AN ACT concerning food products; relating to the Kansas food, drug and cosmetic act; regulating the sale and distribution of kratom products; amending K.S.A. 65-656 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 65-656 is hereby amended to read as follows: 65-656. For the purpose of this act:

(a) "Secretary" means the secretary of agriculture or the secretary's authorized representatives.

(b) "Person" means an individual, partnership, governmental entity, corporation, or association of persons.

(c) "Food" means: (1) Articles used for food or drink for humans or other animals; (2) chewing gum; and (3) articles used for components of any such article.

(d) "Drug" means: (1) Articles recognized in the official United States pharmacopoeia, official homeopathic pharmacopoeia of the United States, or official national formulary, or any supplement to any of them; (2) articles intended for use in diagnosis, cure, mitigation, treatment or prevention of disease in humans or other animals; (3) articles, other than food, intended to affect the structure or any function of the body of humans or other animals; and (4) articles intended for use as a component of any article specified in paragraph (1), (2), or (3), but does not include devices or their components, parts or accessories. The term "drug" shall not include amygdalin (laetrile).

(e) "Device," except as used in subsection (j) of K.S.A. 65-657(j), subsection (f) of K.S.A. 65-665(f), subsections (c) and (o) of K.S.A. 65-669(c) and (o), and subsection (e) of K.S.A. 65-671(c), and amendments thereto, means instruments, apparatus and contrivances, including their components, parts and accessories, intended for use in the diagnosis, cure, mitigation, treatment, or prevention of disease in humans or other animals or to affect the structure or any function of the body of humans or other animals.

(f) "Cosmetic" means: (1) Articles intended to be rubbed, poured, sprinkled, or sprayed on, introduced into, or otherwise applied to the human body or any part thereof for cleaning, beautifying, promoting attractiveness or altering appearance; and (2) articles intended for use as a
component of any such articles, except that such term shall not include soap.

(g) "Official compendium" means the official United States pharmacopoeia, official homeopathic pharmacopoeia of the United States, official national formulary or any supplement to any of them.

(h) "Label" means a display of written, printed or graphic matter upon the immediate container of any article; and a requirement made by or under authority of this act that any word, statement, or other information appearing on the label shall not be considered to be complied with unless such word, statement, or other information also appears on the outside container or wrapper, if any there be, of the retail package of such article, or is easily legible through the outside container or wrapper.

(i) "Immediate container" does not include package liners.

(j) "Labeling" means all labels and other written, printed or graphic matter upon an article or any of its containers or wrappers or accompanying such article.

(k) "Advertisement" means all representations disseminated in any manner or by any means other than by labeling, for the purpose of inducing, or which are likely to induce, directly or indirectly, the purchase of food, drugs, devices or cosmetics.

(l) "New drug" means: (1) Any drug the composition of which is such that such drug is not generally recognized, among experts qualified by scientific training and experience to evaluate the safety and effectiveness of drugs, as safe and effective for use under the conditions prescribed, recommended, or suggested in the labeling thereof; or (2) any drug the composition of which is such that such drug, as a result of investigations to determine its safety and effectiveness for use under such conditions, has become so recognized, but which that has not, otherwise than in such investigations, been used to a material extent or for a material time under such conditions. The term "new drug" shall not include amygdalin (laetrile).

(m) "Contaminated with filth" applies to any food, drug, device or cosmetic not securely protected from dust, dirt, and as far as may be necessary by all reasonable means, from all foreign or injurious contaminations.

(n) "Pesticide chemical" means any substance— which that, alone, in chemical combination, or in formulation with one or more other substances is a "pesticide" within the meaning of the agricultural chemicals act, K.S.A. 2-2202, and amendments thereto, and which that is used in the production, storage or transportation of raw agricultural commodities.

(o) "Raw agricultural commodity" means any food in its raw or natural state, including all fruits that are washed, colored, or otherwise
treated in their unpeeled natural form prior to marketing.

(p) "Food additive" means any substance, the intended use of which results or may be reasonably expected to result, directly or indirectly, in its becoming a component or otherwise affecting the characteristics of any food, including any substance intended for use in producing, manufacturing, packing, processing, preparing, treating, packaging, transporting, or holding food; and including any source of radiation intended for any such use, if such substance is not generally recognized, among experts qualified by scientific training and experience to evaluate its safety, as having been adequately shown through scientific procedures, or, in the case of a substance used in a food prior to January 1, 1958, through either scientific procedures or experience based on common use in food, to be safe under the conditions of its intended use. "Food additive" does not include: (1) A pesticide chemical in or on a raw agricultural commodity; (2) a pesticide chemical to the extent that it is intended for use or is used in the production, storage, or transportation of any raw agricultural commodity; (3) a color additive; or (4) any substance used in accordance with a sanction or approval granted prior to the enactment of the food additive amendment of 1958, pursuant to the federal act.

(q) (1) "Color additive" means a material which: (A) Is a dye, pigment, or other substance made by a process of synthesis or similar artifice, or extracted, isolated, or otherwise derived, with or without intermediate or final change of identity from a vegetable, animal, mineral, or other source; or (B) when added or applied to a food, drug or cosmetic, or to the human body or any part thereof, is capable, alone or through reaction with another substance, of imparting color thereto; except that such. The term "color additive" does not include any material which that has been or hereafter is exempted under the federal act.

(2) The term "color" includes black, white and intermediate grays.

(3) Nothing in this subsection shall be construed to apply to any pesticide chemical, soil or plant nutrient, or other agricultural chemical solely because of its effect in aiding, retarding or otherwise affecting, directly or indirectly, the growth or other natural physiological process of produce of the soil and thereby affecting its color, whether before or after harvest.

(r) "Imitation" means any article made in the semblance of another, consisting of similar or dissimilar ingredients and being capable of being substituted for the imitated article without the knowledge of the consumer.

(s) "Federal act" means the federal food, drug and cosmetic act, title 21 U.S.C. § 301 et seq., 52 Stat. 1040 et seq.

(t) "Department" means the Kansas department of agriculture.

(u) "Distribution" means the provision of food, drug, cosmetic or device to another person and includes selling, offering for sale, giving,
supplying, transporting, applying and dispensing.

(v) "Food establishment" means any place in which food is prepared, served or offered for sale or service on the premises or elsewhere. "Food establishment" does not include roadside markets that offer only whole fresh fruits, nuts and vegetables for sale. "Food establishment" includes, but is not limited to:

(1) Eating or drinking establishments, fixed or mobile restaurants, coffee shops, cafeterias, short-order cafes, luncheonettes, tea rooms, grills, sandwich shops, soda fountains, taverns, private clubs, roadside stands, industrial-feeding establishments, catering kitchens, commissaries and any other private, public or nonprofit organizations routinely serving food; and

(2) grocery stores, convenience stores, bakeries and locations where food is provided for the public with or without charge.

(w) "Food processing plant" means a commercial operation that processes or stores food for human consumption and provides food for distribution to other business entities at other locations, including other food processing plants and food establishments. "Food processing plant" does not include any operation or individual beekeeper that produces and distributes honey to other business entities if the producer does not process the honey beyond extraction from the comb.

(x) "Food vending machine" means any self-service device, that upon payment, dispenses unit servings of food, either in bulk or in packages. Such device shall not necessitate replenishing between each vending operation. "Food vending machine" does not include any vending machine dispensing only canned or bottled soft drinks or prepackaged food that does not require temperature control for safety.

(y) "Food vending machine company" means any person in the business of operating and servicing food vending machines.

(z) "Location" means a physical address, or absent an address, the geographical area within 300 feet of a food establishment or food processing plant. In the case of a mobile food establishment housed in a trailer, such trailer shall be considered a food establishment with its own location. In the case of a mobile food establishment that is not housed in a trailer, the equipment used for storage, preparation or offering of food shall be considered a food establishment with its own location.

(aa) "Municipality" means any city or county of this state.

(bb) "Processing" means the handling of a food, drug, cosmetic or device, including the production, manufacturing, packaging, packing and labeling of such item.

(cc) "Sample" means a small quantity of food and does not include a meal or entree.

(dd) "Storage" means holding for distribution or processing.

(ee) "Kratom dealer" means a person that manufactures, sells,
prepares, produces, distributes or maintains kratom products, or
advertises or represents that such person manufactures, sells, prepares,
produces, distributes or maintains kratom products, including, but not
limited to, a manufacturer, wholesaler, retail store, restaurant, hotel,
catering facility, camp, bakery, delicatessen, grocery store, convenience
store or nursing home.

(ff) "Kratom product" means a food containing any part of the plant
mitragyna speciosa.

New Sec. 2. The provisions of sections 2 through 10, and
amendments thereto, shall be a part of and supplemental to the Kansas
food, drug and cosmetic act.

New Sec. 3. (a) The secretary shall adopt rules and regulations
establishing fees for the issuance of annual kratom dealer licenses and for
other necessary expenses to defray the cost of implementing and enforcing
the provisions of this act.

(b) All moneys received as fees pursuant to this section shall be
remitted to the state treasurer at least monthly. Upon receipt of each such
remittance, the state treasurer shall deposit the entire amount in the state
treasury to the credit of the food safety fee fund. All expenditures from the
food safety fee fund shall be made in accordance with appropriation acts
upon warrants of the director of accounts and reports issued pursuant to
vouchers approved by the secretary or the secretary's designee.

New Sec. 4. (a) Applications for kratom dealer licenses shall be made
in such form and manner as prescribed by the secretary and shall be
accompanied by the required application and license fees.

(b) Each kratom dealer license application that involves the retail sale
or wholesale distribution of kratom products, but that does not include the
production, manufacture, packaging or labeling of kratom products, shall
be approved upon submission of a complete application and timely
payment of the prescribed fees.

(c) Each kratom dealer application that involves the production,
manufacture, packaging or labeling of kratom products shall be approved
by the secretary upon submission of a complete application, timely
payment of the prescribed fees and completion of a successful inspection
of the premises described in the application.

(d) A kratom dealer license issued under this act shall apply only to
the premises described in the application and in the license issued thereon,
and only one location shall be described in each license. A kratom dealer
license shall be in addition to any other license, permit or registration
required under the Kansas food, drug and cosmetic act, or under any other
state or federal law.

(e) Every kratom dealer license shall be displayed conspicuously in
the licensed premises for which it is issued, and no such license shall be
transferable to any other person or location. Whenever any such license is
lost, destroyed or mutilated, a duplicate license shall be issued to any
otherwise qualified licensee upon application therefor and the payment of
a fee in the amount of $5.

(f) Except as otherwise provided in this section, a kratom dealer
license shall expire on March 31 following the date of issuance. Licenses
may be renewed by applying to the secretary on or before the expiration
date. An application for renewal of a license shall be made in such form
and manner as prescribed by the secretary and shall be accompanied by the
required application and license fees.

(g) If the secretary denies the issuance or renewal of any license, the
secretary shall give written notice thereof to the licensee. Such written
notice shall specify the changes necessary for complete compliance with
the provisions of this act and all rules and regulations adopted thereunder,
and the secretary shall state that if compliance is achieved within the time
designated in such notice, then the license shall be issued or renewed. If
the licensee fails to achieve complete compliance within the prescribed
time period, the secretary, after notice and an opportunity for a hearing in
accordance with the Kansas administrative procedure act, shall deny the
application for such license, or the renewal thereof.

New Sec. 5. (a) The secretary shall inspect or cause to be inspected
the premises of every licensed kratom dealer. If upon inspection, the
secretary determines that such licensed premises does not comply with the
provisions of this act or the rules and regulations adopted thereunder, the
secretary shall give written or electronic notice to the owner, proprietor or
agent in charge of such licensed premises and may allow for correction
within 10 days or provide for any other civil remedy established by this act
and rules and regulations adopted thereunder.

(b) The secretary shall have access at all reasonable hours to any
location in which kratom products are manufactured, sold, prepared,
produced, distributed, maintained or advertised, and to enter any vehicle
being used to transport or hold kratom products in commerce for the
following purposes:

(1) To inspect any location, products or equipment subject to the
provisions of this act and rules and regulations adopted thereunder;
(2) to inspect or sample any kratom product reported to be
adulterated, misbranded or a threat to public health;
(3) to inspect or investigate complaints of violations of the provisions
of this act and rules and regulations adopted thereunder;
(4) to inspect the records concerning the place of origin or the sale of
any kratom product;
(5) to open any package containing or suspected of containing any
kratom product that is exposed or offered for sale; and
(6) to take samples of the contents of any kratom product for examination.

(c) If the secretary is denied access to any location where such access is sought for the purposes provided in subsections (a) and (b), the secretary may apply to any court of competent jurisdiction for a search warrant authorizing access to such location for such purpose. Upon such application and a showing of cause therefor, the court shall issue such search warrant.

New Sec. 6. (a) The secretary, or a duly authorized representative of the secretary, shall inspect and sample kratom products at such time and in such places and to such extent as the secretary or such authorized representative of the secretary considers advisable. The secretary, or a duly authorized representative of the secretary, may stop further sale or movement of any kratom products found to be in violation of any of the provisions of this act, any rules and regulations adopted thereunder or any orders issued thereunder. It shall be the duty of the secretary, or a duly authorized representative of the secretary, to:

(1) Enforce and administer the provisions of this act; and

(2) sample, inspect, make analysis of and test kratom products transported, sold, offered for sale or exposed for sale within the state at such time and place and to such extent as considered necessary by the secretary to determine whether such kratom products are in compliance with the provisions of this act and rules and regulations adopted thereunder.

(b) (1) In addition to any action taken pursuant to K.S.A. 65-660, and amendments thereto, the secretary may issue and enforce a written or printed "stop sale" order to the owner or custodian of any kratom product that the secretary, or a duly authorized representative of the secretary, determines to be in violation of any of the provisions of this act or any rules and regulations adopted thereunder.

(2) Except as otherwise approved by the secretary, any "stop sale" order shall prohibit further sale, processing and movement of the kratom product that is subject to such order until the secretary is provided evidence of compliance with the provisions of this act or rules and regulations adopted thereunder and a release from the "stop sale" order of such kratom product is issued.

(c) (1) If the secretary finds that the public health or safety is endangered by the continued operation of a kratom dealer, the secretary may temporarily suspend the license of such kratom dealer or order the temporary closure of such kratom dealer's licensed premises without notice or hearing in accordance with the emergency provisions of the Kansas administrative procedure act.

(2) A temporary suspension of a license or temporary closure order
issued under this section shall not be effective for more than 90 days. Upon the expiration of any such suspension or order, the licensee shall be reinstated to full licensure or allowed to reopen unless the secretary has denied, suspended or revoked such licensee's kratom dealer license, obtained an injunction against such licensee or the license has expired as otherwise provided under section 4, and amendments thereto, or any rules and regulations or orders issued thereunder.

(d) The secretary, after providing notice and opportunity for a hearing in accordance with the provisions of the Kansas administrative procedure act, may deny, suspend, modify, revoke or refuse to renew any license if the secretary determines that such applicant or licensee has:

(1) Been convicted of or pleaded guilty to a criminal violation of any provision of section 8, and amendments thereto, or any other provision of the Kansas food, drug and cosmetic act;

(2) failed to comply with any provision or requirement of this act or any rules and regulations or orders adopted or issued thereunder;

(4) interfered with the secretary's ability to carry out inspections or the administration of this act or any rules and regulations adopted thereunder; or

(5) denied the secretary access to any premises required to be inspected under the provisions of this act or any rules and regulations adopted thereunder.

New Sec. 7. (a) In addition to any other corrective actions ordered, the secretary, after providing notice and an opportunity for a hearing in accordance with provisions of the Kansas administrative procedure act, may impose a civil penalty in an amount not to exceed $1,000 per violation of this act or any rules and regulations or orders adopted or issued thereunder. In the case of a continuing violation, each day such violation continues shall be deemed a separate violation. Such civil penalty may be assessed in addition to any other penalty provided by law.

(b) Any person aggrieved by an order of the secretary as provided in subsection (a) may appeal such order to the district court in the manner provided by the Kansas judicial review act.

(c) Any penalty recovered pursuant to the provisions of subsection (a) shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the compliance education fee fund of the department of agriculture.

New Sec. 8. (a) It shall be unlawful for any person to manufacture, sell, prepare, produce, distribute, maintain, advertise or represent that such person manufactures, sells, prepares, produces, distributes, maintains or advertises kratom products without a license issued pursuant to this act.
(b) It shall be unlawful for any kratom dealer to manufacture, sell, prepare, produce, distribute, sell or otherwise provide any kratom product that is adulterated as described in K.S.A. 65-664, and amendments thereto.

c) In addition to any adulteration as described in K.S.A. 65-664, and amendments thereto, kratom products shall also be considered adulterated if such products contain:

(1) A level of 7-hydroxymitragynine in the alkaloid fraction that is greater than 2% of the alkaloid composition of such product; or

(2) any synthetic alkaloids including synthetic mitragynine, synthetic 7-hydroxymitragynine or any other synthetically derived compounds of the kratom plant.

d) It shall be unlawful for any kratom dealer to manufacture, sell, prepare, produce, distribute, or otherwise provide any kratom product that is misbranded as described in K.S.A. 65-665, and amendments thereto. A kratom product shall be deemed misbranded if the label does not state the amount of mitragynine and 7-hydroxymitragynine contained in such product.

e) It shall be unlawful for any kratom dealer to distribute, sell or otherwise provide any kratom product to an individual under 18 years of age.

(f) Violation of this section is a class C misdemeanor.

New Sec. 9. An advertisement for a kratom product shall be deemed a false claim if the advertisement is false or misleading in any particular aspect of such product, including, but not limited to, representing such kratom product to have unproven medical or health benefits.

New Sec. 10. The secretary shall adopt rules and regulations for the administration and enforcement of sections 2 through 9, and amendments thereto, including, but not limited to, the format, size and placement of labels, and the information required to be included on such labels, all fees necessary for carrying out the provisions of sections 2 through 9, and amendments thereto, all safety and sanitary standards required and any other provisions necessary to effectuate this act.

Sec. 11. K.S.A. 65-656 is hereby repealed.

Sec. 12. This act shall take effect and be in force from and after its publication in the statute book.
