MESSAGE FROM THE GOVERNOR
REGARDING VETO OF HOUSE BILL 2033

I have a long record of supporting responsible, commonsense tax policy. Unfortunately, that is not what House Bill 2033 represents. It will decimate the state’s ability to pay our bills and invest in our people. Just as Kansas begins to stabilize after years of senseless fiscal crisis, House Bill 2033 will create a $1 billion deficit within three years.

As Governor, one of my top priorities is to lower our state’s unacceptably high tax on food. We must first provide relief for those who need it most and then ultimately for all Kansans. We need stability so our tax code can offer certainty to businesses and families. This all must go hand-in-hand with rebuilding our state’s rainy-day fund, so we can weather economic downturns without putting our schools and children at risk. Kansas is also long overdue for a thorough, nonpartisan study of how we can ensure our tax code is fair and truly incentivizes economic growth – in urban and rural communities alike. Our state has not conducted such a study since 1995.

Kansans deserve a plan. Successful tax reform must be shaped by a thoughtful, big-picture vision – not by a rushed attempt to achieve an immediate political victory. To that end, my administration recently began outlining a plan to help build this vision, which I look forward to sharing in the weeks to come.

Pro-business, pro-growth, pro-family tax policy can absolutely reshape Kansas for the better, but only if it fixes the failures of the past, not repeats them. I was elected to rebuild our state; House Bill 2033 is not the way to do it.

Therefore, under Article 2, Section 14(a) of the Kansas Constitution, I hereby veto House Bill 2033.

THE GOVERNOR’S OFFICE

BY THE GOVERNOR

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(g) Any changes to this section that became law on July 1, 2019, shall be applied retroactively to the dates indicated in those subsections.

Sec. 4. K.S.A. 2018 Supp. 79-32,120 is hereby amended to read as follows: 79-32,120. (a) (1) For all tax years prior to tax year 2019, if federal taxable income of an individual is determined by itemizing deductions from such individual's federal adjusted gross income, such individual may elect to deduct the Kansas itemized deduction in lieu of the Kansas standard deduction. For tax year 2019, and all tax years thereafter, an individual may elect to deduct the Kansas itemized
deduction in lieu of the Kansas standard deduction regardless of whether or not such individual's federal taxable income is determined by itemizing deductions from such individual's federal adjusted gross income.

(2) For the tax year commencing on January 1, 2013, the Kansas itemized deduction of an individual means 70% of the total amount of deductions from federal adjusted gross income, other than federal deductions for personal exemptions, as provided in the federal internal revenue code with the modifications specified in this section.

(3) For the tax year commencing on January 1, 2014, the Kansas itemized deduction of an individual means 65% of the total amount of deductions from federal adjusted gross income, other than federal deductions for personal exemptions, as provided in the federal internal revenue code with the modifications specified in this section.

(4) For the tax years commencing on and after January 1, 2015, and ending before January 1, 2018, the Kansas itemized deduction of an individual means the following deductions from federal adjusted gross income, other than federal deductions for personal exemptions, as provided in the federal internal revenue code with the modifications specified in this section: (A) 100% of charitable contributions that qualify as charitable contributions allowable as deductions in section 170 of the federal internal revenue code; (B) 50% of the amount of qualified residence interest as provided in section 163(h) of the federal internal revenue code; and (C) 50% of the amount of taxes on real and personal property as provided in section 164(a) of the federal internal revenue code.

(5) For the tax year commencing on and after January 1, 2018, and ending before January 1, 2019, the Kansas itemized deduction of an individual means the following deductions from federal adjusted gross income, other than federal deductions for personal exemptions, as provided in the federal internal revenue code with the modifications specified in this section: (A) 100% of charitable contributions that qualify as charitable contributions allowable as deductions in section 170 of the federal internal revenue code; (B) 75% of expenses for medical care allowable as deductions in section 213 of the federal internal revenue code; (C) 75% of the amount of qualified residence interest as provided in section 163(h) of the federal internal revenue code; and (D) 75% of the amount of taxes on real and personal property as provided in section 164(a) of the federal internal revenue code.

(6) For the tax year commencing on and after January 1, 2019, and ending before January 1, 2020, the Kansas itemized deduction of an individual means the following deductions from federal adjusted gross income, other than federal deductions for personal exemptions, as provided in the federal internal revenue code with the modifications specified in this section: (A) 100% of charitable contributions that qualify as charitable contributions allowable as deductions in section 170 of the federal internal revenue code; (B) 100% of expenses for medical care allowable as deductions in section 213 of the federal internal revenue code; (C) 100% of the amount of qualified residence interest as provided in section 163(h) of the federal internal revenue code; and (D) 100% of the amount of taxes on real and personal property as provided in section 164(a) of the federal internal revenue code.
The total amount of deductions from federal adjusted gross income shall be reduced by the total amount of income taxes imposed by or paid to this state or any other taxing jurisdiction to the extent that the same are deducted in determining the federal itemized deductions and by the amount of all depreciation deductions claimed for any real or tangible personal property upon which the deduction allowed by K.S.A. 2018 Supp. 79-32,221, 79-32,227, 79-32,232, 79-32,237, 79-32,249, 79-32,250, 79-32,255 or 79-32,256, and amendments thereto, is or has been claimed.

Notwithstanding the foregoing, the deduction for federal income tax liability for any year shall not exceed that portion of the total federal income tax liability for such year which bears the same ratio to the total federal income tax liability for such year as the Kansas taxable income, as computed before any deductions for federal income taxes and after application of subsections (d) and (e) of this section as existing for such year, bears to the federal taxable income for the same year;

amendments thereto, plus any refund of federal income tax as
determined under K.S.A. 79-32,117(b)(iv), and amendments thereto,
and minus the deduction for federal income taxes as provided by
subsection (c)(ii) shall be such corporation's Kansas taxable income.
(e) A corporation may make an election with respect to its first
taxable year commencing after December 31, 1982, whereby no
addition modifications as provided for in subsection (b)(ii) and
subtraction modifications as provided for in subsection (c)(iii) as those
subsections existed prior to their amendment by this act, shall be
required to be made for such taxable year.

New Sec. 8. (a) On and after October 1, 2019, any marketplace
facilitator that meets the criteria in subsection (b) or that has a physical
presence in this state, must collect and remit retail sales or use tax on all taxable retail sales made or facilitated by the marketplace facilitator into this state pursuant to this act. Marketplace facilitators meeting the requirements of subsection (b) must begin collecting state and local retail sales or use taxes on taxable retail sales made or facilitated by the marketplace facilitator sourced to this state beginning on the first day of the next calendar month that is at least 30 days from the date that the marketplace facilitator met the threshold described in subsection (b).

(b) A marketplace facilitator is subject to subsection (a) if:

(1) (A) For calendar year 2018, the marketplace facilitator made or facilitated retail sales sourced to this state in excess of $100,000 of cumulative gross receipts from retail sales sourced to this state;

(B) for the period beginning on January 1, 2019, through September 30, 2019, the marketplace facilitator made or facilitated retail sales sourced to this state in excess of $100,000 of cumulative gross receipts from retail sales sourced to this state; or

(C) during the current or immediately preceding calendar year, the marketplace facilitator made or facilitated retail sales sourced to this state in excess of $100,000 of cumulative gross receipts from retail sales sourced to this state.

(2) (A) For any marketplace facilitator who satisfies the provisions of subsection (b)(1), such marketplace facilitator shall not be required to collect and remit any taxes from sales occurring prior to October 1, 2019.

(B) For any marketplace facilitator who satisfies the provisions of subsection (b)(1)(C) for sales in the current calendar year for the first time, such marketplace facilitator shall be required to collect and remit the tax on any sales made or facilitated in excess of the $100,000 of cumulative gross receipts from sales in the current calendar year by the marketplace facilitator to customers in this state.

New Sec. 9. (a) In addition to other applicable recordkeeping requirements, the department may require a marketplace facilitator or referrer to provide or make available to the department any information the department determines is reasonably necessary to enforce the provisions of this act, the Kansas retailers' sales tax act and the Kansas compensating tax act. Such information may include documentation of sales made by marketplace sellers through the marketplace facilitator's physical or electronic marketplace. The department may prescribe by rules and regulations the form and manner for providing this information.

(b) A marketplace facilitator is relieved of liability under this act for failure to collect the correct amount of tax to the extent that the marketplace facilitator can show to the department's satisfaction that the error was due to incorrect information given to the marketplace facilitator by the marketplace seller, unless the marketplace facilitator and marketplace seller are affiliated persons. When the marketplace facilitator is relieved of liability under this subsection, the marketplace seller is solely liable for the amount of uncollected tax due.

(c) Except as otherwise provided in this section, a marketplace seller otherwise obligated to collect the taxes imposed under this act is not required to collect such taxes on all taxable retail sales through a marketplace operated by a marketplace facilitator if the marketplace seller entered into an agreement with the marketplace facilitator indicating that the marketplace facilitator is registered with the department and will collect all applicable taxes due under this act, the Kansas retailers' sales tax act or the Kansas compensating tax act on all taxable retail sales made on behalf of the marketplace seller through the marketplace operated by the marketplace facilitator. This subsection does not relieve a marketplace seller from liability for uncollected taxes due under this act, the Kansas retailers' sales tax act or the Kansas compensating tax act resulting from a marketplace facilitator's failure to collect the proper amount of tax due when the error was due to insufficient or incorrect information given to the marketplace facilitator by the marketplace seller.
(d) No class action may be brought against a marketplace facilitator in any court of this state on behalf of purchasers arising from or in any way related to an overpayment of sales or use tax collected by the marketplace facilitator or referrer, regardless of whether that claim is characterized as a tax refund claim. Nothing in this subsection affects a purchaser's right to seek a refund from the department as provided by the Kansas retailers' sales tax act.

New Sec. 10. (a) Except as otherwise provided in this act, taxes imposed under the Kansas retailers' sales tax act or the Kansas compensating tax act and payable by a consumer directly to the department are due, on returns prescribed by the department, as prescribed by those acts.

(b) Nothing in this act affects the obligation of any purchaser from this state to remit retail sales or use tax as to any applicable taxable transaction in which the seller does not collect and remit retail sales or use tax.

New Sec. 11. (a) A marketplace facilitator that is subject to section 8, and amendments thereto, and is complying with the requirements of the Kansas retailers' sales tax act or the Kansas compensating tax act may only seek a recovery of retail sales and use taxes, penalties or interest from the department by following the recovery procedures established under the Kansas retailers' sales tax act. However, no claim may be granted on the basis that the taxpayer lacked a physical presence in this state and complied with the tax collection provisions of the Kansas retailers' sales tax act or the Kansas compensating tax act voluntarily.

(b) Neither the state nor any marketplace facilitator that collects and remits retail sales or use tax under section 8, and amendments thereto, is liable to a purchaser that claims that the retail sales or use tax has been over-collected because a provision of this act is later deemed unlawful.

New Sec. 12. A marketplace seller, or a marketplace facilitator that is obligated to collect the taxes imposed under this act, the Kansas retailers' sales tax act or Kansas compensating tax act must also collect all other applicable taxes and fees in effect as of the effective date of this section. For purposes of this section, "taxes and fees" means any monetary exaction, regardless of its label, imposed on a buyer and that the marketplace seller or marketplace facilitator is required to collect and pay over to the department.

Beginning on October 1, 2019, the collection and remittance obligation of a marketplace facilitator under this act also applies to any other taxes and fees, as defined under this section, that are imposed on a retail sale made or facilitated by the marketplace facilitator, whether in its own right or as an agent of a marketplace seller, regardless of whether the marketplace seller has a tax collection obligation.

New Sec. 13. Except as otherwise provided in this act, the provisions of K.S.A. 79-3601 through 79-3696, and amendments thereto, relating to enforcement, collection and administration, insofar as practicable, shall have full force and effect with respect to taxes imposed under the provisions of the Kansas main street parity act.

New Sec. 14. The secretary of revenue shall adopt such rules and regulations as deemed necessary for the administration of this act.

New Sec. 15. If any provision of the Kansas main street parity act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the act that can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

New Sec. 16. (a) There is hereby levied and there shall be collected and paid a tax upon the gross receipts from the sale of food and food ingredients. The rate of tax shall be 6.5%, except as otherwise provided pursuant to section 17, and amendments thereto.

(b) The provisions of this section shall not apply to prepared food, unless sold without eating utensils provided by the seller and described below:
(1) Food sold by a seller whose proper primary NAICS classification is manufacturing in sector 311, except subsector 3118 (bakeries);
(2) (A) food sold in an unheated state by weight or volume as a single item; or

(c) The provisions of this section shall be a part of and supplemental to the Kansas retailers' sales tax act.

New Sec. 17. (a) Commencing with fiscal year 2019, in any fiscal year in which an increase in revenue attributable to the Kansas compensating use tax provided in K.S.A. 79-3703, and amendments thereto, exceeds the revenue of the base year amount plus 3% annually, the director of legislative research shall certify such excess amount by September 1 to the secretary of revenue and the director of the budget. Upon receipt of such certified amount, the secretary shall compute as follows:
For calculating a reduction in the state rate for sales and compensating use taxes on food and food ingredients, the certified amount from subsection (a) in dollars shall be computed by the secretary for a reduction rounded down to the nearest 0.1% in the sales and compensating use tax rates on food and food ingredients, if any, to go into effect for the next calendar year that would reduce the revenue from sales and compensating use taxes on food and food ingredients in an amount approximately equal to the amount computed by the secretary. Such rate reductions shall remain in effect unless further reduced pursuant to this section. The rate reductions pursuant to this section shall be applied until the state rates for sales and compensating use taxes on food and food ingredients are reduced to 0%. The secretary shall publish the new sales and compensating use tax rates to take effect on July 1 for calendar year 2020; and on January 1 for all calendar years thereafter, by October 1 of the preceding year. In the event that the amount provided in subsection (a) does not exceed the base year amount, the reduction in the state rate for sales and compensating use tax on food and food ingredients is 0%. The state rate for sales and compensating use taxes shall not increase when revenue pursuant to subsection (a) is less than the base year amount.
(b) As used in this section, "base year amount" means the revenue attributable to the Kansas compensating use tax provided in K.S.A. 79-3703, and amendments thereto, for fiscal year 2018.

(a) For taxable years beginning after December 31, 2018, a taxpayer may elect to take an expense deduction from Kansas net income before expensing or recapture allocated or apportioned to this state for the cost of the following property placed in service in this state during the taxable year: (1) Tangible property eligible for depreciation under the modified accelerated cost recovery system in section 168 of the internal revenue code, as amended, but not including residential rental property, nonresidential real property, property used primarily in the railroad grading or tunnel bore or any other property with an applicable recovery period in excess of 25 years as defined under section 168(c) or (g) of the internal revenue code, as amended; and (2) computer software as defined in section 197(e)(3)(B) of the internal revenue code, as amended, and as described in section 197(e)(3)(A)(i) of the internal revenue code, as amended, to which section 167 of the internal revenue code, as amended, applies. If such election is made, the amount of expense deduction for such cost shall equal the difference between the depreciable cost of such property for federal income tax purposes and the sum of the amount of bonus depreciation being claimed for such property pursuant to section 168(k) of the internal revenue code, as amended, and the amount of expensing deduction being claimed for such property pursuant to section 179 of the internal revenue code, as amended, for federal income tax purposes in such tax year, but without regard to any expense deduction being claimed for such property under section 129 of the Internal Revenue Code, as amended, multiplied by the applicable factor, determined by using, the table provided in subsection (f), based on the method of depreciation selected pursuant to section 168(b)(1), (2), or (3) or (g) of the internal revenue code, as amended, and the applicable recovery period for such property as defined under section 168(c) or (g) of the internal revenue code, as amended. This election shall be made by the due date of the original return, including any extensions, and may be made only for the taxable year in which the property is placed in service, and once made, shall be irrevocable. If the section 179 expense deduction election has been made for federal income tax purposes for any asset, the applicable factor to be utilized is in the IRC § 168(b)(1) column of the table provided in subsection (f) for the applicable recovery period of the respective asset.

(b) If the amount of expense deduction calculated pursuant to subsection (a) exceeds the taxpayer's Kansas net income before expensing or recapture allocated or apportioned to this state, such excess amount shall be treated as a Kansas net operating loss as provided in K.S.A. 79-32,143, and amendments thereto.

(c) If the property for which an expense deduction is taken pursuant to subsection (a) is subsequently sold during the applicable recovery period for such property as defined under section 168(c) of the internal revenue code, as amended, and in a manner that would cause recapture of any previously taken expense or depreciation deductions for federal income tax purposes, or if the situs of such property is otherwise changed such that the property is relocated
outside the state of Kansas during such applicable recovery period, then the expense deduction determined pursuant to subsection (a) shall be subject to recapture and treated as Kansas taxable income allocated to this state. The amount of recapture shall be the Kansas expense deduction determined pursuant to subsection (a) multiplied by a fraction, the numerator of which is the number of years remaining in the applicable recovery period for such property as defined under section 168(c) or (g) of the internal revenue code, as amended, after such property is sold or removed from the state including the year of such disposition, and the denominator of which is the total number of years in such applicable recovery period.

(d) The situs of tangible property for purposes of claiming and recapture of the expense deduction shall be the physical location of such property. If such property is mobile, the situs shall be the physical location of the business operations from where such property is used or based. The situs of computer software shall be apportioned to Kansas based on the fraction, the numerator of which is the number of the taxpayer's users located in Kansas of licenses for such computer software used in the active conduct of the taxpayer's business operations, and the denominator of which is the total number of the taxpayer's users of the licenses for such computer software used in the active conduct of the taxpayer's business operations everywhere.

(e) Any member of a unitary group filing a combined report may elect to take an expense deduction pursuant to subsection (a) for an investment in property made by any member of the combined group, provided that the amount calculated pursuant to subsection (a) may only be deducted from the Kansas net income before expensing or recapture allocated to or apportioned to this state by such member making the election.
