Chairwoman McGinn and Committee Members:

Good morning! My name is Tom Holland and I am the State Senator for the Kansas Senate 3rd District serving portions of Douglas and Leavenworth counties. I am here today to ask for your support of Senate Bill 57.

Kansas state government has not been able to consistently deliver mission critical IT projects on time and within budget. This bill is a much-needed step in the right direction for both state government operations and Kansas tax payers.

Sincerely,
