Be it enacted by the Legislature of the State of Kansas:

(a) (1) Every application for an instruction permit shall be made upon a form furnished by the division of vehicles and accompanied by a fee of $2 for class A, B, C or M and $5 for all commercial classes. Every other application shall be made upon a form furnished by the division and accompanied by an examination fee of $3, unless a different fee is required by K.S.A. 8-241, and amendments thereto, and by the proper fee for the license for which the application is made. All commercial class applicants shall be charged a $15 driving test fee for the drive test portion of the commercial driver's license application. If the applicant is not required to take an examination or the commercial license drive test, the examination or commercial drive test fee shall not be required. The examination shall consist of three tests, as follows: (A) Vision; (B) written; and (C) driving. For a commercial driver's license, the drive test shall consist of three components, as follows: (A) Pre-trip; (B) skills test; and (C) road test. If the applicant fails the vision test, the applicant may have correction of vision made and take the vision test again without any additional fee. If an applicant fails the written test, the applicant may take such test again upon the payment of an additional examination fee of $1.50. If an applicant fails the driving test, the applicant may take such test again upon the payment of an additional examination fee of $1.50. If an applicant for a commercial driver's license fails any portion of the commercial drive test, the applicant may take such test again upon the payment of an additional drive test fee of $10. If an applicant fails to pass all three of the tests within a period of six months from the date of original application and desires to take additional tests, the applicant shall file an application for reexamination upon a form furnished by the division, which shall be accompanied by a reexamination fee of $3, except that any applicant who fails to pass the written or driving portion of an examination four times within a six-month period, shall be
required to wait a period of six months from the date of the last failed
examination before additional examinations may be given. Upon the filing
of such application and the payment of such reexamination fee, the
applicant shall be entitled to reexamination in like manner and subject to
the additional fees and time limitation as provided for examination on an
original application. If the applicant passes the reexamination, the
applicant shall be issued the classified driver's license for which the
applicant originally applied, which license shall be issued to expire as if
