
Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2018 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and
amendments thereto, for privilege tax year 1995, and all such years thereafter.

(iii) The federal net operating loss deduction, except that the federal net operating loss deduction shall not be added to an individual's federal adjusted gross income for tax years beginning after December 31, 2016.

(iv) Federal income tax refunds received by the taxpayer if the deduction of the taxes being refunded resulted in a tax benefit for Kansas income tax purposes during a prior taxable year. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

2. contribution to a family postsecondary education savings account, such
3. amounts were subtracted from the federal adjusted gross income pursuant

A "marketplace facilitator" does not include a platform or forum that exclusively provides internet advertising services, including listing products for sale, so long as the internet advertising service platform or forum does not also engage directly or indirectly through one or more affiliated persons in the activities described in subsection (e).

A person is not a "marketplace facilitator" with respect to the sale or charges for rooms, lodgings or accommodations provided by a hotel, motel, inn or other place that provides the rooms, lodgings or accommodations for occupancy.

(f) "Marketplace seller" means a seller that makes retail sales through any physical or electronic marketplaces operated by a marketplace facilitator regardless of whether the seller is required to be registered with the department.

New Sec. 6. (a) On and after October 1, 2019, any marketplace facilitator that meets the criteria in subsection (b) or that has a physical presence in this state, must collect and remit retail sales or use tax on all taxable retail sales made or facilitated by the
marketplace facilitator into this state pursuant to this act. Marketplace facilitators must begin collecting state and local retail sales or use taxes on taxable retail sales made or facilitated by the marketplace facilitator sourced to this state beginning on the first day of the next calendar month that is at least 30 days from the date that the marketplace facilitator met the threshold described in subsection (b).

(b) A marketplace facilitator is subject to subsection (a) if:

(1) (A) For calendar year 2018, the marketplace facilitator had in excess of $100,000 of cumulative gross receipts from retail sales sourced to this state;

(B) for the period beginning on January 1, 2019, through September 30, 2019, the marketplace facilitator had in excess of $100,000 of cumulative gross receipts from retail sales sourced to this state; or

(C) during the current or immediately preceding calendar year, the marketplace facilitator had in excess of $100,000 of cumulative gross receipts from retail sales sourced to this state.

(B) For any marketplace facilitator who satisfies the provisions of subsection (b)(1)(C) for sales in the current calendar year for the first time, such marketplace facilitator shall be required to collect and remit the tax on any sales in excess of the $100,000 of cumulative gross receipts from sales in the current calendar year by the marketplace facilitator to customers in this state.

New Sec. 7. (a) In addition to other applicable recordkeeping requirements, the department may require a marketplace facilitator or referrer to provide or make available to the department any information the department determines is reasonably necessary to enforce the provisions of this act, the Kansas retailers' sales tax act and the Kansas compensating tax act. Such information may include documentation of sales made by marketplace sellers through the marketplace facilitator's physical or electronic marketplace. The department may prescribe by rules and regulations the form and manner for providing this information.

(b) A marketplace facilitator is relieved of liability under this act for failure to collect the correct amount of tax to the extent that the marketplace facilitator can show to the department's satisfaction that the error was due to incorrect information given to the marketplace facilitator by the marketplace seller, unless the marketplace facilitator
and marketplace seller are affiliated persons. When the marketplace
facilitator is relieved of liability under this subsection, the marketplace
seller is solely liable for the amount of uncollected tax due.

(c) Except as otherwise provided in this section, a marketplace
seller obligated to collect the taxes imposed under this act is not
required to collect such taxes on all taxable retail sales through a
marketplace operated by a marketplace facilitator if the marketplace
seller entered into an agreement with the marketplace facilitator
indicating that the marketplace facilitator is registered with the
department and will collect all applicable taxes due under this act, the
Kansas retailers' sales tax act or the Kansas compensating tax act on
all taxable retail sales made on behalf of the marketplace seller
through the marketplace operated by the marketplace facilitator. This
subsection does not relieve a marketplace seller from liability for
uncollected taxes due under this act, the Kansas retailers' sales tax act
or the Kansas compensating tax act resulting from a marketplace
facilitator's failure to collect the proper amount of tax due when the
error was due to incorrect information given to the marketplace
facilitator by the marketplace seller.

(d) No class action may be brought against a marketplace
facilitator in any court of this state on behalf of purchasers arising
from or in any way related to an overpayment of sales or use tax
collected by the marketplace facilitator or referrer, regardless of
whether that claim is characterized as a tax refund claim. Nothing in
this subsection affects a purchaser's right to seek a refund from the
department as provided by the Kansas retailers' sales tax act.

New Sec. 8. (a) Except as otherwise provided in this act, taxes
imposed under the Kansas retailers' sales tax act or the Kansas
compensating tax act and payable by a consumer directly to the
department are due, on returns prescribed by the department, as
prescribed by those acts.

(b) Nothing in this act affects the obligation of any purchaser
from this state to remit retail sales or use tax as to any applicable
taxable transaction in which the seller does not collect and remit retail
sales or use tax.

New Sec. 9. (a) A marketplace facilitator that is subject to section
6, and amendments thereto, and is complying with the requirements of
the Kansas retailers' sales tax act or the Kansas compensating tax act
may only seek a recovery of retail sales and use taxes, penalties or
interest from the department by following the recovery procedures
established under the Kansas retailers' sales tax act. However, no
claim may be granted on the basis that the taxpayer lacked a physical
presence in this state and complied with the tax collection provisions
of the Kansas retailers’ sales tax act or the Kansas compensating tax act voluntarily.

(b) Neither the state nor any marketplace facilitator who collects and remits retail sales or use tax under section 6, and amendments thereto, is liable to a purchaser that claims that the retail sales or use tax has been over-collected because a provision of this act is later deemed unlawful.

New Sec. 10. Except as otherwise provided in this act, the provisions of K.S.A. 79-3601 through 79-3696, and amendments thereto, relating to enforcement, collection and administration, insofar as practicable, shall have full force and effect with respect to taxes imposed under the provisions of the Kansas main street parity act.

New Sec. 11. The secretary of revenue shall adopt such rules and regulations as deemed necessary for the administration of this act.

New Sec. 12. If any provision of the Kansas main street parity act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the act that can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

New Sec. 13. (a) There is hereby levied and there shall be collected and paid a tax upon the gross receipts from the sale of food and food ingredients. Commencing on October 1, 2019, the rate of tax shall be 5.5%.

(e) "Storage" and "use" do not include the keeping, retaining or exercising of any right or power over tangible personal property shipped or brought into this state for the purpose of subsequently transporting it outside the state for use thereafter solely outside the state, or for the purpose of being processed, fabricated, or manufactured into, attached to or incorporated into, other tangible personal property to be transported outside the state and thereafter used solely outside the state.

(f) "Property used in processing" means: (1) Any tangible personal property which, when used in fabrication, compounding,
manufacturing or germination, becomes an integral part of the new article resulting from such fabrication, compounding, manufacturing, or germination, and intended to be sold ultimately at retail; and (2) fuel which is consumed in creating power, heat, or steam for processing or for generating electric current.

(g) "Retailer" means every person engaged in the business of selling tangible personal property for use within the meaning of this act, except that, when in the opinion of the director it is necessary for the efficient administration of this act to regard any salesperson, representatives, truckers, peddlers or canvassers as the agents of the dealers, distributors, supervisors, employers or persons under whom they operate or from whom they obtain the tangible personal property sold by them, irrespective of whether they are making sales on their own behalf or on behalf of such dealers, distributors, supervisors, employers, or persons, the director may so regard them and may regard the dealers, distributors, supervisors, employers, or persons as retailers for the purposes of this act.

(h) (1) "Retailer doing business in this state" or any like term, means: (A) Any retailer maintaining in this state, permanently, temporarily, directly or indirectly through a subsidiary, agent or representative, an office, distribution house, sales house, warehouse or other place of business;

(B) any retailer utilizing an employee, independent contractor, agent, representative, salesperson, canvasser, solicitor or other person operating in this state either permanently or temporarily, for the purpose of selling, delivering, installing, assembling, servicing, repairing, soliciting sales or the taking of orders for tangible personal property;

(C) any retailer, including a contractor, repair person or other service provider, who enters this state to perform services that are enumerated in K.S.A. 79-3603, and amendments thereto, and who is required to secure a retailer's sales tax registration certificate before performing those services;

(D) any retailer deriving rental receipts from a lease of tangible personal property situated in this state;

(E) any person regularly maintaining a stock of tangible personal property in this state for sale in the normal course of business; and

(F) any retailer who has any other contact with this state that would allow this state to require the retailer to collect and remit tax under the provisions of the constitution and laws of the United States; and

(G) (i) for any retailer that does not satisfy any of the requirements contained in subparagraphs (A) through (F), such retailer shall be a
retailer doing business in this state, if:

(a) For calendar year 2018, the retailer had in excess of $100,000 of cumulative gross receipts from sales by the retailer to customers in this state;

(b) for the period beginning on January 1, 2019, through September 30, 2019, the retailer had in excess of $100,000 of cumulative gross receipts from sales by the retailer to customers in this state; or

(c) during the current or immediately preceding calendar year, the retailer had in excess of $100,000 of cumulative gross receipts from sales by the retailer to customers in this state.

(ii) (a) For any retailer who satisfies the provisions of subparagraph (G)(i), such retailer shall not be required to collect and remit any taxes from sales occurring prior to October 1, 2019.

(b) For any retailer who satisfies the provisions of subparagraph (G)(i)(c) for sales in the current calendar year for the first time, such retailer shall be required to collect and remit the tax on any sales in excess of the $100,000 of cumulative gross receipts from sales in the current calendar year by the retailer to customers in this state.

(2) A retailer shall be presumed to be doing business in this state if any of the following occur:

(A) Any person, other than a common carrier acting in its capacity as such, that has nexus with the state sufficient to require such person to collect and remit taxes under the provisions of the constitution and laws of the United States if such person were making taxable retail sales of tangible personal property or services in this state:

(i) Sells the same or a substantially similar line of products as the retailer and does so under the same or a substantially similar business name;

(ii) maintains a distribution house, sales house, warehouse or similar place of business in Kansas that delivers or facilitates the sale or delivery of property sold by the retailer to consumers;

(iii) uses trademarks, service marks, or trade names in the state that are the same or substantially similar to those used by the retailer;

(iv) delivers, installs, assembles or performs maintenance services for the retailer's customers within the state;

(v) facilitates the retailer's delivery of property to customers in the state by allowing the retailer's customers to pick up property sold by the retailer at an office, distribution facility, warehouse, storage place or similar place of business maintained by the person in the state;

(vi) has a franchisee or licensee operating under its trade name if the franchisee or the licensee is required to collect the tax under the Kansas retailers' sales tax act; or

(vii) conducts any other activities in the state that are significantly
associated with the retailer’s ability to establish and maintain a market in
the state for the retailer’s sales.

(B) Any affiliated person conducting activities in this state described
in subparagraph (A) or (C) has nexus with this state sufficient to require
such person to collect and remit taxes under the provisions of the
constitution and laws of the United States if such person were making
taxable retail sales of tangible personal property or services in this state.

(C) The retailer enters into an agreement with one or more residents
of this state under which the resident, for a commission or other
consideration, directly or indirectly refers potential customers, whether by
a link or an internet website, by telemarketing, by an in-person oral
presentation, or otherwise, to the retailer, if the cumulative gross receipts
from sales by the retailer to customers in the state who are referred to the
retailer by all residents with this type of an agreement with the retailer is in
excess of $10,000 during the preceding 12 months. This presumption may
be rebutted by submitting proof that the residents with whom the retailer
has an agreement did not engage in any activity within the state that was
significantly associated with the retailer’s ability to establish or maintain
the retailer’s market in the state during the preceding 12 months. Such
proof may consist of sworn written statements from all of the residents
with whom the retailer has an agreement stating that they did not engage in
any solicitation in the state on behalf of the retailer during the preceding
year, provided that such statements were provided and obtained in good
faith. This subparagraph shall take effect 90 days after the enactment of
this statute and shall apply to sales made and uses occurring on or after the
effective date of this subparagraph and without regard to the date the
retailer and the resident entered into the agreement described in this
subparagraph. The term "preceding 12 months" as used in this
subparagraph includes the 12 months commencing prior to the effective
date of this subparagraph.

(D) The presumptions in subparagraphs (A) and (B) may be rebutted
by demonstrating that the activities of the person or affiliated person in the
state are not significantly associated with the retailer’s ability to establish
or maintain a market in this state for the retailer’s sales. The retailer is
subject to the provisions set forth in subsection (h)(1)(G) for a retailer
doing business in this state and has in excess of $100,000 of cumulative
gross receipts from sales by the retailer to customers in this state. Such
retailer shall have nexus with this state sufficient to require such retailer
to collect and remit taxes under the provisions of the constitution and laws
of the United States if such retailer were making taxable retail sales of
tangible personal property in this state.

(3) The processing of orders electronically, by fax, telephone, the
internet or other electronic ordering process, does not relieve a retailer
of responsibility for collection of the tax from the purchaser if the retailer is doing business in this state pursuant to this section.

(i) "Director" means the director of taxation.

(j) As used in this section, "affiliated person" means any person that is a member of the same "controlled group of corporations" as defined in section 1563(a) of the federal internal revenue code as the retailer or any other entity that, notwithstanding its form of organization, bears the same ownership relationship to the retailer as a corporation that is a member of the same "controlled group of corporations" as defined in section 1563(a) of the federal internal revenue code. "Cumulative gross receipts" means gross receipts as defined in K.S.A. 79-3602, and amendments thereto, and includes the gross receipts received by the retailer from its own direct sales combined with the gross receipts from sales facilitated on behalf of the retailers by a marketplace facilitator or marketplace facilitators, as defined in section 5, and amendments thereto.

Sec. 18. K.S.A. 2018 Supp. 79-3703 is hereby amended to read as follows: 79-3703. Such tax shall be levied and collected in an amount equal to the consideration paid by the taxpayer multiplied by the rate of 6.5% and on and after October 1, 2019, the rate on food and food ingredients as provided in section 13, and amendments thereto. Within a redevelopment district established pursuant to K.S.A. 74-8921, and amendments thereto, there is hereby levied and there shall be collected and paid an additional tax of 2% until the earlier of: (1) The date the bonds issued to finance or refinance the redevelopment project undertaken in the district have been paid in full; or (2) the final scheduled maturity of the first series of bonds issued to finance the redevelopment project. All property purchased or leased within or without this state and subsequently used, stored or consumed in this state shall be subject to the compensating tax if the same property or transaction would have been subject to the Kansas retailers' sales tax had the transaction been wholly within this state.

Sec. 19. K.S.A. 2018 Supp. 79-3710 is hereby amended to read as follows: 79-3710. (a) All revenue collected or received by the director under the provisions of this act shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury, less amounts set apart as provided in subsection (b) and amounts credited as provided in subsection (c), (d) and (e), to the credit of the state general fund.

(b) A revolving fund, designated as "compensating tax refund
fund" not to exceed $10,000 shall be set apart and maintained by the
director from compensating tax collections and estimated tax
collections and held by the state treasurer for prompt payment of all
compensating tax refunds. Such fund shall be in such amount, within
the limit set by this section, as the director shall determine is necessary
to meet current refunding requirements under this act.

revenue collected and received from the tax imposed by K.S.A. 79-3703,
and amendments thereto, at the rate of 6.3%, and deposited as provided by
subsection (a), exclusive of amounts credited pursuant to subsection (d), in
the state highway fund.

(2)—On July 1, 2011, the state treasurer shall credit 11.26% of the

subsection (a), exclusive of amounts credited pursuant to subsection (d), in
the state highway fund.

(3)—On July 1, 2012, the state treasurer shall credit 11.233% of the
revenue collected and received from the tax imposed by K.S.A. 79-3703,

subsection (a), exclusive of amounts credited pursuant to subsection (d), in
the state highway fund.

(4)—On July 1, 2013, the state treasurer shall credit 17.073% of the
revenue collected and received from the tax imposed by K.S.A. 79-3703,

by subsection (a), exclusive of amounts credited pursuant to subsection (d), in
the state highway fund.

(5)—On July 1, 2015, the state treasurer shall credit 16.226% of the
revenue collected and received from the tax imposed by K.S.A. 79-3703,

the state highway fund.

(6)—On July 1, 2016, and thereafter, the state treasurer shall credit
16.154% of the revenue collected and received from the tax imposed
by K.S.A. 79-3703, and amendments thereto, at the rate of 6.5%, rates provided in K.S.A. 79-3703,
and amendments thereto, at the rate of 6.5%, and deposited as provided by
subsection (a), exclusive of amounts credited pursuant to subsection (d), in the state highway fund.

(d) The state treasurer shall credit all revenue collected or
received from the tax imposed by K.S.A. 79-3703, and amendments
thereto, as certified by the director, from taxpayers doing business
within that portion of a redevelopment district occupied by a
redevelopment project that was determined by the secretary of
commerce to be of statewide as well as local importance or will create a major tourism area for the state as defined in K.S.A. 12-1770a, and amendments thereto, to the city bond finance fund created by K.S.A. 79-3620(d), and amendments thereto. The provisions of this subsection shall expire when the total of all amounts credited hereunder and under K.S.A. 79-3620(d), and amendments thereto, is sufficient to retire the special obligation bonds issued for the purpose of financing all or a portion of the costs of such redevelopment project.

This subsection shall not apply to a project designated as a special bond project as defined in K.S.A. 12-1770a(z), and amendments thereto.

Such revenue may be transferred by the secretary of transportation to the rail service improvement fund pursuant to law. The provisions of this subsection shall take effect upon certification by the secretary of transportation that a notice to proceed has been received for the construction of the improvements within the intermodal facility district, but not later than December 31, 2010, and shall expire when the secretary of revenue determines that the total of all amounts credited hereunder and pursuant to K.S.A. 79-3620(e), and amendments thereto, is equal to $53,300,000, but not later than December 31, 2045. Thereafter, all revenues shall be collected and distributed in accordance with applicable law. For all tax reporting periods during which the provisions of this subsection are in effect, none of the exemptions contained in K.S.A. 79-3601 et seq., and amendments thereto, shall apply to the sale or furnishing of any gas, water, electricity and heat for use or consumption within the intermodal facility district.
