Sec. 2. K.S.A. 2018 Supp. 25-2316c is hereby amended to read as follows: 25-2316c. (a) When a registered voter changes name by marriage, divorce or legal proceeding, if such the voter is otherwise qualified to vote at such voting place—such, the voter shall be allowed to vote a provisional ballot at any election, or apply for an advance voting ballot, on the condition that such voter first completes the application for registration prescribed by K.S.A. 25-2309, and amendments thereto. Completion of the application shall authorize the county election officer to update the registration records, if appropriate, for voting in future elections. The county election officer shall send, by nonforwardable mail, a notice of disposition to any voter completing such the application.

(b) When a registered voter changes residence, such the voter shall reregister in order to be eligible to vote, except that when a registrant has moved from an address on the registration book to another address within the county and has not reregistered, such the registrant shall be allowed to
vote a provisional ballot at any election, or to apply for an advance voting ballot, on the condition that the registrant first completes the application for registration prescribed by K.S.A. 25-2309, and amendments thereto. Completion of the application shall authorize the county election officer to update the registration record, if appropriate, for voting in future elections. The county election officer shall send, by nonforwardable mail, a notice of disposition to any such voter. Whenever the county election officer receives from any other election officer a notice of registration of a voter in a different place than that shown in the records of the county election officer, the officer shall remove the name of such voter from the registration book and party affiliation list.

(c) (1) Any person who appears either on the election day at the polling place for the precinct in which the person resides or at a satellite advance voting site during the advance voting period, and who is not registered but is otherwise qualified to vote at the voting place, shall be allowed to register and vote a provisional ballot on election day at the precinct polling place where the person resides or at the satellite advance voting site during the advance voting period. Any such provisional ballot shall be counted, unless the county board of canvassers determines that the provisional ballot was not properly cast or that the person has otherwise voted at the election.

(3) If the person chooses to include a photocopy of a document proving United States citizenship with the person's provisional ballot, the person shall be provided a citizenship document envelope in which to place the photocopy. The citizenship document envelope shall be sealed and attached to the provisional ballot envelope in such a way that the citizenship document envelope can be opened without unsealing the
envelope containing the ballot. The secretary of state may adopt rules and regulations regarding the form of this citizenship document envelope, including information to be printed and written on it and the manner in which it shall be attached to the provisional ballot envelope. The rules and regulations shall safeguard the privacy of the citizenship document and the privacy of the ballot.

(4) If a person is required by K.S.A. 25-2309, and amendments thereto, to provide proof of citizenship but is unable or unwilling to do so at the polling place or satellite advance voting site as permitted by this section, the person may vote a provisional ballot. The person shall provide a document listed in K.S.A. 25-2309(l), and amendments thereto, to the county election officer in person, or provide a copy of such a document by mail or electronic means before the meeting of the board of canvassers. The person shall be provided written information containing the physical location and business hours of the office at which the person may provide a document in person, the mailing address to which the person may mail a copy of such document, and the electronic address, website or other means by which the person may submit a copy of such document, as well as the deadline before which, by statute, such proof of citizenship must be provided.

(5) A person's registration and provisional ballot shall not be rejected for reasons relating to proof of citizenship, unless the county election official determines that:

(d) Every application for registration completed under this section shall be returned to the county election officer with the registration books.

(d)(e) A registrant shall not be removed from the registration list on the ground that the registrant has changed residence unless the registrant:

The confirmation notice shall be sent by forwardable mail and shall include a postage prepaid and preaddressed return card in a form prescribed by the chief state election official.

(f)-(g) Except as otherwise provided by law, when a voter dies or is disqualified for voting, the registration of the voter shall be void, and the county election officer shall remove such voter's name from the registration books and the party affiliation lists. Whenever:

(1) An obituary notice appears in a newspaper having general circulation in the county reports the death of a registered voter, or;

(2) a registered voter requests in writing that such voter's name be removed from registration, or;
