By Committee on Federal and State Affairs

3-25

AN ACT concerning administrative rules and regulations; relating to
review by the director of the budget; amending K.S.A. 2018 Supp. 77-
416 and 77-420 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2018 Supp. 77-416 is hereby amended to read as
follows: 77-416. (a) Every state agency shall file with the secretary of state
every rule and regulation adopted by it and every amendment and
revocation thereof in the manner prescribed by the secretary of state. Each
rule and regulation shall include a citation to the statutory section or
sections being implemented or interpreted and a citation of the authority
pursuant to which it, or any part thereof, was adopted. Every rule and
regulation filed in the office of the secretary of state shall be accompanied
by a copy of the economic impact statement required by subsection (b) and
a copy of the environmental benefit statement if required by subsection
(d). A copy of any document adopted by reference in a rule and regulation
shall be available from the state agency that adopted the rule and
regulation upon request by any person interested therein. The state agency,
under the direction of the secretary of state, shall number each section with
a distinguishing number and, in making a compilation of the rules and
regulations, the sections shall be arranged in numerical order. A decimal
system of numbering shall be prohibited.

(b) (1) At the time of drafting a proposed rule and regulation or
amendment to an existing rule and regulation, the state agency shall
consider the economic impact of the proposed rule and regulation. The
state agency shall prepare an economic impact statement that shall include:

(A) An analysis, brief description, and cost and benefit quantification
of the proposed rules and regulations and what is intended to be
accomplished by their adoption. If the approach chosen by the Kansas
agency to address the policy issue is different from that utilized by
agencies of contiguous states or of the federal government, the economic
impact statement shall include an explanation of why the Kansas agency's
rule and regulation differs;

(B) whether the proposed rule and regulation is mandated by federal
law as a requirement for participating in or implementing a federally
subsidized or assisted program and whether the proposed rules and

regulations exceed the requirements of applicable federal law;

(C) an analysis specifically addressing the following factors:

(i) The extent to which the rule and regulation will enhance or restrict
business activities and growth;

(ii) the economic effect, including a detailed quantification of
implementation and compliance costs, on the specific businesses, business
sectors, public utility ratepayers, individuals and local governmental units
that will be affected by the proposed rule and regulation and on the state
economy as a whole;

(iii) the businesses that would be directly affected by the proposed
rule and regulation;

(iv) the benefits of the proposed rule and regulation compared to the
cost;

(v) measures taken by the agency to minimize the cost and impact of
the proposed rule and regulation on business and economic development
within the state of Kansas, local government and individuals; and

(vi) an estimate, expressed as a single dollar figure, of the total annual
implementation and compliance costs that are reasonably expected to be
incurred by or passed along to businesses, local governmental units or
members of the public and a determination of whether those costs will
exceed $3,000,000 over any two-year period; and

(vii) an estimate of the total implementation and compliance costs
that are reasonably expected to be incurred by or passed along to
businesses, local governmental units and individuals as a result of the
proposed rule, expressed as a single dollar figure.

(2) The state agency shall consult with the league of Kansas
municipalities, Kansas association of counties and the Kansas association
of school boards, as appropriate, when preparing the economic impact
statement of a proposed rule and regulation which increases or decreases
revenues of cities, counties or school districts or imposes functions or
responsibilities on cities, counties or school districts that will increase their
expenditures or fiscal liability. The agency shall consult and solicit
information from businesses, business associations, local governmental
units, state agencies or institutions and members of the public that may be
affected by the proposed rule and regulation or that may provide relevant
information.

(3) As required pursuant to the provisions of K.S.A. 77-420(d), and
amendments thereto, the state agency shall reevaluate and, when
necessary, update the economic impact statement when directed to do so
by the director of the budget and, if approved by the director of the budget,
shall submit the revised economic impact statement at the time of filing a
rule and regulation with the secretary of state. If a public hearing was held
prior to the adoption of the rule and regulation, a state agency at the time
of filing a rule and regulation with the secretary of state shall include as a part of the economic impact statement a statement specifying the time and place at which the hearing was held and the attendance at the hearing. A copy of the current economic impact statement shall be available from the state agency upon request by any party interested therein.

(c) Pursuant to the provisions of K.S.A. 77-420, and amendments thereto, the director of the budget shall review the economic impact statement prepared by any state agency and shall prepare a supplemental or revised statement and an independent analysis by the director of the budget of the cost and the factors as set forth in subsection (b)(1)(A) and (C) and subsection (e). If possible, the supplemental or revised statement shall include a reliable estimate in dollars of the anticipated change in revenues and expenditures of the state. It also shall include a statement, if determinable or reasonably foreseeable, of the immediate and long-range economic impact of the rule and regulation upon persons subject thereto, small employers and the general public. If, after careful investigation, it is determined that no dollar estimate is possible, the statement shall set forth the reasons why no dollar estimate can be given. Every state agency is directed to cooperate with the division of the budget in the preparation of any statement pursuant to this subsection when, and to the extent, requested by the director of the budget. The director of the budget shall follow the procedures set forth in K.S.A. 77-420, and amendments thereto, in evaluating and accepting or rejecting the proposed rule and regulation. No agency shall submit a rule and regulation to the secretary of state for filing before receiving the approval of the director of the budget as provided in this subsection and K.S.A. 77-420, and amendments thereto.

(d) At the time of drafting a proposed environmental rule and regulation or amendment to an existing environmental rule and regulation, the state agency shall consider the environmental benefit of such proposed rule and regulation or amendment. Prior to giving notice of a hearing on a proposed rule and regulation, the state agency shall prepare an environmental benefit statement that shall include a description of the need for and the environmental benefits that will likely accrue as the result of the proposed rule and regulation or amendment. The description shall summarize, when applicable, research indicating the level of risk to the public health or the environment being removed or controlled by the proposed rule and regulation or amendment. When specific contaminants are to be controlled by the proposed rule and regulation or amendment, the description shall indicate the level at which the contaminants are considered harmful according to currently available research. The state agency may consult with other state agencies when preparing the environmental benefit statement. The state agency shall reevaluate and, when necessary, update the statement at the time of filing a rule and
regulation with the secretary of state. A copy of the current environmental
benefit statement shall be available from the state agency upon request by
any party interested therein.

(e) In addition to the requirements of subsection (b), the economic
impact statement for all environmental rules and regulations shall include:

(1) A description of the capital and annual costs of compliance with
the proposed rules and regulations, and the persons who will bear those
costs;
(2) a description of the initial and annual costs of implementing and
enforcing the proposed rules and regulations, including the estimated
amount of paperwork, and the state agencies, other governmental agencies
or other persons or entities who will bear the costs;
(3) a description of the costs that would likely accrue if the proposed
rules and regulations are not adopted, the persons who will bear the costs
and those who will be affected by the failure to adopt the rules and
regulations; and
(4) a detailed statement of the data and methodology used in
estimating the costs used in the statement.

(f) In 2021, the legislative post audit committee shall direct the
legislative division of post audit to conduct an audit to study:

(1) The accuracy of economic impact statements submitted by state
agencies pursuant to this section for the immediately preceding seven
years;
(2) the impact the review by the director of the budget has had on the
accuracy of economic impact statements submitted by state agencies
pursuant to this section; and
(3) whether the $3,000,000 cost figure is the appropriate amount of
economic impact to trigger the hearing procedure required by K.S.A. 77-
420(a), and amendments thereto.

Sec. 2. K.S.A. 2018 Supp. 77-420 is hereby amended to read as
follows: 77-420. (a) (1) Except as further provided by this subsection,
every rule and regulation proposed to be adopted by any state agency,
before being submitted to the secretary of administration and the attorney
general as required by this section, shall be submitted with the economic
impact statement for the rule and regulation required by K.S.A. 77-416,
and amendments thereto, to the director of the budget for review of the
accuracy and completeness of the agency's economic impact statement.
The director of the budget shall make an independent determination of the
amount of implementation and compliance costs reasonably expected to be
incurred by or passed along to businesses, local government and
individuals over any two year period as a result of the proposed rule and
regulation and shall conduct an independent analysis of the factors set
forth in K.S.A. 77-416(b)(1)(A) and (C) and (e), and amendments thereto.
Every rule and regulation approved requiring approval by the director of the budget shall be stamped as approved, and the date of approval shall be indicated.

(A) approve the rule and regulation if the director independently determines that the economic impact statement is accurate, demonstrates a complete analysis as required by K.S.A. 77-416(b)(1)(A) and (C) and (e), and amendments thereto, and the director concurs with the economic impact statement; or

(B) disapprove the proposed rule and regulation.

(4) If an agency is proposing a rule and regulation because of a federal mandate as described in K.S.A. 77-416(b)(1)(B), and amendments thereto, the agency shall provide a copy of the economic impact statement to the director, but the director shall not be required to review or approve the proposed rule and regulation, regardless of the implementation and compliance cost of the proposed rule and regulation.

(5) For the purposes of this subsection, the implementation and compliance cost shall be calculated from the effective date of the rule and regulation by subtracting the estimated cost savings from the total implementation and compliance cost, resulting in the net implementation and compliance cost.

(b) The director of the budget shall submit an annual report to the legislature and to the joint committee on administrative rules and regulations on the first day of the 2019 regular legislative session and subsequent regular legislative sessions on all rules and regulations
approved or denied by the director. The attorney general shall promptly furnish an opinion as to the legality of the proposed rule and regulation so submitted. Every rule and regulation submitted to the attorney general under this subsection shall be accompanied by a copy of any document which is adopted by reference by the rule and regulation. Every rule and regulation approved by the attorney general under this subsection shall be stamped as approved and the date of such approval shall be indicated therein.
