(c) "Treatment" means the selection and performance of those therapeutic measures essential to effective execution and management of the nursing regimen, and any prescribed medical regimen patient's healthcare, determined by the nurse's level of education.

(d) Practice of nursing. (1) The practice of professional nursing as performed by a registered professional nurse for compensation or gratuitously, except as permitted by K.S.A. 65-1124, and amendments thereto, means the process in which substantial specialized knowledge derived from the biological, physical, and behavioral sciences is applied to: the: Care, diagnosis, treatment, counsel and health teaching of persons who are experiencing changes in the normal health processes or who require assistance in the maintenance of health or the prevention or management of illness, injury or infirmity; administration, supervision or teaching of the process as defined in this section; and the execution of the medical treatment regimen as prescribed by a person licensed to practice
medicine and surgery—or a person licensed to practice dentistry or a person licensed to practice advanced practice registered nursing.

(2) The practice of nursing as a licensed practical nurse means the performance for compensation or gratuitously, except as permitted by K.S.A. 65-1124, and any amendments thereto, of tasks and responsibilities defined in paragraph (1), which tasks and responsibilities are based on acceptable educational preparation within the framework of supportive and restorative care under the direction of a registered professional nurse, a person licensed to practice medicine and surgery or a person licensed to practice dentistry.

(3) The practice of professional nursing as an advanced practice registered nurse as defined in subsection (g) within the APRN role means, in addition to the practice and responsibilities of professional nursing as defined in paragraph (1): Conducting an advanced assessment; ordering and interpreting diagnostic procedures; establishing primary and differential diagnoses; prescribing, ordering, administering and furnishing therapeutic measures as set forth by the board; delegating and assigning therapeutic measures to assistive personnel; collaborating and consulting with physicians and other healthcare providers; providing referrals to healthcare providers, agencies and community resources; and other acts that require education and training consistent with the professional standards and commensurate with the APRN's education, certification, demonstrated competencies and experience.

(e) A "professional nurse" means a person who is licensed to practice professional nursing as defined in subsection (d)(1).

(f) A "practical nurse" means a person who is licensed to practice practical nursing as defined in subsection (d)(2).

(g) "Advanced practice registered nurse" or "APRN" means a professional nurse who holds a license from the board to function practice advanced practice registered nursing as defined in subsection (d)(3) as a professional nurse in an advanced role, and this advanced role may be further defined by rules and regulations consistent with the Kansas nurse practice act adopted by the board in accordance with K.S.A. 65-1130, and amendments thereto.

(h) "Continuing nursing education" means learning experiences intended to build upon the educational and experiential bases of the registered professional and licensed practical nurse for the enhancement of practice, education, administration, research or theory development to the end of improving the health of the public.

(i) "Collaboration" means the process in which two or more healthcare professionals work together to meet the healthcare needs of a patient, as warranted by the patient.

(j) "Consultation" means the process in which an advanced practice
registered nurse who maintains primary management responsibility for a patient's care seeks advice or opinion of a physician or another member of the healthcare team.

Sec. 2. K.S.A. 65-1130 is hereby amended to read as follows: 65-1130. (a) No professional nurse shall announce or represent to the public that such person is an advanced practice registered nurse unless such professional nurse has complied with requirements established by the board and holds a valid license as an advanced practice registered nurse in accordance with the provisions of this section.

(b) (1) The board shall establish standards and requirements for any professional nurse who desires to obtain licensure as an advanced practice registered nurse. Such standards and requirements shall include, but not be limited to, standards and requirements relating to the education of advanced practice registered nurses. The board may give such examinations and secure such assistance as it deems necessary to determine the qualifications of applicants.

(2) On and after July 1, 2020, for an applicant, an initial advanced practice registered nurse license shall have a current advanced practice registered nurse certification in such applicant's specific role granted by a national certifying organization recognized by the board whose certification standards are approved by the board as equal to or greater than the corresponding standards established by the board.

(c) The board shall adopt rules and regulations consistent with the Kansas nurse practice act applicable to advanced practice registered nurses which:

(1) Establish roles and identify titles and abbreviations of advanced practice registered nurses which are consistent with nursing practice specialties recognized by the nursing profession including titles describing the four APRN roles of certified registered nurse anesthetist, clinical nurse specialist, certified nurse midwife and certified nurse practitioner.

(2) Establish education and qualifications necessary for licensure for each role of advanced practice registered nurse established by the board at a level adequate to assure the competent performance by advanced practice registered nurses of functions and procedures which advanced practice registered nurses are authorized to perform. Advanced practice registered nursing is based on knowledge and skills acquired in. Education and qualifications for APRN licensure established by the board shall include completion of basic nursing education, licensure as a registered nurse and graduation from or completion of a master's or higher degree in an accredited graduate or post-graduate level APRN program in one of the advanced practice registered nurse roles approved by the board of nursing.

(3) Define the role of advanced practice registered nurses and establish limitations and restrictions on such role consistent with the
Kansas nurse practice act. The board shall adopt a definition of the role under this paragraph which that is consistent with the education and qualifications required to obtain a license as an advanced practice registered nurse, which that protects the public from persons performing functions and procedures as advanced practice registered nurses for which they lack adequate education and qualifications and which that authorizes advanced practice registered nurses to perform acts generally recognized by the profession of nursing as capable of being performed, in a manner consistent with the public health and safety, by persons with postbasic education in nursing. In defining such role the board shall consider:

(A) The education required for a licensure as an advanced practice registered nurse;

(B) the type of nursing practice and preparation in specialized advanced practice skills involved in each role of advanced practice registered nurse established by the board;

(C) the scope and limitations of advanced practice nursing prescribed by national advanced practice organizations. Advanced practice nursing is built on the practice of health promotion, health maintenance, illness prevention, diagnosis, treatment and management of common health problems and acute and chronic conditions; and

(D) acts recognized by the nursing profession as appropriate to be performed by persons with postbasic education in nursing.

(4) Require an advanced practice registered nurse to wear identification that clearly identifies the nurse as such when providing direct patient care, unless wearing identification creates a safety or health risk to the nurse or patient.

(d) (1) An advanced practice registered nurse may prescribe drugs pursuant to a written protocol as authorized by a responsible physician. Each written protocol shall contain a precise and detailed medical plan of care for each classification of disease or injury for which the advanced practice registered nurse is authorized to prescribe and shall specify all drugs which may be prescribed by the advanced practice registered nurse. Any written, procure and administer prescription drugs and controlled substances in schedules II through V pursuant to applicable federal and state laws. An advanced practice registered nurse shall not prescribe any drug that is intended to cause an abortion.

(2) A prescription order shall include the name, address and telephone number of the responsible physician. The advanced practice registered nurse. An advanced practice registered nurse may not dispense drugs, but may request, receive and sign for professional samples and may distribute professional samples to patients pursuant to a written protocol as authorized by a responsible physician.

(3) In order to prescribe controlled substances, the advanced practice
registered nurse shall:(4)

(A) Register with the federal drug enforcement administration; and

(B) notify the board of the name and address of the responsible physician or physicians. In no case shall the scope of authority of the advanced practice registered nurse exceed the normal and customary practice of the responsible physician federal drug enforcement administration registration as prescribed by the rules and regulations of the board. An advanced practice registered nurse shall comply with the federal drug enforcement administration requirements related to controlled substances.

(4) An advanced practice registered nurse certified in the role of registered nurse anesthetist while functioning as a registered nurse anesthetist under K.S.A. 65-1151 through 65-1164, and amendments thereto, shall be subject to the provisions of K.S.A. 65-1151 through 65-1164, and amendments thereto, with respect to drugs and anesthetic agents and shall not be subject to the provisions of this subsection. For the purposes of this subsection, "responsible physician" means a person licensed to practice medicine and surgery in Kansas who has accepted responsibility for the protocol and the actions of the advanced practice registered nurse when prescribing drugs.

(5) An advanced practice registered nurse shall maintain malpractice insurance coverage in effect as a condition of rendering professional service as an advanced practice registered nurse in this state and shall provide proof of insurance at the time of licensure and renewal of license. The requirements of this paragraph shall not apply to an advanced practice registered nurse who: Practices solely in employment for which the advanced practice registered nurse is covered under the federal tort claims act or Kansas tort claims act; practices solely as a charitable healthcare provider under K.S.A. 75-6102, and amendments thereto; or is serving on active duty in the military service of the United States.

(f) A person registered to practice as an advanced registered nurse practitioner in the state of Kansas immediately prior to the effective date of this act shall be deemed to be licensed to practice as an advanced practice registered nurse under this act and such person shall not be required to file an original application for licensure under this act. Any application for registration filed which that has not been granted prior to the effective date of this act shall be processed as an application for licensure under this act.

(g) An advanced practice registered nurse certified in the role of certified nurse-midwife and engaging in the independent practice of midwifery under the independent practice of midwifery act with respect to
prescribing drugs shall be subject to the provisions of the independent practice of midwifery act and shall not be subject to the provisions of this section.

(h) (1) The board shall adopt rules and regulations establishing a program of transition to full practice as an advance practice registered nurse. Any advanced practice registered nurse who has less than 4,000 hours of licensed active practice as an advanced practice registered nurse under a collaborative relationship with a physician in accordance with this subsection shall be required to undergo such transition program. Any hours completed under a written protocol with a responsible physician prior to the amendments made to this section by this act shall not count towards the 4,000-hour requirement.

(2) A transition period advanced practice registered nurse shall not prescribe, procure or administer prescription drugs, except as provided in this paragraph. As part of the transition to full practice as an advance practice registered nurse, an advanced practice registered nurse shall complete 4,000 hours in accordance with paragraph (1) within a period of three years while maintaining a collaborative relationship with a physician or a full practice advanced practice registered nurse for the prescription, procurement and administration of prescription drugs by the transition period advanced practice registered nurse.

(3) A transition period advanced practice registered nurse may engage in the practice of nursing as an advanced practice registered nurse and may prescribe, procure and administer prescription drugs as part of the collaborative relationship described in paragraph (2).

(4) The board shall specify the manner and form in which a transition period advanced practice registered nurse may identify and represent such credentials, professionally and to the public.

(5) A transition period advanced practice registered nurse shall complete any documentation required by the board to demonstrate completion of the transition program prior to becoming a full practice advanced practice registered nurse. Upon successful completion of the transition program, the board shall authorize the advanced practice registered nurse to engage in the practice of advanced practice registered nursing without the limitations imposed by this subsection and as otherwise authorized by law.

(6) The board shall adopt rules and regulations as necessary to implement and administer this subsection.
