In response to a question raised by Senator Holland concerning the purpose of meeting on **SB 470**, the Chairman stated the House had deleted the provisions of **SB 344–Congressional redistricting**, which would have implemented the Senate's plan for the new Congressional District boundaries. He added that since **SB 344** had passed out of the Senate, some issues had arisen in regard to the Senate's proposal. **SB 470** was drafted as a compromise proposal. He stated under **SB 470**: Osage, Coffey, Harper, Kingman, Stafford, Pratt, Barber, Edwards, Kiowa and Pawnee Counties would be located in the First Congressional District; Riley County would be located in the Second Congressional District; and Montgomery, Wilson and Woodsen Counties would be located in the Fourth Congressional District.

In response to a question raised by Senator Holland, the Chairman stated the House's position is the map designated as Bob Dole 1.

In response to a request by Senator Hensley, Senator Reitz (who was in the audience) stated he supported the proposal contained in **SB 470**. He believes it is in the best interest of Riley County and of the state as a whole that Riley County be located in the Second Congressional District. He added that he believes the proposal provides for compact Congressional Districts.
