AN ACT concerning vehicles; relating to registration and titles; fees, disposition; amending K.S.A. 8-195, 74-2013 and 79-3604 and K.S.A. 2019 Supp. 8-132, 8-135, 8-135a, 8-135c, 8-139, 8-143, 8-143j, 8-145, 8-145d, 8-167, 8-170, 8-172, 8-198 and 58-4204 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2019 Supp. 8-132 is hereby amended to read as follows: 8-132. (a) Subject to the provisions of this section and K.S.A. 8-1,125, and amendments thereto, the division of vehicles shall furnish to every owner whose vehicle shall be registered one license plate for such vehicle. Such license plate shall have displayed on it the registration number assigned to the vehicle and to the owner thereof, the name of the state, which may be abbreviated, and the year or years for which it is issued. The same type of license plates shall be issued for passenger motor vehicles, rented without a driver, as are issued for private passenger vehicles.

(b) During calendar year 1975 commencing on the effective date of this act, and during every fifth calendar year thereafter, the division of vehicles shall furnish one license plate for any type of vehicle an owner registers or has the registration thereof renewed, but during the succeeding four-year period following calendar year 1975 and during the succeeding four-year period following every fifth calendar year subsequent to 1975, the division of vehicles shall not furnish any license plate for the renewal of a vehicle's registration. During calendar year 1976 and during each calendar year thereafter in which a license plate is not issued for the renewal of registration of a vehicle, the division of vehicles shall furnish one decal for the license plate issued for a vehicle as provided in K.S.A. 8-134, and amendments thereto, for each registration and renewal of registration of such vehicle. Notwithstanding the foregoing provisions of this subsection, whenever, in the discretion of the director of vehicles, it is determined that the license plates currently being issued and displayed are not deteriorating to the extent that their replacement is warranted, the director may adopt rules and regulations to extend the five-year issuance cycle provided for in this subsection by one year at a time, and in the same manner the director may further extend such cycle by one year at a time,
successively as the director determines appropriate. If the cycle is extended at the expiration of the extended term, new license plates shall again be issued in the manner and for the term provided in such rules and regulations, except that the owner of a motor vehicle currently registered may continue to display the license plate currently being issued and displayed for a period not to exceed three registration years from the date of the expiration of the extended term. The division shall furnish one decal for each such license plate in accordance with the provisions of this subsection.

(c) Two personalized license plates may be issued to any owner or lessee of a passenger vehicle or a truck licensed for a gross weight of not more than 20,000 pounds, who makes proper application to the division of vehicles not less than 60 days prior to such owner's or lessee's renewal of registration date. Such application shall be on a form prescribed by the division and accompanied by a fee of $40, which shall be $39.25 in addition to any other fee required to renew the registration of such passenger vehicle under the laws of this state. One such personalized license plate shall be displayed on the rear of the vehicle and, at the option of the owner or lessee, the other license plate may be displayed on the front of the vehicle, except that no registration decal shall be issued pursuant to K.S.A. 8-134, and amendments thereto, for any such license plate displayed on the front of such vehicle. One personalized license plate may be issued to any owner of a motorcycle upon proper application in the same manner provided in this subsection (c) for passenger vehicles and trucks. The $40 $39.25 fee shall be paid only once during the registration period for which such license plates were issued, and any subsequent renewals during the registration period shall be subject only to the registration fee prescribed by K.S.A. 8-143, and amendments thereto. The division shall design distinctive, personalized license plates to be issued which shall contain not more than seven letters or numbers on truck or passenger vehicle license plates and not more than five letters or numbers on motorcycle license plates, or a combination thereof, to be designated by the applicant in lieu of the letters and numbers required by K.S.A. 8-147, and amendments thereto, other than the letters required to designate the county in which such vehicle is registered. Unless the letters or numbers designated by the applicant have been assigned to another vehicle, or unless the letters or numbers designated by the applicant have a profane, vulgar, lewd or indecent meaning or connotation, as determined by the director of vehicles, the division shall assign such letters or numbers to the applicant's vehicle, and the letters or numbers, or combination thereof, so assigned shall be deemed the registration number of such vehicle. Subject to the foregoing provisions, all license plates issued under this section shall be manufactured in accordance with K.S.A. 8-147, and amendments
thereto. Such license plates shall be issued for a registration period of five
years commencing in 1985 and each five years thereafter.

The secretary of revenue shall adopt rules and regulations necessary to
carry out the provisions of this act, including, without limitation, rules and
regulations concerning: (1) The procedure for insuring that duplicate
license plates are not issued throughout the state; (2) the procedure for
reserving distinctive license plates for the purpose of obtaining the same
on each annual renewal of registration; (3) the procedure for allowing the
transfer of personalized license plates from one vehicle to another for
which such license plates were originally issued, when the title to the
original vehicle has not been transferred and the name or names of the
owner or owners listed on the titles to both vehicles are identical; and (4)
procedures necessary to coordinate this act with other laws of this state
governing registration of vehicles. The director of vehicles shall remit all
moneys received by the division of vehicles under this section to the state
treasurer in accordance with the provisions of K.S.A. 75-4215, and
amendments thereto. Upon receipt of each such remittance, the state
treasurer shall deposit the entire amount in the state treasury to the credit
of the state highway fund.

Sec. 2. K.S.A. 2019 Supp. 8-135 is hereby amended to read as
follows: 8-135. (a) Upon the transfer of ownership of any vehicle
registered under this act, the registration of the vehicle and the right to use
any license plate thereon shall expire and thereafter there shall be no
transfer of any registration, and the license plate shall be removed by the
owner thereof. Except as provided in K.S.A. 8-172, and amendments
thereto, and 8-1,147, and amendments thereto, it shall be unlawful for any
person, other than the person to whom the license plate was originally
issued, to have possession thereof. When the ownership of a registered
vehicle is transferred, the original owner of the license plate may register
another vehicle under the same number, upon application and payment of a
fee of $1.50 $0.75, if such other vehicle does not require a higher license
fee. If a higher license fee is required, then the transfer may be made upon
the payment of the transfer fee of $1.50 $0.75 and the difference between
the fee originally paid and that due for the new vehicle.

(b) Subject to the provisions of K.S.A. 8-198(a), and amendments
thereto, upon the transfer or sale of any vehicle by any person or dealer, or
upon any transfer in accordance with K.S.A. 59-3511, and amendments
thereto, the new owner thereof, within 60 days, inclusive of weekends and
holidays, from date of such transfer shall make application to the division
for registration or reregistration of the vehicle, but no person shall operate
the vehicle on any highway in this state during the sixty-day period
without having applied for and obtained temporary registration from the
county treasurer or from a dealer. After the expiration of the sixty-day 60-
day period, it shall be unlawful for the owner or any other person to
operate such vehicle upon the highways of this state unless the vehicle has
been registered as provided in this act. For failure to make application for
registration as provided in this section, a penalty of $2 shall be added to
other fees. When a person has a current motorcycle or passenger vehicle
registration and license plate, including any registration decal affixed
thereto, for a vehicle and has sold or otherwise disposed of the vehicle and
has acquired another motorcycle or passenger vehicle and intends to
transfer the registration and the license plate to the motorcycle or
passenger vehicle acquired, but has not yet had the registration transferred
in the office of the county treasurer, such person may operate the
motorcycle or passenger vehicle acquired for a period of not to exceed 60
days by displaying the license plate on the rear of the vehicle acquired. If
the acquired vehicle is a new vehicle such person also must carry the
assigned certificate of title or manufacturer's statement of origin when
operating the acquired vehicle, except that a dealer may operate such
vehicle by displaying such dealer's dealer license plate.

(c) Certificate of title: No vehicle required to be registered shall be
registered or any license plate or registration decal issued therefor, unless
the applicant for registration shall present satisfactory evidence of
ownership and apply for an original certificate of title for such vehicle.
The following paragraphs of this subsection shall apply to the issuance of
a certificate of title for a nonhighway vehicle, salvage vehicle or rebuilt
salvage vehicle, as defined in K.S.A. 8-197, and amendments thereto,
except to the extent such paragraphs are made inapplicable by or are
inconsistent with K.S.A. 8-198, and amendments thereto, and to any
electronic certificate of title, except to the extent such paragraphs are made
inapplicable by or are inconsistent with K.S.A. 2019 Supp. 8-135d, and
amendments thereto, or with rules and regulations adopted pursuant to
K.S.A. 2019 Supp. 8-135d, and amendments thereto. The provisions of
paragraphs (1) through (14) shall apply to any certificate of title issued
prior to January 1, 2003, which indicates that there is a lien or
encumbrance on such vehicle.

(1) An application for certificate of title shall be made by the owner
or the owner's agent upon a form furnished by the division and shall state
all liens or encumbrances thereon, and such other information as the
division may require. Notwithstanding any other provision of this section,
no certificate of title shall be issued for a vehicle having any unreleased
lien or encumbrance thereon, unless the transfer of such vehicle has been
consented to in writing by the holder of the lien or encumbrance. Such
consent shall be in a form approved by the division. In the case of
members of the armed forces of the United States while the United States
is engaged at war with any foreign nation and for a period of six months
next following the cessation of hostilities, such application may be signed
by the owner's spouse, parents, brother or sister. The county treasurer shall
use reasonable diligence in ascertaining whether the facts stated in such
application are true, and if satisfied that the applicant is the lawful owner
of such vehicle, or otherwise entitled to have the same registered in such
applicant's name, shall so notify the division, who shall issue an
appropriate certificate of title. The certificate of title shall be in a form
approved by the division, and shall contain a statement of any liens or
encumbrances—\textit{which that} the application shows, and such other
information as the division determines.

(2) The certificate of title shall contain upon the reverse side a form
for assignment of title to be executed by the owner. This assignment shall
contain a statement of all liens or encumbrances on the vehicle at the time
of assignment. The certificate of title shall also contain on the reverse side
blank spaces so that an abstract of mileage as to each owner will be
available. The seller at the time of each sale shall insert and certify the
mileage and the purchase price on the form filed for application or
reassignment of title, and the division shall insert such mileage on the
certificate of title when issued to purchaser or assignee. The signature of
the purchaser or assignee is required on the form filed for application or
reassignment of title, acknowledging the odometer and purchase price
certification made by the seller, except that vehicles which are 10 model
years or older and trucks with a gross vehicle weight of more than 16,000
pounds shall be exempt from the mileage acknowledgment requirement of
the purchaser or assignee. Such title shall indicate whether the vehicle for
which it is issued has been titled previously as a nonhighway vehicle or
salvage vehicle. In addition, the reverse side shall contain two forms for
reassignment by a dealer, stating the liens or encumbrances thereon. The
first form of reassignment shall be used only when a dealer sells the
vehicle to another dealer. The second form of reassignment shall be used
by a dealer when selling the vehicle to another dealer or the ultimate
owner of the vehicle. The reassignment by a dealer shall be used only
where the dealer resells the vehicle, and during the time that the vehicle
remains in the dealer's possession for resale, the certificate of title shall be
dormant. When the ownership of any vehicle passes by operation of law,
or repossession upon default of a lease, security agreement, or executory
sales contract, the person owning such vehicle, upon furnishing
satisfactory proof to the county treasurer of such ownership, may procure a
certificate of title to the vehicle. When a vehicle is registered in another
state and is repossessed in another state, the owner of such vehicle shall
not be entitled to obtain a valid Kansas title or registration, except that
when a vehicle is registered in another state, but is financed originally by a
financial institution chartered in the state of Kansas or when a financial
institution chartered in Kansas purchases a pool of motor vehicle loans
from the resolution trust corporation or a federal regulatory agency, and
the vehicle is repossessed in another state, such Kansas financial
institution shall be entitled to obtain a valid Kansas title or registration. In
addition to any other fee required for the issuance of a certificate of title,
any applicant obtaining a certificate of title for a repossessed vehicle shall
pay a fee of $3.

3) Dealers shall execute, upon delivery to the purchaser of every
new vehicle, a manufacturer's statement of origin stating the liens and
encumbrances thereon. Such statement of origin shall be delivered to the
purchaser at the time of delivery of the vehicle or at a time agreed upon by
the parties, not to exceed 30 days, inclusive of weekends and holidays. The
agreement of the parties shall be executed on a form approved by the
division. In the event delivery of title cannot be made personally, the seller
may deliver the manufacturer's statement of origin by restricted mail to the
address of purchaser shown on the purchase agreement. The
manufacturer's statement of origin may include an attachment containing
assignment of such statement of origin on forms approved by the division.
Upon the presentation to the division of a manufacturer's statement of
origin, by a manufacturer or dealer for a new vehicle, sold in this state, a
certificate of title shall be issued if there is also an application for
registration, except that no application for registration shall be required for
a travel trailer used for living quarters and not operated on the highways.

4) The fee for each original certificate of title shall be—$10 $8 in
addition to the fee for registration of such vehicle, trailer or semitrailer.
The certificate of title shall be good for the life of the vehicle, trailer or
semitrailer while owned or held by the original holder of the certificate of
title.

5) Except for a vehicle registered by a federally recognized Indian
tribe, as provided in paragraph (16), upon sale and delivery to the
purchaser of every vehicle subject to a purchase money security interest as
provided in article 9 of chapter 84 of the Kansas Statutes Annotated, and
amendments thereto, the dealer or secured party may complete a notice of
security interest and when so completed, the purchaser shall execute the
notice, in a form prescribed by the division, describing the vehicle and
showing the name and address of the secured party and of the debtor and
other information the division requires. On and after July 1, 2007, only one
lien shall be taken or accepted for vehicles with a gross vehicle weight
rating of 26,000 pounds or less. As used in this section, "gross vehicle
weight rating" shall have the meaning ascribed thereto means the same as
defined in 49 C.F.R. § 390.5, as in effect on July 1, 2017, or any later
version as established in rules and regulations adopted by the state
corporation commission. The dealer or secured party, within 30 days of the
sale and delivery, may mail or deliver the notice of security interest, together with a fee of $2.50, to the division. The notice of security interest shall be retained by the division until it receives an application for a certificate of title to the vehicle and a certificate of title is issued. The certificate of title shall indicate any security interest in the vehicle. Upon issuance of the certificate of title, the division shall mail or deliver confirmation of the receipt of the notice of security interest, the date the certificate of title is issued and the security interest indicated, to the secured party at the address shown on the notice of security interest. The proper completion and timely mailing or delivery of a notice of security interest by a dealer or secured party shall perfect a security interest in the vehicle, as referenced in K.S.A. 2019 Supp. 84-9-311, and amendments thereto, on the date of such mailing or delivery. The county treasurers shall mail a copy of the title application to the lienholder. For any vehicle subject to a lien, the county treasurer, division or contractor shall collect from the applicant a $1.50 service fee for processing and mailing a copy of the title application to the lienholder.

(6) It shall be unlawful for any person to operate in this state a vehicle required to be registered under this act, or to transfer the title to any such vehicle to any person or dealer, unless a certificate of title has been issued as herein provided. In the event of a sale or transfer of ownership of a vehicle for which a certificate of title has been issued, which certificate of title is in the possession of the transferor at the time of delivery of the vehicle, the holder of such certificate of title shall endorse on the same an assignment thereof, with warranty of title in a form prescribed by the division and printed thereon and the transferor shall deliver the same to the buyer at the time of delivery to the buyer of the vehicle or at a time agreed upon by the parties, not to exceed 60 days, inclusive of weekends and holidays, after the time of delivery. The agreement of the parties shall be executed on a form provided by the division. The requirements of this paragraph concerning delivery of an assigned title are satisfied if the transferor mails to the transferee by restricted mail the assigned certificate of title within the 60 days, and if the transferor is a dealer, as defined by K.S.A. 8-2401, and amendments thereto, such transferor shall be deemed to have possession of the certificate of title if the transferor has made application therefor to the division. The buyer shall then present such assigned certificate of title to the division at the time of making application for registration of such vehicle. A new certificate of title shall be issued to the buyer, upon payment of the fee of $10. If such vehicle is sold to a resident of another state or country, the dealer or person making the sale shall notify the division of the sale and the division shall make notation thereof in the records of the division. When a person acquires a security interest that such person seeks to perfect on a vehicle subsequent to the
issuance of the original title on such vehicle, such person shall require the
holder of the certificate of title to surrender the same and sign an
application for a mortgage title in form prescribed by the division. Upon
such surrender, such person shall immediately deliver the certificate of
title, application, and a fee of $40 to the division. Delivery of the
surrendered title, application and tender of the required fee shall perfect a
security interest in the vehicle as referenced in K.S.A. 2019 Supp. 84-9-
311, and amendments thereto. On and after July 1, 2007, only one lien
may be taken or accepted for security for an obligation to be secured by a
lien to be shown on a certificate of title for vehicles with a gross vehicle
weight rating, as defined in 49 C.F.R. § 390.5, as in effect on July 1, 2017,
or any later version as established in rules and regulations adopted by the
state corporation commission, of 26,000 pounds or less. A refinancing
shall not be subject to the limitations of this act. A refinancing is deemed
to occur when the original obligation is satisfied and replaced by a new
obligation. Lien obligations created before July 1, 2007, which are of
a continuing nature shall not be subject to the limitations of this act until
the obligation is satisfied. A lien in violation of this provision is void.
Upon receipt of the surrendered title, application and fee, the division shall
issue a new certificate of title showing the liens or encumbrances so
created, but only one lien or encumbrance may be shown upon a title for
vehicles with a gross vehicle rating of 26,000 pounds or less, and not more
than two liens or encumbrances may be shown upon a title for vehicles in
excess of 26,000 pounds gross vehicle weight rating. When a prior
lienholder's name is removed from the title, there must be satisfactory
evidence presented to the division that the lien or encumbrance has been
paid. When the indebtedness to a lienholder, whose name is shown upon a
title, is paid in full, such lienholder shall comply with the provisions of

(7) It shall be unlawful for any person to buy or sell in this state any
vehicle required to be registered, unless, at the time of delivery thereof or
at a time agreed upon by the parties, not to exceed 60 days, inclusive of
weekends and holidays, after the time of delivery, there shall pass between
the parties a certificate of title with an assignment thereof. The sale of a
vehicle required to be registered under the laws of this state, without
assignment of the certificate of title, is fraudulent and void, unless the
parties shall agree that the certificate of title with assignment thereof shall
pass between them at a time other than the time of delivery, but within 60
days thereof. The requirements of this paragraph concerning delivery of an
assigned title shall be satisfied if: (A) The seller mails to the purchaser by
restricted mail the assigned certificate of title within 60 days; or (B) if the
transferor is a dealer, as defined by K.S.A. 8-2401, and amendments
thereto, such seller shall be deemed to have possession of the certificate of
title if such seller has made application therefor to the division; or (C) if
the transferor is a dealer and has assigned a title pursuant to subsection (c)
(9).

(8) In cases of sales under the order of a court of a vehicle required to
be registered under this act, the officer conducting such sale shall issue to
the purchaser a certificate naming the purchaser and reciting the facts of
the sale, which certificate shall be prima facie evidence of the ownership
of such purchaser for the purpose of obtaining a certificate of title to such
motor vehicle and for registering the same. Any such purchaser shall be
allowed 60 days, inclusive of weekends and holidays, from the date of sale
to make application to the division for a certificate of title and for the
registering of such motor vehicle.

(9) Any dealer who has acquired a vehicle, the title for which was
issued under the laws of and in a state other than the state of Kansas, shall
not be required to obtain a Kansas certificate of title therefor during the
time such vehicle remains in such dealer's possession and at such dealer's
place of business for the purpose of sale. The purchaser or transferee shall
present the assigned title to the division of vehicles when making
application for a certificate of title as provided in subsection (c)(1).

(10) Motor vehicles may be held and titled in transfer-on-death form.

(11) Notwithstanding the provisions of this act with respect to time
requirements for delivery of a certificate of title, or manufacturer's
statement of origin, as applicable, any person who chooses to reaffirm the
sale in writing on a form approved by the division which advises them of
their rights pursuant to subsection (c)(7) and who has received and
accepted assignment of the certificate of title or manufacturer's statement
of origin for the vehicle in issue may not thereafter void or set aside the
transaction with respect to the vehicle for the reason that a certificate of
title or manufacturer's statement of origin was not timely delivered, and in
such instances the sale of a vehicle shall not be deemed to be fraudulent
and void for that reason alone.

(12) The owner of any vehicle assigning a certificate of title in
accordance with the provisions of this section may file with the division a
form indicating that such owner has assigned such certificate of title. Such
forms shall be furnished by the division and shall contain such information
as the division may require. Any owner filing a form as provided in this
paragraph shall pay a fee of $10. The filing of such form shall be prima
facie evidence that such certificate of title was assigned and shall create a
rebuttable presumption. If the assignee of a certificate of title fails to make
application for registration, an owner assigning such title and filing the
form in accordance with the provisions of this paragraph shall not be held
liable for damages resulting from the operation of such vehicle.

(13) Application for a certificate of title on a boat trailer with a gross
weight over 2,000 pounds shall be made by the owner or the owner's agent
upon a form to be furnished by the division and shall contain such
information as the division shall determine necessary. The division may
waive any information requested on the form if it is not available. The
application together with a bill of sale for the boat trailer shall be accepted
as prima facie evidence that the applicant is the owner of the boat trailer,
provided that a Kansas title for such trailer has not previously been issued.
If the application and bill of sale are used to obtain a certificate of title for
a boat trailer under this paragraph, the certificate of title shall not be issued
until an inspection in accordance with K.S.A. 8-116a(a), and amendments
thereto, has been completed.

(14) In addition to the two forms for reassignment under subsection
(c)(2), a dealer may attach one additional reassignment form to a
certificate of title. The director of vehicles shall prescribe and furnish such
reassignment forms. The reassignment form shall be used by a dealer when
selling the vehicle to another dealer or the ultimate owner of the vehicle
only when the two reassignment forms under subsection (c)(2) have
already been used. The fee for a reassignment form shall be $6.50. A
dealer may purchase reassignment forms in multiples of five upon making
proper application and the payment of required fees.

(15) A first stage manufacturer, as defined in K.S.A. 8-2401, and
amendments thereto, who manufactures a motor vehicle in this state, and
who sells such motor vehicles to dealers located in a foreign country, may
execute a manufacturer's statement of origin to the division of vehicles for
the purpose of obtaining an export certificate of title. The motor vehicle
issued an export certificate of title shall not be required to be registered in
this state. An export certificate of title shall not be used to register such
vehicle in the United States.

(16) A security interest in a vehicle registered by a federally
recognized Indian tribe shall be deemed valid under Kansas law if validly
perfected under the applicable tribal law and the lien is noted on the face
of the tribal certificate of title.

(17) On and after January 1, 2010, a certificate of title issued for a
rebuilt salvage vehicle for the initial time, shall indicate on such title, the
reduced classification of such vehicle as provided under K.S.A. 79-5104,
and amendments thereto.

Sec. 3. K.S.A. 2019 Supp. 8-135a is hereby amended to read as
follows: 8-135a. A person in whose name a vehicle is titled and registered
may add their spouse's name by assigning the title from the titleholder to
titleholder and spouse and by applying for a name change title and

Application for name change title and registration shall be made in the
manner required by law, including certification of insurance coverage. The
fee shall be $10 $8 for the title, and no charge shall be made for the
registration, except, when applicable, the fee for transfer of registration
under K.S.A. 8-135, and amendments thereto.

Sec. 4. K.S.A. 2019 Supp. 8-135c is hereby amended to read as follows: 8-135c. (a) The provisions of this section shall be a part of and supplemental to the provisions of article 1 of chapter 8 of the Kansas Statutes Annotated, and amendments thereto, and as used in this section, the words and phrases defined by K.S.A. 8-126, and amendments thereto, shall have the meanings respectively ascribed to them means the same as defined therein.

No such permit shall be issued for any vehicle unless the owner has motor vehicle liability insurance coverage or an approved self-insurance plan under K.S.A. 40-3104, and amendments thereto. Sec. 15. K.S.A. 2019 Supp. 58-4204 is hereby amended to read as follows: 58-4204. (a) For purposes of this section, a manufactured home or mobile home shall be considered to be personal property.

(b) The provisions of this section shall apply to any electronic certificate of title, except to the extent such provisions are made inapplicable by or are inconsistent with K.S.A. 58-4204a, and amendments thereto, or with rules and regulations adopted pursuant to K.S.A. 58-4204a, and amendments thereto.

The provisions of this section shall apply to any certificate of title issued prior to January 1, 2003, which that indicates that there is a lien or encumbrance on such manufactured home or mobile home.
(c) Upon the transfer or sale of any manufactured home or mobile home by any person or dealer, the new owner thereof, within 30 days, inclusive of weekends and holidays, from the date of such transfer or sale, shall make application to the division for the issuance of a certificate of title evidencing the new owner's ownership of such manufactured home or mobile home. An application for certificate of title shall be made by the owner of the manufactured home or mobile home, or the owner's agent, upon a form furnished by the division, and it shall state all liens or encumbrances thereon and such other information as the director may require. Notwithstanding any other provision of this section, no certificate of title shall be issued for a manufactured home or mobile home having any unreleased lien or encumbrance thereon, unless the transfer of such manufactured home or mobile home has been consented to in writing by the holder of the lien or encumbrance. Such consent shall be in a form approved by the director. The county treasurer shall use reasonable diligence in ascertaining whether the facts stated in such application are true, and if satisfied that the applicant is the lawful owner of the manufactured home or mobile home, or otherwise entitled to have the certificate of title therefor issued in such applicant's name, shall so notify the division, who shall issue an appropriate certificate of title.

(d) The director shall design a distinctive certificate of title to be issued to owners of manufactured homes and mobile homes, so as to be distinguishable from certificates of title issued to owners of vehicles. The certificate of title shall contain a statement of any liens or encumbrances which the application discloses and shall provide such other information as the director determines necessary and appropriate. The certificate of title shall contain upon the reverse side a form for assignment of title to be executed by the owner. This assignment shall contain a statement of all liens or encumbrances on the manufactured home or mobile home at the time of assignment. When the ownership of any manufactured home or mobile home passes by operation of law or by repossession upon default of a lease, security agreement or executory sales contract, the person owning such manufactured home or mobile home, upon furnishing satisfactory proof to the county treasurer of such ownership, may procure a certificate of title to the manufactured home or mobile home.

(e) Dealers shall execute, upon delivery to the purchaser of every new manufactured home, a manufacturer's statement of origin stating the liens and encumbrances thereon. Such statement of origin shall be delivered to the purchaser at the time of delivery of the manufactured home or at a time agreed upon by the parties, not to exceed 30 days, inclusive of weekends and holidays. The agreement of the parties shall be executed on a form approved by the director. In the event delivery of title cannot be made personally, the seller may deliver the manufacturer's statement of origin by
restricted mail to the address of the purchaser shown on the purchase agreement. The manufacturer's statement of origin may include an attachment containing assignment of such statement of origin on forms approved by the director. Upon the presentation to the division of a manufacturer's statement of origin, by a manufacturer or dealer for a new manufactured home, sold in this state, a certificate of title shall be issued.

(f) The fee for each original certificate of title shall be $8. The certificate of title shall be good for the life of the manufactured home or mobile home while owned or held by the original holder of the certificate of title.

(g) Upon sale and delivery to the purchaser of every manufactured home or mobile home subject to a purchase money security interest, as provided for in article 9 of chapter 84 of the Kansas Statutes Annotated, and amendments thereto, the dealer or secured party may complete a notice of security interest and, when so completed, the purchaser shall execute the notice, in a form prescribed by the director, describing the manufactured home or mobile home and showing the name and address of the secured party and of the debtor and such other information as the director may require. The dealer or secured party may, within 30 days of the sale and delivery, mail or deliver the notice of security interest, together with a fee of $2.50, to the division. The notice of security interest shall be retained by the division, until it receives an application for a certificate of title to the manufactured home or mobile home and a certificate of title is issued. The certificate of title shall indicate any security interest in the manufactured home or mobile home. Upon issuance of the certificate of title, the division shall mail or deliver confirmation of the receipt of the notice of security interest, the date the certificate of title is issued and the security interest indicated, to the secured party at the address shown on the notice of security interest. The proper completion and timely mailing or delivery of a notice of security interest by a dealer or secured party shall perfect a security interest in the manufactured home or mobile home, as referenced in K.S.A. 2019 Supp. 84-9-311, and amendments thereto, on the date of such mailing or delivery.

(h) In the event of a sale or transfer of ownership of a manufactured home or mobile home for which a certificate of title has been issued, which certificate of title is in the possession of the transferee at the time of delivery of the manufactured home or mobile home, the holder of such certificate of title shall endorse on the same an assignment thereof, with warranty of title in a form prescribed by the director and printed thereon, and the transferee shall deliver the same to the buyer at the time of delivery to the buyer of the manufactured home or mobile home, or at a time agreed upon by the parties, not to exceed 30 days, inclusive of weekends and holidays, after the time of delivery. The sale of a mobile
home or manufactured home by a manufactured home dealer without such
delivery of an assigned certificate of title is fraudulent and void, and it
shall constitute a violation of the Kansas manufactured housing act. The
agreement of the parties shall be executed on a form provided by the
division. The requirements of this subsection concerning delivery of an
assigned title are satisfied, if the transferor mails to the transferee, by
restricted mail, the assigned certificate of title within the 30 days, and if
the transferor is a dealer, as defined by K.S.A. 58-4202, and amendments
thereto, such transferor shall be deemed to have possession of the
certificate of title, if the transferor has made application therefor to the
division.

The buyer shall then present such assigned certificate of title to the
division, and a new certificate of title shall be issued to the buyer upon
payment of the fee of $10. If such manufactured home or mobile home
is sold to a resident of another state or country, the dealer or person
making the sale shall notify the division of the sale and the division shall
make notation thereof in the records of the division. If any manufactured
home or mobile home is destroyed, dismantled or sold as junk, the owner
shall immediately notify the division by surrendering the original or
assigned certificate of title.

(i) When a person acquires a security agreement on a manufactured
home or mobile home subsequent to the issuance of the original title on
such manufactured home or mobile home, such person shall require the
holder of the certificate of title to surrender the same and sign an
application for a mortgage title in such form as prescribed by the director.
Upon such surrender, the person shall immediately deliver the certificate
of title, application and a fee of $10 to the division. Upon receipt
thereof, the division shall issue a new certificate of title, showing the liens
or encumbrances so created, but not more than two liens or encumbrances
may be shown upon a title. The delivery of the certificate of title,
application and fee to the division shall perfect such person's security
interest in the manufactured home or mobile home described in the
certificate of title, as referenced in K.S.A. 2019 Supp. 84-9-311, and
amendments thereto. When a prior lienholder's name is removed from the
title, there must be satisfactory evidence presented to the division that the
lien or encumbrance has been paid. When the indebtedness to a lienholder,
whose name is shown upon a title, is paid in full, such lienholder, within
10 days after written demand by restricted mail, shall furnish to the holder
of the title a release of lien or execute such a release in the space provided
on the title. For failure to comply with such a demand, the lienholder shall
be liable to the holder of the title for $100 and also shall be liable for any
loss caused to the holder by such failure. When the indebtedness to a
lienholder, whose name is shown upon a title, is collected in full, such
lienholder, within 30 days, shall furnish notice to the holder of title that such indebtedness has been paid in full and that such title may be presented to the lienholder at any time for release of lien.

(j) In the event of the sale of a manufactured home or mobile home under the order of a court, the officer conducting such sale shall issue to the purchaser a certificate naming the purchaser and reciting the facts of the sale, which certificate shall be prima facie evidence of the ownership of such purchaser for the purpose of obtaining a certificate of title to such manufactured home or mobile home. Any such purchaser shall be allowed 30 days, inclusive of weekends and holidays, from the date of sale to make application to the division for a certificate of title.

(k) Any dealer who has acquired a manufactured home or mobile home, the title for which was issued under the laws of and in a state other than the state of Kansas, shall not be required to retain a Kansas certificate of title therefor during the time such manufactured home or mobile home remains in such dealer's possession and at such dealer's established or supplemental place of business for the purpose of sale. Upon the sale of any such manufactured home or mobile home, the dealer immediately shall deliver to the purchaser or transferee the certificate of title issued by the other state, properly endorsed and assigned to the purchaser or transferee, together with an affidavit executed by the dealer setting forth:

(1) That the dealer warrants to the purchaser or transferee and all other persons who claim through the purchaser or transferee that, at the time of the sale transfer and delivery by the dealers, the manufactured home or mobile home was free and clear of all liens, mortgages and other encumbrances, except those otherwise appearing on the title;

(2) the information shown on the title relating to all previous assignments, including the names of all previous titleholders shown thereon; and

(3) that the dealer has the right to sell and transfer the manufactured home or mobile home.

Sec. 16. K.S.A. 74-2013 is hereby amended to read as follows: 74-2013. Upon application signed by the owner or the owner's agent and payment of a fee of $10 $8 and surrender of the original title together with satisfactory evidence that the lien has been paid, the department is hereby authorized to grant a reissue of a certificate of title showing the vehicle to be clear of any lien.

Sec. 17. K.S.A. 79-3604 is hereby amended to read as follows: 79-3604. The tax levied under the Kansas retailers' sales tax act shall be paid by the consumer or user to the retailer and it shall be the duty of each and every retailer in this state to collect from the consumer or user, the full amount of the tax imposed or an amount equal as nearly as possible or practicable to the average equivalent thereof. Such tax shall be a debt from
the consumer or user to the retailer, when so added to the original purchase
price, and shall be recoverable at law in the same manner as other debts,
except that the tax levied on isolated or occasional sales of motor vehicles
or trailers within the state and upon the sales of taxable tangible personal
property or services when the director shall determine the same to be
necessary as hereinafter provided shall be paid and collected as herein
provided for.

The tax on such isolated or occasional sales shall be paid to the director
of taxation by the purchaser of the motor vehicle or trailer or to the county
treasurer upon application for certificate of registration or ownership. The
purchaser shall sign and present to the county treasurer or director of
taxation a statement specifying the true and correct selling price of the
motor vehicle or trailer and containing a warning to the purchaser of the
consequences of making false statements or information or presenting
falsified documents related thereto. Such statement shall be in a form
promulgated by the director of taxation. If payment is made to the director
of taxation, the director shall issue a receipt therefor. If the sales tax is not
paid to the director of taxation, the county treasurer, upon application for
certificate of registration or ownership, shall collect such sales tax
payment from the applicant. The county treasurer shall charge the
applicant a collection service fee of $.50, and shall give the applicant a
receipt showing the tax and fee paid in full. The county treasurer shall
transmit monthly all such sales tax moneys collected to the director of
taxation and shall place the fees collected in the special fund provided in
K.S.A. 8-145, and amendments thereto, to be used for the purpose of
paying necessary extra help and expenses.

Whenever the director of taxation determines that in the retail sale of
any tangible personal property or services because of the nature of the
operation of the business including the turnover of independent
contractors, the lack of a place of business in which to display a
registration certificate or keep records, the lack of adequate records or
because such retailers are minors or transients there is a likelihood that the
state will lose tax funds due to the difficulty of policing such business
operations, it shall be the duty of the vendor to such person to collect the
full amount of the tax imposed by this act and to make a return and
payment of the tax to the director of taxation in like manner as that
provided for the making of returns and the payment of taxes by retailers
under the provisions of this act. The director shall notify the vendor or
vendors to such retailer of the duty to collect and make a return and
payment of the tax.

In the event the full amount of the tax provided by this act is not paid to
the retailer by the consumer or user, the director of taxation may proceed
directly against the consumer or user to collect the full amount of the tax
due on the retail sale.

Sec. 18. K.S.A. 8-195, 74-2013 and 79-3604 and K.S.A. 2019 Supp. 8-132, 8-135, 8-135a, 8-135c, 8-139, 8-143, 8-143j, 8-145, 8-145d, 8-167, 8-170, 8-172, 8-198 and 58-4204 are hereby repealed.

Sec. 19. This act shall take effect and be in force from and after January 1, 2021, and its publication in the statute book.
