The Honorable Sean Tarwater, Chairperson
House Committee on Commerce, Labor and Economic Development
Statehouse, Room 151D-S
Topeka, Kansas  66612

Dear Representative Tarwater:

SUBJECT:  Fiscal Note for HB 2642 by Representative Hoheisel, et al.

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2642 is respectfully submitted to your committee.

HB 2642 would amend the Workforce Protection Act by changing the maximum number of weeks allowed to be claimed for unemployment insurance benefits to 26 weeks, regardless of the unemployment rate. The change would sunset on April 1, 2021. Under current law, the maximum number of weeks is based on the Kansas unemployment rate as depicted in the table below:

<table>
<thead>
<tr>
<th>Unemployment Rate*</th>
<th>Maximum Number of Weeks</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than 4.5%</td>
<td>16 weeks</td>
</tr>
<tr>
<td>At least 4.5% but less than 6.0%</td>
<td>20 weeks</td>
</tr>
<tr>
<td>At least 6.0%</td>
<td>26 weeks</td>
</tr>
</tbody>
</table>

* Three Month Seasonally Adjusted Average

The Kansas Department of Labor indicates the bill would have a fiscal effect on the Unemployment Insurance Trust Fund, but the Department is unable to calculate the fiscal effect because there are too many economic variables that are unknown or difficult to assess. Any fiscal effect associated with HB 2642 is not reflected in The FY 2021 Governor’s Budget Report.

Sincerely,

Larry L. Campbell
Director of the Budget
