AN ACT concerning insurance; relating to certain health benefit plans; certain prescription drug benefits; establishing a $100 maximum out-of-pocket cost-share per month per covered person for prescription insulin.

Be it enacted by the Legislature of the State of Kansas:

Section 1. (a) Any large group health insurance policy, individual health insurance policy, health benefit plan as defined by K.S.A. 40-2209d, and amendments thereto, medical service plan, contract, hospital service corporation contract, hospital and medical service corporation contract, fraternal benefit society or health maintenance organization that provides coverage for prescription insulin drugs and that is delivered, issued for delivery, amended or renewed on or after January 1, 2021, shall cap a covered person's total cost-share obligation for a 30-day supply of the prescription insulin drug at an amount not to exceed $100, regardless of the quantity or type of prescription insulin drug required to fill the covered person's prescription or if the covered person takes multiple prescription insulin drugs per month.

(b) (1) The provisions of this section shall not apply to:
(A) Any policy or certificate that provides coverage for any specified disease, specified accident or accident-only coverage, credit, dental, disability income, hospital indemnity, long-term care insurance as defined by K.S.A. 40-2227, and amendments thereto, vision care or any other limited supplemental benefit; or
(B)(i) a medicare supplement policy of insurance as defined by the commissioner of insurance by rules and regulations;
(ii) coverage issued as a supplement to liability insurance;
(iii) workers' compensation or similar insurance;
(iv) automobile medical-payment insurance; or
(v) insurance of any type under which benefits are payable with or without regard to fault, whether written on a group, blanket or individual basis.
(2) The provisions of this section shall apply to the state employee healthcare benefits plan.
(c) Nothing in this section shall be construed to prohibit an insurer from reducing a covered person's cost-share obligation by an amount
greater than that amount required pursuant to subsection (a).

(d) As used in this section:

(1) "Cost-share obligation" means a deductible payment, co-payment
or coinsurance amount imposed on a covered person in accordance with
the covered person's health plan.

(2) "Prescription insulin drug" means a drug, as defined by K.S.A.
65-656, and amendments thereto, that contains insulin and has been
prescribed as medically necessary by the covered person's physician for
the treatment of diabetes.

Sec. 2. This act shall take effect and be in force from and after its
publication in the statute book.
