Any such grant of continuing authority shall expire two years after the date of final discharge of the ward from such a treatment facility if the ward has not had to be readmitted to a treatment facility during that two-year period of time. Thereafter, any such grant of continuing authority may be renewed only after the filing of another petition seeking authority in compliance with the provision of this section.

(g) Nothing herein shall be construed so as to prohibit the head of a treatment facility from admitting a proposed ward or ward to that facility as a voluntary patient if the head of the treatment facility is satisfied that the proposed ward or ward at that time has the capacity to understand such ward's illness and need for treatment, and to consent to such ward's admission and treatment. Upon any such admission, the head of the treatment facility shall give notice to the temporary guardian or guardian as soon as

possible of the ward's admission, and shall provide to the temporary guardian or guardian copies of any consents the proposed ward or ward has given. New Sec. 87. This act shall be known and may be cited as the interstate medical licensure compact.

INTERSTATE MEDICAL LICENSURE COMPACT

SECTION 1

PURPOSE

In order to strengthen access to health care, and in recognition of the advances in the delivery of health care, the member states of the interstate medical licensure compact have allied in common purpose to develop a comprehensive process that complements the existing licensing and regulatory authority of state medical boards, provides a streamlined process that allows physicians to become licensed in multiple states, thereby enhancing the portability of a medical license and ensuring the safety of patients. The compact creates another pathway for licensure and does not otherwise change a state's existing medical practice act. The compact also adopts the prevailing standard for licensure and affirms that the practice of medicine occurs where the patient is located at the time of the physician-patient encounter, and therefore, requires the physician to be under the jurisdiction of the state medical board where the patient is located. (d) After receiving verification of eligibility under subsection (b) and any fees under subsection (c), a member board shall issue an expedited license to the physician. This license shall authorize the physician to practice medicine in the issuing state consistent with the medical practice act and all applicable laws and regulations of the issuing member board and member state.

(e) An expedited license shall be valid for a period consistent with the licensure period in the member state and in the same manner as required for other physicians holding a full and unrestricted license within the member state.

(f) An expedited license obtained through the compact shall be terminated if a physician fails to maintain a license in the state of principal licensure for a non-disciplinary reason, without redesignation of a new state of principal licensure.

(g) The interstate commission is authorized to develop rules regarding the application process, including payment of any applicable fees, and the issuance of an expedited license.

SECTION 6 FEES FOR EXPEDITED LICENSURE

(a) A member state issuing an expedited license authorizing the practice of medicine in that state may impose a fee for a license issued or renewed through the compact.

(b) The interstate commission is authorized to develop rules regarding fees for expedited licenses.

SECTION 7 RENEWAL AND CONTINUED PARTICIPATION

(a) A physician seeking to renew an expedited license granted in a member state shall complete a renewal process with the interstate commission if the physician:

(1) Maintains a full and unrestricted license in a state of principal license;

(2) has not been convicted, received adjudication, deferred adjudication, community supervision or deferred disposition for any offense by a court of appropriate jurisdiction;

(3) has not had a license authorizing the practice of medicine subject to discipline by a licensing agency in any state, federal or foreign jurisdiction, excluding any action related to non-payment of fees related to a license; and

(4) has not had a controlled substance license or permit suspended or revoked by a state or the United States drug enforcement administration.

(b) Physicians shall comply with all continuing professional development or continuing medical education requirements for renewal of a license issued by a member state.

(c) The interstate commission shall collect any renewal fees charged for the renewal of a license and distribute the fees to the applicable member board.

(d) Upon receipt of any renewal fees collected in subsection (c), a member board shall renew the physician's license.

(e) Physician information collected by the interstate commission during the renewal process will be distributed to all member boards.

(f) The interstate commission is authorized to develop rules to address renewal of licenses obtained through the compact.

SECTION 8 COORDINATED INFORMATION SYSTEM

(a) The interstate commission shall establish a database of all physicians licensed, or who have applied for licensure, under section 5.

(b) Notwithstanding any other provision of law, member boards shall report to the interstate commission any public action or complaints against a licensed physician who has applied or received an expedited license through the compact.

(c) Member boards shall report disciplinary or investigatory information determined as necessary and proper by rule of the interstate commission.

(d) Member boards may report any non-public complaint, disciplinary or investigatory information not required by subsection (c) to the interstate commission.

(e) Member boards shall share complaint or disciplinary information about a physician upon request of another member board.

(f) All information provided to the interstate commission or distributed by member boards shall be confidential, filed under seal, and used only for investigatory or disciplinary matters.

(g) The interstate commission is authorized to develop rules for mandated or discretionary sharing of information by member boards.

SECTION 9 JOINT INVESTIGATIONS

(a) Licensure and disciplinary records of physicians are deemed investigative.

(b) In addition to the authority granted to a member board by its respective medical practice act or other applicable state law, a member board may participate with other member boards in joint investigations of physicians licensed by the member boards.

(c) A subpoena issued by a member state shall be enforceable in other member states.

(d) Member boards may share any investigative, litigation or compliance materials in furtherance of any joint or individual investigation initiated under the compact.

(e) Any member state may investigate actual or alleged violations of the statutes authorizing the practice of medicine in any other member state in which a physician holds a license to practice medicine.

SECTION 10 DISCIPLINARY ACTIONS

(a) Any disciplinary action taken by any member board against a physician licensed through the compact shall be deemed unprofessional conduct, which may be subject to discipline by other member boards, in addition to any violation of the medical practice act or regulations in that state.

(b) If a license granted to a physician by the member board in the state of principal license is revoked, surrendered or relinquished in lieu of discipline, or suspended, then all licenses issued to the physician by member boards shall automatically be placed, without further action necessary by any member board, on the same status. If the member board in the state of principal license subsequently reinstates the physician's license, a license issued to the physician by any other member board shall remain encumbered until that respective member board takes action to reinstate the license in a manner consistent with the medical practice act of that state.

(c) If disciplinary action is taken against a physician by a member board not in the state of principal license, any other member board may deem the action conclusive as to matter of law and fact decided, and:

(1) Impose the same or lesser sanctions against the physician so long as such sanctions are consistent with the medical practice act of that state; or

(2) pursue separate disciplinary action against the physician under its respective medical practice act, regardless of the action taken in other member states.

(d) If a license granted to a physician by a member board is revoked, surrendered or relinquished in lieu of discipline, or suspended, then any license issued to the physician by any other member board shall be suspended, automatically and immediately without further action necessary by the other member boards, for 90 days upon entry of the order by the disciplining board, to permit the member boards to investigate the basis for the action under the medical practice act of that state. A member board may terminate the automatic suspension of the license it issued prior to the completion of the 90-day suspension period in a manner consistent with the medical practice act of that state.

SECTION 11
INTERSTATE MEDICAL LICENSURE
COMPACT COMMISSION

(a) The member states hereby create the interstate medical licensure compact commission.

(b) The purpose of the interstate commission is the administration of the interstate medical licensure compact, which is a discretionary state function.

(c) The interstate commission shall be a body corporate and joint agency of the member states and shall have all the responsibilities, powers and duties set forth in the compact, and such additional powers as may be conferred upon it by a subsequent concurrent action of the respective legislatures of the member states in accordance with the terms of the compact.

(d) The interstate commission shall consist of two voting representatives appointed by each member state who shall serve as commissioners. In states where allopathic and osteopathic physicians are regulated by separate member boards, or if the licensing and disciplinary authority is split between multiple member boards within a member state, the member state shall appoint one representative from each member board. A commissioner shall be:

(1) An allopathic or osteopathic physician appointed to a member board;

(2) an executive director, executive secretary or similar executive of a member board; or

(3) a member of the public appointed to a member board.

(e) The interstate commission shall meet at least once each calendar year. A portion of this meeting shall be a business meeting to address such matters as may properly come before the commission, including the election of officers. The chairperson may call additional meetings and shall call for a meeting upon the request of a majority of the member states.

(f) The bylaws may provide for meetings of the interstate commission to be conducted by telecommunication or electronic communication.

(g) Each commissioner participating at a meeting of the interstate commission is entitled to one vote. A majority of commissioners shall constitute a quorum for the transaction of business, unless a larger quorum is required by the bylaws of the interstate commission. A commissioner shall not delegate a vote to another commissioner. In the absence of its commissioner, a member state may delegate voting authority for a specified meeting to another person from that state who shall meet the requirements of subsection (d).

(h) The interstate commission shall provide public notice of all meetings and all meetings shall be open to the public. The interstate commission may close a meeting, in full or in portion, where it determines by a two-thirds vote of the commissioners present that an open meeting would be likely to:

(1) Relate solely to the internal personnel practices and procedures of the interstate commission;

(2) discuss matters specifically exempted from disclosure by federal statute;

(3) discuss trade secrets, commercial or financial information that is privileged or confidential;

(4) involve accusing a person of a crime, or formally censuring a person;

(5) discuss information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(6) discuss investigative records compiled for law enforcement purposes; or

(7) specifically relate to the participation in a civil action or other legal proceeding.

(i) The interstate commission shall keep minutes which shall fully describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, including record of any roll call votes.

(j) The interstate commission shall make its information and official records, to the extent not otherwise designated in the compact or by its rules, available to the public for inspection.

(k) The interstate commission shall establish an executive committee, which shall include officers, members, and others as determined by the bylaws. The executive committee shall have the power to act on behalf of the interstate commission, with the exception of rulemaking, during periods when the interstate commission is not in session. When acting on behalf of the interstate commission, the executive committee shall oversee the administration of the compact including enforcement and compliance with the provisions of the compact, its bylaws and rules, and other such duties as necessary.

(l) The interstate commission may establish other committees for governance and administration of the compact.

SECTION 12
POWERS AND DUTIES OF
THE INTERSTATE COMMISSION

The interstate commission shall have the duty and power to:

- (a) Oversee and maintain the administration of the compact;
- (b) promulgate rules which shall be binding to the extent and in the manner provided for in the compact;
- (c) issue, upon the request of a member state or member board, advisory opinions concerning the meaning or interpretation of the compact, its bylaws, rules and actions;

- (e) establish and appoint committees including, but not limited to, an executive committee as required by section 11, which shall have the power to act on behalf of the interstate commission in carrying out its powers and duties;
- (f) pay, or provide for the payment of the expenses related to the establishment, organization and ongoing activities of the interstate commission;
- (g) establish and maintain one or more offices;
- (h) borrow, accept, hire or contract for services of personnel;
- (i) purchase and maintain insurance and bonds;
- (j) employ an executive director who shall have such powers to employ, select or appoint employees, agents or consultants, and to determine their qualifications, define their duties and fix their compensation;
- (k) establish personnel policies and programs relating to conflicts of interest, rates of compensation and qualifications of personnel;
- (l) accept donations and grants of money, equipment, supplies, materials and services, and to receive, utilize and dispose of it in a manner consistent with the conflict of interest policies established by the interstate commission;
- (m) lease, purchase, accept contributions or donations of, or otherwise to own, hold, improve or use, any property, real, personal or mixed;
- (n) sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of any property, real, personal, or mixed;
- (o) establish a budget and make expenditures;
- (p) adopt a seal and bylaws governing the management and operation of the interstate commission;
- (q) report annually to the legislatures and governors of the member states concerning the activities of the interstate commission during the preceding year. Such reports shall also include reports of financial audits and any recommendations that may have been adopted by the interstate commission;
- (r) coordinate education, training and public awareness regarding the compact, its implementation and its operation;
- (s) maintain records in accordance with the bylaws;
- (t) seek and obtain trademarks, copyrights and patents; and
- (u) perform such functions as may be necessary or appropriate to achieve the purposes of the compact.

SECTION 13

FINANCE POWERS

(a) The interstate commission may levy on and collect an annual assessment from each member state to cover the cost of the operations and activities of the interstate commission and its staff. The total assessment must be sufficient to cover the annual budget approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount shall be allocated upon a formula to be determined by the interstate commission, which shall promulgate a rule binding upon all member states.

(b) The interstate commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same.

(c) The interstate commission shall not pledge the credit of any of the member states, except by, and with the authority of, the member state.

(d) The interstate commission shall be subject to a yearly financial audit conducted by a certified or licensed public accountant and the report of the audit shall be included in the annual report of the interstate commission.

SECTION 14

ORGANIZATION AND OPERATION OF
THE INTERSTATE COMMISSION

(a) The interstate commission shall, by a majority of commissioners present and voting, adopt bylaws to govern its conduct as may be necessary or appropriate to carry out the purposes of the compact within 12 months of the first interstate commission meeting.

(b) The interstate commission shall elect or appoint annually from among its commissioners a chairperson, a vice-chairperson and a treasurer, each of whom shall have such authority and duties as may be specified in the bylaws. The chairperson, or in the chairperson's absence or disability, the vice-chairperson, shall preside at all meetings of the interstate commission.

(c) Officers selected in subsection (b) shall serve without remuneration from the interstate commission.

(d) The officers and employees of the interstate commission shall be immune from suit and liability, either personally or in their official capacity, for a claim for damage to or loss of property or personal injury or other civil liability caused or arising out of, or relating to, an actual or alleged act, error or omission that occurred, or that such person had a reasonable basis for believing occurred, within the scope of interstate commission employment, duties or responsibilities; provided that such person shall not be protected from suit or liability for damage, loss, injury or liability caused by the intentional or willful and wanton misconduct of such person.

(1) The liability of the executive director and employees of the interstate commission or representatives of the interstate commission, acting within the scope of such person's employment or duties for acts, errors or omissions occurring within such person's state, may not exceed the limits of liability set forth under the constitution and laws of that state for state officials, employees and agents. The interstate commission is considered to be an instrumentality of the states for the purposes of any such action. Nothing in this subsection shall be construed to protect such person from suit or liability

for damage, loss, injury or liability caused by the intentional or willful and wanton misconduct of such person.

(2) The interstate commission shall defend the executive director, its employees, and subject to the approval of the attorney general or other appropriate legal counsel of the member state represented by an interstate commission representative, shall defend such interstate commission representative in any civil action seeking to impose liability arising out of an actual or alleged act, error or omission that occurred within the scope of interstate commission employment, duties or responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope of interstate commission employment, duties or responsibilities, provided that the actual or alleged act, error or omission did not result from intentional or willful and wanton misconduct on the part of such person.

(3) To the extent not covered by the state involved, member state or the interstate commission, the representatives or employees of the interstate commission shall be held harmless in the amount of a settlement or judgment, including attorney fees and costs, obtained against such persons arising out of an actual or alleged act, error or omission that occurred within the scope of interstate commission employment, duties or responsibilities, or that such persons had a reasonable basis for believing occurred within the scope of interstate commission employment, duties or responsibilities, provided that the actual or alleged act, error or omission did not result from intentional or willful and wanton misconduct on the part of such persons.

SECTION 15

RULEMAKING FUNCTIONS OF THE INTERSTATE COMMISSION

(a) The interstate commission shall promulgate reasonable rules in order to effectively and efficiently achieve the purposes of the compact. Notwithstanding the foregoing, in the event the interstate commission exercises its rulemaking authority in a manner that is beyond the scope of the purposes of the compact, or the powers granted hereunder, then such an action by the interstate commission shall be invalid and have no force or effect.

(b) Rules deemed appropriate for the operations of the interstate commission shall be made pursuant to a rulemaking process that substantially conforms to the "model state administrative procedure act" of 2010, and subsequent amendments thereto.

(c) Not later than 30 days after a rule is promulgated, any person may file a petition for judicial review of the rule in the United States district court for the District of Columbia or the federal district where the interstate commission has its principal offices, provided that the filing of such a petition shall not stay or otherwise prevent the rule from becoming effective unless the court finds that the petitioner has a substantial likelihood of success. The court shall give deference to the actions of the interstate commission consistent with applicable law and shall not find the rule to be unlawful if the rule represents a reasonable exercise of the authority granted to the interstate commission.

SECTION 16

OVERSIGHT OF INTERSTATE COMPACT

(a) The executive, legislative and judicial branches of state government in each member state shall enforce the compact and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of the compact and the rules promulgated hereunder shall have standing as statutory law, but shall not override existing state authority to regulate the practice of medicine.

(b) All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of the compact, which may affect the powers, responsibilities or actions of the interstate commission.

(c) The interstate commission shall be entitled to receive all service of process in any such proceeding and shall have standing to intervene in the proceeding for all purposes. Failure to provide service of process to the interstate commission shall render a judgment or order void as to the interstate commission, the compact or promulgated rules.

SECTION 17 ENFORCEMENT OF INTERSTATE COMPACT

(a) The interstate commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of the compact.

(b) The interstate commission may, by majority vote of the commissioners, initiate legal action in the United States district court for the District of Columbia, or, at the discretion of the interstate commission, in the federal district where the interstate commission has its principal offices, to enforce compliance with the provisions of the compact, and its promulgated rules and bylaws, against a member state in default. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation including reasonable attorney fees.

(c) The remedies herein shall not be the exclusive remedies of the interstate commission. The interstate commission may avail itself of any other remedies available under state law or the regulation of a profession.

SECTION 18 DEFAULT PROCEDURES

(a) The grounds for default include, but are not limited to, failure of a member state to perform such obligations or responsibilities imposed upon it by the compact, or the rules and bylaws of the interstate commission promulgated under the compact.

(b) If the interstate commission determines that a member state has defaulted in the performance of its obligations or responsibilities under the compact, or the bylaws or promulgated rules, the interstate commission shall:

(1) provide written notice to the defaulting state and other member states, of the nature of the default, the means of curing the default, and any action taken by the interstate commission. The interstate commission shall specify the conditions by which the defaulting state must cure its default; and

(2) provide remedial training and specific technical assistance regarding the default.

(c) If the defaulting state fails to cure the default, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the

commissioners and all rights, privileges and benefits conferred by the compact shall terminate on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of the default.

(d) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to terminate shall be given by the interstate commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

(e) The interstate commission shall establish rules and procedures to address licenses and physicians that are materially impacted by the termination of a member state, or the withdrawal of a member state.

(f) The member state, which has been terminated is responsible for all dues, obligations, and liabilities incurred through the effective date of termination including obligations, the performance of which extends beyond the effective date of termination.

(g) The interstate commission shall not bear any costs relating to any state that has been found to be in default or which has been terminated from the compact, unless otherwise mutually agreed upon in writing between the interstate commission and the defaulting state.

(h) The defaulting state may appeal the action of the interstate commission by petitioning the United States district court for the District of Columbia or the federal district where the interstate commission has its principal offices. The prevailing party shall be awarded all costs of such litigation including reasonable attorney fees.

SECTION 19

DISPUTE RESOLUTION

(a) The interstate commission shall attempt, upon the request of a member state, to resolve disputes which are subject to the compact and which may arise among member states or member boards.

(b) The interstate commission shall promulgate rules providing for both mediation and binding dispute resolution as appropriate.

SECTION 20

MEMBER STATES, EFFECTIVE DATE AND AMENDMENT

(a) Any state is eligible to become a member state of the compact.

(b) The compact shall become effective and binding upon legislative enactment of the compact into law by no less than seven states. Thereafter, it shall become effective and binding on a state upon enactment of the compact into law by that state.

(c) The governors of non-member states, or their designees, shall be invited to participate in the activities of the interstate commission on a non-voting basis prior to adoption of the compact by all states.

(d) The interstate commission may propose amendments to the compact for enactment by the member states. No amendment shall become effective and binding upon the interstate commission and the member states unless and until it is enacted into law by unanimous consent of the member states.

SECTION 21

WITHDRAWAL

(a) Once effective, the compact shall continue in force and remain binding upon each and every member state; provided that a member state may withdraw from the compact by specifically repealing the statute which enacted the compact into law.

(b) Withdrawal from the compact shall be by the enactment of a statute repealing the same, but shall not take effect until one year after the effective date of such statute and until written notice of the withdrawal has been given by the withdrawing state to the governor of each other member state.

(c) The withdrawing state shall immediately notify the chairperson of the interstate commission in writing upon the introduction of legislation repealing the compact in the withdrawing state.

(d) The interstate commission shall notify the other member states of the withdrawing state's intent to withdraw within 60 days of its receipt of notice provided under subsection (c).

(e) The withdrawing state is responsible for all dues, obligations and liabilities incurred through the effective date of withdrawal, including obligations, the performance of which extend beyond the effective date of withdrawal.

(f) Reinstatement following withdrawal of a member state shall occur upon the withdrawing state reenacting the compact or upon such later date as determined by the interstate commission.

(g) The interstate commission is authorized to develop rules to address the impact of the withdrawal of a member state on licenses granted in other member states to physicians who designated the withdrawing member state as the state of principal license.

SECTION 22 DISSOLUTION

(a) The compact shall dissolve effective upon the date of the withdrawal or default of the member state, which reduces the membership in the compact to one member state.

(b) Upon the dissolution of the compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the interstate commission shall be concluded and surplus funds shall be distributed in accordance with the bylaws.

SECTION 23 SEVERABILITY AND CONSTRUCTION

(a) The provisions of the compact shall be severable, and if any phrase, clause, sentence or provision is deemed unenforceable, the remaining provisions of the compact shall be enforceable.

(b) The provisions of the compact shall be liberally construed to effectuate its purposes.

(c) Nothing in the compact shall be construed to prohibit the applicability of other interstate compacts to which the states are members.

SECTION 24 BINDING EFFECT OF COMPACT AND OTHER LAWS

(a) Nothing herein prevents the enforcement of any other law of a member state that is not inconsistent with the compact.

(b) All laws in a member state in conflict with the compact are superseded to the extent of the conflict.

(c) All lawful actions of the interstate commission, including all rules and bylaws promulgated by the commission, are binding upon the member states.

(d) All agreements between the interstate commission and the member states are binding in accordance with their terms.

(e) In the event any provision of the compact exceeds the constitutional limits imposed on the legislature of any member state, such provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state.

(2) to have been found guilty of a felony or to have been found guilty of a misdemeanor involving an illegal drug offense unless the applicant or licensee establishes sufficient rehabilitation to warrant the public trust, except that notwithstanding K.S.A. 74-120, and amendments thereto, no license or authorization to practice and engage in the independent practice of midwifery shall be granted to a person with a felony conviction for a crime against persons as specified in article 34 of chapter 21 of the Kansas Statutes Annotated, prior to its repeal, or article 54 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, or K.S.A. 2015 Supp. 21-6104, 21-6325, 21-6326 or 21-6418, and amendments thereto;

The gross non-exempt earned and unearned income and resources of disqualified individuals shall be counted in its entirety as available to the remaining household members.

(19) The secretary for children and families shall not enact the state option from the U.S. department of agriculture for broad-based categorical eligibility for households applying for food assistance according to the provisions of 7 C.F.R. § 273.2(j)(2)(ii).

(20) No federal or state funds shall be used for television, radio or billboard advertisements that are designed to promote food assistance benefits and enrollment. No federal or state funding shall be used for any agreements with foreign governments designed to promote food assistance.

(d) *Temporary assistance for needy families; assignment of support rights and limited power of attorney.* By applying for or receiving temporary assistance for needy families such applicant or recipient shall be deemed to have assigned to the secretary on behalf of the state any accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. In any case in which an order for child support has been established and the legal custodian and obligee under the order surrenders physical custody of the child to a caretaker relative without obtaining a modification of legal custody and support rights on behalf of the child are assigned pursuant to this section, the surrender of physical custody and the assignment shall transfer, by operation of law, the child's support rights under the order to the secretary on behalf of the state. Such assignment shall be of all accrued, present or future rights to support of the child surrendered to the caretaker relative. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant, recipient or obligee. By applying for or receiving temporary assistance for needy families, or by surrendering physical custody of a child to a caretaker relative who is an applicant or recipient of such assistance on the child's behalf, the applicant, recipient or obligee is also deemed to have appointed the secretary, or the secretary's designee, as an attorney-in-fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full.

(4) (e) *Requirements for medical assistance for which federal moneys or state moneys or both are expended.* (1) When the secretary has adopted a medical care plan under which federal moneys or state moneys or both are expended, medical assistance in accordance with such plan shall be granted to any person who is a citizen of the United States or who is an alien lawfully admitted to the United States and who is residing in the state of Kansas, whose resources and income do not exceed the levels prescribed by the secretary. In determining the need of an individual, the secretary may provide for income and resource exemptions and protected income and resource levels. Resources from inheritance shall be counted. A disclaimer of an inheritance pursuant to

K.S.A. 59-2291, and amendments thereto, shall constitute a transfer of resources. The secretary shall exempt principal and interest held in irrevocable trust pursuant to K.S.A. 16-303(c), and amendments thereto, from the eligibility requirements of applicants for and recipients of medical assistance. Such assistance shall be known as medical assistance.

(2) For the purposes of medical assistance eligibility determinations on or after July 1, 2004, if an applicant or recipient owns property in joint tenancy with some other party and the applicant or recipient of medical assistance has restricted or conditioned their interest in such property to a specific and discrete property interest less than 100%, then such designation will cause the full value of the property to be considered an available resource to the applicant or recipient. Medical assistance eligibility for receipt of benefits under the title XIX of the social security act, commonly known as medicaid, shall not be expanded, as provided for in the patient protection and affordable care act, public law 111-148, 124 stat. 119, and the health care and education reconciliation act of 2010, public law 111-152, 124 stat. 1029, unless the legislature expressly consents to, and approves of, the expansion of medicaid services by an act of the legislature.

(3) (A) Resources from trusts shall be considered when determining eligibility of a trust beneficiary for medical assistance. Medical assistance is to be secondary to all resources, including trusts, that may be available to an applicant or recipient of medical assistance.

(B) If a trust has discretionary language, the trust shall be considered to be an available resource to the extent, using the full extent of discretion, the trustee may make any of the income or principal available to the applicant or recipient of medical assistance. Any such discretionary trust shall be considered an available resource unless: (i) At the time of creation or amendment of the trust, the trust states a clear intent that the trust is supplemental to public assistance; and (ii) the trust: (a) Is funded from resources of a person who, at the time of such funding, owed no duty of support to the applicant or recipient of medical assistance; or (b) is funded not more than nominally from resources of a person while that person owed a duty of support to the applicant or recipient of medical assistance.

(C) For the purposes of this paragraph, "public assistance" includes, but is not limited to, medicaid, medical assistance or title XIX of the social security act.

(4) (A) When an applicant or recipient of medical assistance is a party to a contract, agreement or accord for personal services being provided by a nonlicensed individual or provider and such contract, agreement or accord involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits, or other related issues, any moneys paid under such contract, agreement or accord shall be considered to be an available resource unless the following restrictions are met: (i) The contract, agreement or accord must be in writing and executed prior to any services being provided; (ii) the moneys paid are in direct relationship with the fair market value of such services being provided by similarly situated and trained nonlicensed individuals; (iii) if no similarly situated nonlicensed individuals or situations can be found, the value of services will be based on federal hourly minimum wage standards; (iv) such individual providing the services will report all receipts of moneys as income to the appropriate state and federal governmental revenue agencies; (v) any amounts due under such contract, agreement or accord shall

be paid after the services are rendered; (vi) the applicant or recipient shall have the power to revoke the contract, agreement or accord; and (vii) upon the death of the applicant or recipient, the contract, agreement or accord ceases.

(B) When an applicant or recipient of medical assistance is a party to a written contract for personal services being provided by a licensed health professional or facility and such contract involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits or other related issues, any moneys paid in advance of receipt of services for such contracts shall be considered to be an available resource.

(5) Any trust may be amended if such amendment is permitted by the Kansas uniform trust code.

~~(e)~~ (f) *Eligibility for medical assistance of resident receiving medical care outside state.* A person who is receiving medical care including long-term care outside of Kansas whose health would be endangered by the postponement of medical care until return to the state or by travel to return to Kansas, may be determined eligible for medical assistance if such individual is a resident of Kansas and all other eligibility factors are met. Persons who are receiving medical care on an ongoing basis in a long-term medical care facility in a state other than Kansas and who do not return to a care facility in Kansas when they are able to do so, shall no longer be eligible to receive assistance in Kansas unless such medical care is not available in a comparable facility or program providing such medical care in Kansas. For persons who are minors or who are under guardianship, the actions of the parent or guardian shall be deemed to be the actions of the child or ward in determining whether or not the person is remaining outside the state voluntarily.

~~(f)~~ (g) *Medical assistance; assignment of rights to medical support and limited power of attorney; recovery from estates of deceased recipients.* (1) (A) Except as otherwise provided in K.S.A. 39-786 and 39-787, and amendments thereto, or as otherwise authorized on and after September 30, 1989, under section 303 of the federal medicare catastrophic coverage act of 1988, whichever is applicable, by applying for or receiving medical assistance under a medical care plan in which federal funds are expended, any accrued, present or future rights to support and any rights to payment for medical care from a third party of an applicant or recipient and any other family member for whom the applicant is applying shall be deemed to have been assigned to the secretary on behalf of the state. The assignment shall automatically become effective upon the date of approval for such assistance without the requirement that any document be signed by the applicant or recipient. By applying for or receiving medical assistance the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments, representing payments received by the secretary in on behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for assistance and shall remain in effect until the assignment has been terminated in full. The assignment of any rights to payment for medical care from a third party under this subsection shall not prohibit a health care provider from directly billing an insurance carrier for services rendered if the provider has not submitted a claim covering such services to the

secretary for payment. Support amounts collected on behalf of persons whose rights to support are assigned to the secretary only under this subsection and no other shall be distributed pursuant to K.S.A. 39-756(d), and amendments thereto, except that any amounts designated as medical support shall be retained by the secretary for repayment of the unreimbursed portion of assistance. Amounts collected pursuant to the assignment of rights to payment for medical care from a third party shall also be retained by the secretary for repayment of the unreimbursed portion of assistance.

(B) Notwithstanding the provisions of subparagraph (A), the secretary of health and environment, or the secretary's designee, is hereby authorized to and shall exercise any of the powers specified in subparagraph (A) in relation to performance of such secretary's duties pertaining to medical subrogation, estate recovery or any other duties assigned to such secretary in article 74 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto.

(2) The amount of any medical assistance paid after June 30, 1992, under the provisions of subsection ~~(d)~~ (e) is: (A) A claim against the property or any interest therein belonging to and a part of the estate of any deceased recipient or, if there is no estate, the estate of the surviving spouse, if any, shall be charged for such medical assistance paid to either or both; and (B) a claim against any funds of such recipient or spouse in any account under K.S.A. 9-1215, 17-2263, 17-2264, 17-5828 or 17-5829, and amendments thereto. There shall be no recovery of medical assistance correctly paid to or on behalf of an individual under subsection ~~(d)~~ (e) except after the death of the surviving spouse of the individual, if any, and only at a time when the individual has no surviving child who is under 21 years of age or is blind or permanently and totally disabled. Transfers of real or personal property by recipients of medical assistance without adequate consideration are voidable and may be set aside. Except where there is a surviving spouse, or a surviving child who is under 21 years of age or is blind or permanently and totally disabled, the amount of any medical assistance paid under subsection ~~(d)~~ (e) is a claim against the estate in any guardianship or conservatorship proceeding. The monetary value of any benefits received by the recipient of such medical assistance under long-term care insurance, as defined by K.S.A. 40-2227, and amendments thereto, shall be a credit against the amount of the claim provided for such medical assistance under this subsection. The secretary of health and environment is authorized to enforce each claim provided for under this subsection. The secretary of health and environment shall not be required to pursue every claim, but is granted discretion to determine which claims to pursue. All moneys received by the secretary of health and environment from claims under this subsection shall be deposited in the social welfare fund. The secretary of health and environment may adopt rules and regulations for the implementation and administration of the medical assistance recovery program under this subsection.

(3) By applying for or receiving medical assistance under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, such individual or such individual's agent, fiduciary, guardian, conservator, representative payee or other person acting on behalf of the individual consents to the following definitions of estate and the results therefrom:

(A) If an individual receives any medical assistance before July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under paragraph (2), such claim is limited to the

individual's probatable estate as defined by applicable law; and

(B) if an individual receives any medical assistance on or after July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under paragraph (2), such claim shall apply to the individual's medical assistance estate. The medical assistance estate is defined as including all real and personal property and other assets in which the deceased individual had any legal title or interest immediately before or at the time of death to the extent of that interest or title. The medical assistance estate includes, without limitation assets conveyed to a survivor, heir or assign of the deceased recipient through joint tenancy, tenancy in common, survivorship, transfer-on-death deed, payable-on-death contract, life estate, trust, annuities or similar arrangement.

(4) The secretary of health and environment or the secretary's designee is authorized to file and enforce a lien against the real property of a recipient of medical assistance in certain situations, subject to all prior liens of record and transfers for value to a bona fide purchaser of record. The lien must be filed in the office of the register of deeds of the county where the real property is located within one year from the date of death of the recipient and must contain the legal description of all real property in the county subject to the lien.

(A) After the death of a recipient of medical assistance, the secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by such recipient.

(B) The secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by a recipient of medical assistance during the lifetime of such recipient. Such lien may be filed only after notice and an opportunity for a hearing has been given. Such lien may be enforced only upon competent medical testimony that the recipient cannot reasonably be expected to be discharged and returned home. A six-month period of compensated inpatient care at a nursing home or other medical institution shall constitute a determination by the department of health and environment that the recipient cannot reasonably be expected to be discharged and returned home. To return home means the recipient leaves the nursing or medical facility and resides in the home on which the lien has been placed for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. The amount of the lien shall be for the amount of assistance paid by the department of health and environment until the time of the filing of the lien and for any amount paid thereafter for such medical assistance to the recipient. After the lien is filed against any real property owned by the recipient, such lien will be dissolved if the recipient is discharged, returns home and resides upon the real property to which the lien is attached for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. If the recipient is readmitted as an inpatient to a nursing or medical facility for a continuous period of less than 90 days, another continuous period of at least 90 days shall be completed prior to dissolution of the lien.

(5) The lien filed by the secretary of health and environment or the secretary's designee for medical assistance correctly received may be enforced before or after the death of the recipient by the filing of an action to foreclose such lien in the Kansas district court or through an estate probate court action in the county where the real property of the recipient is located. However, it may be enforced only:

- (A) After the death of the surviving spouse of the recipient;
- (B) when there is no child of the recipient, natural or adopted, who is 20 years of age or less residing in the home;
- (C) when there is no adult child of the recipient, natural or adopted, who is blind or disabled residing in the home; or
- (D) when no brother or sister of the recipient is lawfully residing in the home, who has resided there for at least one year immediately before the date of the recipient's admission to the nursing or medical facility, and has resided there on a continuous basis since that time.

(6) The lien remains on the property even after a transfer of the title by conveyance, sale, succession, inheritance or will unless one of the following events occur:

(A) The lien is satisfied. The recipient, the heirs, personal representative or assigns of the recipient may discharge such lien at any time by paying the amount of the lien to the secretary of health and environment or the secretary's designee;

(B) the lien is terminated by foreclosure of prior lien of record or settlement action taken in lieu of foreclosure; or

(C) the value of the real property is consumed by the lien, at which time the secretary of health and environment or the secretary's designee may force the sale for the real property to satisfy the lien.

(7) If the secretary for aging and disability services or the secretary of health and environment, or both, or such secretary's designee has not filed an action to foreclose the lien in the Kansas district court in the county where the real property is located within 10 years from the date of the filing of the lien, then the lien shall become dormant, and shall cease to operate as a lien on the real estate of the recipient. Such dormant lien may be revived in the same manner as a dormant judgment lien is revived under K.S.A. 60-2403 et seq., and amendments thereto.

(8) Within seven days of receipt of notice by the secretary for children and families or the secretary's designee of the death of a recipient of medical assistance under this subsection, the secretary for children and families or the secretary's designee shall give notice of such recipient's death to the secretary of health and environment or the secretary's designee.

(9) All rules and regulations adopted on and after July 1, 2013, and prior to July 1, 2014, to implement this subsection shall continue to be effective and shall be deemed to be duly adopted rules and regulations of the secretary of health and environment until revised, amended, revoked or nullified pursuant to law.

~~(g)~~ *(h)* *Placement under the revised Kansas code for care of children or revised Kansas juvenile justice code; assignment of support rights and limited power of attorney.* In any case in which the secretary for children and families pays for the expenses of care and custody of a child pursuant to K.S.A. 2015 Supp. 38-2201 et seq. or 38-2301 et seq., and amendments thereto, including the expenses of any foster care placement, an assignment of all past, present and future support rights of the child in custody possessed by either parent or other person entitled to receive support payments for the child is, by operation of law, conveyed to the secretary. Such assignment shall become effective upon placement of a child in the custody of the secretary or upon payment of the expenses of care and custody of a child by the secretary without the requirement that any document be signed by the parent or other person entitled to receive support payments for the child. When the secretary pays for the expenses of

care and custody of a child or a child is placed in the custody of the secretary, the parent or other person entitled to receive support payments for the child is also deemed to have appointed the secretary, or the secretary's designee, as attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary on behalf of the child. This limited power of attorney shall be effective from the date the assignment to support rights becomes effective and shall remain in effect until the assignment of support rights has been terminated in full.

~~(h)~~ (i) No person who voluntarily quits employment or who is fired from employment due to gross misconduct as defined by rules and regulations of the secretary or who is a fugitive from justice by reason of a felony conviction or charge or violation of a condition of probation or parole imposed under federal or state law shall be eligible to receive public assistance benefits in this state. Any recipient of public assistance who fails to timely comply with monthly reporting requirements under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations.

~~(i)~~ (j) If the applicant or recipient of temporary assistance for needy families is a mother of the dependent child, as a condition of the mother's eligibility for temporary assistance for needy families the mother shall identify by name and, if known, by current address the father of the dependent child except that the secretary may adopt by rules and regulations exceptions to this requirement in cases of undue hardship. Any recipient of temporary assistance for needy families who fails to cooperate with requirements relating to child support services under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary.

~~(j)~~ (k) By applying for or receiving child care benefits or food assistance, the applicant or recipient shall be deemed to have assigned, pursuant to K.S.A. 39-756, and amendments thereto, to the secretary on behalf of the state only accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant or recipient. By applying for or receiving child care benefits or food assistance, the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. applicable federal law, by the secretary for children and families on and before January 1, 2014. Under such program of drug screening, the secretary for children and families shall order a drug screening of an applicant for or a recipient of cash assistance at any time when reasonable suspicion exists that such applicant for or recipient of cash assistance is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, an applicant's or recipient's demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the applicant or recipient indicating unlawful use of a controlled substance or controlled substance analog.

(2) Any applicant for or recipient of cash assistance whose drug screening results in a positive test may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any applicant for or recipient of cash assistance who requests an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening. Such applicant or recipient who took the additional drug screening and who tested negative for unlawful use of a controlled substance and controlled substance analog shall be reimbursed for the cost of such additional drug screening.

(3) Any applicant for or recipient of cash assistance who tests positive for unlawful use of a controlled substance or controlled substance analog shall be required to complete a substance abuse treatment program approved by the secretary for children and families, secretary of labor or secretary of commerce, and a job skills program approved by the secretary for children and families, secretary of labor or secretary of commerce. Subject to applicable federal laws, any applicant for or recipient of cash assistance who fails to complete or refuses to participate in the substance abuse treatment program or job skills program as required under this subsection shall be ineligible to receive cash assistance until completion of such substance abuse treatment and job skills programs. Upon completion of both substance abuse treatment and job skills programs, such applicant for or recipient of cash assistance may be subject to periodic drug screening, as determined by the secretary for children and families. Upon a second positive test for unlawful use of a controlled substance or controlled substance analog, a recipient of cash assistance shall be ordered to complete again a substance abuse treatment program and job skills program, and shall be terminated from cash assistance for a period of 12 months, or until such recipient of cash assistance completes both substance abuse treatment and job skills programs, whichever is later. Upon a third positive test for unlawful use of a controlled substance or controlled substance analog, a recipient of cash assistance shall be terminated from cash assistance, subject to applicable federal law.

Such parent or legal guardian of the minor child may choose to designate an individual to receive

cash assistance for such parent's or legal guardian's minor child, as approved by the secretary for children and families. Prior to the designated individual receiving any cash assistance, the secretary for children and families shall review whether reasonable suspicion exists that such designated individual is unlawfully using a controlled substance or controlled substance analog.

(A) In addition, any individual designated to receive cash assistance on behalf of an eligible minor child shall be subject to drug screening at any time when reasonable suspicion exists that such designated individual is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, the designated individual's demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the designated individual indicating unlawful use of a controlled substance or controlled substance analog.

(B) Any designated individual whose drug screening results in a positive test may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any designated individual who requests an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening. Such designated individual who took the additional drug screening and who tested negative for unlawful use of a controlled substance and controlled substance analog shall be reimbursed for the cost of such additional drug screening.

(C) Upon any positive test for unlawful use of a controlled substance or controlled substance analog, the designated individual shall not receive cash assistance on behalf of the parent's or legal guardian's minor child, and another designated individual shall be selected by the secretary for children and families to receive cash assistance on behalf of such parent's or legal guardian's minor child.

(5) If a person has been convicted under federal or state law of any offense which is classified as a felony by the law of the jurisdiction and which has as an element of such offense the manufacture, cultivation, distribution, possession or use of a controlled substance or controlled substance analog, and the date of conviction is on or after July 1, 2013, such person shall thereby become forever ineligible to receive any cash assistance under this subsection unless such conviction is the person's first conviction. First-time offenders convicted under federal or state law of any offense which is classified as a felony by the law of the jurisdiction and which has as an element of such offense the manufacture, cultivation, distribution, possession or use of a controlled substance or controlled substance analog, and the date of conviction is on or after July 1, 2013, such person shall become ineligible to receive cash assistance for five years from the date of conviction.

(6) Except for hearings before the Kansas department for children and families or, the results of any drug screening administered as part of the drug screening program authorized by this subsection shall be confidential and shall not be disclosed publicly.

(7) The secretary for children and families may adopt such rules and regulations as are necessary to carry out the provisions of this subsection.

Prayer by Chaplain Brubaker:

Gracious and loving Lord God,
I stand before You today and express gratitude
on behalf of this body
for Your guidance and assistance throughout this session.
Thank You for all that was accomplished.
We ask that You continue to work through the leaders
on that which was not completed.
Thank You for a spirit of unity
even though there has been a myriad of philosophical thought
on all the issues that have been addressed.
Thank You for your protection over them
as they have traveled back and forth for meetings.
Lord, we recognize that there are a couple of more concerns
that still need to be addressed in the coming days.
These are very difficult and complicated subjects.
Please give these leaders Your wisdom and strength
for we recognize that

PERSONAL PRIVILEGE

There being no objection, the following remarks of Reps. Burroughs and Dove are spread upon the Journal:

Rep. Dove's remarks:

On May 9, 2016, Detective Brad Lancaster, a member of the Kansas City, Kansas Police Department (KCKPD), was killed in the line of duty. Detective Brad Lancaster responded to a radio call on May 9, 2016, about a suspicious person near the Kansas Speedway. When Detective Lancaster arrived, the suspicious person fled into a field, where he and Detective Lancaster exchanged gunfire. The suspect was caught and taken into custody later that day, but Detective Lancaster ultimately died of his injuries.

Detective Brad Lancaster, who was 39 years old, is survived by his wife Jamie and two daughters, Brianna and Jillian, aged nine and 10. Detective Lancaster joined the KCKPD on July 12, 2007, graduating as valedictorian from his academy class and was later promoted to Detective in 2013. Detective Lancaster earned 13 commendations during his time with the KCKPD. Before joining the KCKPD, Detective Lancaster served in the United States Air Force and completed two tours of duty, including one in Kuwait during Operation Desert Shield.

This tragic loss took place just before National Police Week, a time in which we celebrate those who leave their homes and families each day and put their lives on the line to keep our neighborhoods safe.

We honor the life of Detective Brad Lancaster, who gave his life to keep his community safe and who deserves our highest respect and appreciation. We join the Kansas City community and law enforcement agencies across the country in our prayers for Detective Brad Lancaster and his family as we mourn his death.

We express our sincere thanks and appreciation to law enforcement officers, with the support of their families, for working tirelessly amid dangerous conditions to protect the innocent, for upholding the law, for the burdens they shoulder and for the sacrifices they make on a daily basis. We owe so much to these everyday heroes.

Rep. Burroughs' remarks:

Born on September 13, 1976 in Smithville, Missouri, Brad was always committed to serving others before himself. He was a U.S. Air Force Veteran and Top Gun Award Winner, who after his Basic Training in San Antonio, served a tour as a Military Policeman in Kuwait during Desert Shield, and then a tour in Saudi Arabia.

In addition to serving as a Platte County Sheriff's Deputy from 1998 to 2007, he was a West Platte Volunteer Firefighter. Brad has served the last decade with the Kansas City, Kansas Police Department. It was no surprise that as the Valedictorian Graduate of the Academy, he was a natural at police work and quickly rose to the rank of Detective.

Brad was a huge Kansas City Royals fan and thoroughly enjoyed being outdoors. He was an avid outdoorsman who loved camping, rafting, kayaking, and zip lining. He excelled at barbecuing and smoking, and he liked it so much he even made his own smokers.

He will always be remembered as a great dad, husband, son and brother, who loved spending time with his family.

With us today are: Jamie Lancaster (wife), Brianna Lancaster (daughter), Jillian

Lancaster (daughter), Carolynn Lancaster (mother), Lynn Johnson (close family friend), Christopher Blake (best friend), Caden Blake and Ryan Blake (Christopher's children), Chief Terry Zeigler, Officer / FOP President Scott Kirkpatrick, Deputy Chief Rodney Smith and Captain Pamela Waldeck.

Also in the gallery we have officers with the Kansas City, KS Wheel Unit.

Reps. Burroughs and Dove presented Mrs. Lancaster with a framed House certificate.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Goico are spread upon the Journal:

Mr. Speaker, Leadership and Members of the House:

It does not get any better than this!

After 7 elections of walking the streets and asking for money from strangers, it is finally my turn to thank all the people that have made these 14 years possible.

First I want to thank my wife and my sons. Susan has stepped-in with many selfless sacrifices during my whole life. She filled-in for me when I have been away either in the legislature or deployed by the Air Force. Literally I can say that she has always been the wind beneath my wings and the afterburner in my engine.

I would also like to thank every one of you. I want to especially thank the staff, revisors, researchers and all the members that serve in my committee. My vice chair and my ranking "D" and all the members that worked hard together to provide the military and veterans the service that we owe them. Like that philosopher, Forest Gump, said "they all fit together like peas and carrots." When times have been difficult you all have been there with your support and prayers.

Next, I would like to thank all the ghosts in the capitol for never letting a bill die. These ghosts keep on telling us "Why can't you just copy what so and so did?" I think that if you want to be eternal, you need to become a bill in the Capitol.

I want to thank all the physicians and lawyers that have been part of the legislature since 1861. They have shown us that they can actually work without charging a fee.

I also have to thank all the lobbyists for helping the economy by giving us the opportunity to buy many pairs of ever expanding pants and suits. On that point, I would like to thank in advance whoever invents a one-size-fits-all legislature suit.

I want to thank that British philosopher, Mick Jagger, who said "You cannot always get what you want." That is the best advice for any legislator I have ever heard.

I also need to thank the guy that said that the way to happiness is to learn to want what you have and not want what you don't have. This is the only job where you don't see what the story is really about till you're at the end of it. I admire all of you for serving without consideration for personal wealth. Now that I have reached this moment, I have noticed that endings are hard and I will miss all of you.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Kelley are spread upon the Journal:

Today, we celebrate two extraordinary young men who deserve to be honored and

celebrated, Mitchell and Christopher Gingher. Since age 6, these young men have donated their birthdays to community needs. The first couple of years, they took in more than 250 unwrapped gifts for the Salvation Army to give to children in need at Christmas. They then turned their attention to the local food pantries by asking those who attended their birthday to bring canned goods. The first year's goal of 500 lbs of food was exceeded, reaching 800 lbs. The second year, with a new goal of 800 lbs, they collected around 1000 lbs. Then 1100 lbs, and this past year more than 1200 items for local pantries.

Avid volunteers at our area museum, taking meals to families who have either needs or illness, both Christopher and Mitchell are always active helping others and giving back. This year, they became aware of the need for basics among families facing challenges, so they began the Bread, Milk and Eggs Project whereby they provide these three basics to families in need. They partnered with a grocery in Arkansas City and put together certificates that can be handed out to assist families. They have amazed adults who have tried to start programs like this before by launching it in a matter of weeks and ensuring it has the financial backing from citizen donations to continue on.

Their giving hearts come naturally as mother, Kanyon, is an avid ambassador to families in need by raising money to assist with utility bills for those struggling to meet their obligations. And family friend, Bob Scott, who owns an automotive shop in Arkansas City quietly has helped countless families, at no cost, with their automobile needs. This family exemplifies the best in the human spirit and giving back.

Please help me recognize and congratulate them for their selfless acts of giving, at such a young age, with such incredible impact.

Rep. Kelley presented Mitchell and Christopher Gingher with framed House certificates.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Moxley are spread upon the Journal:

What a tremendously interesting time. The past four years of budget woes have given new meaning to the term "Bleeding Kansas."

While I am extremely positive about the changes that I see in this coming election and the positive future that it will mean to every Kansan, I am here to announce that I will not be running for a sixth term. These ten years have gone by like a flash but I think we should self-regulate our term limits. I have reached my own conclusion, just as you will at some point.

I have and do enjoy tremendous support from my constituents and friends in both the old 68th and the new 68th districts. Representing them and the other great people of Kansas has been a pleasure. After the redistricting, 70 percent of my people changed. In my home of Morris County where people knew me, I garnered 75% of the vote but in Chase County where they didn't know me, I got 81% of the vote.

I've always believed in making Kansas a better place. Through good leadership, we made real progress for a number of years during some extremely challenging times. Those opportunities now lie just ahead of us because hard times can and do set the plate for good times. Kansas has been through much harder times and I believe that positive

new leadership will put Kansas back on a track that is constructive for all Kansans not just the wealthy few.

Some things are bigger than any one of us and we just have to count on and encourage others to carry the torch to the finish line. I believe we will have a renaissance in Kansas that will be led by many of you in this room. At that point I will regret not being here as part of the solution.

I hope we can stay in touch and tell “Fox Hole” stories about the wars we fought together. The casino bill which had eight divisions of the question, 54 amendments and a debate which finished in the early morning.

In 2012 there was HB 2117. It was the infamous tax reduction bill where the sitting House Speaker broke 5 House rules to allow its passage. Including not allowing me to even call him on breaking the House rules.

On the positive side many of us in this room passed T-works, Clean Air Kansas, a nursing Home Provider Tax, and solving the “Great Recession” budget and funding crisis.

I thank you for being my friend in good times and bad. You and I each have memories to cherish. I hope that I played some small positive part in your life as you and this House body have played a positive role in mine.

May God Bless You and the Great State of Kansas.

Samuel weighed 7 lbs. 14 oz and is 21 inches long. He was named for the historic Irish immigrant, Sam Carlin, who brought the Carlin family to Salina, Kansas in 1871. He joins older brother, Hugh James Carlin.

MESSAGES FROM THE SENATE

Announcing adoption of **HCR 5027**.

The Senate adopts the Conference Committee report on **H Sub for SB 249**.

The Senate adopts the Conference Committee report on **H Sub for SB 402**.

Also, announcing the Senate herewith transmits a veto message from the Governor on **SB 338**. AN ACT concerning cities; relating to the rehabilitation of abandoned property; amending K.S.A. 2015 Supp. 12-1750 and 12-1756a and repealing the existing sections; also repealing K.S.A. 2015 Supp. 12-1756e., which was received on April 11, 2016 and was read before the Senate on April 27, 2016.

The right to private property serves as a central pillar of the American constitutional tradition. It has long been considered essential to our basic understanding of civil and political rights. Property rights serve as a foundation to our most basic personal liberties. One of government's primary purposes is to protect the property rights of individuals.

"The purpose of **Senate Bill 338**, to help create safer communities, is laudable. However, in this noble attempt, the statute as written takes a step too far. The broad definition of blighted or abandoned property would grant a nearly unrestrained power to municipalities to craft zoning laws and codes that could unjustly deprive citizens of their property rights. The process of granting private organizations the ability to petition the courts for temporary and then permanent ownership of the property of another is rife with potential problems.

Throughout the country, we have seen serious abuse where government has broadened the scope of eminent domain, especially when private development is involved. The use of eminent domain for private economic development should be limited in use, not expanded. **Senate Bill 338** opens the door for serious abuse in Kansas. Governmental authority to take property from one private citizen and give to another private citizen should be limited, but this bill would have the effect of expanding such authority without adequate safeguards.

Kansans from across the political spectrum contacted me to discuss their concerns that this bill disparately impact low income and minority neighborhoods. The potential for abuse of this new statutory process cannot be ignored. Government should protect property rights and ensure that the less advantaged are not denied the liberty to which every citizen is entitled.

There is a need to address the ability of municipalities and local communities to effectively maintain neighborhoods for public safety. However, **Senate Bill 338** does much more. Though I am vetoing this bill, I would welcome legislation that empowers local communities to respond to blight and abandoned property that does not open the

door to abuse of the fundamental rights of free people.”

MESSAGES FROM THE SENATE

Announcing a line item veto message from the Governor of **H Sub for SB 249**, AN ACT making and concerning appropriations for fiscal years ending June 30, 2016, June 30, 2017, and June 30, 2018, for state agencies; authorizing and directing payment of

certain claims against the state; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 2015 Supp. 74-4914d, as amended by section 106 of House Substitute for Senate Bill No. 161, 74-4920, as amended by section 107 of 2016 House Substitute for Senate Bill No. 161, and 74-99b34, as amended by section 109 of 2016 House Substitute
for Senate Bill No. 161, and repealing the existing sections.

“I want to thank every member of the Kansas Legislature for your hard work during the 2016 session.

I have taken actions to balance the budget and reduce the growth of state spending. If the Kansas Supreme Court orders an additional \$40 million, or more, in funding for schools, it could result in additional cuts to Medicaid and higher education beyond those enumerated here.

These actions protect public safety and provide support to state hospitals, specifically:

- Increasing SGF to Osawatomie State Hospital and Larned State Hospital by \$11.4 million in FY 2016.
- Increasing SGF to Osawatomie State Hospital and Larned State Hospital by \$5.6 million in FY 2017, including direct care pay increases to Registered Nurses at OSH and Mental Health Technicians at OSH and LSH in order to provide aid in recruitment and retention of qualified nursing and direct care staff.
- Increasing DCF's budget by \$1.1 million to fund pay increases to Social Workers to improve recruitment and retention in these hard to fill positions.
- Realizing \$6.5 million in reduced expenditures from the State General Fund in order to pay for the pay increases that will be realized through implementation of Alvarez and Marsal efficiency recommendations.

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return House Substitute for Senate Bill No. 249 with my signature approving the bill, except for the items enumerated below.

Department of Aging and Disability Services – Mental Health Screenings

Section 20(b) is vetoed in its entirety.

In October 2015, the Department for Aging and Disability Services discontinued its policy of requiring mental health screenings prior to admission to inpatient psychiatric beds at community hospitals and residential treatment facilities. The screenings were discontinued based on the potential loss of funding from the federal government due to federal Mental Health parity regulations. The proviso at issue here would return to the former policy, at a cost of more than \$1.8 million. While that cost may be justified by the benefits to be obtained from the screenings, approving this provision could additionally jeopardize substantial federal funding of inpatient Medicaid services. I would be pleased to revisit this issue if the state receives new and different assurances from the federal government on the matter.

KPERS – Transfer of Tobacco Litigation Settlement Revenue

Section 50(c) is vetoed in its entirety.

House Substitute for SB 249 states that if KPERS employer contributions for any state agency is lapsed or transferred in FY 2016, the amount will be certified and repaid

with interest of 8.0 percent per annum to the KPERS retirement fund from the State General Fund. The five repayment provisions are prescribed as follows:

- The amount of which the actual tax receipt revenues to the State General Fund exceeds the April 2017 joint estimate of revenue shall repay the KPERS amount lapsed or transferred.
- The amount of which the actual tax receipt revenues to the State General Fund exceeds the April 2018 joint estimate of revenue shall repay the KPERS amount lapsed or transferred.
- The amount received from the master tobacco settlement litigation revenue in excess of expenditures or transfers that have been made from the Key Endowment for Youth Fund as provided by law in FY 2017 shall be used to repay the KPERS amount lapsed or transferred.
- The amount received from master tobacco settlement litigation revenue in excess of expenditures or transfers that have been made from the Key Endowment for Youth Fund as provided by law in FY 2018 shall be used to repay the KPERS amount lapsed or transferred; and
- Any amounts remaining to be repaid from the amount lapsed or transferred in FY 2016 will be repaid from the State General Fund by June 30, 2018.

The excess master tobacco settlement litigation revenue is estimated to be \$16.0 million in FY 2017. In order to increase the State General Fund ending balance by \$16.0 million and guard against further reductions to Medicaid and Higher Education, the proviso prescribing excess master tobacco settlement litigation revenue to be used to repay the KPERS amount lapsed or transferred in FY 2016 is vetoed. The remaining four provisions relating to the repayment of KPERS employer contributions lapsed or transferred in FY 2016 will remain.”

There being no motions to reconsider the line item vetoes in **H Sub for SB 249**, the President ruled the vetoes sustained.

Also, announcing the Senate here with transmits the veto message from the Governor, together with the enrolled copy of **H Sub for SB 280**, AN ACT concerning taxation; relating to powers of taxing jurisdictions; valuation, appeals, procedure; ratio study, presentation to county commissioners, exemptions; bed and breakfasts; oil and gas leases, determination of value of production, evidence; county appraisers, persons eligible; market study analysis; tax liens, extinguishment; delinquent real property taxes, interest rate, claims against the county; amending K.S.A. 19-432, 79-504, 79-1412a, 79-1456, 79-1460a and 79-2011 and K.S.A. 2015 Supp. 12-1927, 74- 2426, 74-2433, 74-2438, 77-618, 79-331, 79-425a, 79-503a, 79-1439, 79-1448, 79-1460, 79-1476, 79-2004, 79-2005 and 79-2026 and repealing the existing sections, which was received on May 17, 2016 and read on June 1, 2016.

“In 2014, I signed House Substitute for Senate Bill 231, which contained numerous revisions governing the litigation of tax cases. In connection with the consideration of that legislation, I expressed concerns about a section in a prior version of the bill that would have retroactively given the parties in previously determined matters a second opportunity to litigate their cases. This objectionable provision then was removed from

the final 2014 legislation, which I eventually signed.

The bill that I am vetoing today renews the concerns I expressed two years ago, by adding a new provision that would for the first time allow tax cases that are on appeal and eventually remanded to the Board of Tax Appeals to then be the subject of a subsequent appeal to a district court, where the court would conduct an entirely new trial and decide all of the issues over again. Section 3(c)(4)(B). This new possibility of district “trial de novo,” as defined in this provision, improperly gives parties in previously determined matters a second opportunity to litigate their cases, and essentially nullifies the prior proceedings – thereby wasting time, effort, and expenses incurred by the parties and the courts in these matters. Significantly, the Kansas courts have recognized that the Board of Tax Appeals already performs the necessary judicial function of an initial court of record for the matters at issue here – a function that would be upended by this legislation. See In re Appeal of Trickett, 27 Kan. App. 2d 651,656, 8 P.3d 18, 23 (2000).

The new appeal right contained in this bill would be very beneficial to parties in cases positioned to take advantage of them, and as it turns out, to one case in particular. The State of Kansas is currently litigating an income tax matter in which the state has received a tax deposit of \$48,467,227.00. The taxpayers in that case, Mr. and Mrs. O. Gene Bicknell, have been supporters of and financial donors to my campaigns for public office, as well as the campaigns of many others. Mr. Bicknell was a candidate for the Republican nomination for Governor of Kansas in 1994. His tax dispute with the State of Kansas far predates my election as Governor, but the litigation has continued throughout my administration and I have always taken the position that the matter should be left to the Department of Revenue and the court system. See In re Bicknell, No. 2010-8529-DT (decision of the Kansas Court of Tax Appeals dated Dec. 3, 2013), vacated and remanded, No. 111,202 (decision of the Kansas Court of Appeals dated Sept. 25, 2015) (transfer motion pending before Kansas Supreme Court).

Under these circumstances, it would be improper for me to approve this legislation. Taxpayers should contest their past tax obligations before the board and the courts under the laws that apply to everyone. Most Kansans lack the resources necessary to seek special treatment through the legislative process. I share the Legislature's interest in ensuring a fair and impartial system of justice for taxpayers. Toward that end, I look forward to receiving any new legislation with reforms that operate on a going forward basis and which do not disturb pending cases.

Accordingly, pursuant to Article 2, Section 14(a) of the Constitution of the State of Kansas, I hereby veto Senate Bill 280.”

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Merrick are spread upon the Journal:

This is a moment I've thought about a lot. I don't come down here very often. It's a much better view from up there, but it's important for me to say thank you.

Many of you know I was born in a log cabin, in northern Alberta, Canada. What you may not know, is that after high school I worked construction during the summer. We poured concrete for the sidewalk out around the capitol building. I had no idea my life would take me to these chambers.

Serving here has brought so many opportunities I didn't dream of. I have met many amazing people along the way.

One of the main reasons I have been here has been to make Kansas the best possible state for my children and grandchildren to live.

Together, we have made bold policy changes for our state. With your help, we accomplished change that is vital for the future of our state. We put our kids first on countless education reform bills.

We brought accountability and openness to the judiciary. We passed transparency reform to make our committee hearings open and accessible. We've worked to make Kansas the best place to start and grow a small business. We've stood for the right of Kansans to defend themselves with the Second Amendment. We've given voters a voice on whether their property taxes increase, and there are so many other accomplishments I'm proud of. I couldn't have done it without you. I couldn't have done it if you hadn't given me the opportunity. Thank you.

Right now, all across this state, there are young people who aren't sure what they want to do with their future. Maybe they're out pouring concrete. My message to them is that in whatever you do, put everything you have into it. You have to work hard, persevere, and keep working hard. It will not be easy, in fact it rarely will. But it will take you unexpected places, perhaps even to this chamber.

Thank you to everyone who made my speakership possible. Thank you to my wife Phyllis, my sons, Matt and Mike. Thank you to my staff, and to everyone around the building who supports the legislature. But most of all, thank you for twice electing me to serve this body. It has been an honor and a privilege. I wish each and every one of you the very best. Thank you.

STATE OF KANSAS, COUNTY OF SHAWNEE, SS:

I do solemnly swear, or affirm, that I will support the Constitution of the United States, and the Constitution of the State of Kansas, and will faithfully discharge the duties of the office of member of the House of Representatives, so help me God.

Speaker Merrick called the House to order.

The roll was called with 120 members present.

Reps. Claeyes, Edmonds, Goico, Hedke and Suellentrop were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

All-knowing God,
 Here we are gathered again so soon –
 not something that we expected,
 but it is no surprise to You.
 And, if the heat outside
 is any indication of
 the heat inside,
 we might be in trouble.
 God, we are here to settle a serious issue
 of which everyone has an opinion
 and have voiced their opinions
 over the last few weeks.
 The rhetoric of solutions have been voiced by
 special interest groups, lobbyists, the media,
 different levels of state government,
 members of this chamber and the Senate Chamber,
 and, of course, our citizens.
 The voices have been deafening –
 sharp – biting – critical – negative.

And now we are here to make a decision
and the only voice we need to hear
and listen to is Yours.
Help these leaders to block out all the noise –
and listen to the voice that matters the most.
Because of all the voices,
Yours is the only voice of true reason,
the only voice that knows the future,
the voice that brings wisdom and calmness
to all the chaos.
Speak to these leaders today –
and help them to heed Your Word,
“real wisdom, God's wisdom begins with a holy life
and is characterized by peace-loving,
being considerate, submissive,
full of mercy and good fruit,
impartial and sincere.”
In Christ's Name I pray, Amen.
(James 3.17 – MSG/NIV)

The Pledge of Allegiance was led by Rep. Clayton.

HOUSE CONCURRENT RESOLUTION No. **HCR 5001**—
By Committee on Judiciary

HCR 5001—A PROPOSITION to amend article 6 of the constitution of the state of Kansas by amending section 6 thereof to establish requirements for the finance of

public elementary and secondary schools and to define the legal remedies for violations of article 6.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 6 of article 6 of the constitution of the state of Kansas is hereby amended to read as follows:

"§ 6. Finance. (a) The legislature may levy a permanent tax for the use and benefit of state institutions of higher education and apportion among and appropriate the same to the several institutions, which levy, apportionment and appropriation shall continue until changed by statute. Further appropriation and other provision for finance of institutions of higher education may be made by the legislature.

(b) The legislature shall make ~~suitable~~ provision for finance of the educational interests of the state *as follows: For any fiscal year that commences on or after July 1, 2017, the legislature shall designate and appropriate for the finance of public elementary and secondary schools an amount that is 45% of the preceding fiscal year's total state revenue for the ensuing fiscal year. The state board of education shall have exclusive authority and responsibility to allocate and distribute funds designated and appropriated by the legislature for the finance of public elementary and secondary schools.* No tuition shall be charged for attendance at any public school to pupils required by law to attend such school, except such fees or supplemental charges as may be authorized by law. The legislature may authorize the state board of regents to establish tuition, fees and charges at institutions under its supervision.

(c) *In any civil action in which a statute or other legislative enactment of this state has been held unconstitutional as a violation of this article, no court shall have the authority to order a school district or any attendance center within a school district to be closed, or make or enforce any other order or remedy, the effect of which is to prohibit the expenditure of funds such that a school district or any attendance center within a school district shall not operate. Nor shall the legislature have such authority when its action is in direct response to a court ruling that a statute or other legislative enactment of this state has been held unconstitutional as a violation of this article.*

~~(e)~~ (d) No religious sect or sects shall control any part of the public educational funds.

(e) *As used in this section, the term "total state revenue" means all moneys received by the state from any source except any of the following:*

- (1) *Moneys received as grants, gifts or donations which are to be expended for purposes specified by the donor;*
- (2) *moneys received from the federal government; and*
- (3) *moneys which are income earned on moneys in permanent endowment funds, trust funds, deferred compensation funds or pension funds and which are*

credited to such funds."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to specify, as a percentage of the state's total revenue, the amount of funds the legislature is to appropriate each year for public schools. The amendment also gives the state board of education exclusive authority to allocate and distribute funds appropriated for public schools. The amendment also limits the legal remedies available to both the courts of this state and the legislature by prohibiting the closure of schools as a legal remedy in cases where a law is held to be unconstitutional as a violation of article 6 of the constitution of the state of Kansas.

"A vote for this proposition would require the legislature to appropriate 45% of the state's total revenue each year for the purpose of financing public schools and would grant exclusive authority to the state board of education to allocate and distribute such funds. It would also prohibit courts in this state from issuing any order to close one or more schools as a remedy in a lawsuit where a law is held to be unconstitutional as a violation of article 6 of the constitution of the state of Kansas. It would also prohibit the legislature from enacting any law that would close one or more schools if such law is in direct response to a court ruling that a law is unconstitutional as a violation of article 6 of the constitution of the state of Kansas.

"A vote against this proposition would make no changes to current law. The legislature would retain its responsibility to provide suitable finance for the educational interests of this state. Also, courts would be able to continue issuing orders that could have the effect of closing schools, and the legislature would retain authority to close schools by law."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2016, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

On motion of Rep. Vickrey, the House recessed until 4:00 p.m.

LATE AFTERNOON SESSION

The House met pursuant to recess with Speaker Merrick in the chair.

Prayer by Chaplain Brubaker:

O Lord, my God,
Today I exalt You and thank You for Your faithfulness
and for the many blessings and miracles
You have provided for these our leaders.
You have promised to keep in perfect peace
those whose minds are steadfast and trust in You.
I pray for this today.

You have said that in repentance and rest is our salvation,
in quietness and trust is our strength.
I pray for this today.

You instruct us that the fruit of righteousness will be peace;
the effect of righteousness will be quietness and confidence forever.
I pray for this today.

You have promised to be the sure foundation for our times,
a rich store of salvation and wisdom and knowledge.
I pray for this today,

And You have promised that those who hope in You
will renew their strength. They will soar on wings like eagles;
they will run and not grow weary, they will walk and not be faint.
I pray for this today.

In Your Son's Name I pray, Amen.

EXPLANATIONS OF VOTE

MR. SPEAKER: Although the judges said there would be winners and losers, my home town of Pretty Prairie and Haven were losers today. I supported this bill as I have tried for several years to protect our rural schools. I vote yes on **Sub HB 2001**. – JOE SEIWERT

MR. SPEAKER: Today I vote Yes on **Sub HB 2001** in order to assure that our schools remain open despite the threatening actions of the Kansas Supreme Court. My disappointment in passing this bill is that it returns us to the same old flawed equity formula that time and again has failed rural districts, treating many of them as rich and wealthier urban districts as poor. – KYLE HOFFMAN

MR. SPEAKER: Article 2, Sections 1 and 24 of the Kansas Constitution grant the sole and exclusive right and authority to appropriate funds to the Kansas Legislature. The Kansas Supreme Court's decision in *Gannon v. State*, issued on May 27, 2016,

effectively directing the Kansas Legislature to appropriate additional funds for Kansas schools, flagrantly violates these constitutional provisions, and as such, abrogates the sacred separation of powers enshrined in the Kansas Constitution. It renders the Kansas Legislature a second class branch of government subservient to the Court. As such, I must vote no on **Sub HB 2001**. – JOHN J. RUBIN

MR. SPEAKER: I am one of the handful of members who were here in 2005, and for the first 8 hours today, it seemed much the same. Second verse same as the first. That said, I vote yes with much frustration. We will be back here within 10 years doing this again. The day will come when this body is going to have to decide if it wants to recover its authority on school finance. We will someday need to decide if we want political pressure to come from across the street or from our constituency at home. I vote yes on **Sub HB 2001**. – SCOTT SCHWAB

MR. SPEAKER: I vote yes on **Sub HB 2001** to keep schools open and give property tax relief to my county. The root problem remains unaddressed however. I hope the voters join me in voting to not retain the unlawful, unconstitutional justices who use our children as pawns in their political games. Though barred statutorily from closing schools – over less than 1% of funding – their ruling has more to do with thuggery and power than children. This court again showed us why they are one of the most overturned supreme courts in the nation and must not be retained. – JOSEPH SCAPA, JOHN BRADFORD, LESLIE OSTERMAN, WILL CARPENTER, JOHN WHITMER, CHUCK WEBER, JAN PAULS, TONY BARTON, PETE DEGRAAF

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Hill are spread upon the Journal:

What a blessing it has been to share with you all the opportunity to come to work in this wonderful place and to serve our great state of Kansas!

It has always been my personal goal to be in a growth mode and one of my favorite sayings is “The only world we have is the world we know.” Serving in the legislature absolutely forces each of us to grow, and the fulfillment which results in meeting new people, making new friends, learning new information and gaining a broader perspective will obviously be something that each of us will take away from our experience in Kansas House of Representatives.

If I have had any measure of success here (and that is arguable) it may be because of lessons I learned early in my career from some wonderful mentors. With your indulgence I will share just a couple of those lessons. It was almost exactly 30 years ago that I sat with my Leadership Kansas classmates just across the rotunda in the Senate chambers and the dean of Kansas lobbyists at the time shared her two simple keys to success in the Capitol. Don’t lie and don’t get mad. I hope we will all succeed heeding that advice.

A second observation came from one of my early mentors, Health Committee Chairman, Dr. Jim Morrison. In my very first committee meeting after being elected Chairman Morrison shared with our committee. “You know, issues we face in the legislature are like pancakes – never so thin that they don’t have two sides.” More great advice! May we always seek to understand all sides of an issue.

And finally, another mentor and former Speaker admonished me that we should always focus on policy first. I have said at this well before and I will say again with emphasis – I have never seen good policy passed on a party line vote. Good policy is good politics and I wish for this body and the state of Kansas that the trends toward hyper-partisanship and polarization can be dialed back.

I leave this place with a treasure of experiences, with many life-long friends and a heart full of gratitude. Thank you all for sharing and putting up with me! Shalom.

On motion of Rep. Vickrey, the House recessed until 8:30 p.m.

EVENING

The House met pursuant to recess with Speaker Merrick in the chair.
