Sec. 2. (a) A postsecondary educational institution shall not create or enforce any rule, requirement, standard or other limitation that prevents a student athlete of that institution from earning compensation as a result of
the use of the student athlete's name, image, likeness rights or athletic reputation. The earning of compensation by a student athlete from the use of a student athlete's name, image, likeness rights or athletic reputation shall not affect a student athlete's scholarship eligibility or scholarship renewal eligibility, unless otherwise required by federal laws or institutional standards governing need-based awards due to income received.

(b) An athletic association shall not:

(1) Prevent, restrict, impose any condition or penalty upon or otherwise limit a student athlete of a postsecondary educational institution from fully participating in intercollegiate athletics and earning compensation as a result of the student athlete's use of the student athlete's name, image, likeness rights or athletic reputation; or

(2) prevent, restrict, impose any condition or penalty upon or otherwise limit a postsecondary educational institution, its employees or volunteers from fully participating in intercollegiate athletics as a result of a student athlete's use of the student athlete's name, image, likeness rights or athletic reputation to earn compensation.

(c) A postsecondary educational institution or athletic association shall not provide a prospective student athlete who will attend a postsecondary educational institution or a current student athlete with compensation in relation to the athlete's name, image, likeness rights or athletic reputation.

(d) For the purposes of this act, an athletics grant-in-aid or a stipend scholarship from a postsecondary educational institution in which a student athlete is enrolled shall not be considered compensation for use of a student athlete's name, image, likeness rights or athletic reputation, and no postsecondary educational institution shall revoke or reduce an athletics grant-in-aid or stipend scholarship as a result of a student athlete earning compensation in accordance with this act, unless otherwise required by federal laws or institutional standards governing need-based awards due to income received.

Sec. 3. (a) A postsecondary educational institution or athletic association shall not:

(1) Interfere with or prevent a student athlete who is enrolled at a postsecondary educational institution within the state of Kansas and who participates in intercollegiate athletics from obtaining professional representation in relation to contracts or legal matters, including, but not limited to, representation provided by an athlete agent or legal representation provided by an attorney; or

(2) interfere with or prevent a student athlete from fully participating in intercollegiate athletics as a result of the student athlete obtaining professional representation in relation to contracts or legal matters,
including, but not limited to, representation provided by an athlete agent or legal representation provided by an attorney.

(b) An athletic association shall not prevent, restrict, impose any condition or penalty upon or otherwise limit a postsecondary educational institution from fully participating in intercollegiate athletics as a result of a student athlete obtaining professional representation in relation to contracts or legal matters, including, but not limited to, representation provided by an athlete agent or legal representation provided by an attorney.

(c) Professional representation on behalf of a student athlete by an athlete agent or attorney shall only be provided by persons licensed by this state or holding certificates of registration as provided by applicable Kansas law, including the uniform athlete agents act, and who are in compliance with such Kansas law and the federal sports agent responsibility and trust act, 15 U.S.C. § 7801 et seq., established in chapter 104 of title 15 of the United States code.

Sec. 4. (a) A student athlete shall be deemed to have granted the student's postsecondary educational institution the right, royalty-free and without compensation in return therefor, to use the student athlete's name, image, likeness rights or athletic reputation and any alterations thereto, to the extent and in the form determined in the institution's sole discretion, at any time for its advertising and marketing related to the postsecondary educational institution's athletic, academic, promotional and historical interests. Any contractual provision in a contract between a student athlete and a third-party sponsor or athlete agent in conflict with this provision is null and void.

(b) A student athlete shall not enter into a contract providing compensation to the student athlete for use of the student athlete's name, image, likeness rights or athletic reputation if a provision of that contract is in conflict with a provision of a contract entered into by the postsecondary educational institution's department or an affiliated entity, including, but not limited to, a contract that requires the student athlete to display a sponsor's apparel, or otherwise advertise for a sponsor, during official team activities if such provision is in conflict with a provision of a contract binding the postsecondary educational institution.

(c) A postsecondary educational institution asserting a conflict described in subsection (b) shall disclose to the student athlete and the student athlete's professional representative, if applicable, the full contract that the postsecondary educational institution asserts is in conflict and shall designate the relevant contractual provisions asserted to be in conflict.

(d) A postsecondary educational institution or its athletic program shall not enter into a contract that prevents a student athlete from receiving
compensation for using the student athlete's name, image, likeness rights or athletic reputation for a commercial purpose when the student athlete is not engaged in official team activities.

(e) A student athlete who enters into a contract providing compensation to the student athlete for the use of the student athlete's name, image, likeness rights or athletic reputation shall disclose the contract to an official of the postsecondary educational institution to be designated by the postsecondary educational institution. Notice of the official to receive disclosure of the contract shall be provided to all student athletes by the postsecondary educational institution upon request or prior to the first day of class of a semester, session or term. A student athlete shall provide disclosure of a contract within five business days of the date of signature of the contract by the student athlete.

(f) This act shall not authorize prospective student athletes who may attend a postsecondary educational institution to negotiate, discuss or receive compensation for the use of the prospective student athlete's name, image, likeness rights or athletic reputation prior to the student athlete's enrollment in a postsecondary educational institution or practice or competition in intercollegiate athletics.

Sec. 5. (a) This act shall not apply to a contract executed, modified or renewed by a student athlete before the effective date of this act.

(b) A legal settlement arising under this act shall not permit noncompliance with this act.

Sec. 6. (a) The attorney general shall certify to the secretary of state when a total of 15 other states have enacted legislation similar to this act, permitting student athletes to receive compensation from the use of their name, image, likeness rights or athletic reputation. Upon receipt of such certification, the secretary of state shall cause a notice of such certification to be published in the Kansas register.

(b) The provisions of sections 1 through 5, and amendments thereto, shall take effect from and after July 1 following the publication of the notice by the secretary of state in the Kansas register as provided by subsection (a).

Sec. 7. This act shall take effect and be in force from and after its publication in the statute book.
