AN ACT concerning planning and zoning; relating to firearms manufacturers, importers and dealers.

Be it enacted by the Legislature of the State of Kansas:

Section 1. In addition, the governing body shall not adopt or enforce zoning regulations that could be reasonably construed to solely affect federally licensed firearms manufacturers, importers or dealers.

(b) Nothing in this section shall be construed as precluding the establishment of architectural or aesthetic standards applicable to federally licensed firearms manufacturers, importers or dealers so as to ensure compatibility with other structures in the same zoning district.

(c) Nothing in this section shall be construed to preempt or supersede valid restrictive covenants running with the land.

(d) The terms used in this section shall have the meanings ascribed thereto in K.S.A. 12-742, and amendments thereto.

Sec. 2. This act shall take effect and be in force from and after its publication in the statute book.
