14 Sec. 2. K.S.A. 79-4301 is hereby amended to read as follows: 79-
15 4301. "The multistate tax compact" is hereby enacted into law and entered
16 into with all jurisdictions legally joining therein, in the form substantially
17 as follows:

11 receipts or in other terms, and in the determination of which no deduction
12 is allowed which would constitute the tax an income tax.

13 (7) "Sales tax" means a tax imposed with respect to the transfer for a
14 consideration of ownership, possession or custody of tangible personal
15 property or the rendering of services measured by the price of the tangible
16 personal property transferred or services rendered and which is required by
17 state or local law to be separately stated from the sales price by the seller,

21 (8) "Use tax" means a nonrecurring tax, other than a sales tax, which

31 of this compact shall apply only in respect to determinations pursuant to
32 article IV.

33 ARTICLE III.—Elements of Income Tax Laws

34 (1) ~~*Taxpayer option, state and local taxes.* Any taxpayer subject to an~~
35 ~~income tax whose income is subject to apportionment and allocation for~~
36 ~~tax purposes pursuant to the laws of a party state or pursuant to the laws of~~
37 ~~subdivisions in two or more party states may elect to apportion and~~
38 ~~allocate his income in the manner provided by the laws of such state or by~~
39 ~~the laws of such states and subdivisions without reference to this compact,~~
40 ~~or may elect to apportion and allocate in accordance with article IV. This~~
41 ~~election for any tax year may be made in all party states or subdivisions~~
42 ~~thereof or in any one or more of the party states or subdivisions thereof~~
43 ~~without reference to the election made in the others. For the purposes of~~

1 ~~this paragraph, taxes imposed by subdivisions shall be considered~~
2 ~~separately from state taxes and the apportionment and allocation also may~~
3 ~~be applied to the entire tax base. In no instance wherein article IV is~~
4 ~~employed for all subdivisions of a state may the sum of all apportionments~~
5 ~~and allocations to subdivisions within a state be greater than the~~
6 ~~apportionment and allocation that would be assignable to that state if the~~
7 ~~apportionment or allocation were being made with respect to a state~~
8 ~~income tax.~~

9 (2)—*Taxpayer option, short form.* Each party state or any subdivision
10 thereof which imposes an income tax shall provide by law that any
11 taxpayer required to file a return, whose only activities within the taxing
12 jurisdiction consist of sales and do not include owning or renting real
13 estate or tangible personal property, and whose dollar volume of gross
14 sales made during the tax year within the state or subdivision, as the case
15 may be, is not in excess of \$100,000 may elect to report and pay any tax
16 due on the basis of a percentage of such volume, and shall adopt rates
17 which shall produce a tax which reasonably approximates the tax
18 otherwise due. The multistate tax commission, not more than once in five
19 years, may adjust the \$100,000 figure in order to reflect such changes as
20 may occur in the real value of the dollar, and such adjusted figure, upon
21 adoption by the commission, shall replace the \$100,000 figure specifically
22 provided herein. Each party state and subdivision thereof may make the
23 same election available to taxpayers additional to those specified in this
24 paragraph.

25 (3)(2) *Coverage.* Nothing in this article relates to the reporting or
26 payment of any tax other than in income tax.

27 ARTICLE IV.—Division of Income

28 (1) As used in this article, unless the context otherwise requires:

29 (a) ~~"Business income" means income arising from transactions and~~
30 ~~activity in the regular course of the taxpayer's trade or business and~~
31 ~~includes income from tangible and intangible property if the acquisition,~~
32 ~~management, and disposition of the property constitute integral parts of the~~
33 ~~taxpayer's regular trade or business operations"~~*Business income" means:*
34 *(1) Income arising from transactions and activity in the regular course of*
35 *the taxpayer's trade or business; (2) income arising from transactions and*
36 *activity involving tangible and intangible property or assets used in the*
37 *operation of the taxpayer's trade or business; or (3) income of the*
38 *taxpayer that may be apportioned to this state under the provisions of the*
39 *constitution of the United States and laws thereof, except that a taxpayer*
40 *may elect that all income constitutes business income. Any election made*
41 *under this subsection shall be effective and irrevocable for the tax year in*
42 *which the election is made and the following nine tax years and shall be*
43 *binding on all members of a unitary group of corporations.*

1 (b) "Commercial domicile" means the principal place from which the
2 trade or business of the taxpayer is directed or managed.

3 (c) "Compensation" means wages, salaries, commissions and any
4 other form of remuneration paid to employees for personal services.

5 (d) "Financial organization" means any bank, trust company, savings
6 bank, industrial bank, land bank, safe deposit company, private banker,
7 savings and loan association, credit union, cooperative bank, small loan
8 company, sales finance company, investment company, or any type of
9 insurance company.

10 (e) "Nonbusiness income" means all income other than business
11 income.

12 (f) "Public utility" means any business entity (1) which owns or
13 operates any plant, equipment, property, franchise, or license for the
14 transmission of communications, transportation of goods or persons,
15 except by pipeline, or the production, transmission, sale, delivery, or
16 furnishing of electricity, water or steam; and (2) whose rates of charges for
17 goods or services have been established or approved by a federal, state or
18 local government or governmental agency.

19 (g) "Sales" means all gross receipts of the taxpayer not allocated
20 under paragraphs of this article. *In the case of sales of business assets,*
21 *other than sales of tangible personal property sold in the ordinary course*
22 *of the taxpayer's trade or business, only the net gain from such sales shall*
23 *be included in the sales factor.*

24 (h) "State" means any state of the United States, the District of
25 Columbia, the Commonwealth of Puerto Rico, any territory or possession
26 of the United States, and any foreign country or political subdivision
27 thereof.

28 (i) "This state" means the state in which the relevant tax return is filed
29 or, in the case of application of this article to the apportionment and
30 allocation of income for local tax purposes, the subdivision or local taxing
31 district in which the relevant tax return is filed.

32 (2) Any taxpayer having income from business activity which is
33 taxable both within and without this state, other than activity as a financial
34 organization or public utility or the rendering of purely personal services
35 by an individual, shall allocate and apportion his net income as provided in
36 this article. If a taxpayer has income from business activity as a public
37 utility but derives the greater percentage of his income from activities
38 subject to this article, the taxpayer may elect to allocate and apportion his
39 entire net income as provided in this article.

40 (3) For purposes of allocation and apportionment of income under
41 this article, a taxpayer is taxable in another state if (1) in that state he is
42 subject to a net income tax, a franchise tax measured by net income, a
43 franchise tax for the privilege of doing business, or a corporate stock tax,

1 or (2) that state has jurisdiction to subject the taxpayer to a net income tax
2 regardless of whether, in fact, the state does or does not.

3 (4) Rents and royalties from real or tangible personal property, capital
4 gains, interest, dividends or patent or copyright royalties, to the extent that
5 they constitute nonbusiness income, shall be allocated as provided in
6 paragraphs 5 through 8 of this article. *Allocable nonbusiness income shall*
7 *be limited to the total nonbusiness income received that is in excess of any*
8 *related expenses that have been allowed as a deduction during the income*
9 *year.*

10 (5) (a) Net rents and royalties from real property located in this state
11 are allocable to this state.

12 (b) Net rents and royalties from tangible personal property are
13 allocable to this state: (1) If and to the extent that the property is utilized in
14 this state, or (2) in their entirety if the taxpayer's commercial domicile is in
15 this state and the taxpayer is not organized under the laws of or taxable in
16 the state in which the property is utilized.

17 (c) The extent of utilization of tangible personal property in a state is
18 determined by multiplying the rents and royalties by a fraction, the
19 numerator of which is the number of days of physical location of the
20 property in the state during the rental or royalty period in the taxable year
21 and the denominator of which is the number of days of physical location of
22 the property everywhere during all rental or royalty periods in the taxable
23 year. If the physical location of the property during the rental or royalty
24 period is unknown or unascertainable by the taxpayer, tangible personal
25 property is utilized in the state in which the property was located at the
26 time the rental or royalty payer obtained possession.

27 (6) (a) Capital gains and losses from sales of real property located in
28 this state are allocable to this state.

29 (b) Capital gains and losses from sales of tangible personal property
30 are allocable to this state if (1) the property had a situs in this state at the
31 time of the sale, or (2) the taxpayer's commercial domicile is in this state
32 and the taxpayer is not taxable in the state in which the property had a
33 situs.

34 (c) Capital gains and losses from sales of intangible personal property
35 are allocable to this state if the taxpayer's commercial domicile is in this
36 state.

37 (7) Interest and dividends are allocable to this state if the taxpayer's
38 commercial domicile is in this state.

39 (8) (a) Patent and copyright royalties are allocable to this state: (1) If
40 and to the extent that the patent or copyright is utilized by the payer in this
41 state, or (2) if and to the extent that the patent copyright is utilized by the
42 payer in a state in which the taxpayer is not taxable and the taxpayer's
43 commercial domicile is in this state.

1 (b) A patent is utilized in a state to the extent that it is employed in
2 production, fabrication, manufacturing, or other processing in the state or
3 to the extent that a patented product is produced in the state. If the basis of
4 receipts from patent royalties does not permit allocation to states or if the
5 accounting procedures do not reflect states of utilization, the patent is
6 utilized in the state in which the taxpayer's commercial domicile is located.

7 (c) A copyright is utilized in a state to the extent that printing or other
8 publication originates in the state. If the basis of receipts from copyright
9 royalties does not permit allocation to states or if the accounting
10 procedures do not reflect states of utilization, the copyright is utilized in
11 the state in which the taxpayer's commercial domicile is located.

12 (9) All business income shall be apportioned to this state by
13 multiplying the income by a fraction, the numerator of which is the
14 property factor plus the payroll factor plus the sales factor, and the
15 denominator of which is three.

16 (10) The property factor is a fraction, the numerator of which is the
17 average value of the taxpayer's real and tangible personal property owned
18 or rented and used in this state during the tax period and the denominator
19 of which is the average value of all the taxpayer's real and tangible
20 personal property owned or rented and used during the tax period.

21 (11) Property owned by the taxpayer is valued at its original cost.
22 Property rented by the taxpayer is valued at eight times the net annual
23 rental rate. Net annual rental rate is the annual rental rate paid by the
24 taxpayer less any annual rental rate received by the taxpayer from
25 subrentals.

26 (12) The average value of property shall be determined by averaging
27 the values at the beginning and ending of the tax period but the tax
28 administrator may require the averaging of monthly values during the tax
29 period if reasonably required to reflect properly the average value of the
30 taxpayer's property.

31 (13) The payroll factor is a fraction, the numerator of which is the
32 total amount paid in this state during the tax period by the taxpayer for
33 compensation and the denominator of which is the total compensation paid
34 everywhere during the tax period.

35 (14) Compensation is paid in this state if:

36 (a) The individual's service is performed entirely within the state;

37 (b) The individual's service is performed both within and without the
38 state, but the service performed without the state is incidental to the
39 individual's service within the state; or

40 (c) Some of the service is performed in the state and (1) the base of
41 operations or, if there is no base of operations, the place from which the
42 service is directed or controlled is in the state, or (2) the base of operations
43 or the place from which the service is directed or controlled is not in any

1 state in which some part of the service is performed, but the individual's
2 residence is in this state.

3 (15) The sales factor is a fraction, the numerator of which is the total
4 sales of the taxpayer in this state during the tax period, and the
5 denominator of which is the total sales of the taxpayer everywhere during
6 the tax period.

7 (16) Sales of tangible personal property are in this state if:

8 (a) The property is delivered or shipped to a purchaser, other than the
9 United States government, within this state regardless of the f.o.b. point or
10 other conditions of the sale; or

11 (b) The property is shipped from an office, store, warehouse, factory,
12 or other place of storage in this state and (1) the purchaser is the United
13 States government or (2) the taxpayer is not taxable in the state of the
14 purchaser.

15 (17) Sales, other than sales of tangible personal property, are in this
16 state if:

17 (a) The income-producing activity is performed in this state; or

18 (b) The income-producing activity is performed both in and outside
19 this state and a greater proportion of the income-producing activity is
20 performed in this state than in any other state, based on costs of
21 performance.

22 (18) If the allocation and apportionment provisions of this article do
23 not fairly represent the extent of the taxpayer's business activity in this
24 state, the taxpayer may petition for or the tax administrator may require, in
25 respect to all or any part of the taxpayer's business activity, if reasonable:

26 (a) Separate accounting;

27 (b) The exclusion of any one or more of the factors;

28 (c) The inclusion of one or more additional factors which will fairly
29 represent the taxpayer's business activity in this state; or

30 (d) The employment of any other method to effectuate an equitable
31 allocation and apportionment of the taxpayer's income.

32 ARTICLE V.—Elements of Sales and Use Tax Laws

33 (1) *Tax credit.* Each purchaser liable for a use tax on tangible personal
34 property shall be entitled to full credit for the combined amount or
35 amounts of legally imposed sales or use taxes paid by him with respect to
36 the same property to another state and any subdivision thereof. The credit
37 shall be applied first against the amount of any use tax due the state, and
38 any unused portion of the credit shall then be applied against the amount
39 of any use tax due a subdivision.

40 (2) *Exemption certificates, vendors may rely.* Whenever a vendor
41 receives and accepts in good faith from a purchaser a resale or other
42 exemption certificate or other written evidence of exemption authorized by
43 the appropriate state or subdivision taxing authority, the vendor shall be

1 relieved of liability for a sales or use tax with respect to the transaction.

2 ARTICLE VI.—The Commission

3 (1) *Organization and management.* (a) The multistate tax commission
4 is hereby established. It shall be composed of one "member" from each
5 party state who shall be the head of the state agency charged with the
6 administration of the types of taxes to which this compact applies. If there
7 is more than one such agency the state shall provide by law for the
8 selection of the commission member from the heads of the relevant
9 agencies. State law may provide that a member of the commission be
10 represented by an alternate but only if there is on file with the commission
11 written notification of the designation and identity of the alternate. The
12 attorney general of each party state or his designee, or other counsel if the
13 laws of the party state specifically provide, shall be entitled to attend the
14 meetings of the commission, but shall not vote. Such attorneys general,
15 designees, or other counsel shall receive all notices of meetings required
16 under paragraph (1) (e) of this article.

17 (b) Each party state shall provide by law for the selection of
18 representatives from its subdivisions affected by this compact to consult
19 with the commission member from that state.

20 (c) Each member shall be entitled to one vote. The commission shall
21 not act unless a majority of the members are present, and no action shall be
22 binding unless approved by a majority of the total number of members.

23 (d) The commission shall adopt an official seal to be used as it may
24 provide.

25 (e) The commission shall hold an annual meeting and such other
26 regular meetings as its bylaws may provide and such special meetings as
27 its executive committee may determine. The commission bylaws shall
28 specify the dates of the annual and any other regular meetings, and shall
29 provide for the giving of notice of annual, regular and special meetings.
30 Notices of special meetings shall include the reasons therefor and an
31 agenda of the items to be considered.

32 (f) The commission shall elect annually, from among its members, a
33 chairman, a vice-chairman and a treasurer. The commission shall appoint
34 an executive director who shall serve at its pleasure, and it shall fix his
35 duties and compensation. The executive director shall be secretary of the
36 commission. The commission shall make provision for the bonding of
37 such of its officers and employees as it may deem appropriate.

38 (g) Irrespective of the civil service, personnel or other merit system
39 laws of any party state, the executive director shall appoint or discharge
40 such personnel as may be necessary for the performance of the functions
41 of the commission and shall fix their duties and compensation. The
42 commission bylaws shall provide for personnel policies and programs.

43 (h) The commission may borrow, accept or contract for the services

1 of personnel from any state, the United States, or any other governmental
2 entity.

3 (i) The commission may accept for any of its purposes and functions
4 any and all donations and grants of money, equipment, supplies, materials
5 and services, conditional or otherwise, from any governmental entity, and
6 may utilize and dispose of the same.

7 (j) The commission may establish one or more offices for the
8 transacting of its business.

9 (k) The commission shall adopt bylaws for the conduct of its
10 business. The commission shall publish its bylaws in convenient form, and
11 shall file a copy of the bylaws and any amendments thereto with the
12 appropriate agency or officer in each of the party states.

13 (l) The commission annually shall make to the governor and
14 legislature of each party state a report covering its activities for the
15 preceding year. Any donation or grant accepted by the commission or
16 services borrowed shall be reported in the annual report of the
17 commission, and shall include the nature, amount and conditions, if any, of
18 the donation, gift, grant or services borrowed and the identity of the donor
19 or lender. The commission may make additional reports as it may deem
20 desirable.

21 (2) *Committees.* (a) To assist in the conduct of its business when the
22 full commission is not meeting, the commission shall have an executive
23 committee of seven members, including the chairman, vice-chairman,
24 treasurer and four other members elected annually by the commission. The
25 executive committee, subject to the provisions of this compact and
26 consistent with the policies of the commission, shall function as provided
27 in the laws of the commission.

28 (b) The commission may establish advisory and technical
29 committees, membership on which may include private persons and public
30 officials, in furthering any of its activities. Such committees may consider
31 any matter of concern to the commission, including problems of special
32 interest to any party state and problems dealing with particular types of
33 taxes.

34 (c) The commission may establish such additional committees as its
35 bylaws may provide.

36 (3) *Powers.* In addition to powers conferred elsewhere in this
37 compact, the commission shall have power to:

38 (a) Study state and local tax systems and particular types of state and
39 local taxes.

40 (b) Develop and recommend proposals for an increase in uniformity
41 or compatibility of state and local tax laws with a view toward
42 encouraging the simplification and improvement of state and local tax law
43 and administration.

1 (c) Compile and publish information as in its judgment would assist
2 the party states in implementation of the compact and taxpayers in
3 complying with state and local tax laws.

4 (d) Do all things necessary and incidental to the administration of its
5 functions pursuant to this compact.

6 (4) *Finance.* (a) The commission shall submit to the governor or
7 designated officer or officers of each party state a budget of its estimated
8 expenditures for such period as may be required by the laws of that state
9 for presentation to the legislature thereof.

10 (b) Each of the commission's budget of estimated expenditures shall
11 contain specific recommendations of the amounts to be appropriated by
12 each of the party states. The total amount of appropriations requested
13 under any such budget shall be apportioned among the party states as
14 follows: One-tenth in equal shares; and the remainder in proportion of the
15 amount of revenue collected by each party state and its subdivisions from
16 income taxes, capital stock taxes, gross receipts taxes, sales and use taxes.
17 In determining such amounts, the commission shall employ such available
18 public sources of information as, in its judgment, present the most
19 equitable and accurate comparisons among the party states. Each of the
20 commission's budgets of estimated expenditures and requests for
21 appropriations shall indicate the sources used in obtaining information
22 employed in applying the formula contained in this paragraph.

23 (c) The commission shall not pledge the credit of any party state. The
24 commission may meet any of its obligations in whole or in part with funds
25 available to it under paragraph (1) (i) of this article: *Provided*, That the
26 commission takes specific action setting aside such funds prior to
27 incurring any obligation to be met in whole or in part in such manner.
28 Except where the commission makes use of funds available to it under
29 paragraph (1) (i), the commission shall not incur any obligation prior to the
30 allotment of funds by the party states adequate to meet the same.

31 (d) The commission shall keep accurate accounts of all receipts and
32 disbursements. The receipts and disbursements of the commission shall be
33 subject to the audit and accounting procedures established under its
34 bylaws. All receipts and disbursements of funds handled by the
35 commission shall be audited yearly by a certified or licensed public
36 accountant and the report of the audit shall be included in and become part
37 of the annual report of the commission.

38 (e) The accounts of the commission shall be open at any reasonable
39 time for inspection by duly constituted officers of the party states and by
40 any persons authorized by the commission.

41 (f) Nothing contained in this article shall be construed to prevent
42 commission compliance with laws relating to audit or inspection of
43 accounts by or on behalf of any government contributing to the support of

1 the commission.

2 ARTICLE VII.—Uniform Regulations and Forms

3 (1) Whenever any two or more party states, or subdivisions of party
4 states, have uniform or similar provisions of law relating to an income tax,
5 capital stock tax, gross receipts tax, sales or use tax, the commission may
6 adopt uniform regulations for any phase of the administration of such law,
7 including assertion of jurisdiction to tax, or prescribing uniform tax forms.
8 The commission may also act with respect to the provisions of article IV
9 of this compact.

10 (2) Prior to the adoption of any regulation, the commission shall:

11 (a) As provided in its bylaws, hold at least one public hearing on due
12 notice to all affected party states and subdivisions thereof and to all
13 taxpayers and other persons who have made timely request of the
14 commission for advance notice of its regulation-making proceedings.

15 (b) Afford all affected party states and subdivisions and interested
16 persons an opportunity to submit relevant written data and views, which
17 shall be considered fully by the commission.

18 (3) The commission shall submit any regulations adopted by it to the
19 appropriate officials of all party states and subdivisions to which they
20 might apply. Each such state and subdivision shall consider any such
21 regulation for adoption in accordance with its own laws and procedures.

22 ARTICLE VIII.—Interstate Audits

23 (1) This article shall be in force only in those party states that
24 specifically provide therefor by statute.

25 (2) Any party state or subdivision thereof desiring to make or
26 participate in an audit of any accounts, books, papers, records or other
27 documents may request the commission to perform the audit on its behalf.
28 In responding to the request, the commission shall have access to and may
29 examine, at any reasonable time, such accounts, books, papers, records,
30 and other documents and any relevant property or stock of merchandise.
31 The commission may enter into agreements with party states or their
32 subdivisions for assistance in performance of the audit. The commission
33 shall make charges, to be paid by the state or local government or
34 governments for which it performs the service, for any audits performed
35 by it in order to reimburse itself for the actual costs incurred in making the
36 audit.

37 (3) The commission may require the attendance of any person within
38 the state where it is conducting an audit or part thereof at a time and place
39 fixed by it within such state for the purpose of giving testimony with
40 respect to any account, book, paper, document, other record, property or
41 stock of merchandise being examined in connection with the audit. If the
42 person is not within the jurisdiction, he may be required to attend for such
43 purpose at any time and place fixed by the commission within the state of

1 which he is a resident: *Provided*, That such state has adopted this article.

2 (4) The commission may apply to any court having power to issue
3 compulsory process for orders in aid of its powers and responsibilities
4 pursuant to this article and any and all such courts shall have jurisdiction
5 to issue such orders. Failure of any person to obey any such order shall be
6 punishable as contempt of the issuing court. If the party or subject matter
7 on account of which the commission seeks an order is within the
8 jurisdiction of the court to which application is made, such application
9 may be to a court in the state or subdivision on behalf of which the audit is
10 being made or a court in the state in which the object of the order being
11 sought is situated. The provisions of this paragraph apply only to courts in
12 a state that has adopted this article.

13 (5) The commission may decline to perform any audit requested if it
14 finds that its available personnel or other resources are insufficient for the
15 purpose or that, in the terms requested, the audit is impracticable of
16 satisfactory performance. If the commission, on the basis of its experience,
17 has reason to believe that an audit of a particular taxpayer, either at a
18 particular time or on a particular schedule, would be of interest to a
19 number of party states or their subdivisions, it may offer to make the audit
20 or audits, the offer to be contingent on sufficient participation therein as
21 determined by the commission.

22 (6) Information obtained by any audit pursuant to this article shall be
23 confidential and available only for tax purposes to party states, their
24 subdivisions or the United States. Availability of information shall be in
25 accordance with the laws of the states or subdivisions on whose account
26 the commission performs the audit, and only through the appropriate
27 agencies or officers of such states or subdivisions. Nothing in this article
28 shall be construed to require any taxpayer to keep records for any period
29 not otherwise required by law.

30 (7) Other arrangements made or authorized pursuant to law for
31 cooperative audit by or on behalf of the party states or any of their
32 subdivisions are not superseded or invalidated by this article.

33 (8) In no event shall the commission make any charge against a
34 taxpayer for an audit.

35 (9) As used in this article, "tax," in addition to the meaning ascribed
36 to it in article II, means any tax or license fee imposed in whole or in part
37 for revenue purposes.

38 ARTICLE IX.—Arbitration

39 (1) Whenever the commission finds a need for settling disputes
40 concerning apportionments and allocations by arbitration, it may adopt a
41 regulation placing this article in effect, notwithstanding the provisions of
42 article VII.

43 (2) The commission shall select and maintain an arbitration panel

1 composed of officers and employees of state and local governments and
2 private persons who shall be knowledgeable and experienced in matters of
3 tax law and administration.

4 (3) Whenever a taxpayer who has elected to employ article IV, or
5 whenever the laws of the party state or subdivision thereof are
6 substantially identical with the relevant provisions of article IV, the
7 taxpayer, by written notice to the commission and to each party state or
8 subdivision thereof that would be affected, may secure arbitration of an
9 apportionment or allocation, if he is dissatisfied with the final
10 administrative determination of the tax agency of the state or subdivision
11 with respect thereto on the ground that it would subject him to double or
12 multiple taxation by two or more party states or subdivisions thereof. Each
13 party state and subdivision thereof hereby consents to the arbitration as
14 provided herein, and agrees to be bound thereby.

15 (4) The arbitration board shall be composed of one person selected by
16 the taxpayer, one by the agency or agencies involved, and one member of
17 the commission's arbitration panel. If the agencies involved are unable to
18 agree on the person to be selected by them, such person shall be selected
19 by lot from the total membership of the arbitration panel. The two persons
20 selected for the board in the manner provided by the foregoing provisions
21 of this paragraph shall jointly select the third member of the board. If they
22 are unable to agree on the selection, the third member shall be selected by
23 lot from among the total membership of the arbitration panel. No member
24 of a board selected by lot shall be qualified to serve if he is an officer or
25 employee or is otherwise affiliated with any party to the arbitration
26 proceeding. Residence within the jurisdiction of a party to the arbitration
27 proceeding shall not constitute affiliation within the meaning of this
28 paragraph.

29 (5) The board may sit in any state or subdivision party to the
30 proceeding, in the state of the taxpayer's incorporation, residence or
31 domicile, in any state where the taxpayer does business, or in any place
32 that it finds most appropriate for gaining access to evidence relevant to the
33 matter before it.

34 (6) The board shall give due notice of the times and places of its
35 hearings. The parties shall be entitled to be heard, to present evidence, and
36 to examine and cross-examine witnesses. The board shall act by majority
37 vote.

38 (7) The board shall have power to administer oaths, take testimony,
39 subpoena and require the attendance of witnesses and the production of
40 accounts, books, papers, records, and other documents, and issue
41 commissions to take testimony. Subpoenas may be signed by any member
42 of the board. In case of failure to obey a subpoena, and upon application
43 by the board, any judge of a court of competent jurisdiction of the state in

1 which the board is sitting or in which the person to whom the subpoena is
2 directed may be found may make an order requiring compliance with the
3 subpoena, and the court may punish failure to obey the order as a
4 contempt. The provisions of this paragraph apply only in states that have
5 adopted this article.

6 (8) Unless the parties otherwise agree the expenses and other costs of
7 the arbitration shall be assessed and allocated among the parties by the
8 board in such manner as it may determine. The commission shall fix a
9 schedule of compensation for members of arbitration boards and of other
10 allowable expenses and costs. No officer or employee of a state or local
11 government who serves as a member of a board shall be entitled to
12 compensation therefor unless he is required on account of his service to
13 forego the regular compensation attaching to his public employment, but
14 any such board member shall be entitled to expenses.

15 (9) The board shall determine the disputed apportionment or
16 allocation and any matters necessary thereto. The determinations of the
17 board shall be final for purposes of making the apportionment or
18 allocation, but for no other purpose.

19 (10) The board shall file with the commission and with each tax
20 agency represented in the proceeding: The determination of the board; the
21 board's written statement of its reasons therefor; the record of the board's
22 proceedings; and any other documents required by the arbitration rules of
23 the commission to be filed.

24 (11) The commission shall publish the determinations of boards
25 together with the statements of the reasons therefor.

26 (12) The commission shall adopt and publish rules of procedure and
27 practice and shall file a copy of such rules and of any amendment thereto
28 with the appropriate agency or officer in each of the party states.

29 (13) Nothing contained herein shall prevent at any time a written
30 compromise of any matter or matters in dispute, if otherwise lawful, by the
31 parties to the arbitration proceeding.

32 ARTICLE X.—Entry Into Force and Withdrawal

33 (1) This compact shall enter into force when enacted into law by any
34 seven states. Thereafter, this compact shall become effective as to any
35 other state upon its enactment thereof. The commission shall arrange for
36 notification of all party states whenever there is a new enactment of the
37 compact.

38 (2) Any party state may withdraw from this compact by enacting a
39 statute repealing the same. No withdrawal shall affect any liability already
40 incurred by or chargeable to a party state prior to the time of such
41 withdrawal.

42 (3) No proceeding commenced before an arbitration board prior to the
43 withdrawal of a state and to which the withdrawing state or any

1 subdivision thereof is a party shall be discontinued or terminated by the
2 withdrawal, nor shall the board thereby lose jurisdiction over any of the
3 parties to the proceeding necessary to make a binding determination
4 therein.

5 ARTICLE XI.—Effect on Other Laws and Jurisdiction

6 Nothing in this compact shall be construed to:

7 (a) Affect the power of any state or subdivision thereof to fix rates of
8 taxation, except that a party state shall be obligated to implement article III
9 (2) of this compact.

10 (b) Apply to any tax or fixed fee imposed for the registration of a
11 motor vehicle or any tax on motor fuel, other than a sales tax: *Provided*,
12 That the definition of "tax" in article VIII (9) may apply for the purposes
13 of that article and the commission's powers of study and recommendation
14 pursuant to article VI (3) may apply.

15 (c) Withdraw or limit the jurisdiction of any state or local court or
16 administrative officer or body with respect to any person, corporation or
17 other entity or subject matter, except to the extent that such jurisdiction is
18 expressly conferred by or pursuant to this compact upon another agency or
19 body.

20 (d) Supersede or limit the jurisdiction of any court of the United
21 States.

22 ARTICLE XII.—Construction and Severability

23 This compact shall be liberally construed so as to effectuate the
24 purposes thereof. The provisions of this compact shall be severable and if
25 any phrase, clause, sentence or provision of this compact is declared to be
26 contrary to the constitution of any state or of the United States or the
27 applicability thereof to any government, agency, person or circumstance is
28 held invalid, the validity of the remainder of this compact and the
29 applicability thereof to any government, agency, person or circumstance
30 shall not be affected thereby. If this compact shall be held contrary to the
31 constitution of any state participating therein, the compact shall remain in
32 full force and effect as to the remaining party states and in full force and
33 effect as to the state affected as to all severable matters.
