Prayer by Chaplain Brubaker:

Almighty God,
today we are reminded how good You are.
Please come alongside our legislators today
and may their decisions be in line with Your purpose.
Give them encouragement
when their hard work and desire for progress
becomes frustrated or hopeless.
Guide them with Your counsel
when they are inclined to lead by their own impulses.
Give them confidence in Your plan and will
when they are confused with uncertainty.
Teach them the importance of patience
when faced with those who don’t or won’t seem to listen.
Give them Your grace to work together
when it appears their best efforts seem to be failing.
In Your Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Day.

EXPLANATIONS OF VOTE

Mr. Speaker: We vote no on H Sub for SB 158. Marijuana is listed as a Schedule One drug by the U.S. Drug Enforcement Administration and is therefore illegal to possess, sell, and manufacture.

There's reason to believe that Marijuana has medical benefits. However, as with other drugs, benefits can only be determined by rigorous testing by the FDA to determine what maladies for which it's medically beneficial and those maladies for which it's not beneficial and what are the side effects, both dangerous and tolerable. In addition, Medical Marijuana should be prescribed only by a licensed medical doctor and dispensed only by a licensed pharmacist. Until that is possible, and until Medical Marijuana is de-scheduled, we vote no. – SUSAN HUMPHRIES, JOHN WHEELER, JR., J. RUSSELL JENNINGS, BARBARA WASINGER, RONALD HIGHLAND, BILL RHILEY, LISA MOSER, BRENDA LANDWEHR

Mr. Speaker: I have deep compassion for those Kansans who suffer from conditions that might be positively affected by marijuana use. Today we rejected a viable alternative that would have allowed us to help those Kansans get the relief they need.

This bill does much more than help those Kansans get relief. It creates the infrastructure for recreational marijuana. That's why this bill – rather than the alternative amendment we heard today –is backed by the marijuana industry. I have seen first-hand the tragic impacts of legalization in Colorado and I will not be a party to visiting that disaster on Kansas. For that reason, I vote no on House Sub for SB 158. – PAT PROCTOR, RON ELLIS, TREVOR JACOBS, CHARLOTTE ESAU

Mr. Speaker: As a Representative, I have fought for expanded Substance Use Treatment. As a matter of fact, this body just voted unanimously to expand those treatment options just yesterday. So today, I choose our children. Where does addiction begin? What does it look like? Where does it lead? For one man, Chris Herron a former NBA player who I had the pleasure to meet last Tuesday, it started with alcohol and marijuana and ended in a Heroin addiction and four near-death experiences. Many don't make it like he did. I believe our first obligation is to our children, to our future. I do NOT believe this will lead to a better Kansas! I vote No on H Sub for SB 158. – STEPHEN OWENS

Mr. Speaker: House Sub for SB 158 is a defeat for Kansas. It is a defeat for science, for taxpayers, for Kansas families and for the Republican party. We could have had a bill that was genuinely cautious, genuinely compassionate, scientific and genuinely conservative in intent and effect. Instead we have done the bidding of the marijuana industry and their lobbyists. God bless the Kansas Senate when they kill this monstrosity. – PAUL WAGGONER

Mr. Speaker: I am voting no on H Sub SB 158 as I will continue to vote against the introduction of marijuana into our state. The marijuana carrot is so enticing with promises of endless money for the state and increased health for its citizens. But, the
stick that comes with it will destroy all those gains as well as our state. It may eventually come to Kansas but not with my vote. – DAVID W. FRENCH, CHARLES E. SMITH

MR. SPEAKER: I vote no on House Sub for SB 158. I believe in Liberty. I believe in the right of people making decisions for their own health. However, if this bill truly had medical intent with stringent regulation, I would have voted for it. Unfortunately, we rejected multiple amendments that would have given regulation. This revealed the actual intent of the sponsors of this legislation which is to set up the framework for recreational drug use. – TATUM LEE-HAHN

MR. SPEAKER: With growing scientific research relating to medical cannabis and its therapeutic benefits to individuals with chronic illnesses, I vote affirmative for Kansans that suffer without adequate or safe pharmaceutical alternatives such as highly addictive opioids. Legislative safeguards include requiring a six-month doctor-patient relationship, regulations through the Board of Healing Arts, controlled and approved advertising, and prescription monitoring through current KTRAC System. Though I cannot support legalization of recreational marijuana – I must support solutions that improve the quality of life for those suffering from debilitating illnesses. For these reasons, Mr. Speaker, I vote in favor of H Sub for SB 158. – KRISTEY WILLIAMS

HB 2056, AN ACT concerning food products; relating to the Kansas food, drug and cosmetic act; regulating the sale and distribution of kratom products; amending K.S.A. 65-656 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 97; Nays 24; Present but not voting: 0; Absent or not voting: 4.

Present but not voting: None.

Absent or not voting: Awerkamp, Howard, Huebert, Samsel.

The bill passed.

Prayer by Chaplain Brubaker:

Gracious Loving Father,
Thank You for your faithfulness once again
for another session.
For those days when the energy of our leaders seemed depleted,
    You provided Your life-giving spirit.
When the heat of debate and discussion increased,
    You delivered calm and cool heads to prevail.
When there was uncertainty and hopelessness,
    You gave hope and promise.
When there seemed to be no good solutions,
    You afforded them Your wisdom and guidance.
    When they became weary,
    You bestowed strength.
In these last few hours or days,
I ask that You continue to show Your faithfulness,
    extend your spirit and renewal,
and provide Your peace, presence, and provision.
    In Christ’s Name I pray, Amen.

(l) On or after July 1, 1989, and prior to January 1, 2022, every healthcare provider shall make an election to be covered by one of the following options provided in this subsection subparagraph (A) that shall limit the liability of the fund with respect to judgments or settlements relating to injury or death arising out of the rendering of or failure to render professional services on or after July 1, 1989. On and after January 1, 2022, every healthcare provider shall make an election to be covered by one of the following options provided in subparagraph (B) that shall limit the liability of the fund with respect to judgments or settlements relating to injury or death arising out of the rendering of or failure to render professional services on or after January 1, 2022. Such election shall be made at the time the healthcare provider renews the basic coverage in effect on July 1, 1989, or, if basic coverage is not in effect, such election shall be made at the time such coverage is acquired pursuant to K.S.A. 40-3402, and amendments thereto. A medical care facility or a healthcare facility deemed qualified as a self-insurer under K.S.A. 40-3414(a), and amendments thereto, may opt out of the requirements set forth in subparagraph (B) if such medical care facility or healthcare facility substantially meets the minimum coverage requirements of this section through coverage provided by the captive insurance company of such medical care facility or healthcare facility. Notice of the election shall be provided by the insurer providing the basic coverage in the manner and form prescribed by the board of governors and shall continue to be effective from year to year unless modified by a subsequent election made prior to the anniversary date of the policy. The healthcare provider may at any subsequent election reduce the dollar amount of the coverage for the next and subsequent fiscal years, but may not increase the same, unless specifically authorized by the board of governors. Any election of fund coverage limits, whenever made, shall be with respect to judgments or settlements relating to injury or death arising out of the rendering of or failure to render professional services on or after the effective date of such election of fund coverage limits. Such election shall be made for persons engaged in residency training and persons engaged in other postgraduate training programs approved by the state board of healing arts at medical care facilities or mental health centers in this state by the agency or institution paying the surcharge levied under K.S.A. 40-3404, and amendments thereto, for such persons. The election of fund coverage limits for a nonprofit corporation organized to administer the graduate medical education programs of community hospitals or medical care facilities affiliated with the university of Kansas school of medicine shall be deemed to be effective at the highest option. Such options shall be as follows:

(1)(A) (i) OPTION 1. The fund shall not be liable to pay in excess of $100,000
pursuant to any one judgment or settlement for any party against such healthcare provider, subject to an aggregate limitation for all judgments or settlements arising from all claims made in the fiscal year in an amount of $300,000 for such provider.

(2)(ii) **OPTION 2.** The fund shall not be liable to pay in excess of $300,000 pursuant to any one judgment or settlement for any party against such healthcare provider, subject to an aggregate limitation for all judgments or settlements arising from all claims made in the fiscal year in an amount of $900,000 for such provider.

(3)(iii) **OPTION 3.** The fund shall not be liable to pay in excess of $800,000 pursuant to any one judgment or settlement for any party against such healthcare provider, subject to an aggregate limitation for all judgments or settlements arising from all claims made in the fiscal year in an amount of $2,400,000 for such healthcare provider.

(B) (i) **OPTION 1.** The fund shall not be liable to pay in excess of $500,000 pursuant to any one judgment or settlement for any party against such healthcare provider, subject to an aggregate limitation for all judgments or settlements arising from all claims made in the fiscal year in an amount of $1,500,000 for such healthcare provider.

(ii) **OPTION 2.** The fund shall not be liable to pay in excess of $1,500,000 pursuant to any one judgment or settlement for any party against such healthcare provider, subject to an aggregate limitation for all judgments or settlements arising from all claims made in the fiscal year in an amount of $4,500,000 for such healthcare provider.

(2) The board of governors shall have the authority to adjust the amounts provided in subparagraph (B) as the board deems necessary to effectuate the provisions of the healthcare provider insurance availability act, except that the minimum coverage for a healthcare provider shall not be less than $1,000,000 per claim and $3,000,000 in the aggregate.

(m) The fund shall not be liable for any amounts due from a judgment or settlement against resident or nonresident inactive healthcare providers who first qualify as an inactive healthcare provider on or after July 1, 1989, unless such healthcare provider has been in compliance with K.S.A. 40-3402, and amendments thereto, for a period of not less than five years. If a healthcare provider has not been in compliance for five years, such healthcare provider may make application and payment for the coverage for the period while they are nonresident healthcare providers, nonresident self-insurers or resident or nonresident inactive healthcare providers to the fund. Such payment shall be made within 30 days after the healthcare provider ceases being an active healthcare provider and shall be made in an amount determined by the board of governors to be sufficient to fund anticipated claims based upon reasonably prudent actuarial principles.

The provisions of this subsection shall not be applicable to any healthcare provider that becomes inactive through death or retirement, or through disability or circumstances beyond such healthcare provider's control, if such healthcare provider notifies the board of governors and receives approval for an exemption from the provisions of this subsection. Any period spent in a postgraduate program of residency training approved by the state board of healing arts shall not be included in computation of time spent in compliance with the provisions of K.S.A. 40-3402, and amendments thereto. The provisions of this subsection shall expire on July 1, 2014.

(n) In the event of a claim against a healthcare provider for personal injury or death arising out of the rendering of or the failure to render professional services by such
healthcare provider, the liability of the fund shall be limited to the amount of coverage selected by the healthcare provider at the time of the incident giving rise to the claim.

Notwithstanding anything in article 34 of chapter 40 of the Kansas Statutes Annotated, and amendments thereto, to the contrary, the fund shall in no event be liable for any claims against any healthcare provider based upon or relating to the healthcare provider's sexual acts or activity, but in such cases the fund may pay reasonable and necessary expenses for attorney fees incurred in defending the fund against such claim. The fund may recover all or a portion of such expenses for attorney fees if an adverse judgment is returned against the healthcare provider for damages resulting from the healthcare provider's sexual acts or activity.

Sec. 15. K.S.A. 2020 Supp. 40-3408 is hereby amended to read as follows: 40-3408.

(a) The insurer of a healthcare provider covered by the fund or self-insurer shall be liable only for the first $200,000 of a claim for personal injury or death arising out of the rendering of or the failure to render professional services by a healthcare provider, subject to an annual aggregate of $600,000 for all such claims against the healthcare provider. For a claim for personal injury or death arising out of the rendering of or the failure to render professional services by a healthcare provider, the insurer of a healthcare provider covered by the fund or self-insurer shall be liable only for the amount of basic coverage in effect on the date of the incident giving rise to the claim, subject to an annual aggregate amount of not less than three times the primary amount for all such claims against the healthcare provider. However, if any liability insurance in excess of such amounts is applicable to any claim or would be applicable in the absence of this act, any payments from the fund shall be excess over such amounts paid, payable or that would have been payable in the absence of this act.

(b) If any inactive healthcare provider has liability insurance in effect which is applicable to any claim or would be applicable in the absence of this act, any payments from the fund shall be excess over such amounts paid, payable or that would have been payable in the absence of this act.

(c) Notwithstanding anything in article 34 of chapter 40 of the Kansas Statutes Annotated, and amendments thereto, to the contrary, an insurer that provides coverage to a healthcare provider may exclude from coverage any liability incurred by such provider:

1. From the rendering of or the failure to render professional services by any other healthcare provider who is required by K.S.A. 40-3402, and amendments thereto, to maintain professional liability insurance in effect as a condition to rendering professional services as a healthcare provider in this state; or

2. Based upon or relating to the healthcare provider's sexual acts or activity, but in such cases the insurer may provide reasonable and necessary expenses for attorney fees incurred in defending against such claim. The insurer may recover all or a portion of such expenses for attorney fees if an adverse judgment is returned against the healthcare provider for damages resulting from the healthcare provider's sexual acts or activity.

(d) The fund shall not be liable for payment of any claim excluded by an insurer pursuant to this section or any claim otherwise excluded from coverage under a healthcare provider's professional liability insurance.

(e) Notwithstanding any provision of article 34 of chapter 40 of the Kansas Statutes Annotated, and amendments thereto, to the contrary, an insurer that provides coverage to a healthcare provider may exclude from coverage:
(1) Any liability incurred by such healthcare provider as a result of professional services rendered as a charitable healthcare provider; or

(2) any liability incurred by such healthcare provider that is covered under the federal tort claims act pursuant to chapter 171 of title 28 of the United States code.

Sec. 16. K.S.A. 40-3409 is hereby amended to read as follows: 40-3409. (a) (1) In any action filed in this state for personal injury or death arising out of the rendering of or the failure to render professional services by any healthy-care healthcare provider covered by the fund or any inactive healthy-care healthcare provider covered by the fund, the plaintiff shall serve a copy of the petition upon the board of governors by registered mail, certified mail, priority mail, commercial delivery service or first class mail within 40 30 calendar days from filing the same, and if such service is not made the fund shall not be liable for any amount due from a judgment or a settlement nor, in such case, shall the healthy-care healthcare provider or the provider's insurer or the inactive healthy-care healthcare provider or the provider's insurer be liable for such amount that, if such service had been made, would have been paid by the fund; (2) in any action filed outside of this state for personal injury or death arising out of the rendering of or the failure to render professional services by any healthy-care healthcare provider or any inactive healthy-care healthcare provider, the self-insurer or the insurer of a healthy-care healthcare provider or an inactive healthy-care healthcare provider shall notify the board of governors, as soon as it is reasonably practicable, that such summons or petition has been filed. If the petition names as a defendant in the action a healthy-care healthcare provider who is licensed, registered or certified by the state board of healing arts, the board of governors shall forward a copy of the petition to the state board of healing arts.

(b) Such action shall be defended by the insurer or the self-insurer, but if the board of governors believes it to be in the best interests of the fund, the board of governors may employ independent counsel to represent the interests of the fund. The cost of employing such counsel shall be paid from the fund. The board of governors is authorized to employ independent counsel in any such action against an inactive healthy-care healthcare provider covered by the fund.

(c) The attorneys of record and the board of governors shall submit to the state board of healing arts expert witness reports which have been made available to the opposing parties in the case and, upon the request of the state board of healing arts, any depositions, interrogatories, admissions or other relevant information concerning the case which has been made available to the opposing parties in the case shall also be submitted. The board of governors shall not be required to furnish information not in the possession of the board of governors. Any report or other information made available to the state board of healing arts in accordance with this subsection shall be subject to K.S.A. 65-2898a and amendments thereto. Reasonable expenses incurred in reproducing such reports or other information shall be paid by the state board of healing arts.

Sec. 17. K.S.A. 2020 Supp. 40-3414 is hereby amended to read as follows: 40-3414. (a) (1) Any healthy-care healthcare provider or any healthy-care healthcare system organized and existing under the laws of this state which owns and operates more than one medical care facility or more than one healthy-care healthcare facility, as defined in K.S.A. 40-3401, and amendments thereto, licensed by the state of Kansas, whose aggregate annual insurance premium is or would be $100,000 $150,000 or more for
basic coverage calculated in accordance with rating procedures approved by the commissioner pursuant to K.S.A. 40-3413, and amendments thereto, may qualify as a self-insurer by obtaining a certificate of self-insurance from the board of governors. Upon application of any such healthcare provider or healthcare system, on a form prescribed by the board of governors, the board of governors may issue a certificate of self-insurance if the board of governors is satisfied that the applicant is possessed and will continue to possess the ability to pay any judgment for which liability exists equal to the amount of basic coverage required of a healthcare provider obtained against such applicant arising from the applicant's rendering of professional services as a healthcare provider.

(2) In making such determination the board of governors shall consider:
   (A) The financial condition of the applicant;
   (B) the procedures adopted and followed by the applicant to process and handle claims and potential claims;
   (C) the amount and liquidity of assets reserved for the settlement of claims or potential claims; and
   (D) any other relevant factors the board deems relevant.

(3) Any applicant for self-insurance that owns and operates more than one medical care facility or more than one healthcare facility shall be deemed qualified by the board of governors if such applicant is insured by a captive insurance company, as defined in K.S.A. 40-4301, and amendments thereto, or under the laws of the state of domicile of any such captive insurance company.

(4) The certificate of self-insurance may contain reasonable conditions prescribed by the board of governors. Upon notice and a hearing in accordance with the provisions of the Kansas administrative procedure act, the board of governors may cancel a certificate of self-insurance upon reasonable grounds therefor. Failure to pay any judgment for which the self-insurer is liable arising from the self-insurer's rendering of professional services as a healthcare provider, the failure to comply with any provision of this act or the failure to comply with any conditions contained in the certificate of self-insurance shall be reasonable grounds for the cancellation of such certificate of self-insurance. The provisions of this subsection shall not apply to the Kansas soldiers' home, the Kansas veterans' home or to any person who is a self-insurer pursuant to subsection (d) or (e).

(b) Any such healthcare provider or healthcare system that holds a certificate of self-insurance shall pay the applicable surcharge set forth in K.S.A. 40-3402(c), and amendments thereto.

(c) The Kansas soldiers' home and the Kansas veterans' home shall be self-insurers and shall pay the applicable surcharge set forth in K.S.A. 40-3402(c), and amendments thereto.

(d) Individuals engaged in residency training as provided in K.S.A. 40-3401(r)(1) and (2), and amendments thereto, shall be self-insured by the state of Kansas for occurrences arising during such training, and such person shall be deemed a self-insurer for the purposes of the healthcare provider insurance availability act. Such self-insurance shall be applicable to a person engaged in residency training only when such person is engaged in medical activities which do not include extracurricular, extra-institutional medical service for
which such person receives extra compensation and which have not been approved as provided in K.S.A. 40-3401(r)(1) and (2), and amendments thereto.

(e) (1) A person engaged in a postgraduate training program approved by the state board of healing arts at a medical care facility or mental health center in this state may be self-insured by such medical care facility or mental health center in accordance with this subsection (e) and in accordance with such terms and conditions of eligibility therefor as may be specified by the medical care facility or mental health center and approved by the board of governors. A person self-insured under this subsection (e) by a medical care facility or mental health center shall be deemed a self-insurer for purposes of the health care provider insurance availability act. Upon application by a medical care facility or mental health center, on a form prescribed by the board of governors, the board of governors may authorize such medical care facility or mental health center to self-insure persons engaged in postgraduate training programs approved by the state board of healing arts at such medical care facility or mental health center if the board of governors is satisfied that the medical care facility or mental health center is possessed and will continue to be possessed of ability to pay any judgment for which liability exists equal to the amount of basic coverage required of a health care provider obtained against a person engaged in such a postgraduate training program and arising from such person's rendering of or failure to render professional services as a health care provider.

(2) In making such determination the board of governors shall consider:
(A) The financial condition of the medical care facility or mental health center;
(B) the procedures adopted by the medical care facility or mental health center to process and handle claims and potential claims;
(C) the amount and liquidity of assets reserved for the settlement of claims or potential claims by the medical care facility or mental health center; and
(D) any other factors the board of governors deems relevant.

The board of governors may specify such conditions for the approval of an application as the board of governors deems necessary. Upon approval of an application, the board of governors shall issue a certificate of self-insurance to each person engaged in such postgraduate training program at the medical care facility or mental health center who is self-insured by such medical care facility or mental health center.

(3) Upon notice and a hearing in accordance with the provisions of the Kansas administrative procedure act, the board of governors may cancel, upon reasonable grounds therefor, a certificate of self-insurance issued pursuant to this subsection (e) or the authority of a medical care facility or mental health center to self-insure persons engaged in such postgraduate training programs at the medical care facility or mental health center. Failure of a person engaged in such postgraduate training program to comply with the terms and conditions of eligibility to be self-insured by the medical care facility or mental health center, the failure of a medical care facility or mental health center to pay any judgment for which such medical care facility or mental health center is liable as self-insurer of such person, the failure to comply with any provisions of the health care provider insurance availability act or the failure to comply with any conditions for approval of the application or any conditions contained in the certificate of self-insurance shall be reasonable grounds for
cancellation of such certificate of self-insurance or the authority of a medical care facility or mental health center to self-insure such persons.

(4) A medical care facility or mental health center authorized to self-insure persons engaged in such postgraduate training programs shall pay the applicable surcharge set forth in K.S.A. 40-3402(c), and amendments thereto, on behalf of such persons.

(5) As used in this subsection, "medical care facility" does not include the university of Kansas medical center or those community hospitals or medical care facilities described in K.S.A. 40-3401(r)(2), and amendments thereto.

(f) For the purposes of subsection (a), "health care providers" may include each health care provider in any group of providers who practice as a group to provide physician services only for a health maintenance organization, any professional corporations, partnerships or not-for-profit corporations formed by such group and the health maintenance organization itself. The premiums for each such provider, health maintenance organization and group corporation or partnership may be aggregated for the purpose of being eligible for and subject to the statutory requirements for self-insurance as set forth in this section.

(g) The provisions of subsections (a) and (f), relating to health care systems, shall not affect the responsibility of individual health care providers as defined in K.S.A. 40-3401(f), and amendments thereto, or organizations whose premiums are aggregated for purposes of being eligible for self-insurance from individually meeting the requirements imposed by K.S.A. 40-3402, and amendments thereto, with respect to the ability to respond to injury or damages to the extent specified therein and K.S.A. 40-3404, and amendments thereto, with respect to the payment of the health care stabilization fund surcharge.

(h) Each private practice corporation or foundation and their full-time physician faculty employed by the university of Kansas medical center and each nonprofit corporation organized to administer the graduate medical education programs of community hospitals or medical care facilities affiliated with the university of Kansas school of medicine shall be deemed a self-insurer for the purposes of the health care provider insurance availability act. The private practice corporation or foundation of which the full-time physician faculty is a member and each nonprofit corporation organized to administer the graduate medical education programs of community hospitals or medical care facilities affiliated with the university of Kansas school of medicine shall pay the applicable surcharge set forth in K.S.A. 40-3404(a), and amendments thereto, on behalf of the private practice corporation or foundation and their full-time physician faculty employed by the university of Kansas medical center or on behalf of a nonprofit corporation organized to administer the graduate medical education programs of community hospitals or medical care facilities affiliated with the university of Kansas school of medicine.

(i) (1) Subject to the provisions of paragraph (4), for the purposes of the health care provider insurance availability act, each nonprofit corporation organized to administer the graduate medical education programs of community hospitals or medical care facilities affiliated with the university of Kansas school of medicine shall be deemed to have been a health care provider as defined in K.S.A. 40-3401, and amendments thereto, from and after July 1, 1997.

(2) Subject to the provisions of paragraph (4), for the purposes of the health care provider insurance availability act.
healthcare provider insurance availability act, each nonprofit corporation organized to administer the graduate medical education programs of community hospitals or medical care facilities affiliated with the university of Kansas school of medicine shall be deemed to have been a self-insurer within the meaning of subsection (h), and amendments thereto, from and after July 1, 1997.

(3) Subject to the provisions of paragraph (4), for the purposes of the healthcare provider insurance availability act, the election of fund coverage limits for each nonprofit corporation organized to administer the graduate medical education programs of community hospitals or medical care facilities affiliated with the university of Kansas school of medicine shall be deemed to have been effective at the highest option, as provided in K.S.A. 40-3403(l), and amendments thereto, from and after July 1, 1997.

(4) No nonprofit corporation organized to administer the graduate medical education programs of community hospitals or medical care facilities affiliated with the university of Kansas school of medicine shall be required to pay to the fund any annual premium surcharge for any period prior to the effective date of this act. Any annual premium surcharge for the period commencing on the effective date of this act and ending on June 30, 2001, shall be prorated.

Sec. 18. K.S.A. 2020 Supp. 40-3424 is hereby amended to read as follows: 40-3424. (a) For all claims made on and after July 1, 2014, the amount of fund liability for a judgment or settlement against a resident or nonresident inactive healthcare provider shall be equal to the minimum professional liability insurance policy limits required pursuant to K.S.A. 40-3402, and amendments thereto, and in effect on the date of the incident giving rise to a claim, plus the level of coverage selected by the healthcare provider pursuant to K.S.A. 40-3403(l), and amendments thereto, at the time of the incident giving rise to a claim.

(b) The aggregate fund liability for all judgments and settlements arising from all claims made in any fiscal year against a resident or nonresident inactive healthcare provider shall not exceed $3,000,000 in any fiscal year.

(b) This section shall be part of and supplemental to the healthcare provider insurance availability act. For all claims made for incidents occurring on or after January 1, 2022, the aggregate fund liability for all judgments and settlements made in any fiscal year against a resident or nonresident inactive healthcare provider shall not exceed three times the coverage amount in subsection (a).

"Section 1. K.S.A. 2020 Supp. 40-2,193 is hereby amended to read as follows: 40-2,193. (a) For the purposes of this section:

(B) Because a short-term, limited-duration policy addresses the special needs for temporary coverage, a short-term, limited-duration policy shall be exempt from medical loss ratio calculations associated with individual sickness and accident insurance issued within the state unless such calculation excludes any monthly administration fee associated with the sale of such policy.

(b) Specially designed policies shall include policies designed to provide sickness and accident insurance for specific coverage of benefits or services that may be excluded as benefits or services cited under K.S.A. 2020 Supp. 40-2-192, and amendments thereto. Such initiatives shall have a particular emphasis on the prevention, detection, enforcement and prosecution of securities fraud. In developing and implementing these initiatives, the administrator may collaborate with public and nonprofit organizations with an interest in investor education or protection. Sec. 65. K.S.A. 74-4920 is hereby amended to read as follows: 74-4920. (1) (a) Upon the basis of each annual actuarial valuation and appraisal as provided for in K.S.A. 74-4908(3)(a), and amendments thereto, the board shall certify, on or before July 15 of each year, to the division of the budget in the case of the state and to the agent for each other participating employer an actuarially determined estimate of the rate of contribution which will be required, together with all accumulated contributions and other assets of the system, to be paid by each such participating employer to pay all liabilities which shall exist or accrue under the system, including amortization of the actuarial accrued liability as determined by the board. The board shall determine the actuarial cost method to be used in annual actuarial valuations, to determine the employer contribution rates that shall be certified by the board. Such certified rate of contribution, amortization methods and periods and actuarial cost method shall be based on the standards set forth in K.S.A. 74-4908(3)(a), and amendments thereto, and shall not be based on any other purpose outside of the needs of the system.

(b) (i) For employers affiliating on and after January 1, 1999, upon the basis of an annual actuarial valuation and appraisal of the system conducted in the manner provided for in K.S.A. 74-4908, and amendments thereto, the board shall certify, on or before July 15 of each year to each such employer an actuarially determined estimate of the rate of contribution which shall be required to be paid by each such employer to pay all of the liabilities which shall accrue under the system from and after the entry date as determined by the board, upon recommendation of the actuary. Such rate shall be termed the employer's participating service contribution and shall be uniform for all participating employers. Such additional liability shall be amortized as determined by the board. For all participating employers described in this section, the board shall determine the actuarial cost method to be used in annual actuarial valuations to determine the employer contribution rates that shall be certified by the board.

(ii) The board shall determine for each such employer separately an amount sufficient to amortize all liabilities for prior service costs which shall have accrued at the time of entry into the system. On the basis of such determination the board shall annually certify to each such employer separately an actuarially determined estimate of the rate of contribution which shall be required to be paid by that employer to pay all of the liabilities for such prior service costs. Such rate shall be termed the employer's prior service contribution.

(2) The division of the budget and the governor shall include in the budget and in the budget request for appropriations for personal services the sum required to satisfy the state's obligation under this act as certified by the board and shall present the same to the legislature for allowance and appropriation.

(3) Each other participating employer shall appropriate and pay to the system a sum sufficient to satisfy the obligation under this act as certified by the board.

(4) Each participating employer is hereby authorized to pay the employer's contribution from the same fund that the compensation for which such contribution is made is paid from or from any other funds available to it for such purpose. Each political subdivision, other than an instrumentality of the state, which is by law authorized to levy taxes for other purposes, may levy annually at the time of its levy of
taxes, a tax which may be in addition to all other taxes authorized by law for the purpose of making its contributions under this act and, in the case of cities and counties, to pay a portion of the principal and interest on bonds issued under the authority of K.S.A. 12-1774, and amendments thereto, by cities located in the county, which tax, together with any other fund available, shall be sufficient to enable it to make such contribution. In lieu of levying the tax authorized in this subsection, any taxing subdivision may pay such costs from any employee benefits contribution fund established pursuant to K.S.A. 12-16,102, and amendments thereto. Each participating employer which is not by law authorized to levy taxes as described above, but which prepares a budget for its expenses for the ensuing year and presents the same to a governing body which is authorized by law to levy taxes as described above, may include in its budget an amount sufficient to make its contributions under this act which may be in addition to all other taxes authorized by law. Such governing body to which the budget is submitted for approval, may levy a tax sufficient to allow the participating employer to make its contributions under this act, which tax, together with any other fund available, shall be sufficient to enable the participating employer to make the contributions required by this act.

(5) (a) The rate of contribution certified to a participating employer as provided in this section shall apply during the fiscal year of the participating employer which begins in the second calendar year following the year of the actuarial valuation.

(b) (i) Except as specifically provided in this section, for fiscal years commencing in calendar year 1996 and in each subsequent calendar year, the rate of contribution certified to the state of Kansas shall in no event exceed the state's contribution rate for the immediately preceding fiscal year by more than 0.2% of the amount of compensation upon which members contribute during the period.

(ii) Except as specifically provided in this subsection, for the fiscal years commencing in the following calendar years, the rate of contribution certified to the state of Kansas and to the participating employers under K.S.A. 74-4931, and amendments thereto, shall in no event exceed the state's contribution rate for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which members contribute during the period: (A) For the fiscal year commencing in calendar years 2010 through 2012, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year 2013, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (C) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (D) for the fiscal year commencing in calendar year 2015, the employer rate of contribution shall be 10.91%; (E) for the fiscal year commencing in calendar year 2016, the employer rate of contribution shall be 12.01% and for participating employers under K.S.A. 74-4931, and amendments thereto, an additional percentage of compensation corresponding to the level dollar repayment amount certified by the board pursuant to subsection (17); and (G) for the fiscal year commencing in calendar year 2021, the employer rate of contribution shall be 13.33%; (H) for the fiscal year...
commencing in calendar year 2022, the employer rate of contribution shall be 13.11%; and (I) in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year and for participating employers under K.S.A. 74-4931, and amendments thereto, an additional percentage of compensation corresponding to the level dollar repayment amount certified by the board pursuant to subsections (17) and (18).

(iii) Except as specifically provided in this section, for fiscal years commencing in calendar year 1997 and in each subsequent calendar year, the rate of contribution certified to participating employers other than the state of Kansas shall in no event exceed such participating employer's contribution rate for the immediately preceding fiscal year by more than 0.15% of the amount of compensation upon which members contribute during the period.

(iv) Except as specifically provided in this subsection, for the fiscal years commencing in the following calendar years, the rate of contribution certified to participating employers other than the state of Kansas shall in no event exceed the contribution rate for such employers for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which members contribute during the period: (A) For the fiscal year commencing in calendar years 2010 through 2013, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year; (C) for the fiscal year commencing in calendar year 2015, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (D) for the fiscal year commencing in calendar year 2016, an amount not to exceed more than 1.1% of the amount of the immediately preceding fiscal year; and (E) for the fiscal year commencing in calendar year 2017, and in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year.

(v) As part of the annual actuarial valuation, there shall be a separate employer rate of contribution calculated for the state of Kansas, a separate employer rate of contribution calculated for participating employers under K.S.A. 74-4931, and amendments thereto, a combined employer rate of contribution calculated for the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto, and a separate employer rate of contribution calculated for all other participating employers.

(vi) There shall be a combined employer rate of contribution certified to the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto. There shall be a separate employer rate of contribution certified to all other participating employers.

(vii) If the combined employer rate of contribution calculated for the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto, is greater than the separate employer rate of contribution for the state of Kansas, the difference in the two rates applied to the actual payroll of the state of Kansas for the applicable fiscal year shall be calculated. This amount shall be certified by the board for deposit as additional employer contributions to the retirement benefit accumulation reserve for the participating employers under K.S.A. 74-4931, and amendments thereto.

(6) The actuarial cost of any legislation enacted in the 1994 session of the Kansas
legislature will be included in the June 30, 1994, actuarial valuation in determining contribution rates for participating employers.

The actuarial accrued liability incurred for the provisions of K.S.A. 74-49,109 et seq., and amendments thereto, shall be amortized over 10 years.

(10) The cost of the postretirement benefit payment provided pursuant to the provisions of K.S.A. 74-49,114b, and amendments thereto, for retirants other than local retirants as described in subsection (11) or insured disability benefit recipients shall be paid in the fiscal year commencing on July 1, 2007.

(11) The actuarial accrued liability incurred for the provisions of K.S.A. 74-49,114b, and amendments thereto, for the KPERS local group and retirants who were employees of local employers which affiliated with the Kansas police and firemen's retirement system shall be amortized over 10 years.

(14) The board with the advice of the actuary may fix the contribution rates for participating employers joining the system after one year from the first entry date or for employers who exercise the option contained in K.S.A. 74-4912, and amendments thereto, at rates different from the rate fixed for employers joining within one year of the first entry date.

(15) Employer contributions shall in no way be limited by any other act which now or in the future establishes or limits the compensation of any member.

(16) Notwithstanding any provision of law to the contrary, each participating employer shall remit quarterly, or as the board may otherwise provide, all employee deductions and required employer contributions to the executive director for credit to the Kansas public employees retirement fund within three days after the end of the period covered by the remittance by electronic funds transfer. Remittances of such
deductions and contributions received after such date are delinquent. Delinquent payments due under this subsection shall be subject to interest at the rate established for interest on judgments under K.S.A. 16-204(a), and amendments thereto. At the request of the board, delinquent payments which are due or interest owed on such payments, or both, may be deducted from any other moneys payable to such employer by any department or agency of the state.

Sec. 66. Severability. EXPLANATIONS OF VOTE

Mr. Speaker: I vote no on SB 159. I believe this budget increases spending by too
large of an amount, and I also oppose giving judges a 10% pay increase over the next
two years. We have an activist State Supreme Court which created a right to abortion,
and I don’t believe we should reward them for that. Instead, I believe that we should
stand for life and stand up to the Kansas Supreme Court. – BRETT FAIRCHILD

Mr. Speaker: I am voting no on SB 159. Is the irony lost on anyone else that the
very judges salaries that we are increasing as a “good job” are the same judges that have
stepped all over our toes with massive education funding? This is a huge reason we cannot get control of our state's budget and over-spending. The judicial branch has infringed on the legislative branch as the keeper of the purse strings. We can't reward that. – TATUM LEE-HAHN, PAT PROCTOR

MR. SPEAKER: I appreciate the hard work and good work of our members serving on Appropriations and particularly those serving on the conference committee. I very much appreciate the long overdue salary and wage enhancements for those serving in our Judicial Branch. I vote NO on SB 159, however, because the rest of our state employees are also deserving of, but are not receiving, a pay raise. Thank you. – VIC MILLER

MR. SPEAKER: I vote “No” on SB 159. I will not support spending the people’s money by expanding government programs and giving judges more money when so many Kansas families are struggling to pay day-to-day bills just to keep the lights on and food on the table. I refuse to give more of my hard-earned money to government that has an endless appetite for spending with no true results for the great people of Kansas. “The real goal should be reduced government spending, rather than balanced budgets achieved by ever rising tax rates to cover ever rising spending.” Thomas Sowell – DAVID W. FRENCH, BILL RHILEY, TREVOR JACOBS, RANDY GARBER

MR. SPEAKER, I VOTE YES ON SB 159. I appreciate the work that was put into this bill from both sides, but this is not a perfect bill. It’s vitally important that we give raises to our state employees. We have been pushing this off for years and our state employee wages are no longer competitive. If we continue to push this off, we’ll run into larger staffing issues of our vital offices. State employees are one of the most important backbones of this state, especially this Legislature. I strongly hope we will take up and address this issue in the next session. Thank you, Mr. Speaker. – TOM SAWYER, STEPHANIE CLAYTON, JO ELLA HOYE, RUI XU, CINDY NEIGHBOR, SUSAN RUIZ, AARON COLEMAN, ANNIE KUETHER, JIM GARTNER, MIKE AMYX, STEPHANIE M. BYERS, MARI-LYNN POSKIN, LINDA FEATHERSTON, LINDSAY VAUGHN, JENNIFER DAY, ELIZABETH BISHOP, BRODERICK HENDERSON, JOHN ALCALA, PAM CURTIS

On motion of Rep. Hawkins, the House recessed until 4:10 p.m.

LATE AFTERNOON SESSION

The House met pursuant to recess with Speaker pro tem Finch in the chair.

INTRODUCTION OF ORIGINAL MOTIONS

On motion of Rep. Hawkins, pursuant to subsection (k) of Joint Rule 4 of the Joint Rules of the Senate and House of Representatives, the rules were suspended for the purpose of considering HB 2137, 2224.

MOTIONS TO CONCUR AND NONCONCUR

On motion of Rep. Landwehr, the House concurred in Senate amendments to HB 2224, AN ACT concerning public health; relating to infectious disease testing; crimes in which bodily fluids may have been transmitted from one person to another; expanding
the definition of infectious disease; amending K.S.A. 65-6009 and K.S.A. 2020 Supp. 65-6001 and repealing the existing sections.

(The House requested the Senate to return the bill, which was in conference).

On roll call, the vote was: Yeas 112; Nays 7; Present but not voting: 0; Absent or not voting: 6.

Nays: Burris, Fairchild, Houser, Jacobs, Lee-Hahn, Rhiley, Samsel.

Present but not voting: None.

Absent or not voting: Awerkamp, Garber, Howard, Huebert, Newland, Victors.

CONFERENCE COMMITTEE REPORT

MR. SPEAKER and MR. PRESIDENT: Your committee on conference on Senate amendments to HB 2137 submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 1, following line 12, by inserting:

"New Section 1. (a) Before making or causing any shipment of alcoholic liquor to Kansas residents, a fulfillment house shall pay a $50 license fee and obtain such license that will be applicable for each location that is involved in the shipping process to Kansas residents. A fulfillment house license shall commence on the date specified on the license and expire two years after such date. The holder of a fulfillment house license may only provide services for the warehousing, packaging and shipping of alcoholic liquors produced by, and belonging to, a special order shipping licensee in accordance with K.S.A. 41-350, and amendments thereto. A fulfillment house licensee shall make reasonable efforts to confirm that any winery that they ship alcoholic liquor for holds a special order shipping license and may rely on the representations of each such winery for such assurance.

(b) As part of a fulfillment house license application, the applicant shall provide any information as required by rules and regulations adopted by the director and contained in the fulfillment house license application form established by the director.

(c) If the holder of the license is an out-of-state entity, the licensee shall be deemed to have appointed the secretary of state as the resident agent and representative of the licensee to accept service of process from the secretary of revenue, the director and the
courts of this state concerning enforcement of this section, K.S.A. 41-501 et seq., and
amendments thereto, and any rules and regulations adopted thereunder and to accept
service of any notice or order provided for in the liquor control act.

(d) (1) A fulfillment house licensee shall ensure all containers of alcoholic liquors
shipped directly to an individual in this state are labeled with the name, address and
license number of the fulfillment house licensee. All such containers shall contain a
conspicuously printed statement of "SIGNATURE OF PERSON AGE 21 OR OLDER
REQUIRED FOR DELIVERY".

(2) All containers of alcoholic liquors shipped directly to a resident of this state
shall be shipped using a common carrier pursuant to K.S.A. 41-725, and amendments
thereto.

(e) (1) A fulfillment house licensee shall:

(A) Maintain records of all shipments for a minimum of three years after the
shipment date, that shall include the:

(i) Name, address and license number of the special order shipping licensee;
(ii) name and license number of the express company or common carrier;
(iii) date of each shipment;
(iv) carrier tracking number;
(v) name and address of the consignee of such alcoholic liquors; and
(vi) weight of the package and product type of alcoholic liquors shipped.

(B) Submit these records as an electronic report to the director monthly in the form
and format prescribed by the director.

(2) Reports submitted pursuant to this subsection shall be open records available
for public inspection in accordance with the open records act. Any information relating
to the name or address of a consignee of any alcoholic liquors shall be redacted from
the reports that are made available for public inspection. The provisions of this
paragraph providing for the confidentiality of certain public records shall expire on July
1, 2026, unless the legislature reviews and reenacts such provisions in accordance with
K.S.A. 45-229, and amendments thereto, prior to July 1, 2026.

(f) A fulfillment house that willfully fails, neglects or refuses to file any report
pursuant to subsection (e) shall be subject to a civil penalty of not more than $100. After
notice and an opportunity for hearing in accordance with the Kansas administrative
procedure act, the director may refuse to issue or renew or may revoke a fulfillment
house license upon a finding that the licensee has failed to comply with any provision of
this section.

(g) The secretary of revenue shall adopt rules and regulations to implement,
administer and enforce the provisions of this section.

(h) The provisions of this section shall be a part of and supplemental to the Kansas

Present but not voting: None.

EXPLANATIONS OF VOTE

MR SPEAKER: Once again Kansas lawmakers are guilty of not only increasing spending, government, gambling, and drugs but also the expansion of alcohol sales on Sundays. What would happen if legislators said “No” to bigger government and their
eternal programs and actually worked on solutions for the Kansas people and got out of the way of moral Liberty? Therefore Mr. Speaker I vote “NO” on HB 2137. “If the citizens neglect their duty and place unprincipled men in office, the government will soon be corrupted.” Noah Webster. – TREVOR JACOBS, TATUM LEE-HAHN, BILL RHILEY

MR. SPEAKER: I am voting no on HB 2137 as it will destroy the Kansas Ag-Winery business. We must keep most Kansas wines coming from grapes being grown in Kansas. If we truly are an agriculture state, this is the worse of bills to consider. We will be destroying the business model of over 50 wineries in Kansas. With no restrictions on wine manufacturing in Kansas, you are shutting down one of the leading tourist attractions in the state, the locally owned Kansas wineries and vineyards. – DAVID FRENCH

On motion of Rep. Hawkins, the House recessed until 6:30 p.m.

EXPLANATION OF VOTE

Mr. Speaker: I am incredibly disappointed that we have stripped the most effective accountability mechanisms out of this bill. The expansion of low income tax credits is a poor substitute for holding our schools accountable for every child they fail. We need to come back here next year and implement education savings accounts. In the interim, I will vote for HB 2134 to keep our schools funded. – Pat Proctor

Mr. Speaker: I am voting ‘no’ on HB 2134, not because I am against public education funding, because I see a need to reform our public education system that is not providing the education our children need today. We have continued to throw more money at the situation (as we did today with this budget bill) with no improvement with the outcome. Until we get accountability of where the money is going and why it isn’t producing results, I will not support providing any more money to the K-12 Education Budget. Our children don’t deserve to be stuck in this broken system. – David French

(6) Any information received pursuant to this subsection shall be confidential, shall not be disclosed and shall not be subject to subpoena, discovery or introduction into evidence in any civil or criminal proceeding, except that such information may be disclosed to: (A) The board; (B) any employees of the board or the office of the attorney general in support of the board's duties; and (C) federal or state agencies, when necessary in the performance of their official duties or functions. Such information shall not be a public record and shall not be subject to the Kansas open records act, K.S.A. 45-215 et seq., and amendments thereto. The provisions of this paragraph shall not be required to be reviewed by the legislature and shall not expire in accordance with K.S.A. 45-229, and amendments thereto.

(b) (1) The board shall decide each claim based on the information submitted pursuant to this section or otherwise obtained by the board, and no hearings shall be required.

(2) Notwithstanding any other provision of law, a meeting of the board to decide a claim or conduct an informal reconsideration hearing shall not be subject to the Kansas administrative procedure act, K.S.A. 77-501 et seq., and amendments thereto, and shall not be subject to the Kansas open meetings act, K.S.A. 75-4317 et seq., and amendments thereto.

(c) In evaluating the claim award, the board shall consider the following factors for each claim:

(1) The duration and nature of the impact of each order making a restriction, including:

(A) The imposition of any curfew, occupancy restriction or other restriction on business operations; and

(9) the percentage of the relief granted that the claimant projects to use for employee pay, salary, compensation or benefits; and

(10) the extent to which non-governmental orders or restrictions and consumer behavior contributed to the monetary loss claimed by the business. The board shall quantify the amount of the claimed loss attributable to non-governmental orders or restrictions and consumer behavior and shall not grant relief for such amount.

(d) (1) On or before September 30, 2022, the board shall decide on all claims filed pursuant to this section and issue a written decision that either grants or denies relief for each claim. The board shall issue all of the written decisions on such claims on the same date.

(2) A written decision that grants relief shall:

(A) Specify the amount of relief to be paid to the claimant as calculated under this section and approved by the board;

(B) identify the governmental entity that issued the applicable order making a restriction;

(C) assign the amount of relief to be paid to the claimant according to the governmental entity that issued the applicable order making a restriction;

(D) notify the claimant that if the claimant does not use at least the percentage of the relief such claimant projected to use for employee pay, salary, compensation or benefits for such items, such relief may be subject to repayment; and

(E) notify the claimant of the right to an informal reconsideration pursuant to subsection (e).

(3) No relief to be paid shall be assigned to a county if the applicable order issued by the county was less restrictive than an applicable order issued by the state. If the applicable order issued by the county was the same as an applicable order issued by the state, the board may assign up to 50% of the relief to be paid to the county based on availability of moneys in such county's fund established pursuant to section 5, and amendments thereto.

(4) No relief to be paid shall be assigned to a city if the applicable order issued by the city was the same or less restrictive than an applicable order issued by the state or the county where such city is located.

(5) The claimant shall notify the board in writing whether the claimant declines such relief within 15 days of receipt of the written decision. If the claimant does not make such notification, the claim shall be deemed accepted.

(6) A written decision that denies relief shall specify the reasons for such decision and notify the claimant of the right to an informal reconsideration pursuant to subsection (e). The claimant shall notify the board in writing whether the claimant
challenges such decision within 15 days of receipt of the written decision.

   (e) (1) A claimant may request reconsideration of the decision of the board by requesting an informal hearing to be conducted by the board. Following such hearing, the board shall issue a written decision either granting or denying relief. A written decision granting relief shall comply with the provisions of subsection (d)(2)(A) through (d)(2)(D).

   (2) A claimant shall notify the board in writing whether the claimant declines such relief within 15 days of receipt of the written decision. If the claimant does not make such notification, the claim shall be deemed accepted.

   (f) On or before January 31, 2023, after the board has issued all written decisions under subsection (e), the board shall report all the claims in which the relief has been accepted by the claimant to the joint committee on special claims against the state in an open meeting. The committee shall review such claims and shall make a recommendation on such claims to the legislative coordinating council pursuant to section 2, and amendments thereto.

   (g) On or before March 1, 2024, any claimant who receives relief under section 2, and amendments thereto, shall report to the attorney general the actual percentage of the relief granted such claimant used for employee pay, salary, compensation or benefits. If such percentage is less than the percentage of the relief such claimant projected to use for employee pay, salary, compensation or benefits, the attorney general shall order the claimant to pay the full projected percentage to such claimant's employees or repay the difference between the projected percentage and the actual percentage to the attorney general. Any repayment received by the attorney general shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the COVID-19 small business relief fund.

   (h) If a claimant files a claim with the board pursuant to this act, such claimant shall be prohibited from filing any claim in a civil action against the state and all subdivisions of government and each of their officers, employees, agents and representatives seeking damages or any other monetary relief based on an order making a restriction related to the COVID-19 pandemic, including, but not limited to, a claim under K.S.A. 48-933, and amendments thereto, the Kansas private property protection act, K.S.A. 77-701 et seq., and amendments thereto, or any claim related to compensation for a governmental taking. A claimant shall not be prohibited from filing any claim in a civil action seeking injunctive, declaratory or other nonmonetary relief.

   (i) (1) Nothing in this act shall create any property right or right in action. The courts shall have no jurisdiction to entertain any action against the board, the attorney general or the state of Kansas, or any officer or agent thereof, founded on a claim that the claimant should have received different or better treatment pursuant to this act.

   (2) Determinations made by the board pursuant to this act, including, but not limited to, the eligibility of any business for relief and the determination of the proper amount of such relief, if any, shall be committed to the sole discretion of the board based on the information available to it and shall not be subject to appeal or judicial review.
(j) The provisions of this section shall expire on January 1, 2025.

New Sec. 5. (a) The board of county commissioners of any county that issues, or previously issued, an order making a restriction under this act shall establish, by adoption of a resolution, a county COVID-19 small business relief fund. The board of county commissioners shall designate an officer of the county as the administrator of such fund.

(b) The officer of the county designated as the administrator of such fund shall determine the amount of moneys received by the county on and after January 1, 2021, that are identified as moneys from the federal government for coronavirus relief aid to the county that may be expended at the discretion of the county and are unencumbered. Of such identified moneys, such officer shall determine 35% of such moneys available in county funds. The officer shall certify the amount so determined from each county fund to the board of county commissioners and transfer such certified amount from such county funds to the county COVID-19 small business relief fund. At the same time as such certification is transmitted to the board of county commissioners, the officer shall transmit a copy of such certification to the director of legislative research and to the attorney general.

(e) Except as provided in subsection (d), unless prohibited by federal law, moneys in the county COVID-19 small business relief fund shall be used only for the purpose of paying relief amounts authorized by the legislative coordinating council pursuant to section 2, and amendments thereto. Upon receipt of a notification from the legislative coordinating council that relief is to be paid to a claimant by the county from such fund, the county shall pay such relief and provide notice of payment to the legislative coordinating council.

(d) On and after April 1, 2023, any remaining moneys in the county COVID-19 small business relief fund may be used in any manner consistent with state and federal law upon adoption of a resolution by the board of county commissioners. Such resolution shall abolish the county COVID-19 small business relief fund on December 31, 2024, and all pending or future claims against the fund are hereby declared to be null and void.

(e) The provisions of this section shall expire on January 1, 2025.

New Sec. 6. (a) The governing body of a city that issues, or previously issued, an order making a restriction under this act shall establish, by adoption of an ordinance, a city COVID-19 small business relief fund. The governing body of the city shall designate an officer of the city as the administrator of such fund.

(b) The officer of the city designated as the administrator of such fund shall determine the amount of moneys received by the city on and after January 1, 2021, that are identified as moneys from the federal government for coronavirus relief aid to the city that may be expended at the discretion of the city and are unencumbered. Of such identified moneys, such officer shall determine 35% of such moneys available in city funds. The officer shall certify the amount so determined from each city fund to the governing board of the city and transfer such certified amount from such city funds to the city COVID-19 small business relief fund. At the same time as such certification is transmitted to the governing body of the city, the officer shall transmit a copy of such
certification to the director of legislative research and to the attorney general.

(c) Except as provided in subsection (d), unless prohibited by federal law, moneys in the city COVID-19 small business relief fund shall be used only for the purpose of paying relief amounts as authorized by the legislative coordinating council pursuant to section 2, and amendments thereto. Upon receipt of a notification from the legislative coordinating council that relief is to be paid to a claimant by the city from such fund, the city shall pay such relief and provide notice of payment to the legislative coordinating council.

(d) On and after April 1, 2023, any remaining moneys in the city COVID-19 small business relief fund may be used in any manner consistent with state and federal law upon adoption of an ordinance by the governing body of the city. Such ordinance shall abolish the city COVID-19 small business relief fund on December 31, 2024, and all pending or future claims against the fund are hereby declared to be null and void.

(e) The provisions of this section shall expire on January 1, 2025.

New Sec. 7. (a) The provisions of this act are severable. If any portion of the act is declared unconstitutional or invalid, or the application of any portion of the act to any person or circumstance is held unconstitutional or invalid, the invalidity shall not affect other portions of the act that can be given effect without the invalid portion or application, and the applicability of such other portions of the act to any person or circumstance shall remain valid and enforceable.

(b) The provisions of this section shall expire on January 1, 2025.

New Sec. 8. (a) The legislative post audit committee shall direct the legislative division of post audit to conduct a study of the performance of the board in carrying out the actions required by section 4, and amendments thereto. Such study shall include an analysis of the methods used by the board in making recommendations to the joint committee on special claims against the state.

(b) The study shall include a randomized study of not less than 10% of the total number of claims filed under section 4, and amendments thereto. The study may include information related to the process used by the board to grant or deny reconsideration requests.

(c) The legislative division of post audit shall report to the joint committee on special claims against the state and provide a summary of the findings of such study prior to January 31, 2023.

(d) The provisions of this section shall expire on January 1, 2025.

Sec. 9. K.S.A. 48-933 is hereby amended to read as follows: 48-933. (a) Each person within this state shall act and manage the affairs of such person and such person's property in any way which reasonably will assist and not detract from the ability of the state and the public successfully to meet disasters. This obligation includes appropriate personal service and use or restriction on the use of property during a declared state of disaster emergency under K.S.A. 48-924, and amendments thereto, or a declared state of local disaster emergency under K.S.A. 48-932, and amendments thereto. This act neither increases nor decreases these obligations, but recognizes their existence under the constitution and statutes and the common law of this state.
Compensation for services or for the taking or use of property shall be only to the extent that obligations recognized in this subsection are exceeded in a particular case and then only to the extent that the claimant may not be deemed to have volunteered services or property without compensation.

(b) No personal services may be compensated by the state or any subdivision or agency thereof, except pursuant to statute enacted or ordinance duly adopted therefor.

(c) Compensation for property shall be only if the property was commandeered or otherwise used in coping with a disaster and its use or destruction was ordered by the governor, adjutant general, an official of a county, city or interjurisdictional disaster agency, or some other authorized member of the emergency management forces of this state.

(d) Any person claiming compensation for the use, damage, loss or destruction of property under this act shall file a claim therefor in the district court in the same manner as any other civil action. The court shall determine the validity of such claim in the same manner and under the same conditions prescribed for condemnation actions pursuant to K.S.A. 26-501 et seq., and amendments thereto. Unless the amount of compensation on account of property damaged, lost or destroyed is agreed upon by the claimant and the adjutant general, the amount of compensation shall be calculated in the same manner as compensation due for a taking of property pursuant to the condemnation law of this state.

(e) Nothing in this section;

1. Authorizes compensation for intangible losses occurring during the state of disaster emergency related to the COVID-19 health emergency described in K.S.A. 2020 Supp. 48-924b, and amendments thereto; or

2. Applies to or authorizes compensation for the destruction or damaging of standing timber or other property in order to provide a fire break or for the release of waters or the breach of impoundments in order to reduce pressure or other danger from actual or threatened flood.

The roll was called with 117 members present.

Prayer by Chaplain Brubaker:

Heavenly Father,
We stand before You today grateful for who You are
and for all You have done for each of us.
Thank you for yet another session through which you have led our leaders.
A lot has been accomplished and some things didn’t get done.
The good news is nobody got hurt through it all!
I ask that You be with each of them as they
return to their regular work and try to get caught up.
Be with them as they return to families
and may they have quality time with them to make up
for time lost during this session.
Be with them as they reconnect with their constituents.
May they not just hear what the people say,
but listen intently so as to better know
how to work on issues next year.
Lastly, I leave all of them with Your blessing
““The Lord bless you
and keep you;
the Lord make his face shine on you
and be gracious to you;
the Lord turn his face toward you
and give you peace.””
This I pray in the Name of Christ, Amen.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Bishop are spread upon the Journal:

Today it saddens me to say that, even though I have previously flunked retirement…I am going to try it again. I will be retiring as of June 30, 2021. Today is my last day in this Chamber.

Even at a sad time like this, I have so much gratitude to share with you. First and foremost I thank the people in the 88th District in southeast Wichita for giving me the opportunity to serve them. I also thank each one of you for the many, many kindnesses I have experienced while serving in the legislature.

My thanks especially to Sue Perry and Berni O’Konek, two of the best office assistants in this building. Their help has been a wonderful amalgam of nurturing and professionalism that has so greatly smoothed the way and truly enabled me to serve the people of the 88th District.

I appreciate the efforts of Leadership and the professional staff, including Tom Day and his staff in Legislative Administrative Services, who worked so hard to make sure our session met constitutional standards for our work, yet still had responsible measures to keep us safe. The rapid testing was so crucial.

Now, to my caucus I say thanks for being stalwart, dedicated colleagues and, truly, just such fun people to be around---even if the gathering was too often via Zoom. I would like to call out especially the outstanding young people we have added to our caucus. Their brilliance and passion to accomplish what they were elected to do has inspired me and comforted me. Inspired, because, well frankly, these folks are hard to keep up with. And comforted because they are just so capable and smart. I know the future is safe in their hands.

Actually, it tells me we need to do more to encourage younger folks to run and serve in this body. Younger people, with careers and young families to support, face barriers to serving that we should try to mitigate. The mix of generations serves Kansas best.
The experience of elders PLUS the youthful awareness of new ideas, new technology and a broader world view.

Let’s be frank. There were disappointments during my five years serving here. A major one, of course, is that we have yet to expand Medicaid. But hope springs eternal. I have hope that we as a state will accomplish that goal in the near future.

It has been my privilege to serve on some excellent committees. Our speaker pro tempore was chair of the Judiciary Committee when I served on it. He was very generous and helpful to a non-lawyer serving in her first term. Our Chair of Insurance and Pensions was also gracious and fair-minded, not to mention patient with the many technical glitches we faced as we began this unique session.

Lastly, I especially salute the Chair and the Ranking member of the Health and Human Services Committee. Following up on the Mental Health Modernization and Reform interim, also chaired by our colleague from Sedgwick County, the HHS Committee produced great and far-reaching work this year. We passed a bill establishing Certified Community Behavioral Health Centers—CCBHC’s. This one innovation will greatly improve mental health services in Kansas. In addition HHS racked up a list of accomplishments: new telemedicine provisions, updated the work of the Behavioral Sciences Regulatory Board, and a good start on implementing Kansas’ role in the new national suicide hotline number: 988.

These legislative steps chart progress toward making mental health and addiction treatment more accessible to Kansans who desperately need it.

At one point in time, Kansas enjoyed a stellar reputation in the mental health field, nationally and even internationally. The work of the HHS committee and the Kansas legislature this year will put us back on track to re-capturing that exemplary role.

I will miss this wonderful building, this room, and especially the many wonderful people I have met here. There are several reasons why it is time for me to try retirement once again. Maybe this time I will succeed at it.

Announcing adoption of SCR 1616.
Announcing the Senate here with transmits the veto message from the Governor, together with the enrolled copy of SB 29, AN ACT concerning insurance; relating to health insurance; providing for short-term, limited duration health plans; amending K.S.A. 2020 Supp. 40-2,193 and repealing the existing section, which was received on May 20, 2021 and read on May 26, 2021

Message from the Governor
Regarding Veto of Senate Bill 29

We already know that the solution to provide health care for 165,000 Kansans, bring thousands of jobs to our state, save small businesses money, and inject millions into our economy is to expand Medicaid.

Junk insurance – which does not cover pre-existing conditions or provide consumer protections – is just that: “junk.” Signing this bill would cause more Kansas families to go bankrupt over medical bills. If the Legislature wants to get serious about improving access to health care, they should join 38 other states and the District of Columbia and pass Medicaid expansion.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 29.

Laura Kelly
Governor
Dated: May 20, 2021

A motion was made that SB 29 be passed notwithstanding the Governor's veto. By vote of 28 Yeas and 11 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the Senate, voting in the affirmative, the bill passed.

CONSIDERATION OF VETO

On motion of Rep. S. Johnson, the House proceeded to reconsider SB 29 AN ACT concerning insurance; relating to health insurance; providing for short-term, limited-duration health plans; amending K.S.A. 2020 Supp. 40-2,193 and repealing the existing section.

The Governor's objection to SB 29 having been read (HJ Page 1547) the question being “Shall the bill be passed notwithstanding the Governor's veto?”

On roll call, the vote was: Failed

A two-thirds majority of the members elected to the House not having voted in favor of the bill over the Governor's veto, the motion did not prevail, the bill did not pass, and the veto was sustained.

On roll call, the vote was: Yeas 67; Nays 48; Present but not voting: 0; Absent or not voting: 10.

INTRODUCTION OF ORIGINAL MOTIONS

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

SCR 1616, A CONCURRENT RESOLUTION urging the Governor of the State of Kansas to end Federal Pandemic Unemployment Compensation to ensure that businesses do not have to compete with the federal government in attempts to fill thousands of open positions, was considered on final action.

On roll call, the vote was: Yeas 79; Nays 38; Present but not voting: 0; Absent or not voting: 8.

Present but not voting: None.
Absent or not voting: Arnberger, Donohoe, Helgerson, Howard, Jennings, Ohaebosim, Orr, Poetter.

The resolution was adopted.

EXPLANATION OF VOTE

**MR. SPEAKER:** I vote no on **Senate Concurrent Resolution 1616**. This resolution will irresponsibly undermine the state's economic recovery and will harm Kansas as we move forward. Additionally, there is a clear double-standard: Republicans are okay giving multinational corporations hundreds of millions of dollars in tax breaks and federal dollars, but when it comes to ordinary Kansans, they pile on the burdens. — **TOM SAWYER,** **STEPHANIE CLAYTON,** **VALDENIA C. MESSAGES FROM THE SENATE

MESSAGE FROM THE GOVERNOR
REGARDING SENATE BILL 159

Senate Bill 159, this session’s omnibus budget bill, makes many important investments in our state. But as with many omnibus budget bills, not every appropriation included is necessary or appropriate. Therefore, pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return Senate Bill 159 with my signature approving the bill, except for the item enumerated below.

$500,000 from the State General Fund to the University of Kansas Medical Center for clinical trials on a COVID-19 treatment using MSCTC-0010 cells developed at the Midwest Stem Cell Therapy Center

Section 46(a) has been line-item vetoed in its entirety.

This section provides $500,000 to the University of Kansas Medical Center to conduct clinical trials for a COVID-19 treatment using MSCTC-0010 cells developed at the Midwest Stem Cell Therapy Center. During debate on the Senate’s original budget, contained in Substitute for Senate Bill 267, an amendment to add this funding was wisely withdrawn. The medical experts who lead the research associated with this proviso have clearly and plainly communicated to the Legislature that such a clinical trial would not be realistic or even feasible given the timeframe and funding provided. A 2018 article in the Journal of the American Medical Association found that the average cost of a clinical trial is $19 million, with the total cost of developing a new drug closer to $2 to $3 billion. Given those realities and the proven effectiveness of COVID-19 vaccines and treatments that are now widely available, we should focus our efforts on increasing the number of Kansans who are vaccinated so that we can prevent infections, severe illnesses, and deaths. We should listen to those with knowledge of how clinical trials work when they tell us that the proposal outlined in this proviso is unrealistic and unneeded, and we should focus on saving lives by expediting vaccinations for as many Kansans as possible throughout the state.

THE GOVERNOR’S OFFICE
BY THE GOVERNOR Laura Kelly
DATED May 21, 2021

There being no motion to reconsider the line item veto on section 46(a), the line item veto was sustained.
Announcing the Senate herewith transmits a veto message from the Governor on H Sub. for Sub. for SB 273.

AN ACT enacting the COVID-19 small business relief act; providing funds for impacted small businesses; making and concerning appropriations for the fiscal years ending June 30, 2021, and June 30, 2022, June 30, 2023, and June 30, 2024; authorizing certain transfers and imposing certain limitations; creating the COVID-19 small business relief fund and providing procedures for the administration of such fund by the legislative coordinating council; creating the COVID-19 small business relief claims board and providing for administration of this act by the board with the assistance of the attorney general; requiring certain counties to establish and administer a county COVID-19 small business relief fund and certain cities to establish and administer a city COVID-19 small business relief fund; requiring a study by the legislative division of post audit; prohibiting compensation for intangible losses related to the COVID-19 public health emergency under the Kansas emergency management act; amending K.S.A. 48-933 and repealing the existing section., which was received on May 21, 2021 and was read before the Senate on May 26, 2021.

MESSAGE FROM THE GOVERNOR REGARDING VETO OF SENATE BILL 273

The COVID-19 pandemic has presented many challenges for Kansas businesses over the last year, and my administration has been committed to doing all we can to support their continued pandemic recovery efforts through the Strengthening People and Revitalizing Kansas ("SPARK") Taskforce. The SPARK process brings together business, legislative, and community leaders from across the state to collaborate on data-driven, innovative investments using federal relief dollars. All recovery initiatives should go through the transparent, federally compliant, bipartisan, and efficient process we have already established through the SPARK Taskforce.

SB 273 is well-intentioned, but it violates federal rules for the use of American Rescue Plan Act ("ARPA") funds that prevent the state from placing conditions or requirements on local governments' use of ARPA funds. SB 273 also fails to comply with federal rules that prohibit using ARPA funds to resolve potential legal claims against state or local governments.

I am committed to working with the SPARK Taskforce to develop relief programs that comply with federal requirements to ensure that our economy emerges from this pandemic stronger and more agile than ever.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 273.

THE GOVERNOR’S OFFICE
BY THE GOVERNOR Laura Kelly
DATED May 21, 2021

There being no motion to reconsider H Sub. for Sub. for SB 273, the President ruled the veto sustained.
