AN ACT concerning elections; authorizing Sedgwick county voters on
2020 election days to vote at any polling place; amending K.S.A. 2019
Supp. 25-2701 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2019 Supp. 25-2701 is hereby amended to read as
follows: 25-2701. (a) (1) The county election officer shall determine the
area to be served by each voting place at every election and shall provide
notice of such voting places as required by law. At the discretion of the
county election officer, all voters within a county may be allowed to vote
at any polling location on election day, provided all rules and regulations
are followed as established by the secretary of state for such purpose. The
county election officer in Sedgwick county shall allow voting of Sedgwick
county voters at any polling place within the county for the primary and
general elections in 2020 even if the secretary of state has not established
rules and regulations for the 2020 election cycle.

(2) Any precinct having less than 20 registered voters shall be
included with an adjacent precinct or precincts in a single area to be served
by a common voting place. The location of voting places shall be
designated by the county election officer as provided by K.S.A. 25-2703,
and amendments thereto.

(b) For any election to which this section is applicable, wherever a
city is located in two counties, the county election officer of the county in
which the greater population of the city is located may designate a voting
place located in a portion of the city in the other county to serve an area
within that portion of the city within the county in which the greater
population of the city is located.

(c) At voting places serving two or more precincts, one or more of
which have less than 20 registered voters, all ballots—which that are
identical shall be deposited in the same ballot box or boxes and such votes
shall be counted and canvassed in a manner as to minimize the possibility
of identifying the ballots cast by any voter.

(d) (1) The county election officer may not change a voting place
prior to an election without providing mailed notice to the voters affected
at least 30 days prior to the election. If an emergency is declared by the county election officer, the mailed notice requirement shall be waived.

(2) Failure to receive notice of a change in the voting place shall not give rise to a cause of action challenging the results of the election.

Sec. 2. K.S.A. 2019 Supp. 25-2701 is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the Kansas register.
