On page 3, following line 38, by inserting:

(c) The commissioner shall have the authority to share supervisory information, including reports of examinations, with other state or federal agencies having regulatory authority over the person's money transmission business and shall have the authority to conduct joint examinations with other regulatory agencies.

(2) The requirements under any federal or state law regarding the confidentiality of any information or material provided to the nationwide multi-state licensing system, and any privilege arising under federal or state law, including the rules of any federal or state court, with respect to such information or material, shall continue to apply to such information or material after the information or material has been disclosed to the system. Such information and material may be shared with all state and federal regulatory officials with financial services industry oversight authority without the loss of confidentiality protections provided by federal and state laws.

(d) The commissioner may provide for the release of information to law enforcement agencies or prosecutorial agencies or offices who shall maintain the confidentiality of the information.

(e) The commissioner may accept a report of examination or investigation from another state or federal licensing agency, in which the accepted report is an official report of the commissioner. Acceptance of an examination or investigation report does not waive any fee required by this act.

(f) Nothing shall prohibit the commissioner from releasing to the public a list of persons licensed or their agents or from releasing aggregated financial data on such persons.

(g) The provisions of subsection (a) shall expire on July 1, 2021, unless the legislature acts to reauthorize such provisions. The provisions of subsection (a) shall be reviewed by the legislature prior to July 1, 2021.

(b) For investment purposes amounts shall be paid from the fund upon vouchers approved by the chairperson of the pooled money investment board.

(c)–(d) Payments from the fund for attorney fees, expert witness fees, and other costs related to claims, including invoices, statements and other documentation thereof, shall not be subject to K.S.A. 45-218, and amendments thereto.

(2) The provisions of this subsection shall expire on June 30, 2019, unless the legislature acts to reenact such provisions. The provisions of this section shall be reviewed by the legislature prior to July 1, 2019.

Sec. 9. K.S.A. 2018 Supp. 45-229 is hereby amended to read as follows: 45-229.

(a) It is the intent of the legislature that exceptions to disclosure under the open records act shall be created or maintained only if:

(1) The public record is of a sensitive or personal nature concerning individuals;

(2) the public record is necessary for the effective and efficient administration of a governmental program; or

(3) the public record affects confidential information.

The maintenance or creation of an exception to disclosure must be compelled as measured by these criteria. Further, the legislature finds that the public has a right to have access to public records unless the criteria in this section for restricting such access to a public record are met and the criteria are considered during legislative review in connection with the particular exception to disclosure to be significant enough to override the strong public policy of open government. To strengthen the policy of open government, the legislature shall consider the criteria in this section before enacting an exception to disclosure.

(b) Subject to the provisions of subsections (g) and (h), any new exception to disclosure or substantial amendment of an existing exception shall expire on July 1 of the fifth year after enactment of the new exception or substantial amendment, unless the legislature acts to continue the exception. A law that enacts a new exception or substantially amends an existing exception shall state that the exception expires at the end of five years and that the exception shall be reviewed by the legislature before the scheduled date.

(c) For purposes of this section, an exception is substantially amended if the amendment expands the scope of the exception to include more records or information. An exception is not substantially amended if the amendment narrows the scope of the exception.

(d) This section is not intended to repeal an exception that has been amended following legislative review before the scheduled repeal of the exception if the exception is not substantially amended as a result of the review.

(e) In the year before the expiration of an exception, the revisor of statutes shall certify to the president of the senate and the speaker of the house of representatives, by July 15, the language and statutory citation of each exception that will expire in the following year which meets the criteria of an exception as defined in this section. Any exception that is not identified and certified to the president of the senate and the speaker of the house of representatives is not subject to legislative review and shall not expire. If the revisor of statutes fails to certify an exception that the revisor
subsequently determines should have been certified, the revisor shall include the exception in the following year's certification after that determination.

(f) "Exception" means any provision of law that creates an exception to disclosure or limits disclosure under the open records act pursuant to K.S.A. 45-221, and amendments thereto, or pursuant to any other provision of law.

(g) A provision of law that creates or amends an exception to disclosure under the open records law shall not be subject to review and expiration under this act if such provision:

1. Is required by federal law;
2. Applies solely to the legislature or to the state court system;
3. Has been reviewed and continued in existence twice by the legislature; or
4. Has been reviewed and continued in existence by the legislature during the 2013 legislative session and thereafter.

(h) (1) The legislature shall review the exception before its scheduled expiration and consider as part of the review process the following:

A. What specific records are affected by the exception;
B. Whom does the exception uniquely affect, as opposed to the general public;
C. What is the identifiable public purpose or goal of the exception;
D. Whether the information contained in the records may be obtained readily by alternative means and how it may be obtained;

2. An exception may be created or maintained only if it serves an identifiable public purpose and may be no broader than is necessary to meet the public purpose it serves. An identifiable public purpose is served if the legislature finds that the purpose is sufficiently compelling to override the strong public policy of open government and cannot be accomplished without the exception and if the exception:

A. Allows the effective and efficient administration of a governmental program, which administration would be significantly impaired without the exception;
B. Protects information of a sensitive personal nature concerning individuals, the release of which information would be defamatory to such individuals or cause unwarranted damage to the good name or reputation of such individuals or would jeopardize the safety of such individuals. Only information that would identify the individuals may be excepted under this paragraph; or
C. Protects information of a confidential nature concerning entities, including, but not limited to, a formula, pattern, device, combination of devices, or compilation of information that is used to protect or further a business advantage over those who do not know or use it, if the disclosure of which information would injure the affected entity in the marketplace.

3. Records made before the date of the expiration of an exception shall be subject to disclosure as otherwise provided by law. In deciding whether the records shall be made public, the legislature shall consider whether the damage or loss to persons or entities uniquely affected by the exception of the type specified in paragraph (2)(B) or (2)(C) would occur if the records were made public.

Invocation by Reverend Cecil T. Washington:

Lord, You said in 2 Chronicles 7:14, that if Your people, people called by Your Name and declaring Your Name, would humble themselves and pray and turn away from corrupt, sinful attitudes and actions, it would be the key, key to Your hearing our prayers, forgiving our sins and healing our nation.

So, Lord, we come before You on this “National Day of Prayer.” A day that’s been set aside, for everyone; to turn to You, in both prayer and meditation. And Lord, we thank You for the privilege of both. In our closet of prayer, as we temporarily shut the door on interferences, we find in Hebrews 4:15-16, that we can humbly yet boldly, come before Your throne sharing whatever is on our hearts.

And in meditation, we can find that still, quiet place on the inside where we can listen and wait on a Word from You, to get the help, the direction and the guidance we need for the present and for what lies ahead. Thank You Lord, for Your loving response to our Knee-Mail! I come to You in the precious Name of Jesus, Amen.

The Pledge of Allegiance was led by President Wagle.

CONFERENCE COMMITTEE REPORT

MR. SPEAKER and MADAM PRESIDENT: Your committee on conference on Senate amendments to HB 2033 submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 16, following line 43, by inserting:

"Sec. 3. K.S.A. 2018 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and amendments thereto, for privilege tax year 1995, and all such years thereafter.

(iii) The federal net operating loss deduction, except that the federal net operating loss deduction shall not be added to an individual's federal adjusted gross income for tax years beginning after December 31, 2016.

(iv) Federal income tax refunds received by the taxpayer if the deduction of the taxes being refunded resulted in a tax benefit for Kansas income tax purposes during a prior taxable year. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year
regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(vii) The amount of any charitable contribution made to the extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 79-32,196, and amendments thereto.

(viii) The amount of any costs incurred for improvements to a swine facility, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,204, and amendments thereto.

(ix) The amount of any ad valorem taxes and assessments paid and the amount of any costs incurred for habitat management or construction and maintenance of improvements on real property, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,203, and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 2018 Supp. 75-643, and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to K.S.A. 79-32,117(c)(xv), and amendments thereto, or if such amounts are not already included in the federal adjusted gross income.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to subsection (c)(xiii), or if such amounts are not already included in the federal adjusted gross income.

(xiii) The amount of any expenditures claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 2018 Supp. 79-32,217 through 79-32,220 or 79-32,222, and amendments thereto.

New Sec. 8. (a) On and after October 1, 2019, any marketplace facilitator that meets the criteria in subsection (b) or that has a physical presence in this state, must collect and remit retail sales or use tax on all taxable retail sales made or facilitated by the marketplace facilitator into this state pursuant to this act. Marketplace facilitators meeting the requirements of subsection (b) must begin collecting state and local retail sales or use taxes on taxable retail sales made or facilitated by the marketplace facilitator sourced to this state beginning on the first day of the next calendar month that is at least 30 days from the date that the marketplace facilitator met the threshold described in subsection (b).

(b) A marketplace facilitator is subject to subsection (a) if:

(1) (A) For calendar year 2018, the marketplace facilitator made or facilitated retail sales sourced to this state in excess of $100,000 of cumulative gross receipts from retail sales sourced to this state;

(B) for the period beginning on January 1, 2019, through September 30, 2019, the marketplace facilitator made or facilitated retail sales sourced to this state in excess of $100,000 of cumulative gross receipts from retail sales sourced to this state; or

(B) For any marketplace facilitator who satisfies the provisions of subsection (b)(1) for sales in the current calendar year for the first time, such marketplace facilitator shall be required to collect and remit the tax on any sales made or facilitated in excess of the $100,000 of cumulative gross receipts from sales in the current calendar year by the marketplace facilitator to customers in this state.

New Sec. 9. (a) In addition to other applicable recordkeeping requirements, the department may require a marketplace facilitator or referrer to provide or make available to the department any information the department determines is reasonably necessary to enforce the provisions of this act, the Kansas retailers' sales tax act and the Kansas compensating tax act. Such information may include documentation of sales made by marketplace sellers through the marketplace facilitator's physical or electronic marketplace. The department may prescribe by rules and regulations the form and manner for providing this information.

(b) A marketplace facilitator is relieved of liability under this act for failure to collect the correct amount of tax to the extent that the marketplace facilitator can show to the department's satisfaction that the error was due to incorrect information given to the marketplace facilitator by the marketplace seller, unless the marketplace facilitator and marketplace seller are affiliated persons. When the marketplace facilitator is relieved of liability under this subsection, the marketplace seller is solely liable for the amount of uncollected tax due.

(c) Except as otherwise provided in this section, a marketplace seller otherwise obligated to collect the taxes imposed under this act is not required to collect such taxes on all taxable retail sales through a marketplace operated by a marketplace facilitator if the marketplace seller entered into an agreement with the marketplace facilitator
indicating that the marketplace facilitator is registered with the department and will collect all applicable taxes due under this act, the Kansas retailers' sales tax act or the Kansas compensating tax act on all taxable retail sales made on behalf of the marketplace seller through the marketplace operated by the marketplace facilitator. This subsection does not relieve a marketplace seller from liability for uncollected taxes due under this act, the Kansas retailers' sales tax act or the Kansas compensating tax act resulting from a marketplace facilitator's failure to collect the proper amount of tax due when the error was due to insufficient or incorrect information given to the marketplace facilitator by the marketplace seller.

(d) No class action may be brought against a marketplace facilitator in any court of this state on behalf of purchasers arising from or in any way related to an overpayment of sales or use tax collected by the marketplace facilitator or referrer, regardless of whether that claim is characterized as a tax refund claim. Nothing in this subsection affects a purchaser's right to seek a refund from the department as provided by the Kansas retailers' sales tax act.

New Sec. 10. (a) Except as otherwise provided in this act, taxes imposed under the Kansas retailers' sales tax act or the Kansas compensating tax act and payable by a consumer directly to the department are due, on returns prescribed by the department, as prescribed by those acts.

(b) Nothing in this act affects the obligation of any purchaser from this state to remit retail sales or use tax as to any applicable taxable transaction in which the seller does not collect and remit retail sales or use tax.

New Sec. 11. (a) A marketplace facilitator that is subject to section 8, and amendments thereto, and is complying with the requirements of the Kansas retailers' sales tax act or the Kansas compensating tax act may only seek a recovery of retail sales and use taxes, penalties or interest from the department by following the recovery procedures established under the Kansas retailers' sales tax act. However, no claim may be granted on the basis that the taxpayer lacked a physical presence in this state and complied with the tax collection provisions of the Kansas retailers' sales tax act or the Kansas compensating tax act voluntarily.

(b) Neither the state nor any marketplace facilitator that collects and remits retail sales or use tax under section 8, and amendments thereto, is liable to a purchaser that claims that the retail sales or use tax has been over-collected because a provision of this act is later deemed unlawful.

New Sec. 12. A marketplace seller, or a marketplace facilitator that is obligated to collect the taxes imposed under this act, the Kansas retailers' sales tax act or Kansas compensating tax act must also collect all other applicable taxes and fees in effect as of the effective date of this section. For purposes of this section, "taxes and fees" means any monetary exaction, regardless of its label, imposed on a buyer and that the marketplace seller or marketplace facilitator is required to collect and pay over to the department.

Beginning on October 1, 2019, the collection and remittance obligation of a marketplace facilitator under this act also applies to any other taxes and fees, as defined under this section, that are imposed on a retail sale made or facilitated by the marketplace facilitator, whether in its own right or as an agent of a marketplace seller, regardless of whether the marketplace seller has a tax collection obligation.

New Sec. 13. Except as otherwise provided in this act, the provisions of K.S.A. 79-
3601 through 79-3696, and amendments thereto, relating to enforcement, collection and administration, insofar as practicable, shall have full force and effect with respect to taxes imposed under the provisions of the Kansas main street parity act.

New Sec. 14. The secretary of revenue shall adopt such rules and regulations as deemed necessary for the administration of this act.

New Sec. 15. If any provision of the Kansas main street parity act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the act that can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

New Sec. 16. (a) There is hereby levied and there shall be collected and paid a tax upon the gross receipts from the sale of food and food ingredients. The rate of tax shall be 6.5%, except as otherwise provided pursuant to section 17, and amendments thereto.

(b) The provisions of this section shall not apply to prepared food, unless sold without eating utensils provided by the seller and described below:
   (1) Food sold by a seller whose proper primary NAICS classification is manufacturing in sector 311, except subsector 3118 (bakeries);
   (2) (A) food sold in an unheated state by weight or volume as a single item; or
        (B) only meat or seafood sold in an unheated state by weight or volume as a single item;
   (3) bakery items, including bread, rolls, buns, biscuits, bagels, croissants, pastries, donuts, danish, cakes, tortes, pies, tarts, muffins, bars, cookies and tortillas;

   (5) bottled water that is not otherwise sold as prepared food.

(c) The provisions of this section shall be a part of and supplemental to the Kansas retailers' sales tax act.

New Sec. 17. (a) Commencing with fiscal year 2019, in any fiscal year in which an increase in revenue attributable to the Kansas compensating use tax provided in K.S.A. 79-3703, and amendments thereto, exceeds the revenue of the base year amount plus 3% annually, the director of legislative research shall certify such excess amount by September 1 to the secretary of revenue and the director of the budget. Upon receipt of such certified amount, the secretary shall compute as follows:

For calculating a reduction in the state rate for sales and compensating use taxes on food and food ingredients, the certified amount from subsection (a) in dollars shall be computed by the secretary for a reduction rounded down to the nearest 0.1% in the sales and compensating use tax rates on food and food ingredients, if any, to go into effect for the next calendar year that would reduce the revenue from sales and compensating use taxes on food and food ingredients in an amount approximately equal to the amount computed by the secretary. Such rate reductions shall remain in effect unless further reduced pursuant to this section. The rate reductions pursuant to this section shall be applied until the state rates for sales and compensating use taxes on food and food ingredients are reduced to 0%. The secretary shall publish the new sales and compensating use tax rates to take effect on July 1 for calendar year 2020; and on January 1 for all calendar years thereafter, by October 1 of the preceding year. In the event that the amount provided in subsection (a) does not exceed the base year amount, the reduction in the state rate for sales and compensating use tax on food and food ingredients is 0%. The state rate for sales and compensating use taxes shall not increase
when revenue pursuant to subsection (a) is less than the base year amount.

(b) As used in this section, "base year amount" means the revenue attributable to
the Kansas compensating use tax provided in K.S.A. 79-3703, and amendments thereto,
for fiscal year 2018.

Sec. 21. K.S.A. 2018 Supp. 79-3702 is hereby amended to read as follows: 79-3702. For the purposes of this act: (a) "Purchase price" means the consideration paid or given or contracted to be paid or given by any person to the seller of an article of tangible personal property for the article purchased. The term shall include, in addition to the consideration paid or given or contracted to be paid or given, the actual cost of transportation from the place where the article was purchased to the person using the same in this state. If a cash discount is allowed and taken on the sale it shall be deducted in arriving at the purchase price.

(b) The meaning ascribed to words and phrases in K.S.A. 79-3602, and amendments thereto, insofar as is practicable, shall be applicable herein unless otherwise provided. The provisions of K.S.A. 79-3601 to through 79-3625, inclusive, 79-3650, and amendments thereto, and K.S.A. 2018 Supp. 79-3693 and 79-3694, and amendments thereto, relating to enforcement, collection and administration, insofar as practicable, shall have full force and effect with respect to taxes imposed under the provisions of this act.

(c) "Use" means the exercise within this state by any person of any right or power over tangible personal property incident to the ownership of that property, except that it shall not include processing, or the sale of the property in the regular course of business, and except storage as hereinafter defined.

(d) "Storage" means any keeping or retaining in this state for any purpose except sale in the regular course of business or subsequent use solely outside this state of tangible personal property purchased from a retailer.

(e) "Storage" and "use" do not include the keeping, retaining or exercising of any right or power over tangible personal property shipped or brought into this state for the purpose of subsequently transporting it outside the state for use thereafter solely outside the state, or for the purpose of being processed, fabricated, or manufactured into,
attached to or incorporated into, other tangible personal property to be transported outside the state and thereafter used solely outside the state.

(f) "Property used in processing" means: (1) Any tangible personal property which, when used in fabrication, compounding, manufacturing or germination, becomes an integral part of the new article resulting from such fabrication, compounding, manufacturing, or germination, and intended to be sold ultimately at retail; and (2) fuel which is consumed in creating power, heat, or steam for processing or for generating electric current.

(g) "Retailer" means every person engaged in the business of selling tangible personal property for use within the meaning of this act, except that, when in the opinion of the director it is necessary for the efficient administration of this act to regard any salesperson, representatives, truckers, peddlers or canvassers as the agents of the dealers, distributors, supervisors, employers or persons under whom they operate or from whom they obtain the tangible personal property sold by them, irrespective of whether they are making sales on their own behalf or on behalf of such dealers, distributors, supervisors, employers, or persons, the director may so regard them and may regard the dealers, distributors, supervisors, employers, or persons as retailers for the purposes of this act.

(h) (1) "Retailer doing business in this state" or any like term, means: (A) Any retailer maintaining in this state, permanently, temporarily, directly or indirectly through a subsidiary, agent or representative, an office, distribution house, sales house, warehouse or other place of business;

(B) any retailer utilizing an employee, independent contractor, agent, representative, salesperson, canvasser, solicitor or other person operating in this state either permanently or temporarily, for the purpose of selling, delivering, installing, assembling, servicing, repairing, soliciting sales or the taking of orders for tangible personal property;

(C) any retailer, including a contractor, repair person or other service provider, who enters this state to perform services that are enumerated in K.S.A. 79-3603, and amendments thereto, and who is required to secure a retailer's sales tax registration certificate before performing those services;

(D) any retailer deriving rental receipts from a lease of tangible personal property situated in this state;

(E) any person regularly maintaining a stock of tangible personal property in this state for sale in the normal course of business; and

(F) any retailer who has any other contact with this state that would allow this state to require the retailer to collect and remit tax under the provisions of the constitution and laws of the United States; and

(G) (i) for any retailer that does not satisfy any of the requirements contained in subparagraphs (A) through (F), such retailer shall be a retailer doing business in this state, if:

(a) For calendar year 2018, the retailer had in excess of $100,000 of cumulative gross receipts from sales by the retailer to customers in this state;

(b) for the period beginning on January 1, 2019, through September 30, 2019, the retailer had in excess of $100,000 of cumulative gross receipts from sales by the retailer to customers in this state; or

(c) during the current or immediately preceding calendar year, the retailer had in
excess of $100,000 of cumulative gross receipts from sales by the retailer to customers in this state.

(ii) (a) For any retailer who satisfies the provisions of subparagraph (G)(i), such retailer shall not be required to collect and remit any taxes from sales occurring prior to October 1, 2019.

(b) For any retailer who satisfies the provisions of subparagraph (G)(i)(c) for sales in the current calendar year for the first time, such retailer shall be required to collect and remit the tax on any sales in excess of the $100,000 of cumulative gross receipts from sales in the current calendar year by the retailer to customers in this state.

(2) A retailer shall be presumed to be doing business in this state if any of the following occur:

(A) Any person, other than a common carrier acting in its capacity as such, that has nexus with the state sufficient to require such person to collect and remit taxes under the provisions of the constitution and laws of the United States if such person were making taxable retail sales of tangible personal property or services in this state:

(i) Sells the same or a substantially similar line of products as the retailer and does so under the same or a substantially similar business name;

(ii) maintains a distribution house, sales house, warehouse or similar place of business in Kansas that delivers or facilitates the sale or delivery of property sold by the retailer to consumers;

(iii) uses trademarks, service marks, or trade names in the state that are the same or substantially similar to those used by the retailer;

(iv) delivers, installs, assembles or performs maintenance services for the retailer's customers within the state;

(v) facilitates the retailer's delivery of property to customers in the state by allowing the retailer's customers to pick up property sold by the retailer at an office, distribution facility, warehouse, storage place or similar place of business maintained by the person in the state;

(vi) has a franchisee or licensee operating under its trade name if the franchisee or the licensee is required to collect the tax under the Kansas retailers' sales tax act; or

(vii) conducts any other activities in the state that are significantly associated with the retailer's ability to establish and maintain a market in the state for the retailer's sales.

(B) Any affiliated person conducting activities in this state described in subparagraph (A) or (C) has nexus with this state sufficient to require such person to collect and remit taxes under the provisions of the constitution and laws of the United States if such person were making taxable retail sales of tangible personal property or services in this state.

(C) The retailer enters into an agreement with one or more residents of this state under which the resident, for a commission or other consideration, directly or indirectly refers potential customers, whether by a link or an internet website, by telemarketing, by an in-person oral presentation, or otherwise, to the retailer, if the cumulative gross receipts from sales by the retailer to customers in the state who are referred to the retailer by all residents with this type of agreement with the retailer is in excess of $10,000 during the preceding 12 months. This presumption may be rebutted by submitting proof that the residents with whom the retailer has an agreement did not engage in any activity within the state that was significantly associated with the retailer's ability to establish or maintain the retailer's market in the state during the
preceding 12 months. Such proof may consist of sworn written statements from all of
the residents with whom the retailer has an agreement stating that they did not engage in
any solicitation in the state on behalf of the retailer during the preceding year, provided
that such statements were provided and obtained in good faith. This subparagraph shall
take effect 90 days after the enactment of this statute and shall apply to sales made and
uses occurring on or after the effective date of this subparagraph and without regard to
the date the retailer and the resident entered into the agreement described in this
subparagraph. The term "preceding 12 months" as used in this subparagraph includes
the 12 months commencing prior to the effective date of this subparagraph.

(D) The presumptions in subparagraphs (A) and (B) may be rebutted by
demonstrating that the activities of the person or affiliated person in the state are not
significantly associated with the retailer’s ability to establish or maintain a market in
this state for the retailer’s sales. The retailer is subject to the provisions set forth in
subsection (h)(1)(G) for a retailer doing business in this state and has in excess of
$100,000 of cumulative gross receipts from sales by the retailer to customers in this
state. Such retailer shall have nexus with this state sufficient to require such retailer to
collect and remit taxes under the provisions of the constitution and laws of the United
States if such retailer were making taxable retail sales of tangible personal property in
this state.

(3) The processing of orders electronically, by fax, telephone, the internet or other
electronic ordering process, does not relieve a retailer of responsibility for collection of
the tax from the purchaser if the retailer is doing business in this state pursuant to this
section.

(i) "Director" means the director of taxation.

(j) As used in this section, "affiliated person" means any person that is a member of
the same "controlled group of corporations" as defined in section 1563(a) of the federal
internal revenue code as the retailer or any other entity that, notwithstanding its form of
organization, bears the same ownership relationship to the retailer as a corporation that
is a member of the same "controlled group of corporations" as defined in section
1563(a) of the federal internal revenue code. "cumulative gross receipts" means gross
receipts as defined in K.S.A. 79-3602, and amendments thereto, and includes the gross
receipts received by the retailer from its own direct sales combined with the gross
receipts from sales facilitated on behalf of the retailers by a marketplace facilitator or
marketplace facilitators, as defined in section 7, and amendments thereto.

and after October 1, 2019, the rate on food and food ingredients as provided in section
16, and amendments thereto. Within a redevelopment district established pursuant to
K.S.A. 74-8921, and amendments thereto, there is hereby levied and there shall be
collected and paid an additional tax of 2% until the earlier of: (1) The date the bonds
issued to finance or refinance the redevelopment project undertaken in the district have
been paid in full; or (2) the final scheduled maturity of the first series of bonds issued to
finance the redevelopment project. All property purchased or leased within or without
this state and subsequently used, stored or consumed in this state shall be subject to the
compensating tax if the same property or transaction would have been subject to the Kansas retailers' sales tax had the transaction been wholly within this state.

For net operating farm losses, as defined by subsection (i) of section 172 of the federal internal revenue code, incurred in

(b) The amount of the loss to be carried back or forward will be the federal net operating loss after: (1) All modifications required under this act applicable to the net loss in the year the loss was incurred; and (2) after apportionment as to source in the case of corporations, nonresident individuals for losses incurred in taxable years beginning prior to January 1, 1978, and nonresident estates and trusts in the same manner that income for such corporations, nonresident individuals, estates and trusts is required to be apportioned.

(c) If a net operating loss was incurred in a taxable year beginning prior to January 1, 1988, the amount of the net operating loss that may be carried back and carried forward and the period for which it may be carried back and carried forward shall be determined under the provisions of the Kansas income tax laws which were in effect during the year that such net operating loss was incurred.

(d) If any portion of a net operating loss described in subsections (a) and (b) is not utilized prior to the final year of the carryforward period provided in subsection (a), a refund shall be allowable in such final year in an amount equal to the refund which would have been allowable in the taxable year the loss was incurred by utilizing the three year carryback provided under K.S.A. 79-32,143, as in effect on December 31, 1987, multiplied by a fraction, the numerator of which is the unused portion of such net operating loss in the final year, and the denominator of which is the amount of such net operating loss which could have been carried back to the three years immediately preceding the year in which the loss was incurred. In no event may such fraction exceed 1.

(e) Notwithstanding any other provisions of the Kansas income tax act, the net operating loss as computed under subsections (a), (b) and (c) of this section shall be allowed in full in determining Kansas taxable income or at the option of the taxpayer allowed in full in determining Kansas adjusted gross income.

(f) No refund of income tax which results from a net operating farm loss carry back shall be allowed in an amount exceeding $1,500 in any year. Any overpayment in excess of $1,500 may be carried forward to any year or years after the year of the loss and may be claimed as a credit against the tax. The refundable portion of such credit shall not exceed $1,500 in any year.

(g) For tax year 2013, and all tax years thereafter, a net operating loss allowed by this section shall only be available to taxpayers subject to the income tax on corporations imposed pursuant to subsection (c) of K.S.A. 79-32,110(c), and amendments thereto, and used only to determine such taxpayer's corporate income tax liability.

Sec. 25. K.S.A. 2018 Supp. 79-32,143a is hereby amended to read as follows: 79-32,143a. (a) For taxable years beginning after December 31, 2011, a taxpayer may elect to take an expense deduction from Kansas net income before expensing or recapture allocated or apportioned to this state for the cost of the following property
placed in service in this state during the taxable year: (1) Tangible property eligible for depreciation under the modified accelerated cost recovery system in section 168 of the internal revenue code, as amended, but not including residential rental property, nonresidential real property, any railroad grading or tunnel bore or any other property with an applicable recovery period in excess of 25 years as defined under section 168(c) or (g) of the internal revenue code, as amended; and (2) computer software as defined in section 197(e)(3)(B) of the internal revenue code, as amended, and as described in section 197(e)(3)(A)(i) of the internal revenue code, as amended, to which section 167 of the internal revenue code, as amended, applies. If such election is made, the amount of expense deduction for such cost shall equal the difference between the depreciable cost of such property for federal income tax purposes and the sum of the amount of bonus depreciation being claimed for such property pursuant to section 168(k) and the amount of expensing deduction being claimed for such property pursuant to section 179 of the internal revenue code, as amended, for federal income tax purposes in such tax year, but without regard to any expense deduction being claimed for such property under section 179 of the internal revenue code, as amended, multiplied by the applicable factor, determined by using, the table provided in subsection (f), based on the method of depreciation selected pursuant to section 168(b)(1), (2), or (3) or (g) of the internal revenue code, as amended, and the applicable recovery period for such property as defined under section 168(c) or (g) of the internal revenue code, as amended. This election shall be made by the due date of the original return, including any extensions, and may be made only for the taxable year in which the property is placed in service, and once made, shall be irrevocable. If the section 179 expense deduction election has been made for federal income tax purposes for any asset, the applicable factor to be utilized is in the IRC § 168 (b)(1) column of the table provided in subsection (f) for the applicable recovery period of the respective assets.

(b) If the amount of expense deduction calculated pursuant to subsection (a) exceeds the taxpayer's Kansas net income before expensing or recapture allocated or apportioned to this state, such excess amount shall be treated as a Kansas net operating loss as provided in K.S.A. 79-32,143, and amendments thereto.

(c) If the property for which an expense deduction is taken pursuant to subsection (a) is subsequently sold during the applicable recovery period for such property as defined under section 168(c) of the internal revenue code, as amended, and in a manner that would cause recapture of any previously taken expense or depreciation deductions for federal income tax purposes, or if the situs of such property is otherwise changed such that the property is relocated outside the state of Kansas during such applicable recovery period, then the expense deduction determined pursuant to subsection (a) shall be subject to recapture and treated as Kansas taxable income allocated to this state. The amount of recapture shall be the Kansas expense deduction determined pursuant to subsection (a) multiplied by a fraction, the numerator of which is the number of years remaining in the applicable recovery period for such property as defined under section 168(c) or (g) of the internal revenue code, as amended, after such property is sold or removed from the state including the year of such disposition, and the denominator of which is the total number of years in such applicable recovery period.

(d) The situs of tangible property for purposes of claiming and recapture of the expense deduction shall be the physical location of such property. If such property is mobile, the situs shall be the physical location of the business operations from where
such property is used or based. The situs of computer software shall be apportioned to Kansas based on the fraction, the numerator of which is the number of the taxpayer's users located in Kansas of licenses for such computer software used in the active conduct of the taxpayer's business operations, and the denominator of which is the total number of the taxpayer's users of the licenses for such computer software used in the active conduct of the taxpayer's business operations everywhere.

(e) Any member of a unitary group filing a combined report may elect to take an expense deduction pursuant to subsection (a) for an investment in property made by any member of the combined group, provided that the amount calculated pursuant to subsection (a) may only be deducted from the Kansas net income before expensing or recapture allocated to or apportioned to this state by such member making the election.

Journal of the Senate
FIFTY-SEVENTH DAY

The Senate was called to order by President Susan Wagle.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

Heavenly Father, You've blessed us to see the end of another week. Yet, we know that our work is not over. After work, there's more work. After that work, there's still more. Sometimes we are weary and long for some rest and relaxation. But, Lord, remind us that work is something You've created us to do. It's not just a consequence of Adam and Eve's sin in Genesis 3. You charged them with working the garden before sin and it's consequences entered the world.

So, Lord, as we face our work today, as we face the tasks ahead, remind us to be thankful. Your Word says, in Colossians 3:22-24, that the work we do and the labor we put into it is to be pleasing to You over and above our efforts to please others.

So, Lord, let those we serve and report to see evidence that our loyalty and service to them is just the outcome of our loyalty and commitment to You. For we know with all certainty that is from You, that we will receive our greatest rewards.

Thank You, Lord, for another day to serve. In Jesus' Name I pray, Amen.

The Pledge of Allegiance was led by President Wagle.

Invocation by Reverend Cecil T. Washington:

Lord, in heartfelt humility; in meekness of spirit, we come seeking the guidance that should ultimately come from You.
In Exodus 31:18, when You finished speaking to Moses on that hill called Mt. Sinai, You gave him the Commandments; the Laws You had written in stone, to provide the guidance, needed by Your people.
And we find that the three branches of our government are patterned after the words of Your Prophet Isaiah in chapter 33, verse 22. There we see that You are the Real Law Giver, You are the Real Judge and You are the Real Administrator.
So Lord, when You finish speaking to us, on each of our mountains of responsibility, give us the guidance, the commandments, the laws that we need. To the glory of Your Name and to the good of Your people, we wait upon You for a good finish.
I come to You in the Name of Your Son, Amen and Amen.

The Pledge of Allegiance was led by President Wagle.

The Conference Committee Report was adopted.

EXPLANATION OF VOTE

Mr. Vice President: I vote no on House Substitute for Senate Bill 25. This budget fails to provide funding for Medicaid expansion. 36 states and the District of Columbia debated and chose to expand Medicaid. Kansas has forgone more than $3 billion that would’ve come to our state had we expanded Medicaid in 2014. The Kansas Hospital Association estimates for each day of delay on Medicaid expansion, the state loses slightly more than $2 million. This is money paid by Kansas taxpayers, but has gone to other states that have expanded Medicaid. Medicaid expansion dollars will increase jobs and boost the Kansas economy. 77% of Kansans support expanding Medicaid, which would provide improved access to healthcare to 130,000 Kansans. It is estimated that up to 627 Kansans may die each year waiting for Medicaid expansion. The Kansas House of Representatives responded to their constituents by having a vigorous debate and passing Medicaid expansion. The Senate never even had a debate on it. For this reason, I vote no.—BARBARA BOLLIER

Senators Faust-Goudeau, Francisco, Haley, Hensley, Holland, Miller, Sykes and Ware request the record to show they concur with the "Explanation of Vote" offered by Senator Bollier on H Sub SB 25.

Mr. Vice President: Having been a part of the development of this budget, and knowing that it has significant increases in spending for agencies ranging from
corrections to higher education and knowing that it addresses issues in agencies including DCF, KDADs and KDHE I am supportive. I recognize that the issue of Medicaid expansion is still on the horizon, however a letter has been submitted requesting an interim study on Medicaid with the promise of early implementation, which alleviates some of my angst. I also have a concern about corrections budgets, but the 35 million dollars is still in place with gubernatorial oversight in the State Finance Council being the only difference from the original budget. I vote “YES” for House Substitute SB 25.—ED BERGER

Senators Bowers, Hardy, Hawk and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Berger on H Sub SB 25.

Mr. Vice President: Many Democrats voted against the budget because it did not implement new Medicaid spending program for 19-64 year old’s. It was said KS has given up over $3 billion dollars. I remind the body that Governor Kelly gave us a budget with a $145 million cut to KPERS in it from re-amortization proposal. That would have added $7.5 billion in debt which she would have used to expand Medicaid under her bill. The KPERS $145 million adjustment in her budget also masked her spending and caused great confusion to the budget process. I asked the body to message her and ask her not to do that same maneuver when she submits her FY-21 budget. The budget had $1 billion in spending for Medicaid to take care of children, the disabled, and the frail and elderly. These are the most vulnerable that the democrats simply ignored tonight by voting against their own Governor’s budget.—JIM DEVENING

The House adopts the Conference Committee report on HB 2248.
Announcing adoption of HCR 5014.

HCR 5014 was introduced and read by title.

On motion of Senator Denning an emergency was declared, the rules suspended and HCR 5014 relating to adjournment of the legislature for a time during the 2019 session was adopted by voice vote.
ORIGINAL MOTION

Pursuant to Senate Rule 11(b), I move to withdraw Senate Concurrent Resolution No. 1610 from the Committee on Judiciary and the bill be placed on the calendar under the order of business General Orders.

SCR 1610 is a Constitutional Amendment that reforms our judicial selection system for the Kansas Supreme Court by using a system similar to the federal model. The governors would select Supreme Court nominees of their choice and that nomination would be subject to Senate confirmation.

The purpose of this motion is to allow for a debate and vote on this critical reform on the floor in this legislative session.

The issue of Judicial Selection Reform has been before this body going all the way back to 2005 when Senator Wagle and then Senator, now Attorney General, Schmidt sponsored SJR 1606 which would have made Senate Confirmation part of the Supreme Court selection process.

Over the past 15 years various proposals to reform our flawed lawyer controlled system have been discussed in great detail. The reasons for this motion is that in the last few weeks two separate occurrences have made it clear that Kansas can simply wait no longer to repair its broken Supreme Court selection process:

First, we had the embarrassing spectacle of the nomination of Judge Jack, who would be on the Kansas Court of Appeals if not for the fact we adopted the federal model for that court several years ago. The current governor used a nominating commission to recommend Judge Jack, but it was only the reality of Senate Confirmation that saved the people of Kansas from that deeply flawed nomination.

Second, just last week, the Kansas Supreme Court inserted an un-fettered right to abortion into our 1859 State Constitution. As Justice Stegall noted in his dissent, “For the majority, the settled and carefully calibrated republican structure of our government must give way, at every turn, to [their] favored policy.” This ruling was made possible by a flawed system which is rigged to allow justices with radical judicial philosophies to be appointed to the Supreme Court without the check of Senate confirmation.

Both of these instances highlight the need to immediately address our defective judicial selection system and let Kansans know where Senators stand. Do we stand for checks and balances, or do we stand for consolidating power in the hands of a few narrow interests? Do we stand for good government, or do we continue to allow a flawed system to perpetuate and produce even more extreme rulings and results?

The nominating commission system is fundamentally flawed in several respects – the absence of Senate confirmation; the fact that the governor is forced to choose one of the three nominees or it goes to the Chief Justice; the fact no justice is ever not retained; and the makeup of the commission itself. While several states use some form of a nominating commission, Kansas is the only state in the nation where lawyers selected by other lawyers are a majority of the commission, thereby always controlling the process.

The beauty of a Constitutional Amendment is that the people will ultimately decide. Do they want the current method, in which there are no checks and balances and lawyers selected by other lawyers control the system; and system that has produced a court of radical justices who hold the values of the people of Kansas in contempt? Or do they want the federal model, which has stood the test of time for the entirety of our nation’s history and has produced a balanced court in which judicial philosophies run
the gamut?

The Kansas Senate has debated this issue before; but recent events indicate the time has come to consider the issue again and vote on the matter before we adjourn.—Ty Masterson

On motion of Senator Denning, the Senate adjourned until 10:00 a.m., Wednesday, May 29, 2019.
The Senate was called to order by President Susan Wagle.
The roll was called with 39 senators present.
Senator Givens was excused.
Invocation by Reverend Cecil T. Washington:

Heavenly Father, on three different occasions, in the book of Acts 10:15, You told Peter, when You have smiled on a group of people and declared them as proper in Your eyes, to never look down on them, or say they are unfit. Then in verse 28, we see that Peter heard You. He began to advocate and champion the idea of looking at people from Your perspective, through Your Eyes.

It was May 17th, 1954, that our society was again challenged in the Brown v. Board of Education ruling, to start looking at African Americans and people of different ethnicities from Your perspective, again, through Your Eyes. Lord, as that decision helped to inspire the Civil Rights movement of the 50's and 60's, so let its Anniversary re-inspire. Use the ongoing celebrations to remind us that Your love, grace and mercies are extended to all of us equally. And all we need is to be open, to be receptive.

So, help us Lord! Help us to stop comparing ourselves to ourselves by ourselves. You've made us all different, but the goal for all of us is to be like You. So Lord, as we exercise the levels of influence You’ve given us let our history reflect that not only were we recipients of Your love, Your grace and Your mercy, but we were also impartial distributors; conduits letting You flow through.

I come to You in the Name of Your Son, the One Who Loved Us To Death. Amen!

The Pledge of Allegiance was led by President Wagle.

MESSAGES FROM THE GOVERNOR
March 15, 2019

To the Senate of the State of Kansas

Submitted herewith for confirmation by the Senate are appointments made by me as the Governor of the State of Kansas, pursuant to law.

Laura Kelly
Governor

Judge, Kansas Court of Appeals, Jeffry Jack, Parsons, pursuant to the authority vested in me by the K.S.A. 20-3020 and effective upon the date of confirmation by the
REFERENCE OF APPOINTMENTS
The President referred the appointment of Jeffry Jack to the full Senate for debate.

CONSIDERATION OF APPOINTMENTS
In accordance with Senate Rule 55, the following appointment, submitted by the Governor to the Senate for confirmation was considered. Senator Denning moved the following appointment be confirmed.

By the Governor
On the appointment to the:
Kansas Court of Appeals:
  Jeffry Jack

On roll call, the vote was: Yeas 0; Nays 38; Present and Passing 1; Absent or Not Voting 1.

Present and Passing: Haley.

Absent or Not Voting: Givens.

The appointment was not confirmed.

EXPLANATION OF VOTE
Madam President: I am totally frustrated with a nomination and confirmation process that can be characterized as a cluster gaggle. To begin with, we wouldn’t be here if the governor’s staff had completed a thorough vetting of the candidate. Following the failure to vet in depth, the Governor made her nomination and submitted it to the Senate late. In the meantime certain social media postings by the candidate came to light that stirred up a firestorm of controversy. As a result the Governor withdrew her nomination and Judge Jack indicated he would not serve on the Appellate Court. So we are here today, at taxpayer expense, due to a Kansas Supreme Court ruling that would seat Judge Jack unless the Senate votes not to confirm him even though the Governor has withdrawn her nomination, Judge Jack indicated he would not serve and the Senate Judiciary Committee never had the opportunity to conduct a confirmation hearing. We should all be upset with a failed bureaucratic process and commit to fixing it during the 2020 legislative session. My vote stands as a No.—Dan Goddard

Madam President: I respectfully Vote “Present and Passing” on the nomination of Judge Jeffry Jack to the Kansas Court of Appeals. Suffice it to say, based on the full review of social media dialogue ascribed to him after the thorough review of his judicial temperament, ability to render unbiased decisions and overall qualifications as adjudicated by the Judicial Selection, I could not be (were this debate and vote on the “other foot”) the 21st vote to confirm him. However, Madame President, (and, apparently, ever other Member of the Chamber), I actually worked with Jeffry Jack
when, as a colleague in the House and I, of course, the Senate, we actually served and often debated issues on our respective Judiciary and Joint committees. He, a Republican, and I, a Democrat, (as was sometimes even true too with now Court of Appeals Judge and former Kansas State Representative Anthony Powell) were very opinionated in our personal ideals but would always listen to the pros and cons of conferees before making our decisions. Apparently, this skilled dichotomy has followed the Judge in his service on the bench as an impartial and fair jurist leading professionals and laypeople to recommend him to the Governor among and over other distinguished nominees. I remain a staunch proponent of the Judicial Selection committee process, where the insights of many are employed prior to recommendation for appointment, to that of a solo, often purely ideologue-driven selection by the Executive branch prior to our Senate deliberations. I respect the nominee enough and the process enough to merely break the Body’s unanimity on this vote. As outlined in the previous paragraph, obviously you here do not know Jack as I and others do.—DAVID HALEY

The roll was called with 38 senators present.

Senators Hawk and Skubal were excused.

Invocation by Reverend Cecil T. Washington:

Heavenly Father, I want to thank You, that in spite of last night’s storm damage, most of us made it through. And for those who suffered loss, please bless, encourage and replenish.

Lord, as we gather today, we’re looking at the end of this session, but we’re also looking at beginning, the start of another chapter. The same way that we’ve needed Your wisdom and guidance up to now, we’ll need it going forward. The same way that we’ve needed Your oversight and protection, we’re still going to need it. Thanks for the confidence You give us, through faith in the certainty of Your Word.

Lord, You used the Hebrew writer in chapter 13:5b-6, to remind us of the promise You have made to Your people. In Joshua 1:5, and Matthew 28:20, that You said You’d never leave, nor forsake; the promise of Your continued presence and Your continued help.

So, Lord, as we turn to leave these hallowed halls, help us to continue practicing Your presence in all that we say and do. While continuing daily in ongoing prayer, I conclude these words today, in the precious Name of Jesus, Amen.

The Pledge of Allegiance was led by President Wagle.

MESSAGE FROM THE GOVERNOR

SB 18, SB 20 signed on May 13, 2019.
SB 53 and SB 63 signed on May 16, 2019.
SB 28 signed May 20, 2019.

MESSAGE FROM THE GOVERNOR
REGARDING HOUSE SUBSTITUTE FOR SENATE BILL 25
May 20, 2019

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return H Sub for SB 25 with my signature approving the bill, except for the items enumerated below. The net effect of these line-item vetoes will increase the FY19 ending balance to $871 million, or 12.2 percent, and increase the FY20 ending balance to $606 million, or 7.8 percent.

Board of Pharmacy
Section 27(a) and (b), transferring $705,000 from the Medical Programs Fee Fund for K-TRACS in FY20, have been line-item vetoed.

While I am a strong proponent of the K-TRACS program, my original budget recommendation did not include SGF funding for this program because it is inconsistent with the structure of fee-funded agencies. Sweeps from the Medical Programs Fee Fund must be backfilled by the State General Fund, making this transfer to K-TRACS an SGF appropriation. The Board of Pharmacy indicated that it will likely receive a federal grant to cover the cost of this line item. In the event that this grant is not awarded, I have instructed my administration to keep lines of communication open with the Board of Pharmacy in its effort to identify alternative, non-SGF sources for K-TRACS.

KPERS
Section 56(e), requiring an additional $51 million transfer from the State General Fund to KPERS in FY20, has been line-item vetoed.

The very first piece of legislation I signed into law repaid an extra $115 million in debt incurred to the Kansas Public Employees Retirement System. This extra payment fixed past mistakes, when emergency steps were taken to pay for failed tax policy. However, given the large number of critical, unmet needs still facing state government, it is not prudent to add another additional KPERS payment that goes beyond the regularly scheduled payments already being made. In fact, this could actually harm the state’s ability to make full, timely KPERS payments in the very near future. This line-item veto provides an essential cushion to the state ending balance so that Kansas can continue to pay its bills and rebuild the state more sustainably.

Department of Aging and Disability Services
Section 84(a), $1,885,000 for community mental health centers supplemental funding and community aid, as well as $38,646 for the Client Assessment Referral and Evaluation (CARE) program, both in FY19, has been line-item vetoed.

I am pleased to support $5 million in additional funding for CMHC grants in FY20. In an effort to more evenly distribute reinvestment in Kansas government, I do not believe it is responsible to further increase CMHC funding for the remaining portion of FY19. This veto does not eliminate $196,304 included to expand the Clubhouse Model and Breakthrough House in FY19.
Department of Education
Section 90(a), $1,200,000 for evidenced-based or research-based reading programs, $80,000 for Technical Education incentives, and $261,000 for Teach for America, all in FY20, have been line-item vetoed.

Increasing funding to Kansas public schools was my top budget priority and proudest accomplishment as Governor in 2019. However, in a continued effort to establish fair expectations of accountability and efficiency throughout state government, I felt it inappropriate to earmark education funds through the Kansas Department of Education. I encourage local districts to use their new State Foundation Aid to participate in these programs as they deem appropriate.

In total, these line item vetoes will increase the State General Fund balance by $54.4 million between FY19 and FY20. The new ending balance also complies with the statutory requirement to leave 7.5% of the State General Fund in reserve.

Laura Kelly
Governor

MESSAGE FROM THE GOVERNOR

May 17, 2019

I have a long record of supporting responsible, commonsense tax policy. Unfortunately, that is not what House Bill 2033 represents. It will decimate the state’s ability to pay our bills and invest in our people. Just as Kansas begins to stabilize after years of senseless fiscal crisis, House Bill 2033 will create a $1 billion deficit within three years.

As Governor, one of my top priorities is to lower our state’s unacceptably high tax on food. We must first provide relief for those who need it most and then ultimately for all Kansans. We need stability so our tax code can offer certainty to businesses and families. This all must go hand-in-hand with rebuilding our state’s rainy-day fund, so we can weather economic downturns without putting our schools and children at risk. Kansas is also long overdue for a thorough, nonpartisan study of how we can ensure our tax code is fair and truly incentivizes economic growth – in urban and rural communities alike. Our state has not conducted such a study since 1995.

Kansans deserve a plan. Successful tax reform must be shaped by a thoughtful, big-picture vision – not by a rushed attempt to achieve an immediate political victory. To that end, my administration recently began outlining a plan to help build this vision, which I look forward to sharing in the weeks to come.

Pro-business, pro-growth, pro-family tax policy can absolutely reshape Kansas for the better, but only if it fixes the failures of the past, not repeats them. I was elected to rebuild our state; House Bill 2033 is not the way to do it.

Therefore, under Article 2, Section 14(a) of the Kansas Constitution, I hereby veto House Bill 2033.

Laura Kelly
Governor

A motion was made that, notwithstanding the Governor’s objections, House Bill 2033 be reconsidered.

By a vote of 78 Yeas and 39 Nays, the motion failed to receive the necessary two-thirds constitutional majority vote of the elected members of the House of Representatives, and the veto of House Bill 2033 was sustained.

INTRODUCTION OF HOUSE BILLS AND CONCURRENT RESOLUTIONS

HCR 5015 was thereupon introduced and read by title.

President Wagle referred HCR 5015 to Committee of the Whole.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

On motion of Senator Denning an emergency was declared by a 2/3 constitutional majority, and HCR 5015 was advanced to Final Action and roll call.

HCR 5015, A CONCURRENT RESOLUTION ratifying the May 9, 2019, State of Disaster Emergency declaration issued by Governor Laura Kelly and providing for the continuation thereof for certain Kansas counties until January 13, 2020.

On roll call, the vote was: Yeas 38; Nays 0; Present and Passing 0; Absent or Not Voting 2.

Absent or Not Voting: Hawk, Skubal.

The resolution was adopted.

CHANGE OF REFERENCE

The President withdrew SB 2 from the Committee on Ways and Means, and referred the bill to the Committee on Public Health and Welfare.

The President withdrew SB 231 from the Calendar under the heading of General Orders, and rereferred the bill to the Committee on Public Health and Welfare.

**VETO MESSAGES**

Veto message regarding **SB 22** regarding Kansas itemized deductions, election, providing for deferred foreign income, global intangible low-taxed income, business interest, capital contributions and FDIC premium income tax modifications; sales and compensating use tax, imposition of tax, nexus, remote sellers, marketplace facilitators, rate of tax on food and food ingredients. **SB 22** is vetoed in its entirety, page 354. Veto sustained, page 593.

Veto message regarding **SB 67**, Requiring notification to patients that the effects of a medication abortion may be reversible. **SB 67** vetoed in its entirety, page 594. A two-thirds constitutional majority voted in favor of overriding the Governor's veto, the motion prevailed and the bill passed, page 594.

Veto message regarding **H Sub SB 25** concerning line-item vetoes, page 1132.

**Board of Pharmacy**

Section 27(a) and (b), transferring $705,000 from the Medical Programs Fee Fund for K-TRACS in FY20, have been line-item vetoed.

While I am a strong proponent of the K-TRACS program, my original budget recommendation did not include SGF funding for this program because it is inconsistent with the structure of fee-funded agencies. Sweeps from the Medical Programs Fee Fund
must be backfilled by the State General Fund, making this transfer to K-TRACS an SGF appropriation. The Board of Pharmacy indicated that it will likely receive a federal grant to cover the cost of this line item. In the event that this grant is not awarded, I have instructed my administration to keep lines of communication open with the Board of Pharmacy in its effort to identify alternative, non-SGF sources for K-TRACS.

**KPERS**

Section 56(e), requiring an additional $51 million transfer from the State General Fund to KPERS in FY20, has been line-item vetoed.

The very first piece of legislation I signed into law repaid an extra $115 million in debt incurred to the Kansas Public Employees Retirement System. This extra payment fixed past mistakes, when emergency steps were taken to pay for failed tax policy. However, given the large number of critical, unmet needs still facing state government, it is not prudent to add another additional KPERS payment that goes beyond the regularly scheduled payments already being made. In fact, this could actually harm the state’s ability to make full, timely KPERS payments in the very near future. This line-item veto provides an essential cushion to the state ending balance so that Kansas can continue to pay its bills and rebuild the state more sustainably.

**Department of Aging and Disability Services**

Section 84(a), $1,885,000 for community mental health centers supplemental funding and community aid, as well as $38,646 for the Client Assessment Referral and Evaluation (CARE) program, both in FY19, has been line-item vetoed.

I am pleased to support $5 million in additional funding for CMHC grants in FY20. In an effort to more evenly distribute reinvestment in Kansas government, I do not believe it is responsible to further increase CMHC funding for the remaining portion of FY19. This veto does not eliminate $196,304 included to expand the Clubhouse Model and Breakthrough House in FY19.

**Department of Education**

Section 90(a), $1,200,000 for evidenced-based or research-based reading programs, $80,000 for Technical Education incentives, and $261,000 for Teach for America, all in FY20, have been line-item vetoed.

Increasing funding to Kansas public schools was my top budget priority and proudest accomplishment as Governor in 2019. However, in a continued effort to establish fair expectations of accountability and efficiency throughout state government, I felt it inappropriate to earmark education funds through the Kansas Department of Education. I encourage local districts to use their new State Foundation Aid to participate in these programs as they deem appropriate.

In total, these line item vetoes will increase the State General Fund balance by $54.4 million between FY19 and FY20. The new ending balance also complies with the statutory requirement to leave 7.5% of the State General Fund in reserve.

Veto message regarding **SB 67: Senate Bill 67** will interfere with the relationship between patients and their physicians. This unwarranted legislation would create confusion, could be harmful to women’s health, and would subject health professionals to criminal penalties for failing to follow a government mandate that is not adequately supported by medical science.

The practice of medicine should be left to licensed health professionals, not elected officials.

Therefore, under Article 2, Sections 14(a) of the Constitution, I hereby veto **Senate Bill 67**.
