AN ACT concerning transportation; providing for the FORWARD transportation program; amending K.S.A. 68-416, 68-2315, 68-2316, 75-5035, 75-5048, 75-5061, 79-3603 and 79-3703 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) In order to plan, develop and operate or coordinate the development and operation of the various modes and systems of transportation within the state, the secretary of transportation is hereby authorized and directed to initiate a FORWARD transportation program.

(b) (1) The FORWARD transportation program shall provide for the construction, improvement, reconstruction and maintenance of the state highway system. The program shall provide for the selection of projects that will allow for the flexibility to meet emerging and economic needs. Program expenditures may include, but may not be limited to, the following:

(A) Preservation projects to efficiently maintain a state highway system in its original or improved condition and in a state of good repair. The secretary shall determine the average annual preservation investment needed to maintain the state highway system in a state of good repair by determining the annual preservation investment needed using Kansas department of transportation performance measures. It is the intent of the legislature that the secretary, prior to completion of the FORWARD transportation program, shall spend or encumber from the state highway fund preservation projects in an amount equal to or exceeding 10 times the determined average annual preservation investment;

(B) preservation plus projects to efficiently maintain a state highway system and include additional safety or technology elements, or both, in the preservation project. Such additional elements may include, but may not be limited to, adding paved shoulders, adding passing lanes, adding traffic signals, adding intelligent transportation system elements or laying broadband fiber or the conduit for broadband fiber. It is the intent of the legislature that the secretary has the authority to enhance preservation plus projects with the addition of safety or technology improvements, or both;

(C) expansion and economic opportunity projects, that include
additions to the transportation system, or that improve access, relieve congestion and enhance economic development opportunities. The Kansas department of transportation shall develop and utilize criteria for the selection of expansion and economic opportunity projects. The selection criteria shall include, but shall not be limited to, engineering and traffic data, local consultation, geographic distribution and an economic impact analysis evaluation; and

(D) modernization projects that include improvements to the transportation system by widening lanes or shoulders, making geometric improvements, upgrading interchanges or building rail grade separations to improve the safety, condition or service of the highway system. The Kansas department of transportation shall develop and utilize criteria for the selection of modernization projects. The selection criteria shall include, but shall not be limited to, engineering data, local consultation and geographic distribution.

(2) The department of transportation shall develop criteria for the incorporation of practical improvements into designs of the projects specified in this subsection.

(c) Except as further provided, the FORWARD transportation program shall provide for the completion of modernization and expansion projects selected for construction under the transportation works for Kansas program pursuant to K.S.A. 68-2314b, and amendments thereto. Such projects shall be let prior to July 1, 2023. A transportation works for Kansas program selected project in Harvey County generally described as an approximate one-mile reconstruction of the I-135 and 36th street interchange may not be constructed. If such project is not constructed, the estimated construction costs for such project shall be used on other construction projects in the Kansas department of transportation's south-central district.

(d) The FORWARD transportation program shall provide for assistance, including credit and credit enhancements, to cities and counties in meeting their responsibilities for the construction, improvement, reconstruction and maintenance of transportation improvements. Such programs may use criteria developed by the Kansas department of transportation for the incorporation of practical improvements into designs of projects. Expenditures under this subsection may include, but may not be limited to, the following:

(1) Apportionment of the special city and county highway fund to assist cities and counties with their responsibilities for roads and bridges not on the state highway system;

(2) programs to share federal aid with cities and counties to assist with their responsibilities for roads and bridges not on the state highway system;
(3) programs to assist cities with the maintenance of city connecting links as specified in K.S.A. 68-416, and amendments thereto, and local partnership programs to resurface or geometrically improve city connecting links or to promote economic development;

(4) programs similar to the Kansas department of transportation's local bridge improvement program to aid local public authorities in replacing or repairing bridges not on the state highway system;

(5) programs to assist cities and counties with railroad crossings of roads not on the state highway system; or

(6) programs that allow local governments to exchange federal aid funds for state funds.

(e) The FORWARD transportation program shall provide for a railroad program to provide assistance in accordance with K.S.A. 75-5040 through 75-5050, and amendments thereto, for the preservation and revitalization of rail service in the state.

(f) The FORWARD transportation program shall provide for an aviation program to provide assistance for the planning, constructing, reconstructing or rehabilitating the facilities of public use general aviation airports, in accordance with K.S.A. 75-5061, and amendments thereto.

(g) The FORWARD transportation program shall provide for public transit programs to aid elderly persons, persons with disabilities and the general public, in accordance with K.S.A. 75-5032 through 75-5038 and 75-5051 through 75-5058, and amendments thereto.

(h) The FORWARD transportation program shall provide for a transportation technology program to provide for multimodal transportation-related projects that support innovative technology, in accordance with section 2, and amendments thereto.

(i) The FORWARD transportation program shall provide for a multimodal program to provide transportation improvement assistance for bike facilities, pedestrian facilities or other transportation-sensitive economic opportunities on a local or a regional basis.

(j) The FORWARD transportation program shall allow the secretary to award certain state highway system projects using alternative delivery procurement methods, other than an award of a design-bid-build, as provided for in section 4, and amendments thereto.

(k) The FORWARD transportation program shall provide for a broadband infrastructure construction program, in accordance with section 3, and amendments thereto.

(l) (1) Motor fuel taxes and vehicle registration revenues shall be used in the following order of priority:

(A) To pay bond covenant obligations;

(B) to pay for agency operations;

(C) to make city connecting link payments authorized under K.S.A.
SB 375

68-416, and amendments thereto; and
(D) to pay for needed preservation projects as set forth in subsection (b)(1).
(2) Any such revenues not spent pursuant to subsection (l)(1)(A) through (D) may be used for other purposes and authority given to the secretary.
(m) (1) The secretary shall, using the Kansas department of transportation selection methods and criteria, determine the projects to be selected for inclusion under the FORWARD transportation program. Consideration may be given to additional criteria that may include projects that:
(A) Remove transportation infrastructure from the state highway system;
(B) identify priority corridors;
(C) include local monetary participation; or
(D) reduce project size.
(2) The secretary shall select projects for development every two years. The secretary shall select projects for construction every two years. The secretary is not required to construct every project selected for development. The selection of projects for development and construction shall take place every two years, after consultation with local jurisdictions. Prior to June 30, 2030, not less than three expansion or modernization projects shall be selected for development from each of the Kansas department of transportation's six districts.
(n) The secretary, prior to June 30, 2030, shall develop a long-range transportation plan that examines, but is not limited to, transportation policy, project selection criteria and selection methods used in the FORWARD transportation program, transportation funding sources and FORWARD transportation program project categories. The long-range transportation plan shall make recommendations for a new transportation program for the state of Kansas. The long-range transportation plan shall be developed after consultation with the governor of the state of Kansas and state and local elected officials.
New Sec. 2. (a) The secretary of transportation is hereby authorized and empowered to participate in projects or make grants for projects, the purpose of which is the planning, assessment and fielding of new capabilities and innovative technology for all modes of transportation, including, but not limited to, aviation and highway transportation. Such new capabilities should represent increased efficiency for state operations, public cost savings, increased safety or economic development.
(b) There is hereby established in the state treasury the transportation technology development fund. All moneys credited to such fund shall be used to provide assistance with the planning, assessment and fielding of
new capabilities for all modes of transportation, including, but not limited to, aviation and highway transportation. All expenditures from such fund shall be made in accordance with the provisions of appropriation acts and upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary or the secretary's designee.

(c) Grants made by the secretary from the transportation technology development fund shall be made upon such terms and conditions as the secretary may deem appropriate, and such grants shall be made from funds credited to the transportation technology development fund.

(d) On July 1, 2020, and each July 1 thereafter through July 1, 2030, the director of accounts and reports shall transfer $2,000,000 from the state highway fund to the transportation technology development fund. The secretary is hereby authorized to transfer additional moneys to the transportation technology development fund from the state highway fund, and moneys from the transportation technology development fund to the state highway fund.

New Sec. 3. (a) The secretary of transportation is hereby authorized and empowered to make grants for construction projects, the purpose of which is to expand and improve broadband service in the state of Kansas. The secretary of transportation is authorized to make such grants when working jointly with the office of broadband development within the department of commerce.

(b) There is hereby established in the state treasury the broadband infrastructure construction grant fund. All moneys credited to such fund shall be used to provide grants for the expansion of broadband service in the state of Kansas. All expenditures from such fund shall be made in accordance with the provisions of appropriation acts and upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of transportation or the secretary's designee.

(c) Grants made by the secretary of transportation from the broadband infrastructure construction grant fund shall reimburse grant recipients for up to 50% of actual construction costs in expanding and improving broadband service in the state of Kansas. Such grant reimbursements shall be upon such terms and conditions as the secretary of transportation may deem appropriate, in coordination with the secretary of commerce.

(d) On July 1, 2020, and each July 1 thereafter through July 1, 2022, the director of accounts and reports shall transfer $5,000,000 from the state highway fund to the broadband infrastructure construction grant fund. On July 1, 2023, and each July thereafter through July 1, 2030, the director of accounts and reports shall transfer $10,000,000 from the state highway fund to the broadband infrastructure construction grant fund. At the end of each fiscal year, the secretary of transportation is hereby authorized to
notify the director of accounts and reports to transfer all remaining and
unencumbered funds from the broadband infrastructure construction grant
fund to the state highway fund.

New Sec. 4. (a) The FORWARD transportation program shall allow
the secretary of transportation to award certain state highway system
projects using alternative delivery procurement methods other than award
of a design-bid-build contract to the lowest bidder as provided in K.S.A.
68-410, and amendments thereto, subject to the following:

(1) Projects selected for alternative delivery shall not include
preservation projects as defined in section 1, and amendments thereto;

(2) alternative delivery may be used on all projects utilizing toll
revenues for construction and maintenance of the project; and

(3) not more than 5% of dollars spent in the FORWARD
transportation program shall be used on alternative delivery. The dollar
value of projects utilizing toll revenues and projects obtained through
federal grants shall not be considered in determining this 5% limit.

(b) In addition to the requirements in subsection (a), alternative
delivery projects in the FORWARD transportation program shall be
subject to the following requirements and restrictions:

(1) Procurement methods for transportation alternative delivery
projects may provide for a single contract or multiple contracts that
include, but are not limited to, services for preconstruction, design,
construction, construction management, maintenance, operation, financing
or a combination thereof;

(2) the Kansas department of transportation shall develop and utilize
criteria for selecting whether alternative delivery or design-bid-build
procurement process is in the best interest of the state. No project will be
selected for alternative delivery without having been evaluated under the
selection criteria established by the department. The selection criteria shall
include, but not be limited to, the need for accelerated schedule, safety
needs, project complexity, opportunity for innovation and economic
development;

(3) the Kansas department of transportation shall develop and utilize
procedures for advertising proposals, receiving proposals, evaluating
proposals, awarding contracts and administering contracts in its alternative
delivery procurement program, and the procurement procedures in K.S.A.
68-408 through 68-410, 75-430a and 75-5804 through 75-5807, and
amendments thereto, shall not apply to transportation alternative delivery
projects.

(c) Notwithstanding any requirements set forth in subsections (b) or
(c), the alternative delivery procedures shall include:

(1) A two-phase best value competitive selection or contracting
process in which the first phase consists of short listing no more than four
proposers based on qualifications identified in the request for qualifications and the second phase consists of the submission of price or technical proposals, or both, in response to a request for proposal;

(2) advertisement of requests for qualifications in the Kansas register for at least three consecutive weeks;

(3) prequalification of contractors performing construction and of firms performing professional technical services by the secretary in accordance with existing state statutes, regulations, and department procedures governing prequalification and licensing;

(4) a bond for performance and payment or alternative security guaranteeing contract performance and payment obligations for supplies, materials and labor furnished for the alternative delivery project; and

(5) a requirement that firms and key personnel identified in the qualifications phase and scored to determine the shortlist may not be replaced during the alternative delivery project without the Kansas department of transportation's written approval.

(d) Notwithstanding any other provision of law to the contrary, a contracting entity selected for an alternative delivery project shall not be in violation of K.S.A. 74-7001 et seq., and amendments thereto, and the contract entered into by such contractor shall not be void if such contractor obtains the professional services by subcontracting with an entity or entities duly licensed or holding a certificate of authorization to perform professional services in accordance with K.S.A. 74-7001 et seq., and amendments thereto.

(e) Notwithstanding the provisions of K.S.A. 68-419a, and amendments thereto, a contracting entity selected for an alternative delivery project that is responsible for preparing or furnishing design plans and specifications, through its own organization or by subcontracting as provided in subsection (d), shall be liable for damages arising out of design defects in such plans and specifications resulting in injury to persons or damage to property, occurring after completion of the contract and acceptance thereof by the Kansas department of transportation, if and to the extent such injury or damage arises out of a failure to exercise the degree of learning and skill ordinarily possessed by a reputable contractor or by a technical professional practicing in Kansas in the same or similar locality and under similar circumstances. Nothing contained in this subsection shall be construed as abrogating, limiting or otherwise affecting any cause of action accruing to the state or any agency or instrumentality thereof that was a party to such contract.

Sec. 5. K.S.A. 68-416 is hereby amended to read as follows: 68-416.

The state highway fund shall be apportioned as follows:

(a) The secretary of transportation annually shall apportion and distribute quarterly, on the first day of January, April, July and October, to
cities on the state highway system from the state highway fund moneys at
the rate of $2,000 to $5,000 per year per lane per mile for the maintenance of
streets and highways in cities designated by the secretary as city
connecting links. Unless a consolidated street and highway fund is
established pursuant to K.S.A. 12-1,119, and amendments thereto, all
moneys distributed by the secretary shall be credited to the street and alley
funds of such cities. All moneys so distributed shall be used solely for the
maintenance of city connecting links. Maintenance of such city connecting
links shall be as prescribed in K.S.A. 68-416a, and amendments thereto.
As used in this subsection, "lane" means the portion of the roadway for use
of moving traffic of a standard width prescribed by the secretary. In lieu of
such apportionment, the secretary, by and with the consent of the
governing body of any city within the state of Kansas, may maintain such
streets within the city and pay for such maintenance from the highway
fund.
(b) All of the remainder of such highway fund shall be used by the
secretary of transportation for:
(1) The construction, improvement, reconstruction and maintenance
of the state highway system;
(2) improvements in transportation programs to aid elderly persons,
persons with disabilities and the general public;
(3) for any purpose specified in K.S.A. 68-2314b, and amendments
thereto;
(4) for any purpose specified in section 1, and amendments thereto;
(5) the support and maintenance of the department of transportation;
(6) the expenses of administering the motor vehicle registration
and drivers' license laws; and
(7) the payment of losses to department of transportation
employees authorized by K.S.A. 75-5062, and amendments thereto.
Sec. 6. K.S.A. 68-2315 is hereby amended to read as follows: 68-
2315. (a) Annually, prior to the 10th day of each regular session of the
legislature, the secretary of transportation shall submit a written report to
the governor and each member of the legislature providing:
(a) Summary financial information and a statement of assurance
that the department of transportation has prepared a comprehensive
financial report of all funds for the preceding year which includes a report
by independent public accountants attesting that the financial statements
present fairly the financial position of the Kansas department of
transportation in conformity with generally accepted accounting principles
and a notification that the complete comprehensive financial report,
including the auditor's report is available upon request;
(b) for the report due in 2021, a detailed explanation of the
methods or criteria employed in the selection of transportation projects
under K.S.A. 68-2314b(b), and amendments thereto, and in the awarding of assistance to cities, counties or other transportation providers;

(3) a detailed explanation of the methods or criteria employed in the selection of transportation projects under subsection (b) of K.S.A. 68-2314b section 1(b) and (d)(1) through (d)(6), and amendments thereto, and in the awarding of assistance to cities, counties or other transportation providers, including an explanation of the amounts expended and projects selected for construction, projects selected for development and when and where the next local consults are to take place;

(e)(4) the proposed allocation and expenditure of moneys and proposed work plan for the current fiscal year and at least the next five years;

(4)(5) information concerning construction work completed in the preceding fiscal year and construction work in progress;

(e)(6) information concerning the operation and financial condition of the transportation revolving fund;

(4)(7) the annual allocation and expenditure of moneys from the coordinated public transportation assistance fund under K.S.A. 75-5035, and amendments thereto;

(4)(8) the annual allocation and expenditure of moneys from the rail service improvement fund under K.S.A. 75-5048, and amendments thereto, including specific information relating to any grants or loans made under such program;

(4)(9) the annual allocation and expenditure of moneys from the public use general aviation airport development fund under K.S.A. 75-5061, and amendments thereto, including specific information relating to grants made under such program;

(10) the annual allocation and expenditure of moneys from the transportation technology development fund under section 2, and amendments thereto, including specific information relating to grants made pursuant to section 2, and amendments thereto;

(11) the annual allocation and expenditure of moneys from the broadband infrastructure construction grant fund under section 3, and amendments thereto, including specific information relating to grants made pursuant to section 3, and amendments thereto;

(12) information concerning funding shifts between the state highway fund and the funds specified in subsections (a)(7) through (a)(10);

(13) for the report due in 2021, specific recommendations for any statutory changes necessary for the successful completion of the transportation program specified in K.S.A. 68-2314b, and amendments thereto, or efficient and effective operation of the Kansas department of transportation;

(14)(14) specific recommendations for any statutory changes necessary
for the successful completion of the transportation program specified in K.S.A. 68-2314b section 1, and amendments thereto, or efficient and effective operation of the Kansas department of transportation; and

(15) information concerning the condition and performance of the state highway system; and

(16) an explanation of any material changes from the previous annual report.

(b) In addition to the governor and each member of the legislature, the secretary shall post the report on the official internet page for the Kansas department of transportation and shall provide notice of the online posting to all persons or entities requesting such notice. Persons or entities requesting notice shall provide the secretary an email address via the Kansas department of transportation's official internet page.

Sec. 7. K.S.A. 68-2316 is hereby amended to read as follows: 68-2316.

(a) For the period beginning July 1, 2010, through June 30, 2020, the secretary of transportation shall expend or commit to expend, from the revenue provided under the provisions of the transportation works for Kansas program, at least $8,000,000 for projects or programs authorized under K.S.A. 68-2314b, and amendments thereto, in each county of the state.

(b) For the period beginning July 1, 2020, through June 30, 2030, the secretary shall expend or commit to expend, from the revenue provided under the provisions of the FORWARD program, at least $8,000,000 for projects or programs authorized under section 1, and amendments thereto, in each county of the state.

Sec. 8. K.S.A. 75-5035 is hereby amended to read as follows: 75-5035.

(a) There is hereby established in the state treasury the coordinated public transportation assistance fund. Any expenditures from the fund shall be for the coordinated development, improvement or maintenance of transportation systems for elderly persons, persons with disabilities or the general public under this act and shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of transportation or by a person designated by the secretary.

(b) (1) On July 1, 1999, and each July 1 thereafter through July 1, 2012, the director of accounts and reports shall transfer $6,000,000 from the state highway fund to the coordinated public transportation assistance fund.

(2) On July 1, 2013, and each July 1 thereafter, the director of accounts and reports shall transfer $11,000,000 from the state highway fund to the coordinated public transportation assistance fund. The secretary is hereby authorized to transfer additional moneys to the coordinated public transportation assistance fund from the state highway
fund and moneys from the coordinated public transportation assistance 

fund to the state highway fund. In no event shall the amount remaining in 

each fiscal year fall below $11,000,000.

Sec. 9. K.S.A. 75-5048 is hereby amended to read as follows: 75-

5048. (a) The secretary of transportation is hereby authorized to make 
loans or grants to a qualified entity for the purpose of facilitating the 
financing, acquisition or rehabilitation of railroads and rolling stock in the 
state of Kansas.

(b) Such loans or grants shall be made upon such terms and 
conditions as the secretary of transportation may deem appropriate, and 
such loans or grants shall be made from funds credited to the rail service 

improvement fund.

(c) The rail service improvement fund is hereby established in the 
state treasury which shall be for the purpose of facilitating the financing, 
acquisition and rehabilitation of railroads pursuant to subsection (a) of this 
section and for the refinancing thereof. The secretary of transportation 
shall administer the rail service improvement fund. All expenditures from 
the rail service improvement fund shall be made in accordance with 
appropriation acts upon warrants of the director of accounts and reports 
issued pursuant to vouchers approved by the secretary of transportation or 
by a person or persons designated by the secretary.

(d) All moneys received from the federal government, pursuant to 
K.S.A. 75-5026, and amendments thereto, shall be remitted to the state 
treasurer in accordance with the provisions of K.S.A. 75-4215, and 

amendments thereto. Upon receipt of each such remittance, the state 
treasurer shall deposit the entire amount in the state treasury to the credit 
of the rail service improvement fund.

(e) The management and investment of the rail service improvement 
fund shall be in accordance with K.S.A. 68-2324, and amendments thereto. 
Notwithstanding anything to the contrary, all interest or other income of 
the investments, after payment of any management fees, shall be 
considered income of the rail service improvement fund.

(f) On July 1, 2013, and each July 1 thereafter, the director of 
accounts and reports shall transfer $5,000,000 from the state highway fund 
to the rail service improvement fund.

(g) The secretary of transportation is hereby authorized to transfer moneys from the state highway fund to the rail service improvement fund or from the rail service improvement fund to the state highway fund. In transferring moneys from the rail service improvement fund, the secretary of transportation shall not diminish the moneys transferred under subsection (f). In no event shall the amount remaining in the rail service fund and the amount spent or dedicated for loans or grants in each fiscal year be less than $5,000,000.
(h)(g) As used in this section, "qualified entity" means any interstate commerce commission certificated railroad, a port authority established in accordance with Kansas laws, or any entity meeting the rules and regulations established by K.S.A. 75-5050, and amendments thereto.

Sec. 10. K.S.A. 75-5061 is hereby amended to read as follows: 75-5061. (a) The secretary of transportation is hereby authorized and empowered to: (1) Solicit and receive moneys from any public or private sources; and (2) establish and administer a grant program for public use general aviation airports for the purpose of planning, constructing, reconstructing or rehabilitating the facilities of such public use general aviation airports.

(b) Such grants shall be made upon such terms and conditions as the secretary of transportation deems appropriate, and such grants shall be made from funds credited to the public use general aviation airport development fund.

(c) The public use general aviation airport development fund is hereby established in the state treasury which shall be for the purpose of planning, constructing, reconstructing or rehabilitating the facilities of public use general aviation airports pursuant to subsection (a) of this section. All moneys received pursuant to subsection (a) shall be remitted to the state treasurer at least monthly and deposited in the state treasury to the credit of the public use general aviation airport development fund. The secretary of transportation shall administer the public use general aviation airport development fund. All expenditures from the public use general aviation airport development fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of transportation or by a person or persons designated by the secretary.

(d) (1) On July 1, 1999, and each July 1 thereafter through July 1, 2012, the director of accounts and reports shall transfer $3,000,000 from the state highway fund to the public use general aviation airport development fund.

(2) On July 1, 2013, and each July 1 thereafter, the director of accounts and reports shall transfer $5,000,000 from the state highway fund to the public use general aviation airport development fund. The secretary is hereby authorized to transfer additional moneys to the public use general aviation airport development fund from the state highway fund, and moneys from the public use general aviation airport development fund to the state highway fund. In no event shall the amount remaining in the public use general aviation airport development fund and the amount spent or dedicated for grants in each fiscal year be less than $5,000,000.

(e) As used in this section, "public use general aviation airport" means any airport available for use by the general public for the landing
and taking off of aircraft, but shall not include any airport classified as a
primary airport by the federal aviation administration.

(f) The secretary of transportation may adopt rules and regulations for
the purpose of implementing the provisions of this section.

Sec. 11. K.S.A. 79-3603 is hereby amended to read as follows: 79-
3603. For the privilege of engaging in the business of selling tangible
personal property at retail in this state or rendering or furnishing any of the
services taxable under this act, there is hereby levied and there shall be
collected and paid a tax at the rate of 6.15%, and commencing July 1,
2015, at the rate of 6.5%. On and after July 1, 2021, 16.154% of the 6.5%
rate imposed shall be levied for the state highway fund, the state highway
fund purposes and those purposes specified in K.S.A. 68-416, and
amendments thereto, and all revenue collected and received from such tax
levy shall be deposited in the state highway fund. Within a redevelopment
district established pursuant to K.S.A. 74-8921, and amendments thereto,
there is hereby levied and there shall be collected and paid an additional
tax at the rate of 2% until the earlier of the date the bonds issued to finance
or refinance the redevelopment project have been paid in full or the final
scheduled maturity of the first series of bonds issued to finance any part of
the project upon:

(a) The gross receipts received from the sale of tangible personal
property at retail within this state;

(b) the gross receipts from intrastate, interstate or international
telecommunications services and any ancillary services sourced to this
state in accordance with K.S.A. 79-3673, and amendments thereto, except
that telecommunications service does not include: (1) Any interstate or
international 800 or 900 service; (2) any interstate or international private
communications service as defined in K.S.A. 79-3673, and amendments
thereto; (3) any value-added nonvoice data service; (4) any
telecommunication service to a provider of telecommunication services
which will be used to render telecommunications services, including
carrier access services; or (5) any service or transaction defined in this
section among entities classified as members of an affiliated group as
provided by section 1504 of the federal internal revenue code of 1986, as
in effect on January 1, 2001;

(c) the gross receipts from the sale or furnishing of gas, water,
electricity and heat, which sale is not otherwise exempt from taxation
under the provisions of this act, and whether furnished by municipally or
privately owned utilities, except that, on and after January 1, 2006, for
sales of gas, electricity and heat delivered through mains, lines or pipes to
residential premises for noncommercial use by the occupant of such
premises, and for agricultural use and also, for such use, all sales of
propane gas, the state rate shall be 0%; and for all sales of propane gas, LP
gas, coal, wood and other fuel sources for the production of heat or lighting for noncommercial use of an occupant of residential premises, the state rate shall be 0%, but such tax shall not be levied and collected upon the gross receipts from: (1) The sale of a rural water district benefit unit; (2) a water system impact fee, system enhancement fee or similar fee collected by a water supplier as a condition for establishing service; or (3) connection or reconnection fees collected by a water supplier;

(d) the gross receipts from the sale of meals or drinks furnished at any private club, drinking establishment, catered event, restaurant, eating house, dining car, hotel, drugstore or other place where meals or drinks are regularly sold to the public;
(e) the gross receipts from the sale of admissions to any place providing amusement, entertainment or recreation services including admissions to state, county, district and local fairs, but such tax shall not be levied and collected upon the gross receipts received from sales of admissions to any cultural and historical event which occurs triennially;
(f) the gross receipts from the operation of any coin-operated device dispensing or providing tangible personal property, amusement or other services except laundry services, whether automatic or manually operated;
(g) the gross receipts from the service of renting of rooms by hotels, as defined by K.S.A. 36-501, and amendments thereto, or by accommodation brokers, as defined by K.S.A. 12-1692, and amendments thereto, but such tax shall not be levied and collected upon the gross receipts received from sales of such service to the federal government and any agency, officer or employee thereof in association with the performance of official government duties;
(h) the gross receipts from the service of renting or leasing of tangible personal property except such tax shall not apply to the renting or leasing of machinery, equipment or other personal property owned by a city and purchased from the proceeds of industrial revenue bonds issued prior to July 1, 1973, in accordance with the provisions of K.S.A. 12-1740 through 12-1749, and amendments thereto, and any city or lessee renting or leasing such machinery, equipment or other personal property purchased with the proceeds of such bonds who shall have paid a tax under the provisions of this section upon sales made prior to July 1, 1973, shall be entitled to a refund from the sales tax refund fund of all taxes paid thereon;
(i) the gross receipts from the rendering of dry cleaning, pressing, dyeing and laundry services except laundry services rendered through a coin-operated device whether automatic or manually operated;
(j) the gross receipts from the rendering of the services of washing and washing and waxing of vehicles;
(k) the gross receipts from cable, community antennae and other subscriber radio and television services;
(1) Except as otherwise provided by paragraph (2), the gross receipts received from the sales of tangible personal property to all contractors, subcontractors or repairmen for use by them in erecting structures, or building on, or otherwise improving, altering, or repairing real or personal property.

(2) Any such contractor, subcontractor or repairman who maintains an inventory of such property both for sale at retail and for use by them for the purposes described by paragraph (1) shall be deemed a retailer with respect to purchases for and sales from such inventory, except that the gross receipts received from any such sale, other than a sale at retail, shall be equal to the total purchase price paid for such property and the tax imposed thereon shall be paid by the deemed retailer;

(m) The gross receipts received from fees and charges by public and private clubs, drinking establishments, organizations and businesses for participation in sports, games and other recreational activities, but such tax shall not be levied and collected upon the gross receipts received from: (1) Fees and charges by any political subdivision, by any organization exempt from property taxation pursuant to K.S.A. 79-201 Ninth, and amendments thereto, or by any youth recreation organization exclusively providing services to persons 18 years of age or younger which is exempt from federal income taxation pursuant to section 501(c)(3) of the federal internal revenue code of 1986, for participation in sports, games and other recreational activities; and (2) entry fees and charges for participation in a special event or tournament sanctioned by a national sporting association to which spectators are charged an admission which is taxable pursuant to subsection (e);

(n) The gross receipts received from dues charged by public and private clubs, drinking establishments, organizations and businesses, payment of which entitles a member to the use of facilities for recreation or entertainment, but such tax shall not be levied and collected upon the gross receipts received from: (1) Dues charged by any organization exempt from property taxation pursuant to K.S.A. 79-201 Eighth and Ninth, and amendments thereto; and (2) sales of memberships in a nonprofit organization which is exempt from federal income taxation pursuant to section 501(c)(3) of the federal internal revenue code of 1986, and whose purpose is to support the operation of a nonprofit zoo;

(o) The gross receipts received from the isolated or occasional sale of motor vehicles or trailers but not including: (1) The transfer of motor vehicles or trailers by a person to a corporation or limited liability company solely in exchange for stock securities or membership interest in such corporation or limited liability company; (2) the transfer of motor vehicles or trailers by one corporation or limited liability company to another when all of the assets of such corporation or limited liability
company are transferred to such other corporation or limited liability company; or (3) the sale of motor vehicles or trailers which are subject to taxation pursuant to the provisions of K.S.A. 79-5101 et seq., and amendments thereto, by an immediate family member to another immediate family member. For the purposes of paragraph (3), immediate family member means lineal ascendants or descendants, and their spouses. Any amount of sales tax paid pursuant to the Kansas retailers sales tax act on the isolated or occasional sale of motor vehicles or trailers on and after July 1, 2004, which the base for computing the tax was the value pursuant to K.S.A. 79-5105(a), (b)(1) and (b)(2), and amendments thereto, when such amount was higher than the amount of sales tax which would have been paid under the law as it existed on June 30, 2004, shall be refunded to the taxpayer pursuant to the procedure prescribed by this section. Such refund shall be in an amount equal to the difference between the amount of sales tax paid by the taxpayer and the amount of sales tax which would have been paid by the taxpayer under the law as it existed on June 30, 2004. Each claim for a sales tax refund shall be verified and submitted not later than six months from the effective date of this act to the director of taxation upon forms furnished by the director and shall be accompanied by any additional documentation required by the director. The director shall review each claim and shall refund that amount of tax paid as provided by this act. All such refunds shall be paid from the sales tax refund fund, upon warrants of the director of accounts and reports pursuant to vouchers approved by the director of taxation or the director's designee. No refund for an amount less than $10 shall be paid pursuant to this act. In determining the base for computing the tax on such isolated or occasional sale, the fair market value of any motor vehicle or trailer traded in by the purchaser to the seller may be deducted from the selling price; (p) the gross receipts received for the service of installing or applying tangible personal property which when installed or applied is not being held for sale in the regular course of business, and whether or not such tangible personal property when installed or applied remains tangible personal property or becomes a part of real estate, except that no tax shall be imposed upon the service of installing or applying tangible personal property in connection with the original construction of a building or facility, the original construction, reconstruction, restoration, remodeling, renovation, repair or replacement of a residence or the construction, reconstruction, restoration, replacement or repair of a bridge or highway. For the purposes of this subsection: (1) "Original construction" shall mean the first or initial construction of a new building or facility. The term "original construction" shall include the addition of an entire room or floor to any existing building or facility, the completion of any unfinished portion of any existing building or
facility and the restoration, reconstruction or replacement of a building, facility or utility structure damaged or destroyed by fire, flood, tornado, lightning, explosion, windstorm, ice loading and attendant winds, terrorism or earthquake, but such term, except with regard to a residence, shall not include replacement, remodeling, restoration, renovation or reconstruction under any other circumstances;

(2) "building" shall mean only those enclosures within which individuals customarily are employed, or which are customarily used to house machinery, equipment or other property, and including the land improvements immediately surrounding such building;

(3) "facility" shall mean a mill, plant, refinery, oil or gas well, water well, feedlot or any conveyance, transmission or distribution line of any cooperative, nonprofit, membership corporation organized under or subject to the provisions of K.S.A. 17-4601 et seq., and amendments thereto, or municipal or quasi-municipal corporation, including the land improvements immediately surrounding such facility;

(4) "residence" shall mean only those enclosures within which individuals customarily live;

(5) "utility structure" shall mean transmission and distribution lines owned by an independent transmission company or cooperative, the Kansas electric transmission authority or natural gas or electric public utility; and

(6) "windstorm" shall mean straight line winds of at least 80 miles per hour as determined by a recognized meteorological reporting agency or organization;

(q) the gross receipts received for the service of repairing, servicing, altering or maintaining tangible personal property which when such services are rendered is not being held for sale in the regular course of business, and whether or not any tangible personal property is transferred in connection therewith. The tax imposed by this subsection shall be applicable to the services of repairing, servicing, altering or maintaining an item of tangible personal property which has been and is fastened to, connected with or built into real property;

(r) the gross receipts from fees or charges made under service or maintenance agreement contracts for services, charges for the providing of which are taxable under the provisions of subsection (p) or (q);

(s) on and after January 1, 2005, the gross receipts received from the sale of prewritten computer software and the sale of the services of modifying, altering, updating or maintaining prewritten computer software, whether the prewritten computer software is installed or delivered electronically by tangible storage media physically transferred to the purchaser or by load and leave;

(t) the gross receipts received for telephone answering services;
(u) the gross receipts received from the sale of prepaid calling service and prepaid wireless calling service as defined in K.S.A. 79-3673, and amendments thereto;
(v) all sales of bingo cards, bingo faces and instant bingo tickets by licensees under K.S.A. 75-5171 et seq., and amendments thereto, shall be exempt from taxes imposed pursuant to this section; and
(w) all sales of charitable raffle tickets in accordance with K.S.A. 75-5171 et seq., and amendments thereto, shall be exempt from taxes imposed pursuant to this section.

Sec. 12. K.S.A. 79-3703 is hereby amended to read as follows: 79-3703. There is hereby levied and there shall be collected from every person in this state a tax or excise for the privilege of using, storing, or consuming within this state any article of tangible personal property. Such tax shall be levied and collected in an amount equal to the consideration paid by the taxpayer multiplied by the rate of 6.5%. On and after July 1, 2021, 16.154% at the 6.5% rate imposed shall be levied for the state highway fund, the state highway fund purposes and those purposes specified in K.S.A. 68-416, and amendments thereto, and all revenue collected and received from such tax levy shall be deposited in the state highway fund. Within a redevelopment district established pursuant to K.S.A. 74-8921, and amendments thereto, there is hereby levied and there shall be collected and paid an additional tax of 2% until the earlier of: (1) The date the bonds issued to finance or refinance the redevelopment project undertaken in the district have been paid in full; or (2) the final scheduled maturity of the first series of bonds issued to finance the redevelopment project. All property purchased or leased within or without this state and subsequently used, stored or consumed in this state shall be subject to the compensating tax if the same property or transaction would have been subject to the Kansas retailers' sales tax had the transaction been wholly within this state.

Sec. 13. K.S.A. 68-416, 68-2315, 68-2316, 75-5035, 75-5048, 75-5061, 79-3603 and 79-3703 are hereby repealed.

Sec. 14. This act shall take effect and be in force from and after its publication in the statute book.
