SENATE BILL No. 34
By Committee on Financial Institutions and Insurance

AN ACT concerning insurance; relating to health insurance; exempting certain association health plans from regulation under statutes governing small employer health plans; amending K.S.A. 40-2209e and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 40-2209e is hereby amended to read as follows: 40-2209e. (a) Any individual or group health benefit plan issued to a group authorized by subsection (a) of K.S.A. 40-2209(a), and amendments thereto, shall be subject to the provisions of this act if it provides health care benefits covering employees of a small employer and if it meets any one of the following conditions:

(1) Any portion of the premium is paid by a small employer, or any covered individual, whether through wage adjustments, reimbursement, withholding or otherwise;

(2) the health benefit plan is treated by the employer or any of the covered individuals as part of a plan or program for the purposes of section 106 or section 162 of the United States internal revenue code; or

(3) with the permission of the board, the carrier elects to renew or continue a health benefit plan covering employees of an employer who no longer meets the definition of a "small employer."

(b) For purposes of this act an aggregation of two or more small employers covered under a trust arrangement or a policy issued to an association of small employers pursuant to K.S.A. 40-2209, and amendments thereto, shall permit employee or member units of more than two but less than 51 employees or members and their dependents to participate in any health benefit plan to which this act applies. Any group which that includes employee or member units of 50 or fewer employees shall be subject to the provisions of this act notwithstanding its inclusion of employee or member units with more than 50 employees or members.

(c) Except as expressly provided in this act, no health benefit plan offered to a small employer shall be subject to:

(1) Any law that would inhibit any carrier from contracting with providers or groups of providers with respect to health care services or benefits;

(2) any law that would impose any restriction on the ability to
negotiate with providers regarding the level or method of reimbursing care
or services provided under the health benefit plan.

(d) Individual policies of accident and sickness insurance issued to
individuals and their dependents totally independent of any group,
association or trust arrangement permitted under K.S.A. 40-2209, and
amendments thereto, shall not be subject to the provisions of this act.

Sec. 2. K.S.A. 40-2209e is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after April
1, 2019, and its publication in the Kansas register.
