(i) "Vehicle sharing period" means the period of time that commences with the vehicle sharing delivery period or, if there is no vehicle sharing delivery period, that commences with the vehicle sharing start time and, in either case, that ends at the vehicle sharing termination time.
(j) "Vehicle sharing start time" means the time when the shared
vehicle becomes subject to the control of the shared vehicle driver at or
after the time the reservation of a shared vehicle is scheduled to begin as
documented in the records of a peer-to-peer vehicle sharing program.

(k) "Vehicle sharing termination time" means the earliest of the
following events:

(1) The expiration of the agreed-upon period of time established for
the use of a shared vehicle according to the terms of the vehicle sharing
program agreement if the shared vehicle is delivered to the location agreed
upon in the vehicle sharing program agreement;

(2) when the shared vehicle is returned to a location as alternatively
agreed upon by the shared vehicle owner and shared vehicle driver as
communicated through a peer-to-peer vehicle sharing program; or

(3) when the shared vehicle owner or the shared vehicle owner's
authorized designee takes possession and control of the shared vehicle.

Sec. 3. (a) Except as provided in subsection (b), a peer-to-peer
vehicle sharing program shall assume liability of a shared vehicle owner
for bodily injury or property damage to third parties for uninsured and
underinsured motorist or personal injury protection losses during the
vehicle sharing period in amounts stated in the peer-to-peer vehicle sharing
program agreement that shall not be less than those set forth in K.S.A. 40-
3107, and amendments thereto.

(b) Notwithstanding the definition of "vehicle sharing termination
time" set forth in section 2, and amendments thereto, the assumption of
liability under subsection (a) shall not apply to any shared vehicle owner
when:

(1) A shared vehicle owner makes an intentional or fraudulent
material misrepresentation or omission of fact to the peer-to-peer vehicle
sharing program before the vehicle sharing period in which the loss
occurred; or

(2) acting in concert with a shared vehicle driver who fails to return
the shared vehicle.

(c) A peer-to-peer vehicle sharing program shall ensure that, during
each vehicle sharing period, the shared vehicle owner and the shared
vehicle driver are insured under a motor vehicle liability insurance policy
that provides insurance coverage in amounts no less than the minimum
amounts set forth in K.S.A. 40-3107, and amendments thereto, and the
policy:

(1) Recognizes that the vehicle insured under the policy has been
made available as a shared vehicle and is used through a peer-to-peer
vehicle sharing program; or

(2) does not exclude use of the vehicle by a shared vehicle driver.

(d) The insurance described under subsection (c) may be satisfied by
motor vehicle liability insurance maintained by:
(1) A shared vehicle owner;
(2) a shared vehicle driver;
(3) a peer-to-peer vehicle sharing program; or
(4) (A) a shared vehicle owner or a shared vehicle driver; and
(B) a peer-to-peer vehicle sharing program.
(e) The insurance described under subsection (d) that satisfies the insurance requirement of subsection (c) shall be primary during each vehicle sharing period.
(f) (1) The peer-to-peer vehicle sharing program shall assume primary liability for a claim when it is in whole or in part providing the insurance required under subsections (c) and (d) and:
(A) A dispute exists as to who was in control of the shared vehicle at the time of the loss; and
(B) the peer-to-peer vehicle sharing program does not have available, did not retain or fails to provide the information required under section 6, and amendments thereto.
(2) The shared vehicle's insurer shall indemnify the peer-to-peer vehicle sharing program to the extent of its obligation under, if any, the applicable insurance policy, if it is determined that the shared vehicle's owner was in control of the shared vehicle at the time of the loss.
(g) If insurance maintained by a shared vehicle owner or shared vehicle driver in accordance with subsection (d) has lapsed or does not provide the required coverage, insurance maintained by a peer-to-peer vehicle sharing program shall provide the coverage required by subsection (c) beginning with the first dollar of a claim and shall have the duty to defend such claim except under circumstances described in subsection (b).
(h) Coverage under a motor vehicle liability insurance policy maintained by the peer-to-peer vehicle sharing program shall not be dependent on another motor vehicle insurer first denying a claim nor shall another motor vehicle insurance policy be required to first deny a claim.
(i) Nothing in this section shall be construed to:
(1) Limit the liability of the peer-to-peer vehicle sharing program for any act or omission of the peer-to-peer vehicle sharing program itself that results in injury to any person as a result of the use of a shared vehicle through the peer-to-peer vehicle sharing program; or
(2) limit the ability of the peer-to-peer vehicle sharing program to contractually seek indemnification from the shared vehicle owner or the shared vehicle driver for economic loss sustained by the peer-to-peer vehicle sharing program resulting from a breach of the terms and conditions of the vehicle sharing program agreement.
Sec. 4. Between the time that a vehicle owner registers as a shared vehicle owner on a peer-to-peer vehicle sharing program and the time that the shared vehicle owner makes a vehicle available as a shared vehicle on
the program, the program shall notify the shared vehicle owner, that if the
shared vehicle has a lien against it, the use of the shared vehicle through a
peer-to-peer vehicle sharing program, including use without physical
damage coverage, could violate the terms of the contract with the
lienholder.

Sec. 5. (a) An authorized insurer that writes motor vehicle liability
insurance in the state may exclude any and all coverage and the duty to
defend or indemnify for any claim afforded under a shared vehicle owner's
motor vehicle liability insurance policy, including, but not limited to:
(1) Liability coverage for bodily injury and property damage;
(2) personal injury protection coverage as defined in K.S.A. 40-3103,
and amendments thereto;
(3) uninsured and underinsured motorist coverage;
(4) medical benefits coverage as defined in K.S.A. 40-3103, and
amendments thereto;
(5) comprehensive physical damage coverage; or
(6) collision physical damage coverage.
(b) Nothing in this section invalidates or limits an exclusion
contained in a motor vehicle liability insurance policy, including any
insurance policy in use or approved for use that excludes coverage for
motor vehicles made available for rent, sharing, hire or any business use.

Sec. 6. A peer-to-peer vehicle sharing program shall collect and
verify records pertaining to the use of a vehicle, including, but not limited
to, the times used, fees paid by the shared vehicle driver and revenues
received by the shared vehicle owner. The program shall provide that
information upon request to the shared vehicle owner, the shared vehicle
owner's insurer or the shared vehicle driver's insurer to facilitate a claim
coverage investigation. The peer-to-peer vehicle sharing program shall
retain the records for a time period not less than the applicable personal
injury statute of limitations.

Sec. 7. A peer-to-peer vehicle sharing program and a shared vehicle
owner shall be exempt from vicarious liability in accordance with 49
U.S.C. § 30106 and under any state or local law that imposes liability
solely based on vehicle ownership.

Sec. 8. A motor vehicle insurer that defends or indemnifies a claim
against a shared vehicle that is excluded under the terms of its policy shall
have the right to seek contribution against the motor vehicle insurer of the
peer-to-peer vehicle sharing program if the claim is:
(1) Made against the shared vehicle owner or the shared vehicle
driver for loss or injury that occurs during the vehicle sharing period; and
(2) excluded under the terms of its policy.

Sec. 9. (a) Notwithstanding any other law, statute, rule or regulation
to the contrary, a peer-to-peer vehicle sharing program shall have an
insurable interest in a shared vehicle during the vehicle sharing period.

(b) Nothing in this section shall be construed to require that a peer-to-peer vehicle sharing program maintain the coverage mandated by section 3, and amendments thereto.

(c) A peer-to-peer vehicle sharing program may own and maintain as the named insured one or more policies of motor vehicle liability insurance that provides coverage for:

(1) Liabilities assumed by the peer-to-peer vehicle sharing program under a peer-to-peer vehicle sharing program agreement;

(2) any liability of the shared vehicle owner;

(3) damage or loss to the shared motor vehicle; or

(4) any liability of the shared vehicle driver.

Sec. 10. (a) Every vehicle sharing program agreement made in the state of Kansas shall disclose the following information to the shared vehicle owner and the shared vehicle driver, as appropriate:

(1) Any right of the peer-to-peer vehicle sharing program to seek indemnification from the shared vehicle owner or the shared vehicle driver for economic loss sustained by the peer-to-peer vehicle sharing program resulting from a breach of the terms and conditions of the vehicle sharing program agreement;

(2) a motor vehicle liability insurance policy issued to the shared vehicle owner for the shared vehicle or to the shared vehicle driver does not provide a defense or indemnification for any claim asserted by the peer-to-peer vehicle sharing program;

(3) the peer-to-peer vehicle sharing program's insurance coverage on the shared vehicle owner and the shared vehicle driver is in effect only during each vehicle sharing period and that, for any use of the shared vehicle by the shared vehicle driver after the vehicle sharing termination time, the shared vehicle driver and the shared vehicle owner may not have insurance coverage;

(4) the daily rate, fees and, if applicable, any insurance or protection package costs that are charged to the shared vehicle owner or the shared vehicle driver;

(5) the shared vehicle owner's motor vehicle liability insurance may not provide coverage for a shared vehicle; and

(6) there may be conditions under which a shared vehicle driver must maintain a personal motor vehicle liability insurance policy with certain applicable coverage limits on a primary basis in order to reserve a shared motor vehicle.

(b) Every vehicle sharing program agreement made in the state of Kansas shall also provide an emergency telephone number to personnel capable of fielding roadside assistance and other customer service inquiries.
(c) A vehicle sharing program agreement is subject to the retailers' sales tax imposed pursuant to K.S.A. 79-3603(h), and amendments thereto, and such agreement shall not be considered an isolated or occasional transaction.

Sec. 11. (a) A peer-to-peer vehicle sharing program shall not enter into a peer-to-peer vehicle sharing program agreement with a driver unless the driver who will operate the shared vehicle:

(1) Holds a driver's license issued by the state of Kansas that authorizes the driver to operate vehicles of the class of the shared vehicle; or

(2) is a nonresident who:

(A) Has a driver's license issued by the state or country of the driver's residence that authorizes the driver in that state or country to drive vehicles of the class of the shared vehicle; and

(B) is at least the legal age required of a resident to drive in the state of Kansas.

(b) A peer-to-peer vehicle sharing program shall maintain a record of the name, address, driver's license number and place of issuance of the driver's license of the shared vehicle driver and every other person, if any, who will also drive the shared vehicle.

Sec. 12. A peer-to-peer vehicle sharing program shall have sole responsibility for any equipment, such as a GPS system or other special equipment, that is installed in or on the shared vehicle to monitor or facilitate the vehicle sharing transaction, and shall agree to indemnify and hold harmless the shared vehicle owner for any damage to or theft of such equipment during the vehicle sharing period not caused by the shared vehicle owner. The peer-to-peer vehicle sharing program shall have the right to seek indemnity from the shared vehicle driver for any loss or damage to such equipment that occurs during the sharing period.

Sec. 13. (a) Between the time that a vehicle owner registers as a shared vehicle owner on a peer-to-peer vehicle sharing program and before the time that the shared vehicle owner makes a vehicle available as a shared vehicle on the peer-to-peer vehicle sharing program, the peer-to-peer vehicle sharing program shall:

(1) Verify that the shared vehicle does not have any safety recalls on the vehicle for which repairs correcting the safety recalls have not been made; and

(2) notify the shared vehicle owner of the requirements under subsection (b).

(b) (1) If a vehicle owner has received an actual notice of a safety recall on the owner's vehicle, the owner may not make such vehicle available as a shared vehicle on a peer-to-peer vehicle sharing program until the safety recall repair has been made.
(2) If a shared vehicle owner receives an actual notice of a safety recall on a shared vehicle while the shared vehicle is available on the peer-to-peer vehicle sharing program, the shared vehicle owner shall remove the shared vehicle from the peer-to-peer vehicle sharing program as soon as practicable after receiving the notice of the safety recall and shall not replace it on the peer-to-peer vehicle sharing program until the safety recall repair has been made.

(3) If a shared vehicle owner receives an actual notice of a safety recall while the shared vehicle is being used and is in the possession of a shared vehicle driver, as soon as practicable after receiving the notice of the safety recall, the shared vehicle owner shall notify the peer-to-peer vehicle sharing program about the safety recall so that the shared vehicle owner may address the safety recall repair.

Sec. 14. (a) A peer-to-peer vehicle sharing program, shared vehicle owner or motor vehicle rental company shall, upon request of an airport, including, but not limited to, any entity responsible for regulating commerce at such airport within the state of Kansas, enter into an agreement prior to:

(1) Listing shared vehicles or rental motor vehicles parked on airport property or at airport facilities;

(2) Facilitating the use of shared vehicles or rental motor vehicles to transport airport customers to or from airport property or airport facilities, regardless of whether that use is yet to be initiated or has a vehicle sharing start time that occurs on or off airport property or airport facilities; or

(3) Promoting or marketing shared vehicles or rental motor vehicles to transport airport customers to or from airport property or airport facilities, regardless of whether that use is yet to be initiated or has a vehicle sharing start time that occurs on or off airport property or airport facilities.

(b) The agreement required in subsection (a) shall set forth the same or reasonably similar standards, regulations, procedures, fees and access requirements applicable to any peer-to-peer vehicle sharing program, peer-to-peer vehicle sharing and motor vehicle rental company.

Sec. 15. This act shall take effect and be in force from and after January 1, 2021, and its publication in the statute book.
