Reps. Bishop, Huebert and Wasinger were excused on excused absence by the Speaker.

Prayer by guest chaplain, Rev. Sandra Brown, Pastor, First Presbyterian Church, Topeka:

Gracious God, we gather this day in gratitude that you are the God who said: “Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will hold you up with my victorious right hand” (Isaiah 41:10). We lean on your strength today, O God, as we prepare to do the work that is uniquely ours to do for our neighbors, especially the neighbors who need us most. Help us to remember first the vulnerable people that others often think of last. Make our hearts and minds as open as the wide-open spaces of this beautiful state we call home. Flavor our discussion and decisions with a supersize portion of your grace today. Amen.

The Pledge of Allegiance was led by Rep. Dove.

INTRODUCTION OF GUESTS

Today it is my pleasure to recognize a gentleman for his outstanding gift to my hometown, the small, rural community of Neodesha, Kansas.

Effective this May, and for the next 25 years that follow, graduating Seniors from Neodesha High School that are in good standing and who meet the necessary requirements will be able to attend any post graduate institution of their choice, thanks to the Marilyn Cram Cutler Foundation. The scholarship award will cover tuition and mandatory fees for up to 120 credit hours of study for a bachelor’s degree and up to 60 credit hours of study for an associate’s degree or technical certification. Awards will be capped at the highest tuition at a Kansas public college for in-state students, which is currently the University of Kansas. Students will have 6 years to access the Neodesha Promise for a Bachelor program and 4 years for an Associate degree or Technical certification.

There is an expectation for many additional benefits to impact our community as a result of this very positive gift. From small business start-ups, renewed housing development, and an increase in jobs to a revitalized Main Street – just to name a few of these impactful possibilities. The excitement and enthusiasm from the community is incredible and it’s all because of one man and his dream to give back to the place where he grew up and to the school from which he graduated.
