§ 7. This section was eliminated by the 1974 revision of this article.

§ 8. Organization and sessions.—The legislature shall meet in regular session annually commencing on the second Monday in January, and all sessions shall be held at the state capital. The duration of regular sessions held in even-numbered years shall not exceed ninety calendar days. Such sessions may be extended beyond ninety calendar days by an affirmative vote of two-thirds of the members elected to each house. Bills and concurrent resolutions under consideration by the legislature upon adjournment of a regular session held in an odd-numbered year may be considered at the next succeeding regular session held in an even-numbered year, as if there had been no such adjournment.

The legislature shall be organized concurrently with the terms of representatives except that the senate shall remain organized during the terms of senators. The president of the senate shall preside over the senate, and the speaker of the house of representatives shall preside over the house of representatives. A majority of the members than elected (or appointed) and qualified of the house of representatives or the senate shall constitute a quorum of that house. Neither house, without the consent of the

JOINT RULES OF THE SENATE AND
HOUSE OF REPRESENTATIVES
2015-2016

Joint rule 1. Joint rules; application and date of expiration; adoption, amendment, suspension and revocation. (a) *Joint rules; expiration, adoption, amendment, suspension and revocation; vote required.* Joint rules are adopted under the authority of section 8 of article 2 of the Constitution of the State of Kansas and shall govern matters made subject thereto except when otherwise specifically provided by joint rule. Joint rules shall expire at the conclusion of the terms of representatives. Joint rules shall be adopted, amended, suspended and revoked by concurrent resolution of the two houses of the legislature. Concurrent resolutions adopting joint rules shall receive the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house.

(b) *Amendment, suspension or revocation of joint rules; previous notice; vote required.* After one day's previous notice, joint rules may be amended, suspended or revoked by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house. Upon the filing of such notice in either house, a message shall be sent to the other house advising of the filing of such notice and the reading of the message shall constitute notice to the members of such house. If such previous notice is not given, the affirmative vote of $\frac{2}{3}$ of the members then elected (or appointed) and qualified in each house shall be required for the amendment, suspension or revocation of a joint rule.

(c) *Amendment, suspension or revocation of joint rules at commencement of legislative session; vote required; conditions.* Notwithstanding any provision of this rule to the contrary, no notice shall be required for the adoption of a concurrent resolution amending, suspending or revoking any one or more joint rules at the commencement of a legislative session, and adoption of any such concurrent resolution shall require only the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house, subject to the following conditions: (1) The concurrent resolution is sponsored by the speaker or the president, and (2) either (a) a copy thereof is mailed to each member of the legislature by deposit in the United States mails not later than 11:00 p.m. on the Thursday preceding the Monday on which the legislative session is to commence or (b) in lieu of mailing, copies of the concurrent resolution are made available to members on the first day of the legislative session and final action is taken on a subsequent legislative day.

Joint rule 2. Joint sessions. (a) *Joint session called by concurrent resolution; vote required; time, place and subject matter.* A joint session of the senate and house of representatives may be called by concurrent resolution adopted by the affirmative vote of not less than a majority of the members elected (or appointed) and qualified in each house of the legislature or as may otherwise be prescribed by law. Any such resolution shall fix the time and place of the joint session, and the subject matter to be considered at the joint session. Joint sessions shall consider only such matters as are prescribed by law or by the concurrent resolution calling such joint session.

(b) *Presiding officer at joint sessions; record of joint session; rules applicable.* The speaker of the house of representatives shall preside at all joint sessions of the senate and house of representatives, and the clerk of the house of representatives shall

keep a record of the proceedings thereof and shall enter the record of each such session in the journal of the house of representatives. The rules of the house of representatives and the joint rules of the two houses, insofar as the same may be applicable shall be the rules for joint sessions of the two houses.

(c) *Votes in joint session; taking; requirements.* All votes in a joint session shall be taken by yeas and nays, and in taking the same it shall be the duty of the secretary of the senate first to call the names of the members of the senate, and after which the clerk of the house of representatives shall in like manner call the names of the members of the house. Each member of the senate and the house of representatives present shall be required to vote on all matters considered in joint session, unless excused by a vote of a majority of the members of both houses present.

Joint rule 3. Conference committee procedure. (a) *Action by house of origin of bill or concurrent resolution amended by other house.* When a bill or concurrent resolution is returned to the house of origin with amendments by the other house, the house of origin may: (1) Concur in such amendments; (2) refuse to concur in such amendments; or (3) refuse to concur in such amendments and request a conference on the bill or concurrent resolution.

(b) *Concurrence by house of origin; concurrence prior to taking action on conference committee report by other house; final action; effect of failure of motion to concur.* The house of origin of any bill or concurrent resolution may concur in any amendments made by the other house, except that if the bill or concurrent resolution has been referred to a conference committee such action may only be taken prior to the taking of final action upon the conference committee report upon such bill or concurrent resolution by the other house. A vote in the house of origin of any bill or concurrent resolution on a motion to concur in amendments to such bill or concurrent resolution by the other house shall be considered action on the final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has been appointed and action has not been taken upon the report of such committee by the other house and such motion fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and the motion to concur may be renewed but not on the same legislative day. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has not been appointed and such motion fails, the bill or concurrent resolution shall be deemed to be killed.

(c) *Motion to nonconcur; when considered final action; effect of adoption of motion.* A vote in the house of origin of any bill or concurrent resolution on a motion to nonconcur or to refuse to concur in amendments to such bill or concurrent resolution by the other house which is not coupled with a request for the appointment of a conference committee shall be considered action on final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal, and the bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) *House of origin refusal to concur or nonconcur; request for conference; procedure.* When a bill or concurrent resolution is returned by either house to the house of origin with amendments, and the house of origin refuses to concur or to nonconcur therein, a conference may be requested by a majority vote of the members present and voting. Such request shall be transmitted to the other house by message which shall include the names of the conferees on the part of the requesting house. Upon receipt of any such

message, the receiving house may, in like manner, approve such conference, and shall thereupon notify the requesting house by message stating the names of its conferees.

(e) *Membership; appointment; chairperson; house of origin of substitute or materially changed bill or concurrent resolution; meetings of conference committee.* Each conference committee shall consist of three members of the senate and three members of the house of representatives, unless otherwise fixed by agreement of the president of the senate and speaker of the house. Senate members shall be appointed by the president of the senate and house members shall be appointed by the speaker of the house of representatives. The president or the speaker may replace any conferee previously appointed by such person. Not less than one member appointed from each house shall be a member of the minority political party of such house except when such representation for such house is waived by the minority leader of such house. In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.

(f) *Conference committee reports; matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business.* Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation. Subject to any limitations imposed under the constitution of the state of Kansas, no more than a total of four additional bills or concurrent resolutions or parts of bills or concurrent resolutions in conference or bills or concurrent resolutions or parts of bills or concurrent resolutions which have passed in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution, except that reports of conference committees on any taxation bill are not subject to the limitation contained in this provision. A conference committee report shall not be subject to amendment. The original signed conference committee report shall be submitted to and acted upon first by the house other than the house of origin of the bill or concurrent resolution. Except when a conference committee report is an agree to disagree coupled with a request that a new conference committee be appointed or is a recommendation to accede to or recede from all amendments of the second house, electronic and paper copies of the report shall be made available to all members of the house considering the report not later than 30 minutes before the time of its consideration, except that if the report is more than six pages in length no paper copies will be required to be distributed to individual members provided that at least 10 paper copies of the report are made available to members at the clerk's or secretary's desk at the front of the

respective house. By written notice, the majority leader may direct the clerk or secretary to increase from six pages to some greater number of pages the size of conference committee reports that need not be distributed by paper copies to individual members pursuant to this rule. The affirmative vote of $\frac{2}{3}$ of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.

(g) *Signatures required on conference committee reports.* All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.

(h) *Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report.* The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.

(i) *Report of conference committee unable to agree; effect of failure to request new conference committee; effect of failure of motion to adopt report requesting new conference committee.* If a conference committee upon any bill or concurrent resolution is unable to agree, it shall report that fact to both houses. Such report may request that a new conference committee be appointed thereon. If the committee so reports but fails to request the appointment of a new conference committee thereon, the bill or concurrent resolution shall be deemed to have been killed upon the adoption by either house of such report. If the motion to adopt a report requesting the appointment of a new conference committee fails, the bill or concurrent resolution shall be deemed to be killed.

(j) *Bills or concurrent resolutions under consideration by conference committees and reports thereof; carryover from odd-numbered to even-numbered year.* Bills or concurrent resolutions under consideration by a conference committee, or a report of which has been filed but no action taken thereon in either house, at the time of adjournment of a regular session of the legislature held in an odd-numbered year shall remain alive during the interim and may be considered by the committee and legislature as the case may be at the regular session held in the following even-numbered year.

Joint rule 4. Deadlines for introduction and consideration of bills. The senate and house of representatives shall observe the following schedule of deadlines in making requests for drafting and in the introduction and consideration of bills.

(a) *Bill request deadline for individual members.* Except for bills introduced pursuant to (i) of this rule, no request to draft bills, except those made by committees, through their respective chairpersons, shall be made to, or accepted by, the office of the revisor of statutes after the hour of 5:00 p.m. on February 2, 2015, during the 2015 regular session and on February 1, 2016, during the 2016 regular session.

(b) *Bill introduction deadline for individual members.* Except as provided in (i) of this rule, no bill sponsored by a member or members shall be introduced in either house of the legislature after the hour of adjournment on February 11, 2015, during the 2015 regular session and on February 10, 2016, during the 2016 regular session. Such deadline for the introduction of bills by individual members may be changed to an earlier date in either house at any time by resolution duly adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in such house.

(c) *Bill request deadline for certain committees.* Except for bills to be introduced pursuant to (i) of this rule, no committee except the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall make a request to the office of the revisor of statutes for any bill to be drafted for sponsorship by such committee after the hour of 5:00 p.m. on February 9, 2015, during the 2015 regular session and on February 8, 2016, during the 2016 regular session.

(d) *Bill introduction deadline for certain committees.* Except as provided in (i) of this rule, no bill sponsored by any committee of either house of the legislature, except the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be introduced in either house after the hour of adjournment on February 13, 2015, during the 2015 regular session and on February 12, 2016, during the 2016 regular session.

(e) *House of origin bill consideration deadline.* No bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be considered in the house in which such bill originated after the hour of adjournment on February 27, 2015, during the 2015 regular session and on February 26, 2016, during the 2016 regular session.

(f) *Second house bill consideration deadline.* No bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be considered by either house, not the house of origin of such bill, after the hour of adjournment on March 25, 2015, during the 2015 regular session and March 23, 2016, during the 2016 regular session.

(g) *Exceptions to limitation of (d), (e) and (f); procedure.* Specific exceptions to the limitations prescribed in subsections (d), (e) and (f) may be made in either house by resolution adopted by the affirmative vote of not less than a majority of the members of such house then elected (or appointed) and qualified.

(h) *Deadline which falls on day neither house in session; effect.* In the event that any deadline prescribed in this rule falls on a day that neither house of the legislature is in session, such deadline shall be observed on the next following day that either house is in session.

(i) *Bills introduced in odd-numbered years after deadlines; effect.* Bills may be introduced by members and committees in regular sessions occurring in an odd-numbered year after the times prescribed in (b) and (d) of this rule, but there shall be no final action thereon by either house during the session when introduced. Such bills shall be held over for consideration at the next succeeding regular session held in an even-numbered year.

(j) *Modification of schedule of deadlines for introduction and consideration of bills; procedure.* In any regular session a concurrent resolution may be adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house setting forth a different schedule of deadlines for introduction and consideration of bills for that session and the provisions of such concurrent resolution shall apply to such session notwithstanding provisions of this rule to the contrary.

(k) *Bill consideration deadline; exceptions.* No bills shall be considered by the Legislature after April 3, 2015, during the 2015 regular session and after April 1, 2016, during the 2016 regular session except bills vetoed by the Governor, the omnibus appropriation act and the omnibus reconciliation spending limit bill provided for under K.S.A. 75-6702, and amendments thereto. This subsection (k) may be suspended for the consideration of a specific bill or bills not otherwise exempt under this subsection by the affirmative vote of a majority of the members then elected (or appointed) and qualified in the house in which the bill is to be considered.

Joint rule 5. Closure of meetings to consider matters relating to security. Any standing committee of the House of Representatives, any standing committee of the Senate, the Legislative Coordinating Council, any joint committee of both houses of the legislature, any special or select committee of the House of Representatives or the Senate, the House of Representatives in session, the Senate in session or a joint session of the House of Representatives and the Senate may meet in closed, executive session for the purpose of receiving information and considering matters relating to the security of state officers or employees, or both, or the security of buildings and property under the ownership or control of the State of Kansas.

Joint rule 6. Floor amendments to bills making appropriations. Unless by majority consent to correct an error in drafting, no amendment from the floor in either house of the legislature to increase the amount of expenditures that would be authorized in a provision of an appropriations bill shall be in order unless the amendment contains a provision reducing, by a like or greater amount, expenditures that would be authorized in another provision of such appropriations bill. Notwithstanding any rule in either house of the legislature, those portions of a motion to amend a bill as described in this rule shall be indivisible

Journal of the House

FIRST DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Monday, January 11, 2016, 2:00 p.m.

This being the day fixed by the constitution of the State of Kansas for the assembling of the 2016 session of the legislature, the House was called to order at 2:00 p.m. by Speaker Ray Merrick.

Speaker Merrick announced the appointment of Susan Kannarr as Chief Clerk, Foster Chisholm as Sgt. At Arms and the Rev. Eunice Brubaker as the House Chaplain for 2016.

The roll was called with 119 members present.
Rep. Seiwert was excused on verified illness.
Rep. Sloan was excused on legislative business.
Reps. Hedke, Kelley, Lunn and Winn were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Lord God,
As we begin this new session,
help us to remember that
we are servants building a future not of our own.
We will plant seeds that one day will grow.
We will water seeds already planted
knowing they hold promise for the future.
We will provide yeast
that will produce outcomes beyond our capabilities.
There is liberty in knowing we cannot do everything,
yet this liberty enables us to do something
to the best of our abilities.
We may never see the end results,
but we are okay with that because we realize we are
the servants, not the master builder –
we are the servants for a future that is not of our own.
I pray this in Your Son's Name,
Amen.

The Pledge of Allegiance was led by Rep. Smith.

Prayer by Chaplain Brubaker:

Lord God in Heaven,
today our leaders get back to work--
their responsibilities they cannot shirk.
As in the prayer of St. Thomas Aquinas I pray for them
this viable and possible stratagem:
give them a keen understanding, a retentive memory,
and the ability to grasp things correctly and fundamentally.
Grant them the talent of being exact in their explanations
and the ability to express themselves with thoroughness and charm.
Point out the beginning, direct the progress,
and help in the completion.
For our new representatives, I pray for them:
For Scott,
I pray his suggestions will hit the spot.
For Rahjes,
may his solutions be gracious.
For Helgerson,
he's come back to complete what he earlier begun.
And for Weber,
may his contributions be ever so clever.
This I pray in Jesus' Name.
Amen.

The Pledge of Allegiance was led by Rep. Thimesch.

Governor Sam Brownback's Complete Text of the State of the State

Mr. Speaker, Madam President, Legislators, Cabinet Members, Justices, honored guests...Kansans all.

Welcome.

Welcome back to our annual ritual.

First, please join me in recognizing the First Lady of Kansas, my wife Mary.

And welcome also to Ruth Colyer, wife of Lt. Governor, Jeff Colyer.

There is someone who has been a part of this ritual for a long time – and that is Associated Press reporter John Hanna, who is covering his 30th consecutive State of the State address.

That's a great milestone, John, exceeded only by Martin Hawver who is covering his 40th address.

Here, we celebrate freedom.

Here, we practice self-government.

Here, the people rule.

And here we crown no royalty...except in baseball.

Well, soccer too, and football and basketball hopefully.

And as our region's latest champions showed us, with the right fundamentals and teamwork, we can accomplish anything in time.

It was precisely five years ago tonight when I first addressed this body on the State of our State.

And just look at what has happened in those five years:

More than 388,000 low income Kansans now pay zero income taxes.

KPERS is out of the bankruptcy zone. Our funded liability percentage is up by 13% since 2012.

K-12 spending is at an all-time high. Up by more than \$300 Million.

More than half the people who were on welfare are now off it and more importantly, they are getting out of poverty.

We have embraced innovation and modernization in our Medicaid system, providing more services and better outcomes for 20,000 more Kansans than before.

More than 96,000 Kansas children have participated in innovative reading programs.

Over 3,000 high school students have participated in the Jobs for America's Graduate Program and graduated at a rate of 93%.

Participation in technical education has tripled since we began the program.

We are graduating 2,100 more engineers from our state universities.

We have controlled spending, reformed tax policy, and reduced burdensome regulations.

We have consolidated agencies, eliminated wasteful programs, and overhauled workers compensation.

We lifted the Major League Soccer Cup Trophy with Sporting KC.

And we have seen the Wichita State Shockers join basketball's "big dance" every year since 2012.

Working together, we've created an economic environment that has seen Kansas gain more than 78,000 private sector jobs and achieve its lowest unemployment rate in fourteen years.

Working together, we've created an economic environment where hard-working Kansans have seen their wages increase more than 10%.

Kansans are finding good jobs, right here in our state.

Working together, we've created an economic environment where new filings for businesses increased by 15%.

Working together last year, we created a stable regulatory environment that will see nine new wind farms come on line this year, at an investment of nearly \$3 billion.

Kansas is once again a national leader in wind energy development.

Mr. Speaker, Madam President, it is for these reasons - and many more- that I can report to you that the State of our State is **STRONG**.

Kansas is strong. And Kansas is **GROWING**.

It's often said that Kansas feeds the world.

And we will continue to provide for our fellow Americans and support the global economy

By providing food:

Wheat, beef, and now dairy.

By providing energy:

Oil and gas, ethanol, and renewable.

By providing air travel:

From our manufacturers in Wichita and suppliers across South Central Kansas.

By providing recreation:

The National Water Trail, the Flint Hills Nature Trail, NASCAR and world class hunting and fishing.

Wildcat football.

Jayhawk Basketball.

And finally, by providing a business climate where the Financial Services Industry can grow and prosper under the leadership of the industry executives and Insurance Commissioner Ken Selzer.

One of the biggest challenges we face in much of Kansas is the future of our water.

One of my passions as Governor is to prepare the state to be in a better position for the future. To do that we've got to prepare today and in some cases we have to sacrifice some now so our kids and grandkids have better options.

The work we have accomplished to preserve and extend water resources in Kansas in the last three years has been significant.

The first Local Enhanced Management Area has been in operation for three years in 99 square miles of Northwest Kansas. They have reduced their water use by roughly 20 percent, and maintained their net income. That should extend the useful life of the Ogallala in that area by 25 years.

That is solid progress but more needs to happen.

We are, right now, dredging John Redmond Reservoir, the first federal reservoir to be dredged in the nation.

Whether it's dredging projects or reducing our demands on the Ogallala, it's going to take time and some sacrifice.

We are going to continue implementing action items in the Long Term Vision for Kansas Water.

With most natural resources, we aren't just taking them to use for today. We are borrowing them from the future.

Perhaps no one individual has done more to protect our water than the recipient of the first Water Legacy Award.

Wayne Bossert was the long-time director of Groundwater Management District #4. Now retired, he led the organization at the time it formed the state's first LEMA in Thomas and Sheridan County, to help preserve the aquifer.

Wayne—thank you for your vision to protect this vital resource for the future.

Speaking of the future. I'd like to talk about our investment in our children.

By far the biggest item funded by state government is education. That is as it should be.

But education in the 21st century can no longer be based on 19th century models.

Parents and educators across the state have sought innovative options, from alternative teacher certification and merit pay to scholarships backed by tax credits.

We must have an educational system that has a range of options in which our students can learn and prosper and grow.

Education is not done by money or buildings. It is done by teachers.

Teaching isn't a job or a vocation. It's a calling. I know. I have taught. Two of my children teach.

Former students are prized people to teachers. The bond of teacher and student never

breaks.

Teachers need money to care for their needs. That's why Kansans invest in education: so good teachers are able to do their calling and teach.

Yet today, of the more than \$4 billion the state puts into education funding, not nearly enough goes toward instruction.

That's highly inefficient, if not immoral, denying Kansans from putting their education dollars where they want it...behind a good teacher.

I call on the legislature to design a new education funding system that puts more of our money into instruction. That provides bonuses for exceptional teachers and recognizes their true value to our future and the souls of our students.

To keep Kansas strong we must also keep it safe.

In December, the Kansas Highway Patrol graduated its 55th class of troopers. It was the largest class in recent years.

I saw fathers pin badges on sons. I saw families stand proudly with their wife, husband, father, son or daughter as they received their badges. But I was most moved by the sight of twin brothers – one becoming a trooper and the other pinning on his badge.

Jonathan Blank became a KHP trooper that day, after serving as a U.S. Marine with two tours of duty in Iraq. He received his badge from his brother, Linden Blank also a U.S. Marine who served – and was gravely injured – in Afghanistan.

Please join me in recognizing these two outstanding young men from Augusta Kansas, who put the welfare of others before their own safety. Jonathan and Linden – thank you.

Elected officials have a responsibility to protect our citizens from all threats, foreign and domestic.

In this, the President has refused to lead.

He has prioritized his agenda and the feelings of the radical Islamic terrorists over the safety of Americans. He is unwilling to take simple actions to improve our security.

Therefore, we must act.

It is my responsibility, as Governor of this great state to do what we can to protect the citizens of Kansas.

And we must act to maintain the security of our state.

Last summer, in response to the attack on recruiting facilities in Tennessee, I ordered Adjutant General Tafanelli to complete a comprehensive security assessment of all Kansas National Guard facilities.

Included in his report was a plan to arm and train additional personnel and make security enhancements to our National Guard facilities. My budget proposal includes funding to support these activities.

I call on legislators from both sides of the aisle to strongly support this request and send a clear message to our troops that we stand with them.

In November, in response to the horrific terrorist attacks in Paris I directed all state agencies to immediately cease the placement of refugees from countries where potential

terrorists can arise, due to our inability to verify their background. More than thirty other Governors across the nation joined in this call.

Governors, both Republican and Democrat, continue to question the federal government's ability to properly screen people claiming to be refugees. Governors must have the information they need to protect the people they serve.

Instead of simply pausing his resettlement plan and working with the governors to address their legitimate security concerns, President Obama has chosen to pursue a path that puts Americans at risk.

Mr. President, this will not work.

We must – and will – act to protect the citizens of Kansas.

Last year we also learned that President Obama has resurrected his plan to close the terrorist detention facility in Guantanamo Bay, Cuba and transfer terrorists to the United States.

His own Secretary of Defense knows it is not a good idea.

His own Attorney General knows it would be illegal.

The President does not care.

Therefore, we must be prepared to act. And we are.

Every member of the Kansas Congressional Delegation, the Lieutenant Governor, the Attorney General, and I each stand at the ready to thwart every action the President takes to transfer terrorists to Kansas.

Kansas was founded by people of strength. People who understood the value of hard work, of friendship, of faith.

The strength of Kansas lies in the hearts and minds of our people. Here the people rule. All of our people.

James Madison, writing in the Federalist Papers, warned of the dangers of placing too much power in the noble elites that could control our judicial process. This warning rings true today.

Kansas is the only state in the country where the selection of Supreme Court justices is controlled by a handful of lawyers.

Kansas, however, is grounded in the principal of representative democracy.

The current selection method used for the Supreme Court removes the people of Kansas from the process of selecting judges.

It places the process in the hands of those lawyers who regularly appear in front of the judges they select.

Well, enough is enough.

The Legislature should put before Kansas voters a proposed Constitutional amendment for a more democratic selection process for our Supreme Court justices.

We must have faith in the people. Here the people rule.

Since 1999, when the property tax lid was lifted, Kansans have seen those tax rates increased by 24 percent, and property tax revenue increase by 92%.

Understandably, people do not like this.

Your property taxes should not grow faster than your paycheck.

They carry heavy burdens on all Kansans, especially those living on fixed incomes.

Last year, you acted to place a lid on property taxes. That was a positive step.

The ability to raise taxes at the local level should not be made without consent and input from local citizens.

Voters should have the ability to make their voices heard with an up or down vote on any proposal that raises property taxes in excess of inflation.

I would welcome legislation that strengthens the property tax lid by closing the existing loopholes and puts it in place sooner.

Here, the people rule. Here, the people have a voice.

Kansans value self-sufficiency and independence.

But some Kansans are still struggling. And we have an obligation to help them.

We implemented common-sense requirements for those on welfare with the goal of providing economic opportunity instead of government dependency.

We said, if you have no disabilities and no children at home, you should work or train for work at least 20 hours per week.

The results are in. The reforms have worked.

Our caseloads are 70% lower today than they were before we made the change.

The work participation rate among enrollees nearly tripled.

The amount of time able-bodied adults spend on food stamps has been cut in half.

And those leaving welfare are better off!

Before work requirements, 93% of able-bodied adults on welfare were in poverty. Most were in severe poverty and not working at all.

But within a year of leaving welfare, their incomes had more than doubled – an increase of 127% on average.

The number of enrollees who have risen out of poverty tripled.

These are real people. These are our friends and families and neighbors. We've seen what happens when they get off welfare and have hope of a better life.

In Franklin County, a man had been trapped on welfare since early 2009. He had been on food stamps for four and a half years, with no end in sight.

He wasn't working and had no earned income. But that all changed when the work requirement went into effect.

He began working. And after a year, he was earning \$45,000 a year.

We have even seen the marriage rate go up as the numbers of men and women who are out of poverty and working has gone up.

We're moving people out of poverty, out of dependency, and into self-sufficiency. We're giving them the hope of a better life.

Our work to help struggling Kansans must continue.

That includes supporting access to quality health care.

When we took office in 2011, I asked Lt. Governor Dr. Jeff Colyer to modernize and transform the State's Medicaid program. Previous administrations had cut reimbursement rates and reduced services, yet costs were still out of control.

Today, we have higher reimbursement rates for providers, more services for clients and, most importantly, we have better, measurable health outcomes for Kansans who participate in KanCare.

We have also saved nearly \$1 Billion over the projected cost estimates for the old Medicaid program. We have proven that a Kansas solution is better than one from Washington, DC.

KanCare is working. ObamaCare is failing.

I grew up in a town with a population of 268. I do understand rural hospitals are often the lifeblood of their community.

ObamaCare has increased healthcare costs in Kansas and especially hurt rural healthcare.

It was ObamaCare that cut Medicare reimbursements to rural hospitals.

It was ObamaCare that *caused* the problem. We should not expand ObamaCare to *solve* the problem.

Tonight, I am asking Lt. Governor Colyer to assemble a working group to address the problems of health care delivery in rural Kansas and to present a proposal to me by this time next year.

As a fifth generation rural Kansan and a physician, I can think of no one better suited to take on this vital task than Dr. Colyer.

I believe this working group should have frontline stakeholders involved, including a rural hospital administrator and a rural physician at the same table as top policy makers.

We will welcome input from diverse organizations, but let's be realistic. Congress recently voted to defund expansion. We cannot rely on yet another ObamaCare false promise

We *can* and should find a Kansas solution that will improve rural healthcare access and outcomes.

Ensuring the health and safety of Kansans means protecting all Kansans at every stage of life.

We must keep working to protect our most innocent Kansans, the unborn. We have become the shining city on the hill and the champions for life.

As Harriet Beecher Stowe wrote: "Every nation that carries in its bosom great and unredressed injustice has in it the elements of this last convulsion."

Kansas was founded on the principal that every life has dignity, that every life has beauty, that every life has value.

Every year since I became Governor we have enacted pro-life legislation.

We have come a long way, but there is still work to be done.

In 2011, I signed legislation stopping most taxpayer funding from going to Planned

Parenthood. The time has come to finish the job.

Planned Parenthood's trafficking of baby body parts is antithetical to our belief in human dignity.

Today, I am directing Secretary Susan Mosier to ensure that not a single dollar of taxpayer money goes to Planned Parenthood through our Medicaid program. I welcome legislation that would enshrine this directive in state law.

As we begin this year's legislative session, I leave you with this timeless question:

The Ancients asked of God, "Who is man that you are mindful of him?" They saw an Earth so big and awe inspiring. A sky so vast. Stars without number. They felt small and insignificant.

Modern man suffers no such humility.

We deem ourselves masters of our own destiny. The Earth our ship to guide and life a voyage where we choose the destinations.

So who is right?

We conquer one problem but new ones arise in increasing number. We are perplexed when things don't go as we think they should.

Maybe our forefathers were closer to right than we thought. What if God is bigger than we can think and we actually are smaller than we can believe?

Wouldn't that give us the proper awe of a sunset and thankfulness for our lives and blessings?

With that in mind, I invite each of us to be thankful and enjoy the chance to serve our fellow citizens in such a wonderful role. To also think more highly of others than we do of ourselves — even if they are of a different political persuasion.

I'll seek to do this. I also invite each of us to contemplate and consider the reasons we are here. In this job. At this time. In this place.

Questions to which our ancestors would quickly and humbly reply, "To love God and one another."

God bless you all. Have a great session.

On motion of Rep. Vickrey, the House adjourned until 11:00 a.m., Wednesday, January 13, 2016.

Our Heavenly Father, Creator of the Universe, and Lord of our lives,

We acknowledge that you are our Lord, our Light, and our Salvation, Who shall we fear.

We acknowledge that you are the Strength of Our Lives, of whom shall we be afraid.

For I am persuaded that though a great enemy encamp round about me and war break out against me on every side.

In Your Presence and Power WE STAND CONFIDENT.

Give us Strength today O Mighty God to make the decisions that might prove difficult and unpopular to others but are RIGHT AND Just in Your eyes.

Give us Knowledge to choose the path we should take as we prove your Word to be a Lamp unto our feet and a Light unto our path.

Give us Wisdom to know how to lead well the people underneath our care, to govern and administer Justice to all within our territory.

Give us Grace as we are all fallen men and woman void of any righteousness in and of ourselves needing grace to give us Hope in the midst of despair and hopelessness.

Grant us Your protection for our families and loved ones who have sacrificed so much so that we can do the job that we have been appointed to do.

Just as you led the Children of Israel with a Pillar of fire

by night and a Cloud by day, May You guide us O Mighty God in paths of righteousness for Your Name sake.

May our hearts stay tender and broken before you as we humble ourselves before your Awesome Presence in order that you might Lift us up.

Bless the Men and Women of this state legislature. May it be evident to all that God has heard our prayer this day.

Unto Him who is able to do exceedingly, abundantly above all we could ask think or imagine according to the power that works in us to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever!

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Ballard are spread upon the Journal:

Remarks in recognition of the Revered Dr. Martin L. King, Jr.

The Rev. Dr. Martin L. King, Jr., was in Memphis, Tennessee, to lend his support to the sanitation workers. He delivered his "I've Been to the Mountain Top" speech on April 3, 1968.

"You know, several years ago, I was in New York City autographing the first book that I had written. And while sitting there autographing books, a demented black woman came up. The only question I heard from her was "Are you Martin Luther King?" And I was looking down writing, and I said, "Yes." And the next minute I felt something beating on my chest. Before I knew it I had been stabbed by this demented woman. I was rushed to Harlem Hospital. It was a dark Saturday afternoon. And that blade had gone through, and the X-rays revealed that the tip of the blade was on the edge of my aorta, the main artery. And once that's punctured, your drowned in your own blood—that's the end of you.

It came out in the *New York Times* the next morning, that if I had merely sneezed, I would have died. Well, about four days later, they allowed me, after the operation, after my chest had been opened, and the blade had been taken out, to move around in the wheel chair in the hospital. They allowed me to read some of the mail that came in, and from all over the states and the world, kind letters came in. I read a few, but one of them I will never forget. I had received one from the President and the Vice-President. I've forgotten what those telegrams said. I'd received a visit and a letter from the Governor of New York, but I've forgotten what that letter said. But there was another letter that came from a little girl, a young girl who was a student at the White Plains High School. And I looked at that letter, and I'll never forget it. It said simply,

Dear Dr. King,

I am a ninth-grade student at the White Plains High School.

And she said, While it should not matter, I would like to mention that I'm a white

And she said, While it should not matter, I would like to mention that I'm a white girl. I read in the paper of your misfortune, and of your suffering. And I read that if you had sneezed, you would have died. And I'm simply writing you to say that I'm so happy that you didn't sneeze.

And I want to say tonight—I want to say tonight that I too am happy that I didn't sneeze. Because if I had sneezed, I wouldn't have been around here in 1960 when students all over the South started sitting-in at lunch counters. And I knew that as they were sitting in, they were really standing up for the best in the American dream, and taking the whole nation back to those great wells of democracy which were dug deep by the Founding Fathers in the Declaration of Independence and the Constitution.

If I had sneezed, I wouldn't have been around here in 1961, when we decided to take a ride for freedom and ended segregation in inter-state travel.

If I had sneezed, I wouldn't have been around here in 1962, when Negroes in Albany, Georgia, decided to straighten their backs up. And whenever men and women straighten their backs up, they are going somewhere, because a man can't ride your back unless it is bent.

If I had sneezed—If I had sneezed I wouldn't have been here in 1963, when the black people of Birmingham, Alabama, aroused the conscience of this nation, and brought into being the Civil Rights Bill.

If I had sneezed, I wouldn't have had a chance later that year, in August, to try to tell America about a dream that I had had.

If I had sneezed, I wouldn't have been down in Selma, Alabama, to see the great Movement there.

If I had sneezed, I wouldn't have been in Memphis to see a community rally around those brothers and sisters who are suffering.

I'm so happy that I didn't sneeze.

And they were telling me--. Now, it doesn't matter, now. It really doesn't matter what happens now. I left Atlanta this morning, and as we got started on the plane, there were six of us. The pilot said over the public address system, "We are sorry for the delay, but we have Dr. Martin Luther King on the plane. And to be sure that all of the bags were checked, and to be sure that nothing would be wrong on the plane, we had to check out everything carefully. And we've had the plane protected and guarded all night."

And then I got into Memphis. And some began to say the threats, or talk about the threats that were out.

Well, I don't know what will happen now. We've got some difficult days ahead. But it really doesn't matter with me now, because I've been to the mountaintop.

And I don't mind.

Like anybody, I would like to live a long life. Longevity has its place. But I'm not concerned about that now. I just want to do God's will. And He's allowed me to go up to the mountain. And I've looked over. And I've seen the Promised Land. I may not get there with you. But I want you to know tonight, that we, as a people, will get to the promised land!"

The Rev. Dr. Martin Luther King was killed on April 4, 1968.

Famous quotes from the Rev. Dr. Martin Luther King---

"The time is always right to do what is right"

“Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that.”

“Injustice anywhere is a threat to justice everywhere.”

“Our lives begin to end the day we become silent about things that matter.”

“The ultimate measure of a man or woman is not where he/she stands in moments of comfort and convenience, but where she/he stands at times of challenge and controversy.”

As we celebrate the 87th birthday of Rev. Dr. Martin Luther King, we are reminded of what he called life’s persistent and urgent question-- What are you doing for others?

In that spirit, I hope we are doing everything we can to make a difference in the lives of Kansans. They believe in us. They trust us. We were given the honor and privilege to represent them.

Heavenly Father,

I ask Your blessings today on the ladies and gentlemen who are tasked with the leadership of our great state. I pray that you would protect their families, their businesses and their own hearts during this session. Draw them close to Yourself. I know that leadership is ordained of You, so help them be worthy, and honor the high calling of service and ministry to their fellow man.

We know Your Word says that You can do exceeding abundantly more than we could ever ask or imagine; So give them great imaginations and ingenuity on behalf of this great state.

Heavenly Father we acknowledge that You are all-knowing and from everlasting to everlasting, You know everything in our past and in our future, so if we knew what you knew, we would want what you want. Help us to know you so well that we would want what you want. I pray that these men and women would legislate well, so that Kansas will be a better place to live, work and raise as family at the end of this session than it was in the beginning.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Billinger are spread upon the Journal:

It is my pleasure as a 2016 member of the Kansas House of Representatives to recognize Northwest Kansas Technical College for being selected as an Apple Distinguished School for 2015-2017. Congratulations on being recognized as an exemplary learning environment for innovation, leadership, and educational excellence.

The administration and faculty have shown that they demonstrate the Five Best Practices of an Apple Distinguished School: visionary leadership, innovative learning and teaching, ongoing professional training, compelling evidence of success, and a flexible learning environment.

Apple has engaged with educators for over thirty years to explore and enhance the experience of teaching and learning. Apple's education mission is to provide a learning environment that supports the way students live and how they will learn. We applaud Northwest Kansas Technical College for advancing this mission, ensuring that all students are prepared for future success in work and life.

In past years, Apple has given Northwest Kansas Technical College several different awards. Northwest Tech was the first two-year college to be awarded both the Apple Distinguished Program Award and the Apple Distinguished School Award. It was also the first two-year college in the United States to implement an iPad 1:1 program.

The Apple Distinguished Educator Program began in 1994 and it has grown into a worldwide community of over 2,000 visionary educators who are doing amazing things with Apple Technology. This year I am very proud to announce an individual award for an instructor at Northwest Tech. Adam Elliott, the Computer Graphics Teacher, has been named an Apple Distinguished Educator.

Adam is the first individual in the 2-year sector from the state of Kansas to receive the Distinguished Educator Award. Mr. Elliott is a Goodland, Kansas native and a 2009 graduate of Fort Hays State University.

Rep. Billinger introduced Dr. Ed Mills; Ron Kaus; Brad Bergsma; Apple Representative, Nathan Ray and Adam Elliott, Apple Distinguished Educator. He presented them with a framed House certificate.

Prayer by guest chaplain, the Rev. Dave Froese, pastor, Koerner Heights Church, Newton, and guest of Rep. Schroeder:

Wonderful Counselor, Almighty God, Everlasting Father, Prince of Peace; I come to you in humble gratitude this morning. We are blessed in so many ways. We live in a state of magnificent grandeur and bountiful provision. We are blessed with opportunity and freedom. We have been given a wonderful state in which to live and nurture our families. Thank you!

However, the challenges and opportunities before the people of Kansas and our leaders are significant. We have been given the opportunity to protect and nurture the blessings we enjoy but we are inadequate on our own to make the best decisions. There are times we struggle to make the right choices and walk in unity.

Lord, God, I have always been able to trust you with the challenges of each day. Your love and compassion has strengthened me. Through Jesus, I have always been able to walk into your presence with confidence. It is in Your presence that I have been able to receive mercy and find grace to help me in my time of need. You have been my way, my truth, and my life.

Therefore, I pray for each representative and their staff this morning. Thank you so much for their willingness to serve our state. Open up their minds and hearts to an understanding of the issues that enable them to see truth. Take them deeper than the presenting problems so that

they can solve the issues at the deepest level. Give them wisdom to know the right decisions to make, courage to make the right decisions, and cooperation to implement in unity.

I ask for Your hand of blessing on this House this day!
In Jesus' Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Schroeder.

Prayer by Chaplain Brubaker:

Lord God,
Thank You for this another day You have given us.
For these leaders, today I pray for their discomfort.
Bless them with discomfort at
easy answers, half truths, and superficial responses.
Bless them with anger at
injustice, oppression and exploitation of people
so that You may lead them in working for
justice, freedom and peace.
Bless them with tears for those who suffer from
pain, rejection, starvation and alienation
so that You may reach out Your hand to
comfort them and turn the pain to joy.
Bless them with enough foolishness to believe that
You can make a difference in this state,
so that You can do through them
what others claim cannot be done.
This I pray in the Name of Christ,
Amen.

actions, words, and responsibilities.
Thank You for Your grace, Your love,
and the many blessings that are ours through You.
Forgive us for falling short of Your grace
and Your call upon our lives.
Help us to walk humbly,
serve graciously, and lead righteously.
We ask for Your forgiveness
for the smallness of actions on some occasions
and the inability to work together
when so many are adversely affected.
In truth, we do not see the entire picture,
of how things should and will work out.
So help us to trust in You to give
wisdom, courage, strength, and compassion.
This I pray in Christ's name,
Amen.

The Pledge of Allegiance was led by Rep. Thompson.

Prayer by guest chaplain, Anthony Mattia, senior pastor, Trinity Baptist Church, Wamego, and guest of Rep. Highland:

Let us pray. Father, as we begin this session, let us remember that we are all flawed, sinful human beings who need your tender mercy, forgiveness and grace. As we gather, we pray for these 125 legislators that, by popular vote of the people, were given the awesome responsibility to represent their districts and this great state of Kansas we all love.

St. Paul writes in Romans 13, that as elected officials, we are ministers of God to do good. Father, we have gathered here this January 28, 2016, by your divine providence for such a time as this to do the people's business.

I pray now, Lord, that you would enfold each of these legislators in your arms. Father, may your manifest presence permeate this state house, the chamber halls, the offices and the committee meetings and give wisdom, grace and balance as they make the tough decisions that must be made. May they do not only the people's business, but your business also.

In the name of Jesus Christ our Lord, we pray.
Amen.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Victors are spread upon the Journal:

In 1884, Haskell boarding school was established for American Indian children in Lawrence, KS. The early years of the boarding school were traumatic for Indian children and their families. The children were required to stay at the boarding school for four years without contact with family and tribes in an attempt to disconnect them with their traditional way of life. My great great grandfather William Bigsnake was one of the children removed from his home in Oklahoma and transferred to Haskell boarding school at the age of 8 years old. He passed away at the age of nine from smallpox and is buried at Haskell Indian Nations University. Despite the hardships that occurred, Haskell changed over time by increasing the level of education and programs.

In 1993, Haskell became Haskell Indian Nations University with the first of four baccalaureate degree programs. Some famous notable graduates from Haskell include Olympic athletes Jim Thorpe and Billy Mills. Also, both of my parents graduated from Haskell as well.

Today, I would like to recognize some of Haskell's outstanding students. Chris Sindone, pursuing a degree in Business and is from the Pawnee, Otoe, Ioway, Kiowa, Cheyenne, and Oglala Lakota Nation. He is the student congress President for American Indian Higher Education consortium and the current student senate president at Haskell Indian Nations University. Barbara Wolfen is currently a Haskell EcoAmbassador (a student-led initiative that focused on Haskell wetlands) and wetlands protection organization club president and is from the Pit river Nation. David Waybenais is a student in the environmental science department and has participated in the Native American and Pacific Islander research experience, Lori Hasselman is a member of the Delaware and Shawnee nation and is a Native American journalist association fellow for 2015-2016. She is editor of the school's newspaper and was Haskell student of the year in 2015. Miss Haskell for 2015-2016, Brettnee Beartrack is a member of the Kiowa/Apache tribe majoring in Business Administration. Haskell Brave is Calvin Smith and he is from the Navajo Nation majoring in American Indian Studies.

Rep. Victors presented the students with House certificates.

Rep. Osterman recognized tribal leaders who were in attendance.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Swanson are spread upon the Journal:

Seventeen years ago, a fresh-faced young woman with long red hair and a splash of freckles started her first teaching job in Clay Center, Kansas. Her challenge lay ahead teaching Pre-Algebra, Algebra I, Algebra A and B, and Geometry to both high school and middle school students. We did not know then that Kristin Wright would go on to touch the lives of many more students in another capacity. During the ensuing years she gained a husband, a masters degree in school counseling, two children and she is currently pursuing a PhD in Counselor Education and Supervision. In 2001 Kristin moved from the teacher role to middle school counselor and in 2012 she transitioned to the PK-3 school in Clay Center. Kristin has served as a school counselor with enthusiasm, creativity and compassion. It's not all work and no play for Kristin. She is a distance runner and an accomplished golfer. In December of 2015, Kristin was named the 2015-2016 *Outstanding School Counselor of the Year* by the Kansas School Counselor Association. Her biggest achievement however, is the many lives she has touched in the course of her career as a teacher and counselor.

I would like to introduce Kristin Wright and her husband Wes. Will you please join me in recognizing and thanking Kristin for her contribution to making Kansas students strong and resilient and Kansas Public Schools great.

Later today she will be recognized in the Senate by her cousin, Caryn Tyson.

Lord God,
For this new day You have given us,
we are thankful and desire to live it to the fullest.
Lord, as these leaders face making tough decisions today
I ask that You surround them with Your wise counsel.
In choosing their decisions, help them to adequately
evaluate the positive and negative attributes,
but to avoid the paralysis of analysis.
Help them to not make a hasty decision,
but also not to delay too long.
Help them to not be influenced by their own personal desires
but to choose what is best for the people of Kansas.
Help them to carry out their decision-making process objectively
and be guided by Your wisdom.
These things I ask in Christ's Name,
Amen.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Barton are spread upon the Journal:

This month as we take time to recognize and honor individuals for Black History from our past and present who have made a special contribution through their life work or achievements, I have with me this morning, Mrs. Phyllis Bass, whose life and achievements have reached across political lines as well as generations of men and women and children and she is deserving of both honor and recognition.

Phyllis A. Bass was born in Iola, KS on November 5, 1929 to Vernon "Bus" Garner and Gladys Williams Garner. She married Wendell M. Bass, Sr. and they had 3 children: Wendell Jr., Elliott and Ralph.

Coming from some of the early Black settlers of Kansas, she learned that Blacks could be respected and successful with education and hard work. Being married to Wendell, she learned from his parents that there were many successful Blacks right there in Iola. Her husband's grandfather was among the first formally trained Black doctors in the United States, graduating in the second class of Meharry Medical School in Nashville, Tenn.

He penned his short autobiography beginning with these words, "Hoping that one day this may be of worth to my children and family, I thought I would write a short story of my life, which has been one of hardship. I was a slave born on the Plantation of Major John Bass." These words served as a daily inspiration to Phyllis and her family.

She spent the next 40 years researching the genealogy of the Bass family. Her search ended with finding the plantation where Grandpa Bass was born and actually staying in the original plantation house. She has also written a book about her search for these roots.

Phyllis started her first Black History Museum in the Ward Chapel AME Church in Iola, KS. Her love for history, especially Black history, led her to Leavenworth, KS, where she became the director of the Richard Allen Cultural Center. This museum started as a small house. With her direction and trust in God a \$500,000.00 addition was added to it which was paid for when the builders finished.

She immediately began a tutoring program for kids which have produced many successful students. One such student was KU basketball great Wayne Simien, Jr. She has given tours to people from all over the world including General Petraeus, writer Lerone Bennett, Jr. and U.S. Representatives Nancy Boyda and Emanuel Cleaver. Her motto for the center was ten two letter words, "If it is to be, it is up to me." She also worked with General Colin Powell and Commander Philpott in raising \$1.3 million to erect the Buffalo Soldier Monument at Fort Leavenworth.

Phyllis has received many awards, including:

The Commanders Award for Civilian Achievement from General Caldwell of Fort Leavenworth.

She was honored by Kansas City Community College as one of 5 women to bring history forward.

She received a citation from the President of the United States Congressional Black Caucus, Emanuel Cleaver.

She received a standing ovation from the History Class at the University of Kansas for her Black History Presentation.

Phyllis has taken Black History programs into prisons, schools, churches and has even taken exhibits to the States of Washington and California. She is a firm believer in God and will tell everyone, "God did not put us here on this earth to take up space."

She finally retired at the age of 85.

Rep. Barton welcomed Mrs. Bass, members of her family; Mrs. Edna Wagner, Director of the Richard Allen Cultural Center and Gloria Wallace, a volunteer at the center to the House. He presented Mrs. Bass with a framed House certificate.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Hineman, **HR 6034**, A RESOLUTION recognizing February 5, 2016, as National Wear Red Day, was adopted.

There being no objection, the following remarks of Rep. Hineman are spread upon the Journal:

Eighteen years ago my wife Betsy dropped dead. She was tending to a group of preschoolers at the preschool she owned and operated in our hometown when she suddenly dropped to the floor and passed out. Fortunately an adult aide was present who quickly called 911. As the call went out the first to respond were a retired EMT who was picking up his mail at the post office next door and the courthouse custodian who had heard the request on the sheriff's scanner at the courthouse.

Those two individuals, along with other volunteers who joined them later, performed CPR on Betsy until the EMS service arrived. After multiple attempts with the paddles of a defibrillator the EMTs were finally able to revive and stabilize Betsy. I was present at the time and I can tell you that it seemed like an eternity. She was then transported to Lane County Hospital and further stabilized for an ambulance trip to Scott City Airport twenty three miles away. At the airport she was transferred to an airplane operated by Eagle Med and was flown to Wesley Hospital in Wichita.

The team of cardiologists and electrophysiologists at Wesley soon determined that Betsy had experienced a sudden cardiac arrest. Her heart had slipped into ventricular fibrillation, where the heart is merely quivering and no longer effectively pumping blood through her body. The solution to that problem was to insert an automatic implantable cardioverter device into her chest. That device functions to monitor her heart and deliver therapy to shock her heart back into normal rhythm when necessary. In the past eighteen years the device has activated only twice but we were certainly glad it was available when needed. The most recent event occurred a few years ago when she attempted to relive her youth and get up on a slalom water ski. The doctor later told her "don't do that anymore". Due to rapid technological advances and the fact that batteries don't last forever, Betsy is now on her third implanted device.

I share this story with you for two reasons. Obviously this event has led both Betsy and me to a deep appreciation of the effective rural health care delivery system which functioned to save her life that day. We are forever indebted to that system and all the people who played a part. The event has transformed me into a staunch supporter of

rural health care, and I stand ready to take whatever steps we have available to preserve and support that system.

Secondly, and in keeping with the observation of Wear Red for Women Day, Betsy's experience serves as a powerful reminder and raises awareness of women's heart health issues. Betsy was too young in 1998 for any of us to be concerned about possible health issues. She was, and is, fit, and her body type would not suggest any potential problem. And that is the important message for today. Women's heart health issues often strike without warning and without the obvious symptoms which more typically accompany men's heart health issues. A cardiac emergency can happen to any of us at any time, and it is important for all of us to prepare as best we can. If you don't know CPR techniques, learn them. There may come a time when you are the only person available to deliver that therapy when an emergency occurs. Learn where automatic defibrillators are located, including in this very chamber. Become familiar with the signs of cardiac emergencies and be prepared to act when and if an emergency presents.

EXPLANATIONS OF VOTE

MR. SPEAKER: I understand judicial decisions cannot be predetermined. Regardless what the Governor wants I cannot in good conscience vote in favor of the Federal model of judicial selection that has given us justices that have imposed and repeatedly upheld *Roe v. Wade*, and now gay marriage, on the residents of the State of Kansas. Both of those rulings are morally lacking. I vote No on **HCR 5005**. – DON SCHROEDER

MR. SPEAKER: As a defender of the unborn and a solid pro-life voter, I reject the notion advanced by some that this proposal is about protecting the unborn. It is not. My vote today is for separation of the powers of government and preservation of a fair, impartial and independent judiciary. I will not be bullied by special interest groups into voting for a measure which I know is wrong. I vote no on **HCR 5005**. – DON HINEMAN, RUSS JENNINGS, STEVEN R. BECKER

MR. SPEAKER: Our system of government relies on a system of checks and balances between its three branches. That system works most effectively when the judicial branch is insulated from partisan politics. The proposed constitutional amendment would inject partisan politics into what should be neutral, objective judicial decisions. I stand firmly behind the system of merit selection of supreme court justices that has served Kansas well for the last 65 years. I vote no on **HCR 5005**. – DENNIS "BOOG" HIGHBERGER

MR. SPEAKER: I vote AYE on **HCR 5005**. I do so, however, not because of any political party or faction therein, President of the United States, United States Supreme Court Justice, Governor, state supreme court justice, state district court judge, or court

decision, known or unknown. Instead, I vote AYE because the Kansas Bill of Rights declares, "All political power is inherent in the people." The people of my legislative district are deeply divided on this issue. To that end, I vote AYE to allow the people to exercise their inherent political power to vote on their foundational, controlling document – the Kansas Constitution. – LANE HEMSLEY, CHUCK SMITH, JACK THIMESCH, RICK BILLINGER, PEGGY MAST, KEN CORBET, KYLE HOFFMAN, PETE DEGRAAF

MR. SPEAKER: Our decision today should be based on the National embarrassment of the U.S. Supreme Court declaring the Kansas Supreme Court being inept over the Carr's brothers' decision, by an 8 to 1 margin. I vote yes on having a different method to select our judges. I vote yes on **HCR 5005**. – MARIO GOICO, DANIEL R. HAWKINS, MARK HUTTON, JOHN BRADFORD

MR. SPEAKER: I vote NO on **HCR 5005**. **HCR 5005** unnecessarily politicizes the Kansas Supreme Court and the method by which justices are selected. While supporters of this "federal model" claim it protects democracy, the truth is more sinister. This resolution is a power grab by those who disagree with decisions made by the court. We depend on the courts to uphold the Constitution and their rulings to be fair, impartial, and apolitical. Politicians who think they can decide which cases courts may hear or how the court should rule threaten all of our rights. – ED TRIMMER, LOUIS RUIZ, TOM BURROUGHS, JOHN WILSON, SYDNEY CARLIN, BEN SCOTT, PONKA-WE VICTORS, RODERICK HOUSTON

MR. SPEAKER: I vote yes on **HCR 5005**. A yes vote does not change the method in which Kansas Supreme Court Justices are selected – it merely allows Kansas voters the opportunity to decide if they wish to keep the current judicial selection process or change it to one that is more democratic. I am not an elitist who considers myself to be smarter than Kansas voters. I say let the people vote! I trust them to make the right decision. I vote yes on **HCR 5005**. – VIRGIL PECK, JR., RANDY GARBER

MR. SPEAKER: I vote no on **HCR 5005** because it replaces a common sense Kansas solution for selecting our courts with a D.C. based system that puts politicians in the driver's seat. Kansas voters adopted our current system by a large majority. They vote on every supreme court judge every six years. They have the power in our current system. The last thing we need in Kansas is more of the Washington D.C. way of doing things. I vote no to keep Kansas Courts instead of Obama's Courts. – LARRY HIBBARD, SUSAN CONCANNON

MR. SPEAKER: The History of our Federal Supreme Court has taught us that having a Democratic selection process strengthens the legitimacy and respect of our Court without infringing upon the independence of the co-equal branch. I support allowing the people of Kansas to vote on whether to adopt the Federal Model of Judicial Selection. Therefore, I vote yes on **HCR 5005**. – JAMES TODD

MR. SPEAKER: I vote yes on **HCR 5005**. Our Supreme Court and Court of Appeals judges are currently selected by a Supreme Court Nominating Commission, not by the people. Kansas is currently the ONLY state with a judicial selection like this. The higher court system has proven time and time again they do not uphold the values of

this great state and are consistently overruled on the basis of constitutionality by the U.S. Supreme Court. Today, I vote yes for **HCR 5005** in order to put the voices and values of Kansans first. – MARC RHOADES, LES MASON

MR. SPEAKER: Amy James, who was friends with the victims of the Carr brothers, gave testimony about the suffering she and others endured because of the failure of the Kansas Supreme Court to follow the law and use reasoned judgment. Her testimony says: “This is the fifth case where the Kansas Supreme court has been overturned by the U.S. Supreme Court just on the death penalty, and there are more cases coming. We have a problem. Actually we have six problems. They are the six Kansas Supreme Court justices—making six figure salaries while they ignore the oath they took.” I vote yes on **HCR 5005**. – DENNIS HEDKE, MICHAEL HOUSER

MR. SPEAKER: Today, I vote yes for **HCR 5005**. Our Supreme Court is currently selected by an attorney-controlled Supreme Court Nominating Commission. This process, found only in Kansas, limits the voices of our citizens and magnifies the voice of an elite few, legal practitioners. I believe in giving the citizens of Kansas a voice in the judicial selection process. I vote yes today on **HCR 5005** in order to reverse the current undemocratic selection process and give the citizens of this great state a greater voice. – BILL SUTTON

MR. SPEAKER: The judicial selection process in Kansas has been the subject of much controversy over the past several years. This vote is about nothing more than giving the people of Kansas a chance to vote on the way our state places Supreme Court Justices on the bench. A vote against this is a vote against giving our constituents a direct voice on this issue. For that reason, I vote yes on **HCR 5005**. – JOHN WHITMER, WILLIE DOVE, WILL CARPENTER, JOHN BRADFORD, KEVIN JONES

MR. SPEAKER: Kansas voters purposefully put our current system in place in response to corruption and political scandal that stained our courts. They knew that concentrating too much power in the hands of one person or one branch of government was an invitation to cronyism and corruption. Because of that, Kansas voters reacted by approving the merit selection process we have today. Kansas voters continue to have the final say with the option to retain or remove the justices every cycle through the election process. The federal model in **HCR 5005** gives the power to politicians instead of the people of Kansas. I vote no on **HCR 5005**. – DON HILL, TOM MOXLEY, SUSIE SWANSON, LINDA GALLAGHER, LONNIE CLARK.

MR. SPEAKER: Today I vote no on **HCR 5005** because I trust the wisdom of the people of Kansas. Our current Kansas system of judicial selection is the result of a vote of the people and both houses of their legislature. It reflects their desire to keep politics and political scandal out of our courts. It reflects their desire to see judges selected because of what they know, not who they know. It reflects our common sense approach that uses Kansas solutions instead of Washington D.C. style politics, and it ensures that our courts are fair and impartial. – BLAINE FINCH, MELISSA ROOKER, GREG LEWIS, STEPHANIE CLAYTON, BARBARA BOLLIER, DIANA DIERKS.

MR. SPEAKER: Today, I vote yes for **HCR 5005**. Our Supreme Court and Court of Appeals judges are currently selected by a Supreme Court Nominating Commission.

This process, found only in Kansas, limits the voices of our citizens and magnifies the voice of an elite few, legal practitioners. I believe in giving the citizens of Kansas a voice in the judicial selection process. I vote yes today on **HCR 5005** in order to reverse the current undemocratic selection process and give the citizens of this great state a greater voice. — CHUCK WEBER, LESLIE OSTERMAN, TONY BARTON, CONNIE O'BRIEN, BLAKE CARPENTER.

MR. SPEAKER: **HCR 5005** will provide the citizens of our great state the right to vote on whether they want the current flawed merit selection process or the democratic federal model.

Our current judicial selection process is undemocratic and overly-politicized and gives complete power to a handful of lawyers instead of to the citizens of our great state. **HCR 5005** will break the stranglehold special interest groups have on our current judicial selection process and give the power back to where it belongs...the citizens of our state. I vote yes on **HCR 5005**. — MARK KAHRNS, KRISTEY WILLIAMS, KEITH ESAU, STEVEN ANTHIMIDES, RANDY POWELL, BRETT HILDABRAND, MARTY READ.

MR. SPEAKER: I vote No on **HCR 5005** because the current system ensures that qualified candidates are nominated in a non-partisan manner. Whether or not I agree with specific Supreme Court decisions or individual justice's positions, I support an independent Judiciary. The State Constitution already provides the voters the opportunity to retain or not retain Supreme Court Justices. I do not wish to turn the current non-partisan Kansas Supreme Court nomination decisions into the federal system of nominating Justices based on who supports the Governor or other interests. — TOM SLOAN.

Prayer by Chaplain Brubaker:

Eternal God,
We thank You today for the opportunities
and privileges that You provide for us.
As each one goes throughout the day,
encourage us to guard our thoughts.
“Search me, O God, and know my heart;
test me and know my anxious thoughts.”
Help us to watch our mouth – our words.
“May the words of my mouth and the meditation of my heart
be pleasing in your sight.”
And thirdly, keep us mindful of our actions – our deeds.
“...let us not love with words or tongue but with actions and in truth.”
These three things I come to You and request
on behalf of these leaders.
In Your Son’s Name I pray, Amen.
(Ps. 139:23; Ps. 19:14; I John 3:18)

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **SB 133**. Government is masterful at eroding personal responsibility at all levels; society is taught choices have no consequences. Minors faced with potential death of a friend from over-intoxication, also being over-intoxicated themselves, have a basic human responsibility to help. If sincere fear of retribution from the law is at issue, anonymous calls and other methods of anonymous reporting or transportation exist. — KASHA KELLEY, JOSEPH SCAPA, RANDY GARBER

SB 188, AN ACT concerning school districts; relating to the Kansas uniform financial accounting and reporting act; relating to publication requirements; amending K.S.A. 2015 Supp. 72-8254 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 58; Nays 61; Present but not voting: 0; Absent or not voting: 6.

Absent or not voting: Kiegerl, Peck, R. Powell, Rhoades, Seiwert, Suellentrop.

The bill did not pass.

EXPLANATIONS OF VOTE

MR. SPEAKER: **SB 188** is a transparency bill for the sake of school patrons, parents, students, taxpayers, principals, and voting citizens. They deserve easy accessible and easily understood information about how their school districts are allocating public dollars. They should not have to wade through a blizzard of hidden information and multiple links to find out how taxpayer dollars are spent.

Education is over 50 percent of the general fund, so this bill would provide transparency for billions of taxpayer dollars. This bill is necessary to provide a remedy so current law is not ignored. I VOTE YES. — JERRY LUNN, JOHN RUBIN, CHARLES MACHEERS, BILL SUTTON, DENNIS HEDKE, JOHN E. BARKER, PEGGY MAST, JOHN BRADFORD, PETE DEGRAAF, JOHN WHITMER, KASHA KELLEY, RON HIGHLAND, JOSEPH SCAPA

MR. SPEAKER: We vote no on **SB 188**. Representatives Rhoades, Ousley and Boldra have been appointed to a committee to research and define accountability standards for

schools, to create a “dashboard” for school districts to adopt on their websites so that constituents know where the tax dollars are spent. **SB 188** is a duplication of the charge of this committee. – SHARON SCHWARTZ, SUE BOLDRA, JOHN EWY

SB 248, AN ACT repealing K.S.A. 2015 Supp. 76-12a25; concerning key deposit funds, was considered on final action.

On motion of Rep. Vickrey, the House adjourned until 11:00 a.m., Tuesday, February 9, 2016.

Journal of the House

TWENTY-FIRST DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Tuesday, February 9, 2016, 11:00 a.m.

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 120 members present.

Reps. Goico, Mason, Mast, Read and Tietze were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Creator God,
Thank You for the gift of this day
that holds many opportunities, privileges and responsibilities.
I sometimes wonder what Your thoughts are
when You look down upon each one of us
as we fulfill that which You have called us.
I know the desire of Your heart is that we will:
see people, issues and situations through Your eyes;
feel the concerns of the people with Your heart;
speak to the matters through Your mouth;
hear the anxieties and fears through Your ears;
and act and respond to the needs through Your actions.
Your Son set the perfect example before us,
help us to do likewise.
In Christ's Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Ryckman, Sr.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Francis are spread upon the Journal:

In Kansas on Shrove Tuesday we don't celebrate Mardi Gras, we celebrate Pancake Day. It's a friendly international celebration between Liberal, Kansas and Olney, England that is in its 67th year. The race started 500 years ago in Olney in 1445. A woman engrossed in using up cooking fats that were forbidden during lent was making pancakes. When she heard the church bells ring calling everyone to the shriving service, she grabbed her headscarf which was required then in church and ran to the

church with her skillet and pancake in hand and still wearing her apron. In the following years her neighbors got into the act and it became a race to see who could reach the church first and collect a “Kiss of Peace” from the Bell Ringer along with the blessing: “The Peace of the Lord Be Always With You.”

In 1950 Liberal Jaycee President R.J. Leete contacted the Rev. Ronald Collins, Vicar of St. Paul’s Church in Olney, Challenging their women to a race against the women of Liberal and as they say history was made. This race is a testament to community spirit and pride. On the morning of Pancake Day we all join together to eat pancakes as a community. The race is a lasting symbol of the spirit of goodwill and friendship between Liberal and Olney, as well as England and the United States, with that I say from the people of Liberal “May the Peace of the Lord be Always with You” and have a happy Pancake Day.

HCR 5023-- A CONCURRENT RESOLUTION reaffirming 10th Amendment rights.

WHEREAS, The 10th Amendment to the Constitution of the United States specifically provides that, "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people"; and

WHEREAS, The 10th Amendment was part of the original Bill of Rights, which was proposed on September 25, 1789, ratified by three-fourths of the states, and went into effect on December 15, 1791; and

WHEREAS, The 10th Amendment limits the scope of federal power and prescribes that the federal government was created by the states specifically to be an agent of the states, rather than the states being agents of the federal government; and

WHEREAS, When taking the oath of office, all members of the Kansas Legislature solemnly swear that they will support the Constitution of the United States and the Constitution of the state of Kansas; and

WHEREAS, Many federal mandates are in direct violation of the 10th Amendment to the Constitution of the United States and infringe upon both the reserved powers of Kansas and the people's reserved powers; and

WHEREAS, The United States Supreme Court, in *Printz v. United States*, 521 U.S. 898 (1997), reaffirmed that the Constitution of the United States established a system of "dual sovereignty" that retains "a residuary and inviolable sovereignty" by the states: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas, the Senate concurring therein: That Kansas hereby claims sovereignty under the 10th Amendment to the Constitution of the United States over all powers not otherwise enumerated and granted to the federal government by the Constitution of the United States; and

Be it further resolved: That this resolution shall serve notice to the federal government of our demand to maintain the balance of powers where the Constitution of the United States established it; and

Be it further resolved: That we state our intentions to ensure that all government agencies and their agents and employees operating within the geographic boundaries of Kansas, or whose actions have an effect on the inhabitants, lands or water of Kansas, shall operate within the confines of the original intent of the Constitution of the United States; and

Be it further resolved: That the Secretary of State shall send an enrolled copy of this resolution to the President of the United States, the President pro tempore of the United States Senate, the Speaker of the United States House of Representatives and each member of the congressional delegation of Kansas.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Todd, **HR 6036**, A RESOLUTION designating February 9, 2016, as Kansas MS Action Day, was adopted.

There being no objection, the following remarks by Reps. Todd and Boldra are spread upon the Journal:

Remarks by Rep. Todd:

When I came to Topeka and was asked to help found a MS Caucus in the House, it was a no brainer. My mother fought MS all of my life. Whatever time I have available to me in public service will in part be used to raise awareness of this terrible disease. I will do my small part to work for a cure. My mother's passing has ended her struggle but the fight must continue on for others still living with MS.

The MS Society carries out three important functions. Raising awareness Multiple Sclerosis is one of them. Providing resources to individuals afflicted with MS is a cornerstone of the MS Societies mission. Ultimately, we want a cure. And it is the pursuit of new treatments and medications through clinical trials and academic research that will bring an end to the debilitating condition.

There is hope on the horizon for people with MS. There are doctors and researchers around the globe working hard to find new ways of treating MS.

One area that could potentially show promise is the use of Adult Stem Cells.

Some information I found on the MS Society's website:

In November 2015, the International Conference on Cell-Based Therapy for Multiple Sclerosis was convened in Lisbon, Portugal under the auspices of the International Advisory Committee on Clinical Trials in MS (a group jointly sponsored by the National MS Society and the European Committee for Treatment and Research in Multiple Sclerosis). The Conference was chaired by Jeffrey A. Cohen, MD (Cleveland Clinic, USA), Marcelo C. Pasquini, MD, MS (Medical College of Wisconsin, USA) and Neil Scolding, PhD, FRCP (Southmead Hospital Bristol, UK).

Participants reviewed current experience with, and value of, specific cell-based therapies. Invited speakers Drs. Saud Sadiq (Tisch MS Research Center of New York) and Richard Burt (Northwestern University) joined 70 other leading researchers and clinicians who conferred on clinical trials needed to provide answers about which types of cells, which route of delivery, and which types and stages of disease, would be the

most promising approach for treating MS.

In the news recently there are reports of progress in Stem Cell treatments. A clinical trial carried out in England and done with cooperation from Hospitals in the United States, Sweden, and Brazil, MS patients suffering from Relapse-Remitting MS (The most common form) are given a treatment that previously had been used for cancer patients. Known as, autologous haematopoietic stem cell transplant (HSCT).

With the treatment, patients undergo chemotherapy. The chemo largely destroys the patient's current immune system, white blood cells. They are then given a transplant (I believe bone marrow, but don't hold me to that) of their own stem cells in order to reboot the immune system. Because they are stem cells, they should return the immune system to a state prior to the development of MS.

This treatment is in its early development stages and I would caution anything other than hopeful optimism. But all breakthroughs must begin somewhere.

Please join with me in thanking everyone that works to treat people with MS, connect them with needed resources, advocate for needed changes, and carry out the research to ultimately find a cure.

Remarks by Rep. Boldra:

Our youngest daughter, was an avid athlete through high school and college. She graduated from Pepperdine Law School in 2008, was married in 2009, and was diagnosed with MS in 2010.

She has accepted and embraced her condition, and is a proud member of the Mid-American MS advisory board. She has an informational blog called "Optimistic with MS", where she chronicles her personal story and relays information about new treatments and new drugs.

She has a 3 year old and a 6 month old. She is an active assistant district attorney in Sedgwick County.

This year will mark her 5th anniversary on the MS advisory board and involvement in the search for a cure. She is committed to raising \$5,000 for the MS walks in Wichita and Hays .

As a family, we walk and bike for MS. We walk to support research and we walk with the hope that a cure will come within her life time.

Every hour of every day, someone in America is diagnosed with MS. There is no known cause and no known cure.

TWENTY-SECOND DAY

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 123 members present.

Prayer by Chaplain Brubaker:

Jehovah Jireh – God our Provider,
we come before You today grateful for all that
You provide and do for us.
We are so excited to work on the budget today...
said no one ever!
Yes, it is that time again where we need a miracle—
equal to that of feeding 5000 with five loaves of bread and two fish.
It's difficult enough for two people in a marriage
to come to agreement on their personal budget,
yet here we are asking for You to
take the uniquely created opinions and thoughts
of 125 people representing thousands of people
and come to a general consensus and agreement on the state budget.
Yes we need a miracle...
or perhaps on this Ash Wednesday we can be reminded
to have the mind of Christ,
emptying ourselves and making ourselves nothing,
looking not only to our own interests, but also to the interest of others.
Direct the decisions of our leaders today
and keep their attitudes and words in check.
In Your Son's Name I pray,
Amen.

The Pledge of Allegiance was led by Rep. Swanson.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Billinger, **HR 6033**, A RESOLUTION recognizing the city of Kanorado as the top city in Kansas, was adopted.

There being no objection, the following remarks of Rep. Billinger are spread upon the Journal:

Kanorado, located on I-70 is the last city you see as you leave Kansas and is the first city you see as you leave Colorado on I-70.

Lots were deeded on July 5, 1888, and the original name was Lamborn.

On September 9, 1903, the post office name was changed to Kanorado; a small western Kansas town where the folks are welcoming and always ready to help their neighbors.

Journal of the House

TWENTY-THIRD DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Thursday, February 11, 2016, 11:00 a.m.

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 124 members present.
Rep. Seiwert was excused on verified illness.

Prayer by guest chaplain, Pastor Kenneth Harder, Emmanuel Mennonite Church, Meade, and guest of Rep. Estes:

Father in Heaven,

I thank you for the opportunity to approach your throne. You say in your Word that if any lacks wisdom they should ask and you would give it generously. I'm asking for wisdom for these folks so they can govern, make decisions and vote wisely on the issues. I ask also for unity that this body could come together and speak as one voice where before they were divided. Get us out of the budget shortfalls that we find ourselves in. Birth in this group of representatives a plan that can sustain us and allow for a budget surplus once again. I thank you that everything belongs to you, so help us be good stewards of your resources, let us act as though we know it is not ours but yours, and I thank you that you in your grace have allowed us to benefit from them. Bless the speaker and the governor and every representative. May God bless America and this great State of Kansas.

In the Name of Jesus Christ our Savior, AMEN!

The Pledge of Allegiance was led by Rep. Trimmer.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Proehl are spread upon the Journal:

The Governor signed a Proclamation that today, February 11, 2016 is Kansas Phi Theta Kappa All-State Academic Team Day. And today I am proud to introduce to you the Phi Theta Kappa All State Academic Team. Ten of those scholars are here on the

Floor and the others are in the gallery.

Phi Theta Kappa is an International Honor Society for two-year colleges that symbolizes excellence in higher education and a commitment to students. Students with a GPA of 3.5 or higher are invited to join.

Phi Theta Kappa's mission is two-fold:

To recognize and encourage the academic achievement of two-year college students, and

To provide opportunities for individual growth and development through participation in honors, leadership, service and fellowship programming.

Fifty-six students have been named to the All Kansas Academic Team and they represent all nineteen community colleges from across the state and were named to this team based upon their academic achievement, leadership and community service.

Because of their academic achievement, service and leadership they have been awarded scholarships and stipends to complete their education and I wanted to be sure you were aware of this impressive group of young scholars from the Kansas Community Colleges.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Victors, Boldra and Schwartz are spread upon the Journal:

Today is Kansas Farm Bureau day at the capitol, I have asked my colleagues the Chair and Vice chair of the House agricultural committee to join me in recognizing the Kansas Farm Bureau's Women's Leadership committee which was started in 1919. This is the first time in Kansas history, have there been women in leadership of the House agricultural committee. Therefore, as ranking minority of the committee, I wanted to highlight and recognize some of our hard working women farmers of Kansas. The Kansas Farm Bureau Women's Leadership Committee contributes an essential perspective to the organization, broadening opportunities for women to become increasingly involved in all aspects of Farm Bureau, actively participating in the implementation of priority issues involving agriculture education, improving the quality of life in rural communities, promotion of the industry and agricultural advocacy.

Kansas is a leader in agriculture. Women in agriculture are sometimes overlooked in America for all their hard work they contribute to our economy. I'm proud to say more women are stepping up to the plate to handle agriculture business as well as taking care of the home. Today, I would like to thank the Kansas Farm Bureau's women's leadership committee and all the women who take care of our agriculture in Kansas.

Reps. Victors, Boldra and Schwartz welcomed the women of the Kansas Farm Bureau to the House. In attendance were Pam Meng, Doniphan Co.; Debbie Kueser, Anderson Co.; Christy Springer, Wilson Co.; Lexy Goyer, Cowley Co.; Carrie Fraser, Cloud Co.; Gimmie Jo Jansonius, Phillips Co.; Sheryl MacNair, Hodgeman Co.; Carol Deaver, Finney Co.; Susan May, Decatur Co.; Marieta Hauser, Grant Co.; Paige Pratt, Morris Co.

HOUSE CONCURRENT RESOLUTION No. **HCR 5024**—

By Representatives Barton, Anthimides, Bradford, B. Carpenter, Concannon, DeGraaf, Dove, Estes, Francis, Garber, Goico, Gonzalez, Grosserode, Hawkins, Hedke, Highland, Hildabrand, Hoffman, Hutchins, Hutton, Johnson, K. Jones, Kahrs, Kelley, Kiegerl, Lunn, Macheers, Mast, McPherson, O'Brien, Osterman, F. Patton, Pauls, R. Powell, Rhoades, Rubin, Ryckman, Ryckman Sr., Scapa, Schwab, Schwartz, C. Smith, Sutton, Thompson, Vickrey, Waymaster, Weber, C. and Whitmer

HR 5024-- A CONCURRENT RESOLUTION urging the President of the United States to obey the Constitution and abandon the threatened transfer of terrorist detainees to Fort Leavenworth.

WHEREAS, The President of the United States, Barack Obama, has threatened to move the terrorist detainees currently held at Naval Station Guantanamo Bay to Fort Leavenworth without regard to the wishes or the safety of the people of Kansas; and

WHEREAS, The President has threatened to close the detention facility at Naval Station Guantanamo Bay; and

WHEREAS, The threat of the transfer has been underscored by visits to Fort Leavenworth by officials of his Administration, preparing for the threatened transfer; and

WHEREAS, Many detainees that have been released have continued to fight against

this country and its allies; and

WHEREAS, This President and others have insisted that the mere existence of the detention facility at Guantanamo has inflamed terrorists around the world and aided in their recruitments; and

WHEREAS, Transferring the detainees to Fort Leavenworth will only transfer the ire of terrorists worldwide from Guantanamo to Fort Leavenworth; and

WHEREAS, This President has a demonstrated willingness to violate American law; and

WHEREAS, This President has said that he will go around the Congress to accomplish his agenda; and

WHEREAS, Closing the Naval Station at Guantanamo has been high on this President's agenda since before he was first elected; and

WHEREAS, The President has continually sought to weaken our standing in the world; and

WHEREAS, The terrorists have demonstrated an ability and willingness to conduct attacks in America, in furtherance of their savage war against America; and

WHEREAS, Detonating large bombs in civilian communities in the vicinity of Fort Leavenworth would be exactly the sort of demonstration that the terrorists would try; and

WHEREAS, Fort Leavenworth does not have the necessary facilities to hold and care for the detainees and would, for example, be forced to transport them through the city of Leavenworth to access medical care, thereby presenting additional soft, tempting targets for attacks; and

WHEREAS, The surrounding community does not have the law enforcement, emergency response resources or the physical capability to harden potential civilian targets in the surrounding area. Transferring detainees to Fort Leavenworth represents a predictable, direct and unnecessarily high risk to American citizens in the vicinity of Fort Leavenworth; and

WHEREAS, The Naval Station at Guantanamo is a high security facility designed to both house high risk detainees and be secure from attack by external forces. This facility has not been the object of an external terrorist attack and, if it had been attacked, it would not have represented a threat to American civilians or communities; and

WHEREAS, The intentional placement of detainees on American soil, physically within an American community, would unnecessarily and intentionally put American citizens at much greater risk. It follows that any move by the President or other members of the Federal, State or local government to move the detainees to Fort Leavenworth would mean intentionally and knowingly placing American citizens at greater risk, in violation of the government's sworn oath to support and defend them against enemies, foreign or domestic; and

WHEREAS, Officers from over one hundred countries attend classes at Fort Leavenworth; and

WHEREAS, Many of these officers would not bring their families nor be permitted by their countries to attend, if the detainees were transferred to Fort Leavenworth, thereby hurting the local economy; and

WHEREAS, These officers and their families represent an important bond and link among our nations. Their loss will not just affect the local economy, but would potentially have grave impacts on our future ability to effectively and successfully find

peaceful solutions to international problems: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas, the Senate concurring therein: That the Legislature of the State of Kansas urges the President of the United States to obey the Constitution of the United States and the laws of this country, the people of which have placed him in a position of great trust and responsibility and depend upon him to ensure that the laws be upheld and that their security be maintained; and

Be it further resolved: That the President must declare that the detention facility at Naval Station Guantanamo Bay will remain, and that the detainees will continue to be held there, until said detainees are given proper, lawful disposition, in accordance with the Laws of War and the best interests of the safety of the people of the United States and their allies; and

Be it further resolved: That the Secretary of State shall send enrolled copies of this resolution to President Obama, Vice President Biden and the Kansas congressional delegation.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Hawkins, **HR 6037**, A RESOLUTION recognizing the Donated Dental Service Program's 20 years of service, was adopted.

There being no objection, the following remarks of Rep. Hawkins are spread upon the Journal:

We're privileged to have with us in the Chamber and Gallery today some of the dentists who have volunteered and collectively donated over \$10 million in dental care to underserved elder and medically compromised Kansans through the Donated Dental Services Program.

First started in 1996 collaboratively by the Kansas Dental Association and the Dental Lifeline Network, 3,265 Kansans have received treatment from over 700 volunteering dentists and dental labs during its 20 years of existence.

My guests today in the Chamber VIP-Section are three of the dentists who have served as President of the Dental Lifeline Network: Dr. Cindi Sherwood, Independence is the current President; Dr. Charles Squire, Wichita and Dr. R. Wayne Thompson, Shawnee.

This program truly transforms lives and the state of Kansas and its communities depend in great measure upon concerned and devoted volunteers and programs such as Kansas Donated Dental Services.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote NO on **H Sub for SB 161**. For the last five year, Governor Brownback and conservative legislators mismanaged our state to a point of crisis. It is clear they would rather throw the future of Kansas away, than admit their mistakes and change course. Rather than producing a structurally balanced budget this budget begs, borrows and steals. It begs the people of Kansas are not paying attention. It borrows even more money from the state highway fund and KPERS. And it steals a future of safety and prosperity from our children. I vote NO. – BEN SCOTT, JOHN ALCALA, DENNIS (BOOG) HIGHBERGER

MR. SPEAKER: I will not “just do it” for a budget that is balanced with a borrow and spend mentality. I “just say no” to **H Sub for SB 161**. My parents raised me to be fiscally conservative, and having taught that to my own children it would be irresponsible to support the continued refusal of this administration to address the revenue crisis in the state of Kansas. – BARBARA BOLLIER

MR. SPEAKER: I vote no on **H Sub for SB 161**. I cannot support the continued sweep of funds, use of other one-time money, bankrupting our road systems and punishing our state employees. I am astonished that our body gives the Governor complete control of our budget allotments. This likely has huge negative consequences for programs important to every Kansan. – TOM MOXLEY

MR. SPEAKER: I vote No on **H Sub for SB 161**. I cannot support the continued use of one-time money, sweeping fee-funded agencies, bankruptcy of KDOT's maintenance program, under funding of social safety net and education programs, and punishment of state employees. We do not have a spending problem, we have a revenue problem and

a problem of short-sighted policies instead of maximizing long-term opportunities. – TOM SLOAN, DON HILL, LINDA GALLAGHER, SUSIE SWANSON, DIANA DIERKS

MR. SPEAKER: I cannot lend my support to a budgetary ideology that disrespects hardworking Kansans by handling their tax dollars in this irresponsible manner. This sweep, borrow and spend budget signifies commitment to a revenue plan that is dysfunctional, imbalanced, and relies heavily on the volatile revenue sources. In addition to that, it gives too much power to the executive branch. Kansans deserve a stable, sustainable revenue and budget plan. I vote NO on **H Sub for SB 161** – STEPHANIE CLAYTON

MR. SPEAKER: I vote No on **H Sub for SB 161**: While I had planned to vote No on SB 161 for many of the reasons explained by my colleagues this morning, in my business if I received a 54 million dollar bill on my desk, I would not be writing any other checks until I figured out how to pay the bill. I therefore vote No on **H Sub for SB 161**.– JOHN CARMICHAEL

MR. SPEAKER: This budget funds public safety and mental health care, while reducing overall spending and giving the Governor flexibility to manage the state's cash flow. It protects KPERs from across the board cuts and balances the budget for the rest of this fiscal year and the next. I vote YES on **H Sub for SB 161** – RANDY GARBER, JOSEPH SCAFA, TONY BARTON.

MOTIONS TO CONCUR AND NONCONCUR

On motion of Rep. Hawkins, the House nonconcurred in Senate amendments to **HB 2387** and asked for a conference.

Speaker Merrick thereupon appointed Reps. Hawkins, Dove and Ward as conferees on the part of the House.

Upon unanimous consent, the House referred back to the regular business, Introduction of Bills and Concurrent Resolutions.

that these leaders have had to handle this week.
Thank You for Your goodness in relation

TWENTY-FIFTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,

The House met pursuant to adjournment with Speaker pro tem Mast in the chair.

The roll was called with 118 members present.

Prayer by Chaplain Brubaker:

Lord God,
As we begin another week
there are five things I pray for these leaders.
First of all I pray they may have favor with You.
May they listen to You as You give them personal direction, teaching and vision.
Secondly, I pray for favor with man.
This will be difficult because of hard decisions they have to make
that will eventually upset some people.
Give them wisdom, strength and boldness to do the right thing.
Thirdly, I pray for a pure vision—
vision that comes from Your wisdom, not just human wisdom.
Fourthly I pray for their health--
emotionally, physically and spiritually.
Lastly, I pray for their protection.
Please send angels to guard them and their families—
to go before them and do battle in their behalf.
These leaders willingly sacrifice their time, energy,
abilities, family, work and so much more.
Please surround them with Your presence this week.
I pray in Christ's Name, Amen.

The Pledge of Allegiance was led by Rep. Read.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Concannon are spread upon the Journal:

I would like to introduce you to a dear friend of mine, Lindy Lindquist. I actually met Lindy through her husband, Jack when he served as Executive Director of Kansas Agriculture and Rural Leadership (KARL) and I was a participant. I could see that Lindy was loved by all and was commonly known as “Mother KARL”. As I came to know Lindy, I discovered that, while I appreciate all she has done for the KARL program, she is so much more than Mother KARL. Lindy is here today so that we can honor her lifetime of achievement and success with the Kansas 4-H program.

When Lindy was a young K-State coed, her professors recognized her gifts and passion to help people learn. Subsequently they suggested she consider a career in Extension. It was sound advice for Lindy, as well as the youth and families of Kansas. No matter where the job took her, her goal was to increase the quality and quantity of experiences for youth and volunteers in the county and state. In Chase County, she and a co-worker recruited nearly 40% of eligible youth to the 4-H program. While in Douglas County, Lindy strengthened club programs, increased leadership development, and started outreach programs like school enrichment, project clubs, and day camps. She provided innovative leadership to statewide 4-H programs such as the Kansas 4-H Ambassadors, and Mini 4-H. After moving to the State 4-H office, she had a long list of responsibilities including Discovery Days, State Fair, Global Conference, National 4-H Conference, Collegiate 4-H, and National Judging Contests. When teen 4-H members expressed interest in starting a state 4-H youth council and the Kansas Youth Leadership Forum, she volunteered to assist them in meeting their goal. Perhaps the greatest impact she has made on 4-H is that 15 of her former 4-H members have become Extension agents.

Lindy has a long list of honors for her service, but the most notable came last fall when 4-H announced the names of the 16 individuals to be inducted into the National 4-H Hall of Fame at a special ceremony on October 9 at the National 4-H Youth Conference Center in Chevy Chase, Maryland. This honor was conferred upon my friend, Lindy Richardson Lindquist, for her excellence in citizenship, leadership, character and career accomplishments.

The 4-H program was founded in 1902 and has grown into the premier youth development organization that serves over 6 million youth nationwide. Today, help me recognize Lindy Richardson Lindquist for her induction to the National 4-H Hall of Fame, the 13th Kansan to ever receive that honor.

Rep. Concannon presented Lindy Lindquist with a framed House certificate.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Bollier are spread upon the Journal:

Thank you to the body for allowing me to address you today on a point of personal privilege. I stand before you to recognize Justice Antonin Scalia. Very few people in history have the opportunity to have such influence over the people of America. As I

reflected on his life over this past weekend, I saw three specific traits that should be noted as we seek to honor his life.

The first is that we should all honor the role of the Justices. Each of them, and certainly Justice Scalia, digs deep inside and does what he feels is the best interpretation of the law when making a decision. Whether we agree or disagree with those decisions, each of us would do well to quit labeling or name-calling our judges and instead show respect for the Justices decision-making capabilities.

Secondly, Justice Scalia was a man who focused intensely on following the Constitution. As we move forward and listen to all of the political rhetoric, let us remember that foremost in Justice Scalia's legacy was his passion for following the Constitution. In order to honor his memory, we should do the same. The rhetoric that is flowing now about his replacement should focus on what the Constitution says, not what our politics dictate.

Finally, in spite of having notable ideological differences, he and Ruth Bader Ginsburg were able to forge a deep and lengthy friendship. This ability to look beyond agreeing or disagreeing on interpretation of the law and instead discovering the goodness of another human being is something we all would do well to emulate. As I look around this chamber, I see colleagues that I hope will honor the life of Antonin Scalia by reaching out to those who you disagree with frequently, finding the time and/or the words to see beyond our differences, and to work together to effectively run our state.

At this time, I would ask for a moment of silence to remember Antonin Scalia.
Thank you good and faithful servant.

(a) All contracts for construction and repairs, and all purchases of and contracts for supplies, materials, equipment and contractual services to be acquired for state agencies shall be based on competitive bids, except that competitive bids need not be required in the following instances:

(1) For contractual services, supplies, materials, or equipment when, in the judgment of the director of purchases, no competition exists;

(7) when a used item becomes available and is subject to immediate sale; or

~~(7)-(8)~~ when, in the judgment of the director of purchases and the head of the acquiring state agency, not seeking competitive bids is in the best interest of the state.

Except for purchases or contracts entered into without a competitive bid under subsection (a)(3), (a)(4), (a)(6) or subsection (h), no purchase or contract entered into without a competitive bid for an amount in excess of \$100,000 shall be entered into by the head of any state agency or approved by the director of purchases unless the director of purchases first posts an on-line notice of the proposed purchase or contract at least seven days before the purchase or contract is awarded. The director of purchases shall

provide notice thereof to members of the legislature at the beginning of each calendar year that such information will be posted and the director of the division of purchases shall provide the uniform resource locator (URL) and the number of times such information shall be available. (b) (1) If the amount of the purchase is estimated to exceed \$50,000, sealed bids shall be solicited by notice published once in the Kansas register not less than 10 days before the date stated in the notice for the opening of the bids. The director of purchases may waive this publication of notice requirement when the director determines that a more timely procurement is in the best interest of the state. The director of purchases also may designate a trade journal for the publication. The director of purchases also shall solicit such bids by sending notices by mail to prospective bidders and by posting the notice on a public bulletin board for at least 10 business days before the date stated in the notice for the opening of the bids unless otherwise provided by law. All bids shall be sealed when received and shall be opened in public at the hour stated in the notice.

Journal of the House

TWENTY-SIXTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Tuesday, February 16, 2016, 11:00 a.m.

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 120 members present.

Rep. Seiwert was excused on verified illness.

Reps. Helgerson, Houston, Kahrs and Tietze were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Gracious God in heaven,
today as our leaders gather once again
to discuss and make difficult decisions,
remind them often throughout the day that:
their greatest victory is victory over self;
their greatest asset is confidence;
their greatest weight is final responsibility;
their greatest discipline is taking time to think;
their greatest handicap is pride;
their greatest opportunity is today;
their greatest loss is hope;
their greatest mistake is putting self before others;
their greatest prayer is wisdom;
and their greatest joy is adding value to others.
In Christ's Name I pray, Amen.

(adapted from "A Leader's Greatest Things" by John Maxwell)

The Pledge of Allegiance was led by Rep. B. Carpenter.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. B. Carpenter are spread upon the Journal:

It is a great pleasure to have members of the Derby Panther football team here today. Their performance in last year's football season was nothing short of remarkable. Last year the Derby Panther Football team won the 6A State Championship. The Derby Panthers went 6-0 against other teams in the Wichita area. The Panthers overall record last season was 13-1. The Panthers averaged over 46 points per game versus an average

of 18 points scored against them. High school sports helps our youth build character and develop them into model citizens later in life. Coach Clark will be remembered by these students for years to come. I would like to recognize some of the students and faculty who helped make the championship victory possible.

Rep. B. Carpenter introduced Principal, Tim Hamblin; Head Coach, Brandon Clark; and players: Damar Simms (Damar has signed with the US Air Force Academy); Brady Rust (Brady is a shrine bowl selection and has signed with Butler County Community College); Ryan Stang (Ryan has accepted an engineering scholarship at WSU) and Trevor Hudson (Trevor has signed with Butler Community College).

The team was presented with a framed House certificate.

Jones, Kelley, Kiegerl, Macheers, Mason, Mast, Osterman, Pauls, Peck, R. Powell, Scapa, Schroeder, Schwab, C. Smith, Sutton, Weber, C., Whipple and Whitmer

A RESOLUTION urging all Kansans to become educated about human trafficking and slavery.

WHEREAS, Human trafficking is the fastest growing criminal industry in the world, second only to drug trafficking, with an estimated \$150 billion in illegal profits; and

WHEREAS, According to the International Labor Organization, it is estimated that 20.9 million women, men and children are victims of human trafficking, with only .2% of victims identified; and

WHEREAS, Human trafficking and slavery, including sex and labor trafficking, affect women and children the most, comprising an estimated 80% of persons trafficked; and

WHEREAS, In 2000, the United States Congress passed the Trafficking Victims Protection Act, most recently reauthorized in 2013, providing the United States with tools to combat human trafficking at home and abroad; and

WHEREAS, In 2013, the Kansas Legislature enacted a comprehensive anti-human trafficking law, with a focus on criminal prosecution and victim support. The Kansas Legislature has since updated the law in 2014 and 2015; and

WHEREAS, The office of the Kansas Attorney General has focused on providing anti-trafficking training to law enforcement officers throughout the state, and in 2015, provided services to more than 400 human trafficking victims in Kansas; and

WHEREAS, Since 2014, the Kansas Department of Children and Families has worked to prevent human trafficking by providing recommendations for safety, placement and treatment for 80 youth, identified as possible victims of human trafficking; and

WHEREAS, The Kansas Legislature recognizes the considerable moral and economic harm of forced labor and human trafficking to both the State of Kansas and worldwide citizens, and that bringing a greater awareness of this problem will further help the victims of human trafficking; and

WHEREAS, By bringing awareness to forced labor and human trafficking within the State of Kansas, we bring the victims of human trafficking hope and promise of the American dream and for the natural born freedoms we should enjoy as American

citizens; and

WHEREAS, This battle is fought on many different fronts. Thus, the Kansas Legislature recognizes that increased public awareness will allow individual Kansans more opportunities to recognize and aid in the fight against this form of slavery: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we urge all Kansans to become educated about human trafficking and slavery and to work toward purging these criminal practices within the State of Kansas and beyond its borders; and

Be it further resolved: That we support increased education, stronger laws and the promotion of justice to reduce the exploitation of all people worldwide.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Jennings are spread upon the Journal:

Every fall stadiums across the state fill the evening sky with the lights and the sounds of high school football games but there is much more going on than just a game. Student athletes learn to be a member of a team effort, the value of hard work and discipline, the importance of following the rules, work ethic, responsibility and personal commitment. Time management and priority setting are also learned. The student athlete must maintain minimum levels of performance in their academic studies. Today I am pleased to recognize the Holcomb High School football team. Twenty members of the team and their coaches join me here on the floor while the balance of the team are seated in the gallery. The 2015 Holcomb High School football team achieve the highest

level of performance on the gridiron by winning the 2015 4A Division II state championship. This championship team not only excelled on the field, they excel in the classroom too. The average GPA for the 51 member team is 3.15. The 16 members of the team joining me on the floor today have an average GPA of 3.81. Please join me in recognizing this championship team.

Rep. Jennings presented the team with a framed House certificate.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Williams are spread upon the Journal:

It is my honor to recognize the Rose Hill Boys' Soccer Team for becoming the first athletic program in Rose Hill History to win back-to-back State championships. This team won the 4A-1A Kansas State Soccer Championships in 2014 with an impressive record of 20 wins and 1 loss *AND AGAIN* in 2015 with another impressive record of 20 wins and 1 tie. This championship team includes 41 athletes of which 14 are seniors with a collective GPA of 3.25. With the permission of the Speaker, I'd like to honor and recognize the Rose Hill Boys' Soccer Team in the balcony. Representing the team on the floor, please help me recognize the four team captains: Chace Beckham, Chance Beckham (identical twins), Parker Smith, and Josh Treat and their coaches Assistant Coach Brent Nussbaum, Assistant Coach Phil McNany, and Head Coach Jerry Treat who has been coaching many of these boys since they were just eight years old AND who won the National Soccer Coaches Association "Coach of the Year" Award in 2015, and finally, Superintendent Randall Chickadonz.

Rep. Williams presented the team with a framed House certificate.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. W. Carpenter are spread upon the Journal:

I am here before you today to recognize a great organization and their 28 years of service to our County. I can remember when this program was started... I was about 6, maybe 7 years old... By developing servant leaders through education and example, Leadership Butler provides people with tools and confidence to make their organizations and Butler County a place where we live well and laugh often.

- Primary focus is community leadership development for adults and youth.
- Leadership Butler Adult program began in 1988.
 - 480 Adult Graduates - 89% still live in Kansas - 78% in the Butler County area.
- Youth Program began in 1993.
 - 400 Youth Graduates - harder to track but 30% live in the Butler County area.

The Big Brothers Big Sister program in Butler County was started with the help of this youth program.

· Through the Alumni Association they offer opportunities for education on community issues facing Butler County - like coming to Topeka.

- Offer continuing education in leadership development.

·3 Youth Leadership Butler students have been awarded large scholarships through WSU - they attribute this to their participation in Youth Leadership Butler – (2 - \$45,000) and (1 - \$35,000).

·Help participants of both programs to further their education by offering scholarship recommendations - send out over 40 each year.

Adult Class Projects

(2003) – “*Leader Reader Program*” - class investigated children’s books that pertain to “leadership” within their context, such as, listening, teamwork, character building, and vision.

(2004) – “*Friendship Boxes*” – class brought awareness to children, ages 0-3, about our diverse population and culture.

Youth Class Projects

(2009) – “*Stay Alive...Don’t Text While You Drive*” - students designed 20 signs and contacted schools in Butler County to erect the signs at entrances.

(2013) – “*Distracted Driving*”- students produced a video showing the consequences of driving while distracted – not only texting but talking, loud radio, and siblings, etc.

As usual, in the many times that I have been to the Well, I could talk for hours but I won’t today. Thank you Leadership Butler for making a difference in our community!

EXPLANATION OF VOTE

MR. SPEAKER: I vote yes on **HB 2480**. Years ago I saw a John Wayne movie, *The Man Who Shot Liberty Valance*. Texas cattle brought north of the picket wire carried ticks, and Foot and Mouth Disease. Later I learned, historically, some of that fictional herd grazed just south of my district on the west side of the Arkansas. We cannot allow these Texas cattle to cross our borders without proof of citizenship and proper branding. John Wayne said it, I believe it, that ends it. Notwithstanding that, I vote yes on **HB 2480**. –

HR 6039—A RESOLUTION honoring the life and memory of Andrea Burton.

WHEREAS, Andrea Burton, who worked for the Kansas Historical Society as coordinator of the Capitol Visitor Center for 10 years, passed away on October 27, 2015, at the age of 48, peacefully at her home after a battle with melanoma; and

WHEREAS, Andrea was born in Youngstown, Ohio on August 14, 1967. She attended Youngstown State University, where she graduated with a bachelor's degree in sociology in 1989. She then attended Kent State and graduated with a master's degree in sociology. While working towards her bachelor's degree, she met the love of her life, Russell Patrick Douglas Burton, and they were married on August 15, 1992, in Youngstown, Ohio; and

WHEREAS, At her job interview, Andrea brought a mock-up of the activity sheet, "I am a fan of the Capitol," which could be turned into a hand-held fan. It continues to be popular with thousands of young visitors to the Capitol who use it to record highlights of their visit; and

WHEREAS, Andrea's first office was a very small room under the stairs. Her Tour Center was a busy desk on the first floor. It was from these humble beginnings that Andrea and her staff progressed to give tours to 30,000 visitors, annually; and

WHEREAS, Andrea loved the Capitol, pre-restoration, mid-restoration and post-res-

toration, and would not hesitate to tell anyone. Different wings of the building were closed for years at a time, which made for some creative tour modifications. The construction was always very loud and extremely dusty, but she never complained; and

WHEREAS, One of Andrea's proudest achievements was being able to reopen the Capitol dome for public tours on January 23, 2006, for the first time in over 30 years. Andrea loved bringing people to the top of the dome. She loved climbing the 296 steps and then stepping outside to take in the view; and

WHEREAS, Andrea never met a visitor or tour group she did not like. She would willingly take one person on tour as well as 100; and

WHEREAS, The opening of the renovated Capitol in January 2014 increased attendance three-fold. Today, 90,000 people annually enjoy historic and dome tours; and

WHEREAS, The new Capitol Visitor Center provided Andrea with a real office and workroom, an auditorium, a classroom and exhibits that tell the story of Kansas people, places, the building and state government. She used these spaces to make the visitor experience better; and

WHEREAS, Andrea's work ethic inspired everyone, including her dedicated staff and loyal volunteers; and

WHEREAS, On October 27, 2015, Andrea went the 296 steps and beyond. In the Capitol dome, whether viewed from inside or from the ground level, Andrea's spirit will live on forever: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we honor the life and memory of Andrea Burton and extend our deepest sympathy to her family and friends; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send eight enrolled copies of this resolution to Representative Tietze.

INTRODUCTION OF GUESTS

There being no objection, the following remarks by Reps. Kuether and Tietze are spread upon the Journal:

Remarks by Rep. Kuether:

Andrea was my constituent – and it was such a privilege to see her smiling face, representing the people of Kansas, under the Dome. Andrea loved her job. She never met a stranger and her approach to life resulted in such satisfaction. She is missed and I wish Russell and the family God's speed and peace.

Rep. Tietze read HR 6039 to the members of the House, Andrea's family, friends and co-workers. She closed with these remarks:

Journal of the House

THIRTIETH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Monday, February 22, 2016, 10:00 a.m.

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 124 members present.

Rep. Ewy was excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Almighty God,
Thank you for this new day You have given us.
The next couple of days are going to appear like
“The Longest Day”
and not your normal “9 to 5.”
We have “Great Expectations” of what
these “Ordinary People” will accomplish.
Help them to have the wisdom of “Forrest Gump,”
not that of “Dumb and Dumber.”
Help them to have the spirit of
“The Quiet Man” and not the “Raging Bull.”
Encourage them to strive to be “Miss Congeniality.”
Equip them with “True Grit” and a “Sixth Sense”
to be “The Miracle Worker”
in fulfilling the “High Hopes” of the people.
May their discussions not be that of “Much Ado About Nothing”
but instead be “Nothing But the Best.”
Those moments when it appears that some are “Die Hard,”
do the work of “The Adjuster” so they will compromise.
As they are “Facing the Giants” this week,
remind them often that “God is Not Dead”
and that “Heaven is For Real.”
And that “From Here to Eternity”
if they follow “The Ten Commandments,”
they will find “Hope and Glory.”
I pray this in the name of “Jesus of Nazareth,”
Amen.

The Pledge of Allegiance was led by Rep. Concannon.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Finch are spread upon the Journal.

It is a distinct honor and privilege to introduce Delaney Murphy to the Kansas House this morning. Delaney is an inspiring and exceptional young lady from Ottawa. This year Delaney is 11 years old and working on finishing the 5th grade at Garfield Elementary.

I have had the privilege of knowing Delaney for several years and can tell you that her smile and her enthusiasm are infectious. But I wanted all of you to meet Delaney today because on March 15th of last year she was named the very first, Little Miss Wheelchair Kansas. Delaney served for five years as a flower attendee in the Ms. Wheelchair Kansas contest before being crowned herself.

The Little Miss Wheelchair Kansas program recognizes young girls who are wheelchair mobile, dynamic, spirited, positive, and who have something to say to the people in our state. Part of Delaney's job this year has been to attend various events, share her story, serve as an example for other youth with disabilities, and empower Kansans through her positive attitude.

Delaney wants to say thank you to her friend and guest, Ms. Carrie Sunday, the current Ms. Wheelchair Kansas. Carrie has been a steady source of support and constant help in this year as she has carried out those duties.

Her goal is to bring more awareness to children in wheelchairs and find ways to bring them together. She loves volunteering and helping other charities, playing baseball for the Miracle League, cheering on her brother Jackson, being an all-around great daughter for her parents Ryan and Kelly and of course, cheering for her favorite Major League team, the Kansas City Royals and the ever awesome Alex Gordon.

Please join me in honoring Delaney Murphy, the first Little Miss Wheelchair Kansas and a truly great young Kansan.

Rep. Finch presented Ms. Murphy with a framed House certificate.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Schwartz are spread upon the Journal:

The Kansas FFA Association was the twelfth state chartered by the National FFA Organization in 1928. The Association has a current membership of over 9,000 members in more than 175 chapters. Kansas FFA members are enrolled in agricultural education courses, conduct a Supervised Agricultural Experience Program and can participate in a variety of FFA competitions and activities.

This is a very exciting time for Kansas FFA. The Association is experiencing growth, new opportunities for its members and increasing support from the community, business and industry and former members. Kansas FFA provides leadership development opportunities for members. This year alone five new chapters were added in the following high schools: Bluestem (Leon), Emporia, Northern Heights (Allen), Southern Lyon County (Olpe & Hartford), and Sylvan-Lucas (Sylvan Grove).

Today's agricultural education students will be the leaders and innovators of the future—responsible for ensuring a safe and stable food and fiber supply for the growing world.

Kansas FFA is dedicated to making a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

Kansas FFA Association is led by the state officer team – six students who are freshman at Kansas State University serving as president, vice president, secretary, treasurer, reporter and sentinel. In addition, adult guidance and leadership is provided by the State Advisor and State Executive Secretary.

Rep. Schwartz introduced the 2015-2016 FFA Leadership Team: Karl Wilhelm, President, Holton; Bailey Peterson, Vice President, Buhler; Dean Klahr, Secretary, Holton; Lane Coberly, Treasurer, Chapman; Kyler Langvardt, Reporter, Chapman; Gabryelle Gilliam, Sentinel, Washington County.

Be it resolved by the House of Representatives of the State of Kansas: That we designate February, in 2016 and in each succeeding year, as Kansas Cancer Awareness Month; recognize efforts to raise awareness for the reduction of cancer risks; and encourage the expansion of knowledge, early detection and work in the medical and scientific fields, to put an end to this deadly disease.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Kleeb and Carlin are spread upon the Journal:

Cancer is a disease that has touched the lives of nearly everyone. Each of us has a relative, friends, or co-worker who has battled the disease. Many of us have even fought cancer ourselves, or given care to a loved one with the disease. Even in our House family, we have had our own colleagues' spouses afflicted:

Diane, wife of Jack Thimesch

John, husband of Annie Kuether

John, husband of Sydney Carlin

Nancy, wife of Marvin Kleeb

And we continue to pray for Susan, wife of Mario Goico

Nationwide, nearly 1.6 million new cases of cancer will be diagnosed this year. In Kansas alone, an estimated 14,500 people are expected to be diagnosed with cancer, and 5,540 will die from the disease.

We as a legislature play an important role in supporting policies to improve cancer

prevention, treatment, quality of life and research.

An estimated one-third of all cancers are preventable. Increased efforts to reduce tobacco use, reduce obesity, improve diet and physical activity and promote safe ultraviolet radiation exposure are keys in limiting preventable cancer risks.

Regular use of established screening tests can preclude the development of cancer through identification and result in the removal or treatment of premalignant abnormalities. Screen tests can also significantly improve survival rates by detecting cancer at an early stage when treatment is more effective.

Let's embrace February as the newly designated Kansas Cancer Awareness Month to raise awareness for the reduction of cancer risks, encourage the appropriate screening, support Kansans and their families suffering from the disease, and remember those we have lost.

Rep. Kleeb introduced the following:

Judith Calhoun, American Cancer Society board member for the High Plains division; former Chair of the Newman division of nursing at Emporia State University

Gay Garrett, ACS volunteer

EXPLANATIONS OF VOTE

MR. SPEAKER: I share the concerns on Federal overreach and mismanagement. The overspending of the previous generation of elected officials and the resulting debt is a burden my generation will bear. Twice in the 20th century the country was close to calling a convention, one state away in 1969 and two away in 1983. The concern of a runaway convention prompted states to rescind their applications. I support a balanced

budget amendment but not a convention without firmer restrictions to protect the 1st, 2nd amendments and the Constitution. I vote no on **HCR 5010**. – JAMES ERIC TODD

MR. SPEAKER: I vote yes on **HCR 5010**. In the past I had been uneasy about a concept I wasn't familiar with. However, I realized that myself and many other Kansas legislators have attended a somewhat similar event every summer in a major U.S. city since 1975. The National Conference of State Legislatures (NCSL) has drawn representatives sent from all 50 states to their annual meeting to discuss and propose ideas that could make state governments better. A conference of the states can only propose or suggest amendments, and like the work product of NCSL, they remain only ideas until 38 full state legislatures ratify them. – JAN PAULS

MR. SPEAKER: Throughout the debate regarding **HCR 5010**, the Founding Fathers were often cited. I defer here to the words of President Washington, who cautioned against such things in his farewell address: "One method of assault may be to effect, in the forms of the Constitution, alterations which will impair the energy of the system, and thus to undermine what cannot be directly overthrown. In all the changes to which you may be invited, remember that time and habit are at least as necessary to fix the true character of governments as of other human institutions..."

I vote NO on **HCR 5010**. – STEPHANIE CLAYTON, LINDA GALLAGHER

MR. SPEAKER: We have a responsibility to our state, our country, our children and our grandchildren to meet the obligations we each swore to uphold. The framers of our Constitution authored the document with intelligence, foresight, and an unequalled brilliance. They purposely placed the Article V within the Constitution, should congress fail to fulfill the oath they took. In fact, our framers believed that a convention of states would likely be called on a frequent basis—not waiting 239 years. It is time to regain our individual and states' voice and fulfill our obligation we promised to uphold thus, I vote yes on **HCR 5010**. – PEGGY MAST, RANDY POWELL, KYLE HOFFMAN

MR. SPEAKER: My greatest fear is that the legislators who would select the delegates to the constitutional convention will be the same ones who brought us Washington style politics, an extreme lack of transparency, fiscal mismanagement, and a growing debt. I am reminded of the old saying, "people who live in glass houses should not throw stones." I believe that before we worry about states rights, we should first get our state right. I vote no on **HCR 5010**. – ED TRIMMER, ANNIE TIETZE, TOM SAWYER, PAM CURTIS, LOUIS RUIZ, PONKA-WE VICTORS, RODERICK HOUSTON, BEN SCOTT, JOHN ALCALA, GAIL FINNEY, KATHY WOLFE-MOORE

MR. SPEAKER: I agree that the federal government in many ways is out of control. This is largely because Congress is unwilling or unable to do its job of defining policies and programs within which federal agencies must operate. Proposed Constitutional Amendments that might result from such a convention would take many years for sufficient states to ratify. This long delay would simply allow federal agencies to continue exercising authority. We must elect Presidents and members of Congress who will respect the separation of powers that our forefathers installed in the U.S. Constitution. I vote no on **HCR 5010**. – TOM SLOAN, DON HILL

THIRTY-FIRST DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Tuesday, February 23, 2016, 9:00 a.m.

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 123 members present.

Reps. Bruchman and Edmonds were excused on excused absence by the Speaker.

Present later: Reps. Bruchman and Edmonds

Prayer by guest chaplain, Major Chris Wallace, Deputy Division Chaplain, Fort Riley:

Heavenly Father, the sacrifices we offer to You are a broken spirit and a contrite heart. As Soldiers and as Senators we serve others, citizens of a state and of a country we love. Together we pursue democracy and freedom with equal passion. And we desire harmony between our governmental and military bodies. We ask for congressional leaders sensitive to Your wisdom and military members with the character and competence to secure national pursuits.

The Kansas Legislature has set a day to recognize the Armed Forces. So, we ask your blessing on the Department of Defense from leaders in the Pentagon to the privates at Fort Riley. Bless the missions the military is given – we audaciously ask for peace in the Middle East which would require Your good providence. We ask your guidance for our leaders who make decisions for the organization and advise beyond the military. We ask for Your protection on those who are deployed around the world, give them success and bring them home safely. And we ask Your blessing on the lives of our service members, civilian personnel and families. Grant them health and purpose.

We ask all of this for Your honor and for our good.
Amen.

The Pledge of Allegiance was led by Rep. Ruiz.

HR 6041—A RESOLUTION recognizing the patriotism and contributions of Veterans Service Organizations and families of veterans.

WHEREAS, Kansas is home to more than 200,000 veterans; and

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Clark are spread upon the Journal:

It is my honor today to recognize these Veteran Service Organizations and the families of Veterans. Veteran Service Organizations exist to provide assistance to service members from the first days of their deployments, through the return home, and process of rehabilitation; whether it is from a physical wound or an invisible wound. Without their continued dedication and support, Veterans would not have the help they do today. Along with the support of Veteran Organizations, we also have the family members of Veterans to thank. They bear the most immediate weight when a service member deploys, returns home, or struggles in any certain way. We thank them for their dedication, patience and support to the service members. Behind me I have:

What's In Outdoors: Phil Taunton, Rue Armstrong, and TJ Orender

Patriot Outdoor Adventures: Nathan McClure

American Legion: Ron Whitney and Frank Lowery

American Gold Star Mothers: Debbie Austin and Dody Berg

VFW Post 1980: David Farley

HR 6042—A RESOLUTION honoring and recognizing Kansans who are Korean War Veterans.

WHEREAS, On June 25, 1950, communist North Korea invaded the Republic of Korea with approximately 135,000 troops, thereby initiating the Korean War; and

WHEREAS, On June 27, 1950, President Harry S. Truman ordered the United States Armed Forces to help the Republic of Korea defend itself against the North Korean invasion; and

WHEREAS, The hostilities ended in a cease-fire, marked by the signing of the armistice at Panmunjom on July 27, 1953; and

WHEREAS, During the Korean War, approximately 1,789,000 members of the United States Armed Forces served in the theater of combat, with 54,246 casualties, of whom 33,739 were battle deaths, more than 103,284 wounded and approximately 8,055 listed as missing in action or prisoners of war; and

WHEREAS, The Korean War is called "The Forgotten War," because it came on the heels of World War II; and

WHEREAS, The invasion from North Korea, planned and executed with Russian support, was intended to ensure communism spread into the Republic of Korea and beyond; and

WHEREAS, The Kansans and other Americans who served in the armed forces during the Korean War were willing to pay the price freedom demanded and pushed back the spread of communism to sustain democracy in Korea; and

WHEREAS, In the 66 years since the outbreak of the Korean War, the Republic of Korea has emerged from a war-torn economy into one of the major economies in the world and one of the largest trading partners and military allies of the United States; and

WHEREAS, There were 435 Kansans who lost their lives in the Korean War. Their names and branch of service are listed on the Korean War Memorial in Overland Park, Kansas; and

WHEREAS, Three Kansas Korean War Veterans were awarded the Congressional Medal of Honor: Stanley Taylor Adams, Army, DeSoto, Kansas; Jack Arden Davenport, USMC, Mission, Kansas; and Father Emil Joseph Kapaun, Army, Pilsen, Kansas; and

WHEREAS, There were only 18,242 Korean War Veterans living in Kansas in September 2014, and it is fitting and just that we honor and bring recognition to our Kansas service members from the Korean War: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That on this 23rd day of February 2016, Kansas Military Appreciation Day, we recognize the historical importance of the Korean War, which began on June 25, 1950 and ended on July 27, 1953, when the armistice was signed; that there were only 18,242 Korean War Veterans in Kansas in 2014, with many passing each year; that we must honor the noble

service and sacrifice of these Kansas veterans now, while they are still with us, as well as other veterans of the United States Armed Forces and all veterans from allied countries who served in Korea; that all Americans, in particular Kansans, who served during the Korean War were valuable to the war effort – whether as cooks, tankers, engineers, enlisted personnel or officers – and all deserve our thanks and recognition; and we encourage all Kansans to participate in commemorative activities, pay solemn tribute to and never forget the veterans of the Korean War and their sacrifices, as exemplified by the Kansas Commission on Veterans' Affairs Operation Recognition Program, which grants high school diplomas to Korean War and other veterans who left high school to serve in the armed forces; and we reaffirm this commitment of Kansans from this day forward; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Representative Goico.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Goico are spread upon the Journal:

I am honored to be standing here before you with Thomas Tschantz, representing his father who was a veteran in the Korean War and a crew member of mine during Desert Storm, Mark Sweeney.

First I want to recognize all the present and former members of the military that are here, please stand. This includes veterans in the gallery.

Thank you for your noble service and sacrifices for our country.

Four-hundred and thirty-five (435) Kansans lost their life during the Korean War. There were three (3) Kansans who were awarded the Congressional Medal of Honor – Stanley Taylor Adams, Army, DeSoto, Kansas; Jack Arden Davenport, USMC, Mission, Kansas; and Father Emil Joseph Kapaun, Army, Pilsen, Kansas.

This resolution honors and recognizes all veterans who served during the Korean War, especially all the Kansans.

The Korean War is known as the forgotten War because it came soon after World War II. However, in the fight for freedom, this War was as important as WWII.

This was a war triggered by Russian plans for expansion. Today, it shows the difference between living with communism versus living with freedom. You can see it by comparing North Korea and South Korea.

Today, South Korea is one of the major economies of the world. This divided country shows the contrast between a bloody communist dictatorship in the North and the hope and opportunities of freedom in the South.

Even though the Korean War happened sixty-six (66) years ago, today we still have the threat of this Russian plans to build a world empire. We see this in the news every day.

Veterans, we will never forget what you did. Your service provided freedom to people threatened with being slaves to communism. I can give you an example of my own personal life. I was born in Cuba. In Cuba like in North Korea, there is no freedom of assembly or religion. We cannot get together like we are here right now. There is no freedom of speech. If I were to say this speech in public, in a communist country like Cuba, I would be tortured and killed.

This is what happens today under communist regimes. For some unexplained reason the news media forgets to document the atrocities that communist regimes perpetrate on their people.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. K. Jones, **HR 6043**, by Rep. Jones, as follows, was introduced and adopted:

HR 6043—A RESOLUTION recognizing Norman Holle for his work in helping veterans with PTSD.

WHEREAS, Norman Holle has assisted numerous veterans in receiving the aid they need for Post-Traumatic Stress Disorder, or PTSD; and

WHEREAS, Many cases of PTSD remain unreported, undiagnosed and untreated due to a lack of awareness about PTSD and the persistent stigma associated with mental health conditions. PTSD significantly increases the risk of anxiety, depression, suicide, homelessness and drug- and alcohol-related disorders and deaths, especially when left untreated. Veterans deployed multiple times to combat zones often suffer the severest PTSD symptoms; and

WHEREAS, Numerous veterans suffering from PTSD have had their disability claims fail due to improper preparation or documentation. For the last 15 years, Norman Holle has conducted a weekly class to teach veterans who suffer from trauma ways to navigate the Veterans Administration's application process for the successful filing of PTSD disability claims. To date, Norman has helped 838 veterans suffering from severe PTSD receive 100% disability compensation and countless others receive some disability compensation and care through the Veterans Administration; and

WHEREAS, Norman Holle is a Vietnam veteran who served the United States Army in multiple roles, including Crew Chief, Loadmaster, First Aid Attendant, Door Gunner and Maintenance Crew Member. During his military career, Norman spent over 1,200 hours in the air in U-1A Otters. Norman was awarded numerous medals for his service, including an Air Medal with four Oak Leaf Clusters. Norman has been married to his wife, Carolyn, for 32 years: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we recognize Norman Holle for his work in helping veterans with PTSD; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Norman Holle.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. K. Jones are spread upon the Journal:

It is my pleasure today to talk to you about a great Kansan, Norman Holle. He is a Viet Nam veteran. He was a Crew Chief with the United States Army with over 1200 hours in the air on U1A Otter and also filled roles as Loadmaster, First Aid, Door Gunner, and of course Maintenance. He has medals from service in Viet Nam plus an Air Medal with 4 Oak Leaf Clusters.

Now, you might be expecting a fascinating combat story which could probably be

told, but really Norman is a perfect picture of laying down one's own life for others. He is a soldier that helps soldiers and their families day-in-and-day-out. He appreciates the military every day.

Norman selflessly volunteers help to veterans from all wars to receive the help they need for Post-Traumatic Stress Disorder (PTSD) and has done so for the last 15 years. He holds a class every Tuesday in order to teach veterans who suffer from trauma what to file and how to talk to the VA. Whether this trauma be by combat, sexual trauma, handling the wounded/dead on the battlefield, he helps them all.

While there is no cure for PTSD, these veterans receive the medical and mental help so that they can be productive members of society, learning how to deal with issues such as shopping in a grocery store, going to a movie, and leaving their safe place.

Norman has been married to his bride Carolyn for 32 years. To date he has had 838 veterans successfully received 100% disability due to PTSD as well as assisted in countless others receiving some disability and care by the VA.

Please join me in honoring Norman and all he does for veterans and their families.

EXPLANATION OF VOTE

MR. SPEAKER: Six years ago the state spent \$2 million refurbishing the Docking Power Plant. Then the Republican Governor and Republican Legislature decided to remove the state agencies from the building and tear it down. Now the Governor enters into a lease purchase for a new power plant at a cost of \$20 million without a statutory cost/benefit analysis.

This spending of tens of millions of dollars by the administration and the lack of good fiscal oversight by the Legislature is a symptom of the greater economic mismanagement and incompetence that has plagued the state budget over the last five years. I vote no on **SB 250**. – HENRY HELGERSON

EXPLANATION OF VOTE

MR. SPEAKER: Alzheimer's is more than a disease affecting someone's brain. It is actually a story of trial and tribulation that consists of a family losing a loved one through a process that can test the inner spirit of everyone affected. It is a story that encompasses so many areas of inner struggle for the family members who must experience a loved one losing their recognition and cognitive skills. It is a story of dedication and learning to cling to the memories of your loved one for as long as you can.

I want to thank Jennifer Nauert for inspiring this bill. Thus, I vote yes on **Sub HB 2473**. – PEGGY MAST

Journal of the House

THIRTY-SECOND DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Wednesday, March 2, 2016, 11:00 a.m.

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 121 members present.

Reps. Bollier, Goico, Sloan and Wolfe Moore, were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Almighty God,
Thank You for the blessing of this day
and for the short yet needed break.
Today, our leaders come back together to make
serious decisions for our state.
Our future is at stake
so be with them as they deliberate.
Help them not to hesitate,
yet thoughtful thinking and time help them take.
May their discussions not be filled with hate,
rather, help them to be productive in their debate.
Help them never to under estimate
how their decisions can determine our fate.
This feeble attempt at rhyming is over,
But when it is all said and done,
what I am requesting is that Your presence
be with these leaders today.
This I ask in Christ's Name,
Amen.

The Pledge of Allegiance was led by Rep. Doll.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Schroeder are spread upon the Journal:

As we return from a week off for turnaround, the past week for us in Hesston has been anything but dull. I hardly know what to say, but think a few comments are in order.

First and foremost, we live in a different world than it was a few years ago. In light of the events of the past week in Hesston, I would like to publicly express my highest regards, especially for Hesston Police Chief Doug Schroeder for his heroic act of neutralizing an active shooter at the Excel facility. The shooter died as a result of the incident after Chief Schroeder and he exchanged gunfire. Chief Schroeder is the head of an outstanding department and, yes, we still feel very safe in Hesston thanks to Chief Schroeder's leadership.

Also a special thanks to Harvey County Sheriff T. Walton for providing backup and support to the Hesston Police. He and his department are outstanding and professional. There have been many local, State and Federal officers in Hesston this week and words can hardly express the gratitude for them, and what they do by putting themselves in harm's way to protect everyone.

Expressions of sympathy are in order for families of those killed, and prayers of support and healing for those injured and wounded. Hesston has many individuals who have done heroic acts of compassion for co-workers, friends and strangers.

Hesston is a community with strong faith. If you look at the history of Hesston, it is unusual in that it does not have a grain elevator like most plains towns and cities, but was begun as a Christian college town, spurred on by the donation of land for that purpose. Hesston College is still viable and brings in students from many different countries.

It is that faith in God that makes the community resilient. Twenty six years ago, an F5 tornado ripped through the middle of town. At that time, the community pulled together with compassion and grace, working as one to rebuild what was shattered. Now as well, the community relies on faith in God for strength to once again rebuild, this time relationships and emotions.

What is most important in situations like this? Three things are more important than anything else. Those are Faith, family and friends. In that order. Everything else falls away as insignificant compared to those. What do you place your faith in? Only faith in Christ Jesus can save your soul.

As we go about deliberating in this body, I encourage you to be considerate and remember what is really important. Strong faith, strong families, and strong friends. Those things are why we are '#hesstonstrong!'

The House observed a moment of silence for those slain and injured in Hesston.

HOUSE CONCURRENT RESOLUTION No. **HCR 5026**—

by Representatives E. Davis and S. Swanson

HCR 5026— A CONCURRENT RESOLUTION recognizing the following celebrations and observances in support of organ, eye, tissue, bone marrow, stem cell and cord blood donation and transplantation, and to express gratitude for those who have already given the gift of life. In March, Kansans observe National Eye Donor Month and National Kidney Month. In April, Kansans observe Donate Life Month and on April 15, Kansas will join the rest of the nation to celebrate National Donate Life Blue and Green Day, where the public will be asked to wear their best blue and green outfits in support of giving the gift of life and sight.

WHEREAS, For more than a decade, the month of April has highlighted the saving and healing of lives. Donate Life America and Donate Life state teams, like Donate Life Kansas, fill the month of April with powerful stories that share the lifesaving message of donation and transplantation. The goal of National Donate Life Month is to make LIFE possible by educating and motivating individuals to register their decision to be organ, eye, tissue, bone marrow, stem cell and cord blood donors; and

WHEREAS, 51% of Americans have registered their decision to donate and 60% of adults in Kansas have joined the Kansas Donor Registry – the need for more registered organ, eye and tissue donors increases; and

WHEREAS, Despite a record number of 30,000 organ transplants saving lives in 2015, 8,500 from deceased donors and 6,000 from living donors; despite more than one million tissue transplants enhancing the lives of others; and despite 48,000 gifts of sight, the need for more transplants continues to far surpass the number of donated organs and tissues each year; and

WHEREAS, Despite these successes, one person is added to the wait list every 10 minutes, leading to 125,000 Americans waiting for their life-saving transplant, and

2,600 of those individuals are from Kansas and Missouri. The organ most needed across the country is the kidney; the growing number of those in need of transplant and lack of available organs means 22 people are dying every day, while waiting for LIFE to be possible; and

WHEREAS, Each year, more than 20,000 people in the United States are diagnosed with life-threatening illnesses requiring a bone marrow, stem cell or cord blood transplant. Seventy percent find their best match is from the generosity of a stranger, rather than a family member; and therefore, are in need of someone like you to donate your healthy marrow.

WHEREAS, One Kansas sunflower has the potential to create an entirely new field of flowers. As individuals, we each have a similar potential to make LIFE possible for many when we register our decision to become an organ, eye and tissue donor. One organ donor can save the lives of up to eight people, restore sight to two people through cornea donation and heal countless others through tissue, bone marrow, stem cell and cord blood donation.

WHEREAS, Registered donors are LIFE donors. Everyone is a potential donor, and a decision to donate can save or enhance the lives of more than 50 people.

WHEREAS, Kansans are urged to take five minutes out of their day to register their decision to make LIFE possible through organ, eye and tissue donation at DonateLifeKansas.com. Kansans are urged to let their family know they have made their decision. Donors are urged to always reaffirm this decision when renewing their driver's license by indicating, "Yes, I want to be a donor."

WHEREAS, Hundreds of thousands of persons needing organ donations are depending on the people of Kansas to become organ donors. Kansans can also join the 27 million persons worldwide who have volunteered to join the National Bone Marrow Donor Registry by going to BeTheMatch.org. Now, therefore:

Be it resolved by the House of Representatives of the State of Kansas, the Senate concurring therein: That we recognize and celebrate National Eye Donor Month and National Kidney Month in March and in April, celebrate National Blue and Green Day and National Donate Life Month in Kansas, urging all residents to join us in support of this humanitarian action of giving the gift of life and sight to our fellow neighbors, residents and citizens; and

Be it further resolved: That this legislative body pause in its deliberations to memorialize the donor heroes from Kansas, pay tribute to those waiting for their life-saving call and honor those residents who have joined the Kansas Donor Registry and the National Bone Marrow Registry; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to the Donate Life Team Kansas.

WHEREAS, federal law recognizes that tribal jurisdiction exists on Qualified Nation Lands regarding the rights of the Nation to pass its own laws and be governed by them;

WHEREAS, it is in the best interests of both the State and the Nation to prevent disputes between the Parties regarding possession, transport, distribution, and Sale of Cigarettes and other Tobacco Products, including but not limited to taxation and escrow collection, in the State of Kansas, on Compact Lands;

WHEREAS, each of the State and the Nation recognize the financial, cultural, educational, and economic contributions of the other;

WHEREAS, each of the State and the Nation respects the sovereignty of the other, and recognizes and supports the other’s governmental responsibilities to provide for and govern its citizens, members and territory; Kansas recognizes the Nation’s inherent sovereign right to existence, self-government and self-determination; and the Nation recognizes the Kansas’s inherent sovereign right to existence, self-government and self-determination;

WHEREAS, the Parties are of the opinion that cooperation between the Nation and the State is mutually productive and beneficial and recognize the need to develop and maintain good Nation/State governmental relations;

WHEREAS, it is in the best interests of the State to continue to reduce the financial burdens imposed on the State by Cigarette smoking and that said costs continue to be borne by Tobacco Product Manufacturers rather than by Kansas to the extent that such Tobacco Product Manufacturers either determine to enter into a settlement with Kansas or are found culpable by the courts;

WHEREAS, on November 23, 1998, the State became party to the MSA;

WHEREAS, certain Tobacco Product Manufacturers, which are party to the MSA, are obligated, in return for a release of past, present and certain future claims against them as described therein, to pay substantial sums to State (tied in part to their volume of Sales); to fund a national foundation devoted to the interests of public health; and to make substantial changes in their advertising and marketing practices and corporate culture, with the intention of reducing underage smoking;

WHEREAS, it would be contrary to the policy of State if Tobacco Product Manufacturers who determine not to enter into such a settlement could use a resulting cost advantage to derive large, short-term profits in the years before liability may arise without ensuring that State will have an eventual source of recovery from them if they are proven to have acted culpably;

WHEREAS, Kansas entered into a Secondary Settlement Agreement with certain participating Tobacco Product Manufacturers in 2012 settling State's obligations under the MSA and disputes regarding certain payment adjustments under the MSA with respect to NPMs (as that term is defined below) for calendar years 2003-2012;

WHEREAS, as part of said Secondary Settlement Agreement, State has agreed to undertake certain diligent enforcement efforts of its Cigarette and other Tobacco Product laws and more specifically, its MSA laws on Qualified Tribal Lands within the borders of State;

WHEREAS, State recognizes the importance to State of forming an alliance with Nation to assist State in its diligent enforcement efforts;

WHEREAS, State further recognizes that the Nation will incur certain economic costs in assisting State in its diligent enforcement efforts which Nation should not be required to endure;

WHEREAS, it is altogether just and proper that State compensate the Nation for its assistance to State in State's diligent enforcement obligation under the MSA and the Secondary Settlement Agreement; and

WHEREAS, the State and the Nation agree that it will serve the interests of both the State and the Nation for the Nation to be able to generate revenue for governmental purposes through the collection of certain Tribal taxes in accordance with this Compact and resolve their differences regarding the State's collection of escrow on certain Cigarettes Sold on Compact Lands.

(a) This Compact shall have an initial term of ten (10) years subject to automatic renewal for successive ten (10) year terms absent a requested revision in writing by any Party on or before August 1 in the calendar year prior to calendar year of the expiration of the then-current term. The Parties shall negotiate such requested revisions in good faith for a period ending fifteen (15) days before expiration of the then current term; *provided, however*, that if the Parties are not able to reach agreement on such requested revisions by such date, the Parties may agree to extend the then-current term beyond the expiration date for so long as the Parties agree that further negotiations are warranted; *provided, further*, that following expiration of the initial or any extended negotiation period, either Party may provide written notice of termination of the Compact effective on the later to occur of the expiration date of the then-current term or two Business Days following the date of delivery of such written notice of termination without giving effect to any extension agreed to by the Parties. The Parties acknowledge that the purpose of such negotiations would be to amend the Compact in a manner acceptable to the Parties that would permit the State to comply with the terms and provisions of this Compact, the MSA, and the Secondary Settlement Agreement. If the Parties are unable to negotiate such amendments within such negotiation period, the State may terminate this Compact upon two weeks' prior written notice to the Nation. Termination of this Compact pursuant to this Section 3.02(b) shall not be subject to the dispute resolution provisions of Article VII.

(c) In the event that the State is no longer subject to, or elects to withdraw from or cease performing under, the MSA and the Secondary Settlement Agreement, the Nation and the State may jointly agree in writing to terminate this Compact prior to the expiration of the then-current term. If there is any modification to relevant State law or final judicial determination by a court of competent jurisdiction that negates the escrow deposit obligations pursuant to the Escrow Statutes, the State may terminate this Compact at any time thereafter by providing thirty days' written notice to Nation.

(b) Nation, through its Nation Tax Commission, shall collect from Licensed Retailers the documentation specified in clause (v) of Section 4.01(a), shall collect from Licensed Distributors the documentation specified in clause (xii) of Section 4.01(a), and shall retain all such documentation for a period of not less than three years.

(c) Nation, through its Nation Tax Commission at Nation's sole expense, shall prepare and remit to KDOR data regarding Sales of Cigarettes on Compact Lands in the form and format and on the dates reasonably requested by KDOR from time to time and approved by the Nation Tax Commission, such approval not to be unreasonably withheld. Such data shall be prepared based upon the documentation gathered by the Nation Tax Commission pursuant to Section 4.01(b). Such data shall be remitted at the same frequency as comparable data is required to be submitted to the State under applicable State law by State-licensed retailers or distributors of Cigarettes.

(d) Nation, through its Nation Tax Commission, shall implement and maintain processes that verify the number of items of indicia of payment of excise tax delivered to the Nation pursuant to Section 5.02, as documented by a contemporaneously created, written receipt received from the State, the number of such items of indicia applied to Cigarettes delivered to Licensed Retailers as documented by one or more contemporaneously created, written statements from each Licensed Distributor, the number of such items of indicia that may be damaged, torn, mutilated or otherwise unusable and returned to the State, documented by a contemporaneously created, written receipt received from the State, the number of such items of indicia on hand from time to time at the Nation Tax Commission and each Licensed Distributor documented on contemporaneously created, written inventory sheets. Notwithstanding any provision of this Compact to the contrary, all Packs of Cigarettes in the inventory of a Licensed Retailer on the Effective Date which bear either a Nation excise tax stamp or a State excise tax stamp shall be deemed to bear indicia of excise tax payment as provided in Section 5.02 for all purposes of this Compact.

Section 4.02. State Obligations.

(a) Beginning with calendar year 2016 and each subsequent calendar year occurring in whole or in part during the term of this Compact, State will pay to Nation an amount equal to the product of (i) the total dollar amount disbursed to the State pursuant to the MSA and Secondary Settlement Agreement attributable to Sales of Cigarettes during such calendar year, multiplied by (ii) the quotient obtained by dividing (A) total PM brand Units Sold by Licensed Retailers on Compact Lands during such calendar year, by (B) total PM brand Units Sold in Kansas and on Qualified Tribal Lands, without duplication, during such calendar year. Each such payment shall be due within thirty days following State's receipt of any disbursement described in clause (i) above. Concurrently with making such payment to the Nation, the State shall provide Nation with appropriate documentation supporting computation of such payment.

(b) If the KSAG takes the position that an Approved Manufacturer of any brand of Cigarette Sold by Licensed Retailers on Compact Lands is not in compliance with any mandatory requirement of the Escrow Statutes or of the Fire Safety Statutes, the KSAG will notify the Nation and such Approved Manufacturer. If the matter is not resolved within 30 days of such notice, the Nation Tax Commission will prohibit the Sale of that brand family by Licensed Retailers on Compact Lands until the matter is resolved.

(c) The KSAG shall not remove any Approved Manufacturer of any brand of Cigarette Sold by Licensed Retailers on Compact Lands from its directory of compliant Tobacco Product Manufacturers pursuant to K.S.A. §50-6a04(b)(8) prior to giving notice to Nation of, and negotiations regarding, such proposed removal in accordance with Section 7.01(b). For the avoidance of doubt, the foregoing shall not require initiation or completion of arbitration proceedings prior to removal.

ARTICLE V TAX PROVISIONS

Section 5.01. Exercise of Tax Jurisdiction.

(a) The Nation shall have the sole right to impose, collect, and retain Sales taxes and excise taxes on transactions conducted by Licensed Retailers and Licensed Distributors involving Cigarettes and other Tobacco Products ultimately Sold to Consumers by Licensed Retailers on Compact Lands. Further, the Nation shall have the sole obligation hereunder to impose Sales taxes and excise taxes on such transactions to the extent described herein. With respect to such Cigarettes or other Tobacco Products, the State shall not impose any Sales tax, excise tax, privilege tax, use tax, other tax, licensing fee, user fee or other fee at any point in the stream of commerce:

- (i) where the legal incidence of any such tax or fee falls on any such Consumer; or
- (ii) which, if passed through in whole or in part to any such Licensed Retailer or Licensed Distributor, would have the effect of increasing such Licensed Retailer's or Licensed Distributor's cost of goods Sold;

provided, however, for the avoidance of doubt, such restrictions shall not apply to escrow payments, directory fees, or any bond required under the Escrow Statutes with respect to such Cigarettes. The State shall take no affirmative action to enable or authorize any other individual or entity to take any action which, if taken directly by the

State, would violate this Section 5.01(a).

(b) Notwithstanding any provision of Section 5.01(c) to the contrary, the Nation shall levy upon the consensual Sale of Cigarettes by a Licensed Retailer to a Consumer on Compact Lands a tax computed as a percentage of the actual Sales price thereof exclusive of any rebates. For purposes of the preceding sentence, such Sales tax shall be levied at a rate no lower than the lowest of (i) five percent (5%), or (ii) the Kansas Sales tax rate in effect at the time of such Sale less 1.5%; *provided, however,* that the fixed amount computed pursuant to this Section 5.01(b) shall not be less than \$0.00. Nothing in this Compact shall prohibit the Nation, in its sole discretion, from levying Sales tax on such Sales at a rate higher than that required in the preceding sentence.

(c) Subject to Section 5.01(d), the Nation shall levy upon the consensual Sale of Cigarettes on Compact Lands an excise tax computed from time to time as a fixed amount per Carton of Cigarettes or fractional part thereof. For purposes of the preceding sentence, such fixed amount per Carton of Cigarettes shall be no lower than the lowest of (i) the lowest excise tax rate per Carton of Cigarettes levied or imposed at the time of computation pursuant to the laws of any of the states immediately bordering the State; (ii) the excise tax rate per Carton of Cigarettes levied or imposed at the time of computation pursuant to the laws of the State less \$11.20 per Carton of Cigarettes; or (iii) the lowest aggregate excise tax rate per Carton of Cigarettes levied or imposed at the time of computation by any Indian Tribe which is party to a Cigarette/Tobacco Product compact with the State; *provided, however,* that the fixed amount computed pursuant to this Section 5.01(c) shall not be less than \$0.01 per Carton. Nothing in this Compact shall prohibit the Nation, at its sole discretion, from levying excise tax on such Cigarettes in an amount higher than that required in the preceding sentence. Such excise tax shall be paid only once and shall be imposed on and paid by the Licensed Distributor which Sells Cigarettes to a Licensed Retailer for Sale to Consumers on Compact Lands. For the avoidance of doubt, the Nation shall not be required to levy such excise tax on any Sale of Cigarettes where the Licensed Distributor intends to Sell such Cigarettes outside Compact Lands.

(d) Notwithstanding any other provision of this Compact to the contrary, the Nation shall levy upon the consensual Sale of roll-your-own tobacco on Compact Lands an excise tax of not less than 1% of the wholesale Sale price of such roll-your-own tobacco. Such excise tax shall be paid only once and shall be imposed on and paid by the Licensed Distributor at the time that the Licensed Distributor (a) brings or causes to be brought onto Compact Lands such roll-your-own tobacco for Sale on Compact Lands, (b) makes, manufactures, or fabricates such roll-your-own tobacco on Compact Lands for Sale on Compact Lands, or (c) ships or transports such roll-your-own tobacco to any Licensed Retailer on Compact Lands to be Sold by such Licensed Retailer on Compact Lands. For the avoidance of doubt, the Nation shall not be required to levy such excise tax on any sale of roll-your-own tobacco where the Licensed Distributor intends to Sell such roll-your-own tobacco outside Compact Lands.

Section 5.02. Indicia of Tax; Distribution and Transport.

(a) The Nation Tax Commission and KDOR shall jointly design and designate indicia of payment of the excise tax levied pursuant to Section 5.01(c). Such indicia shall

include at a minimum the acronym “PBPN,” the word “Kansas,” and an inventory control number, code or other technology in a form and color mutually agreeable to the Nation Tax Commission and KDOR. Kansas shall produce, or cause to be produced, and deliver to the Nation Tax Commission all such indicia as may be required for Nation to comply with its obligations hereunder, including but not limited to Nation’s obligations pursuant to Section 4.01(a)(vi). In order to compensate State for production and delivery of such indicia, Nation shall pay to the State the fixed amount of One Hundred Fifty Thousand Dollars (\$150,000.00) on February 1, 2018 and each subsequent February 1 during the term of this Compact; *provided, however*, that Nation shall have no obligation to make such any such payment if Licensed Retailers, on an aggregate basis, do not Sell more than 175,000 Cartons of Cigarettes on Compact Lands during the immediately preceding calendar year. The Nation and the State expressly agree and acknowledge that such payments (1) constitute payments for goods and services provided by State to Nation, (2) do not represent the levy or payment of any tax imposed by the State on the Nation, any Nation Affiliate, any Licensed Distributor, any Licensed Retailer, or any Consumer, and (3) do not represent sharing of Nation tax revenues or business profits with the State. Such payments and State’s production and delivery of such indicia shall not be subject to any sales, excise or other tax imposed by either State or Nation.

(b) For purposes of this Compact, the Parties agree that the following shall constitute contraband:

(i) All Packs of Cigarettes, in quantities of 20 Cigarettes per Pack or more, not bearing indicia of payment of excise tax as required in this Compact and all devices for vending Cigarettes in which unstamped Packs are found;

(ii) all Cigarettes or Tobacco Products in the possession of a minor;

(iii) all property, other than vehicles, used in the retail Sale of Packs of Cigarettes described in clause (i);

(iv) any Cigarettes Sold, offered for Sale, or possessed for Sale on Compact Lands where such Cigarettes are not a brand of an Approved Manufacturer; and

(v) any Cigarettes to which tax indicia has been affixed, was caused to be affixed, or the tax paid thereon as required by Section 5.01(c) or (d) of this Compact, where such Cigarettes are not a brand of an Approved Manufacturer.

(c) Notwithstanding any provision of this Compact to the contrary, any Pack of Cigarettes Sold by a Licensed Retailer, in the possession of a Licensed Retailer, or in transit to a Licensed Retailer with proper bills of lading from a Licensed Distributor in each case bearing the indicia of payment of excise tax described in Section 5.02(a) shall be deemed to be bearing indicia of payment of State excise tax for all purposes of State law and, in any event, shall be deemed not to be a common nuisance or contraband pursuant to State law and not subject to seizure, forfeiture, confiscation or destruction pursuant to State law or process on grounds of non-payment of any State tax.

(d) Notwithstanding any provision of this Compact to the contrary, any Cigarette in the possession of a Licensed Distributor with premises on Compact Lands or which are in

transit, with proper bills of lading showing shipment from the relevant Tobacco Product Manufacturer or its importer to a Licensed Distributor with premises on Compact Lands, but in either case not bearing indicia of payment of excise tax pursuant to Section 5.02(a), or for which tax has not been paid pursuant to Section 5.01(d), shall be deemed not to be a common nuisance or contraband pursuant to State law and not subject to seizure, forfeiture, confiscation or destruction pursuant to State law or process, in each case on grounds of non-payment of State excise tax, if the related Tobacco Product Manufacturer is an Approved Manufacturer.

(e) Any Tobacco Product, other than Cigarettes, which is in the possession of a Licensed Distributor with premises on Compact Lands or is in transit, with proper bills of lading showing shipment from the relevant manufacturer or its importer to a Licensed Distributor with premises on Compact Lands, but in either case not bearing indicia of payment of excise tax pursuant to Section 5.02(a), or for which tax has not been paid pursuant to Section 5.01(d), shall be deemed not to be a common nuisance or contraband pursuant to State law and not subject to seizure, forfeiture, confiscation or destruction pursuant to State law or process, in each case on grounds of non-payment of any State tax.

(f) Any Tobacco Product, other than Cigarettes described in Section 5.02(e), in the possession of a Consumer which a Consumer can demonstrate was purchased from a Licensed Retailer, shall be deemed not to be a common nuisance or contraband pursuant to State law and not subject to seizure, forfeiture, confiscation or destruction pursuant to State law or process on grounds of non-payment of any State tax.

(g) In the event KSAG or KDOR has actual knowledge that any Pack of Cigarettes described in Section 5.02(c) or (d) or any Tobacco Product described in Section 5.02(e) is seized or confiscated under color of State law or process as in effect from time to time, then KSAG or KDOR, as applicable, shall transmit written notice of such seizure or confiscation to the Nation within two Business Days of first acquiring such actual knowledge.

(h) Notwithstanding any provision of this Compact to the contrary, the possession, gift, or use on Qualified Nation Lands of noncommercial privately produced tobacco for religious or ceremonial use shall be exempt from taxation by State and may be exempt from taxation by Nation. Such tobacco shall be deemed not to be a common nuisance or contraband pursuant to State law and not subject to seizure, forfeiture, confiscation or destruction as a common nuisance or contraband pursuant to State law or process, in each case on grounds of non-payment of any State tax. For purposes of this Section 5.02(h), "tobacco" shall mean any plant, including parts or products thereof, within the genus *Nicotiana* and which does not constitute a "controlled substance" within the meaning of 21 U.S.C. § 802(6).

(i) For purposes of this Section 5.02 only, references to "State law" mean K.S.A. § 79-3323 and the Escrow Statutes as each may be amended from time to time.

ARTICLE VI AUDITS AND INSPECTIONS

Section 6.01. Purpose. The purpose of this Article VI is to provide a process for regular verification of the requirements of this Compact. The verification process is intended to reconcile data from all sources that make up the stamping, Selling, and taxing activities under this Compact.

Section 6.02. Nation to Contract with Third Party Auditor. The Nation and the State agree that, for purposes of verifying compliance with this Compact, the Nation will contract with and retain an independent third party auditor (the “**Auditor**”). The Nation and the State shall each bear fifty percent (50%) of the costs of the auditing services. The Nation and the State shall be entitled to freely communicate with the Auditor; *provided, however*, that all information provided to the State by Auditor shall be provided directly to KDOR. The Nation shall select the Auditor, subject to the approval of the KSAG; *provided, further*, that such approval shall not be unreasonably withheld; *provided, further*, that the Nation’s selection of any Auditor possessing a valid Kansas Permit to Practice issued by the Kansas Board of Accountancy shall be deemed approved by the KSAG. The Auditor will review records on an annual calendar year basis to issue an annual report and certification as provided in this Article VI.

Section 6.03. Audit Protocol. To verify compliance with this Compact, the Auditor must adhere to the following protocol:

(a) **Period Under Review.** The Auditor must review records for the calendar year under audit and may review records for earlier years that are after the Effective Date but only as necessary for an internal reconciliation of the relevant books. Subject to the foregoing, records relating to any period before the Effective Date are not open to review. In situations where the Auditor is responsible for verifying records on less than an annual basis, the period under review shall not include years previously reviewed by the Auditor, except when a violation is alleged to have occurred during the period previously reviewed.

(b) **Records to be Examined.** The Auditor must review Nation Tax Commission books and records for records and invoices of stamp purchases, records and invoice of Sales of stamped Cigarettes, stamp inventory, the stamping process, products Sold, product inventory records, and such additional records as are necessary to verify (1) the Units Sold, (2) the retail Selling price, including application of Nation Sales and excise taxes, and (3) procedures demonstrating Nation’s compliance with Sections 4.01 and 5.01 of this Compact, all with respect to Sales of Cigarettes by Licensed Retailers on Compact Lands. In all situations, the Auditor is not responsible for examining, and shall not examine, records that do not relate to the stamping, Selling, or taxing activities of the Nation, any Nation Affiliate, or Nation’s licensees, unless a review of the records is necessary to an internal reconciliation of the books of the Nation, any such Nation Affiliate or any such licensee.

(c) **Audit Standard.** Each audit performed pursuant to this Article VI shall be performed in accordance with generally accepted auditing standards.

Section 6.04. Audit Report and Certification. After each annual audit, the Auditor shall issue to KDOR and the Nation an audit report and a certification, as further described below, with respect to compliance with this Compact. The annual audit report

shall set forth the total Units Sold attributable to each Tobacco Product Manufacturer by Licensed Retailers on Compact Lands during the relevant period. The annual audit report shall also include a certified statement of the Auditor to the KDOR that the Auditor finds the Nation to be in compliance with Sections 4.01 and 5.01 of this Compact or else that the Nation is in compliance except for specifically listed items that are explained in the annual report.

Section 6.05. Audit Schedule. Audit reviews shall take place following each calendar year (or portion thereof) during the term of this Compact, with an audit report submitted no later than April 1 following such calendar year.

Section 6.06. Joint Audit Implementation and Review. The Nation and the State shall meet jointly with the Auditor prior to the beginning of each annual audit. The purpose of such meeting will be to discuss the objectives of the upcoming audit, the expectations of the Nation and of the State, the standards to be used in such audit, and any issues regarding conduct of the audit, records pertinent to the audit or the contents of the Auditor's report. Subsequent meetings before and during the audit may be held as required. As soon as practicable after the issuance of the Auditor's report and certification, the Nation and the State may meet jointly with the Auditor as often as required to review the audit report and discuss any issue of concern. In the event that either the Nation or the State disagrees with the Auditor's report or certification, or any audit finding contained therein, either Party may notify the other of the disagreement and follow the procedures for resolution of the disagreement in Article VII of this Compact.

Section 6.07. Inspections.

(a) The Parties agree that, subject to the requirements and limitations of this Section 6.07, agents or employees of the Nation Tax Commission and agents or employees of KSAG and/or KDOR will conduct joint inspections of Licensed Retailers and Licensed Distributors located on Compact Lands. In connection with any such joint inspection, the Nation Tax Commission shall permit such agents or employees of the Nation Tax Commission and agents or employees of KSAG and/or KDOR to review all documentation collected and maintained by the Nation Tax Commission pursuant to Section 4.01(b) and Section 4.01(d).

The agents or employees of the Nation Tax Commission and agents or employees of KSAG and/or KDOR shall agree to a random sampling methodology for each joint inspection based on generally recognized valid and reliable sampling techniques. The Parties further agree such joint inspections shall not involve complete audits or complete inventories but shall be limited to random sample inspections of stock, tax indicia, and documentation on hand at the premises of a Licensed Retailer or Licensed Distributor, as applicable, for the purposes of verifying that all Cigarettes offered or intended for Sale by any Licensed Retailer on Compact Lands (i) are solely brands of Approved Manufacturers, (ii) were acquired from a Licensed Distributor, and (iii) bear indicia of payment of excise tax to the extent required in Section 5.02. In any event, such joint inspections shall not be disruptive of the business operations of any Licensed Retailer or Licensed Distributor.

(b) The State reserves the right hereunder to initiate and participate in up to twelve joint inspections described in Section 6.07(a) per calendar year, with a limit of up to two (2) such joint inspections per calendar month; *provided, however*, that joint inspections of any one or more separate premises on the same Business Day shall only constitute one “joint inspection” for purposes of the preceding limitations; *provided, further*, that if the State and Nation inspection team notes any violations of this Compact by one or more Licensed Retailers or Licensed Distributors during any such joint inspection, the State may initiate, by giving notice in accordance with Section 6.07(c), one follow-up joint inspection with the Nation Tax Commission of all premises involved in such violations on a subsequent Business Day following the earlier of notice of completed cure or conclusion of any cure period pursuant to Section 7.01(a) related to such violations, with such follow-up joint inspection not counting against the monthly or annual limits set forth in this sentence.

(c) The Nation Tax Commission shall make its personnel available for joint inspections permitted hereunder on a Business Day between the hours of 9:00 a.m. and 4:30 p.m. upon prior email notice to the Nation Tax Commission transmitted by a representative of the State by 10:00 a.m. one Business Day prior to the requested inspection. State representatives and Nation Tax Commission representatives shall coordinate the details of the joint inspection by 3:00 p.m. on the day of such email notice. Any email notice provided to the Nation Tax Commission pursuant to the Section 6.07 shall be given at tobacco.compact@pbpnation.org, or such other email address as the Nation may specify to the State by written notice.

(d) Any Packs of Cigarettes found for Sale at a Licensed Retailer during a permitted joint inspection that are not brands of an Approved Manufacturer or that do not bear indicia of payment of excise tax as required in Section 5.02 shall be removed by the Nation Tax Commission until the matter is resolved.

(e) This Section 6.07 does not limit the Nation from unilateral enforcement of its laws and regulations and does not authorize the State to unilaterally conduct inspections of Licensed Retailers or Licensed Distributors on Compact Lands; *provided, however*, that the State may conduct test purchases from Licensed Retailers located on Compact Lands and may conduct unobtrusive observation of those portions of Licensed Retailer and Licensed Distributor premises located on Compact Lands which are open to the general public.

ARTICLE VII DISPUTE RESOLUTION

Section 7.01. General.

(a) In the event Nation is in default of its obligations pursuant to Section 4.01, Article V or Article VI of this Compact, Nation shall cure such default within thirty days following receipt of written notice of such default from the State. Nation Tax Commission shall promptly provide written notice of completion of such cure to State. In the event Nation does not cure such default, the State may initiate dispute resolution procedures in accordance with the remainder of Article VII of this Compact.

(b) For purposes of this Article VII, each of the State and the Nation may be referred

to as a “**Dispute Party.**” Each Dispute Party warrants that it will use its best efforts to negotiate an amicable resolution of any and all disagreements, controversies or claims between any or all Nation Claim Parties and the State (each, a “**Dispute**”) arising out of or in connection with this Compact (including without limitation claims relating to the validity, construction, performance, breach and/or termination of this Compact). Negotiation pursuant to this Section 7.01(b) shall be commenced by one Dispute Party providing written notice to the other Dispute Party of the existence of a Dispute. The written notice shall provide a concise summary of the nature of the Dispute. Promptly following delivery of any such written notice, and in no event later than thirty (30) days following such delivery, the Governor of the State of Kansas and the Nation’s Chairperson, or their respective designees, shall commence good faith negotiations to resolve such Dispute(s). If the Dispute Parties are unable to negotiate an amicable resolution of any such Dispute within thirty (30) days following such commencement of good faith negotiations or such longer time period as the Dispute Parties may mutually agree in writing, either Dispute Party may submit the matter to arbitration for final resolution. Notwithstanding the foregoing or any other provision of this Compact to the contrary, either Dispute Party may immediately commence arbitration proceedings for the purpose of seeking emergency relief pursuant to the Rules addressing “Emergency Measures of Protection.”

Section 7.02. Arbitration.

(a) *Initiation; Selection of Panel.* Subject to the requirements of Section 7.01, arbitration may be initiated by either Dispute Party by serving written notice to the other Dispute Party and by complying with the requirements of the Rules. Within seven days following initiation of the arbitration proceedings, each Dispute Party shall notify the other Dispute Party and the AAA of its disinterested and independent nominee for an arbitrator. If the Dispute Parties agree upon the nomination of a single arbitrator for the Dispute within ten days following initiation of arbitration, such nominee shall serve as sole arbitrator of the Dispute. If the Dispute Parties do not agree to a single arbitrator, the arbitration panel shall consist of three disinterested and independent arbitrators. In that event, the two arbitrators nominated by the Dispute Parties shall nominate the third disinterested and independent arbitrator to serve with them. In the event the two arbitrators fail for any reason to name the third arbitrator within seven days, the AAA shall name the third arbitrator. In any event, such third arbitrator shall serve as chairperson of the arbitration panel. Notwithstanding the foregoing, the Rules shall govern the selection and number of arbitrators for any Dispute governed by the Emergency Measures of Protection or Expedited Procedures provisions of the Rules, or both.

(b) *Rules; Federal Question; Choice of Law.* Except as the Dispute Parties may subsequently agree otherwise in writing, the arbitration shall be conducted and enforced in accordance with the Commercial Arbitration Rules and Mediation Procedures (the “**Rules**”) of the (“AAA”), as such Rules may be modified by this Compact, the Federal Arbitration Act, and to the extent not preempted by the Federal Arbitration Act, the Kansas Uniform Arbitration Act. The Parties agree and acknowledge that judicial resolution and enforcement of any Dispute or a settlement or arbitration decision issued hereunder with respect thereto, involves questions of federal law. The law governing any Dispute shall be limited to applicable federal law, the common law of the United

States, and Kansas law, in that order and without reference to internal conflicts of laws principles.

(c) *Proceedings.* Any arbitration shall be conducted at a place designated by the arbitration panel in Topeka, Kansas or any other location as the Dispute Parties may mutually agree in writing. Except for proceedings governed by the Rules on “Emergency Measures of Protection” or by the “Expedited Procedures” contemplated by the Rules, if applicable, the arbitration panel shall commence proceedings within 30 days of appointment of the final arbitrator, and hold proceedings providing each Dispute Party a fair opportunity to present its side of the Dispute, together with any documents or other evidence relevant to resolution of the Dispute. The arbitration decision shall be final and binding upon the Parties unless, during or following completion of the arbitration proceedings, the Dispute Parties have met and arrived at a different settlement of the Dispute. The arbitrators shall have the power to grant equitable or injunctive relief and specific performance of this Compact. The arbitrators shall not have the power to award monetary relief, including damages, penalties, or costs and expenses, including attorneys’ fees, to the extent not otherwise expressly permitted by the terms of this Compact. The Parties and the arbitrators shall maintain strict confidentiality with respect to the arbitration.

(d) *Expenses.* The reasonable expenses of Dispute resolution shall be paid equally by the Dispute Parties, who shall also pay their own expenses; *provided, however,* that any Dispute Party who (1) fails or refuses to submit to arbitration following a proper demand by any other Dispute Party, or (2) fails or refuses to voluntarily comply with the terms of any settlement or arbitration decision issued hereunder, shall bear all costs and expenses, including reasonable attorneys’ fees, incurred by such other Dispute Party in compelling arbitration of any Dispute or enforcing any settlement or arbitration decision.

(e) *Enforcement.* If enforcement of a settlement or arbitration decision becomes necessary by reason of failure of one or more Parties to implement its terms voluntarily, or if one of the Dispute Parties refuses to participate in arbitration as provided in this Section 7.02 and the other Dispute Party seeks enforcement of any provision of this Compact, the Parties agree that, subject to the limited waivers of sovereign immunity contained herein, the matter may be resolved by judicial resolution and enforcement and that venue for judicial resolution and enforcement shall be in the United States District Court for Kansas pursuant to the specific provisions of this Compact, in any other court of competent jurisdiction, and in any other court having appellate jurisdiction over any such court. In any such proceeding, service on any Dispute Party shall be effective if made by certified mail, return receipt requested to the address set forth in or otherwise designated pursuant to Section 8.06.

Section 7.03. Limited Waivers by Nation. The Nation hereby waives its sovereign immunity, its right to require exhaustion of tribal remedies, and its right to seek tribal remedies with respect to any Dispute, effective only if the Nation fails to implement the terms of a settlement or arbitration decision voluntarily or refuses to participate in arbitration, and subject to the following specific limitations:

(1) *Limitation of Claims.* The limited waiver granted pursuant to this Section 7.03 shall

encompass (A) claims which seek monetary relief for direct damages attributable to Nation's breach of this Compact and for costs and expenses, including reasonable attorneys' fees, to the limited extent provided in Section 7.02(d), (B) claims for equitable remedies, and (C) actions to compel Dispute resolution by arbitration or for enforcement of a settlement or arbitration decision as provided in this Article VII. Notwithstanding the foregoing or any other provision of this Compact to the contrary, such limited waiver shall in no event extend to or encompass claims which seek indirect, incidental, special, consequential, punitive, exemplary or reliance damages (including, without limitation, lost or anticipated revenues, lost business opportunities or lost Sales or profits, whether or not any Party has been advised of the likelihood of such damages) against Nation or any Nation Affiliate, and neither Nation nor any Nation Affiliate shall be liable for any such damages.

(2) *Time Period.* The limited waiver granted pursuant to this Section 7.03 shall commence upon the Effective Date of this Compact and shall continue until the date of its termination or cancellation pursuant to the terms of this Compact, except that the limited waiver shall remain effective for any proceedings then pending or initiated within 180 days following termination of this Compact for breach, and all permitted appeals therefrom.

(3) *Recipient of Waiver.* The limited waiver granted pursuant to this Section 7.03 is granted to and for the sole benefit of the State, and may not be assigned or granted to any other individual or entity.

(4) *No Revocation.* The Nation agrees not to revoke its limited waiver of sovereign immunity contained in this Section 7.03. In the event of any such revocation, the State may, at its option, declare this Compact terminated for breach by the Nation.

(5) *Limitation Upon Damages.* Any monetary award or awards against the Nation shall be limited, in the aggregate, to an amount equal to total tax revenues and gross profits actually received by the Nation or Nation Affiliates attributable to the Sale of Cigarettes during the term of this Compact.

(6) *Credit of the Nation and Nation Affiliates.* Except as otherwise expressly provided in this Section 7.03, the limited waiver granted pursuant to this Section 7.03 shall not implicate or in any way involve the credit of the Nation or any Nation Affiliate.

Section 7.04. Limited Waiver by State. The State hereby waives its sovereign immunity, effective only if the State fails to implement the terms of a settlement or arbitration decision voluntarily or refuses to participate in arbitration pursuant to this Compact, subject to the following specific limitations:

(1) *Limitation of Claims.* The limited waiver granted pursuant to this Section 7.04 shall encompass (A) claims which seek monetary relief for direct damages attributable to State's breach of this Compact and for costs and expenses, including reasonable attorneys' fees, to the limited extent provided in Section 7.02(d), (B) claims for equitable remedies, and (C) actions to compel Dispute resolution by arbitration or for enforcement of a settlement or arbitration decision as provided in this Article VII. Notwithstanding the foregoing or any other provision of this Compact to the contrary, such limited waiver shall in no event extend to or encompass claims which seek indirect, incidental, special, consequential, punitive, exemplary or reliance damages

(including, without limitation, lost or anticipated revenues, lost business opportunities or lost Sales or profits, whether or not any Party has been advised of the likelihood of such damages) against the State, and the State shall not be liable for any such damages.

(2) *Time Period.* The limited waiver granted pursuant to this Section 7.04 shall commence upon the Effective Date of this Compact and shall continue until the later of the date of its termination or cancellation pursuant to the terms of this Compact or the date on which the State has no surviving obligations pursuant to Section 8.02 and no surviving payment obligations pursuant to Section 4.02(a), except that the limited waiver shall remain effective for any proceedings pending on such date or initiated within 180 days following termination of this Compact for breach, and all permitted appeals therefrom.

(3) *Recipient of Waiver.* The limited waiver granted pursuant to this Section 7.04 is granted to and for the sole benefit of the Nation (for itself and the other Nation Claim Parties), and may not be assigned or granted to any other individual or entity.

(4) *No Revocation.* The State agrees not to revoke its limited waiver of sovereign immunity contained in this Section 7.04. In the event of any such revocation, the Nation may, at its option, declare this Compact terminated for breach by the State.

(5) *Limitation Upon Damages.* Any monetary award or awards against the State shall be limited, in the aggregate, to an amount equal to total tax revenues and gross profits actually received by the Nation or Nation Affiliates attributable to the Sale of Cigarettes during the term of this Compact.

ARTICLE VIII MISCELLANEOUS

Section 8.01. Other Compacts.

(a) During the Term of this Compact, State may enter into and be party to one or more compacts or other agreements regarding possession, transport, distribution, or Sale of Cigarettes or other Tobacco Products, including but not limited to taxation and escrow collection, with the Iowa Tribe of Kansas and Nebraska, the Kickapoo Tribe in Kansas, or the Sac and Fox Nation of Missouri in Kansas and Nebraska.

(b) State shall not enter into or be party to any such compact or agreement with any Indian Tribe during the Term of this Compact, except as otherwise provided in Section 8.01(a).

All information provided hereunder to the State shall be provided directly to KDOR and shall be treated as confidential pursuant to K.S.A. 2015 Supp. Sections 50-6a11(e), 50-6a11(f), and 75-5133; *provided, however*, that the State is permitted to provide or share such information pursuant to K.S.A. 2015 Supp. Sections 50-6a11(a) or 75-5133(b)(19).

Section 8.03. No Concessions. By entering into this Compact, the Parties acknowledge and agree that, except as expressly provided herein, the Nation does not concede that: (a) the laws of the State, including any taxation or civil regulatory laws, apply to the Nation, its members or any Nation Affiliate regarding activities and

conduct on Qualified Nation Lands or otherwise within the Nation's jurisdiction; or (b) the Qualified Nation Lands are located in or within the State or are otherwise part of the State. By entering into this Compact, the Parties acknowledge and agree that, except as expressly provided herein, the State does not concede that its interests, jurisdiction or sovereignty, as authorized, permitted or recognized by federal law, is diminished, limited or preempted in any manner.

Section 8.04. Most-Favored Nation. The State agrees that Nation may propose an amendment to this Compact by written notice to the State based upon any provision of a compact permitted by Section 8.01 which Nation desires to include as a provision in this Compact. If the State Legislature does not approved such proposed amendment at the legislative session next following the Nation's request for such amendment, Nation may terminate this Compact at any time thereafter by providing thirty days' written notice to State.

Section 8.05. Construction.

(a) Each Party has received independent legal advice from its attorney(s) of choice and neither Party shall be deemed the author or drafter of this Compact. Therefore, any rule or canon of construction (whether pertaining to contracts, statutes, treaties or otherwise) that, in the case of an ambiguity, such ambiguity is construed against the author or drafter is not applicable. The language of all parts of this Compact shall in all cases be construed as a whole, according to its fair meaning, and not strictly for or against any of the Parties. It is the intent of the Parties that this Compact shall be construed to reflect that the Parties are of equal stature and dignity and have dealt with each other at arm's-length. Accordingly, any statutory or judicial rules or canon concerning the construction of vague or ambiguous terms (whether pertaining to contracts, statutes, treaties or otherwise) that might otherwise be used in the interpretation or enforcement of this Compact, including construction of ambiguities either in favor of or against a state or Indian Tribe, is not applicable to this Compact and shall not obtain to the benefit or detriment of any Party, nor shall the terms and conditions of this Compact be extended by implication to the benefit or detriment of any Party, it being the intent of the Parties that the construction of this Compact shall be controlled by its express terms and not by implication.

(b) The Article, Section and other headings contained in this Compact are for reference purposes only and shall not affect the meaning or interpretation of this Compact.

This Compact shall not alter, limit, diminish or preempt Nation, federal or State sovereignty, authority, civil adjudicatory jurisdiction or criminal jurisdiction, except as expressly provided herein. Subject to Section 2.03 and the provisions of this Compact regarding Approved Manufacturers, nothing in this Compact shall require that the Nation, any Nation Affiliate, or any Licensed Retailer or Licensed Distributor obtain or maintain any license from, or otherwise submit to the jurisdiction of, the State. Section 8.10. Survival. Upon the termination or cancellation of this Compact, the obligations of the parties hereunder shall terminate, except that the provisions of Sections 7.01, 7.02, 7.03, 7.04, and 8.02 shall survive such termination or cancellation and the State's payment obligations pursuant to Section 4.02(a) shall survive such termination or cancellation only until satisfaction of such obligations.

Section 8.11. Severability. The terms, provisions, agreements, covenants and restrictions of this Compact are non-severable and, unless otherwise agreed to by the Parties, this Compact shall terminate if any term, provision, agreement, covenant or restriction in this Compact is held by a court of competent jurisdiction or other authority to be invalid, void, or otherwise unenforceable. In the event either Party has actual knowledge that the validity or enforceability of this Compact or any of its terms, provisions, agreements, covenants or restrictions are being challenged in a court of competent jurisdiction or other authority, such Party shall transmit written notice thereof to the other Party within three Business Days of acquiring such actual knowledge. The Parties agree to reasonably cooperate with each other and oppose any such challenge.

IN WITNESS WHEREOF, the Parties hereto have executed this Compact as of the respective dates indicated below.

**COMPACT RELATING TO CIGARETTE AND
TOBACCO SALES AND TAXATION**

**ARTICLE I
PURPOSE AND INTENT**

WHEREAS, it is in the best interests of the State of Kansas (hereinafter, Kansas) to continue to reduce the financial burdens imposed on Kansas by cigarette smoking and that said costs continue to be borne by tobacco product manufacturers rather than by Kansas to the extent that such manufacturers either determine to enter into a settlement with Kansas or are found culpable by the courts; and,

WHEREAS, On November 23, 1998, leading United States tobacco product manufacturers (hereinafter, PMs) entered into a settlement agreement, entitled the "master settlement agreement," (hereinafter, MSA) with Kansas. The MSA obligates these PMs, in return for a release of past, present and certain future claims against them as described therein, to pay substantial sums to Kansas (tied in part to their volume of sales); to fund a national foundation devoted to the interests of public health; and to make substantial changes in their advertising and marketing practices and corporate culture, with the intention of reducing underage smoking; and,

WHEREAS, it would be contrary to the policy of Kansas if tobacco product manufacturers who determine not to enter into such a settlement could use a resulting cost advantage to derive large, short-term profits in the years before liability may arise without ensuring that Kansas will have an eventual source of recovery from them if they are proven to have acted culpably; and,

WHEREAS, Kansas entered into a settlement agreement with certain PMs settling Kansas' obligations under the MSA and the 2003 NPM adjustment settlement agreement, including the 2012 term sheet agreement; and,

WHEREAS, as part of said settlement, Kansas has agreed to undertake certain diligent enforcement efforts of its cigarette and tobacco laws and more specifically, its MSA laws on qualified tribal land in Kansas ("*Qualified tribal land*" means: (1) *All land within the borders of this state that is within the limits of any Indian reservation under the jurisdiction of the United States, notwithstanding the issuance of any patent, including rights-of-way running through the reservation;* (2) *all dependent Indian communities within the borders of this state; and* (3) *all Indian allotments in within the borders of this state, the Indian titles to which have not been extinguished, including rights-of-way running through such allotments; and* (4) *any lands within the borders of this state, the title to which is either held in trust by the United States for the benefit of any Indian tribe or individual, or held by any Indian tribe or individual subject to restriction by the United States against alienation, and over which an Indian tribe exercises governmental power*); and,

WHEREAS, Kansas recognizes the importance to Kansas of forming an alliance with the Iowa Tribe of Kansas and Nebraska (hereinafter, Tribe) to assist Kansas in its diligent enforcement efforts; and,

WHEREAS, Kansas further recognizes that the Tribe will incur certain economic costs in assisting Kansas in its diligent enforcement efforts for which the Tribe should not be required to endure; and,

WHEREAS, it is altogether just and proper that Kansas compensate the Tribe for its assistance to Kansas in Kansas' diligent enforcement obligation under the MSA and the 2003 NPM adjustment settlement agreement, including the 2012 term sheet agreement; and,

WHEREAS, the Tribe is a federally recognized Indian Tribe with its reservation located within the geographical boundaries of the State of Kansas, possessing inherent powers of self-government, exercising sovereign powers over its members and their property within the boundaries of the Tribe's reservation, as defined and recognized by treaty and federal laws and federal court decisions, and recognized by state laws and state court decisions, and that it has responsibilities and needs similar to those of state governments; and,

WHEREAS, the State of Kansas is an independent sovereign state within the United States of America possessed of full powers of state government, possessing inherent powers of self-government, exercising sovereign powers over its citizens and their property within the boundaries of the state, as defined and recognized by federal laws and federal court decisions, and recognized by state laws and state court decisions, and that it has responsibilities and needs similar to those of the national government; and,

WHEREAS, Kansas and the Tribe respect the sovereignty of the other, and recognize and support each other's governmental responsibilities to provide for and govern its citizens, members and territory; Kansas recognizes the Tribe's inherent sovereign right to existence, self-government and self-determination; the Tribe recognizes the Kansas's inherent sovereign right to existence, self-government and self-determination; and,

WHEREAS, federal and state law recognizes Kansas' authority to collect state taxes on cigarettes and tobacco products sold to non-tribal members on the Tribe's reservation, whether sold by the Tribe, or businesses owned or controlled by the Tribe, or not; and,

WHEREAS, federal law recognizes the Tribe's authority to sell cigarettes and tobacco products to its tribal members on the Tribe's reservation free from Kansas taxation.

ARTICLE II TERMS AND CONDITIONS

NOW, THEREFORE, the Tribe, by and through its duly elected Executive Committee and Kansas, by and through its duly elected Governor and Legislature do hereby enter into this Compact, the terms of such Compact to commence upon approval by the Executive Committee of the Iowa Tribe of Kansas and Nebraska (the "Executive Committee"), and enactment by the Kansas Legislature and publication in the Kansas Register, to-wit:

1. Kansas and the Tribe agree that as used herein the Tribe's reservation shall mean only the land that comprises that portion of the Tribe's reservation as established by the treaty between the United States and the Tribe dated the seventeenth day of May, 1854, that: (a) is within the boundaries of the State of Kansas; and, (b) is unaffected by the treaty between the United States and the Sauk and Foxes dated the sixth day of March, 1861, to the extent such treaty reduced the land set aside for the Tribe pursuant to the prior treaty dated the seventeenth day of May, 1854, and specifically excludes any portion of the Tribe's reservation that is not within the boundaries of the State of

Kansas. For the purposes of this Compact, the Tribe's reservation shall also not include any lands that are inside the boundaries of the State of Kansas, but are outside the boundaries of the Tribe's reservation established by the 1854 Treaty that have been, or may at any time be taken into trust by the United States.

2. Unless otherwise expressly stated, Kansas and the Tribe agree that K.S.A. 2015 Supp. §50-6a01, and amendments thereto, and K.S.A. 2015 Supp. §79-3301, and amendments thereto apply to the provisions of this Compact. For the purposes of this Compact, only, and for no other purpose whatsoever, Kansas and the Tribe agree that the Tribe's Treaties with the United States do not exempt, exclude or reserve the Tribe's land from the boundaries of Kansas. For the purposes of this Compact, only, and for no other purpose whatsoever, the Tribe's Reservation is within the State of Kansas.

3. Tribe agrees to not purchase any cigarettes or tobacco products from any distributor, manufacturer, importer or wholesale dealer not licensed by Kansas for sale by the Tribe in Kansas, nor offer for sale in Kansas, possess for sale or import into Kansas for sale, cigarettes of a cigarette product manufacturer brand family not included in the directory maintained by the Kansas Attorney General. The Kansas Attorney General shall give the Tribe written notice to discontinue sale of any cigarettes or tobacco products being sold by the Tribe that are not included in the directory. The Tribe shall have ninety (90) days from and after receipt of the written notice within which to sell or otherwise dispose of the Tribe's existing inventory of the product(s) subject of such notice. The Tribe shall not order new or replacement inventory of the product(s) subject of the notice within such ninety (90) day period.

Nothing in this section shall prohibit the Tribe from licensing and regulating any distributor, manufacturer, importer or wholesale dealer doing business with the Tribe on its reservation, but the Tribe recognizes that its exercise of regulatory authority over a distributor, manufacturer, importer or wholesale dealer does not preempt Kansas from also exercising its regulatory authority over the same distributor, manufacturer, importer or wholesale dealer, including, where applicable, the power to tax.

Except for "Sacred Tobacco," which shall not be subject to the terms of this Compact, Tribe agrees that if it manufactures, or authorizes the manufacture of cigarettes or tobacco products on its reservation for sale in Kansas such products shall be subject to the terms of this Compact. For purposes of this Compact, Sacred Tobacco shall mean *nicotiana quadrivalvis* and *nicotiana rustica* neither of which is a controlled substance or otherwise regulated by Kansas or Federal Law.

4. Tribe will be responsible for regulating and enforcing Compact with respect to sales at retail of cigarettes and tobacco products in Tribe's retail outlets on the Tribe's reservation.

5. Tribe will require all sales of cigarettes and tobacco products on Tribe's reservation to be conducted pursuant to a valid retail license issued by the Tribe.

6. Tribe agrees to require all cigarettes and tobacco products provided for sale on the Tribe's reservation will only be acquired from manufacturers compliant with Kansas statute and on the Attorney General's approved list.

7. Kansas and the Tribe agree that each pack of cigarettes the Tribe sells in Kansas shall bear a joint Kansas-Tribal tax stamp that will be designed jointly by the Tribe and Kansas.

a. Said stamp shall bear the name "Iowa Tribe" and "Kansas" and a logo in a form and color mutually agreeable to both the Tribe and Kansas;

b. Kansas shall cause said stamps to be produced at its sole expense;

c. Kansas and the Tribe shall select a mutually agreeable in-state third party distributor, and the Tribe shall cause all cigarettes it purchases for sale in Kansas to be shipped to said third party distributor at its sole expense;

d. Kansas shall provide said joint Kansas-Tribal stamps to said third party distributor who shall be responsible for affixing said Kansas-Tribal stamps on all cigarettes to be sold by the Tribe in Kansas;

e. Said third party distributor shall ship all cigarettes bearing joint Kansas-Tribal stamps to the Tribe at the Tribe's sole expense; and,

f. The costs incurred by the Tribe associated with this paragraph shall be added to the economic costs of the Tribe in Paragraph Fifteen (15) below that Kansas agrees is part of the diligent enforcement expenses for which it must reimburse the Tribe.

8. Tribe agrees to collect and timely share with Kansas, subject to third party audit, data regarding retail sales by Tribe on Tribe's reservation. Data shall be collected and provided to the Kansas Department of Revenue, at the Tribe's sole expense, on a monthly basis in a manner that conforms to data provided to Kansas by all other entities that currently collect and file data with Kansas, and shall be filed electronically in a format as required by Kansas of all other reporting entities.

9. Tribe and Kansas shall select a third party auditor for purposes of verifying compliance with this Compact. For purposes of verifying compliance with this Compact, the parties agree to jointly retain said Auditor and shall each bear fifty percent (50%) of the costs of the auditing services. The Auditor must possess a valid Kansas Permit to Practice issued by the Kansas Board of Accountancy. The Tribe and State shall be entitled to freely communicate with the Auditor. The Auditor will review records on an annual calendar year basis and issue an annual report and certification as provided herein.

a. Audit Protocol. To verify compliance with this Compact, the Auditor must

adhere to the following protocol:

b. **Period Under Review.** The Auditor must review records for the calendar year under audit and may review records for earlier years that are after the Effective Date but only as necessary for an internal reconciliation of the relevant books. Subject to the foregoing, records relating to any period before the Effective Date are not open to review. In situations where the Auditor is responsible for verifying records on less than an annual basis, the period under review shall not include years previously reviewed by the Auditor, except when a violation is alleged to have occurred during the period previously reviewed.

c. **Records to be Examined.** The Auditor must review records and invoices of stamp purchases, records and invoice of sales of stamped cigarettes, stamp inventory, the stamping process, products sold, product inventory records, and such additional records as are necessary to verify (1) the Units Sold (2) the retail selling price, including application of Tribal sales and excise taxes, and (3) procedures demonstrating the Tribe's compliance with this Compact, all with respect to sales of Cigarettes by the Tribe. In all situations, the Auditor is not responsible for examining, and shall not examine, records that do not relate to the stamping, selling, or taxing activities of the Tribe.

d. **Audit Report and Certification.** After each annual audit, the Auditor shall issue an audit report and a certification, as further described below, with respect to compliance with this Compact. The annual audit report shall set forth the total Units Sold attributable to each manufacturer by the Tribe during the relevant period. The annual audit report shall also include a certified statement of the Auditor to the Kansas Attorney General that the Auditor finds the Tribe to be in compliance with this Compact or else that the Tribe is in compliance except for specifically listed items that are explained in the annual report.

e. **Audit Schedule.** Audit reviews shall take place following each calendar year (or portion thereof) during the term of this Compact, with an audit report submitted no later than April 1 following such calendar year.

f. **Joint Audit Implementation and Review.** The Tribe and the State shall meet jointly with the Auditor prior to the beginning of each annual audit. The purpose of such meeting will be to discuss the objectives of the upcoming audit, the expectations of the Tribe and of the State, the standards to be used in such audit, and any issues regarding conduct of the audit, records pertinent to the audit or the contents of the Auditor's report. The Tribe and State agree that the report will audit the processes, controls and the supporting documentation of the Tribe's purchases and sales of cigarettes and tobacco products using both Generally Accepted Auditing Standards and Generally Accepted Accounting Principles. Subsequent meetings before and during the audit may be held as required. As soon as practicable after the issuance of the Auditor's report and certification, the Tribe and the State may meet jointly with the Auditor as often as required to review the audit report and discuss any issue of concern. In the event that either the Tribe or the State disagrees with the Auditor's report or certification, or any

audit finding contained therein, either Party may notify the other of the disagreement and follow the procedures for resolution of the disagreement in Article III, Paragraph 1 of this Compact.

g. Tribe agrees that Kansas is allowed to enter its retail outlets and inspect its cigarette stock, invoice and inventory of tax indicia on hand to insure that the cigarettes offered by Tribe for sale in Kansas are solely brands that are on the Attorney General's approved list and bear Kansas tax indicia. Any cigarettes found for sale at Tribe's retail outlets that are not on the Attorney General's approved list or bearing Kansas tax indicia shall be jointly removed by the Tribe and Kansas and destroyed.

10. Tribe shall enjoy exclusive cigarette and tobacco excise tax on all cigarette and tobacco sales by Tribe on Tribe's reservation. As part of the consideration for this Compact, Kansas agrees that cigarette and tobacco sales on the Tribe's Reservation shall not be subject to the Kansas cigarette and tobacco excise tax.

11. The Tribe has the right to impose its tribal tax on its members on its reservation and the Kansas cigarette and tobacco tax does not apply on said sales. Kansas has the right to impose its cigarette and tobacco taxes on the wholesale dealer of first receipt, and the Tribe's tax does not preempt or otherwise impede or interfere with Kansas' tax.

12. Kansas and the Tribe jointly agree to waive their respective rights to taxation identified in paragraph 11 above, and instead, agree to apply paragraphs 11 and 13 herein.

13. Tribe's cigarette tax shall be no lower than 17 cents per individual pack of cigarettes, or \$1.70 per carton of ten (10) packs of cigarettes for the term of this Compact.

14. Kansas agrees to reimburse the Tribe for the economic cost incurred by the Tribe in assisting the Kansas in its ongoing diligent enforcement efforts under the MSA and 2012 Term Sheet Settlement. Reimbursement shall be as follows:

a. \$30,000.00 to be received by the Tribe on or before the end of each calendar quarter (March 31, June 30, September 30 and December 31) during the initial five (5) year term of this Compact.

b. In the event this Compact continues for additional five (5) year terms, the quarterly payment amount shall be increased fifteen percent (15%) over the quarterly payment amount payable during the immediately prior five (5) year period.

15. As additional consideration to reimburse the Tribe for the economic cost incurred by the Tribe in assisting the State in its ongoing diligent enforcement efforts under the MSA and the 2003 NPM adjustment settlement agreement, including the 2012 term sheet agreement, the following shall be exempt from tax imposed by the Kansas Retailers' Sales Tax Act, K.S.A. 79-3601 *et seq.* and amendments thereto: all sales of

tangible personal property or service, including the renting and leasing of tangible personal property, purchased directly by the Iowa Tribe of Kansas and Nebraska, a federally recognized Indian Tribe, and used exclusively for Tribal purposes.

ARTICLE III GENERAL PROVISIONS

1. Dispute Resolution

a. General. Each party warrants that it will use its best efforts to negotiate an amicable resolution of any dispute between the Tribe and Kansas arising from this Compact whether as to the construction or operation thereof or the respective rights and liabilities of the Tribe and Kansas thereunder. If a party perceives itself to be aggrieved under this Compact, said party shall provide written notice of such perceived violation to the other party within thirty (30) days of the perceived violation or violations. The notice shall identify the specific Compact provision or provisions allegedly violated, or in dispute, the date or dates of violation, and shall specify in sufficient detail the asserting party's contention and all factual basis for each claim. The parties agree to cooperatively and promptly investigate and cure any such violations, to the extent possible, prior to providing a notice of breach of this Compact.

b. Negotiation. Upon written notice by either party of being unable to cure an issue under Article III 1. A. above, the Governor and Tribe's Chairperson, or their respective designees, shall commence good faith negotiations to resolve the dispute within thirty (30) days or such longer period as mutually agreed in writing by both parties. If the Tribe and Kansas are unable to negotiate an amicable resolution of a dispute under this paragraph, then the aggrieved party shall issue a final written notice of intent to refer the matter to arbitration under this section.

c. Arbitration. Arbitration may be initiated by any signatory to this Compact by serving written notice to the other signatories at the addresses noted herein. Within seven (7) days thereafter, each party shall notify the other party of its nominee for an arbitrator. If Tribe and Kansas agree upon the nomination of a single arbitrator for the dispute, such person shall serve as sole arbitrator of the dispute. If the Tribe and Kansas do not agree upon the nomination of a single arbitrator, each party's nominee shall serve as arbitrator upon a panel of three, and those two arbitrators shall nominate the third to serve with them. In the event the two arbitrators fail for any reason to name the third arbitrator within two weeks after the nomination of the last nominated one of them, either nominee shall be entitled to ask the American Arbitration Society to name the third arbitrator. The arbitrators shall commence proceedings within thirty (30) days after their appointment, and hold proceedings providing each party a fair opportunity to present its side of the dispute, together with any documents or other evidence relevant to resolution of the dispute. The arbitration decision shall be signed by the arbitrators and shall be made within thirty (30) days after all evidence relevant to resolution of the dispute has been received by the arbitrators, but no later than forty-five (45) days after proceedings are commenced. The arbitration decision shall be final and binding upon

the Tribe and Kansas unless, during or following completion of the arbitration proceedings, the Tribe and Kansas have met and arrived at a different settlement of the dispute.

d. Enforcement. If enforcement of a settlement or arbitration decision becomes necessary by reason of failure of one or both parties to implement its terms voluntarily, or if one of the parties refuses to participate in arbitration as provided in this Section and the other party seeks enforcement of any provision of this Compact, the Tribe and Kansas agree that the matter may be resolved by judicial resolution and enforcement and that venue for judicial resolution and enforcement shall be in the United States District Court for Kansas pursuant to the specific provisions of this Section.

e. Expenses of Dispute Resolution or Judicial Enforcement Between the Tribe and Kansas. Each party shall be responsible for their own expenses of dispute resolution by arbitration or judicial enforcement, unless the parties agree otherwise.

2. Waiver of Sovereign Immunity by the Tribe and Rights to Tribal Remedies. The Tribe hereby waives its sovereign immunity, its right to require exhaustion of tribal remedies, and its right to seek tribal remedies with respect to any dispute over this Compact, subject to the following specific limitations:

a. Limitation of Claims. The waiver granted herein shall encompass only claims for remedies, dispute resolution by arbitration or judicial enforcement provided in this Compact, and may not encompass claims which seek monetary relief, including but not limited to damages, penalties or attorney's fees.

b. Time Period. The waiver granted herein shall commence upon publication of this Compact in the Kansas Register and shall continue until the date of its termination pursuant to the terms of this Compact or cancellation, except that the waivers shall remain effective for any proceedings then pending and all appeals therefrom.

c. Recipient of Waiver. The waiver of sovereign immunity is limited to the State of Kansas.

d. Enforcement. Tribe agrees to waive its sovereign immunity from a judgment or order which is final because either the time for appeal thereof has expired or the judgment or order issued by a court having final appellate jurisdiction over the matter. Tribe agrees to accept and be bound by any order or judgment of the United States District Court for Kansas or any other court having appellate jurisdiction over such Court. Further, Tribe waives its sovereign immunity as to enforcement in any federal court of any such final judgment against Tribe.

e. Service of Process. In any such suit, Tribe agrees that service on Tribe shall be effective if made by certified mail, return receipt requested at the addresses set forth herein.

f. Guarantee of Tribe Not to Revoke Waiver of Sovereign Immunity. Tribe agrees not to revoke its waiver of sovereign immunity contained in this Compact. In the event of any such revocation, Kansas may, at its option, declare this Compact terminated for breach by Tribe.

3. Waiver of Sovereign Immunity by Kansas. Kansas hereby waives its sovereign immunity.

a. Limitation of Claims. The waiver granted herein shall encompass only claims for remedies, dispute resolution by arbitration or judicial enforcement provided in this Compact, and may not encompass claims which seek monetary relief, including but not limited to damages, penalties or attorney's fees.

b. Time Period. The waiver granted herein shall commence upon publication of this Compact in the Kansas Register and shall continue until the date of its termination pursuant to the terms of this Compact or cancellation, except that the waivers shall remain effective for any proceedings then pending and all appeals therefrom.

c. Recipient of Waiver. The waiver of sovereign immunity is limited to the Tribe.

d. Enforcement. Kansas agrees to waive its sovereign immunity from a judgment or order which is final because either the time for appeal thereof has expired or the judgment or order issued by a court having final appellate jurisdiction over the matter. Kansas agrees to accept and be bound by any order or judgment of the United States District Court for Kansas or any other court having appellate jurisdiction over such Court. Further, Kansas waives its sovereign immunity as to enforcement in any federal court of any such final judgment against Tribe.

e. Service of Process. In any such suit, Kansas agrees that service on the Governor, Secretary of Revenue and Attorney General shall be effective if made by certified mail, return receipt requested at the addresses set forth herein.

f. Guarantee of Kansas Not to Revoke Waiver of Sovereign Immunity. Kansas agrees not to revoke its waiver of sovereign immunity contained in this Section. In the event of any such revocation, the Tribe may, at its option, declare this Compact terminated for breach by Kansas.

4. Attached hereto as Exhibit A and incorporated into this Compact is a copy of the Resolution of the Executive Committee of the Tribe approving this Compact including the limited waiver of sovereign immunity provisions and authorizing the Tribal Chairman to execute this Compact on behalf of the Tribe.

5. Kansas agrees to not enter into a cigarette and tobacco compact with any Indian tribe that does not have a reservation established by treaty with the United States of America within the State of Kansas as of the date of publication of this Compact in the Kansas Register.

6. Kansas agrees that it will fully enforce its cigarette and tobacco laws under Chapter 79 of the Kansas Statutes Annotated, and amendments thereto, including the administrative regulations pertaining thereto, and its MSA laws under Chapter 50 of the Kansas Statutes Annotated, and amendments thereto, including the administrative regulations pertaining thereto, against any retailer, distributor, wholesale dealer or manufacturer selling, importing, or delivering cigarettes or tobacco products in violation of Kansas law, including, but not limited to, not being on the Attorney General's approved list. This will include enforcement against other Indian tribes, including tribes in Kansas, unless the resident Kansas tribe has entered into a Compact with
Kansas.

During the term of this compact, Kansas may enter into and be party to one or more compacts or other agreements regarding possession, transport, distribution, or sale of cigarettes or other tobacco products, including but not limited to taxation and escrow collection, with the Kickapoo Tribe in Kansas, the Prairie Band Potawatomi Nation, or the Sac and Fox Nation of Missouri in Kansas and Nebraska. Kansas shall not enter into or be party to any such compact or agreement with any Indian Tribe during the term of this Compact, except as otherwise provided above.

7. This Compact shall expire on the last day of the month five (5) years after the Effective Date and shall be automatically renewed for consecutive five (5) year terms thereafter unless either party gives written notice to the other not less than sixty (60) days prior to the end of the then current term that it elects to terminate this Compact.

8. In the event that Kansas elects to withdraw from the MSA and the 2003 NPM adjustment settlement agreement, including the 2012 term sheet agreement, then the Tribe shall be free to withdraw from the terms of this Compact without penalty.

9. Kansas agrees that Tribe may propose an amendment to this Compact by written notice to the Governor, State of Kansas and Attorney General based upon any provision of a compact Kansas entered into with another tribe which the Tribe desires to include as a provision in this Compact. If the Kansas Legislature does not approve the proposed amendment at the Legislative Session next following the Tribe's request for the amendment, Tribe may terminate this Compact at any time thereafter by written notice to the Governor, Secretary of Revenue and Attorney General.

10. The language of all parts of this Compact shall in all cases be construed as a whole, according to its fair meaning, and not strictly for or against any of the parties. It is the intent of the parties that this Compact shall be construed to reflect that the parties are of equal stature and dignity and have dealt with each other at arm's-length. Accordingly, any statutory or judicial rules concerning the construction of vague or ambiguous terms that might otherwise be used in the interpretation or enforcement of this Compact, including judicial decisions generally holding that agreements involving Indians or Indian tribes are to be construed in a manner in favor of Indians and Indian tribes, shall not obtain to the benefit or detriment of either party, nor shall the terms and conditions of this Agreement be extended by implication to the benefit or detriment of either party, it being the intent of the parties that the construction of this Compact shall be controlled

by its express terms and not by implication.

11. Unless otherwise specifically noted herein, the definitions, words and terms used in this Compact shall have the same meaning as the definitions, words and terms used in Chapters 50 and 79 of the Kansas Statutes Annotated, and amendments thereto, including the administrative regulations pertaining thereto. If the definitions, words and terms used in this Compact are not found in Chapters 50 or 79 of the Kansas Statutes Annotated, and amendments thereto, including the administrative regulations pertaining thereto, then those definitions, words and terms are to be given their plain and ordinary meaning.

12. The paragraph headings contained in this Compact are for reference purposes only and shall not affect the meaning or interpretation of this Compact. If any provision of this Compact is declared or determined by any court to be illegal or invalid, that part shall be excluded from the Compact, but the validity of the remaining parts, terms, or provisions shall not be affected.

13. This Compact constitutes the entire understanding between the parties and supersedes any and all prior or contemporaneous understandings and Compacts, whether oral or written, between the parties, with respect to the subject matter hereof. This Compact can only be modified with the same formality as the original Compact.

14. Any failure by either party to enforce the other party's strict performance of any provision of this Compact will not constitute a waiver of its right to subsequently enforce such provision or any other provision of this Compact.

15. This Compact is personal in nature, and no party may directly or indirectly assign or transfer it by operation of law or otherwise. All obligations contained in this Compact shall extend to and be binding upon the parties to this Compact and their respective successors, assigns and designees.

Journal of the House

THIRTY-THIRD DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Thursday, March 3, 2016, 11:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Mast in the chair.

The roll was called with 117 members present.

Rep. Winn was excused on verified illness.

Rep. Swanson was excused on legislative business.

Reps. Bollier, Garber, Kelley, Merrick, Sloan and Wilson were excused on excused absence by the Speaker.

Present later: Rep. Swanson.

Prayer by guest chaplain, the Rev. Curtis W. Coombs, pastor, Church of the Nazarene, Meade, and guest of Rep. Ryckman, Sr.:

O Lord Our God, Our Everlasting Hope, and Merciful Lord,
we express to You thanks for giving us another day.

May we use this moment to be reminded of your presence
as the workers before this House consider what needs to be done this day.

May Your Spirit lead these men and women that have been called upon
by the people of Kansas to act upon what is good
for this State and especially for your Kingdom, O Lord.

May they have the same attitude as King David and say

“My heart is not proud, O LORD, my eyes are not selfishly ambitious;
I do not concern myself with great matters or things too wonderful for me.

But I have stilled and quieted my soul...

and put my hope in the LORD both now and forevermore.”

(from Psalm 131)

I ask this in the name of your living Son, Jesus Christ.

Amen.

The Pledge of Allegiance was led by Rep. Dierks.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Johnson are spread upon the Journal:

Over the last five years, this body has addressed one of the largest risks to the financial security of our state and our employees. This progress would not have been possible without the expertise, service and leadership of our guests with us today. I

would ask any members, past and present, of the house pension committee to join us up front.

Good work had been done by many leaders in the past. However, the market downturn of 2008-2009 threatened that work. When we reviewed the status of KPERS in 2011:

In our group with the largest liability, projected contributions were not shown to meet the actuarially required rate until after the year 2030, and in some projections they never met during the projection or amortization period.

Annual contributions for just the KPERS state/school group were projected to exceed \$2 billion per year by the year 2034.

The system's unfunded liability based on KPERS market value of assets was just over \$10 billion.

So, in 2011, the legislature and the governor appointed a study commission. This group dove headfirst into the data and explored many options that might help the system. Many ideas were created over many hours. The work we have done since that time has been built on this foundation of knowledge and recommendations. But their work goes so far beyond what we have done. Making these choices required not only exploring the paths chosen, but also examining so many paths not chosen. Without that exploration, we would not have been able to move forward on any path with confidence.

The legislature took those recommendations and many of you are familiar with our role in that work.

There is yet another key group serving the state of Kansas in a fiduciary role for KPERS and that is the board of trustees. They oversee the complex KPERS operation and make the exceedingly critical investment decisions for the portfolio. We have with us today the chairs of the board since 2011.

They have done an exceptional job, with a five year return as of November 30th of 9.1%. They have achieved returns in the top quartile of their peers over three, five and ten year periods, while being in the lowest quartile of expenses with management fees of less than .3% or 30 basis points. Specifically, the investment talent of our KPERS staff, past chair Terry Matlack and current chair Lois Cox was key to giving me the confidence to be willing to bond a billion dollars and know that it would be handled optimally.

The staff that execute our decisions are absolutely some of the best. Their team is consistently in the top quartile for low expenses and high quality service. Specifically, KPERS total administration cost is the lowest of all of their peers. For service, their average call wait time is 9 seconds vs. the average peer time of 1 minute 20 seconds. If you have seen any of the post audit reports on KPERS, you know this is an organization of which we can be proud and which serves our employees well.

Today, we are meeting to review our progress together.

Some of the highlights:

Contribution rates are expected to pay off the unfunded liability within the current amortization period.

Those contributions stabilize around 12% vs growing to over 20%.

We are projected to meet the actuarially required rate for the state/school group in 2019 rather than after 2030.

The liability and funded ratios have both improved dramatically.

We are not done. Sticking to the plan will not always be easy and no doubt adjustments will be needed along the way. There is a Japanese proverb that says beginning is easy, continuing is hard. While that understates the enormous challenges we faced in the beginning, we recognize the importance of having this body and future legislatures continue to implement this work.

Please join me in thanking these leaders for making this progress possible.

Rep. Johnson presented framed House certificates to members of the commission.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. Goico, **HR 6044**, by Representative Goico, as follows, was introduced and adopted:

HR 6044—A RESOLUTION honoring Captain Christopher Norgren for service to his country and the world community.

WHEREAS, Captain Christopher Norgren, native of Wichita, Kansas, and member of the United States Marine Corps, was killed on May 12, 2015, at the age of 31, when his helicopter crashed in the mountains of Nepal; and

WHEREAS, Capt. Norgren was part of a group of six Marines and two Nepalese soldiers who were on a mission of mercy – delivering food, blankets and medicine to villages cut off from civilization by the devastating earthquake that hit Nepal on April 25, 2015; and

WHEREAS, Capt. Norgren was serving with Marine Light Attack Helicopter Squadron 469, based at Camp Pendleton, California. The squadron had traveled to the Philippines for a training mission when it was deployed to Nepal as part of a military aid mission; and

WHEREAS, Capt. Norgren was commissioned on August 8, 2009. His deployments included Operation Enduring Freedom and Operation Sahayogi Haat and his decorations included the Navy and Marine Corps Achievement Medal, Combat Action Ribbon, Sea Service Deployment Ribbon with bronze star in lieu of second award, Afghanistan Campaign Medal with bronze star in lieu of second award, National Defense Service Medal, Global War on Terrorism Service Medal, Navy Unit Commendation, Certificate of Commendation and a NATO Medal; and

WHEREAS, Capt. Norgren was a 2002 graduate of Bishop Carroll High School, in Wichita, Kansas, and a 2007 summa cum laude graduate of the University of Missouri-Rolla, now called the Missouri University of Science and Technology, with degrees in aerospace engineering and applied mathematics; Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we honor Captain Christopher Norgren for service to his country and the world community, and extend our deepest sympathy to his family; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to the family of Captain Christopher Norgren.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Goico are spread upon the Journal:

This resolution honors Captain Christopher Norgren, posthumously, for service to his

country and to the world community. He was on a mission of mercy – delivering food, blankets and medicine to villages cut off from civilization by the devastating 7.8 earthquake that hit Nepal on April 25, 2015, over 9,000 people were killed.

I first met Chris and his dad Ron in the scouting program at our church. Even as a child he was a leader at everything he did. He was always very honest and caring. He was the product of a very loving and caring family.

I can best describe Chris as a person who made things happen no matter how difficult they might seem. Chris wanted to fly in the military. However, he did not meet the vision requirements. He joined the Marines and served as a field officer in Afghanistan. He was a combat-tested infantry officer. During the tour he saved up enough money for corrective eye surgery. He made his dream a reality. He was a Marine Corp pilot with operational ground experience.

He truly loved being a Marine and was always willing to help a friend. He prepared hard for every mission, excelled as a pilot, and was fearless and determined yet humble.

The squadron had traveled to the Philippines for a training mission when it was deployed to Nepal as part of a military aid mission. They were aware of the very dangerous terrain conditions in the Himalayan Mountains. The combination of rapidly ascending terrain, dense forest and low visibility made this a very difficult operation. Chris never had any hesitation to do what was right. All of these Marines put their lives at risk so that the suffering of countless people could be eased. They were helping fellow human beings who desperately needed their help. He was accomplishing what he needed to do.

“Greater love has no one than this: to lay down one’s life for one’s friends,” John 15:13

President Obama, addressing this accident, said that the Marines "represent a truth that guides our work around the world: When our friends are in need, America helps.

Captain Christopher Norgren lived his life moment to moment to the fullest, never fearing to do what was right. His professionalism, dedication, selflessness and fearlessness will never be forgotten. He will always be an inspiration to all of us. He loved to fly and to help people.

To quote his mother, Mrs. Norgren "I know in my heart that Chris was doing what he wanted to do. He's always loved life, God and his family." His life was a celebration of the kindness of the human spirit.

The Kansas Legislature is naming the intersection of I-235 and Central in honor of his memory.

Rep. Goico welcomed members of Christopher Norgren's family to the House.

On motion of Rep. Vickrey, the House resolved into the Committee of the Whole, with Rep. Billinger in the chair.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

The following resolution was introduced and read by title:

HOUSE RESOLUTION No. **HR 6045**—

By Representative Schwartz

A RESOLUTION urging the federal government to require the use of sound science in evaluating crop protection chemistries and nutrients.

WHEREAS, Agriculture is crucial to the continued production of food, feed, fiber and energy to meet both domestic and global demand; and

WHEREAS, In the United States, the agriculture and value-added industries and

businesses utilize precision farming equipment, crop protection chemistries, genetic engineering or enhancement, agricultural nutrients and other modern technologies. Such advanced practices protect the safety of the public and reduce environmental and natural resource impacts, while increasing yields, improving profitability and ensuring an abundant, affordable and wholesome food supply; and

WHEREAS, Agricultural pests and diseases present significant dangers to the industry and to global supplies of products they attack. While advances in agricultural technologies that protect crops and livestock pose severe environmental risks, excessive regulation may discourage or prevent the use of agricultural chemicals, which could otherwise improve human and animal welfare; and

WHEREAS, Agricultural production systems and crop protection are among the most studied and highly regulated of all industries, at both the state and federal levels. The use of sound science should be the bedrock of our nation's regulatory scheme for the agriculture and food production industries, as these industries are critical to the economic vitality of Kansas and the United States; Now, therefore:

Be it resolved by the House of Representatives of the State of Kansas: That we support the use of sound science to study and regulate modern agricultural technologies such as crop protection chemistries and genetically engineered or enhanced traits and nutrients; and

Be it further resolved: That we oppose legislative or regulatory action at any level that may result in unnecessary restrictions on the use of modern agricultural technologies; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send enrolled copies of this resolution to the President of the United States, the President of the Senate and the Speaker of the House of Representatives of the United States Congress; and to all the members of the Kansas delegation to Congress, with the request that this resolution be entered in the Congressional Record as a memorial to the Congress of the United States of America.

EXPLANATIONS OF VOTE

MR. SPEAKER: No Kansan supports terrorism. Everyone deplors these despicable acts against humanity.

I strongly oppose the placement of Guantanamo Bay detainees in USP Leavenworth, but vote no on **HCR 5024** as it defames our President. How can we expect him to acknowledge our resolution when we allege he demonstrated a willingness to violate American law and weakens our standing in the world? I want the President to take our concerns seriously, to recognize we have legitimate misgivings about housing detainees. As written, the resolution fails this. I've drafted a less inflammatory letter to the President regarding transfer of these detainees to Kansas and am sending it today. – JIM WARD, RODERICK HOUSTON, GAIL FINNEY, ANNIE TIETZE, SYDNEY CARLIN, BRODERICK HENDERSON, PAM CURTIS, BARBARA BALLARD, BEN SCOTT, JARROD OUSLEY

MR. SPEAKER: I vote No on **HCR 5024**. It is clear from the language of the resolution that it is not a good faith effort to protect the safety of Kansans but instead is an act of political theater. Its purpose is not to deter acts of terror but to provide the basis for political attack postcards. It unnecessarily insults the President of the United States and makes judgments regarding constitutional law that are beyond the authority and competence of this body. I support every reasonable effort to protect Kansans from acts of terror but this resolution does no such thing. – DENNIS “BOOG” HIGHBERGER, JOHN WILSON

MR. SPEAKER: KanCare, education, foster care, mental health, the budget deficit – these are all issues of grave importance that we are not addressing.

Sending a message regarding terrorism to President Obama will not make any difference and is not the right way to spend taxpayers' money. They expect more. I vote no on **HCR 5024**. – ANNIE KUETHER

MR. SPEAKER: Kansans have always served their country in time of war, be it prisoner of war camps in World War II, Titan II missile silos surrounding Wichita throughout the Cold War, or the thousands of Kansans who made the ultimate sacrifice for their country. This resolution, motivated by fear, does nothing to protect us from terrorists, but instead tells the world Kansans are no longer willing to do their part in the War on Terror. I therefore vote No on **HCR 5024**. – JOHN CARMICHAEL

MR. SPEAKER: I vote yes on **HCR 5024**. The National Defense Authorization Act of 2012 (NDAA) bans the President from transferring Guantanamo detainees to American soil.

Congress has specifically prohibited funds from being used to transfer or release detainees into the U.S., or to assist in the transfer or release of detainees into the country.

On behalf of Leavenworth, our State and Gold Star families who have lost a son or daughter during the Iraq and Afghan war, who are horrified at the thought of terrorist detainees being housed in proximity of where their loved ones have been laid to rest: thank you. – TONY BARTON

Prayer by Rabbi Debbie Stiel, Temple Beth Sholom, Topeka, and guest of Rep. Rooker:

I want to take a moment first to draw our attention to today being International Women's Day. How good it is to be in this country and live at this time when a female rabbi gets called by a female legislator to give the opening prayer to this esteemed governing body. May we work to see that similar rights and opportunities for women are established in all countries.

I am so honored today to be here with the Consul General of Israel to the Midwest, Roey Gilad. Israel, like the United States, is a country with very rich and diverse cultural offerings: incredible dance, music, theater, literature. So I want to share with you a poem by the famous Israeli poet Yehuda Amichai. It is called –The Place Where We Are Right.

The Place Where We Are Right
by Yehuda Amichai

From the place where we are right
Flowers will never grow in the spring.

The place where we are right
Is hard and trampled
Like a yard.

But doubts and loves
Dig up the world
Like a mole, a plow.
And a whisper will be heard in the place
Where the ruined
House once stood.

Inspired by those words, here is my prayer for this day:

Dear God,

We throughout Your world call You by many different names, yet we are one humanity. We are created by You – each person intentionally made as someone unique and different but also so alike. Open our hearts to listen to each other, to care about the views we don't share. It is so easy to be firmly rooted in what we know, in how we think. But You have given us a world with multiple truths and many vantage points so that we might learn and grow.

Help us, then, to hear the voice and the view across the aisle, and down the street, and in the next neighborhood or county. May we relish diversity and reach consensus through concern for others.

And as we listen to those who may be different from us – may we remember that once we heard You teach “don't stand idly by while your neighbor bleeds” and “plead for the poor, the widow and the orphan.” May we hearken especially to those who don't have someone here to speak their cause. You remind us that a society is judged by how it treats its least fortunate and its minorities.

We ask your blessing, God, on our state leaders and all gathered here today. Bless them with courage and strength, with insight and with open hearts and minds in order to do Your work and to help make our society great. -Amen

The Pledge of Allegiance was led by Rep. Rooker.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Hutton and Hill are spread upon the Journal:

Today we honor the small businesses and their contribution to the Kansas economy. The men and women standing before you today represent the best of the entrepreneurial spirit, the economic backbone of this state.

Small businesses contribute to over 70% of the job growth in our country. They are many times not only the economic driver of local economies but the incubator of new ideas, leading the way towards new horizons of efficiencies, services, and products.

More than a company that sells a product or service, these are the men and women that we see supporting the local cause at a town hall meeting, cheering on the high school football team, and attending church with us. After that, they go back to work to begin what I used to call the “2nd shift”.

Working long hours many times for less pay than they would get in normal job they are driven to success by their commitment to their family, employees, and community. Their hard work elevates us all and many times goes unnoticed.

So it is today Mr. Speaker that I move HR 6046 be passed in recognition of the best of the best small business men and women that Kansas has to offer and I request that this body join me in saluting their accomplishments and honoring their commitment to our communities, by rising in appreciation for all they do for the great state of Kansas.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. S. Swanson, **HCR 5026**, A CONCURRENT RESOLUTION recognizing the following celebrations and observances in support of organ, eye, tissue, bone marrow, stem cell and cord blood donation and transplantation, and to express gratitude for those who have already given the gift of life. In March, Kansans observe National Eye Donor Month and National Kidney Month. In April, Kansans observe Donate Life Month and on April 15, Kansas will join the rest of the nation to celebrate National Donate Life Blue and Green Day, where the public will be asked to wear their best blue and green outfits in support of giving the gift of life and sight, was adopted.

There being no objection, the following remarks of Rep. Swanson are spread upon the Journal:

Representative Davis and I are honored to offer this resolution recognizing the wonderful work of the many organizations who support this life giving opportunity.

Last year Representative Davis and I shared our stories of life giving donations. Representative Davis donated stem cells to a young boy and I donated a kidney to a middle aged woman. We are living proof that you don't have to die to donate!

However, the typical organ donation occurs at the time of death. By simply signing the back of your drivers license, you can affect the lives of so many people as a deceased donor.

- You can save up to eight lives through organ donation.
- You can improve up to 50 lives through tissue donation.
- You can renew vision for up to two people through cornea donation.
- You can change the lives of potentially millions through disease research and therapy.

If you are a little more adventuresome, you can be a live donor. By offering a kidney, lobe of a lung, portion of the liver, pancreas, intestine, or stem cells, living donors offer their loved one or friend an alternative to waiting on the national transplant waiting list for an organ from a deceased donor.

Currently in Kansas, nearly 1,000 people are awaiting a lifesaving transplant. Nationally more than 123,000 men, women, and children are on the waiting list. Every 10 minutes a name is added to the waiting list and an average of 22 people a day die while awaiting a transplant.

The Midwest Transplant Network has served Kansas and western Missouri with the mission of honoring the gift of donation with dignity and compassion. They are making great strides in educating our communities about the serious need for organ and tissue donors.

Those participating in Blue & Green Day at the Capitol today are in the House Gallery.

They are:

Midwest Transplant Network

Saving Site

Kansas Eye Bank & Cornea Research Center

National Kidney Foundation

National Kidney Coalition

University of Kansas Hospital, Center for Transplantation

Please join me in recognizing these vital organizations.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Rooker are spread upon the Journal:

I would like to introduce our special guest today, the Consul General of Israel to the Midwest, Roey Gilad. As Israel's highest ranking official in the Midwest, he is responsible for 11 states in this region, including the great state of Kansas.

Both the United States and Kansas have much in common with Israel, and I know from your response to our invitation, many in this room understand that special relationship.

The modern country of Israel was established and recognized in 1948. Israel's pioneers included a mix of Holocaust survivors, Jews exiled from Arab countries and people who had lived in Israel for many generations.

The people of Israel created a vibrant democracy in the Middle East. They have resisted attacks from their neighbors over the years, and have had to strongly defend their right to exist.

Innovation was the key to success in Israel, as the landscape is arid and not readily conducive to agriculture. The Israelis developed drip irrigation to take full advantage of their limited water supply and provide resources to her population. Today, high-tech Israeli innovation benefits Americans in agriculture, medicine, education, military expertise, and even cell-phone technology.

Soon after arriving in Chicago about 4 years ago, Consul General Gilad came to Topeka to meet with Governor Brownback, to foster a meaningful relationship between Kansas and Israel. Since then, Consul General Gilad has arranged for experts from Israel to visit Kansas to discuss sustainability, water technology, and agriculture.

Consul General Gilad accompanied the Israeli Ambassador to the United States to Kansas State University, where the Ambassador presented the Landon Lecture, and later met with the Governor and K-State officials. They also visited The United States Army Command and General Staff College in Leavenworth.

During his 25+ year tenure with Israel's Ministry of Foreign Affairs, Consul General Gilad has served in various positions outside of Israel including postings in Kenya, The Hashemite Kingdom of Jordan, the UK, and of course the United States.

He served as a Staff Sergeant in the artillery forces in the Israel Defense Force, has a Master's Degree in National Security at Haifa University; a Master's Degree in Middle Eastern Studies from Hebrew University in Jerusalem and a Bachelor's Degree in Middle Eastern Studies from Tel Aviv University. In addition to his mother tongue, Hebrew, the Consul General is fluent in English and Arabic and is knowledgeable in French.

The Israeli Consul General's visit has been arranged by the Jewish Community Relations Bureau/American Jewish Committee – which serves Kansas and western Missouri. The mission of the JCRB is to advocate and educate, on behalf of the Jewish community, to eliminate injustice and discrimination at home and abroad by building bridges with other faith communities and minority groups, ethnic communities, government officials, law enforcement, educators, the media and the civic community. They can be a resource for each of you – please let me know if you would like their contact information.

Consul General Gilad will make some brief remarks in the Old Supreme Court room

at noon today and you will find an invitation in your email to a speech he is making tonight at Temple Beth Shalom here in Topeka. The public is welcome.

Mr. Speaker and colleagues, I invite you to join me now in honoring the Consul General of Israel to the Midwest, Roey Gilad.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Kiegerl are spread upon the Journal:

When I was recruited to run for the House of Representatives in 2004, I accepted with reservations. I was an unknown running against the speaker pro tem and I never lost my German accent – as you can tell to this day. I thought this would be a handicap, but to my surprise I found that one in three of my constituents had a German grandmother. That led me to study the history of Kansas more closely and I found that German settlers had played an important role in assuring that Kansas entered the union as a free state.

Today I am introducing Elfriede Jass, President of the German American Society and the Liederkrantz Singers, a group of immigrants and their descendants from Germany. They will entertain you on the 1st floor rotunda from 12:00-12:30. These are not German-Americans but Americans with German heritage continuing their cherished customs. They are Americans. We need to get away from hyphenated Americans, blessed as we are to live in this great country. I cringe when I hear people identify themselves as Irish-Americans, Mexican-Americans, African-Americans, Asian-Americans, etc. Let's remember and live according to our motto "e-pluribus unum" loosely translated by one with six years of Latin in high school "from many one" and come together to appreciate our native origins but cherish this land we live in. Enjoy the music. Welcome Liederkrantz.

By Representative Clark

HR 6048—A RESOLUTION honoring Albert Curley and Nolan Self.

A RESOLUTION honoring Retired First Sergeant Albert Curley and Retired Master Sergeant Nolan Self for their exceptional dedication and service to the State of Kansas and our country.

WHEREAS, In 1866, Congress created six segregated regiments that were ultimately consolidated into four all-black regiments: the 9th and 10th Cavalry and the 24th and 25th Infantry. They were sent west where they were assigned to protect settlements and railroad workers, build roads and establish telegraphs. Native American Indians both feared and respected the soldiers and named them "Buffalo Soldiers," because their hair and fierce fighting spirit reminded them of the revered buffalo; and

WHEREAS, The Buffalo Soldiers have fought heroically in many major U.S. conflicts, including the Indian Wars, World War I, World War II, the Korean War and the Vietnam War; and

WHEREAS, Albert Curley is a retired Army First Sergeant of the 9th Cavalry Regiment. He began his military career in Fort Riley, Kansas, in 1940, and served in Italy and Japan, and in two tours of duty in Germany, Korea and Vietnam. His awards and decorations include: the Purple Heart, Bronze Star, Army Commendation Medal with Oak Leaf Cluster and Good Conduct Medal. In March of 1969, after 28 years in the Army, he retired at Fort Riley, Kansas; and

WHEREAS, Nolan Self is a retired Army Master Sergeant of the 10th Cavalry Regiment. He served five campaigns during World War II. He was stationed at Fort Leavenworth and Fort Riley and later moved to Junction City when he retired from the military, after 17 years of service; and

WHEREAS, On January 18, 2016, during the annual Martin Luther King, Jr. Day Celebration at the C.L. Hoover Opera House in Junction City, Kansas, the contributions of the Buffalo Soldiers were honored, and Retired First Sergeant Albert Curley and Retired Master Sergeant Nolan Self were recognized for their work: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That the Kansas House of Representatives honors Buffalo Soldiers Retired First Sergeant Albert Curley and Retired Master Sergeant Nolan Self for their exceptional dedication and service to the State of Kansas and our country. Thank you for protecting us and for your lifelong contributions to the United States Army, Fort Riley and Junction City. We know

Be it further resolved: That the Chief Clerk of the House of Representatives shall send enrolled copies of this resolution to Retired First Sergeant Albert Curley and Retired Master Sergeant Nolan Self.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Clark are spread upon the Journal:

It is my honor today to recognize two “Buffalo Soldiers” for their service to The United States of America and The Great State of Kansas.

1st Sgt. Curley has health issues that has prevented them from being with us today, but I am honored to introduce Master Sgt. Nolan Self and his wife Wilma; one of their seven children, Mr. Curtis Self, his wife Charlotte; their daughter April and grandson, Derron Johnson.

Also with us are:

Mr. Earnest Skillern and his wife Lizzie

Mr. Dale Cushinberry and his wife Anita, and Helen K. Duncan

Geary Co. Commissioner, Mr. Larry Hicks

Junction City Commissioner, Mr. Jim Sands

Junction City Chapter President of the NAACP, Mr. Jackie McDonald

I have a few things I want to add that exemplifies the courage of these two American soldiers. The Cheyenne said, “The Buffalo Soldiers were like the Buffalo, fierce fighters and hard to kill.” The Cheyenne were right! It was mentioned that 1st Sgt. Curley earned The Purple Heart while fighting in Italy and that he did. 1st Sgt. Curley was wounded in action clearing out an enemy machine-gun nest, and was hit with enemy fire three times! He remained in the hospital in Italy, until he recovered and was then sent back to the front lines.

Master Sgt. Self saw combat in FIVE CAMPAIGNS, during the Second World War, FIVE! That is astonishing!!! Master Sgt. Self explained the Army moved the 10th Cavalry to Fort Riley to train with the 9th Cavalry. That's where he met fellow buffalo soldier and World Heavy Weight Champion Joe Louis. Louis was stationed at Fort Riley with his family and realized there wasn't much for the other buffalo soldiers to do so he called his friend, Count Basie, who agreed to perform a concert in Topeka. Louis rented buses, giving a couple hundred girls free transportation, to the concert so the soldiers would have someone to dance with. That's when Master Sgt. Self met the girl he would dance with for the next 73 years.

Please join me in thanking these American Heroes and their families for their service to our country.

EXPLANATIONS OF VOTE

MR. SPEAKER: I believe in personal responsibility and accountability when it comes to criminal sentencing or, as here, civil penalties. But this bill penalizes registered vehicle owners with civil money penalties, and ultimately even registration refusals, for others' wrongdoing -- turnpike toll evasions committed by other drivers of his/her vehicle. That is wrong. Worse, I understand from county treasurers that every car in an owner's name on a multiple registration could also be affected by these provisions. For these reasons, and because of the even longer registration lines that will result in many counties, many treasurers are opposed to this bill. I vote "NO" on **HB 2605**. – JOHN RUBIN

MR. SPEAKER: **HB 2605** is an important piece of legislation for the safety of customers traveling the KTA system and for the employees of the KTA that frequently have to stop traffic and walk across lanes of moving traffic to accommodate a customer unintentionally in the KTAG lanes. It allows Kansas to modernize our toll system in the most fiscally responsible way for customers. **HB 2605** is important to keep tolls low for all of the Kansas turnpike customers that will travel through and within our state that pay their tolls the way they should. I vote yes. – RICHARD PROEHL

MR. SPEAKER: I vote NO on **HB 2605**. I've heard from Johnson County Treasurer Thomas Franzen, treasurer for the largest county in the State expressing his opposition to **HB 2605**. This bill would create many problems for county treasurer's offices – dealing with irate people, delaying the vehicle registration process for others in line, tracking down different versions of names for the same person owning several vehicles, and dealing with duplicate license plate numbers for different vehicle classifications. This is another case of the state asking local governments to do more with fewer resources. I support the premise of this bill, just not the way it is done. – LINDA GALLAGHER, STEPHANIE CLAYTON, BARBARA BOLLIER

Our Loving God in heaven,
Thank you for this beautiful day
which portrays Your wonderful creation.
As our leaders work today,
help them to work hard and play fair.
Help them to collaborate and work together as a team.
Help each one to realize it is not about him or her getting all the points,
but that it is equally important to assist one another.
Help them to work with respect and show good sport.
As emotions get high, keep tempers down.
Constantly give them the greater picture of the whole,
not just that of a single person or of this day.
And please do the same in the big

In Christ's Name I pray, Amen.

EXPLANATIONS OF VOTE

MR. SPEAKER: It is with great joy that we vote YES for **HB 2573**. Today is the culmination of three years of hard work to bring the live-streaming of committee proceedings to the House Floor. We would like to thank Senator Kay Wolf, who championed this issue in the Senate, and the entire Senate Body for supporting this unanimously – twice. We are also in debt to the numerous advocates for this legislation, and the staff for their hours of work. Today, the bipartisan coalition who sponsored the Transparency Act celebrates what we built together, for the People of Kansas. –

Public faith in the process requires that our business be conducted in the light of day with the ability of the public to view and be informed of our work at each stage of the process. Transparency is more than audio streaming of committee and floor sessions. Transparency includes using a process that is open at each stage of the process. – J. RUSSELL JENNINGS, TOM MOXLEY

Sec. 2. K.S.A. 2015 Supp. 44-510e is hereby amended to read as follows: 44-510e. (a) In case of whole body injury resulting in temporary or permanent partial general disability not covered by the schedule in K.S.A. 44-510d, and amendments thereto, the employee shall receive weekly compensation as determined in this

subsection during the period of temporary or permanent partial general disability not exceeding a maximum of 415 weeks.

(1) Weekly compensation for temporary partial general disability shall be $66\frac{2}{3}\%$ of the difference between the average weekly wage that the employee was earning prior to the date of injury and the amount the employee is actually earning after such injury in any type of employment. In no case shall such weekly compensation exceed the maximum as provided for in K.S.A. 44-510c, and amendments thereto.

(2) (A) Permanent partial general disability exists when the employee is disabled in a manner which is partial in character and permanent in quality and which is not covered by the schedule in K.S.A. 44-510d, and amendments thereto. Compensation for permanent partial general disability shall also be paid as provided in this section where an injury results in:

(i) The loss of or loss of use of a shoulder, arm, forearm or hand of one upper extremity, combined with the loss of or loss of use of a shoulder, arm, forearm or hand of the other upper extremity;

(ii) the loss of or loss of use of a leg, lower leg or foot of one lower extremity, combined with the loss of or loss of use of a leg, lower leg or foot of the other lower extremity; or

(iii) the loss of or loss of use of both eyes.

(B) The extent of permanent partial general disability shall be the percentage of functional impairment the employee sustained on account of the injury as established by competent medical evidence and based on the fourth edition of the American medical association guides to the evaluation of permanent impairment, if the impairment is contained therein, ~~until January 1, 2015, but for injuries occurring on and after January 1, 2015, based on the sixth edition of the American medical association guides to the evaluation of permanent impairment, if the impairment is contained therein.~~

(C) An employee may be eligible to receive permanent partial general disability compensation in excess of the percentage of functional impairment ("work disability") if:

(i) The percentage of functional impairment determined to be caused solely by the injury exceeds $7\frac{1}{2}\%$ to the body as a whole or the overall functional impairment is equal to or exceeds 10% to the body as a whole in cases where there is preexisting functional impairment; and

(ii) the employee sustained a post-injury wage loss, as defined in ~~subsection (a)(2)(E) of K.S.A. 44-510c(a)(2)(E),~~ and amendments thereto, of at least 10% which is directly attributable to the work injury and not to other causes or factors.

In such cases, the extent of work disability is determined by averaging together the percentage of post-injury task loss demonstrated by the employee to be caused by the injury and the percentage of post-injury wage loss demonstrated by the employee to be caused by the injury.

(D) "Task loss" shall mean the percentage to which the employee, in the opinion of a licensed physician, has lost the ability to perform the work tasks that the employee performed in any substantial gainful employment during the five-year period preceding the injury. The permanent restrictions imposed by a licensed physician as a result of the work injury shall be used to determine those work tasks which the employee has lost the ability to perform. If the employee has preexisting permanent

restrictions, any work tasks which the employee would have been deemed to have lost the ability to perform, had a task loss analysis been completed prior to the injury at issue, shall be excluded for the purposes of calculating the task loss which is directly attributable to the current injury.

(E) "Wage loss" shall mean the difference between the average weekly wage the employee was earning at the time of the injury and the average weekly wage the employee is capable of earning after the injury. The capability of a worker to earn post-injury wages shall be established based upon a consideration of all factors, including, but not limited to, the injured worker's age, physical capabilities, education and training, prior experience, and availability of jobs in the open labor market. The administrative law judge shall impute an appropriate post-injury average weekly wage based on such factors. Where the employee is engaged in post-injury employment for wages, there shall be a rebuttable presumption that the average weekly wage an injured worker is actually earning constitutes the post-injury average weekly wage that the employee is capable of earning. The presumption may be overcome by competent evidence.

(i) To establish post-injury wage loss, the employee must have the legal capacity to enter into a valid contract of employment. Wage loss caused by voluntary resignation or termination for cause shall in no way be construed to be caused by the injury.

(ii) The actual or projected weekly value of any employer-paid fringe benefits are to be included as part of the worker's post-injury average weekly wage and shall be added to the wage imputed by the administrative law judge pursuant to K.S.A. 44-510e(a)(2)(E), and amendments thereto.

(iii) The injured worker's refusal of accommodated employment within the worker's medical restrictions as established by the authorized treating physician and at a wage equal to 90% or more of the pre-injury average weekly wage shall result in a rebuttable presumption of no wage loss.

(F) The amount of compensation for whole body injury under this section shall be determined by multiplying the payment rate by the weeks payable. As used in this section: (1) The payment rate shall be the lesser of: (A) The amount determined by multiplying the average weekly wage of the worker prior to such injury by $66\frac{2}{3}\%$; or (B) the maximum provided in K.S.A. 44-510c, and amendments thereto; (2) weeks payable shall be determined as follows: (A) Determine the weeks of temporary compensation paid by adding the amounts of temporary total and temporary partial disability compensation paid and dividing the sum by the payment rate above; (B) subtract from 415 weeks the total number of weeks of temporary compensation paid as determined in subparagraph (F)(2)(A), excluding the first 15 such weeks; and (3) multiply the number of weeks as determined in subparagraph (F)(2)(B) by the percentage of functional impairment pursuant to subsection (a)(2)(B) or the percentage of work disability pursuant to subsection (a)(2)(C), whichever is applicable.

(3) When an injured worker is eligible to receive an award of work disability, compensation is limited to the value of the work disability as calculated above. In no case shall functional impairment and work disability be awarded together.

The resulting award shall be paid for the number of disability weeks at the payment rate until fully paid or modified. In any case of permanent partial disability under this section, the employee shall be paid compensation for not to exceed 415

weeks following the date of such injury. If there is an award of permanent disability as a result of the compensable injury, there shall be a presumption that disability existed immediately after such injury. Under no circumstances shall the period of permanent partial disability run concurrently with the period of temporary total or temporary partial disability.

(b) If an employee has sustained an injury for which compensation is being paid, and the employee's death is caused by other and independent causes, any payment of compensation already due the employee at the time of death and then unpaid shall be paid to the employee's dependents directly or to the employee's legal representatives if the employee left no dependent, but the liability of the employer for the payments of compensation not yet due at the time of the death of such employee shall cease and be abrogated by the employee's death.

(c) The total amount of compensation that may be allowed or awarded an injured employee for all injuries received in any one accident shall in no event exceed the compensation which would be payable under the workers compensation act for 100% permanent total disability resulting from such accident.

(d) Where a minor employee or a minor employee's dependents are entitled to compensation under the workers compensation act, such compensation shall be exclusive of all other remedies or causes of action for such injury or death, and no claim or cause of action against the employer shall inure or accrue to or exist in favor of the parent or parents of such minor employee on account of any damage resulting to such parent or parents on account of the loss of earnings or loss of service of such minor employee.

(e) In any case of injury to or death of an employee, where the employee or the employee's dependents are entitled to compensation under the workers compensation act, such compensation shall be exclusive of all other remedies or causes of action for such injury or death, and no claim or action shall inure, accrue to or exist in favor of the surviving spouse or any relative or next of kin of such employee against such employer on account of any damage resulting to such surviving spouse or any relative or next of kin on account of the loss of earnings, services, or society of such employee or on any other account resulting from or growing out of the injury or death of such employee.";

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 120 members present.

Reps. Anthimides, Claeys, Dove, Edmonds and Goico were excused on excused absence by the Speaker.

Prayer by guest chaplain, Everett Schultz, Deacon, First Mennonite Church, Pretty Prairie, and guest of Rep. Seiwert:

Our Father,

We come before Thee this morning thanking You for the many blessings You have bestowed upon our great nation and upon this great state of Kansas. I want to thank You that this great state still opens each session of this House with prayer. Your Word tells us that where two or three are gathered together in Your name, there You are in the midst of them. So I thank You that You are with us in this House right now.

Father, these people struggle with issues that affect all Kansans. I pray that You will give them understanding and comradery to work together to tackle the issues that affect the state and to be fair to all Kansans. They face difficult issues, and they must be dealt with in a fair and objective manner. Please give them wisdom to listen, contemplate and understand each other's position, and help them to work together to achieve the results that is the best for all involved. Please help these good people to not be influenced by the special interest groups that want to influence their vote. Help them Father to openly and honestly serve the people who have elected them to office. May their decisions be the correct ones for the continued well-being of Kansas.

But most importantly, Father, I pray for each one that hears or reads these words. Some may not know You but I know You and ask You to help them to come to know You. To each of you, I want you to know that God knows you and loves you and cares for you. I urge each of you to consider establishing a personal relationship with God. Ask Him to come into your life and be with you. Ask Him to forgive your sins and lead you to eternal life in heaven. I ask these things in Jesus' Name. Amen.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. Osterman, **HR 6049**, by Reps. Osterman and Goico, as follows, was introduced and adopted:

HR 6049—A RESOLUTION commemorating the 75th Anniversary of Civil Air Patrol.

WHEREAS, Civil Air Patrol (CAP) was founded on December 1, 1941, by a fledgling group of volunteers led by civilian pilots who flew their own planes, at their own expense, to support the Allied Powers' efforts in World War II. After the United States became involved in the war, Civil Air Patrol primarily flew reconnaissance missions near the country's coasts to protect cargo ships, especially vital oil tankers that

were being sunk at such an alarming rate that it would, according to U.S. Army Chief of Staff Gen. George Marshall, "threaten our entire war effort"; and

WHEREAS, So many submarines were spotted by these "subchasers" that a decision was soon made by the military to arm the light aircraft with small bombs and the larger aircraft with 325-pound depth bombs, putting these brave civilians at great risk, as they were often flying 100 miles or more from shore in unpredictable weather; and

WHEREAS, Over the next year and a half, these subchasers played an integral role in the defense of America's home front during World War II, spotting 143 German submarines, attacking 57 while directing shore-based fighting units to their targets and forcing the enemy to move farther offshore; and

WHEREAS, The wartime effort, which included border patrol operations, search and rescue, disaster relief, forest fire patrol, emergency transportation of personnel and critical cargo and towing of practice targets for the U.S. military, also resulted in the loss of 26 coastal patrol members and 90 aircraft in the war's beginning stages, as well as the loss of 150 aircraft and 66 deaths by the war's end; and

WHEREAS, Civil Air Patrol's work on the coast was heralded as a great success, prompting President Harry S. Truman to sign Public Law 476 in 1946, which chartered CAP as a benevolent, nonprofit organization, and nearly two years later, in 1948, the Congress of the United States passed Public Law 557, permanently establishing CAP as the official auxiliary of the U.S. Air Force with the three primary missions of Emergency Services, Cadet Programs and Aerospace Education; and

WHEREAS, Since that auspicious beginning, a modern day Civil Air Patrol has emerged to become one of the nation's premier humanitarian service organizations, saving lives, finding those who are lost, helping fellow citizens in times of disaster, working to keep America safe, preparing future leaders, offering aerospace education to inspire our nation's youth and honoring our military; and

WHEREAS, Civil Air Patrol, forged by a late-century revolution in search and rescue technology, became known worldwide for its unique emergency services operations and for performing vital search and rescue, disaster relief and other important emergency missions for what now numbers more than 1,400 communities across the United States, the District of Columbia and Puerto Rico; and

WHEREAS, Civil Air Patrol, supported by the world's largest fleet of single-engine aircraft equipped with high-technology tools like full-motion video, infrared cameras and glass cockpit instrumentation, has established itself among the nation's search and rescue elite, now participating in up to 90% of the Air Force's inland search and rescue missions; and

WHEREAS, Civil Air Patrol has more than 8,000 air crew members and 30,000 emergency responders trained to Federal Emergency Management Agency standards; has contributed free services valued at \$164 million in 2015 by serving the disaster relief and emergency service needs of communities in the United States, the District of Columbia and Puerto Rico; has saved thousands of lives in its 75-year history; and has a fleet of more than 950 emergency services vehicles for training and mission support; and

WHEREAS, A top resource for disaster relief, Civil Air Patrol is often first on the scene, providing aerial photography and damage assessment to help emergency officials pinpoint critical infrastructure needs in real time as well as ground team support, often providing door-to-door services, which include water, food and supply delivery, and

sometimes even laundry services, for victims; and

WHEREAS, Recent high-visibility Civil Air Patrol missions have included responses to tornadoes that have ravaged communities across America, forest fires in numerous states, tsunamis on the Hawaiian and Pacific coasts, hurricanes Katrina and Sandy, wildfires in the Southwest, floods in the Midwest, the September 11th terrorist attacks and counterdrug missions across the nation that have helped remove over \$1 billion in illegal drugs from our communities; and

WHEREAS, The aircraft of Civil Air Patrol were the only nonmilitary planes allowed in the skies over the U.S. in the immediate aftermath of the September 11th terrorist attacks, and CAP has since performed admirably in other homeland security missions, including responding to the Deepwater Horizon oil spill in the Gulf of Mexico, a continuous 118-day effort, by taking the tens of thousands of aerial photographs necessary for assessing environmental damage, deploying containment assets and successfully working side by side with numerous state and federal agencies, all the while saving the federal government an estimated \$22 to \$38 million for these services; and

WHEREAS, Civil Air Patrol sets the world standard for volunteer aviation emergency services, prompting other nations, like Denmark and the United Kingdom, to use the CAP model to establish or improve their own similar volunteer programs; and

WHEREAS, Civil Air Patrol's youth program currently includes more than 24,000 cadets who benefit from a curriculum that trains them to be leaders; offers them opportunities for flight, including pilot training; and teaches emergency services techniques, including lifesaving; and

WHEREAS, Civil Air Patrol reaches tens of thousands of the country's school-aged children and their teachers through a comprehensive selection of academic programs that stress the STEM subjects of science, technology, engineering and math, in addition to programs that encourage a drug-free lifestyle; and

WHEREAS, Civil Air Patrol's membership includes more than 475 chaplains who fulfill critical needs for deployed U.S. military chaplains and provide counseling services for soldiers and their families, as well as disaster victims; and

WHEREAS, In its partnership with Wreaths Across America, Civil Air Patrol annually honors military veterans by helping sponsor and place tens of thousands of wreaths at the graves of fallen soldiers at U.S. cemeteries nationwide and overseas; and

WHEREAS, Civil Air Patrol is celebrating 75 years of performing these "Missions for America": Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we commend and celebrate the 75th Anniversary of Civil Air Patrol and honor the men and women who have served, and those who continue to serve, their fellow citizens through Civil Air Patrol, a noble and patriotic organization; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Representative Osterman.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Osterman are spread upon the Journal:

Today it is with pleasure that we honor the Civil Air Patrol for everything that they have done over the years.

During WWII they were responsible for watching the borders of the United States. Our maritime ships were being sunk by enemy submarines. It was their duty to locate and sink them or chase them off before they could do damage to our vessels coming in and going out of port.

Since that time they have been an asset to the various states. In 1993, they were tasked to help during the massive flooding we had in Illinois, Missouri, Iowa and Kansas. They provided damage assessments and transported patients. They also flew in medical supplies that were needed.

In January 2002, freezing rain poured over south central and northeast Kansas. They were asked by the Red Cross to help hand out supplies to the affected people. They also aided the Mount Carmel Medical Center in transporting patients.

The latest task was the tornado that hit Greensburg in 2007. More than fifty Civil Air Patrol members coordinated with the National Guard and emergency rescue responders to provide hundreds of hours of air and ground support.

These men and women supply their own aircraft and donate their time in times of disaster.

Please help me in honoring Capt. Timothy Thornton and the rest of the unit that is in the balcony with a round of applause and a thank you for what they do.

Journal of the House

FORTY-FIRST DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Tuesday, March 15, 2016, 11:00 a.m.

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 123 members present.

Reps. Edmonds and Goico were excused on excused absence by the Speaker.

Prayer by guest chaplain, the Rev. Delinda Jeronimo, Children's Pastor, Wanamaker Woods Church of the Nazarene, Topeka:

Lord,

We come to you today humbled in your presence, thankful for the beauty of your creation in the blooming trees, the subtle tint of green sprouting all over our city, the pops of color in the spring flowers rising from the ground and the morning cantatas sung by the birds. We are thankful for safety in our travel to and from work, for our health and the many, many blessings you have poured upon us each and every day. May we never take for granted each and every gift from the seemingly small to the obviously large.

We give this day to you, from the first morning breath to the last waking blink, may you guide and direct in all actions and reactions, thoughts and words, discussions and decisions upon us today. May you be ever at the center of our thoughts as we make decisions today that will affect your people. Thank you for the calling to be leaders and may we be faithful to that call, giving you the praise, honor and glory in all we say and do.

We pray all these things in “the confidence we have in approaching God: that if we ask anything according to Your (his) will, You (he) hear(s) us.” 1 John 5:14. So we ask these things Father, according to your good, pleasing and perfect will. In Jesus' name, Amen.

The Pledge of Allegiance was led by Rep. Hibbard.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Read are spread upon the Journal:

The citizens of Fort Scott wished to honor the significant sacrifices made by nearly 7,000 freedom fighters from the War on Terror in Iraq and Afghanistan by committing to raise \$15,000 for an all-terrain track chair for a seriously wounded veteran of that war.

All-terrain track chairs enable some of the most seriously wounded to reduce the level of post-traumatic stress, depression, and suicide; by enabling them to regain their role as family breadwinner – (especially in farming and ranching) – and restoring the therapeutic value of outdoor recreation.

The generosity of the Fort Scott community has been proven by exceeding their goal through raising \$17,000 to gift a track chair with sporting accessories and trailer to a local wounded hero.

Now, join me in commending: The Fort Scott Symbols of Sacrifice Tribute Fund organizers (Anne Emerson, Jim Scott, Jill Warford, and the Fort Scott National Historic Site Superintendent, Betty Boyko), The City of Fort Scott, and the generosity of the Fort Scott residents who challenge other Kansas counties and cities to enrich the lives of other seriously wounded Kansas heroes through providing track chairs.

Rep. Read presented House certificates to the guests.

Be it resolved by the House of Representatives of the State of Kansas: That we hereby designate the month of March as M&M'S® Brand Chocolate Candies Month in commemoration of this product's 75 years of excellence worldwide and the contributions of Mars, Incorporated, to the State of Kansas; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send four enrolled copies of this resolution to Representative Corbet.

Rep. Corbet invited the members of the Shawnee County delegation to join him at the well.

There being no objection, the following remarks of Rep. Corbet are spread upon the Journal:

Last week you had M&M's on your desk in honor of the 75th Anniversary of M&M's. Mars employees over 350 people in the state of Kansas. Their factory in Topeka produces peanut M&M's and Snickers bars. They are now undergoing a \$100 million expansion and will soon be making a new candy bar that has not been announced yet. They are helping to organize a Chocolate Festival in downtown Topeka on September 24...so mark your calendar. They are a strong part of the Kansas community. We are grateful to have Mars in our state and glad to celebrate with them on their 75th Anniversary of M&M's.

INTRODUCTION OF ORIGINAL MOTIONS

The motion of Rep. Rubin to change the sequence of General Orders under House Rule 1503(a) to consider **SB 415** as the first item of business was ruled out of order. The bill had been referred by the Speaker from the Committee of the Whole to the Committee on Calendar and Printing on March 14, 2016. Rep. Rubin raised a point of order that the reference to committee violated House Rule 2306 and asked for a ruling from the Rules Committee. The point of order was denied by the Rules Chairman for two reasons. First, a challenge must be made at the time the event occurs. In this instance, no challenge was offered when the change of reference was announced on March 14. Second, it was determined that the Speaker was within his authority under House Rule 1507 to refer **SB 415** to an exempt committee prior to the upcoming second house consideration deadline under the Joint Rules of the House and Senate.

CONSENT CALENDAR

No objection was made to **Sub SB 103** appearing on the Consent Calendar for the second day.

Journal of the House

FORTY-SECOND DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Wednesday, March 16, 2016, 11:00 a.m.

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 122 members present.

Rep. Concannon was excused on legislative business.

Reps. Edmonds and Frownfelter were excused on excused absence by the Speaker.

Prayer by guest chaplain, the Rev. Michael Garner, Life Connections, Leavenworth, and guest of Rep. Barton:

Our Father in heaven, Hallowed be Your name. Your kingdom come. Your will be done on earth as it is in heaven. Give us this day our daily bread. And forgive us our debts, as we forgive our debtors. And do not lead us into temptation, but deliver us from the evil one. For Yours is the kingdom and the power and the glory forever. (Matthew 6: 9-13 NKJV)

Father, I come humbly before you right now asking that in the name of Jesus, that name that is above every name, and that by your Holy Spirit you would move in this place not just today but everyday and in every meeting. I ask Father, that any veil of deception from Kingdom of darkness to be removed so that those that have been elected would be able to know what is your good and perfect will for the state of Kansas, and even this nation. Father, as an act of our will we choose to do what you have commanded in your Holy word to humble ourselves before you, to earnestly pray and seek Your Face and turn from our wicked ways. I thank you that as we do this as elected officials, and as individuals, that by your grace you will heal this land. Father, I ask that your spirit of reconciliation would rule and reign between the elected parties and the individuals of this state. That your spirit of grace and mercy would be prevalent in all the meetings that take place here and that your love would be evident by the works completed. I ask Father, that by your Holy Spirit that the men and women here would not just recognize your voice but would also heed it. Father I also ask that by your Spirit that there would not be a shift in the hearts of the people to understand that the most important thing is not whether we belong to a donkey or an elephant, but that we belong to the Lamb, your

Son, whom you sent to die for us. I thank you Father, for the blood of Jesus and I ask that the same blood that saves us and redeems us would also protect the men and women here as they endeavor to be servants to the people of Kansas, as well as their families. Grant them wisdom, understanding, knowledge, and even insight beyond their own ability. I ask Father, that you would strengthen them and that by your Spirit you would encourage these leaders to act according to your ways and not man's ways. I ask all these things in faith believing that you will grant these requests and I thank you for doing these things. For it is in the name of Jesus, your Son, that I pray, Amen!

The Pledge of Allegiance was led by Rep. Clayton.

INTRODUCTION OF SENATE BILLS AND CONCURRENT RESOLUTIONS

SB 484, SB 485

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. Barton, **HR 6051**, by Rep. Barton, as follows, was introduced and adopted:

HR 6051—A RESOLUTION commending the ministers, pastors, priests and rabbis of Kansas for their leadership and commitment to improving lives.

A RESOLUTION commending the ministers, pastors, priests and rabbis of Kansas for their leadership and commitment to improving lives.

WHEREAS, There are hosts of ministers, pastors, priests and rabbis serving throughout Kansas; and

WHEREAS, They produce God-honoring and prosperous families that help to nurture the spirits of future generations; and

WHEREAS, They preach and teach in ways that impact and enrich lives, causing many to live in more fulfilling ways; and

WHEREAS, As shepherds, who are to protect, they correct wrongs, reflect justice and seek fairness in organizations, families and government; and

WHEREAS, They provide creative approaches to challenges, resulting in better practices; and

WHEREAS, They pioneer the creation of new programs, policies and services; and

WHEREAS, They help cultivate people's strengths and challenge people to step up and step out in communities: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we commend our ministers, pastors, priests and rabbis for their leadership in villages, counties, cities and our state and for their priceless commitment to improving lives. We thank God for each one of them; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Representative Barton.

There being no objection, the following remarks of Rep. Barton are spread upon the Journal:

This morning it is my privilege to stand with this group of men and women of faith whose deeply held beliefs are seen in their actions everyday. They are the black robe regiment of the day standing in the gap on behalf of the lost and the found. They are servants and leaders who, at times, may be overwhelmed and under appreciated but are very much needed in our state and nation. They are encouragers and builders of faith and they strengthen the lives of the people they shepherd. They understand the necessity of prayer and principles over party and politics and undergird us with that power on a regular basis and I, for one, am appreciative. I ask you this morning to join with me in showing our appreciation for each one of them as they continue to be light and truth.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. Carmichael, **HR 6052**, by Reps. Carmichael and Hawkins, as follows, was introduced and adopted:

HR 6052—A RESOLUTION commending hospitals in the state of Kansas for offering, and urging them to continue offering, inpatients, 65 years of age and older, immunization against the influenza virus prior to their discharge.

A RESOLUTION commending hospitals in the state of Kansas for offering, and urging them to continue offering, inpatients, 65 years of age and older, immunization against the influenza virus prior to their discharge.

WHEREAS, Influenza can be life-threatening for people 65 years of age and older, because it has long been recognized that people of this age group are at greater risk for serious complications from the flu, compared with young, healthy adults; and

WHEREAS, It has been estimated that 90% of seasonal flu-related deaths and more than 60% of seasonal flu-related hospitalizations in the United States occur each year in people 65 years of age and older; and

WHEREAS, In accordance with the latest recommendations of the Advisory Committee on Immunizations Practices of the Centers for Disease Control and Prevention, hospitals in the state of Kansas are commended for offering, and urged to continue offering, from October 1 through March 1 of each year, immunization against the influenza virus to inpatients 65 years of age and older, prior to discharge, unless contraindicated for such patients; and

WHEREAS, Nothing in this resolution should be construed to be a mandate upon hospitals to offer this vaccine to elderly patients: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we commend hospitals in the state of Kansas for offering, and urge them to continue offering, inpatients, 65 years of age and older, immunization against the influenza virus prior to their discharge; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Representative Carmichael.

There being no objection, the following remarks of Rep. Carmichael are spread upon the Journal:

Kansas has always led the nation in the field of public health, and in the prevention of the spread of communicable disease. Though out the early 1900's Dr. Samuel Crumbine, a member of the Kansas State board of Health and Dean of the University of Kansas School of Medicine (and incidentally, the man upon whom the character of "Doc Adams" on *Guns Smoke* was based) campaigned to "Ban the Public Drinking Cup," "Throw out the Common Roller Towel," and "Swat the Fly." These were all steps designed to prevent the spread of communicable disease.

Following the great influenza, or flu, pandemic of 1918 Wesley Hospital, now Wesley Medical Center in Wichita, opened the Fresh Air Baby Camp in Riverside Park in my district. The camp was designed to prevent the spread of not only influenza but also to allow infants to thrive in the fresh air, free from unnecessary exposure to viruses. Today the camp, later known as "The Girl Scout House" has been placed on the National Register of Historic Places and is being restored with the help of the

Heritage Trust Fund and the Wichita Parks Foundation, in part to serve as a reminder of my community's efforts to prevent the spread of communicable disease.

Today, we can rely on more than just fresh air to prevent the spread of influenza. Today we have flu shots. While this resolution commends Kansas hospitals for providing flu shots to Kansas seniors, it also serves as a reminder to all of us myself included, to get our flu shot, not only for ourselves, but also to preserve the health of those we meet, even here in the Statehouse.

So, along with the Chair of the House Health and Human Services Committee, Rep. Hawkins, I move the adoption of the resolution.

Journal of the House

FORTY-THIRD DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Thursday, March 17, 2016, 11:00 a.m.

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 120 members present.

Reps. Boldra, Edmonds, Frownfelter, Hutchins and Victors were excused on excused absence by the Speaker.

Prayer by guest chaplain, David Hintz, senior pastor, Flint Hills Christian Church, Emporia, and guest of Rep. Mast:

Father, your word tells us in:

Romans 13:1 Let every person be subject to the governing authorities. For there is no authority except from God, and those that exist have been instituted by God.

You have appointed each and every member of this congress. They have been entrusted with an authority which is from you. So Lord I pray that they will see such authority as a stewardship.

May they make decisions in light of:

Micah 6:8 He has told you, O man, what is good; and what does the LORD require of you but to do justice, and to love kindness, and to walk humbly with your God?

Keep them from partiality and help them to be right and fair in their decisions. And if they must error, may they error on the side of love and kindness. Further, may they humble themselves before you being quick to seek your guidance, counsel, strength, and forgiveness. And may they humble themselves before each other, seeking to understand, engage, and converse with kindness and respect.

Father, no one blends all these attributes better than your son. As a judge He found us guilty of breaking the law. And as friend, he laid down his life for the lawbreakers. And as the risen King He waits to return to rule with love and righteousness. May we all look to him for hope, guidance, and deliverance.

In Jesus Name, AMEN.

The Pledge of Allegiance was led by Rep. Ousley.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Read are spread upon the Journal:

Today we honor Kevin Gleason and Bill Johnston, Vocational Agriculture Educators from Southeast Kansas. Kevin is completing his 35th year at Uniontown Junior/Senior High School and Bill is completing his 33rd year instructing agriculture, with 25 years at Jayhawk-Linn High School.

Kevin and Bill have motivated and instructed many student-learners to become whole persons who embrace the dignity of work and who labor to do good in their career, family, and community.

Citizenship instruction has also been a major part of their instruction through advising students in Future Farmers of America chapters. Their leadership has helped students rise to be FFA district officers and several FFA State Presidents. Numerous students in their program have achieved FFA degrees, including American FFA degrees, which is the highest award an FFA member can receive.

Bill and Kevin are also dedicated to lead their profession through the Kansas Association of Agriculture Educators. Bill is current president and Kevin is a past president.

Kansas owes much gratitude for the rich service given by our state's educators, and today;

We especially honor Kevin Gleason and Bill Johnston for dedicating themselves to bringing out the best in the youth under their care.

Rep. Read presented Mr. Gleason and Mr. Johnston with House certificates.

MESSAGES FROM THE SENATE

Announcing the Senate here with transmits the veto message from the Governor on **SB 250**,

AN ACT concerning state building construction; relating to the monthly reports of progress; making and concerning appropriations for the fiscal years ending June 30, 2016, and June 30, 2017, for various state agencies; concerning the Docking state office building; amending K.S.A. 2015 Supp. 75-1264 and repealing the existing section., received on March 4, 2016 and read on March 7, 2016.

Message from the Governor

“For decades, our state government has been dealing with the serious decline in the condition of the Docking State Office Building. Docking served as the workplace for thousands of our state employees since 1957, and houses the energy center for the capitol complex, but is no longer a viable facility.

In April 2014, the Legislature passed and I signed **Senate Bill 423**, authorizing the demolition of Docking and the construction of a new energy center. Pursuant to my constitutional authority and obligation under Article 1, Section 3 of the state Constitution, my administration commenced the task of implementing this legislation. That work included the transfer of state employees out of Docking and into better office space and working conditions, the planned construction of a new energy center for the capitol complex, and other preparations for the eventual demolition of Docking. The building is expected to be vacant, with minor exceptions, by this summer, and the Department of Administration had entered into contracts to finance and construct the new energy center.

Early in this Legislative session, my administration was approached by members of the Legislature who believed the plans for Docking – in particular, the soon-to-be-commenced construction of the energy center – should be reexamined. I listened to their concerns, and at my direction the Department of Administration terminated the construction contract for the energy center on February 19, 2016. Because that contract already has been cancelled, the provisions of this bill purporting to eliminate the funding appropriation for the contract are no longer necessary.

Accordingly, pursuant to Article 2, Section 14(a) of the Constitution of the State of Kansas, I hereby veto **Senate Bill 250**.”

Dated: March 4, 2016

Signed: Sam Brownback, *Governor of Kansas*

A motion was made that **SB 250** be passed notwithstanding the Governor's veto. By a vote of 26 Yeas and 13 Nays, the motion failed to receive the required two-thirds constitutional majority of the elected members or appointed to the Senate and the veto was sustained.

Announcing a line item veto message from the Governor, together with the enrolled copy of **H Sub for SB 161**, AN ACT making and concerning appropriations for the fiscal years ending June 30, 2016, June 30, 2017, and June 30, 2018, for the state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 75-3722 and K.S.A. 2015 Supp. 68-2320, 74-4914d, 74-4920, 74-50,107, 74-99b34, 75-2319 and 79-34,161 and repealing the existing sections., received on March 4, 2016 and read on March 7, 2016.

Message from the Governor

I want to thank the members of the Legislature for their work in completing a budget bill at this relatively early stage of the session. As we all know, there is more work to be done, but this bill makes significant progress. I look forward to working with the Legislature on the remaining issues before us.

Pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return **House Substitute for Senate Bill 161** with my signature approving the bill, except for the items enumerated below.

Department of Commerce – STAR Bonds

Sections 35(g) and 36(f) are vetoed in their entirety. These provisions would bar any consideration or approval of STAR Bond projects in Wyandotte County until FY 2018. I do not believe there is any precedent for this kind of discrimination against one county in connection with economic development programs. The vetoed provisions here effectively would be repealed by the passage of other legislation containing certain STAR Bond reforms. My administration has been working with the Legislature on those reforms and will continue to do so. I look forward to receiving acceptable legislation before the end of the session. In my view, this approach to reform is much preferred over that taken in this bill.

Department for Aging and Disability Service – Mental Health Screenings

Section 48(o) is vetoed in its entirety. In October 2015, the Department for Aging and Disability Services discontinued its policy of requiring mental health screenings prior to admission to inpatient psychiatric beds at community hospitals and residential treatment facilities. The screenings were discontinued based on a threatened loss of funding from the federal government. The provision at issue here would return to the former policy, at a cost of \$1.8 million. While that cost may be justified by the benefits to be obtained from the screenings, approving this provision could additionally jeopardize substantial federal funding of inpatient Medicaid services. I would be pleased to revisit this issue if the state receives new and different assurances from the federal government on the matter.

Dated: March 4, 2016

Signed: Sam Brownback, *Governor of Kansas*

A motion was made that, notwithstanding the Governor's objection, the line item vetoes of sections 35(g) and 36(f) be reconsidered.

By a vote of 30 Yeas and 8 Nays, the motion having received the required two-thirds constitutional majority vote of the members elected or appointed to the Senate, voting in the affirmative, the line items did pass.

There being no motion to reconsider on section 48(o), that line item veto was sustained.

"Sec. 61. K.S.A. 75-3722 is hereby amended to read as follows: 75-3722. An allotment system will be applicable to the expenditure of the resources of any state

agency, under rules and regulations established as provided in K.S.A. 75-3706, and amendments thereto, only if in the opinion of the secretary of administration on the advice of the director of the budget, the use of an allotment plan is necessary or beneficial to the state. In making this determination the secretary of administration shall take into consideration all pertinent factors including: (1) Available resources; (2) current spending rates; (3) work loads; (4) new activities, especially any proposed activities not covered in the agency's request to the governor and the legislature for appropriations; (5) the minimum current needs of each agency; (6) requests for deficiency appropriations in prior fiscal years; (7) unexpended and unencumbered balances; and (8) revenue collection rates and prospects.

Whenever for any fiscal year it appears that the resources of the general fund or any special revenue fund are likely to be insufficient to cover the appropriations made against such general fund or special revenue fund, the secretary of administration, on the advice of the director of the budget, shall, in such manner as he or she may determine, inaugurate the allotment system so as to assure that expenditures for any particular fiscal year will not exceed the available resources of the general fund or any special revenue fund for that fiscal year. The allotment system shall not apply to the legislature or to the courts or their officers and employees, or to payments made from the juvenile justice improvement fund, established in section 13, and amendments thereto, for the development and implementation of evidence-based community programs and practices for juvenile offenders and their families. Agencies affected by decisions of the secretary of administration under this section shall be notified in writing at least ~~thirty (30)~~ 30 days before such decisions may become effective and any affected agency may, by written request addressed to the governor within ~~ten (10)~~ 10 days after such notice, ask for a review of the decision by the finance council. The finance council shall hear appeals and render a decision within ~~twenty (20)~~ 20 days after the governor receives requests for such hearings.

Sec. 62. K.S.A. 75-6704 is hereby amended to read as follows: 75-6704. (a) The director of the budget shall continuously monitor the status of the state general fund with regard to estimated and actual revenues and approved and actual expenditures and demand transfers. Periodically, the director of the budget shall estimate the amount of the unencumbered ending balance of moneys in the state general fund for the current fiscal year and the total amount of anticipated expenditures, demand transfers and encumbrances of moneys in the state general fund for the current fiscal year. If the amount of such unencumbered ending balance in the state general fund is less than \$100,000,000, the director of the budget shall certify to the governor the difference between \$100,000,000 and the amount of such unencumbered ending balance in the state general fund, after adjusting the estimates of the amounts of such demand transfers with regard to new estimates of revenues to the state general fund, where appropriate.

(b) Upon receipt of any such certification and subject to approval of the state finance council acting on this matter which is hereby declared to be a matter of legislative delegation and subject to the guidelines prescribed by ~~subsection (e) of K.S.A. 75-3711c(c)~~, and amendments thereto, the governor may issue an executive order reducing, by applying a percentage reduction determined by the governor in accordance with this section; (1) The amount authorized to be expended from each appropriation from the state general fund for the current fiscal year, other than any item of appropriation for debt service for payments pursuant to contractual bond obligations

or any item of appropriation for employer contributions for the employers who are eligible employers as specified in ~~subsections (1), (2) and (3)~~ of K.S.A. 74-4931 (1), (2) and (3), and amendments thereto, under the Kansas public employees retirement system pursuant to K.S.A. 74-4939, and amendments thereto, or for payments made from the juvenile justice improvement fund for the development and implementation of evidence-based community programs and practices for juvenile offenders and their families; and (2) the amount of each demand transfer from the state general fund for the current fiscal year, other than any demand transfer to the school district capital improvements fund for distribution to school districts pursuant to K.S.A. 75-2319, and amendments thereto.

(c) The reduction imposed by an executive order issued under this section shall be determined by the governor and may be equal to or less than the amount certified under subsection (a). Except as otherwise specifically provided by this section, the percentage reduction applied under subsection (b) shall be the same for each item of appropriation and each demand transfer and shall be imposed equally on all such items of appropriation and demand transfers without exception. No such percentage reduction and no provisions of any such executive order under this section shall apply or be construed to reduce any item of appropriation for debt service for payments pursuant to contractual bond obligations or any item of appropriation for employer contributions for the employers who are eligible employers as specified in ~~subsections (1), (2) and (3)~~ of K.S.A. 74-4931 (1), (2) and (3), and amendments thereto, under the Kansas public employees retirement system pursuant to K.S.A. 74-4939, and amendments thereto, or any demand transfer to the school district capital improvements fund for distribution to school districts pursuant to K.S.A. 75-2319, and amendments thereto. The provisions of such executive order shall be effective for all state agencies of the executive, legislative and judicial branches of state government.

(d) If the governor issues an executive order under this section, the director of accounts and reports shall not issue any warrant for the payment of moneys in the state general fund or make any demand transfer of moneys in the state general fund for any state agency unless such warrant or demand transfer is in accordance with such executive order and such warrant or demand transfer does not exceed the amount of money permitted to be expended or transferred from the state general fund.

(e) Nothing in this section shall be construed to: (1) Require the governor to issue an executive order under this section upon receipt of any such certification by the director of the budget; or (2) restrict the number of times that the director of the budget may make a certification under this section or that the governor may issue an executive order under this section.";

Journal of the House

FORTY-FOURTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Friday, March 18, 2016, 11:00 a.m.

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 123 members present.

Reps. Edmonds and Frownfelter were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

God of the ages,
We thank You for this new day
and all the opportunities and privileges it holds for us.
Lord, throughout history You have revealed yourself to humankind.
Whether through a burning bush, a pillar of fire by night,
a cloud by day, a dream or vision,
a soft whisper, through a descending dove
or through an audible voice—
when You spoke they knew it was You and listened.
We sometimes wish you would speak this dramatically today
to let us know Your will and direction.
The reality is that You still speak to us today,
we just need to learn how to listen.
Today I pray for these leaders to be able to listen
to Your still small voice of
wisdom, discernment and guidance.
In Christ's Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Corbet.

(b) The petition may be accompanied by a report of an examination and evaluation of the proposed ward or ward conducted by an appropriately qualified professional,

which shows that the criteria set out in K.S.A. 39-1803, ~~subsection (e)~~ of K.S.A. 59-2946~~(e)~~, ~~subsection (f)~~ of K.S.A. 59-29b46~~(h)~~ or K.S.A. 76-12b03, and amendments thereto, are met.

(c) Upon the filing of such a petition, the court shall issue the following:

(1) An order fixing the date, time and place of a hearing on the petition. Such hearing, in the court's discretion, may be conducted in a courtroom, a treatment facility or at some other suitable place. The time fixed in the order shall in no event be earlier than seven days or later than 21 days after the date of the filing of the petition. The court may consolidate this hearing with the trial upon the original petition filed pursuant to K.S.A. 59-3058, 59-3059, 59-3060 or 59-3061, and amendments thereto, or with the trial provided for in the care and treatment act for mentally ill persons or the care and treatment act for persons with an alcohol or substance abuse problem, if the petition also incorporates the allegations required by, and is filed in compliance with, the provisions of either of those acts.

(2) An order requiring that the proposed ward or ward appear at the time and place of the hearing on the petition unless the court makes a finding prior to the hearing that the presence of the proposed ward or ward will be injurious to the person's health or welfare, or that the proposed ward's or ward's impairment is such that the person could not meaningfully participate in the proceedings, or that the proposed ward or ward has filed with the court a written waiver of such ward's right to appear in person. In any such case, the court shall enter in the record of the proceedings the facts upon which the court has found that the presence of the proposed ward or ward at the hearing should be excused. Notwithstanding the foregoing provisions of this subsection, if the proposed ward or ward files with the court at least one day prior to the date of the hearing a written notice stating the person's desire to be present at the hearing, the court shall order that the person must be present at the hearing.

(3) An order appointing an attorney to represent the proposed ward or ward. The court shall give preference, in the appointment of this attorney, to any attorney who has represented the proposed ward or ward in other matters, if the court has knowledge of that prior representation. The proposed ward, or the ward with the consent of the ward's conservator, if one has been appointed, shall have the right to engage an attorney of the proposed ward's or ward's choice and, in such case, the attorney appointed by the court shall be relieved of all duties by the court. Any appointment made by the court shall terminate upon a final determination of the petition and any appeal therefrom, unless the court continues the appointment by further order.

(4) An order fixing the date, time and a place that is in the best interest of the proposed ward or ward, at which the proposed ward or ward shall have the opportunity to consult with such ward's attorney. This consultation shall be scheduled to occur prior to the time at which the examination and evaluation ordered pursuant to subsection (d) (1), if ordered, is scheduled to occur.

(5) A notice similar to that provided for in K.S.A. 59-3066, and amendments thereto.

(d) Upon the filing of such a petition, the court may issue the following:

(1) An order for a psychological or other examination and evaluation of the proposed ward or ward, as may be specified by the court. The court may order the proposed ward or ward to submit to such an examination and evaluation to be conducted through a general hospital, psychiatric hospital, community mental health

center, community developmental disability organization, or by a private physician, psychiatrist, psychologist or other person appointed by the court who is qualified to examine and evaluate the proposed ward or ward. The costs of this examination and evaluation shall be assessed as provided for in K.S.A. 59-3094, and amendments thereto.

(2) If the petition is accompanied by a report of an examination and evaluation of the proposed ward or ward as provided for in subsection (b), an order granting temporary authority to the temporary guardian or guardian to admit the proposed ward or ward to a treatment facility and to consent to the care and treatment of the proposed ward or ward therein. Any such order shall expire immediately after the hearing upon the petition, or as the court may otherwise specify, or upon the discharge of the proposed ward or ward by the head of the treatment facility, if the proposed ward or ward is discharged prior to the time at which the order would otherwise expire.

(3) For good cause shown, an order of continuance of the hearing.

(4) For good cause shown, an order of advancement of the hearing.

(5) For good cause shown, an order changing the place of the hearing.

(e) The hearing on the petition shall be held at the time and place specified in the court's order issued pursuant to subsection (c), unless an order of advancement, continuance, or a change of place of the hearing has been issued pursuant to subsection (d). The petitioner and the proposed ward or ward shall each be afforded an opportunity to appear at the hearing, to testify and to present and cross-examine witnesses. If the hearing has been consolidated with a trial being held pursuant to either the care and treatment act for mentally ill persons or the care and treatment act for persons with an alcohol or substance abuse problem, persons not necessary for the conduct of the proceedings may be excluded as provided for in those acts. The hearing shall be conducted in as informal a manner as may be consistent with orderly procedure. The court shall have the authority to receive all relevant and material evidence which may be offered, including the testimony or written report, findings or recommendations of any professional or other person who has examined or evaluated the proposed ward or ward pursuant to any order issued by the court pursuant to subsection (d). Such evidence shall not be privileged for the purpose of this hearing.

(f) Upon completion of the hearing, if the court finds by clear and convincing evidence that the criteria set out in K.S.A. 39-1803, ~~subsection (e) of K.S.A. 59-2946(e), subsection (f) of K.S.A. 59-29b46(h)~~ or K.S.A. 76-12b03, and amendments thereto, are met, and after a careful consideration of reasonable alternatives to admission of the proposed ward or ward to a treatment facility, the court may enter an order granting such authority to the temporary guardian or guardian as is appropriate, including continuing authority to the guardian to readmit the ward to an appropriate treatment facility as may later become necessary. Any such grant of continuing authority shall expire two years after the date of final discharge of the ward from such a treatment facility if the ward has not had to be readmitted to a treatment facility during that two-year period of time. Thereafter, any such grant of continuing authority may be renewed only after the filing of another petition seeking authority in compliance with the provision of this section.

(g) Nothing herein shall be construed so as to prohibit the head of a treatment facility from admitting a proposed ward or ward to that facility as a voluntary patient if the head of the treatment facility is satisfied that the proposed ward or ward at that time

has the capacity to understand such ward's illness and need for treatment, and to consent to such ward's admission and treatment. Upon any such admission, the head of the treatment facility shall give notice to the temporary guardian or guardian as soon as possible of the ward's admission, and shall provide to the temporary guardian or guardian copies of any consents the proposed ward or ward has given. Thereafter, the temporary guardian or guardian shall timely either seek to obtain proper authority pursuant to this section to admit the proposed ward or ward to a treatment facility and to consent to further care and treatment, or shall otherwise assume responsibility for the care of the proposed ward or ward, consistent with the authority of the temporary guardian or guardian, and may arrange for the discharge from the facility of the proposed ward or ward, unless the head of the treatment facility shall file a petition requesting the involuntary commitment of the proposed ward or ward to that or some other facility.

Journal of the House

FORTY-FIFTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Monday, March 21, 2016, 9:00 a.m.

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 123 members present.

Reps. Helgeson and Kelley were excused on excused absence by the Speaker.

Present later: Reps. Helgeson, Kelley.

Prayer by Rabbi Zalman Tiechtel, Rohr Chabad Center for Jewish Life, Lawrence, and guest of Rep. Highberger:

Almighty G-d, Master of the Universe.

The members of this honorable House of Representatives of the State of Kansas, gather here today to do the people's business in good faith and with selfless dedication. In doing so, they fulfill a fundamental precept, which, according to sacred Biblical tradition, You first issued to Adam at the time of his creation and to Noah after the Great Flood - the commandment to govern by just laws.

At mankind's beginning, You issued forth seven universal commandments for all humanity to heed, which came to be known as the "Seven Noahide Laws". The last of those precepts is that every society legislate for itself a system of law, order and social justice, based on the recognition and acknowledgment of You, Almighty G-d, as the Sovereign ruler of all people and of all nations.

Almighty G-d, you created us all in love. Teach us to love all that is good and beautiful in this world.

Teach us to honor the dignity of difference, recognizing that one that is not in our image is nonetheless in your image. Never forgetting that the people not like us, are still people, like us.

At this fateful moment in the human story, bless us all, that we may be a blessing to others.

Guide the nations of the world to honor you by honoring one another. So that by reaching out in love, we may turn enemies into friends and become your family on earth as you are our parent in heaven.

Grant us, Almighty G-d, that those assembled here to enact

laws to govern this blessed State of Kansas be cognizant of Your presence and conduct their deliberations accordingly. Allow them to debate their differences vigorously, but to remember foremost that to legislate for the common good of the people is not only a civic privilege, but also a divinely mandated responsibility.

May they contemplate and bear in mind as they engage in the enactment of just and benevolent law and public policy that in doing so they are fulfilling Your G-dly will. Amen.

The Pledge of Allegiance was led by Rep. Highberger.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Mast are spread upon the Journal:

Today we'd like to recognize Colby Johnson, a junior at Burlington High School, who won the class 4A State Wrestling Championship this past month. This win tops off an excellent year for Colby, in which he earned his 100th career win and was also recognized as both the Outstanding Wrestler at the Burlington Invitational and Regional Wrestler of the Year at the Columbus Class 4A Regional Tournament. Colby was one of two wrestlers to enter the state tournament undefeated. This year, he made Burlington High School history by becoming the second Burlington wrestler to earn an individual state championship and the first to post an undefeated season with a record of 45-0.

With him today are his parents, Tim and Kristy Johnson, his brother Cael, and his coach, Doug Vander Linden, whose encouragement and support I'm sure has played a huge part in his success.

Congratulations Colby, on your superior proof of strength and agility. We're proud of you.

Rep. Mast presented Colby Johnson and Coach Linden with House certificates.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Highberger are spread upon the Journal:

A few weeks ago I had the opportunity to attend the annual Boys and Girls Club Youth of the Year event here in Topeka. There I got to hear the stories of ten amazing young people who have worked against long odds to improve their lives and to give back to their communities in service to others. Quite a few of you here today were also there, and I am sure that you were as glad as I was that I didn't have to be one of the judges and to have to choose a winner from among those talented and hard-working kids.

But the judges did have to choose, and they selected Jazmyne McNair of Lawrence as 2016 Kansas Boys & Girls Club Youth of the Year. I'd like to tell you a little bit about Jazmyne.

Jazmyne McNair embodies academic success and good character and citizenship every day. As a junior at Lawrence High School, Jazmyne balances a multitude of

extracurricular activities, school projects, working at the Boys & Girls Club, and even finds time to teach Sunday School classes. Her commitment to being in the community is as evident as her passion for helping others find their voice and use it.

Jazmyne has been a member of the LHS orchestra for three years, the choir for three years, the forensic team for three years, and has been part of more than 10 concerts and plays. This forensics season Jazmyne is a two-time State Qualifier, which includes five top-five finishes. In March, she was selected to travel to Chicago with the LHS Symphonic, Philharmonic, and Concert Orchestras.

Away from school, Jazmyne is equally diligent. Since seventh grade, she has volunteered as a Sunday school teacher for all age levels at her church. She is also active with empowering fellow women in her school and community. Though she is still a year away from college, she has aspirations of majoring in music therapy or music education at Kansas State University.

As winner of the state title, Jazmyne will take part in the Southwest Regional Youth of the Year contest June 20 in Dallas. She is joined here today by her mother, Melissa Johnson, Alissa Bauer, Director of Marketing at the Boys & Girls Club of Lawrence, and Colby Wilson, Executive Director of the Boys & Girls Club of Lawrence.

Friends, please join me in congratulating Jazmyne McNair, the 2016 Kansas Boys & Girls Club Youth of the Year.

Rep. Highberger presented Ms. McNair with a framed House certificate.

MESSAGES FROM THE GOVERNOR

HB 2438 approved on March 18, 2016.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. Peck, **HR 6053**, by Rep. Peck, as follows, was introduced and adopted:

HR 6053—A RESOLUTION honoring Frank Foster for his service in World War II, the Korean War and the Vietnam War.

WHEREAS, Frank Foster is one of a small number of Americans still living who served in the United States Armed Forces during World War II, the Korean War and the Vietnam War; and

WHEREAS, Frank Foster served the U.S. Navy as a mechanic for 25 years, from 1942 through 1967, and spent time in Pearl Harbor, Australia, Hong Kong, China,

Singapore, Saudi Arabia, the Suez Canal, the Sahara Desert, the Mediterranean Sea, Gibraltar, Morocco, Norway, England, the Panama Canal, Korea, Vietnam and Japan; and

WHEREAS, Between his deployments to Korea and Vietnam, Frank Foster married his wife, Norma, in 1959 and, together, they raised a family in Elk City, Montgomery County, Kansas; and

WHEREAS, Frank Foster instilled in his five children a deep love and respect for their country and they all went on to serve in the U.S. Armed Forces; and

WHEREAS, The freedoms and security we cherish as Kansans and Americans come at a very high price for those serving in the military, especially in times of conflict. It is, therefore, fitting and proper that we, the beneficiaries of those who risk their lives, express our appreciation and gratitude for their sacrifices and courageous acts at every given opportunity: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we honor Frank Foster for his military service in World War II, the Korean War and the Vietnam War; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send two enrolled copies of this resolution to Representative Peck.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Peck are spread upon the Journal:

Today we have one of those once in a legislative career opportunities. Not only will we recognize the boys in blue for a World Series Championship, but we have the privilege of honoring a great American Patriot – Frank Foster.

The 94 year-old man standing before you today is a three-war military veteran. Frank Foster served in the U.S. Navy during three wars that involved the United States; World War II, the Korean War, and the Vietnam War. The number of veterans still living who fought for American freedoms in World War II is getting smaller by the month. Additionally, the number of Americans who were willing to give of themselves by serving our nation in World War II, Korea, and Vietnam was not that large to begin with and it is getting very small. Therefore, it is fitting that we bestow special honor today in recognizing and thanking Frank Foster for his sacrificial service to help make this the greatest nation in modern history.

Not only do we thank Frank Foster for a courageous, 25-year military career, but we thank Frank and his wife Norma for instilling a great love of country in their five children. All five of Frank and Norma's children also served in the United States military. Their oldest, Michael, served in the US Army and retired from the Army National Guard; Greg attended the US Naval Academy and served in the Navy Reserves; James retired from the US Army Special Forces; Charles served in and retired from the US Air Force; and their youngest, and only girl, Michelle served eight years in the US Navy. When you add it all up, Frank Foster and his five children served in the United States Armed Forces for a total of 129 years.

Please join me in thanking and honoring a Great American – Frank Foster

Be it further resolved: That the Chief Clerk of the House of Representatives shall send enrolled copies of this resolution to the Kansas City Royals baseball club.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Schwab are spread upon the Journal:

Colleagues,

“We’re all told some at point in time that we can no longer play the children’s game. Some of us are told at 18, some of us are told at 40. But we’re all told”

That is one of my favorite lines from the movie, “Moneyball”. It puts into perspective what baseball is. It is a kids game kids play. And a select few get to play the kids game like kids while being grown ups. I remember being that kid, lying on the living room floor in 1985 when Denny Mathews said, “And no outs to go.” The Kansas City Royals got their first World Series Trophy.

Last November 3 of my 4 boys were lying on the living room floor watching men, play baseball like little kids. Taking chances, stealing home, making clutch hits, secret handshakes, high fives, gatorade baptisms, a catcher harassing a center fielder, a first baseman who has his own haircut.....that my son Caleb right their is sporting.....a magic number 1738, and a rookie driving in the ahead run.

This time we would hear Ryan Lefebvre say, “One ball, two strikes. Davis comes to the plate...Strike three called!!!! They’ve done it!! The Royals are World Series Champions.The World Champion Kansas City Royals.”

I have with me here today the famous KayCee, Curt Nelson—Director of the Royals Hall of Fame, and Toby Cook, Vice President of Publicity.

Gentleman, please send our thank to Mr. Glass, Mr. Dayton Moore, Coach Ned Yost, and all the men who played the boys game like grown boys and brought home that piece of hardware right there.....The World Series Trophy. And Thank you for the memories you gave myself and my four sons and the entire region.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Esau, **HR 6047**, A RESOLUTION encouraging the department of health and environment to develop guidelines for the disposal of household generated sharps, was adopted.

There being no objections, the following remarks of Rep. Esau are spread upon the Journal:

As some of you know, I have been a Type I diabetic for almost 35 years. This means I give myself injections of insulin and test my blood sugar several times a day.

Each injection and every test requires the use of a “sharp” item – either a needle or a lancet. These sharps must be disposed safely after each use and as such, I place them in a plastic container and seal and dispose of that container when it is full.

In the 35 years I have been diabetic, I have never received instruction on how to properly dispose of these sharps. While I researched and found the proper way, it is unfortunate that many people who must dispose of sharps mistakenly place them in with the recyclable items.

This resolution would help on instruction of proper disposal.

No objection was made to **SB 443** appearing on the Consent Calendar for the first day.

A parent may file a complaint under the state board of education complaint process within 30 days from the date a final decision is issued pursuant to the local dispute resolution process. If a school is aware that a law enforcement officer or school resource officer has used seclusion, physical restraint or mechanical restraint on a student, the school shall notify the parent the same day using the parent's preferred method of contact. A school shall not be required to provide written documentation to a parent, as set forth in subsection (a)(1) regarding law enforcement use of an emergency safety intervention, or report to the department law enforcement use of an emergency safety intervention. Journal of the House

FORTY-SIXTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Tuesday, March 22, 2016, 9:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Mast in the chair.

The roll was called with 125 members present.

Prayer by Chaplain Brubaker:

Almighty Loving God,
 We thank You for this Holy Week,
 where we can pause to remember just how much You love us.
 Help us to never forget that Your love is unconditional
 and it is for everyone.
 As days get a little longer with more discussion and debate,
 I pray that if these leaders are wrong,
 You will right them;
 if they get lost in what to do,
 You will guide them into Your will;
 if any of them start to give up,
 You will keep them going;
 Lead them in Your light and love.
 For those who lost their lives in Brussels,
 I pray for their families – the city – the country
 as they deal with this tragedy.
 In Christ's Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Gallagher.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Todd are spread upon the Journal:

I want to briefly turn our attention to the events in Brussels, Belgium. For those that do not know, there were two attacks. One occurred at the Zaventem airport and another at the Molenbeek metro stop. At least 31 people are dead and dozens have been injured. This is four days after the capture of Salah Abraham in Brussels. He is the main suspect in the Paris attacks from last November. As it is so soon after the events it is unclear what will happen next. It is still all together proper for us to take a moment to share our thoughts and prayers for the innocent victims of these horrible attacks.

Renew their faith to make a difference for others.
Remind them of the suffering and the vulnerable.
Ready them to withstand the criticism
when they know what is right before You.
Reaffirm them when they are characterized

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Houston are spread upon the Journal:

Rep. Finney and I are here today with a two-fold purpose: One is to celebrate and recognize International Children's Book Day, which is an annual event held on April 2: which is also the birth date of Hans Christian Andersen, the famous author who wrote some classic fairytales such as the "Little Mermaid," "The Snow Queen," "The Ugly Duckling," "The Nightingale" and many more. The celebration is sponsored by the International Board on Books for Young People (IBBY) with the goal to "inspire a love of reading and to call attention to children's books."

I think we would all agree that books open new worlds of possibilities for children and taking the time and making the investment into our children's education, when they are young, helps them to be more prepared for what the future will bring to them.

Also, we want to welcome and congratulate Storytime Village, Inc., who since 2009; with the support of parents and the community, are fostering a lifelong love of reading in underserved Kansas children from birth to age 8." Standing on the ancient African proverb "it takes a village to raise a child", they strive to give every child in Kansas, regardless of their socioeconomic background, race, and/or gender the opportunity for a better future through literacy.

Since its inception in 2009, Storytime Village has been dedicated to helping the youngest in our communities thrive through partnerships that provide early childhood development, family engagement fostered through reading, and better access to books.

We would ask that you join us in congratulating Ms. Prisca Barnes-Founder and CEO, staff and supporters of Storytime Village, Inc. for their great efforts in reaching out to our communities and helping children through this great program.

Rep. Houston presented them with a House certificate.

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Representatives DeGraaf, Claeys, Gonzalez and Waymaster.

INTRODUCTION OF GUESTS

There being no objection, the following remarks are spread upon the Journal:

Remarks of Rep. Waymaster:

The U.S. Senate designated April as Parkinson's Awareness Month for the first time on March 26th, 2010 when S. Res. 474 was passed by unanimous consent.

Today, for the fourth consecutive year, we join with our nation and other states in showing our support of those who suffer from Parkinson's Disease. Committed to a cure, we stand with patients, family members, friends, advocates and caregivers. I'm honored to be co-sponsoring this year's proclamation with Rep. Claeys, Rep. Gonzalez, and Rep. DeGraaf, our friend and colleague who has Parkinson's disease. I'm also pleased to welcome back Rep. Dannebohm, our former colleague, whose time serving in this chamber was cut short due to the affect the disease had on him.

Parkinson's Disease Awareness Month was first proclaimed by the Kansas House in 2013 when it was sponsored by Representative Ronald Ryckman (R-Meade). In 2014, the resolution was once again sponsored by Ryckman and co-sponsored by Representative Marshall Christmann (R-Lyons). In 2015, the resolution was co-sponsored by Representative Fred Patton (R-Topeka) and Representative Gail Finney (D-Wichita).

Parkinson's disease is a progressive neurological disorder and symptoms can vary from person to person. Although promising research is being conducted, there is currently no cure for or definitive cause of Parkinson's disease.

As many as 1 million Americans have the disease. In 2005, an estimated 5,500 Kansans suffered from Parkinson's Disease. By 2014, that number had increased to an estimated 14,000.

So as we recognize April as Parkinson's Awareness Month, we are mindful of those who struggle and pledge our support and encouragement to them in their fight against this terrible disease.

Remarks of Rep. Claeys:

Joining us here on the floor today are ...

• Lisa Reser from Ellinwood, Kansas. Mrs. Reser is a fifth grade teacher suffering from Parkinson's Disease. Though she faces the daily challenges of living with the disease, from the time she started her career as a child care provider to the present day as an educator, Lisa has been committed to the well being of Kansas children for more than 25 years. The disease forced her to retire but she refuses to let it take away her positive spirit. She, like so many who suffer, desire increased awareness and a cure. Lisa is accompanied by her husband, Scott, her daughters Ashley and Emily, and her grandchildren Harper, Hudson, Kobe, and Kade.

- Michelle Haub, Michelle is the co-creator and Director of the Parkinson's Program of Manhattan at Meadowlark Hills in Manhattan, KS. Here she leads an active program for those affected by PD with exercise & voice classes, education meetings, social activities, community outreach and fundraising. In 2014, the Parkinson's Program of Manhattan received the Excellence in Social Accountability Award from LeadingAge Kansas. Michelle is also an active volunteer as she was previously the Vice President for Professional Practices, a Committee Chair, and is the current Past President and on the Legislative Task Force for KSHA. Accompanying Michelle are Matthew Schindler, a Parkinson's patient and his wife, Susan.

- Representative J. Basil Dannebohm. In the summer of 2012, Dannebohm was diagnosed with Young Onset Parkinson's Disease. Since that time, he has been an advocate for Parkinson's Disease research, treatment and awareness. Representative Dannebohm travels across the country promoting awareness and offering encouragement to his fellow patients. His message has inspired numerous Parkinson's patients to live each day to the fullest. He has been the driving force each year behind this proclamation. Accompanying Representative Dannebohm is Courtney Blankenship. Miss Blankenship is currently the titleholder of Miss Yellow Brick Road and will compete this summer in the Miss Kansas Pageant. Whether running in a 5K, participating in an Art Exhibition, or traveling to promote Parkinson's awareness, Representative Dannebohm has always been able to rely on Courtney and her pageant sisters to assist in advancing the cause.

Will all of you join me in giving encouragement to these individuals, their loved ones and all Kansas with Parkinson's disease? Thank you.

Remarks of Rep. DeGraaf:

Today as we pause to recognize and learn more about those who struggle with Parkinson Disease, I want to express my personal thanks to each of you for your support and patience as I have worked through my need for back surgery and then the issues surrounding my recent Parkinson's disease (PD) diagnosis.

Early diagnosis of PD is important because there are new medicines and strategies to help people with PD mitigate their symptoms. If it had not been for my back challenges, it may have been another five or even ten years before I had diagnoses.

While each of us with Parkinson has a different journey, there are a number of similarities. On your desk is a handout that lists most of the common challenges. As I look back, if I had know the signs, the first indicator I received was my diminished sense of smell.

It was about a year ago today that I first learned I might have Parkinson's. Initially I felt devastated and then I began to learn about all the support that is available. I want to publicly thank Representative Basil Dannebohm, who took my wife and me to a national Parkinson's conference the day after my diagnosis, and Michelle Haub, who provides outstanding support programs through Meadowlark Hills, in Manhattan, Kansas. I also want to thank my wife, Karen, all the spouses, family members, and various caregivers that lovingly, with great patience and longsuffering, help us cope and know that we are not alone!

Remarks of Rep. Gonzalez:

Thank you House of Representatives for taking the time to become aware of Parkinson's disease. I was asked to share the effects of Parkinson's on me personally. I was diagnosed in 2011. I always proud of my handwriting, but it now it starts with big letters and they get smaller. I still enjoy life and being able to have fun with my grandkids. I walk slower, so don't run over me in the hallways. I again thank you all for your awareness of Parkinson's disease.

EXPLANATION OF VOTE

MR. SPEAKER: I VOTE NO ON SB 338. KANSAS ALREADY HAS SUFFICIENT TOOLS IN PLACE TO ADDRESS BLIGHT. **SB 338** circumvents our current eminent domain statutes by redefining “abandoned property” and by allowing our local governments to expeditiously confiscate, seize or destroy law abiding citizens' private property without compensation, adequate notice, and a legal property title. This is an egregious overreach that deprives some citizens of their private property rights without sufficient due process and it will cause irreparable harm to our most vulnerable citizens that do not have the resources to protect their property. — GAIL FINNEY, BRODERICK HENDERSON, RODERICK HOUSTON, BEN SCOTT, VALDENIA WINN, JOHN CARMICHAEL, KASHA KELLEY, BILL SUTTON, JERRY LUNN, CHARLES MACHEERS

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote yes on **S Sub for HB 2655**. There were three solutions identified. SB 512 and HB 2731, were fashioned after the prior formulas that the Supreme Court suggested would be one obvious choice and yet not one district supported the plan and the members of the respective committees that heard evidence on the bill did not believe it was the best option for Kansas schools. It includes a "hold harmless" provision that means no school districts lose funds. School districts testified that the hold harmless provision is necessary. I believe this bill, at this time, is the best option among those that I have seen. — MARC PHOADES, PEGGY MAST, JOHN WHITMER, LES MASON, JOHN BRADFORD, DENNIS HEDKE, BILL SUTTON, TONY BARTON, WILL CARPENTER, MIKE HOUSER, CHARLES MACHEERS, SHARON SCHWARTZ, BECKY HUTCHINS, CHUCK WEBER, S. MIKE KIEGERL, MARIO GOICO, STEVE HUEBERT, KYLE HOFFMAN, KEN CORBET, DICK JONES

MR. SPEAKER: I vote yes on **S Sub for HB 2655** because I want to respond to the

Supreme Court's concern over the equalization and, more importantly, because it will allow the legislature to focus on enacting a new school finance package, based upon input from the educational professionals, that will ensure that all Kansas children continue to receive the opportunity to pursue their chosen occupation through a suitable public education. – STEPHEN ALFORD, TROY WAYMASTER, JOE SEIWERT

MR. SPEAKER: I am voting YES today on **S Sub for HB 2655** for the purpose of keeping schools open. This plan misses the point of the equity portion of the Gannon case, provides no relief to the unequal tax burden facing certain districts in our state and perpetuates funding levels already ruled unconstitutional. However, there is nothing more important than ensuring our children have access to public education. Alternate options exist but this is the only one we have been given a chance to vote on. – SUZIE SWANSON, DIANA DIERKS, DON HILL, TOM MOXLEY, LARRY HIBBARD, GREG LEWIS, RAMON GONZALEZ, STEPHANIE CLAYTON, SUE BOLDRA, LINDA GALLAGHER, JOHN EWY

MR. SPEAKER: While I am doubtful **S Sub for HB 2655** is a solution that will satisfy the court, I am voting YES today for the purpose of keeping schools open. Better options could be developed but this is the only one we have been given a chance to vote on. It is unfortunate that this solution was crafted by a small minority of legislators without full deliberation or inclusion. – DON HINEMAN, MELISSA ROOKER

MR. SPEAKER: I vote to concur in **S Sub for HB 2655** even though I suspect it will not meet the Supreme Court's directive. The reason for my vote is to show the Court that the legislature is giving a good faith effort to meet our assignment and perhaps the Court, in turn, will pull back its deadline to close schools allowing more time for us to find a final workable solution. – STEVEN R. BECKER

MR. SPEAKER: I vote NO on **S Sub for HB 2655** because the equalization formula offered does not appreciably increase aid to schools. It shifts money within existing inadequate appropriated funds and has the probability of requiring increases in local mill levies. Providing flexibility to school districts to move funds between inadequately funded programs does not improve educational outcomes. Including KPERS contributions in the school finance formula does not add money to classrooms and educational outcomes. **S Sub for HB 2655** resembles rearranging the deck chairs on the Titanic. – TOM SLOAN

MR. SPEAKER: I vote no on **S Sub for HB 2655**. This bill does absolutely nothing to respond to the court's ruling, or to remedy the inequities in SB 7 (the Block Grant bill), which the Supreme Court has declared unconstitutional. Rather, this bill is a naked and brazen attempt by supporters to create a legislative record that would force the Court to keep schools open, while **not** responding to the constitutional demand for an equitable school finance system.

We believe that this legislation is unconstitutional on its face, and is simply an effort to manipulate the judicial process, along with public opinion. – PAM CURTIS, BRODERICK HENDERSON, VALDENIA WINN, SYDNEY CARLIN, TOM BURROUGHS, LOUIS RUIZ

Protest of Representatives Carmichael and Ward
Senate Substitute for House Bill 2655
March 24, 2016

Mr. Speaker:

Pursuant to Article 2, Section 10, of the Constitution of the State of Kansas we lodge this protest against Senate Substitute for House Bill No. 2655.

On February 9, 2016 one of the undersigned, Representative Carmichael, along with others introduced House Bill 2655, a bill to commemorate the laying of the cornerstone of the Kansas Capitol. Following full committee hearing and review, the bill was amended and recommended by a House standing committee for passage. Thereafter the amended bill was heard and debated by the House Committee of the Whole on February 22, 2016 and recommended favorably for passage. By emergency action of the full House on the same day, the bill was passed by the House of Representatives and forwarded to the Senate for its consideration.

The bill then remained a stranger to the House until hours prior to the House's First Adjournment on March 24, 2016, when it reappeared on a motion to concur with a substitute bill passed by the Senate the same morning. The substitute bill was never considered by a House standing or special committee, nor by the House Committee of the Whole. Instead, just hours after its passage by the Senate, the substitute bill arrived on the House floor for an up or down vote, without opportunity for receipt of testimony in committee nor an opportunity for full debate and amendment by members of the House.

The substitute bill which arrived on the House floor was described as a "legislative fix" for the constitutional infirmities in the so called "block grant" school funding plan passed by the House in the dark of night last year. In fact, the substitute bill does nothing to actually equalize purchasing power between districts resulting from differences in local wealth. Instead it is a freeze of equalization payments at the current levels accomplished through the artifice of a "hold harmless" provision that benefits wealthier school districts at the expense of poorer districts. The bill also violates the constitutional requirement of equity by expanding Local Option Budget (LOB) authority only for districts wealthy enough to afford local property tax increases. As a result the substitute bill not only violates the constitutional requirement of equity in purchasing power between districts through the so-called "hold harmless" provision, it also denies equity in tax burden for education between districts by sanctioning increases in LOB levies by wealthy districts the proceeds of which will now go to support operating budgets.

Given the necessary time constraints imposed on the Legislature by our Supreme Court's decision in *Gannon v. State of Kansas, et. al.*, _____ Kan. _____, Docket No. 113,267, February 11, 2016, which was itself made necessary by the Legislature's previous unconstitutional enactments, prudence would have dictated the Legislature find safe harbor in a system which has repeatedly been found by both the District Court

Three Judge Panel and our Supreme Court to be constitutionally equitable; namely, the prior equalization formulas. Those formulas, in combination, pass our Supreme Court's equity test, but this substitute bill does not. The substitute bill continues to create "winners and losers" as the attached chart and spreadsheet, which are incorporated by reference herein, graphically demonstrate. These charts and spreadsheets, provided to the Legislature by the Kansas State Department of Education, compare the substitute bill's effects with the prior equalization formulas previously found constitutional. Regrettably, this information was for the most part unavailable to House members in time for meaningful review prior to the passage of Senate Substitute for House Bill 2655 because the well-established committee process of the House was ignored in the members' rush to leave town for "spring break."

When compared to the prior equalization formulas, the substitute bill's disastrous effects on equity become apparent. The bill essentially switches the LOB equalization formula to a less generous equalization formula than was previously authorized. While the capital outlay equalization formula might have been approved by the courts for capital outlay it was not approved for LOB. LOB is a much larger component in classroom funding. This is the direct result of the Legislature's attempt to construct an educational funding formula based not on sound educational considerations and needs, but rather based on the amount of money available in the State General Fund following the disastrous tax loopholes created by the Legislature and Governor in 2012 and 2013. The bill prorates down the amount of LOB equalization to fit the currently available dollars. Such a proration was found unconstitutional by our Supreme Court in its first *Gannon* decision.

In addition, the "hold harmless" provisions in the substitute bill (described as "school district equalization state aid") allow wealthier districts to retain more resources and thereby retain the ability to provide greater educational opportunity than less wealthy districts. This allows the wealthier districts to keep the financial advantage bestowed upon them by the block grants enacted under 2015 House Substitute for Senate Bill 7 as compared with less financially fortunate districts. This runs directly counter to the purpose of equalization aid which is to "equalize" purchasing power between districts for educational needs. The bill instead ensures that wealthier districts maintain their financial advantage over less wealthy districts and therefore fails the Kansas Constitution's educational equity requirement.

Meanwhile, the substitute bill's funding scheme allows wealthy districts to distort the equalization system to their advantage in a way that less wealthy districts cannot. For example, Shawnee Mission USD 512, a district that regularly touts their ability to pass increased local school mill levies, could raise their mill levy to completely backfill the \$3,040,285 amount they lose in LOB equalization aid under the substitute bill's supposed LOB equalization formula. Under the substitute bill, USD 512 would then receive an additional \$3,040,285 in "hold harmless" money, thereby allowing them to increase spending by \$3 million dollars over the block grant formula of the existing law. On the other hand, Kansas City USD 500 loses \$2,502,864 in equalization aid under the substitute bill. However, the economically less fortunate Kansas City School District is much less likely to receive taxpayer approval for an increased local school mill levy to backfill this loss. The "hold harmless" money the Kansas City District receives will be only \$1,240,706, resulting in a net decrease in LOB funding to Kansas City schools of

\$1,262,158 over the amount it receives under the current block grant formula. This example clearly denies Kansas City children and taxpayers substantially similar educational opportunity through similar tax effort.

The substitute bill also perpetuates the short-changing of equalization funds which our courts have repeatedly found contrary to the Kansas Constitution. By ensuring that any gains in capital outlay equalization are then deducted from any “hold harmless” money a district receives, the substitute bill decreases funding to districts that receive capital outlay equalization payments as compared with districts that do not receive these equalization payments.

Additionally, local school mill levies continue to range from 7.87 mills in Meade USD 266 to 44.4 mills in South Haven USD 509 for providing the same educational opportunity. This may have been acceptable under the Kansas Constitution had the Legislature found shelter in the safe harbor suggested by our courts and simply re-adopted and funded the pre-block grant funding formula, but since the Legislature did not take refuge in the safe harbor, the new scheme must pass the equity test. Under the substitute bill’s funding scheme, districts will be incentivized to shift more funding locally to backfill the loss of LOB aid due to the less generous LOB formula. This will only exacerbate the range of tax effort required to obtain “similar educational opportunity.” It therefore violates our Supreme Court’s correct reading of the Kansas Constitution and concomitant holding that “School districts must have reasonably equal access to substantially similar educational opportunity through similar tax effort.” This disparate tax effort required by the substitute bill does not come even close to “similar.”

In our community, the Wichita Public Schools USD 259 are already being forced to consider raising their LOB mill levy in order to make up for losses incurred through the operation of the block grants. The substitute bill means Wichita taxpayers will face more local tax increases just to stay even. For districts like Wichita, and other less wealthy districts, the substitute bill can only be viewed as yet another package of concessions for wealthier, more politically powerful districts, that continues to arbitrarily pick, based on political strength, economic winners and losers. This increases the inequity in funding for classrooms across the state and does not cure that inequity as properly required by our Supreme Court.

The substitute bill is the product of politics rather than a consideration of the actual cost to educate Kansas school children. Clearly, the bill does not, by design or in its likely implementation, provide for “reasonably equal access to substantially similar educational opportunity through similar tax effort.” An attempted re-formulation of the same resources previously found to violate the Kansas Constitution through a bill that perpetuates wealth-based disparities between districts rather than curing them cannot reasonably be viewed as an appropriate and constitutional response to our Supreme Court’s decision in *Gannon*. By passing the substitute bill, the Legislature once again fails in its duty under the Kansas Constitution to provide for an equitable educational opportunity for all Kansas school children.

Finally, if this substitute bill is found to be unconstitutional by our Supreme Court, the majority party of this Legislature will have brought us dangerously closer to the Court’s June 30 deadline to comply with the *Gannon* decision. If the majority party is truly concerned about keeping schools open next fall, they should have appropriated the

additional and necessary \$38 million for public education in the fiscal year 2017 budget which passed the Legislature over a month ago. Appropriating the necessary \$38 million would have been, and remains, a far more certain solution in meeting the equity test in *Gannon* than the uncertainty resulting from the passage of this ill-conceived legislation.

We therefore lodge this protest, and the attachments thereto, with the Chief Clerk of the Kansas House of Representative for publication in the Journal of the House of Representatives pursuant to Article 2, Section 10 of the Constitution of the State of Kansas.

Journal of the House

FORTY-NINTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Wednesday, April 27, 2016, 10:00 a.m.

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 121 members present.

Reps. Ewy, Hildabrand, Kelley and Pauls were excused on excused absence by the Speaker.

Prayer by guest chaplain, the Rev. Angela Madden, pastor, First Presbyterian Church, Winfield, and guest of Rep. Trimmer:

Gracious and loving God, Thank you for the gift of another day.

Thank you for the gift of serving your people as leaders.

In this Chamber, where the people's House gathers, we pause to offer You gratitude for the gift of this good land on which we live, and for this great Nation which You have inspired and motivate towards positive development.

Continue to inspire the American people, and Kansans in particular, that, through the difficulties of these days, we might keep liberty, grace, and justice alive in our State and in your world.

We know that we make messes and need your help to unravel whatever is broken. We acknowledge we cannot do it alone.

Enhance Spiritual Qualities of Leadership within each of us:

Courage to set aside any egos,

Risk to notice and do what is just,

Bravery to seek out the lost, forgotten and
marginalized.

Remind us that beside each one of us is an Administrative Professional sharing their talents to supplant our successes. Give us gratitude for these vital people.

Afford to us, and all people, a vividly keen sense of Your presence, that we may learn to understand each other, to respect each other, to work with each other, to live with each other, and to do good to each other, as we practice Your kindness.

So shall we make our state strong in goodness, and good in its strength.

May all that is done this 27th day of April, 2016, reflect the character of your own heart. Amen.

The Pledge of Allegiance was led by Rep. Frownfelter.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Hoffman are spread upon the Journal:

Almost one month ago as we were finishing up the Regular session here in Topeka, there was a massive wildfire being battled in Comanche and Barber Counties. The 2016 Historic Wildfire ended up burning almost 40,000 of acres in Comanche, almost 240,000 acres in Barber and around 90,000 in Oklahoma before being extinguished nearly a week later. The fire is being called the largest private property fire in the history of the United States and the massive undertaking to stop this huge fire was fought by hundreds of firefighters, most of them serving on volunteer departments from around the state. Today I have with me Fire Chief Greg Ellis from Comanche County and Fire Chief Rick Wesley of Barber County on behalf of the men and women who serve on their departments.

Joining the two chiefs and representing the hundreds of firefighters that came to the aid of Comanche and Barber Counties are members of the Kansas State Firefighters Association, Kevin Flory and Doug Schmitt, Chief Tim Wayne of the Topeka Fire Department, and Larry Biles and Ross Hauck of the State Forest Service. It was truly an all-hands-on-deck approach, these gentlemen and the departments that they represent battled rough terrain, high winds, and very dry conditions and I feel did an outstanding job.

Volunteer fire departments make up the vast majority of firefighters in Kansas who put their lives and their professions on the line daily to make sure that damage to our homes, businesses, and property are at a minimum if a fire begins. When the whistle blows they drop whatever they are doing at work or play and answer the call to put out whatever fire or emergency may be happening. I have several friends and relatives that are volunteers and over my life I have witnessed them leaving family gatherings, work, or a good night's sleep because of a fire or emergency. Their success would not be possible without the training that is available through professional departments, the Forest Service, and most of all the Kansas State Firefighters Association. I have spoken and attended a couple of these trainings and I have always left knowing that because of this training our volunteers are safer and better prepared to handle whatever fire comes their way.

Today I have certificates of appreciation for the Comanche & Barber County Fire Departments and the Firefighters Association. I ask that you please join me in thanking them for their service and a job well done.

Rep. Hoffman presented framed House certificates to the firefighters from Barber County, Comanche County and the Kansas State Firefighters Association.

POINT OF PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Ryckman, Sr., are spread upon the Journal:

Thank you Mr. Speaker. In my six years in the House this is my first time to speak in this manner-personal privilege. I might be breaking my own three rules for speaking on the floor.

1. Less is more-but know what you are talking about
2. Don't speak unless have something to add or if don't have votes
3. And what is on coffee cup, quote from Mark Twain, "It is better to be thought a fool and to speak up and remove all doubt."

It has been my honor to serve for great people of 115th District and State of Kansas. The friendship I have made will be with me all my days of this earth. I have learned much from each one and on both sides of the aisle. Thank you.

A special thanks to my lovely wife, Mary who has been at my side going on 50th years this December, and without her support and prayers it would have been very difficult to persevere. Anyone that knows her knows that she is a wife of noble character as stated in Proverbs 31. Thank you.

We have been blessed with three wonderful children. It has been my honor to be in the first father/son to serve at the same time in Kansas. I have had many share with me and state how proud you must be of your son. My reply usually is, "He is an overcomer, overcomes me and takes after his mother." I have so many memories being here with him that will last a life time. Thank you son for you dedication, service, and character for the State of Kansas. I have seen you raise to so many challenges and seek a solution. Your mother and I are so proud of you. I will never forget us swearing in together.

It is time for me to move on and I'm sure the Lord will open a door for Mary and I. Not doing anything is not an option. I would like to close by quoting Proverbs 1:5 "Let the wise listen and add to their learning and let the discerning get guidance."

On motion of Rep. Vickrey, the House recessed until 10:45 a.m.

MESSAGES FROM THE GOVERNOR

STATEMENT OF THE GOVERNOR

UPON SIGNING OF SENATE SUBSTITUTE FOR HOUSE BILL 2655

Senate Substitute for House Bill 2655, which I have signed today, responds to the Kansas Supreme Court's February 11 decision regarding the "equity requirement" of school finance that the court has found in Article 6, Section 6(b) of the Kansas Constitution. The court announced that it would order the closing of Kansas schools unless the legislature took action, and advised that these matters "can be cured in a variety of ways – at the choice of the legislature." Because I agree with the choice made by the legislature and I want to keep our schools open, I have signed the bill and I am adding this message to state why I agree with the choice made by the legislature.

The provision of the Kansas Constitution at issue here provides simply that "The legislature shall make suitable provision for finance of the educational interests of the state." This language, added to the Constitution in 1966, now has been the impetus for a decades-long cycle of litigation. In an effort to address this problem and best serve "the educational interests of the state," the 2015 legislature passed and I signed a repeal of

the old, outmoded school funding formula — replacing it with a two year unrestricted “block grant” to school districts that freed them to use the funds as they deemed appropriate, and allowed time to develop a new, modernized approach to school funding. In the most recent court decision, it was found that this action did not result in “reasonably equal access to substantially similar educational opportunity through similar tax effort.” The bill I have signed today solves this equity issue by adopting the capital outlay equalization formula previously approved by the court itself.

Some already have criticized the solution in this bill as a “product of politics,” at least partly because the bill contains “hold harmless” provisions to ensure that no school district will experience a reduction in current funding. This is a curious allegation — coming as it does from those who have proposed no solution of their own, other than spending more and more taxpayer dollars — because our Constitution explicitly commits these matters to our legislature. When the legislature acts, it represents the collective judgment of 165 elected representatives of the people. I do not take that judgment lightly. Before approving this bill by substantial majorities in both houses, the legislature considered several other alternatives, none of which attracted the necessary support. One failed bill would have required tens of millions of dollars in additional funding, and another would have resulted in outright cuts to the current funding of dozens of school districts. See Senate Bill 512, House Bill 2731. The solution that emerged in this bill is most certainly the result of a delicate legislative compromise — a compromise that I respectfully endorse and that the court should review with appropriate deference. Additionally, the hold harmless language contained in this bill was endorsed by the Kansas Commissioner of Education and the Deputy Commissioner for Fiscal and Administrative Services as being necessary for school district budgeting purposes.

In the appropriations bill that I signed earlier this year, additional funds were allocated to assist the legislature in documenting the legislative history of the bills under consideration to address the court decision. See House Substitute for Senate Bill 161. This information should assist the court in understanding the deliberative process as it occurs in the Statehouse, as well as all of the data and material that informs the decisions of individual legislators. I will also ask that the Attorney General submit this message to the court, so that the justices can be informed of the considerations that underlie my approval of the bill as an exercise of my constitutional duty and authority under Article 2, Section 14 of the Kansas Constitution.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

The following resolution was introduced and read by title:

HOUSE RESOLUTION No. HR 6058—

By Representatives Todd and Merrick

HR 6058—A RESOLUTION supporting Taiwan's participation in international trade agreements and international organizations and reaffirming Kansas' commitment to its relationship with Taiwan.

A RESOLUTION commending the Republic of China's (Taiwan's) presidential election; supporting Taiwan's efforts to secure entry to the Trans-Pacific Partnership (TPP) and its signing of the Free Trade Agreement (FTA) and the Bilateral Investment Agreement (BIA) with the United States; reaffirming support for increasing Taiwan's international profile; and for strengthening and expanding sister-state ties between Kansas and Taiwan.

WHEREAS, The state of Kansas is proud of the sister-state relationship it has enjoyed with the Republic of China (Taiwan) since 1989, marked by strong bilateral economic, social and cultural exchange and tourism; and

WHEREAS, Taiwan shares the same values of freedom, democracy, human rights, the rule of law, and peace and prosperity with the state of Kansas and the United States as a whole; and

WHEREAS, On January 16, 2016, Taiwan held its sixth direct presidential election, demonstrating again the strength and vitality of its democratic system and confirming that Taiwan is a beacon of democracy in Asia and beyond; and

WHEREAS, The United States ranks as Taiwan's third-largest trading partner. Taiwan is the tenth-largest trading partner of the United States, and bilateral trade reached \$67.4 billion in value in 2014; and

WHEREAS, Every other year, Taiwan has sent an agricultural trade goodwill mission to the U.S. Midwest region, including Kansas, to demonstrate Taiwan's continuing goodwill and willingness to purchase Kansas agricultural products, and the Kansas agricultural industry has benefited greatly over the past decades from the sale of beef, wheat and corn to Taiwan; and

WHEREAS, Taiwan and the state of Kansas have enjoyed a long and mutually beneficial relationship with the prospect of future growth, with Taiwan ranking as Kansas' third-largest import partner and the thirteenth-largest export market in 2014; and

WHEREAS, Negotiations for a Bilateral Investment Agreement between Taiwan and the United States are an important step toward further strengthening bilateral trade and paving the way for entering into a Free Trade Agreement between our countries, thereby increasing Kansas' exports to Taiwan and creating bilateral investment through tariff reduction and other trade facilitation measures; and

WHEREAS, Taiwan, seeking to contribute to greater regional integration in the Asia-Pacific region and promoting bilateral investment and trade relations with the United States, applauds the United States' announcement to expand TPP membership in the future to include other countries, such as Taiwan; and

WHEREAS, Taiwan's inclusion in the TPP would contribute substantially to the depth, viability and quality of the TPP. Taiwan's strong economic weight in the Asia-Pacific region and the world, its well-developed knowledge base and highly skilled workforce, its vital position along regional supply chains and value chains, and its positive economic and strategic gains for all, make Taiwan an ideal candidate-economy for the TPP's expansion: Now, therefore,

The notice of toll evasion may include a toll-evasion civil penalty, administrative fee, and costs for each instance in which the registered owner of a vehicle driven on any turnpike project has failed to pay the toll.

(b) On and after January 1, 2018, if the outstanding amount of any tolls due and owing by the registered owner exceeds \$100, the director or the director's designee is authorized to instruct the division of vehicles to require payment of any tolls due and owing to the county treasurer at the time of registration or renewal of registration or

(a) An application for registration of a vehicle as provided in article 1 of chapter 8 of the Kansas Statutes Annotated, and amendments thereto, shall not be accepted unless the person making such application shall exhibit:

(1) A receipt showing that such person has paid all personal property taxes levied against such person for the preceding year, including taxes upon such vehicle, except that if such application is made before May 11, such receipt need show payment of only one-half the preceding year's tax; or

(2) evidence that such vehicle was assessed for taxation purposes by a state agency, or was assessed as stock in trade of a merchant or manufacturer or was exempt from taxation under the laws of this state.

(b) An application for registration of a vehicle as provided in article 1 of chapter 8 of the Kansas Statutes Annotated, and amendments thereto, shall not be accepted if the records of the county treasurer show that the applicant is delinquent and owes personal property taxes levied against the applicant for any preceding year.

(c) An original application for registration of a motor vehicle shall not be accepted until the applicant signs a certification, provided by the director of motor vehicles, certifying that the applicant has and will maintain, during the period of registration, the required insurance, self-insurance or other financial security required pursuant to K.S.A. 40-3104, and amendments thereto.

Any motor vehicle liability insurance company which is providing verification of insurance on-line or electronically on the day preceding the effective date of this act may continue to do so in the same manner and shall be deemed to be in compliance with this section.

(e) On and after January 1, 2018, an application for registration or renewal of registration of a vehicle shall not be accepted, if the records of the division show that after three attempts by the Kansas turnpike authority to contact the registered owner, including at least one registered letter, the registered owner of such vehicle has unpaid tolls and that the director of the Kansas turnpike authority or the director's designee has instructed the division to refuse to accept the registration or renewal of registration, pursuant to section 1, and amendments thereto, unless the owner or registered owner makes payment to the county treasurer at the time of registration or renewal of registration. INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Swanson are spread upon the Journal:

The definition of teamwork: joint action by a group of people, in which individual interests are subordinate to group unity and efficiency; coordinated effort, as of an athletic team.

Skills for Good Teamwork

- Respect for individual contributions
- Putting aside individual glory
- Consensus building
- Clear communication
- Persuasive speech
- Compromise

This was the formula the Clay Center Community High School coaches and players embraced and it lead to the big prize, the 2016 State 4A, Division II, Girls Basketball Championship this March.

I was only able to watch the CCCHS Lady Tigers play three games, two sub-state games in Clay Center and the first game of the State Tournament in Emporia. Each contest was the epitome of teamwork--no stand out, no hero, just a group of girls dedicated to an efficient, coordinated effort. The result was the first Girls State Championship in school history.

You may remember that I had the honor of introducing the Lady Tigers Volleyball State Champs last year and the formula for success for this group of girls was the same: athletes who are willing to put in the work, who like and respect each other and strive to achieve on the court and in the classroom. The cumulative grade point average of the Lady Tigers Basketball team is a 3.74.

With us today are coaches Jeff Edwards, Nicole Johnson (formerly known as Nicole Ohlde), and Mike Beying and players Savannah Kipfer, Jennessa Wickersham, Hailey Franson, Allie Wright-Frederick, Addy Mullin, Lauren Lane, Megan Robbins, Katelyn Bohnenblust, Brianne Wilson, Courtney Hammel, Sydney Callaway, Erin Hammel, Emma Smith and Zoe Auld.

Please join me in congratulating these outstanding young women and their coaches.

Rep. Swanson presented the team with a framed House certificate.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Hineman are spread upon the Journal:

This morning it is my pleasure to introduce the Dighton girl's basketball team, the Class 1A Division II champions for 2016. On the way to the championship they took second in Northwest Kansas League, both during the regular season and league tournament. The team finished the year with a record of 16-3. All three of their losses were to Hoxie, the team we recognized in this chamber last year for having a win streak of 100 games.

Team members are: Seniors: Kiara Budd, Dakota Hoffman, Payden Shapland, and

Morgan Tucker. Juniors: Jordan Speer and Sara Cramer Sophomores: Mallory Dowell and Balinda Conine

Freshmen: Emily Sheppard, Kenadee O'Brien, Gentry Shapland and Marissa Villareal Team managers: Morgan Conine, Alexis Peck, and Jillian Doris.

The coach is Amy Felker and assistant coach is Kelsey Hubin. Coach Felker played college ball first at Seward County Community College and then had an outstanding career at Friends University. She was named KBCA 1A-II Coach of the Year, Kansas-sports.com 1A-II Coach of the Year, Garden City Telegram All-Area Coach of the Year, and Hutchinson News All-Area Coach of the Year.

Coach Hubin started her college career at Colby Community College and then played for Rock Valley College in Rockford Illinois.

Senior milestones:

Dakota Hoffman: State Powerlifting Champion in 2014 and 2015. She will play college ball for Dodge City Community College.

Kiara Budd will play for Lamar Community College in Colorado.

Payden Shapland will attend Sterling College on a cross country scholarship.

Underclass honors:

Sara Cramer was chosen all-area player of the year by Garden City Telegram, WIBW all-tournament team, 2016.

Jordan Speer is the reigning state champion in shot put and was also chosen for the WIBW all-tournament team, 2016.

This is truly a team, characterized by individual effort and dedication, but molded into a cohesive unit which has experienced great success in team sports, including three appearances in state basketball, two appearances in state volleyball, four appearances in state cross country and four appearances in state track.

Please join me in congratulating the team on their accomplishments.

Rep. Hineman presented the team with a framed House certificate.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Whipple are spread upon the Journal:

Members, friends and colleagues... In my experience serving in the Kansas Legislature there have been few consistencies. One thing that has been very consistent is the academic and athletic excellence from the only high school located in the 96th district, Wichita South High.

This year, for a fourth year in a row, I have the honor to present the Wichita South Lady Titan Basketball team. For a fourth year in a row, the Lady Titans are the 6A State Champions. They are the first team in Kansas history to capture four 6A State Championship titles.

In addition, this team went undefeated in an impressive 25-0 season. The team is lead by Head Coach Scales who in the past five years holds an outstanding record of 115 wins and only 13 losses.

The lady titans have also won four consecutive Greater Wichita Athletic Association league titles, Four consecutive mid-season tournament titles, and won the Firebird Winter Classic at Free State tournament Champions. This team reached a national

ranking of number 19 in the country as well.

Each of the five seniors on this team have been offered scholarships to further their education at the next level. Demonstrating success in the classroom as well, The team also holds an impressive combined overall GPA of 3.25

Ladies, you continue to represent the very best of our community. The lessons learned and continued success on the court will no doubt lead you to success in your future professional lives. Thank you for being such a source of pride for our South Wichita community. Today it is a pleasure to recognize your success on the House floor.

Please join me in honoring Coach Scales and the Wichita South High Lady Titans!!

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Representative Erin Davis.

There being no objection, the following remarks of Rep. Davis are spread upon the Journal:

Today as we recognize KU's 150th year, there are many accomplishments and accolades we can celebrate. For example, we can celebrate that since its founding, the University of Kansas has accepted all races and genders. We can celebrate that the University of Kansas is the only Kansas university to boast both schools of medicine and law, both of which are among the best in the nation. We can celebrate the university's school of Music, producing many renowned performers, prodigies and scholars. We can celebrate the University's engineering and business schools, which are second to none. We can celebrate the beautiful Mount Oread where the main campus has been since the University's founding. And, we can certainly also celebrate the inventor of basketball, James Naismith, and his bringing the game first to KU, thus beginning a tradition that has touched the lives of so many Kansans.

These are just a few examples of why we celebrate the University of Kansas today, and these accomplishments should be celebrated. But most of all today, I want to celebrate the University of Kansas for what the school means to me and to so many Kansans and alumni. I celebrate the tradition of taking my kids to the pre-season basketball Late Night. I celebrate the tradition of walking through the World War II Memorial Campanile and then down the Hill to Memorial Stadium for commencement. I celebrate the tradition of Waving the Wheat after witnessing a Jayhawk win in Allen Fieldhouse. I celebrate the Rock Chalk Chant, the words of which were among the first my children spoke. I celebrate the University's scholars and students, the professors and student athletes. I celebrate all these things and many more which make the University of Kansas more than just my alma mater, but part of my life and family tradition. Most of all, I celebrate the University of Kansas because I am a Kansan and I am a Jayhawk. Rock Chalk!

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Merrick are spread upon the Journal:

Even though you may not recognize my guest, Bob Davis, you've almost certainly heard his voice. It was broadcast across Kansas and around the world for over thirty years.

Bob started his broadcasting career in Hays, Kansas. He brought KU basketball and football games to many, many people. He has won fourteen Kansas sportscaster of the year awards, ten while at the University of Kansas.

Over his career, Bob called more than 1,660 men's basketball games, eight final four appearances and two national championships. He hosted "Hawk Talk" a weekly show featuring KU coaches, and also called baseball games of the Royals for sixteen years.

Bob and I first met when we worked at Ray Beers, "The place to go for for the brands you know." Now he is retiring to spend more time with his family, wife, Linda; son, Steven; daughter-in-law, Katie; two grandsons, Landon and Will and granddaughter, Millie.

For many Kansans, Bob is a member of the family. To me, he is my little brother.

We are sure going to miss his voice on the radio. We are so grateful that he shared his talents with us. Bob, we wish you the best. Thank you for many happy memories.

And happy "Bob Davis Day."

Rep. Merrick presented Mr. Davis with a framed House certificate.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Todd, **HR 6058**, A RESOLUTION supporting Taiwan's participation in international trade agreements and international organizations and reaffirming Kansas' commitment to its relationship with Taiwan, was adopted.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Todd are spread upon the Journal:

Taiwan is an important partner of Kansas. It is a major market for Kansas wheat, corn, and beef. While it is a dynamic country with a strong economy, it is geographically small without enough arable land to produce all of the food needed to support their population.

That is why just last year a delegation of flour millers from Taiwan signed a letter of intent to purchase 62.5 million bushels of wheat, a deal when it was signed worth \$544 million.

Taiwan has other business ties with Kansas. Garmin was co-founded by a Taiwanese national, Min Kao. It has it's primary production facility in the Xizhi District of New Tapei City.

Domestically, Taiwan is celebrating the election in January of it's first female President, Tsai Ing-Wen.

With us today we have Jerry Chang from the Tapei Economic and Cultural Office, located in Denver. He has served his country for 23 year in countries around the world. Please join me in welcoming Mr. Chang to Kansas.

(2) Except as provided in ~~subsection (b) of~~ K.S.A. 8-199**(b)**, and amendments thereto, if a certificate of title has been issued for any such vehicle under the provisions of K.S.A. 8-135, and amendments thereto, the owner of such nonhighway vehicle or salvage vehicle may surrender such certificate of title to the division of vehicles and make application to the division for a nonhighway certificate of title or salvage title, whichever is applicable, or the owner may obtain from the county treasurer's office a form prescribed by the division of vehicles and, upon proper execution thereof, may assign the nonhighway certificate of title, salvage title or the regular certificate of title with such form attached to the purchaser of the nonhighway vehicle or salvage vehicle. Upon receipt of the nonhighway certificate of title, salvage title or the regular certificate of title with such form attached, the purchaser shall make application for a new nonhighway certificate of title or salvage title, whichever is applicable, as provided in subsection (c) or (d).

(3) If the transferor is not a vehicle dealer, as defined in K.S.A. 8-2401, and amendments thereto, and a certificate of title has not been issued for the vehicle under this section or a certificate of title was not required under K.S.A. 8-135, and amendments thereto, the transferor shall make application to the division for a nonhighway certificate of title or salvage title, whichever is applicable, as provided in this section, except that in addition thereto, the division shall require a bill of sale or such transferor's affidavit, with at least one other corroborating affidavit, that such transferor is the owner of such nonhighway vehicle or salvage vehicle. (c) Every purchaser of a nonhighway vehicle, whether assigned a nonhighway certificate of title or a regular certificate of title with the form specified in ~~paragraph (2) of~~ subsection (b)**(2)** attached, shall make application to the county treasurer of the county in which such person resides for a new nonhighway certificate of title in the same manner and under the same conditions as for an application for a certificate of title

under K.S.A. 8-135, and amendments thereto. Such application shall be in the form prescribed by the director of vehicles and shall contain substantially the same provisions as required for an application under ~~subsection (c)(1)~~ of K.S.A. 8-135(c)(1), and amendments thereto. In addition, such application shall provide a place for the applicant to certify that the vehicle for which the application for a nonhighway certificate of title is made is a nonhighway vehicle and other provisions the director deems necessary. Each application for a nonhighway certificate of title shall be accompanied by a fee of \$10, and if the application is not made to the county treasurer within the time prescribed by K.S.A. 8-135, and amendments thereto, for making application for a certificate of title thereunder, an additional fee of \$2.

(d) (1) Except as otherwise provided by this section, the owner of a vehicle that meets the definition of a salvage vehicle shall apply for a salvage title before the ownership of the motor vehicle or travel trailer is transferred. In no event shall such application be made more than 60 days after the vehicle is determined to be a salvage vehicle.

(2) Every insurance company, which pursuant to a damage settlement, acquires ownership of a vehicle that has incurred damage requiring the vehicle to be designated a salvage vehicle, shall apply for a salvage title within 60 days after the title is assigned and delivered by the owner to the insurance company, with all liens released. In the event that an insurance company is unable to obtain voluntary assignment of the title after 30 days from the date the vehicle owner enters into an oral or written damage settlement agreement where the owner agrees to transfer the title, the insurance company may submit an application on a form prescribed by the division for a salvage title. The form shall be accompanied by an affidavit from the insurance company stating that: (A) The insurance company is unable to obtain a transfer of the title from the owner following an oral or written acceptance of an offer of damage settlement; (B) there is evidence of the damage settlement; (C) that there are no existing liens on the vehicle or all liens on the vehicle have been released; (D) the insurance company has physical possession of the vehicle; and (E) the insurance company has provided the owner, at the owner's last known address, 30 days' prior notice of such intent to transfer and the owner has not delivered a written objection to the insurance company.

(3) Every insurance company which makes a damage settlement for a vehicle that has incurred damage requiring such vehicle to be designated a salvage vehicle, but does not acquire ownership of the vehicle, shall notify the vehicle owner of the owner's obligation to apply for a salvage title for the motor vehicle or travel trailer, and shall notify the division of this fact in accordance with procedures established by the division. The vehicle owner shall apply for a salvage title within 60 days after being notified by the insurance company.

(4) The lessee of any vehicle which incurs damage requiring the vehicle to be designated a salvage vehicle shall notify the lessor of this fact within 30 days of the determination that the vehicle is a salvage vehicle.

(5) The lessor of any motor vehicle or travel trailer which has incurred damage requiring the vehicle to be titled as a salvage vehicle, shall apply for a salvage title within 60 days after being notified of this fact by the lessee.

(6) Every person acquiring ownership of a motor vehicle or travel trailer that meets the definition of a salvage vehicle, for which a salvage title has not been issued, shall apply for the required document prior to any further transfer of such vehicle, but in no

event, more than 60 days after ownership is acquired.

(7) Every purchaser of a salvage vehicle, whether assigned a salvage title or a regular certificate of title with the form specified in ~~paragraph (2)~~ of subsection (b)(2) attached, shall make application to the county treasurer of the county in which such person resides for a new salvage title, in the same manner and under the same condition as for an application for a certificate of title under K.S.A. 8-135, and amendments thereto. Such application shall be in the form prescribed by the director of vehicles and shall contain substantially the same provisions as required for an application under ~~subsection (c)(1)~~ of K.S.A. 8-135(c)(1), and amendments thereto. In addition, such application shall provide a place for the applicant to certify that the vehicle for which the application for salvage title is made is a salvage vehicle, and other provisions the director deems necessary. Each application for a salvage title shall be accompanied by a fee of \$10 and if the application is not made to the county treasurer within the time prescribed by K.S.A. 8-135, and amendments thereto, for making application for a certificate of title thereunder, an additional fee of \$2.

(8) Failure to apply for a salvage title as provided by this subsection shall be a class C nonperson misdemeanor.

(e) A nonhighway certificate of title or salvage title shall be in form and color as prescribed by the director of vehicles. A nonhighway certificate of title or salvage title shall indicate clearly and distinctly on its face that it is issued for a nonhighway vehicle or salvage vehicle, whichever is applicable. A nonhighway certificate of title or salvage title shall contain substantially the same information as required on a certificate of title issued under K.S.A. 8-135, and amendments thereto, and other information the director deems necessary.

(f) (1) A nonhighway certificate of title or salvage title may be transferred in the same manner and under the same conditions as prescribed by K.S.A. 8-135, and amendments thereto, for the transfer of a certificate of title, except as otherwise provided in this section. A nonhighway certificate of title or salvage title may be assigned and transferred only while the vehicle remains a nonhighway vehicle or salvage vehicle.

(2) Upon transfer or sale of a nonhighway vehicle in a condition which will allow the registration of such vehicle, the owner shall assign the nonhighway certificate of title to the purchaser, and the purchaser shall obtain a certificate of title and register such vehicle as provided in K.S.A. 8-135, and amendments thereto. No regular certificate of title shall be issued for a vehicle for which there has been issued a nonhighway certificate of title until there has been compliance with K.S.A. 8-116a, and amendments thereto.

(3) (A) Upon transfer or sale of a salvage vehicle which has been rebuilt or restored or is otherwise in a condition which will allow the registration of such vehicle, the owner shall assign the salvage title to the purchaser, and the purchaser shall obtain a rebuilt salvage title and register such vehicle as provided in K.S.A. 8-135, and amendments thereto. No rebuilt salvage title shall be issued for a vehicle for which there has been issued a salvage title until there has been compliance with K.S.A. 8-116a, and amendments thereto, and the notice required in ~~paragraph (3)(B)~~ of this subsection(f)(3)(B) has been attached to such vehicle.

(B) As part of the inspection for a rebuilt salvage title conducted under K.S.A. 8-116a, and amendments thereto, the Kansas highway patrol shall attach a notice affixed

to the left door frame of the rebuilt salvage vehicle indicating the vehicle identification number of such vehicle and that such vehicle is a rebuilt salvage vehicle. In addition to any fee allowed under K.S.A. 8-116a, and amendments thereto, a fee of \$5 shall be collected from the owner of such vehicle requesting the inspection for the notice required under this paragraph. All moneys received under this paragraph shall be remitted in accordance with ~~subsection (e)~~ of K.S.A. 8-116a(e), and amendments thereto.

(C) Failure to apply for a rebuilt salvage title as provided by this paragraph shall be a class C nonperson misdemeanor.

(g) The owner of a salvage vehicle which has been issued a salvage title and has been assembled, reconstructed, reconstituted or restored or otherwise placed in an operable condition may make application to the county treasurer for a permit to operate such vehicle on the highways of this state over the most direct route from the place such salvage vehicle is located to a specified location named on the permit and to return to the original location. No such permit shall be issued for any vehicle unless the owner has motor vehicle liability insurance coverage or an approved self-insurance plan under K.S.A. 40-3104, and amendments thereto. Such permit shall be on a form furnished by the director of vehicles and shall state the date the vehicle is to be taken to the other location, the name of the insurer, as defined in K.S.A. 40-3103, and amendments thereto, and the policy number or a statement that the vehicle is included in a self-insurance plan approved by the commissioner of insurance, a statement attesting to the correctness of the information concerning financial security, the vehicle identification number and a description of the vehicle. Such permit shall be signed by the owner of the vehicle. The permit shall be carried in the vehicle for which it is issued and shall be displayed so that it is visible from the rear of the vehicle. The fee for such permit shall be \$1 which shall be retained by the county treasurer, who shall annually forward 25% of all such fees collected to the division of vehicles to reimburse the division for administrative expenses, and shall deposit the remainder in a special fund for expenses of issuing such permits.

(h) A nonhighway vehicle or salvage vehicle for which a nonhighway certificate of title or salvage title has been issued pursuant to this section shall not be deemed a motor vehicle for the purposes of K.S.A. 40-3101 to 40-3121, inclusive, and amendments thereto, except when such vehicle is being operated pursuant to subsection (g). Any person who knowingly makes a false statement concerning financial security in obtaining a permit pursuant to subsection (g), or who fails to obtain a permit when required by law to do so is guilty of a class C misdemeanor.

(i) Any person who, on July 1, 1996, is the owner of an all-terrain vehicle, as defined in K.S.A. 8-126, and amendments thereto, shall not be required to file an application for a nonhighway certificate of title under the provisions of this section for such all-terrain vehicle, unless the person transfers an interest in such all-terrain vehicle.

ownership of any nonhighway vehicle or salvage vehicle, unless such person shall give to the purchaser thereof an assigned nonhighway certificate of title or salvage title.

(m) If an applicant is a United States citizen but does not have any of the documentation listed in this section as satisfactory evidence of United States citizenship, such applicant may submit any evidence that such applicant believes demonstrates the applicant's United States citizenship.

(1) Any applicant seeking an assessment of evidence under this subsection may directly contact the elections division of the secretary of state by submitting a voter registration application or form as described by this section and any supporting evidence of United States citizenship. Upon receipt of this information, the secretary of state shall notify the state election board, as established under K.S.A. 25-2203, and amendments thereto, that such application is pending.

Sec. 11. K.S.A. 2015 Supp. 45-229 is hereby amended to read as follows: 45-229.

(a) It is the intent of the legislature that exceptions to disclosure under the open records act shall be created or maintained only if:

(1) The public record is of a sensitive or personal nature concerning individuals;

(2) the public record is necessary for the effective and efficient administration of a governmental program; or

(3) the public record affects confidential information.

The maintenance or creation of an exception to disclosure must be compelled as measured by these criteria. Further, the legislature finds that the public has a right to have access to public records unless the criteria in this section for restricting such access to a public record are met and the criteria are considered during legislative review in connection with the particular exception to disclosure to be significant enough to override the strong public policy of open government. To strengthen the policy of open government, the legislature shall consider the criteria in this section before enacting an exception to disclosure.

(b) Subject to the provisions of subsections (g) and (h), any new exception to disclosure or substantial amendment of an existing exception shall expire on July 1 of the fifth year after enactment of the new exception or substantial amendment, unless the legislature acts to continue the exception. A law that enacts a new exception or substantially amends an existing exception shall state that the exception expires at the end of five years and that the exception shall be reviewed by the legislature before the scheduled date.

(c) For purposes of this section, an exception is substantially amended if the amendment expands the scope of the exception to include more records or information. An exception is not substantially amended if the amendment narrows the scope of the exception.

(d) This section is not intended to repeal an exception that has been amended following legislative review before the scheduled repeal of the exception if the exception is not substantially amended as a result of the review.

(e) In the year before the expiration of an exception, the revisor of statutes shall certify to the president of the senate and the speaker of the house of representatives, by

July 15, the language and statutory citation of each exception which will expire in the following year which meets the criteria of an exception as defined in this section. Any exception that is not identified and certified to the president of the senate and the speaker of the house of representatives is not subject to legislative review and shall not expire. If the revisor of statutes fails to certify an exception that the revisor subsequently determines should have been certified, the revisor shall include the exception in the following year's certification after that determination.

(f) "Exception" means any provision of law which creates an exception to disclosure or limits disclosure under the open records act pursuant to K.S.A. 45-221, and amendments thereto, or pursuant to any other provision of law.

(g) A provision of law which creates or amends an exception to disclosure under the open records law shall not be subject to review and expiration under this act if such provision:

- (1) Is required by federal law;
- (2) applies solely to the legislature or to the state court system;
- (3) has been reviewed and continued in existence twice by the legislature; or
- (4) has been reviewed and continued in existence by the legislature during the 2013 legislative session and thereafter.

(h) (1) The legislature shall review the exception before its scheduled expiration and consider as part of the review process the following:

- (A) What specific records are affected by the exception;
- (B) whom does the exception uniquely affect, as opposed to the general public;
- (C) what is the identifiable public purpose or goal of the exception;
- (D) whether the information contained in the records may be obtained readily by alternative means and how it may be obtained;

(2) an exception may be created or maintained only if it serves an identifiable public purpose and may be no broader than is necessary to meet the public purpose it serves. An identifiable public purpose is served if the legislature finds that the purpose is sufficiently compelling to override the strong public policy of open government and cannot be accomplished without the exception and if the exception:

(A) Allows the effective and efficient administration of a governmental program, which administration would be significantly impaired without the exception;

(B) protects information of a sensitive personal nature concerning individuals, the release of which information would be defamatory to such individuals or cause unwarranted damage to the good name or reputation of such individuals or would jeopardize the safety of such individuals. Only information that would identify the individuals may be excepted under this paragraph; or

(C) protects information of a confidential nature concerning entities, including, but not limited to, a formula, pattern, device, combination of devices, or compilation of information which is used to protect or further a business advantage over those who do not know or use it, the disclosure of which information would injure the affected entity in the marketplace.

(3) Records made before the date of the expiration of an exception shall be subject to disclosure as otherwise provided by law. In deciding whether the records shall be made public, the legislature shall consider whether the damage or loss to persons or entities uniquely affected by the exception of the type specified in paragraph (2)(B) or (2)(C) of this subsection (h) would occur if the records were made public.

(i) (1) Exceptions contained in the following statutes as continued in existence in section 2 of chapter 126 of the 2005 Session Laws of Kansas and which have been reviewed and continued in existence twice by the legislature as provided in subsection (g) are hereby continued in existence: 1-401, 2-1202, 5-512, 9-1137, 9-1712, 9-2217, 10-630, 11-306, 12-189, 12-1,108, 12-1694, 12-1698, 12-2819, 12-4516, 16-715, 16a-2-304, 17-1312e, 17-2227, 17-5832, 17-7511, 17-7514, 17-76,139, 19-4321, 21-2511, 22-3711, 22-4707, 22-4909, 22a-243, 22a-244, 23-605, 23-9,312, 25-4161, 25-4165, 31-405, 34-251, 38-2212, 39-709b, 39-719e, 39-934, 39-1434, 39-1704, 40-222, 40-2,156, 40-2c20, 40-2c21, 40-2d20, 40-2d21, 40-409, 40-956, 40-1128, 40-2807, 40-3012, 40-3304, 40-3308, 40-3403b, 40-3421, 40-3613, 40-3805, 40-4205, 44-510j, 44-550b, 44-594, 44-635, 44-714, 44-817, 44-1005, 44-1019, 45-221(a)(1) through (43), 46-256, 46-259, 46-2201, 47-839, 47-844, 47-849, 47-1709, 48-1614, 49-406, 49-427, 55-1,102, 58-4114, 59-2135, 59-2802, 59-2979, 59-29b79, 60-3333, 60-3336, 65-102b, 65-118, 65-119, 65-153f, 65-170g, 65-177, 65-1,106, 65-1,113, 65-1,116, 65-1,157a, 65-1,163, 65-1,165, 65-1,168, 65-1,169, 65-1,171, 65-1,172, 65-436, 65-445, 65-507, 65-525, 65-531, 65-657, 65-1135, 65-1467, 65-1627, 65-1831, 65-2422d, 65-2438, 65-2836, 65-2839a, 65-2898a, 65-3015, 65-3447, 65-34,108, 65-34,126, 65-4019, 65-4922, 65-4925, 65-5602, 65-5603, 65-6002, 65-6003, 65-6004, 65-6010, 65-67a05, 65-6803, 65-6804, 66-101c, 66-117, 66-151, 66-1,190, 66-1,203, 66-1220a, 66-2010, 72-996, 72-4311, 72-4452, 72-5214, 72-53,106, 72-5427, 72-8903, 73-1228, 74-2424, 74-2433f, 74-4905, 74-4909, 74-50,131, 74-5515, 74-7308, 74-7338, 74-8104, 74-8307, 74-8705, 74-8804, 74-9805, 75-104, 75-712, 75-7b15, 75-1267, 75-2943, 75-4332, 75-4362, 75-5133, 75-5266, 75-5665, 75-5666, 75-7310, 76-355, 76-359, 76-493, 76-12b11, 76-3305, 79-1119, 79-1437f, 79-3234, 79-3395, 79-3420, 79-3499, 79-34,113, 79-3614, 79-3657, 79-4301 and 79-5206.

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to **SB 319** submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill as printed with House Committee amendments, as follows:

On page 1, following line 5, by inserting:

"New Section 1. (a) This section shall be known and may be cited as the public speech protection act.

(b) The purpose of the public speech protection act is to encourage and safeguard the constitutional rights of a person to petition, and speak freely and associate freely, in connection with a public issue or issue of public interest to the maximum extent permitted by law while, at the same time, protecting the rights of a person to file meritorious lawsuits for demonstrable injury.

(c) As used in the public speech protection act:

(1) "Claim" means any lawsuit, cause of action, claim, cross-claim, counterclaim or other judicial pleading or filing requesting relief.

(2) "Communication" means the making or submitting of a statement or document in any form or medium, including oral, visual, written or electronic.

(3) "Exercise of the right of association" means a communication between individuals who join together to collectively express, promote, pursue or defend common interests.

(4) "Exercise of the right of free speech" means a communication made in connection with a public issue or issue of public interest.

(5) "Exercise of the right to petition" means any of the following:

(A) A communication in or pertaining to:

(i) A judicial proceeding;

(ii) an official proceeding, other than a judicial proceeding, to administer the law;

(iii) an executive or other proceeding before a department of the state, federal government, or other political subdivision of the state;

(iv) a legislative proceeding, including a proceeding of a legislative committee;

(v) a proceeding before an entity that requires by rule that public notice be given before proceedings of such entity;

(vi) a proceeding in or before a managing board of an educational institution supported directly or indirectly from public revenue;

(vii) a proceeding of the governing body of any political subdivision of this state;

(viii) a report of or debate and statements made in a proceeding described by subsection (c)(5)(A)(iii), (iv), (v), (vi) or (vii); or

(ix) a public meeting dealing with a public purpose, including statements and discussions at the meeting or other public issues or issues of public interest occurring at the meeting;

(B) a communication in connection with an issue under consideration or review by a legislative, executive, judicial or other governmental or official proceeding;

(C) a communication that is reasonably likely to encourage consideration or review of an issue by a legislative, executive, judicial or other governmental or official proceeding;

(D) a communication reasonably likely to enlist public participation in an effort to effect consideration of an issue by a legislative, executive, judicial or other governmental or official proceeding; and

(E) any other communication or conduct that falls within the protection of the right to petition the government under the constitution of the United States or the constitution of the state of Kansas.

(6) "Governmental proceeding" means a proceeding, other than a judicial

proceeding, by an officer, official or body or political subdivision of this state, including a board or commission, or by an officer, official or body of the federal government.

(7) "Public issue or issue of public interest" includes an issue related to:

- (A) Health or safety;
- (B) environmental, economic or community well-being;
- (C) the government;
- (D) a public official or public figure; or
- (E) a good, product or service in the marketplace.

(8) "Moving party" means any person on whose behalf the motion to strike is filed seeking to strike a claim.

(9) "Official proceeding" means any type of administrative, executive, legislative or judicial proceeding that may be conducted before a public servant.

(10) "Public servant" means a person elected, selected, appointed, employed or otherwise designated as one of the following, even if the person has not yet qualified for office or assumed the person's duties:

- (D) an attorney or notary public when participating in the performance of a governmental function; or
- (E) a person who is performing a governmental function under a claim of right but is not legally qualified to do so.

(d) A party may bring a motion to strike the claim if a claim is based on, relates to or is in response to a party's exercise of the right of free speech, right to petition or right of association. A party bringing the motion to strike has the initial burden of making a prima facie case showing the claim against which the motion is based concerns a party's exercise of the right of free speech, right to petition or right of association. If the moving party meets the burden, the burden shifts to the responding party to establish a likelihood of prevailing on the claim by presenting substantial competent evidence to support a prima facie case. If the responding party meets the burden, the court shall deny the motion. In making its determination, the court shall consider pleadings and supporting and opposing affidavits stating the facts upon which the liability or defense is based. If the court determines the responding party established a likelihood of prevailing on the claim: (1) The fact that the court made that determination and the substance of the determination may not be admitted into evidence later in the case; and (2) the determination does not affect the burden or standard of proof in the proceeding. The motion to strike made under this subsection may be filed within 60 days of the service of the most recent complaint or, in the court's discretion, at any later time upon terms it deems proper. A hearing shall be held on the motion not more than 30 days after the service of the motion.

(e) (1) On a motion by a party or on the court's own motion and on a showing of good cause, the court may allow specified and limited discovery relevant to the motion.

(2) Except as provided by subsection (e)(1), all discovery, motions or other pending hearings shall be stayed upon the filing of the motion to strike. The stay of discovery shall remain in effect until the entry of the order ruling on the motion except that the court, on motion and for good cause shown, may order that specified discovery, motions

or other pending hearings be conducted.

(f) The movant in a motion to strike has the right to: (1) Petition for a writ of mandamus if the trial court fails to rule on the motion in an expedited fashion; or (2) file an interlocutory appeal from a trial court order denying the motion to strike, if notice of appeal is filed within 14 days after entry of such order. However, under subsections (f) (1) and (2), further proceedings in the trial court shall be stayed pending determination of the appeal.

(g) The court shall award the defending party, upon a determination that the moving party has prevailed on its motion to strike, without regard to any limits under state law: (1) Costs of litigation and reasonable attorney fees; and (2) such additional relief, including sanctions upon the responding party and its attorneys and law firms, as the court determines necessary to deter repetition of the conduct by others similarly situated. If the court finds that the motion to strike is frivolous or solely intended to cause delay, the court shall award to the responding party reasonable attorney fees and costs related to the motion.

(h) This section does not apply to:

(1) An enforcement action that is brought in the name of this state or a political subdivision of this state by the attorney general or a district or county attorney;

(2) a claim brought against a person primarily engaged in the business of selling or leasing goods or services, if the statement or conduct arises out of the sale or lease of goods, services or an insurance product, insurance services or a commercial transaction in which the intended audience is an actual or potential buyer or customer, except as provided in subsection (i); or

(3) a claim brought under the Kansas insurance code or arising out of an insurance contract.

(i) Subsection (h)(2) shall not apply to any action against any person or entity based upon the creation, dissemination, exhibition, advertisement or other similar promotion of any dramatic, literary, musical, political or artistic work, including, but not limited to, a motion picture or television program, or an article published in a newspaper or magazine of general circulation.

(j) In any case filed by a government contractor that is found by a court to be in violation of this section, the court shall provide for its ruling to be sent to the head of the relevant governmental entity doing business with the contractor.

(k) The provisions of the public speech protection act shall be applied and construed liberally to effectuate its general purposes. If any provision of the public speech protection act or its application is held invalid, the invalidity does not affect other provisions or applications that can be given effect without the invalid provision or application.

Sec. 2. K.S.A. 60-1507 is hereby amended to read as follows: 60-1507. (a) *Motion attacking sentence.* A prisoner in custody under sentence of a court of general jurisdiction claiming the right to be released upon the ground that the sentence was imposed in violation of the constitution or laws of the United States, or the constitution or laws of the state of Kansas, or that the court was without jurisdiction to impose such sentence, or that the sentence was in excess of the maximum authorized by law, or is otherwise subject to collateral attack, may, pursuant to the time limitations imposed by subsection (f), move the court which imposed the sentence to vacate, set aside or correct the sentence.

(b) *Hearing and judgment.* Unless the motion and the files and records of the case conclusively show that the prisoner is entitled to no relief, the court shall cause notice thereof to be served upon the county attorney, grant a prompt hearing thereon, determine the issues and make findings of fact and conclusions of law with respect thereto. The court may entertain and determine such motion without requiring the production of the prisoner at the hearing. If the court finds that the judgment was rendered without jurisdiction, or that the sentence imposed was not authorized by law or is otherwise open to collateral attack, or that there has been such a denial or infringement of the constitutional rights of the prisoner as to render the judgment vulnerable to collateral attack, the court shall vacate and set the judgment aside and shall discharge the prisoner or resentence said prisoner or grant a new trial or correct the sentence as may appear appropriate.

(c) *Successive motions.* The sentencing court shall not be required to entertain a second or successive motion for similar relief on behalf of the same prisoner.

(d) *Appeal.* An appeal may be taken to the appellate court as provided by law from the order entered on the motion as from a final judgment on application for a writ of habeas corpus.

(e) *Exclusiveness of remedy.* An application for a writ of habeas corpus in behalf of a prisoner who is authorized to apply for relief by motion pursuant to this section, shall not be entertained if it appears that the applicant has failed to apply for relief, by motion, to the court which sentenced said applicant, or that such court has denied said applicant relief, unless it also appears that the remedy by motion is inadequate or ineffective to test the legality of said applicant's detention.

(f) *Time limitations.* (1) Any action under this section must be brought within one year of:

~~(i)~~ (A) The final order of the last appellate court in this state to exercise jurisdiction on a direct appeal or the termination of such appellate jurisdiction; or

~~(ii)~~ (B) the denial of a petition for writ of certiorari to the United States supreme court or issuance of such court's final order following granting such petition.

(2) The time limitation herein may be extended by the court only to prevent a manifest injustice.

(A) For purposes of finding manifest injustice under this section, the court's inquiry shall be limited to determining why the prisoner failed to file the motion within the one-year time limitation or whether the prisoner makes a colorable claim of actual innocence. As used herein, the term actual innocence requires the prisoner to show it is more likely than not that no reasonable juror would have convicted the prisoner in light of new evidence.

(B) If the court makes a manifest-injustice finding, it must state the factual and legal basis for such finding in writing with service to the parties.

(3) If the court, upon its own inspection of the motions, files and records of the case, determines the time limitations under this section have been exceeded and that the dismissal of the motion would not equate with manifest injustice, the district court must dismiss the motion as untimely filed.

Sec. 3. K.S.A. 60-31a02 is hereby amended to read as follows: 60-31a02. As used in the protection from stalking act:

(a) "Stalking" means an intentional harassment of another person that places the other person in reasonable fear for that person's safety.

(b) "Harassment" means a knowing and intentional course of conduct directed at a specific person that seriously alarms, annoys, torments or terrorizes the person, and that serves no legitimate purpose. "Harassment" shall include any course of conduct carried out through the use of an unmanned aerial system over or near any dwelling, occupied vehicle or other place where one may reasonably expect to be safe from uninvited intrusion or surveillance.

(c) "Course of conduct" means conduct consisting of two or more separate acts over a period of time, however short, evidencing a continuity of purpose which would cause a reasonable person to suffer substantial emotional distress. Constitutionally protected activity is not included within the meaning of "course of conduct."

(d) "Unmanned aerial system" means a powered, aerial vehicle that:

(1) Does not carry a human operator;

(2) uses aerodynamic forces to provide vehicle lift;

(3) may fly autonomously or be piloted remotely;

(4) may be expendable or recoverable; and

(5) may carry a lethal or nonlethal payload.";

And by renumbering sections accordingly;

Also on page 1, in line 13, after "K.S.A." by inserting "60-1507, 60-31a02 and"; also in line 13, by striking "is" and inserting "are"; in line 15, by striking "Kansas register" and inserting "statute book";

(2) based on information or circumstances known to the secretary, without an engineering or traffic investigation, that a speed less than the maximum otherwise allowed is warranted. If the secretary determines to designate a speed limit under authority of this paragraph the secretary shall prepare a statement and notice of alteration of maximum speed limit. The statement shall be in writing, shall specify the designated maximum speed limit, the route or routes affected, or any segment thereof, the factors upon which the decision is based and the date on which the speed limit shall be effective. (c) The secretary of transportation may establish the speed limit within a road construction zone, as defined in K.S.A. 8-1458a, and amendments thereto, upon any highway under the jurisdiction of the secretary, and the speed limit shall be effective when appropriate signs giving notice thereof are erected.

(d) The secretary of transportation shall not establish any maximum speed limit in excess of the maximum speed limits established by K.S.A. 8-1558, and amendments thereto, except that the secretary may establish a speed limit which exceeds the limit established under K.S.A. 8-1558(a)(4), and amendments thereto, by five miles per hour on any such highway located outside of an urban district. Prior to increasing any speed limit authorized pursuant to this subsection, the secretary shall consider the effects of K.S.A. 8-1560c and 8-1560d before establishing a higher speed limit.

(e) The secretary of transportation shall not alter any speed limit established under ~~paragraph (4) of subsection (a) of~~ K.S.A. 8-1560(a)(4), and amendments thereto, without first obtaining approval from the local authority.

(a) Whenever any person providing wrecker or towing service, as defined by law, while lawfully in possession of a vehicle, at the direction of a law enforcement officer or the owner or as provided by a city ordinance or county resolution, renders any service to the owner thereof by the recovery, transportation, protection, storage or safekeeping thereof, a first and prior lien on the vehicle is hereby created in favor of such person rendering such service and the lien shall amount to the full amount and value of the service rendered. The lien may be foreclosed in the manner provided in this act. If the name of the owner of the vehicle is known to the person in possession of such vehicle, then within 15 days, notice shall be given to the owner that the vehicle is being held subject to satisfaction of the lien. The person in possession of such vehicle and personal property shall be responsible only for the reasonable care of such property. Any personal property within the vehicle not returned to the owner shall be sold at the auction authorized by this act.

(b) At the time of providing wrecker or towing service, any person providing such wrecker or towing service shall give written notice to the driver, if available, of the vehicle being towed that a fee will be charged for storage of such vehicle. EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **S Sub for HB 2008**. Protecting the lucrative and sought after data of our students and children is a necessity, and I absolutely support it, however this bill fails. A more solid attempt should've been produced prior to voting, including use of specific national security standards, detailed auditing frequency and resulting reports, detailed deletion instruction and timelines, and the complete prohibition of marketing, including profit-producing product-cross-marketing, to students. This bill needs intense amending in the upcoming session to actually protect student data privacy. – KASHA KELLEY, JOSEPH SCAPA

Presumptive Imprisonment

(b) Sentences expressed in the sentencing guidelines grid for nondrug crimes represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to the sentencing court's discretion to enter a departure sentence. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:

- (A) Prison sentence;
- (B) maximum potential reduction to such sentence as a result of good time; and
- (C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the:

- (A) Prison sentence; and
- (B) duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q).

(g) The sentence for a violation of K.S.A. 21-3415, prior to its repeal, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of K.S.A. 2015 Supp. 21-5412(d), and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(i) (1) The sentence for the violation of the felony provision of K.S.A. 2015 Supp. 8-1025, K.S.A. 8-2,144, K.S.A. 8-1567, K.S.A. 2015 Supp. 21-5414(b)(3), K.S.A. 2015 Supp. 21-5823(b)(3) and (b)(4), K.S.A. 2015 Supp. 21-6412 and K.S.A. 2015 Supp. 21-6416, and amendments thereto, shall be as provided by the specific mandatory sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 2015 Supp. 21-6807, and amendments thereto.

(2) If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 2015 Supp. 21-6807, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 2015 Supp. 21-5823, and amendments thereto.

(3) Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 2015 Supp. 8-1025, K.S.A. 8-2,144, K.S.A. 8-1567, K.S.A. 2015 Supp. 21-5414(b)(3), K.S.A. 2015 Supp. 21-5823(b)(3) and (b)(4), K.S.A. 2015 Supp. 21-6412 and K.S.A. 2015 Supp. 21-6416, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of K.S.A. 2015 Supp. 8-1025 or K.S.A. 8-2,144 or K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review. Prior to imposing any sentence pursuant to this subsection, the court may consider assigning the defendant to a house arrest program pursuant to K.S.A. 2015 Supp. 21-6609, and amendments thereto.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who:

(A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto; and

(3) Except as provided in subsection (j)(2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) (1) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of K.S.A. 2015 Supp. 21-6824(f)(1), and amendments thereto, shall apply to a defendant sentenced under this subsection. - (2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
- (3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits. (2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(r) The sentence for a violation of K.S.A. 2015 Supp. 21-5413(c)(2), and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(s) The sentence for a violation of K.S.A. 2015 Supp. 21-5512, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(t) (1) If the trier of fact makes a finding that an offender wore or used ballistic resistant material in the commission of, or attempt to commit, or flight from any felony, in addition to the sentence imposed pursuant to the Kansas sentencing guidelines act, the offender shall be sentenced to an additional 30 months' imprisonment.

(2) The sentence imposed pursuant to subsection (t)(1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(3) As used in this subsection, "ballistic resistant material" means: (A) Any commercially produced material designed with the purpose of providing ballistic and trauma protection, including, but not limited to, bulletproof vests and kevlar vests; and (B) any homemade or fabricated substance or item designed with the purpose of providing ballistic and trauma protection.

Such sentence shall not be considered a departure and shall not be subject to appeal.

(v) The sentence for a third or subsequent violation of K.S.A. 8-1568, and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(w) The sentence for aggravated criminal damage to property as defined in K.S.A. 2015 Supp. 21-5813(b), and amendments thereto, when such person being sentenced has a prior conviction for any nonperson felony shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(x) The sentence for a violation of K.S.A. 2015 Supp. 21-5807(a)(1), and amendments thereto, shall be presumptive imprisonment if the offense under such paragraph is classified in grid blocks 7-C, 7-D or 7-E. Such sentence shall not be considered a departure and shall not be subject to appeal.;

EXPLANATION OF VOTE

MR. SPEAKER: The legislative process sometimes leads to the bundling of multiple bills together such that a legislator must vote for a single report containing more than one bill. Such is the case with **HB 2462**. I am opposed to weakening penalties on drug offenders but feel strongly that increasing penalties on those who would violate the sanctity of another's home, their right to privacy and their peace of mind through the act of burglary should be punished severely. Therefore, I vote yes on this report to increase public safety, increase penalties against burglars and protect my fellow citizens. –
