Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) During fiscal years 2019 and 2020, the secretary of labor shall determine the amount of employment security benefits payable to applicants who are deemed unemployed by the secretary pursuant to K.S.A. 44-703(m)(2), and amendments thereto, and seeking benefits under the special circumstances described in K.S.A. 44-705(c)(2), and amendments thereto. The secretary shall certify to the director of accounts and reports the amount of moneys required to pay the employment security benefits, as determined by the secretary, on the 15th day of each month during fiscal years 2019 and 2020, following the enactment of this section. Upon receipt of a certification, the director of accounts and reports shall transfer the amount certified from the state general fund to the federal and state essential employee assistance fund. The secretary shall transmit a copy of each certification to the director of the budget and the director of legislative research.

(b) There is hereby established in the state treasury the federal and state essential employee assistance fund, which shall be administered by the secretary of labor. All expenditures from the federal and state essential employee assistance fund shall be for the payment of employment security benefits as provided in subsection (a). All expenditures from the federal and state essential employee assistance fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of labor or the secretary's designee.

(c) Benefits paid pursuant to this section shall be subject to the provisions of K.S.A. 44-706(s), and amendments thereto. All moneys received by the secretary pursuant to the provisions of K.S.A. 44-706(s), and amendments thereto, from applicants who have received benefits pursuant to subsection (a) shall be deposited in the state treasury in accordance with the provisions of K.S.A. 75-4215, and amendments
(d) This section shall be a part of and supplemental to the employment security law.

Sec. 2. K.S.A. 2018 Supp. 44-703 is hereby amended to read as follows: 44-703. As used in this act, unless the context clearly requires otherwise:

(a) (1) "Annual payroll" means the total amount of wages paid or payable by an employer during the calendar year.

(2) "Average annual payroll" means the average of the annual payrolls of any employer for the last three calendar years immediately preceding the computation date as hereinafter defined if the employer has been continuously subject to contributions during those three calendar years and has paid some wages for employment during each of such years. In determining contribution rates for the calendar year, if an employer has not been continuously subject to contributions for the three calendar years immediately preceding the computation date but has paid wages subject to contributions during only the two calendar years immediately preceding the computation date, such employer's "average annual payroll" shall be the average of the payrolls for those two calendar years.

(3) "Total wages" means the total amount of wages paid or payable by an employer during the calendar year, including that part of remuneration in excess of the limitation prescribed as provided in subsection (o)(1) of this section.

(b) "Base period" means the first four of the last five completed calendar quarters immediately preceding the first day of an individual's benefit year, except that the base period in respect to combined wage claims means the base period as defined in the law of the paying state.

(1) If an individual lacks sufficient base period wages in order to establish a benefit year in the manner set forth above and satisfies the requirements of subsection (g) of K.S.A. 44-705(g) and subsection (hh) of K.S.A. 44-703(hh), and amendments thereto, the claimant shall have an alternative base period substituted for the current base period so as not to prevent establishment of a valid claim. For the purposes of this subsection, "alternative base period" means the last four completed quarters immediately preceding the date the qualifying injury occurred. In the event the wages in the alternative base period have been used on a prior claim, then they shall be excluded from the new alternative base period.

(2) For the purposes of this chapter, the term "base period" includes the alternative base period.

(c) (1) "Benefits" means the money payments payable to an individual, as provided in this act, with respect to such individual's unemployment.

(2) "Regular benefits" means benefits payable to an individual under
this act or under any other state law, including benefits payable to federal
civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85,
other than extended benefits.
(d) "Benefit year" with respect to any individual, means the period
beginning with the first day of the first week for which such individual
files a valid claim for benefits, and such benefit year shall continue for one
full year. In the case of a combined wage claim, the benefit year shall be
the benefit year of the paying state. Following the termination of a benefit
year, a subsequent benefit year shall commence on the first day of the first
week with respect to which an individual next files a claim for benefits.
When such filing occurs with respect to a week which overlaps the
preceding benefit year, the subsequent benefit year shall commence on the
first day immediately following the expiration date of the preceding
benefit year. Any claim for benefits made in accordance with subsection
(a) of K.S.A. 44-709(a), and amendments thereto, shall be deemed to be a
"valid claim" for the purposes of this subsection if the individual has been
paid wages for insured work as required under subsection (e) of K.S.A. 44-
705(e), and amendments thereto. Whenever a week of unemployment
overlaps two benefit years, such week shall, for the purpose of granting
waiting-period credit or benefit payment with respect thereto, be deemed
to be a week of unemployment within that benefit year in which the
greater part of such week occurs.
(e) "Commissioner" or "secretary" means the secretary of labor.
(f) (1) "Contributions" means the money payments to the state
employment security fund which are required to be made by employers on
account of employment under K.S.A. 44-710, and amendments thereto,
and voluntary payments made by employers pursuant to such statute.
(2) "Payments in lieu of contributions" means the money payments to
the state employment security fund from employers which are required to
make or which elect to make such payments under subsection (e) of
K.S.A. 44-710(e), and amendments thereto.
(g) "Employing unit" means any individual or type of organization,
including any partnership, association, limited liability company, agency
or department of the state of Kansas and political subdivisions thereof,
trust, estate, joint-stock company, insurance company or corporation,
whether domestic or foreign including nonprofit corporations, or the
receiver, trustee in bankruptcy, trustee or successor thereof, or the legal
representatives of a deceased person, which has in its employ one or more
individuals performing services for it within this state. All individuals
performing services within this state for any employing unit which
maintains two or more separate establishments within this state shall be
deemed to be employed by a single employing unit for all the purposes of
this act. Each individual employed to perform or to assist in performing
the work of any agent or employee of an employing unit shall be deemed

(2) The secretary may adopt rules and regulations that waive or alter the requirements of this subsection to address special circumstances where an individual is required to work without receiving pay by a federal or state public employer, whether or not wages will be paid to the individual for the work performed at a future date, as the result of a government shutdown, state or federal lapse in appropriations or lack of funding.

(d)(1) Except as provided further, the claimant has been unemployed for a waiting period of one week or the claimant is unemployed and has satisfied the requirement for a waiting period of one week under the shared work unemployment compensation program as provided in subsection (k)(4) of K.S.A. 44-757(k)(4), and amendments thereto, which period of one week, in either case, occurs within the benefit year which includes the week for which the claimant is claiming benefits. (C) if an individual is seeking unemployment benefits under the unemployment compensation law of any other state or of the United States, except that if the appropriate agency of such state or of the United States finally determines that the claimant is not entitled to unemployment benefits under such other law, this subparagraph shall not apply.
(2) The waiting week requirement of paragraph (1) shall not apply to new claims, filed on or after July 1, 2007, by claimants who become unemployed as a result of an employer terminating business operations within this state, declaring bankruptcy or initiating a work force reduction pursuant to public law 100-379, the federal worker adjustment and retraining notification act (29 U.S.C. §§ 2101 through 2109), as amended. The secretary shall adopt rules and regulations to administer the provisions of this paragraph.

(e) For benefit years established on and after the effective date of this act, the claimant has been paid total wages for insured work in the claimant's base period of not less than 30 times the claimant's weekly benefit amount and has been paid wages in more than one quarter of the claimant's base period, except that the wage credits of an individual earned during the period commencing with the end of a prior base period and ending on the date on which such individual filed a valid initial claim shall not be available for benefit purposes in a subsequent benefit year unless, in addition thereto, such individual has returned to work and subsequently earned wages for insured work in an amount equal to at least eight times the claimant's current weekly benefit amount.

(f) The claimant participates in reemployment services, such as job search assistance services, if the individual has been determined to be likely to exhaust regular benefits and needs reemployment services pursuant to a profiling system established by the secretary, unless the secretary determines that: (1) The individual has completed such services; or (2) there is justifiable cause for the claimant's failure to participate in such services.

(g) The claimant is returning to work after a qualifying injury and has been paid total wages for insured work in the claimant's alternative base period of not less than 30 times the claimant's weekly benefit amount and has been paid wages in more than one quarter of the claimant's alternative base period if:

(1) The claimant has filed for benefits within four weeks of being released to return to work by a licensed and practicing health care provider;

(2) the claimant files for benefits within 24 months of the date the qualifying injury occurred; and

(3) the claimant attempted to return to work with the employer where the qualifying injury occurred, but the individual's regular work or comparable and suitable work was not available.

Sec. 5. K.S.A. 2018 Supp. 44-703, 44-704 and 44-705 are hereby repealed.

Sec. 6. This act shall take effect and be in force from and after its publication in the Kansas register.
