (a) The board may refuse to grant licensure to, or may
3 suspend, revoke, condition, limit, qualify or restrict the licensure issued
4 under the massage therapist licensure act of any individual whom the
5 board, after the opportunity for a hearing, determines:

6 (1) Is incompetent to practice massage therapy or is found to engage
7 in the practice of massage therapy in a manner harmful or dangerous to a
8 client or to the public;

9 (2) has been convicted by a court of competent jurisdiction of a
10 felony or a misdemeanor crime against persons, even if not related to the
11 practice of massage therapy;

12 (3) is currently listed on a child abuse registry or an adult protective
13 services registry as the result of a substantiated finding of abuse or neglect
14 by any state agency, agency of another state or the United States, District
15 of Columbia, territory of the United States or another country and the
16 applicant or licensee has not demonstrated to the board's satisfaction that
17 such person has been sufficiently rehabilitated to merit the public trust;

18 (4) has violated a provision of the massage therapist licensure act or
19 one or more of the rules and regulations of the board;

20 (5) has obtained or attempted to obtain a license or license renewal by
21 bribery or fraudulent representation;

22 (6) has knowingly made a false statement on a form required by the
23 board for license or license renewal;

24 (7) has failed to obtain continuing education credits required by rules
25 and regulations of the board;

26 (8) has been found guilty of unprofessional conduct as defined by
27 rules and regulations of the board; or

28 (9) has had a registration, license or certificate as a massage therapist
29 revoked, suspended or limited, or has had other disciplinary action taken,
30 or an application for registration, license or certificate denied by the proper
31 regulatory authority of another state or the United States, District of
32 Columbia, territory of the United States or another country, with a certified
33 copy of the record of the action of the other jurisdiction being conclusive
34 evidence thereof.

35 (b) Upon filing of a sworn complaint with the board charging an
36 individual with having been guilty of any of the unlawful practices
37 specified in subsection (a), two or more members of the board shall
38 investigate the charges, or the board may designate and authorize an
39 employee or employees of the board to conduct an investigation. After
40 investigation, the board may institute charges. If an investigation, in the
41 opinion of the board, reveals reasonable grounds for believing the
42 applicant or licensee is guilty of the charges, the board shall fix a time and
43 place for proceedings, and such proceedings shall be conducted in

1 accordance with the provisions of the Kansas administrative procedure act.

2 (c) No person shall be excused from testifying in any proceedings
3 before the board under the massage therapist licensure act or in any civil
4 proceedings under this act before a court of competent jurisdiction on the
5 ground that such testimony may incriminate the person testifying, except
6 that such testimony shall not be used against the person for the prosecution
7 of any crime under the laws of this state excluding the crime of perjury as
8 defined in K.S.A. 2022 Supp. 21-5903, and amendments thereto.

9 (d) If final agency action of the board in a proceeding under this
10 section is adverse to the applicant or licensee, the costs of the board's
11 proceedings shall be charged to the applicant or licensee as in ordinary
12 civil actions in the district court. If the board is the unsuccessful party, the
13 costs shall be paid by the board. Witness fees and costs may be taxed by
14 the board according to the statutes relating to procedure in the district
15 court. All costs accrued by the board, when it is the successful party and
16 the attorney general certifies such costs cannot be collected from the
17 applicant or licensee, shall be paid from the healing arts fee fund. All
18 moneys collected following board proceedings shall be credited in full to
19 the healing arts fee fund.

20 (e) The denial, suspension, revocation or limitation of a license or
21 public or private censure of a licensee may be ordered by the board after
22 notice and hearing on the matter in accordance with the provisions of the
23 Kansas administrative procedure act. The board shall also notify the local
24 law enforcement agency of a disciplinary action. Upon the end of the
25 period of not less than two years for the revocation of a license,
26 application may be made to the board for reinstatement. The board shall
27 have discretion to accept or reject an application for reinstatement and may
28 hold a hearing to consider such reinstatement. An application for
29 reinstatement of a revoked license shall be accompanied by the license
30 reinstatement fee established under section 9, and amendments thereto.

31 (f) The board, in addition to any other penalty prescribed in
32 subsection (a), may assess a civil fine, after proper notice and an
33 opportunity to be heard, against a licensee for unprofessional conduct in an
34 amount not to exceed \$1,000 for the first violation, \$2,000 for the second
35 violation and \$3,000 for the third or subsequent violation. All fines
36 assessed and collected under this section shall be remitted to the state
37 treasurer in accordance with the provisions of K.S.A. 75-4215, and
38 amendments thereto. Upon receipt of each such remittance, the state
39 treasurer shall deposit the entire amount in the state treasury to the credit
40 of the state general fund.

41 (g) The board, upon request, shall receive from the Kansas bureau of
42 investigation such criminal history record information relating to arrests
43 and criminal convictions as necessary for the purpose of determining

1 initial and continuing qualifications of licensees and applicants for
2 licensure by the board.

3 Sec. 12. Except as provided in section 10(f)(3) and section 11(f), and
4 amendments thereto, the board shall remit all moneys received from fees,
5 charges or penalties under the massage therapist licensure act to the state
6 treasurer in accordance with the provisions of K.S.A. 75-4215, and
7 amendments thereto. Upon receipt of each such remittance, the state
8 treasurer shall deposit the entire amount in the state treasury, and 10% of
9 each such remittance shall be credited to the state general fund and the
10 balance shall be credited to the healing arts fee fund. All expenditures from
11 such fund shall be made in accordance with appropriation acts upon
12 warrants of the director of accounts and reports issued pursuant to
13 vouchers approved by the president of the board or by an individual
14 designated by the president of the board.

15 Sec. 13. A local unit of government shall not establish or maintain
16 professional licensing requirements for a massage therapist licensed under
17 the massage therapist licensure act. Nothing in the massage therapist
18 licensure act shall affect local zoning ordinances or business license
19 requirements. Local government law enforcement agencies may inspect
20 massage therapy registrations and the business premises where massage
21 therapy is practiced for compliance with applicable laws. Nothing in this
22 section shall be construed to preclude criminal investigation and
23 prosecution for a violation of any criminal law. If such inspection reveals
24 the practice of massage therapy by an individual without a valid license,
25 the individual may be charged with a violation of section 6(b), and
26 amendments thereto, and the board shall be notified.

27 Sec. 14. (a) When it appears to the board that any individual is
28 violating any of the provisions of the massage therapist licensure act, the
29 board may bring an action in a court of competent jurisdiction for an
30 injunction against such violation without regard to whether proceedings
31 have been or may be instituted before the board or whether criminal
32 proceedings have been or may be instituted.

33 (b) The provisions of this section shall take effect on and after
34 September 1, 2025.

35 Sec. 15. All state agency adjudicative proceedings under the massage
36 therapist licensure act shall be conducted in accordance with the
37 provisions of the Kansas administrative procedure act and shall be
38 reviewable in accordance with the Kansas judicial review act.

39 Sec. 16. Professional liability insurance coverage shall be maintained
40 in effect by each massage therapist as a condition to rendering professional
41 service as a massage therapist in this state. An applicant for initial or
42 renewal licensure shall provide proof to the board that the applicant
43 currently has professional liability insurance with minimum coverage of

1 \$2,000,000 per claim and \$6,000,000 in aggregate.

2 Sec. 17. On July 1, 2023, nothing in the massage therapist licensure
3 act or in the provisions of K.S.A. 40-2,100 through 40-2,105d, and
