Any county or city levying a retailers' sales tax is hereby prohibited from administering or collecting such tax locally, but shall utilize the services of the state department of revenue to administer, enforce and collect such tax. Except as otherwise specifically provided in K.S.A. 12-189a, and amendments thereto, such tax shall be identical in its application, and exemptions therefrom, to the Kansas retailers' sales tax act and all laws and administrative rules and regulations of the state department of revenue relating to the Kansas retailers' sales tax shall apply to such local sales tax insofar as such laws and rules and regulations may be made applicable. The state director of taxation is hereby authorized to administer, enforce and collect such local sales taxes and to adopt such rules and regulations as may be necessary for the efficient and effective administration and enforcement thereof.

Upon receipt of a certified copy of an ordinance or resolution authorizing the levy of a local retailers' sales tax, the director of taxation shall cause such taxes to be collected within or without the boundaries of such taxing subdivision at the same time and in the same manner provided for the collection of the state retailers' sales tax. Such copy shall be submitted to the director of taxation within 30 days after adoption of any such ordinance or resolution. All moneys collected by the director of taxation under the provisions of this section shall be credited to a county and city retailers' sales tax fund which fund is hereby established in the state treasury, except that all moneys collected by the director of taxation pursuant to the authority granted in K.S.A. 12-187(b)(22), and amendments thereto, shall be credited to the Wilson county capital improvements fund. the city or county general fund, as the case requires.
