Sec. 2. K.S.A. 79-32,271 is hereby amended to read as follows: 79-
32,271. (a) For any taxable year commencing after December 31, 2014,
and ending prior to January 1, 2020, a credit shall be allowed against the

facility, or portion thereof, as defined in K.S.A. 75-5202, and amendments

K.S.A. 38-2302, and amendments thereto, any correctional facility of the
federal bureau of prisons located in the state of Kansas, or any city or

(c) During the entire tax year a taxpayer filing single, head of
household, or married filing separate, or the taxpayer or the taxpayer's

disability, regardless of age; (2) a person without a disability who is 55
years of age or older; or (3) a person without a disability who is younger
than 55 years of age who claims an exemption for one or more dependent
children under 18 years of age.

(d) The amount of the credit shall be $125 for every exemption

exemption shall be counted for a dependent unless the dependent is a child
under 18 years of age.

(e) The credit allowed under this provision shall be applied against

income tax act. It shall not be refundable and may not be carried forward.

(f) (1) Every taxpayer claiming the credit shall supply the division in
support of a claim, reasonable proof of domicile, age and disability.

(2) A claim alleging disability shall be supported by a report of the
examining physician of the claimant with a statement or certificate that the

(g) "Disability" means: (1) Inability to engage in any substantial
gainful activity by reason of any medically determinable physical or
mental impairment which can be expected to result in death or has lasted
or can be expected to last for a continuous period of not less than 12
months, and an individual shall be determined to be under a disability only
if the physical or mental impairment or impairments are of such severity
that the individual is not only unable to do the individual's previous work
but cannot, considering age, education and work experience, engage in any
other kind of substantial gainful work which exists in the national
economy, regardless of whether such work exists in the immediate area in
which the individual lives or whether a specific job vacancy exists for the
individual, or whether the individual would be hired if application was
made for work. For purposes of this paragraph, with respect to any
individual, "work which exists in the national economy" means work
which exists in significant numbers either in the region where the
individual lives or in several regions of the country; and "physical or
mental impairment" means an impairment that results from anatomical,
physiological or psychological abnormalities which are demonstrable by
medically acceptable clinical and laboratory diagnostic techniques; or

some regularity and over a substantial period of time. For purposes of this
paragraph, "blindness" means central visual acuity of 20/200 or less in the
better eye with the use of a correcting lens. An eye which is accompanied
by a limitation in the fields of vision such that the widest diameter of the
visual field subtends an angle no greater than 20 degrees shall be
considered for the purpose of this paragraph as having a central visual
acuity of 20/200 or less.

(h) The secretary of revenue is hereby authorized to adopt such rules
and regulations as may be necessary for the administration of the
provisions of this section.

Sec. 3. K.S.A. 79-32,271 is hereby repealed.

Sec. 4. This act shall take effect and be in force from and after its
publication in the statute book.
