made by credit cards.

Sec. 10. (a) All licenses issued under the provisions of the massage
therapist licensure act, whether initial or renewal, shall expire every two
years. The expiration date shall be established by rules and regulations of
the board. The board shall send a notice for renewal of license to every
massage therapist at least 60 days prior to the expiration date of such
person's license. Every person so licensed who desires to renew such
license shall file with the board, on or before the date of expiration of such
license, a renewal application together with the prescribed biennial
renewal fee. Every licensee who is no longer engaged in the active practice
of massage therapy may so state by affidavit and submit such affidavit
with the renewal application. An inactive license may be requested along

first nine months following licensure by reinstatement or endorsement,
every licensee with an active massage therapy license shall submit with the
renewal application evidence of satisfactory completion of a program of
continuing massage therapy education.

(b) The board shall require as a condition for renewal of a license

satisfied that the applicant meets the requirements set forth by law in effect
at the time of initial licensure of the applicant, the board shall verify the
accuracy of the application and grant renewal of the license.

(c) Continuing education courses shall be offered by providers
approved by the board. The courses shall be completed within the 24

number required may not be carried over to future renewals. The
continuing education requirements shall not apply to a massage therapist
within the biennium when the massage therapist is first licensed, but shall
apply to licensees every biennium thereafter.

(d) Any person who fails to secure a license renewal within the time
specified may secure a reinstatement of such lapsed license by making
verified application therefor on a form provided by the board, by
furnishing proof that the applicant is competent and qualified to act as a
massage therapist and by satisfying all of the requirements for
reinstatement, including payment to the board of a reinstatement fee as
specified by the board in rules and regulations. A reinstatement application
for licensure shall be held awaiting completion of such documentation as
may be required, but such application shall not be held for a period of time
in excess of that specified by the board in rules and regulations.

(e) (1) Each licensee shall notify the board in writing of:
    (A) A change in name or address within 30 days of the change; or

(f) (1) The board shall require an original applicant for licensure as a
massage therapist to be fingerprinted and submit to a state and national
criminal history record check. The fingerprints shall be used to identify the
applicant and to determine whether the applicant has a record of criminal
history in this state or other jurisdictions. The board is authorized to
submit the fingerprints to the Kansas bureau of investigation and the
federal bureau of investigation for a state and national criminal history
record check and request subsequent arrest notification services from both
agencies. The board may use the information obtained from fingerprinting
and the applicant's criminal history for purposes of verifying the identity of
any applicant and in making the official determination of the character and
fitness of the applicant for licensure to practice massage therapy in this
state.

(2) Local and state law enforcement officers and agencies shall assist
the board in the taking and processing of fingerprints of applicants to
practice massage therapy in this state and shall release all records of an
applicant's adult arrests and convictions to the board.

(3) The board shall fix a fee for fingerprinting and conducting a state
and national criminal history record check of applicants or licensees as
may be required by the board in an amount necessary to reimburse the
board for the cost. Fees collected under this subsection shall be deposited
in the state treasury in accordance with K.S.A. 75-4215, and amendments
thereto, and credited to the healing arts fee fund.

Sec. 11. (a) The board may deny, suspend, revoke, condition, restrict
or refuse renewal of any license issued under this act if the board
determines that the licensee or applicant:

(1) Is incompetent to practice massage therapy or is found to engage
in the practice of massage therapy in a manner harmful or dangerous to a
client or to the public;

(2) has been convicted of a felony and has not demonstrated to the
board's satisfaction that such person has been sufficiently rehabilitated to
merit the public trust;

(3) has been convicted of a misdemeanor against persons and has not
demonstrated to the board's satisfaction that such person has been sufficiently rehabilitated to merit the public trust;

(4) has committed an act of unprofessional conduct as defined by rules and regulations adopted by the board;

(5) has committed fraud or misrepresentation in applying for or obtaining license or license renewal under this act;

(6) has knowingly made a false statement on a form required by the board for license or license renewal;

(7) is currently listed on a child abuse registry or an adult protective services registry as the result of a substantiated finding of abuse or neglect by any state agency, agency of another state or the United States, territory of the United States or another country and the applicant or licensee has not demonstrated to the board's satisfaction that such person has been sufficiently rehabilitated to merit the public trust;

(8) has failed to obtain continuing education credits required by this act;

(9) has surrendered a license, registration or certificate as a massage therapist in another state or jurisdiction, has agreed to a limitation or restriction of privileges; or

(10) has had a registration, license or certificate as a massage therapist revoked, suspended or limited, or has had other disciplinary action taken, or an application for registration, license or certificate denied by the proper regulatory authority of another state, territory, the District of Columbia or another country, with a certified copy of the record of the action of the other jurisdiction being conclusive evidence thereof.

(b) Administrative proceedings and disciplinary actions conducted pursuant to this act shall be conducted in accordance with the Kansas administrative procedure act. Judicial review and civil enforcement under this act shall be in accordance with the Kansas judicial review act.

(c) The board shall notify local law enforcement of any disciplinary action in which the board becomes aware of evidence of a crime.

(d) The board, in addition to any other penalty prescribed in subsection (a), may assess a civil fine, after proper notice and an opportunity to be heard, against a licensee for unprofessional conduct in an amount not to exceed $1,000 for the first violation, $2,000 for the second violation and $3,000 for the third violation and for each subsequent violation. All fines assessed and collected under this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state general fund.

(e) A person whose license has been revoked may apply for reinstatement after the expiration of two years from the effective date of
the revocation. Application for reinstatement shall be on a form provided by the board and shall be accompanied by the fee established pursuant to section 9, and amendments thereto. The applicant shall prove to the board sufficient rehabilitation to justify reinstatement. If the board determines that a license should not be reinstated, the person shall not be eligible to reapply for reinstatement for two years from the effective date of the denial. All proceedings conducted on an application for reinstatement shall be in accordance with the Kansas administrative procedure act and shall be reviewable in accordance with the Kansas judicial review act. The board, on its own motion, may stay the effectiveness of an order of revocation of license.

Sec. 12. Except as provided in section 11(d), and amendments thereto, the board shall remit all moneys received from fees, charges or penalties under the massage therapist licensure act to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury. Ten percent of each such deposit shall be credited to the state general fund and the balance shall be credited to the healing arts fee fund.

Sec. 13. A local unit of government shall not establish or maintain professional licensing requirements for a massage therapist licensed under the massage therapist licensure act. Nothing in the massage therapist licensure act shall affect local zoning requirements. Local government law enforcement agencies may inspect massage therapy registrations and the business premises where massage therapy is practiced for compliance with applicable laws. Nothing in this section shall be construed to preclude criminal prosecution for a violation of any criminal law. If such inspection reveals the practice of massage therapy by a person without a valid license, the person may be charged with a violation of section 7, and amendments thereto, and the board shall be notified by the investigating law enforcement agency.

Sec. 14. (a) The board shall adopt rules and regulations necessary to implement and administer the provisions of this act on or before July 1, 2021. Such rules and regulations shall include, but not be limited to:

(1) The form and content of applications required and the procedures for filing applications related to licensure;
(2) the establishment of fees for licenses to cover all of the costs of administering the provisions of this act;
(3) standards of professional competency and conduct;
(4) minimum requirements to maintain a safe and healthy practice environment;
(5) standards for establishment and retention of client records and business records; and
(6) such other rules and regulations as the board deems necessary to carry out the provisions of this act.

Sec. 15. (a) When it appears to the board that any person is violating any of the provisions of the massage therapist licensure act, the board may bring an action in the name of the state of Kansas in a court of competent jurisdiction for an injunction against such violation without regard to whether proceedings have been or may be instituted before the board or whether criminal proceedings have been or may be initiated.

(b) The provisions of this section shall take effect on and after July 1, 2021.

Sec. 16. All state agency adjudicative proceedings under the massage therapist licensure act shall be conducted in accordance with the provisions of the Kansas administrative procedure act and shall be reviewable in accordance with the Kansas judicial review act.

Sec. 17. On and after July 1, 2020, nothing in the massage therapist licensure act or in the provisions of K.S.A. 40-2,100 through 40-2,105, and amendments thereto, or K.S.A. 2019 Supp. 40-2,105a through 40-2,105d, and amendments thereto, shall be construed to require that any individual, group or blanket policy of accident and sickness, medical or surgical expense insurance coverage or any provision of a policy, contract, plan or agreement for medical service issued on or after the July 1, 2020, reimburse or indemnify a person licensed under the massage therapist licensure act for services provided as a massage therapist.

Sec. 18. This act shall take effect and be in force from and after its publication in the statute book.
