Testimony in Support of Senate Bill-43

Senate Ethics and Elections Committee

Chairwoman – Senator Elaine Bowers

Vice Chair – Senator Randall Hardy

Ranking Minority – Senator David Haley

Committee Members

Good morning Madam Chair and members of the Committee,

Thank you for the opportunity to speak in support of Senate Bill number-43.

I support Same Day Registration [tell your story here]

The idea that Kansas could join the other 17 states that offer same day voter registration is so exciting! It will enhance voting opportunities for our citizens.

Election Day registration increases voter turnout at least 5%, significant for any election. Most important: there is NO conclusive evidence that SDR shapes partisan outcomes or whether certain populations are more likely to benefit. So—this important bill should get 100% support from your colleagues.

Thank you,
