AN ACT concerning taxation; enacting the food sales tax refund act; 
sunsetting the food sales tax credit; amending K.S.A. 2018 Supp. 79-
32,271 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

New Section 1. The provisions of sections 1 through 9, and
amendments thereto, shall be known and may be cited as the food sales tax
refund act.

New Sec. 2. As used in the food sales tax refund act, unless the
context clearly indicates otherwise:

(a) "Income" means adjusted gross income determined under the
Kansas income tax act without regard to the modifications specified by
K.S.A. 79-32,117(c)(i), (ii), (vii), (ix) or (xii), and amendments thereto. 
Notwithstanding the provisions of this subsection, the term "income" shall
include Kansas public employee retirement system benefits.

(b) "Household" means a claimant and all other persons for whom a
personal exemption is claimed who together occupy a common residence.

(c) "Claimant" means a person who has filed a claim for a refund or
credit under the provisions of this act and was, during the entire calendar
year preceding the calendar year in which the claim was filed for relief
under this act, domiciled in this state, had income of not more than $36,700 in the calendar year for which a claim
was filed and was: (1) A person having a disability; (2) a person other than
a person included under paragraph (1), who has attained 55 years of age in
the calendar year for which a claim is filed; or (3) a person other than a
person included under paragraph (1) or (2) having one or more dependent
children under 18 years of age residing at the person's homestead during
the calendar year for which a claim is filed.

(d) "Head of household" means the person filing a claim under the
provisions of this act.

(e) "Disability" means: (1) Inability to engage in any substantial
gainful activity by reason of any medically determinable physical or
mental impairment which can be expected to result in death or has lasted
or can be expected to last for a continuous period of not less than 12
months, and an individual shall be determined to have a disability only if
the physical or mental impairment or impairments are of such severity that
the individual is not only unable to do the individual's previous work, but
cannot, considering age, education and work experience, engage in any
other kind of substantial gainful work which exists in the national
economy, regardless of whether such work exists in the immediate area in
which the individual lives or whether a specific job vacancy exists for the
individual, or whether the individual would be hired if application was
made for work. For purposes of the preceding sentence with respect to any
individual, "work which exists in the national economy" means work
which exists in significant numbers either in the region where the
individual lives or in several regions of the country; for purposes of this
subsection, a "physical or mental impairment" is an impairment that results
from anatomical, physiological or psychological abnormalities which are
demonstrable by medically acceptable clinical and laboratory diagnostic
techniques; or
(2) blindness and inability by reason of blindness to engage in
substantial gainful activity requiring skills or abilities comparable to those
of any gainful activity in which the individual has previously engaged with
some regularity and over a substantial period of time.
(f) "Blindness" means central visual acuity of \( \frac{20}{200} \) or less in the better
eye with the use of a correcting lens. An eye which is accompanied by a
limitation in the fields of vision such that the widest diameter of the visual
field subtends an angle no greater than 20 degrees shall be considered for
the purpose of this subsection as having a central visual acuity of \( \frac{20}{200} \) or
less.

New Sec. 3. The right to file a claim for a refund under the food sales
tax refund act shall be personal to the claimant and shall not survive the
claimant's death, but such right may be exercised on behalf of a claimant
by the claimant's legal guardian, conservator or attorney-in-fact. When a
claimant dies after having filed a timely claim, the amount thereof shall be
disbursed to another member of the household as determined by the
director of taxation. If the claimant was the only member of the claimant's
household, the claim may be paid to the claimant's executor or
administrator, but if neither is appointed and qualified, the amount of the
claim may be paid upon a claim duly made to any heir at law. In the
absence of any such claim within two years of the filing of the claim, the
amount of the claim shall escheat to the state.

New Sec. 4. (a) (1) A claimant shall be entitled to a refund of
retailers' sales taxes paid upon food during the calendar year 2019 and
each year thereafter in the amount hereinafter provided. There shall be
allowed for each member of a household of a claimant having income of
$18,350 or less, an amount equal to $94. There shall be allowed for each
member of a household of a claimant having income of more than $18,350
but not more than $36,700, an amount equal to $47. There shall be allowed
for a claimant who qualifies for an additional personal exemption amount pursuant to K.S.A. 79-32,121, and amendments thereto, an additional amount of $47 or $94, as the case requires. All such claims shall be paid from the sales tax refund fund upon warrants of the director of accounts and reports pursuant to vouchers approved by the director of taxation or by a person or persons designated by the director.

(2) As an alternative to the procedure described in subsection (a)(1), for all taxable years commencing after December 31, 2018, there shall be allowed as a credit against the tax liability of a resident individual imposed under the Kansas income tax act an amount equal to $47 or $94, as the case requires, for each member of a household. There shall be allowed for a claimant who qualifies for an additional personal exemption amount pursuant to K.S.A. 79-32,121, and amendments thereto, an additional amount of $47 or $94, as the case requires. If the amount of such tax credit exceeds the claimant's income tax liability for such taxable year, such excess amount shall be refunded to the claimant.

(b) A head of household shall make application for refunds for all members of the same household upon a common form provided for the making of joint claims. All claims paid to members of the same household shall be paid as a joint claim by means of a single warrant.

(c) No claim for a refund of taxes under the provisions of the food sales tax refund act shall be paid or allowed unless such claim is actually filed with and in the possession of the department of revenue on or before April 15 of the year next succeeding the year in which such taxes were paid. The director of taxation may: (1) Extend the time for filing any claim under the provisions of this act when good cause exists therefor; or (2) accept a claim filed after the deadline for filing in the case of sickness, absence or disability of the claimant if such claim has been filed within four years of such deadline.

(d) In the case of all tax years commencing after December 31, 2018, the threshold income amounts prescribed in this section and section 2(c), and amendments thereto, and the amounts of refund of taxes and the amounts of the tax credit, both as prescribed in this section, shall be increased by an amount equal to such threshold amount multiplied by the cost-of-living adjustment determined under section 1(f)(3) of the federal internal revenue code for the calendar year in which the taxable year commences.

New Sec. 5. (a) In administering the food sales tax refund act, the division of taxation shall make available suitable forms with instructions for claimants. Copies of such forms shall also be made available to all county clerks and county treasurers in sufficient numbers to supply claimants residing in their respective counties. It shall be the duty of the county clerk to assist any claimant seeking assistance in the filing of a
claim under the provisions of this act. The county treasurer of each county shall mail to each taxpayer with the property tax statement of such taxpayer information on the claiming of a refund of retailers’ sales taxes paid upon food, which shall be provided by the secretary of revenue.

(b) The secretary of revenue is hereby authorized to adopt such rules and regulations as may be necessary for the administration of the provisions of this act.

New Sec. 6. Every claimant for the refund of taxes under the provisions of the food sales tax refund act shall supply to the division of taxation in support of a claim, a valid social security number issued by the social security administration for each claimant, every household member and every dependent child, a clear statement as to whether such claimant qualifies for a refund under the provisions of section 2, and amendments thereto, reasonable proof of age or disability and household income. A claim alleging disability shall be supported by a report of the examining physician of the claimant with a statement or certificate that the applicant has a disability within the meaning of section 2, and amendments thereto.

New Sec. 7. In any case in which it is determined that a claim was filed with fraudulent intent, the claim shall be disallowed, and, if the claim has been paid, the amount paid may be recovered by assessment as income taxes are assessed, and such assessment shall bear interest from the date of payment of the claim, until recovered, at the rate prescribed by K.S.A. 79-2968(a), and amendments thereto. The claimant in such case, and any person who assisted in the preparation or filing of such claim or supplied information upon which such claim was prepared, with fraudulent intent, shall be guilty of a class B misdemeanor.

New Sec. 8. No claim for refund under the provisions of sections 1 through 9, and amendments thereto, shall be allowed any claimant who fails to provide a valid social security number issued by the social security administration for the claimant, every household member and every dependent child.

New Sec. 9. The director of taxation shall examine all claims for refund under the provisions of sections 1 through 9, and amendments thereto, and shall issue final determinations thereon in the manner prescribed by K.S.A. 79-3226, and amendments thereto, relating to income taxes.

Sec. 10. K.S.A. 2018 Supp. 79-32,271 is hereby amended to read as follows: 79-32,271. (a) For any taxable year commencing after December 31, 2014, and ending prior to January 1, 2019, a credit shall be allowed against the tax imposed by the Kansas income tax act on the Kansas taxable income of an individual income taxpayer who purchased food in this state, had federal adjusted gross income for the tax year that did not exceed $30,615, and meets the qualifications in subsections (b) and (c).
(b) During the entire tax year a taxpayer filing single, head of household, or married filing separate, or the taxpayer and the taxpayer's spouse if married filing jointly, must be domiciled in this state. For purposes of this credit, "domicile" shall not include any correctional facility, or portion thereof, as defined in K.S.A. 75-5202, and amendments thereto, any juvenile correctional facility, or portion thereof, as defined in K.S.A. 38-2302, and amendments thereto, any correctional facility of the federal bureau of prisons located in the state of Kansas, or any city or county jail facility in the state of Kansas.

(c) During the entire tax year a taxpayer filing single, head of household, or married filing separate, or the taxpayer or the taxpayer's spouse if married filing jointly, must be either: (1) A person having a disability, regardless of age; (2) a person without a disability who is 55 years of age or older; or (3) a person without a disability who is younger than 55 years of age who claims an exemption for one or more dependent children under 18 years of age.

(d) The amount of the credit shall be $125 for every exemption claimed on the taxpayer's federal income tax return, except that no exemption shall be counted for a dependent unless the dependent is a child under 18 years of age.

(e) The credit allowed under this provision shall be applied against the taxpayer's income tax liability after all other credits allowed under the income tax act. It shall not be refundable and may not be carried forward.

(f) (1) Every taxpayer claiming the credit shall supply the division in support of a claim, reasonable proof of domicile, age and disability.

(2) A claim alleging disability shall be supported by a report of the examining physician of the claimant with a statement or certificate that the applicant has a disability as defined in subsection (g).

(g) "Disability" means: (1) Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, and an individual shall be determined to be under a disability only if the physical or mental impairment or impairments are of such severity that the individual is not only unable to do the individual's previous work but cannot, considering age, education and work experience, engage in any other kind of substantial gainful work which exists in the national economy, regardless of whether such work exists in the immediate area in which the individual lives or whether a specific job vacancy exists for the individual, or whether the individual would be hired if application was made for work. For purposes of this paragraph, with respect to any individual, "work which exists in the national economy" means work which exists in significant numbers either in the region where the
individual lives or in several regions of the country; and "physical or
mental impairment" means an impairment that results from anatomical,
physiological or psychological abnormalities which are demonstrable by
medically acceptable clinical and laboratory diagnostic techniques; or

(2) blindness and inability by reason of blindness to engage in
substantial gainful activity requiring skills or abilities comparable to those
of any gainful activity in which the individual has previously engaged with
some regularity and over a substantial period of time. For purposes of this
paragraph, "blindness" means central visual acuity of $20/200$ or less in the
better eye with the use of a correcting lens. An eye which is accompanied
by a limitation in the fields of vision such that the widest diameter of the
visual field subtends an angle no greater than 20 degrees shall be
considered for the purpose of this paragraph as having a central visual
acuity of $20/200$ or less.

(h) The secretary of revenue is hereby authorized to adopt such rules
and regulations as may be necessary for the administration of the
provisions of this section.

Sec. 11. K.S.A. 2018 Supp. 79-32,271 is hereby repealed.

Sec. 12. This act shall take effect and be in force from and after its
publication in the statute book.
