The Conference Committee Report was adopted.

EXPLANATION OF VOTE

Madam President: This budget did steal from KPERS, transportation and the PMIB, contrary to the Ways and Means chairman. I guess you can ignore that if you are the one who built the budget. The spending increase in this conference committee report on **S Sub HB 2002** is unacceptable because it is such a heavy burden for the people of Kansas. This report does nothing to structurally fix the budget, as it increases spending at such a high level and even delays over \$300 million in KPERS payments to make the ending balance appear higher than it actually would be. The members of this Legislature voting for this budget are using taxpayers like a credit card, as they kick the can down the road and create more problems in future years. In addition, it comes with a RETROACTIVE \$1.2 billion tax increase, which is immoral to take from Kansas citizens after they have already spent their paychecks. I vote against this measure and encourage my colleagues to do the same.—MARY PILCHER-COOK

Senators Alley, Baumgardner, Fitzgerald, Hilderbrand and Lynn request the record to show they concur with the "Explanation of Vote" offered by Senator Pilcher-Cook on **S Sub HB 2002**.

SPECIAL REMARKS

Madam President, The conference committee report on **S Sub HB 2002** increases government spending by an egregious amount, adding hundreds of millions of dollars in NEW spending in a single budget cycle, while not even making over 300 million in KPERS payments, adding to long term debt, and exacerbating our unfunded liability. Coupled with the fact those with radical ideology in this legislature passed the largest tax increase in Kansas history by almost double, applied those taxes RETROACTIVELY, cut the low income exclusion by more than half, and left our sales tax at its peak, represents completely irresponsible governing. This burdens Kansans with over 1.2 Billion dollars in new taxes and at the same time spends all their money at such an increased rate that the out year budget profile is NEGATIVE in just 24 months. All of this combined is proof positive that no matter how high they raise taxes on

Kansas families, a reckless, out of control government can always out spend what it takes in and create its own deficit in any economy. On behalf of a majority of my constituents in the 16th district, I will not support this agenda in any way.—Ty
MASTERSON

On motion of Senator Denning, the Senate recessed until the sound of the gavel.

The Senate met pursuant to recess with Senator Schmidt in the chair.

Journal of the Senate

EIGHTY-NINTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Monday, June 26, 2017, 10:00 a.m.

As provided by **HCR 5016**, the Sine Die Session of the regular 2017 Kansas Senate was called to order by President Susan Wagle.

Invocation by Reverend Cecil T. Washington:

Heavenly Father, as weeks, months and even years go by, and we look back at the work You allowed us to do, let us see that You were able to merge the diversity and opposing viewpoints in these halls to produce a better way of life for Your People.

1 Corinthians 12:12-31, You remind us of the unity, in spite of diversity, in the human body. Likewise, in this legislative body, as diverse as we are, You have put us all together with a need for each other. Like the eye and the hand work together in spite of their differences, You brought this body of diverse people together to achieve an improved society.

Lord, the motto "E pluribus unum," is a reminder that the oneness...the unity in these halls is made up of the parts and all the parts issue into the one.

Thank You for what has been accomplished, and for the work that is yet to be done.

Watch over these servants and maintain a hedge of protection around them. Then bring us back together in Your time and in Your way.

(Reverend Washington concluded his prayer by singing "God Bless America.") Amen

The Pledge of Allegiance was led by President Susan Wagle.
