(8) to enlist the cooperation and collaboration of state, federal, regional, interstate, local, public and private agencies with the conservation districts;

(9) to facilitate arrangements under which conservation districts may serve county governing bodies and other agencies as their local operating agencies in the administration of any activity concerned with the conservation of natural resources; and

(10) to take such actions as are necessary to restore, establish, enhance and protect natural resources with conservation easements for the purpose of compensatory mitigation required under section 404 of the federal clean water act, including:

(A) Accepting, purchasing or otherwise acquiring conservation easements, as defined in K.S.A. 58-3810, and amendments thereto, on behalf of watershed districts for the purpose of protecting compensatory mitigation sites;

(B) contracting with engineering consultants, surveyors and construction contractors for the purpose of restoration, establishment and enhancement of natural resources; and

(C) establishing fees for the acquisition and administration of conservation easements held on behalf of watershed districts, accepting such fees from state and local
government agencies, and assuming responsibility to ensure the terms of the conservation easement are met, as approved by the department, for the length of term of the easement for which fees have been accepted.

(g) There is hereby established in the state treasury the compensatory mitigation fund, which shall be administered by the department of agriculture. All expenditures from the compensatory mitigation fund shall be for conservation. All expenditures from the compensatory mitigation fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of agriculture or the designee of the secretary. The secretary of agriculture shall remit all moneys received by or for the secretary under this section to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the compensatory mitigation fund.

(h) All costs associated with compensatory mitigation, including, but not limited to, the costs of any litigation or civil fines or penalties, shall be paid by the watershed district for which the Kansas department of agriculture division of conservation holds the conservation easement.

(i) (1) Except as provided in subsection (i) paragraph (2), the Kansas department of agriculture shall not expend moneys appropriated from the state general fund or from any special revenue fund or funds for the purpose of accepting, purchasing or otherwise acquiring conservation easements on behalf of watershed districts.

(2) The Kansas department of agriculture may expend moneys in the compensatory mitigation fund established by this section for the purpose of accepting, purchasing or otherwise acquiring conservation easements on behalf of watershed districts and for the administration of such conservation easements.

(j) The Kansas department of agriculture division of conservation shall not accept, purchase or otherwise acquire any conservation easement other than for the purposes of this section.

Sec. 5. K.S.A. 2020 Supp. 2-1907 is hereby amended to read as follows: 2-1907. The governing body of the district shall consist of five supervisors who are qualified electors residing within the district. The supervisors who are first elected shall serve for terms of one, two and three years according to the following plan: The two persons receiving the highest number of votes in the election shall hold office for three years; the two persons receiving the next highest number of votes shall hold such office for a term of two years; and the remaining supervisor shall hold office for a term of one year. In the event of a tie vote, such terms shall be decided by lot. Nothing in this section shall be construed as affecting the length of the term of supervisors holding office on January 1, 1995. Successors to such persons shall be elected for terms of three years. An annual meeting of all qualified electors of the district shall be held in the month of January or February. Notice of the time and place of such meeting shall be given by such supervisors by publishing a notice in the official county paper once each week for two consecutive weeks prior to the week in which such meeting is to be held. At such meeting the supervisors shall make full and due report of their activities and financial affairs since the last annual meeting and shall conduct an election by secret ballot of all of the qualified electors of the district there present for the election of supervisors whose terms have expired. Whenever a vacancy occurs in the membership of the governing body the remaining supervisors of the district shall appoint a qualified elector
of the district to fill the office for the unexpired term. The supervisors shall designate a chairperson and may from time to time change such designation. A supervisor shall hold office until a successor has been elected or appointed and has qualified. A majority of the supervisors shall constitute a quorum and the concurrence of a majority of the supervisors in any matter within their duties shall be required for its determination. A supervisor shall receive no compensation for services, but may be entitled to expenses, including traveling expenses, necessarily incurred in the discharge of duties. The supervisors may employ a secretary, technical experts, and such other officers, agents, and employees, permanent and temporary, as they may require, and shall determine their qualifications, duties and compensation. The supervisors may call upon the county attorney of the county in which a major portion of the district lies, or the attorney general for such legal services as they may require. The supervisors may delegate to their chairperson, to one or more supervisors, or to one or more agents, or employees such powers and duties as they may deem proper. The supervisors shall furnish to the Kansas department of agriculture, upon request, copies of such rules, regulations, orders, contracts, forms, and other documents as they shall adopt or employ, and such other information concerning their activities as it may require in the performance of its duties under this act. The supervisors shall provide for the execution of surety bonds for all employees and officers who shall be entrusted with funds or property; shall provide for the keeping of a full and accurate record of all proceedings and of all resolutions, regulations, and orders issued or adopted; and shall provide for an annual audit of the accounts and receipts and disbursements. Any supervisor may be removed by the state conservation secretary in consultation with the commission upon notice and hearing in accordance with the provisions of the Kansas administrative procedure act, for neglect of duty or malfeasance in office, but for no other reason. The supervisors may invite the legislative body of any municipality or county located near the territory comprised within the district to designate a representative to advise and consult with the supervisors of the district on all questions of program and policy which may affect the property, water supply, or other interests of such municipality or county.

Sec. 6. K.S.A. 2020 Supp. 2-1907c is hereby amended to read as follows: 2-1907c. On or before September 1 of each year, each conservation district shall submit to the Kansas department of agriculture, a certification of the amount of money to be furnished by the county commissioners for conservation district activities for the ensuing calendar year. Such amount shall be the same as authorized for such purposes in each approved county budget. For the purpose of providing state financial assistance to conservation districts, the Kansas department of agriculture, as soon as practicable after July 1 of the following year, shall disburse such moneys as may be appropriated by the state for this purpose to each conservation district to match funds allocated by the commissioners of each county. Distribution shall be prorated in proportion to county allocations in the event that appropriations are insufficient for complete matching of funds. Municipal
accounting procedures shall be used in the distribution of and in the expenditure of all funds.

Sec. 7. K.S.A. 2020 Supp. 2-1908 is hereby amended to read as follows: 2-1908. A conservation district organized under the provisions of K.S.A. 2-1901 et seq., and amendments thereto, shall constitute a governmental subdivision of this state; and a public body corporate and politic, exercising public powers, and such district, and the supervisors thereof, shall have the following powers, in addition to others granted in other sections of this act:

(a) To conduct surveys, investigations; and research relating to the character of soil erosion, soil and grassland health, flood damage, water quality and the preventive and control measures needed, to publish the results of such surveys, investigations, or research, and to disseminate information concerning such preventive and control measures. In order to avoid duplication of research activities, no district shall initiate any research program except in cooperation with the government of this state or any of its agencies; or with the United States or any of its agencies;

(b) to conduct demonstrational projects within the district on lands, owned or controlled by this state or any of its agencies, with the cooperation of the agency administering and having jurisdiction thereof, and on any other lands within the district upon obtaining the consent of the occupier of such lands or the necessary rights or interests in such lands, in order to demonstrate by example the means, methods; and measures by which soil and soil resources may be conserved, and soil erosion in the form of soil blowing and soil washing may be prevented and controlled; and to demonstrate by example, the means, methods; and measures by which water and water resources may be conserved, developed, used and disposed of to alleviate drought, to maintain and improve water quality and to reduce flooding and impaired drainage;

(c) to carry out preventive and control measures within the district including, but not limited to, engineering operations, methods of cultivation, the growing of vegetation, changes in use of land; and the measures listed in subsection C of K.S.A. 2-1902, and amendments thereto, on lands owned or controlled by this state or any of its agencies, with the cooperation of the agency administering and having jurisdiction thereof, and on any other lands within the district upon obtaining the consent of the occupier of such lands or the necessary rights or interests in such lands;

(d) to cooperate; or enter into agreements with, and within the limitations of appropriations duly made available to it by law, to furnish financial or other aid to, any agency, governmental or otherwise, or any occupier of lands within the district, in the carrying on of erosion-control flood prevention, soil and grassland health initiatives, water quality and water management operations within the district, subject to such conditions as the supervisors may deem necessary to advance the purposes of this act;

(e) to obtain options upon and to acquire, by purchase, exchange, lease, gift, grant, bequest, devise; or otherwise, any property, real or personal, or rights or interest therein; to maintain, administer, and improve any properties acquired, to receive income from such properties and to expend such income in carrying out the purposes and provisions of this act; and to sell, lease; or otherwise dispose of any of its property or interests therein in furtherance of the purposes and the provisions of this act;

(f) to make available, on such terms as it shall prescribe, to land occupiers within the district, agricultural and engineering machinery and equipment, fertilizer, seeds; and
seedlings, and such other material or equipment, as will assist such land occupiers to carry on operations upon their lands for the conservation of soil resources, soil and grassland health, protection of water quality and for the prevention and control of soil erosion;

(g) to develop comprehensive plans for the conservation of soil and water resources and for the control and prevention of soil erosion, flood damages, impaired drainage, the effects of drought within the district and the maintenance and improvement of water quality, with such plans shall specify specifying in such detail as may be possible, the acts, procedures, performances, and avoidances which are necessary or desirable for the effectuation of such plans, including the specification of engineering operations, methods of cultivation, the growing of vegetation, cropping programs, tillage practices; and changes in use of land, and to publish such plans and information and bring them to the attention of occupiers of lands within the district;

(h) to take over, by purchase, lease, gift or otherwise donation, and to administer, any soil-conservation, erosion-control, soil and grassland health, erosion-prevention, flood prevention, water quality or water management project located within its boundaries undertaken by the United States or any of its agencies, or by this state or any of its agencies subject to the authority of the authorizing state or federal agency; to manage, as agent of the United States or any of its agencies, or of this state or any of its agencies, any soil-conservation, erosion-control, or erosion-prevention, flood prevention or water management project within its boundaries; to act for the district or as agent for the United States, or any of its agencies, or for this state or any of its agencies, in connection with the acquisition, construction, operation, maintenance, or administration of any soil-conservation, erosion-control, soil and grassland health, erosion-prevention, flood prevention, water quality or water management project within its boundaries; to accept donations, gifts; and contributions in money, services, materials; or otherwise, from the United States or any of its agencies, or from this state or any of its agencies, and from persons, firms, corporations or associations, and to use or expend such moneys, services, materials; or other contributions in carrying on its operations;

(i) to sue and be sued in the name of the district; to have a seal, which seal shall be judicially noticed; to have perpetual succession unless terminated as hereinafter provided; to make and execute contracts and other instruments, necessary or convenient to the exercise of its powers; to make, and from time to time amend and repeal, rules and regulations not inconsistent with this act, to carry into effect its purposes and powers;

(j) as a condition to the extending of any benefits under this act, to or the performance of work upon, any lands not owned or controlled by this state or any of its agencies, the supervisors may require contributions in money, services, materials; or otherwise to any operations conferring such benefits, and may require land occupiers to enter into and perform such agreements or covenants as to the permanent use of such lands as will tend to prevent or control erosion thereon;

(k) no provisions with respect to the acquisition, operation; or disposition of property by other public bodies shall be applicable to a district organized hereunder unless the legislature shall specifically so state;

(l) the supervisors of any district shall not contract debts or obligations in the name of the district beyond the current appropriation made available to the district by the
committee division or federal grants or other financial sources;

(m) to accept and expend funds donated to the district for purposes of providing at least 20% cost-share for the purchase of an eligible water right from the holder of the water right under the provisions of K.S.A. 2-1915, and amendments thereto; and

(n) to control and eradicate sericea lespedeza invasive species within the district in any county that the secretary of agriculture has designated as a sericea lespedeza disaster area.

Sec. 8. K.S.A. 2020 Supp. 2-1915 is hereby amended to read as follows: 2-1915.

(a) Appropriations may be made for grants out of funds in the treasury of this state for:

(A) Terraces, terrace outlets, check dams, dikes, ponds, ditches, critical area planting, grassed waterways, tailwater recovery irrigation systems, irrigation technology, precision land forming, range seeding, soil and grassland health, detention and grade stabilization structures and other enduring water conservation and water quality practices installed on public lands and on privately owned lands; and

(B) the control and eradication of sericea lespedeza as provided in subsection (n) of K.S.A. 2-1908, and amendments thereto, invasive species on public lands and on privately owned lands.

(2) Except as provided by the multipurpose small lakes program act and other programs approved by the secretary, any such grant shall not exceed 80% of the total cost of any such practice.

(b) A program for protection of riparian and wetland areas shall be developed by the Kansas department of agriculture division of conservation and implemented by the conservation districts. The conservation districts shall prepare district programs to address resource management concerns of water quality, erosion and sediment control and wildlife habitat as part of the conservation district long-range and annual work plans. Preparation and implementation of conservation district programs shall be accomplished with assistance from appropriate state and federal agencies involved in resource management.

(c) Subject to the provisions of K.S.A. 2-1919, and amendments thereto, any holder of a water right, as defined by subsection (g) of K.S.A. 82a-701(g), and amendments thereto, who is willing to voluntarily return all or a part of the water right to the state shall be eligible for a grant not to exceed 80% of the total cost of the purchase price for such water right. The Kansas department of agriculture division of conservation shall administer this cost-share program with funds appropriated by the legislature for such purpose. The chief engineer shall certify to the Kansas department of agriculture division of conservation that any water right for which application for cost-share is received under this section is eligible in accordance with the criteria established in K.S.A. 2-1919, and amendments thereto.

(d) (1) Subject to appropriation acts therefor, the Kansas department of agriculture division of conservation shall develop the Kansas water quality buffer initiative for the purpose of restoring riparian areas using best management practices. The executive director of the Kansas department of agriculture division of conservation shall ensure that the initiative is complementary to the federal conservation reserve program and update any applicable standards from time to time as necessary for the continued success of the program.

(2) There is hereby created in the state treasury the Kansas water quality buffer
initiative fund. All expenditures from such fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the executive director of the Kansas department of agriculture division of conservation or the executive director's designee. Money credited to the fund shall be used for the purpose of making grants to install water quality best management practices pursuant to the initiative.

(3) The county or district appraiser shall identify and map riparian buffers consisting of at least one contiguous acre per parcel of real property located in the appraiser's county. Notwithstanding any other provisions of law, riparian buffers shall be valued by the county or district appraiser as tame grass land, native grass land or waste land, as appropriate. As used in this subsection (3) paragraph, "riparian buffer" means an area of stream-side vegetation that: (A) Consists of tame or native grass and may include forbs and woody plants; (B) is located along a perennial or intermittent stream, including the stream bank and adjoining floodplain; and (C) is a minimum of 66 feet wide and a maximum of 180 feet wide.

(e) The Kansas department of agriculture division of conservation, with the approval of the state conservation commission secretary, shall adopt rules and regulations to administer such grant and protection programs. Prior to submission of any proposed rules and regulations of the division to the director of the budget, the secretary of administration and the attorney general in accordance with the rules and regulations filing act, K.S.A. 77-415 et seq., and amendments thereto:

(1) The director shall submit such proposed rules and regulations to the commission; and

(2) the commission shall review and make recommendations to the director and the secretary regarding such proposed rules and regulations.

(f) Any district is authorized to make use of any assistance whatsoever given by the United States, or any agency thereof, or derived from any other source, for the planning and installation of such practices. The Kansas department of agriculture division of conservation may enter into agreements with other state and federal agencies to implement the Kansas water quality buffer initiative.

Sec. 9. K.S.A. 2-1916 is hereby amended to read as follows: 2-1916. At any time after five (5) years after the organization of a district under the provisions of this act, ten percent (10%) of the occupiers of land lying within the boundaries of such district may file a petition with the state soil conservation committee division praying that the operations of the district be terminated and the existence of the district discontinued. The committee division may conduct such public meetings and public hearings upon such petition as may be necessary to assist it in the consideration thereof. Within sixty (60) days after such a petition has been received by the committee it division the division shall give due notice of the holding of a referendum, and shall supervise such referendum, and issue appropriate regulations governing the conduct thereof, the question to be submitted by ballots upon which the words "For terminating the existence of the ________ (name of the soil conservation district to be here inserted)" and "against terminating the existence of the ________ (name of the soil conservation district to be here inserted)" shall be printed, with a square before each proposition and a direction to insert an × mark in the square before one or the other of said propositions as the voter may favor or oppose discontinuance of such district. All occupiers of lands lying within the boundaries of the district shall be eligible to vote in
such referendum. Only such land occupiers shall be eligible to vote. No informalities in
the conduct of such referendum or in any matters relating thereto shall invalidate said
referendum or the result thereof if notice thereof shall have been given substantially as
herein provided and said referendum shall have been fairly conducted. The committee
division shall publish the result of such referendum and shall thereafter consider and
determine whether the continued operation of the district within the defined boundaries
is administratively practicable and feasible. If the committee division shall determine
that the continued operation of such district is administratively practicable and feasible,
it shall record such determination and deny the petition. If the committee division shall
determine that the continued operation of such district is not administratively
practicable and feasible, it shall record such determination and shall certify such
determination to the supervisors of the district. In making such determination, the
committee division shall give due regard and weight to the attitudes of the occupiers of
lands lying within the district, the number of land occupiers eligible to vote in such
referendum who shall have voted, the proportion of the votes in such referendum in
favor of the discontinuance of the district to the total number of votes cast, the
approximate wealth and income of the land occupiers of the district, the probable
expense of carrying on erosion control operations within such district; and such other
economic and social factors as may be relevant to such determination, having due
regard to the legislative findings set forth in K.S.A. 2-1902. Provided, however, and
amendments thereto, except that the committee division shall not have authority to
determine that the continued operation of the district is administratively practicable and
feasible unless a majority of the votes cast in the referendum shall have been cast in
favor of the continuance of such district.

Upon receipt from the state soil conservation committee division of certification that
the committee division has determined that the continued operation of the district is not
administratively practicable and feasible, pursuant to the provisions of this section, the
supervisors shall forthwith immediately proceed to terminate the affairs of the district.
The supervisors shall dispose of all property belonging to the district at public auction
and shall pay over the proceeds of such sale to be covered into the state treasury. The
supervisors shall thereupon file an application, duly verified, with the secretary of state
for the discontinuance of such district; and shall transmit with such application the
certificate of the state soil conservation committee division setting forth the
determination of the committee division that the continued operation of such district is
not administratively practicable and feasible. The application shall recite that the
property of the district has been disposed of and the proceeds paid over as in this
section provided, and shall set forth a full accounting of such properties and proceeds of
the sale. The secretary of state shall issue to the supervisors a certificate of dissolution
and shall record such certificate in an appropriate book of record in his or her the
secretary of state's office.

Upon issuance of a certificate of dissolution under the provisions of this section, all
ordinances and regulations theretofore adopted and in force within such districts shall
be of no further force and effect. All contracts theretofore entered into, to which the
district or supervisors are parties, shall remain in force and effect for the period
provided in such contracts. The state soil conservation committee division shall be
substituted for the district or supervisors as party to such contracts. The committee
division shall be entitled to all benefits and subject to all liabilities under such contracts
and shall have the same right and liability to perform, to require performance, to sue and be sued thereon; and to modify or terminate such contracts by mutual consent or otherwise, as the supervisors of the district would have had. Such dissolution shall not affect the lien of any judgment entered under the provisions of K.S.A. 2-1911, prior to its repeal, nor the pendency of any action instituted under the provisions of such section, and the committee shall succeed to all the rights and obligations of the district or supervisors as to such liens and actions. The state soil conservation committee shall not entertain petitions for the discontinuance of any district nor conduct referenda upon such petitions nor make determinations pursuant to such petitions in accordance with the provisions of this act, more often than once in five (5) years.

Sec. 10. K.S.A. 2020 Supp. 2-1930 is hereby amended to read as follows: 2-1930.

(a) As used in this section:

(1) "Division" means the Kansas department of agriculture division of conservation established within the Kansas department of agriculture in K.S.A. 74-5,126, and amendments thereto;

(2) "historic consumptive water use" means an amount of use of a water right as calculated pursuant to subsection (k); and

(3) "program" means the water right transition assistance program.

(b) There is hereby established the water right transition assistance program. The program shall be administered by the Kansas department of agriculture division of conservation. The Kansas department of agriculture division of water resources and recognized local governing agencies, including groundwater management districts, shall cooperate in program implementation. The program shall be administered for the purpose of reducing historic consumptive water use in the target or high priority areas of the state by issuing water right transition grants based on competitive bids for privately held water rights.

(c) (1) The division may receive and expend funds from the federal or state government, or a private source for the purpose of carrying out the provisions of this section. The division shall carry over unexpended funds from one fiscal year to the next.

(2) The maximum amount paid by the division shall not exceed a base rate per acre-foot of historic consumptive water use made available under the water right to be dismissed or permanently reduced. The state conservation division, in consultation with the commission, shall establish an annual base rate after considering recommendations from the chief engineer and the groundwater management districts regarding market conditions.

(d) The division may enter into water right transition assistance program contracts with landowners that will result in the permanent reduction of part or all of a landowner's historic consumptive water use by action of the chief engineer as provided for in subsection (f).

(e) All applications for permanent irrigation water right retirements shall be considered for funding. Permanent retirement of partial water rights shall only be approved by the Kansas department of agriculture division of water resources when the local groundwater management district has the metering and monitoring capabilities necessary to ensure compliance with the program.

(f) Applications for permanent water right retirement shall be prioritized for payment based on the following criteria:

(1) The applicant's bid price;
(2) the timing and extent of the impact of the application on aquifer restoration or stream recovery;
(3) the impact on local water management strategies designated by the board of each groundwater management district or by the chief engineer for each target area; and
(4) where rights with similar hydrologic impacts are considered, priority should be given to the senior right as determined under the Kansas water appropriation act.

(g) Water rights enrolled in the program for permanent retirement shall require the written consent of all landowners and authorized agents to voluntarily request permanent reduction or permanent dismissal and forfeiture of priority of the enrolled water right. Upon enrollment of the water right into the program, the chief engineer of the Kansas department of agriculture division of water resources shall concurrently permanently reduce or permanently dismiss and terminate the water right in accordance with the terms of the contract.

(h) (1) The division shall make water right transition grants available only in areas that have been designated as:
(A) Target areas by the groundwater management districts and the chief engineer of the Kansas department of agriculture division of water resources; or
(B) target areas outside the groundwater management districts by the chief engineer of the Kansas department of agriculture division of water resources.
(2) Each target area shall be in a groundwater aquifer, aquifer sub-unit, surface water basin, subbasin or stream reach that the chief engineer has closed to further appropriations except for domestic use, temporary permits, term permits for five years or less and small-use exemptions for 15 acre-feet or less, if the use, permit or exemption does not conflict with this program.
(3) The designation of each target area shall include the identification of a historic consumptive water use retirement goal. When such goal is reached, the target area shall be delisted.
(4) The designation of each target area shall include the identification of sub-regions which are to be prioritized for retirements among competing bids.

(i) Contracts accepted under the program shall result in a net reduction in historic consumptive water use in the target area. Except as provided for in subsections (l) and (m), once a water right transition assistance program grant has been provided, the land authorized to be irrigated by the water right or water rights associated with that grant shall not be irrigated permanently. Water right transition assistance program contracts shall be subject to such terms, conditions and limitations as may be necessary to ensure that such reduction in historic consumptive water use occurs and can be adequately monitored and enforced.

(j) Only vested or certified water rights which are in good standing shall be eligible for water right retirement grants.

(k) (1) The historic consumptive water use of a water right shall be determined by either:
(A) Calculating the average amount of water consumed by crops as a result of the lawful beneficial use of water during the 10 preceding calendar years of actual irrigation and multiplying the average reported water use for the 10 selected years by a factor of 0.85 for center pivot sprinkler irrigation systems, 0.75 for flood or gravity irrigation systems and 0.95 for subsurface drip irrigation systems, but not to exceed the net irrigation requirements for the 50% chance rainfall for the appropriate county as shown
in K.A.R. 5-5-12; or

(B) calculating the available pumping capacity of a water right by multiplying a flow rate test for each point of diversion applied to be retired under the water right by a theoretical pumping duration of 100 days multiplied by an efficiency factor of 0.85 for center pivot sprinkler irrigation systems, 0.75 for flood or gravity irrigation systems and 0.95 for subsurface drop irrigation systems, but not to exceed the authorized quantity of the water right or the net irrigation requirements for the 50% chance rainfall for the appropriate county as shown in K.A.R. 5-5-12. Flow rate tests must have been conducted not less than one year prior to the application date and certified as acceptable by the local groundwater management district or the chief engineer; or

(2) The applicant may also submit an engineering study that determines the average historic consumptive water use as an alternative method if it is demonstrated to be more accurate for the water right or water rights involved.

(i) Enrollment of an entire water right or a portion of a water right where land associated with the quantity is being permanently reduced from the water right in the program shall not subsequently prohibit irrigation of the land that, prior to enrollment, was authorized by the water right or water rights if irrigation can be lawfully allowed by another water right or permit pursuant to the rules and regulations and consideration of any future changes to other water rights that may be proposed to be transferred to such land.

(m) If more than one water right overlaps the place of use authorized by the water right proposed to be enrolled in the program, then all overlapping water rights shall be enrolled in the program or the landowners shall take the necessary lawful steps to eliminate the overlap with the water right to be enrolled. The burden shall be on the landowner to provide sufficient information to substantiate that the proposed use of water by the resulting exercise of all water rights involved will result in the net reduction amount of historic consumptive water use by the water right or water rights to be enrolled. The division may require such documentation to be provided by someone with special knowledge or experience related to water rights and such operations.

(n) The division shall adopt rules and regulations as necessary for the administration of this section. When adopting such rules and regulations, the division shall consider cropping, system design, metered water use and all other pertinent information that will permit a verifiable reduction in historic consumptive water use and permit alternative crop or other use of the land so that the landowner's economic opportunities are taken into account.

(o) The division shall hold a meeting in each target area designated after July 1, 2012, prior to entering into any water right transition assistance program contract for the permanent retirement of part or all of landowner water rights in such target area. Such meetings shall inform the public of the possible economic and hydrologic impacts of the program. The division shall provide notice of such meetings through publication in local newspapers of record and in the Kansas register.

(p) The provisions of this section shall expire on July 1, 2022.

Sec. 11. K.S.A. 2020 Supp. 2-1931 is hereby amended to read as follows: 2-1931.

(a) Any person who commits any of the following may incur a civil penalty as provided by this section:

(1) Any violation of the Kansas water right transition assistance program act or any rule and regulation adopted thereunder; and
(2) any violation of term, condition or limitation defined and or imposed within the contractual agreement between the Kansas department of agriculture division of conservation and the water right owner.

(b) Any participant who violates any section of a water right transition assistance program contract shall be subject to either one or both of the following:

1) A civil penalty of not less than $100 nor more than $1,000 per violation. Each day shall constitute a separate violation for purposes of this section; and

2) repayment of the grant amount in its entirety plus a penalty at 6% of the full grant amount.

(c) Any penalties or reimbursements received under this act shall be reappropriated for use in the water right transition assistance program.

(d) No civil penalty or order for repayment shall be imposed except upon the written order of the secretary or the secretary's designee. Such order shall state the violation, the penalty to be imposed and the right of the person to appeal to the secretary. Any person, within 15 calendar days after notification, may make written request to the secretary for a hearing in accordance with the provisions of the Kansas administrative procedure act. The secretary shall affirm, reverse or modify the order and shall specify the reason therefor.

(e) Any person aggrieved by an order of the secretary made under this section may appeal such order to the district court in the manner provided by the Kansas judicial review act.

(f) The provisions of this section shall expire on July 1, 2022.

Sec. 12. K.S.A. 2020 Supp. 2-1933 is hereby amended to read as follows: 2-1933.

(a) As used in this section, "division" means the Kansas department of agriculture division of conservation established within the Kansas department of agriculture in K.S.A. 74-5,126, and amendments thereto.

(b) The division shall administer the conservation reserve enhancement program (CREP) on behalf of the state of Kansas pursuant to agreements with the United States department of agriculture for the purpose of implementing beneficial water quality and water quantity projects concerning targeted watersheds to be enrolled in CREP.

(c) There is hereby established in the state treasury the Kansas conservation reserve enhancement program fund, which shall be administered by the division. All expenditures from the Kansas conservation reserve enhancement program fund shall be for the implementation of CREP pursuant to agreements between the state of Kansas and the United States department of agriculture. "WHEREAS, The Kansas Legislature and the Kansas Supreme Court agree that, for Kansans, children are our state's most valuable resource; and

WHEREAS, The Kansas Supreme Court in Gannon IV found that nearly 25% of all public education students are not performing at grade level and that significant achievement gaps exist between all students and certain subgroups of students; and

WHEREAS, The Kansas Supreme Court acknowledged that certain student subgroups can have their own special achievement challenges; and

WHEREAS, Throughout the Gannon litigation, the Legislature has committed to improving the academic achievement of all students with a particular focus on the
students identified by the Court; and

WHEREAS, The Kansas Supreme Court has ruled that the current school finance system provides constitutionally adequate funding and equitable allocation of resources and that the Legislature has substantially complied with the Court's orders expressed in Gannon VI; and

WHEREAS, Special challenges require special measures and the Legislature remains committed to providing a finance system that is flexible and offers tailored solutions to raise academic achievement, particularly for those students who face special challenges; and

WHEREAS, Education savings accounts that target those students who qualify for at-risk educational services provide an additional way for families to tailor the entire educational experience of the student, as opposed to simply tailoring the schooling of such student; and

WHEREAS, Providing families with the access and means necessary to customize the educational experience of a student will provide families with options to increase the student's academic achievement.

Now, therefore;"

Invocation by Reverend Cecil T. Washington:

God Bless America!
Psalm 33:12

Psalm 33:12 says, “Blessed is the nation whose God is the LORD, the people whom He has chosen as His heritage!” I don’t know if Irving Berlin had this Scripture in mind, in 1940, when he composed the song, God Bless America. That prayer song has become, unofficially, a national anthem of the United States. Irving Berlin said in an interview, that God Bless America is not a patriotic song, This prayer song is an expression of gratitude for blessing us in this country:

God bless America, land that I love.
Stand beside her and guide her
Through the night with the light from above.
From the mountains to the prairies,
To the oceans white with foam.
God bless America, my home sweet home.
God bless America, my home sweet home. Amen!

The Pledge of Allegiance was led by President Masterson.

CONFERENCE COMMITTEE REPORT

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to SB 55 submits the following report:
The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill as printed with House Committee amendments, as follows:
On page 1, by striking all in lines 7 through 36;
By striking all on pages 2 through 4;
On page 5, by striking all in lines 1 through 4; following line 4, by inserting:
"Section 1. The provisions of sections 1 through 6, and amendments thereto, shall be known and may be cited as the fairness in women's sports act.
Sec. 2. The legislature hereby finds:
(a) There are "inherent differences between men and women," and that these differences "remain cause for celebration, but not for denigration of the members of either sex or for artificial constraints on an individual's opportunity," United States v. Virginia, 518 U.S. 515, 533 (1996);
(b) these "inherent differences" range from chromosomal and hormonal differences to physiological differences;"
(c) men generally have "denser, stronger bones, tendons, and ligaments" and "larger hearts, greater lung volume per body mass, a higher red blood cell count, and higher haemoglobin," Neel Burton, The Battle of the Sexes, Psychology Today (July 2, 2012);

(d) men also have higher natural levels of testosterone, which affects traits such as hemoglobin levels, body fat content, the storage and use of carbohydrates, and the development of type 2 muscle fibers, all of which result in men being able to generate higher speed and power during physical activity, Doriane Lambelet Coleman, Sex in Sport, 80 Law and Contemporary Problems 63, 74 (2017) (quoting Gina Kolata, Men, Women and Speed. 2 Words: Got Testosterone?, N.Y. Times (Aug. 21, 2008));

(e) the biological differences between females and males, especially as it relates to natural levels of testosterone, "explain the male and female secondary sex characteristics which develop during puberty and have lifelong effects, including those most important for success in sport: categorically different strength, speed, and endurance," Doriane Lambelet Coleman and Wickliffe Shreve, "Comparing Athletic Performances: The Best Elite Women to Boys and Men," Duke Law Center for Sports Law and Policy;

(f) while classifications based on sex are generally disfavored, the United States Supreme Court has recognized that "sex classifications may be used to compensate women for particular economic disabilities [they have] suffered, to promote equal employment opportunity, [and] to advance full development of the talent and capacities of our Nation's people," United States v. Virginia, 518 U.S. 515, 533 (1996);

(g) one place where sex classifications allow for the "full development of the talent and capacities of our Nation's people" is in the context of sports and athletics;

(h) courts have recognized that the inherent, physiological differences between males and females result in different athletic capabilities. See e.g. Kleczek v. Rhode Island Interscholastic League, Inc., 612 A.2d 13 734, 738 (R.I. 1992) ("Because of innate physiological differences, boys and girls are not similarly situated as they enter athletic competition.")); Petrie v. Ill. High Sch. Ass'n, 394 N.E.2d 855, 861 (Ill. App. Ct. 1979) (noting that "high school boys [generally possess physiological advantages over] their girl counterparts" and that those advantages give them an unfair lead over girls in some sports like "high school track");

(i) a recent study of female and male Olympic performances since 1983 found that, although athletes from both sexes improved over the time span, the "gender gap" between female and male performances remained stable. "These suggest that women's performances at the high level will never match those of men." Valerie Thibault et al., Women and men in sport performance: The gender gap has not evolved since 1983, 9 Journal of Sports Science and Medicine 214, 219 (2010);

(j) as Duke law professor and All-American track athlete Doriane Coleman, tennis champion Martina Navratilova, and Olympic track gold medalist Sanya Richards-Ross recently wrote: "The evidence is unequivocal that starting in puberty, in every sport except sailing, shooting, and riding, there will always be significant numbers of boys and men who would beat the best girls and women in head-to-head competition. Claims to the contrary are simply a denial of science," Doriane Coleman, Martina Navratilova, et al., Pass the Equality Act, But Don't Abandon Title IX, Washington Post (Apr. 29, 2019);

(k) the benefits that natural testosterone provides to male athletes is not diminished through the use of puberty blockers and cross-sex hormones. A recent study on the
impact of such treatments found that even "after 12 months of hormonal therapy," a man who identifies as a woman and is taking cross-sex hormones "had an absolute advantage" over female athletes and "will still likely have performance benefits" over women, Tommy Lundberg et al., "Muscle strength, size and composition following 12 months of gender-affirming treatment in transgender individuals: retained advantage for the transwomen," Karolinska Institutet (Sept. 26, 2019); and

(I) having separate sex-specific teams furthers efforts to promote sex equality. Sex-specific teams accomplish this by providing opportunities for female athletes to demonstrate their skill, strength and athletic abilities while also providing them with opportunities to obtain recognition and accolades, college scholarships and the numerous other long-term benefits that flow from success in athletic endeavors.

Sec. 3. (a) Interscholastic, intercollegiate, intramural or club athletic teams or sports that are sponsored by a public elementary or secondary school, a postsecondary educational institution, as such term is defined in K.S.A. 74-3201b, and amendments thereto, or any school or other postsecondary educational institution whose students or teams compete against a public school or postsecondary educational institution shall be expressly designated as one of the following based on biological sex:

(1) Males, men or boys;
(2) females, women or girls; or
(3) coed or mixed.

(b) Athletic teams or sports designated for females, women or girls shall not be open to students of the male sex.

(c) (1) The Kansas state high school activities association shall adopt rules and regulations for its member schools for the implementation of this section.

(2) The state board of regents and the governing body for each municipal university, community college and technical college shall adopt rules and regulations for the postsecondary educational institutions governed by each such entity, respectively, for the implementation of this section.

Sec. 4. No governmental entity, licensing or accrediting organization or athletic association or organization shall entertain a complaint, open an investigation or take any other adverse action against a school or postsecondary educational institution for maintaining separate interscholastic, intercollegiate, intramural or club athletic teams or sports for students of the female sex.

Sec. 5. (a) Any student who is deprived of an athletic opportunity or suffers any direct or indirect harm as a result of a violation of section 3, and amendments thereto, shall have a private cause of action for injunctive relief, damages and any other relief available under law against the school or postsecondary educational institution.

(b) Any student who is subject to retaliation or other adverse action by a school, postsecondary educational institution or athletic association or organization as a result of reporting a violation of section 3, and amendments thereto, to an employee or representative of such school, postsecondary educational institution or athletic association or organization, or to any state or federal agency with oversight of schools or postsecondary educational institutions in this state, shall have a private cause of action for injunctive relief, damages and any other relief available under law against the school, institution or athletic association or organization.

(c) Any school or postsecondary educational institution that suffers any direct or indirect harm as a result of a violation of section 3 or 4, and amendments thereto, shall
have a private cause of action for injunctive relief, damages and any other relief available under law against the governmental entity, licensing or accrediting organization or athletic association or organization.

(d) All civil actions must be initiated within two years after the harm occurred. Persons or organizations who prevail on a claim brought pursuant to this section shall be entitled to monetary damages, including for any psychological, emotional and physical harm suffered, reasonable attorney fees and costs and any other appropriate relief.

Sec. 6. The provisions of sections 1 through 5, and amendments thereto, are hereby declared to be severable. If any provision of sections 1 through 5, and amendments thereto, or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of sections 1 through 5, and amendments thereto, that can be given effect without the invalid provision or application.

Also on page 5, in line 6, by striking "Kansas register" and inserting "statute book";
And by renumbering sections accordingly;
On page 1, in the title, in line 1, by striking all after "concerning"; by striking all in lines 2 and 3; in line 4, by striking all before the period and inserting "education; relating to student athletes; creating the fairness in women's sports act; restricting participation on women's teams to female students; providing a cause of action for violations";
And your committee on conference recommends the adoption of this report.

Senator Erickson moved the Senate adopt the Conference Committee Report on SB 55.
On roll call, the vote was: Yeas 26; Nays 11; Present and Passing 3; Absent or Not Voting 0.
Nays: Corson, Dietrich, Faust-Goudeau, Francisco, Hawk, Holland, Holscher, Pettey, Pittman, Sykes, Ware.
Present and Passing: Doll, Haley, McGinn.
The Conference Committee Report was adopted.

EXPLANATION OF VOTE

Mr. President: This bill on transgender athletes was a solution in search of a problem, as we have not had a problem here in Kansas. Competitive high school and college sports already have regulations to deal with trans athletes. The bill we heard was meant to divide us. It puts Kansas at potential risk with regard to NCAA, FIFA and other tournaments, having economic and national perception impacts on our business
community. Beyond potential economic impact, it also targets an already at-risk population of our kids going through often confusing situations. It goes beyond women competing in high school and college. It targets private and intramural sports. It goes much further and targets youth even before puberty. I found the original language containing genital checking offensive and am glad that was begrudgingly taken out. It is unnecessary regulation as proposed and I vote No.—**JEFF PITTMAN**

Senators Francisco, Pettey and Sykes request the record to show they concur with the Explanation of Vote offered by Senator Pittman on **SB 55**.

Mr. President: Over 40% of transgender men and women have said they have attempted suicide. Rates are even higher among trans women and trans women of color. Here are the names of those trans Americans we have lost due to transgender violence whether suicide or murder in 2020 alone: Asia Jynaé Foster, Yunieski Carey Herrera, Angel Unique, Sara Blackwood, Brooklyn Deshuna, Felycya Harris, Michelle Michellyn Ramos Vargas, Mia Green, Aerion Burnett, Kee Sam, Lea Rayshon Daye, Aja Raquell Rhone-Spears, Queasha D. Hardy, Dior H. Ova, Marilyn Cazares, Summer Taylor, Bree Black, Shaki Peters, Merci Mack, Brayla Stone, Brian “Egypt” Powers, Selena Reyes-Hernandez, Jayne Thompson, Riah Milton, Dominique “Rem’mie” Fells, Tony McDade, Helle Jae O’Regan, Nina Pop, Penélope Díaz Ramírez, Layla Pelaez Sánchez, Serena Angelique Velázquez Ramos, Johanna Metzger, Lexi, Monika Diamond, Scott/Scottllyn Devore, Yampi Méndez Arocho, Neulisa Luciano Ruiz, Dustin Parker. To save the lives of transgender Kansans and to keep our state safe and welcoming for ALL, I vote NO on **SB 55**.—**MARY WARE**

**ORIGINAL MOTION**

Having voted on the prevailing side, Senator Pyle moved the Senate reconsider its action on **SB 175**. The motion carried and the bill was returned to final action on Conference Committee Reports.

**CONFERENCE COMMITTEE REPORTS**

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to **SB 175** submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill as printed with House Committee amendments, as follows:

On page 1, following line 9, by inserting:

"WHEREAS, The Kansas Legislature and the Kansas Supreme Court agree that, for Kansans, children are our state's most valuable resource; and

WHEREAS, The Kansas Supreme Court in Gannon IV found that nearly 25% of all public education students are not performing at grade level and that significant achievement gaps exist between all students and certain subgroups of students; and

WHEREAS, The Kansas Supreme Court acknowledged that certain student subgroups can have their own special achievement challenges; and

WHEREAS, Throughout the Gannon litigation, the Legislature has committed to improving the academic achievement of all students with a particular focus on the students identified by the Court; and

WHEREAS, The Kansas Supreme Court has ruled that the current school finance
system provides constitutionally adequate funding and equitable allocation of resources and that the Legislature has substantially complied with the Court's orders expressed in Gannon VI; and

WHEREAS, Special challenges require special measures and the Legislature remains committed to providing a finance system that is flexible and offers tailored solutions to raise academic achievement, particularly for those students who face special challenges; and

WHEREAS, Education savings accounts that target those students who qualify for at-risk educational services provide an additional way for families to tailor the entire educational experience of the student, as opposed to simply tailoring the schooling of such student; and

WHEREAS, Providing families with the access and means necessary to customize the educational experience of a student will provide families with options to increase the student's academic achievement.

Failure to renew a written agreement does not preclude renewal of such written agreement in a subsequent year. A written agreement that has been terminated pursuant to subsection (e) shall not be renewed.  

(e) (1) A written agreement may be terminated by the treasurer upon a determination that:  

(A) Moneys in an account have been used for purposes other than those allowed by the program;

(d) The treasurer shall make transfers required under subsection (c) in quarterly installments pursuant to a schedule determined by the treasurer.

(e) The treasurer may deduct a percentage of the aggregate annual amount to be transferred into an eligible student's account as reimbursement for the administrative costs of implementing the provisions of this act as follows:

(2) up to 2.5% for the third year and for each subsequent year moneys are transferred to an eligible student's account.

(2) for each eligible student participating in the program who is enrolled part-time in a school district, multiplying an amount equal to the BASE aid by a ratio that is the inverse proportion of the amount of time each such student is enrolled and attending public school;

(3) adding together the amounts determined under paragraph (2) for all such students; and

(4) adding the total amounts determined under paragraphs (1) and (3). The resulting sum is the amount to be transferred to the student empowerment fund.

c) Except as provided in section 10, and amendments thereto, funds remaining in an account at the end of a school year shall roll over to the next succeeding school year.

d) A qualified private school providing education services purchased with funds from an account shall not share, refund or rebate any portion of such funds to the parent or eligible student. Any such refund or rebate shall be made directly into the eligible
student's account.

(e) No personal deposits may be made into an account.

(f) The treasurer shall conduct or contract to conduct annual audits of eligible student accounts to ensure compliance with the provisions of this act and may conduct or contract to conduct additional audits of eligible student accounts, as needed.

(2) Prior to revoking a qualified private school's approval, the treasurer shall notify such school of an impending revocation and the reason for such revocation. The qualified private school shall have 30 days from the time it was notified to cure the matter identified in the notice. If the qualified private school fails to cure such matter within 30 days, such school's approval shall be revoked. (e) The treasurer may notify the attorney general or the county or district attorney of the county where the qualified private school is located, if a qualified private school's approval was revoked because of misuse of moneys paid from an account.

Sec. 24. On and after July 1, 2021, K.S.A. 72-3115 is hereby amended to read as follows: 72-3115. (a) (1) Subject to the other provisions of this section, a school term during which public school shall be maintained in each school year by each school district organized under the laws of this state shall consist of not less than 186 school days for pupils attending kindergarten or any of the grades one through 11 and not less than 181 school days for pupils attending grade 12.

(2) Except as provided in subsection (j), the days of the school term during which school shall be maintained pursuant to this section only include days that allow each student enrolled in a school district to physically attend school in person on a full-time basis.

(b) (1) Subject to a policy developed and adopted by the board of any school district and the provisions of this section, the board may provide for a school term consisting of school hours. A school term provided for in a policy adopted under this subsection shall consist of:

(1) (A) For pupils attending kindergarten, not less than 465 school hours in each school year; and

(2) (B) for pupils attending any of the grades one through 11, not less than 1,116 school hours in each school year; and

(3) (C) for pupils attending grade 12, not less than 1,086 school hours in each school year. Each board of education which develops and adopts a policy providing for a school term in accordance with this subsection shall notify the state board of education thereof on or before September 15 in each school year for which the policy is to be in effect.

(2) Except as provided in subsection (j), if a board provides for a school term pursuant to this subsection, the school hours during which school shall be maintained pursuant to this section only include hours that allow each student enrolled in a school district to physically attend school in person on a full-time basis.

(c) Subject to a plan developed and adopted by the board of any school district, the board may schedule the school days required for a school term provided for under subsection (a), or the school hours required for a school term provided for in a policy adopted under subsection (b), on a trimestral or quarterly basis. The plan shall be prepared in such form and manner as the state board shall require and shall be submitted at a time or times to be determined and specified by the state board.

(d) Subject to a policy developed and adopted by the board of any district as an adjunct to the district's disciplinary policy or as a part of the district's school improvement plan, the board may schedule school days in addition to the school days scheduled for a school term provided for under subsection (a), or school hours in addition to the school hours scheduled for a school term provided for in a policy adopted under subsection (b), or both such additional school days and school hours for
pupils students who are in need of remedial education or who are subject to disciplinary measures imposed under the district's disciplinary policy. Any school day or school hour scheduled for a pupil student under a policy adopted under this subsection may be scheduled on weekends, before or after regular school hours, and during the summer months. Inexcusable absence from school on any school day or during any school hour by any pupil student for whom additional school days or school hours have been scheduled under a policy adopted under this subsection shall be counted as an inexcusable absence from school for the purposes of K.S.A. 72-3121, and amendments thereto.

(e) If the board of any school district, or its designee, shall determine that inclement weather will cause hazardous driving conditions, the board, or its designee, may close any or all of the schools within the district. The amount of time pupils students have been in attendance when such determination is made shall be considered a school day of a school term or shall be considered the number of school hours for pupils students to be in attendance at school in a day, whichever is applicable. Consonant with the other provisions of this section, a board may schedule any number of days or hours in excess of the regularly scheduled school days or school hours which the board determines will be necessary to compensate for those school days or school hours that schools of the district will remain closed during the school term due to hazardous driving conditions. If the number of days or hours schools remain closed due to hazardous driving conditions exceeds the number of days or hours scheduled by the board to compensate for such school days or school hours, the excess number of days or hours, not to exceed whichever is the lesser of:

(1) The number of compensatory days or hours scheduled by the board;

(2) five days or the number of school hours regularly scheduled in five days, that schools remain closed due to such conditions shall be considered school days or school hours.

(f) The state board of education may waive the requirements of law relating to the duration of the school term upon application for such waiver by a school district. Such waiver may be granted by the state board of education upon: (1) Certification by a board that, due to the persistence of inclement weather, hazardous driving conditions have existed in the school district for an inordinate period of time; and (2) a determination by the state board that the school district cannot reasonably adjust its schedule to comply with statutory requirements. Such waiver shall not exempt a school district from providing a school offering for each pupil student that is substantially equivalent to that required by law.

(g) Time reserved for parent-teacher conferences for discussions on the progress of pupils students may be considered part of the school term.

(h) Time reserved for staff development or inservice training programs for the purpose of improving staff skills, developing competency in new or highly specialized fields, improving instructional techniques, or curriculum planning and study may be considered part of the school term for an aggregate amount of time equal to the amount of time in excess of the school term which that is scheduled by a board of education for similar activities.

(i) Boards of education may employ noncertificated personnel to supervise pupils students for noninstructional activities.

(j) (1) If authorized by the state board of education, a board of education of a school district may:

(B) provide for not more than a total of 240 school term hours to be conducted using remote learning if such board of education is operating pursuant to the provisions of subsection (b).

(2) The state board of education may authorize a school to conduct remote learning in accordance with this section in any school year upon application by a school district. The application may be granted by the state board of education upon:

(A) Certification by a school district that, due to disaster, conditions resulting from widespread or severe property damage caused by the disaster or other conditions restricting the operation of public schools will exist in the school district for an inordinate period of time; and

(B) a determination by the state board that the school district cannot reasonably adjust its schedule to comply with the requirements of this section unless remote learning is conducted for a period of time not to exceed the limitations provided in paragraph (1) except when such limitations are waived by the state board pursuant to this section.

(3) The state board of education may waive the requirements of law relating to the remote learning limitations in any school year upon application for such waiver by a school district. The waiver may be granted by the state board of education upon:

(A) Certification by a board of education that, due to disaster, conditions resulting from widespread or severe property damage caused by the disaster or other conditions restricting the operation of public schools will exist in the school district for an inordinate period of time; and

(B) a determination by the state board that the school district cannot reasonably adjust its schedule to comply with such requirements of law and that remote learning beyond the limitations provided in this section would allow the school district to continue to provide education to students during such conditions.

(k) As used in this section:

(1) "Disaster" means a state of disaster emergency declared by proclamation of the governor pursuant to K.S.A. 48-924, and amendments thereto, closure of schools by order issued by a county or joint board of health, a local health officer pursuant to K.S.A. 65-119, and amendments thereto, or the secretary of health and environment pursuant to K.S.A. 65-126, and amendments thereto, or occurrence of widespread or severe damage, injury or loss of life or property resulting from any natural or manmade cause, including, but not limited to, fire, flood, earthquake, tornado, wind, storm, epidemics, air contamination, blight, drought, infestation or explosion.

inordinate period of time; and (2) a determination by the state board that the school
district cannot reasonably adjust its schedule to comply with such requirements of law.
The period of time school is not maintained during any school year due to conditions
resulting from disaster, upon granting of the waiver by the state board of education,
shall be considered a part of the school term.

(b) As used in this section, the term "disaster" means the declaration of a state of

(d) All reports prepared pursuant to this section shall be published in accordance with K.S.A. 2020 Supp. 72-1181, and amendments thereto.

Sec. 33. On and after July 1, 2021, K.S.A. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income
tax under the laws of this state authorizing the issuance of such obligations, it shall be
excluded from computation of Kansas adjusted gross income whether or not included in
federal adjusted gross income. Interest income on obligations of this state or a political
subdivision thereof issued after December 31, 1987, shall be excluded from
computation of Kansas adjusted gross income whether or not included in federal

income, but only that portion of the refund shall be included as bears the same
proportion to the total refund received as the federal taxes deducted in the year to which
such refund is attributable bears to the total federal income taxes paid for such year. For
purposes of the foregoing sentence, federal taxes shall be considered to have been
deducted only to the extent such deduction does not reduce Kansas taxable income
below zero.

EXPLANATION OF VOTE

Mr. President: I vote aye on HB 2007 but with grave concerns. This budget does not include the funding for the K-12 budget. Unlike traditional K-12 budgeting, the money for K-12 was not inserted in the budget but rather was placed in a House Conference Committee report that included education policy that was never vetted by the Senate Education Committee, nor debated by the Committee of the Whole in the Senate. We have the responsibility to fund K-12 education for all of our children. I hope that this body will be resolute in putting the required money to fund K-12 in the Omnibus Budget when we return for final session.—CAROLYN MCGINN

Senators Bowers, Dietrich and O'Shea request the record to show they concur with the "Explanation of Vote" offered by Senator McGinn on HB 2007.

Mr. President: This budget is not balanced nor sustainable. When we consider budgets, we must always prioritize the need to protect our state’s future and be fiscally responsible. We cannot pay for tax cuts for giant multinational corporations, keep the lights on and keep our state running, and operate with a positive balance under this proposed budget. This budget includes no money for K-12 education, which accounts for a huge portion of our annual funding obligation. Without funding our schools, it still leaves our state deep in the red. This budget is fiscally irresponsible, it will land us in court, and it will cost our state money and hurt our kids. I vote no.—DINAH SYKES

Senators Francisco and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on HB 2007.

New Sec. 10. (a) The secretary of labor shall develop a form for use by claimants to establish their identity before a law enforcement officer of a Kansas law enforcement agency for the purpose of facilitating the receipt of unemployment insurance benefits. The form may be in electronic or paper format and may be transmitted or processed in electronic format if safeguards are made to protect any confidential information of the claimant. The form shall be developed and made available within seven days of the effective date of this act. Law enforcement agencies shall not be required to participate in the provisions of this section.

(b) Upon receipt of the form, a claimant may present the form to a participating law enforcement agency with jurisdiction over the location of the claimant's residence or last known place of employment in Kansas and submit documentation as required by the form for verification by the law enforcement agency. The claimant may present the form to a participating law enforcement agency that does not have jurisdiction over the location of the claimant's residence or last known place of employment if no law enforcement agency with such jurisdiction has agreed to participate and the secretary has approved such submission. If a law enforcement officer of the law enforcement agency examines and finds the documentation submitted by the claimant valid and sufficient to establish the claimant's identity, the law enforcement officer shall complete or verify the form and the law enforcement agency shall submit the form to the department of labor as provided by the instructions.

(c) The secretary shall presume a claimant's identity has been confirmed for purposes of the employment security law upon submission of a properly completed form to the secretary by the law enforcement agency on behalf of the claimant. The presumption may be overcome by direct and credible information to the contrary.

(d) The law enforcement officer, law enforcement agency, the state or any political subdivision of the state that employs a law enforcement officer providing identity verification as provided by this section for the department of labor, shall have immunity from any civil or criminal liability for such verification action if the law enforcement officer acts in good faith and exercises due care. Participation and verification of a claimant's identity as provided by this section by a law enforcement agency or law enforcement officer shall constitute a discretionary function or duty for purposes of the Kansas tort claims act.

EXPLANATION OF VOTE

Mr. Vice President: "The Rural Emergency Hospital Act" does not put a monetary burden on the hospitals that voluntarily opt in to this new designation. The $10 million giveaway is inappropriate. Telemedicine (primary care) by out-of-state physicians unlicensed in Kansas is an unnecessary threat to our rural providers.—Mark Steffen

SIXTIETH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Monday, May 3, 2021, 10:00 a.m.

The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

In Troubled Times, God’s Answer For The Trouble
Romans 15:4, Jeremiah 2, 2 Chronicles. 7:14-15

Heavenly Father, according to the New Testament, in Romans 15:4, You gave us the earlier Old Testament writings for our instruction, to encourage us to have hope and determination in times of trouble. And Lord, that’s what we need today! So, help us see the similarities, in Jeremiah 2 and be inspired. For You hold us responsible to turn away from the ungodliness in our midst.

In Jeremiah 2:7, You had brought Your people into a land of plenty, but they lost all that wealth and wound up bankrupt. In Jeremiah 2:16, even people that were not recognized for military strength, had become too hard for Your people to defend against. And in verse 18, neighboring peoples who pretended to be friends had deceived and troubled Your people, all because of their transgressions and their disobedience. In verse 19, You conveyed to them the foolishness of forsaking You and that the problems they were suffering were only a taste of even more difficulties to come if they did not repent.

So, Lord, keep us from going the same way they did. As we observe the troubles in our day, disrupted families and chaos all around us, please hear our prayers. You said in 2 Chronicles 7:14-15, Your eyes and ears would be attentive to the prayers of Your people if we would humble ourselves and repent of ungodly ways. So, by Your Holy Spirit, Lord, humble us, that You might revive us. We need Your touch to heal our land.

In the Precious Name of Jesus, I offer this prayer, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to SB 50, AN ACT concerning taxation; relating to sales and compensating use tax; requiring the collection and remittance for sales, compensating use and transient guest taxes and prepaid wireless 911 fees made on marketplace facilitator platforms; removing click-through nexus provisions; relating to income tax; providing for addition and subtraction modifications for the treatment of global intangible low-taxed income, business interest, capital contributions, FDIC premiums and business meals; expanding the expensed education for income taxpayers and calculating the deduction amount; providing the ability to elect to itemize for individuals; exemption of unemployment compensation income attributable as a result of identity fraud; removing the line for reporting compensating use tax from individual tax returns; extending the dates when corporate tax returns are required to be filed; increasing the Kansas standard deduction; providing for an extension of the corporate net operating loss carry forward period; amending K.S.A. 79-3221, 79-3221o, 79-32,117, 79-32,119, 79-32,120, 79-32,138, 79-32,143, 79-32,143a and 79-3702 and repealing the existing sections

REGARDING VETO OF SENATE BILL 50

Last year, despite COVID-19, Kansas experienced a record-setting $2.5 billion in new investment from businesses. These companies chose to make Kansas home in large part due to the state's recent investments in our economic development tools, prioritizing funding for infrastructure improvements, and reinvesting in our students.

As many of you with whom I served well remember, in order to provide sustainable funding for essential government services, we cannot return to the era of perennial, self-inflicted budget crises that undermine the very fabric and foundation of our state.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 50.

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to SB 55, AN ACT concerning education; relating to student athletes; creating the fairness in women's sports act;
restricting participation on women's teams to female students; providing a cause of action for violations.

REGARDING VETO OF SENATE BILL 55

This legislation sends a devastating message that Kansas is not welcoming to all children and their families, including those who are transgender – who are already at a higher risk of bullying, discrimination, and suicide.

As Kansans, we should be focused on how to include all students in extracurricular activities rather than how to exclude those who may be different than us. Kansas is an inclusive state and our laws should reflect our values. This law does not do that.

This bill would also undoubtedly harm our ability to attract and retain businesses. It would send a signal to prospective companies that Kansas is more focused on unnecessary and divisive legislation, than strategic, pro-growth lawmaker.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 55.

Upon the showing of five hands, a Call of the Senate was requested.

The Call was lifted.
EXPLANATION OF VOTE

Mr. Vice President: I have always strongly supported female athletes as I was a Superintendent in our local schools for 14 years. When considering my vote on a piece of legislation, I always ask myself, "Is it necessary?" Rather than establishing more laws for the sake of passing laws, I support local control and have confidence our locally-elected officials can address this appropriately. We have not heard about any issues with transgender students competing in Kansas. Locally, school boards, administrators, and KSHSAA have policies in place and work together to figure these things out. We have had no issue that I know of for the last 10 years because all of these situations are addressed in the local community. There are 5 transgender students in our public schools who are on teams and none are transgender girls competing at the high school level. If this is an issue for Kansas school districts and our universities, then we will deal with it. At this point in time I feel there is no need for a state statute. Today I vote for local control, for limited government and for kindness and compassion for those children who are trying to find their place in the world. I vote NO on the override for SB 55.—BRENDA DIETRICH

Mr. Vice President: As currently, the longest tenured member of Kansas’ Senate, this is one of the more difficult votes I ever had to make. Hearing from articulate, vocal constituents on both sides of the proposed ban on transgender youth in girl’s/women’s sports, by consistently voting to “Pass,” I was reminded of the Civil War sympathizer who, understanding views of the Union, wore a blue shirt and understanding views of the Confederacy, wore grey trousers, ended up getting shot at by BOTH sides! I believe it should be born in mind that David Haley has been a champion of LGBTQ inclusion and rights (marriage equality; hate crime coverage; “bathroom” repudiation, even personal staff hire) for decades. And too, that David Haley has been a resident “feminist;” ever pushing for fairness and equality for women in pay; freedom from harassment and other issues to level the gender-playing field. Accordingly, I found conflict in these histories of mine and “Pass.” Now, compelled by a Call of the Senate to vote one way or the other, I vote NO on the potential to override the Governor’s veto of SB 55; which will now sustain the Governor’s veto and allow transgender women to participate in women’s sports in Kansas. National organizations have looked for more open and inclusive venues to bring their tournaments to Kansas and should continue to be on the radar for hosting these events and generating the revenue we need to insure the continued greatness of our population-depleting State.—DAVID HALEY

Mr. Vice President: I vote no on SB 55. I strongly support girls sports, as I played them when I was in high school. I also strongly support local control. Many in my community have strong feelings on this issue. This underscores my support for local communities to handle this in the manner that is supported by the parents and students in that community. This issue is currently being monitored by the Kansas High School Activities Association and local school boards. I trust them to do their job and will work with them in the future if they need the legislature’s assistance. According to KSHSAA there are only five transgender individuals in the state, none of them are males playing at the High School level.—CAROLYN MCGINN
On motion of Senator Alley, the Senate recessed until 2:30 p.m.

MESSAGE FROM THE HOUSE

Announcing the House herewith transmits the veto message from the Governor, together with the enrolled copy of HB 2166:

AN ACT concerning motor vehicles; relating to distinctive license plates; providing for the Braden’s hope for childhood cancer, proud educator, delta sigma theta, Gadsden flag, love, Chloe foundation and alpha kappa alpha distinctive license plates; providing distinctive license plates for current and veteran members of the United States army, navy, marine corps, air force, coast guard and space force; modifying requirements to begin production on distinctive license plates; requiring reporting by sponsoring organizations of income and expenditures derived from certain distinctive license plate fees; establishing a fee for firefighter license plates; allowing certain license plates issued by the division of vehicles to be personalized license plates; amending K.S.A. 2020 Supp. 8-132, 8-1,141, 8-1,142, 8-1,147 and 8-1,155 and repealing the existing sections, which was received on April 23, 2021.

As long as I’m governor, I will do everything in my power to ensure that Kansas remains welcoming and inclusive. The Gadsden flag has become, over time, a symbol of racism and divisiveness. By inserting the Gadsden provision into an otherwise positive piece of legislation, the Legislature ensured a veto.

Should the original bill be passed and sent to my desk, I will sign it.

Under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2166.

A motion was made that HB 2166 be passed notwithstanding the Governor’s veto. By vote of 86 Yeas and 37 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

Announcing the House herewith transmits the veto message from the Governor, together with the enrolled copy of HB 2332:

AN ACT concerning elections; relating to the conduct of elections; providing for the appointment and duties of certain elected officials; amending K.S.A. 73-213, 73-214, 73-215, 73-218 and 73-219 and K.S.A. 2020 Supp. 25-1122 and 25-2423 and repealing the existing sections., which was received on April 23, 2021.

Although Kansans have cast millions of ballots over the last decade, there remains no evidence of significant voter fraud in Kansas. This bill is a solution to a problem that doesn’t exist. It is designed to disenfranchise Kansans, making it difficult for them to participate in the democratic process, not to stop voter fraud.

We also know what happens when states enact restrictive voting legislation. Hundreds of major companies across the nation have made it abundantly clear that this kind of legislation is wrong. Antagonizing the very businesses Kansas is trying to recruit is not how we continue to grow our economy.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2332.

Announcing the House herewith transmits the veto message from the Governor, together with the enrolled copy of HB 2183:

AN ACT concerning elections; creating the transparency in revenues underwriting elections act; prohibiting the receipt and expenditure of private moneys by election officials; directing the secretary of state to publish certain registered voter totals; relating to advance voting ballots; requiring signed statements for delivery of such ballots on behalf of a voter; limiting the number of such ballots that can be delivered; prohibiting the altering or backdating of the mailing date on such ballots; requiring a matching signature on such ballots; removing the secretary of state's authority to provide additional time for receipt of such ballots; prohibiting candidates for office from engaging in certain conduct related to advance voting ballots; creating the crime of false representation of an election official; expanding the crime of electioneering; penalties for violations; amending K.S.A. 2020 Supp. 25-1124, 25-1128, 25-1132 and 25-2430 and repealing the existing sections; also repealing K.S.A. 25-608., which was received on April 23, 2021.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Substitute for House Bill 2183.

A motion was made that HB 2183 be passed notwithstanding the Governor's veto. By vote of 85 Yeas and 38 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

Announcing the House herewith transmits the veto message from the Governor, together with the enrolled copy of HB 2058.

AN ACT concerning crimes, punishment and criminal procedure; relating to firearms; reducing the underlying felonies for the crime of criminal possession of a weapon by a convicted felon; restoration of the right to possess firearms upon expungement of convictions; recognition of licenses under the personal and family protection act issued by other jurisdictions; creating a provisional license for persons under the age of 21; authorizing the issuance of alternative license during certain circumstances; amending K.S.A. 75-7c02, 75-7c03, 75-7c04, 75-7c05, 75-7c08 and 75-7c21 and K.S.A. 2020 Supp. 21-5914, 21-6301, 21-6302, 21-6304, 21-6309, 21-6614 and 32-1002 and repealing the existing sections., which was received on April 23, 2021 and read on May 3, 2021.
Throughout my time in public office, I have been a strong supporter of the Second Amendment and of Kansans' right to own firearms.

But we can respect and defend the rights of Kansas gun owners while also taking effective steps to keep our children and families safe. Legislation that allows more guns on campus is neither safe nor effective, and it will drive prospective students away from our schools.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2058.

A motion was made that HB 2058 be passed notwithstanding the Governor's veto. By vote of 84 Yea and 39 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 40 senators present.
The Vice President introduced guest chaplain, Pastor David Beauchamp, Director, Church Ambassador Network of Kansas, to deliver the invocation:

Almighty God, Creator of this Universe and Creator of me, I come before You today, on the floor of this Kansas Senate. I humbly ask for Your Presence to fill this chamber. As a Kansas pastor and a follower of Your Son, Jesus, I realize that every hallway and office, every nook and cranny, of this Capitol Building falls within your purview. You also extend Your Providential care to every nook and cranny of the entire State of Kansas. As such, I place myself under Your Sovereignty and I pray that every Senator does as well.

As a state and as a nation we have societal issues that have confronted us. We have faced a pandemic; we have faced injustice; we have faced violence; we have faced issues that challenge the very bedrock that our founding fathers established. Through it all, I pray that we may respond with a dependence on You. May we seek Your divine truths to help guide policy decisions that will be pleasing to You. I pray that each of these 40 senators would seek Your face. I pray that by doing so that they will have the best interests for every person in the State of Kansas so that each Kansan can align their interests with Your plans and purposes.

There are tough issues facing this Senate, especially during this month. There will be disagreements to be sure. I ask that as issues are discussed that there is a respect and a civility that is a part of every dialog. I pray that all here may love others the way Jesus has sacrificially loved each of us.

As I conclude this prayer, I ask that Your blessings be given to all who support this legislative body, many whose responsibilities are never made public. May each support person and each Senator know that the people of the State of Kansas appreciate their work on all the important policy decisions that are made in this chamber.

I offer this prayer in the name of Your Son, My Savior and Lord, Jesus Christ, Amen.

The Pledge of Allegiance was led by Vice President Wilborn.

COMMITTEE OF THE WHOLE

On motion of Senator Claeys the report for the morning and the following afternoon report was adopted:

S Sub HB 2313 be amended by motion of Senator Holland: on page 8, following line 16, by inserting:
"New Sec. 17. The provisions of sections 17 through 33, and amendments thereto, shall be known as and may be cited as the golden years homestead property tax freeze act. The purpose of this act shall be to provide refunds arising from increased ad valorem tax assessments to: (a) Certain persons who are of qualifying age and who own their homesteads; or (b) certain persons who have a disability as a result of military service and who own their homesteads.

New Sec. 18. As used in sections 17 through 33, and amendments thereto:
(a) "Act" means the golden years homestead property tax freeze act.
(b) "Base year" means the earliest year in which: (1) An individual was, during the entire calendar year, both domiciled in this state and was: (A) A person who is 65 years of age or older; or (B) a disabled veteran; and (2) the appraised value of the homestead is $395,000 or less. A claimant shall only be eligible for a claim for refund under this act if the appraised value of the homestead in the base year is $395,000 or less. For any individual who satisfies paragraph (1) prior to 2020, such base year shall be deemed to be 2020 for purposes of this act if the appraised value of the homestead for tax year 2020 is $395,000 or less. No year prior to 2020 shall be established as a base year. Once established for a claimant, the base year for the homestead shall not change if such claimant fails to satisfy the household income requirement to be eligible for a refund claim for any particular year or years. In the case of all tax years commencing after December 31, 2020, the upper limit homestead appraised value threshold amount prescribed in this section shall be increased by an amount equal to such threshold amount multiplied by a cost-of-living adjustment determined by the department of revenue by averaging the percent change in statewide residential valuation of existing residential property for the preceding 10 years.
(c) "Claimant" means a person who has filed a claim under the provisions of this act and was, during the entire calendar year preceding the year in which such claim was filed for refund under this act, except as provided in section 19, and amendments thereto, both domiciled in this state and was: (1) A person who is 65 years of age or older; or (2) a disabled veteran. The surviving spouse of a person 65 years of age or older or a disabled veteran who was receiving benefits pursuant to this section at the time of the claimant's death, shall be eligible to continue to receive benefits until such time the surviving spouse remarries.
(d) "Disabled veteran" means a person who is a resident of Kansas and has been honorably discharged from active service in any branch of the armed forces of the United States or the Kansas national guard and who has been certified by the United States department of veterans affairs or its successor to have a 50% or greater permanent disability sustained through military action or accident or resulting from a disease contracted while in such active service.
(e) "Homestead" means the dwelling, or any part thereof, owned and occupied as a residence by the household and so much of the land surrounding it, as defined as a home site for ad valorem tax purposes, and may consist of a part of a multi-dwelling or multi-purpose building and a part of the land upon which it is built or a manufactured home or mobile home and the land upon which it is situated. "Owned" includes one or more joint tenants or tenants in common.

When a homestead is occupied by two or more individuals and more than one of the individuals is able to qualify as a claimant, the individuals may determine between them as to who the claimant will be. If they are unable to agree, the matter shall be referred to
the secretary of revenue, whose decision shall be final.

(f) "Household" means a claimant, a claimant and spouse who occupy the homestead or a claimant and one or more individuals not related as married individuals who together occupy a homestead.

(g) "Household income" means all income received by all persons of a household in a calendar year while members of such household.

(h) "Income" means the sum of adjusted gross income under the Kansas income tax act effective for tax year 2021, and tax years thereafter, without regard to any maintenance, support money, cash public assistance and relief, not including any refund granted under this act, the gross amount of any pension or annuity, including all monetary retirement benefits from whatever source derived, including, but not limited to, all payments received under the railroad retirement act, except disability payments, payments received under the federal social security act, except that for determination of what constitutes income, such amount shall not exceed 50% of any such social security payments and shall not include any social security payments to a claimant who, prior to attaining full retirement age, had been receiving disability payments under the federal social security act in an amount not to exceed the amount of such disability payments or 50% of any such social security payments, whichever is greater, all dividends and interest from whatever source derived not included in adjusted gross income, workers compensation and the gross amount of loss of time insurance. Income does not include gifts from nongovernmental sources or surplus food or other relief in kind supplied by a governmental agency, nor shall net operating losses and net capital losses be considered in the determination of income. Income does not include veterans disability pensions or disability payments received under the federal social security act.

(i) "Property taxes accrued" means property taxes, exclusive of special assessments, delinquent interest and charges for service, levied on a claimant's homestead in 2020 or any calendar year thereafter by the state of Kansas and the political and taxing subdivisions of the state. When a homestead is owned by two or more persons or entities as joint tenants or tenants in common and one or more of the persons or entities is not a member of the claimant's household, "property taxes accrued" is that part of property taxes levied on the homestead that reflects the ownership percentage of the claimant's household. For purposes of this act, property taxes are levied when the tax roll is delivered to the local treasurer with the treasurer's warrant for collection. When a claimant and household own their homestead for only a part of a calendar year, "property taxes accrued" means only taxes levied on the homestead when both owned and occupied as a homestead by the claimant's household at the time of the levy, multiplied by the percentage of 12 months that the property was owned and occupied by the household as its homestead in that year. When a household owns and occupies two or more different homesteads in the same calendar year, property taxes accrued shall be the sum of the taxes allocable to those several properties while occupied by the household as its homesteads during the year. Whenever a homestead is an integral part of a larger unit such as a multi-purpose or multi-dwelling building, property taxes accrued shall be that percentage of the total property taxes that is equal to the percentage of the value of the homestead compared to the total unit's value. For the purpose of this act, the word "unit" refers to that parcel of property covered by a single tax statement of which the homestead is a part.

New Sec. 19. The right to file a claim under this act may be exercised on behalf of
a claimant by such person's legal guardian, conservator or attorney-in-fact. When a claimant dies after having filed a timely claim, the amount thereof shall be disbursed to another member of the household as determined by the director of taxation. If the claimant was the only member of such person's household, the claim may be paid to such person's executor or administrator, but if neither is appointed and qualified, the amount of the claim may be paid upon a claim duly made to any heir at law. In the absence of any such claim within two years of the filing of the claim, the amount of the claim shall escheat to the state. When a person who would otherwise be entitled to file a claim under the provisions of this act dies prior to filing such claim, another member of such person's household may file such claim in the name of such decedent, subject to the deadline prescribed by section 21, and amendments thereto, and the director shall pay the amount to which the decedent would have been entitled to such person filing the claim. If the decedent was the only member of such person's household, the decedent's executor or administrator may file such claim in the name of the decedent, and the claim shall be paid to the executor or administrator. In the event that neither an executor or administrator is appointed and qualified, such claim may be made by any heir at law and the claim shall be payable to such heir at law. Any of the foregoing provisions shall be applicable in any case where the decedent dies in the calendar year preceding the year in which a claim may be made under the provisions of this act, if such decedent was a resident of or domiciled in this state during the entire part of such year that such decedent was living. Where the decedent's death occurs during the calendar year preceding the year in which a claim may be made, the amount of the claim that would have been allowable if the decedent had been a resident of or domiciled in this state the entire calendar year of such person's death shall be reduced in a proportionate amount equal to a fraction of the claim otherwise allowable, the numerator of which fraction is the number of months in such calendar year following the month of the decedent's death, and the denominator of which is 12.

New Sec. 20. A claimant may claim property tax relief under this act with respect to property taxes accrued and, after audit by the director of taxation with respect to this act, the allowable amount of such claim shall be paid, except as otherwise provided in sections 22, 31 and 33, and amendments thereto, to the claimant from the income tax refund fund upon warrants of the director of accounts and reports pursuant to vouchers approved by the director of taxation or by any person designated by the claimant, but no warrant issued shall be drawn in an amount of less than $5. No interest shall be allowed on any payment made to a claimant pursuant to this act.

New Sec. 21. Except as provided in section 30, and amendments thereto, no claim in respect of property taxes levied in any year shall be paid or allowed unless such claim is filed with and in the possession of the department of revenue on or before April 15 of the year next succeeding the year in which such taxes were levied.

New Sec. 22. The amount of any claim otherwise payable under this act may be applied by the director of taxation against any liability outstanding on the books of the department of revenue against the claimant, or against any other individual who was a member of such person's household in the year that the claim relates.

New Sec. 23. Only one claimant per household per year shall be entitled to relief under this act.

New Sec. 24. (a) Commencing in tax year 2021, and all tax years thereafter, the amount of any claim pursuant to this act shall be computed by deducting the homestead
ad valorem tax amount in the tax year the refund is sought from the amount of a claimant's base year homestead ad valorem tax amount.

(b) The amount of claim shall be computed only to the nearest $1.

c) A taxpayer shall not be eligible for a claim pursuant to this act if such taxpayer has received for such property for such tax year a homestead property tax refund pursuant to K.S.A. 79-4501 et seq., and amendments thereto.

d) The maximum amount of a claim that may be claimed by a claimant in any one tax year pursuant to this act shall be $5,000.

New Sec. 25. (a) In administering this act, the director of taxation shall make available suitable forms with instructions for claimants. Copies of such forms shall also be made available to all county clerks and county treasurers in sufficient numbers to supply claimants residing in their respective counties. It shall be the duty of the county clerk to assist any claimant seeking assistance in the filing of a claim under the provisions of this act. The county treasurer of each county shall mail to each taxpayer, with the property tax statement of such taxpayer, information on eligibility for relief under this act to be provided by the secretary of revenue.

(b) The secretary of revenue is hereby authorized to adopt such rules and regulations as may be necessary for the administration of the provisions of this act.

New Sec. 26. (a) Every claimant under this act shall supply to the director of taxation, in support of a claim, reasonable proof of age and changes of homestead, household membership, household income, household assets and size and nature of property claimed as the homestead.

(b) Every claimant who is a homestead owner, or whose claim is based wholly or partly upon homestead ownership at some time during the calendar year, shall supply to the director of taxation, in support of a claim, the amount of property taxes levied upon the property claimed as a homestead and a statement that the property taxes accrued used for purposes of this act have been or will be paid by the claimant. Upon request by the director, such claimant shall provide a copy of the statement of property taxes levied upon the property claimed as a homestead. The amount of personal property taxes levied on a manufactured home or mobile home shall be set out on the personal property tax statement showing the amount of such tax as a separate item.

(c) The information required to be furnished under subsection (b) shall be in addition to that required under subsection (a).

New Sec. 27. In any case in which it is determined that a claim is or was excessive and was filed with fraudulent intent, the claim shall be disallowed in full, and, if the claim has been paid, the amount paid may be recovered by assessment as income taxes are assessed, and such assessment shall bear interest from the date of payment or credit of the claim, until recovered, at the rate of 1% per month. The claimant in such case and any person who assisted in the preparation or filing of such excessive claim, or supplied information upon which such excessive claim was prepared, with fraudulent intent, shall be guilty of a class B misdemeanor. In any case in which it is determined that a claim is or was excessive and was negligently prepared, 10% of the corrected claim shall be disallowed, and, if the claim has been paid, the proper portion of any amount paid shall be similarly recovered by assessment as income taxes are assessed, and such assessment shall bear interest at the rate of 1% per month from the date of payment until recovered. In any case in which it is determined that a claim is or was excessive due to the fact that the claimant neglected to include certain income received during the
year, the claim shall be corrected and the excess disallowed, and, if the claim has been paid, the proper portion of any amount paid shall be similarly recovered by assessment as income taxes are assessed.

New Sec. 28. No claim for relief under the provisions of this act shall be allowed to any claimant who is a recipient of public funds specifically designated for the payment of taxes during the period for which the claim is filed.

New Sec. 29. A claim shall be disallowed if the director of taxation finds that the claimant received title to such person's homestead primarily for the purpose of receiving benefits under this act.

New Sec. 30. For claims in respect to property taxes levied in any year, the director of taxation may extend the time for filing any claim or accept a claim filed after the filing deadline when good cause exists, if the claim has been filed within four years of the deadline.

New Sec. 31. (a) The director of taxation shall issue to the county clerk by October 1 of each year an electronic record containing the name of each eligible claimant who received a refund of property taxes under this act for the prior year.

(b) When initially filing a claim under this act, the claimant shall be given an election to receive such refund directly from the director of taxation or have such refund applied to the claimant's ad valorem taxes in the county. The claimant shall make the election on a form supplied by the director of taxation. Such refund shall not be applied to any special assessment.

(c) After the electronic record under subsection (a) has been received from the director of taxation, the county clerk of the county in which the property is located shall make any corrections needed, if any, based upon information known by the county clerk concerning any change in eligibility of any claimant listed in such record. After any needed corrections have been made to the electronic record, the county clerk, on behalf of each claimant listed in such record, shall certify the information contained in such record to the county treasurer in lieu of paying that portion of the first half of taxes on the claimant's homestead in the current year, which equals the amount of the golden years homestead property tax freeze refund received by the claimant for taxes levied in the preceding year up to the amount of the first half of the property taxes due.

(d) The county treasurer shall certify and return the electronic record referred to in subsection (a), including any changes made by the county clerk pursuant to subsection (c), to the director of taxation by December 31 of each year. After receiving a claim of any claimant who is listed in the electronic record submitted by the county treasurer, the director shall examine the same, and, if the claim is valid, the director of accounts and reports shall draw a warrant in favor of the county in which the claimant's homestead is located upon a voucher approved by the director of taxation in the amount of the allowable claim for refund. Sufficient information to identify the claimant shall be directed to the county treasurer with each warrant. Any taxes levied in any year on the homestead of any claimant who has obtained the eligibility herein provided for in excess of the amount paid to the county by the state and by the claimant on or before December 20 of such year shall be paid by the claimant on or before May 10 of the succeeding year.

(e) For the purposes of this section, "electronic record" means the same as defined in K.S.A. 16-1602, and amendments thereto.

New Sec. 32. A claimant shall only be eligible for a claim for refund under this act
if the household income for the year in which the claim is filed is $50,000 or less. In the case of all tax years commencing after December 31, 2021, the upper limit household income threshold amount prescribed in this section shall be increased by an amount equal to such threshold amount multiplied by the cost-of-living adjustment determined under section 1(f)(3) of the federal internal revenue code for the calendar year in which the taxable year commences.

New Sec. 33. If there are delinquent property taxes on the claimant's homestead, the refund shall be paid to the county treasurer of the county in which such homestead is located and applied first to the oldest of such delinquent property taxes and applied forward to the most recent delinquent property taxes and then to any other property taxes due on the claimant's homestead.

EXPLANATION OF VOTE

Mr Vice President: Let’s put aside for a moment my issues with transparency, the composition of the board, and the way the Attorney General – who is running for Governor in 2022 – benefits politically from his role in administering this fund. We all know how Kansas businesses have sustained losses and financial difficulty because of the public health measures our community used to mitigate infection and prevent death from COVID-19. They do deserve help to recover from this pandemic. However, this bill ignores the very same impact the pandemic had on Kansas workers, who ensured that we have had access to medical care, food, shelter, child care, critical infrastructure, and other essential services, taking on a disproportionate amount of risk. Some Kansas businesses undoubtedly suffered during this pandemic; many Kansas workers died. They have no less earned the same financial support we’re offering our businesses today. I vote NO.—DINAH SYKES

**EXPLANATION OF VOTE**

Mr. Vice President: This bill is a multi-faceted bill that helps so many Kansas citizens. It gives much needed financial relief to our pandemic-response haggard small businesses, it provides economic guide-rails for decision-makers during future emergency declarations, and it provides property tax relief for our lower income elderly and our disabled veterans. This is quality legislation that makes Kansas a better state. And, I am very proud to have played a role in its development. —Mark Steffen

REPORT ON ENROLLED BILLS

SR 1721 reported correctly enrolled, properly signed and presented to the Secretary of the Senate on May 4, 2021.

On motion of Senator Alley, the Senate adjourned until 10:00 a.m., Wednesday, May 5, 2021.
The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

Direction From The Ultimate Law Giver
Proverbs 29:18, Romans 7:7, Isaiah 5:20, Acts 5:1-10

Lord, without laws, without good laws, laws that come from You, in Proverbs 29:18, You declare that people will be out of control and going wild. But when we receive Your laws and follow them, we will experience the delights and the joys of life.

By Divine determination, You have put all of us in these chambers: Senators, secretaries, security, staff, in every capacity together to consider Your laws in fashioning the laws that flow from here.

According to Your Word in Romans 7:7, You gave us Your laws to use as a mirror so we could see for ourselves when we were going wrong. Like the pilots need their instruments to guide them in their flight, we need the principles of Your Laws to guide us in right decisions. Thank You Lord for the guidance You give us. Now keep us in alignment, so we don’t experience the judgment, the condemnation You mention in Isaiah 5:20 where we’re calling wickedness as decent, and calling that which is excellent as appalling.

As it was with Ananias and his wife Sapphira, in Acts 5, they thought that lying and being deceitful was the way to go until You showed them otherwise. Lord, You’re yearning for a people of truth…of integrity! You said it’s a wonderful thing for people to know and to keep Your laws. Help us then to realize that we can’t know them and be blessed by them unless we keep them.

Therefore, as laws, policies and procedures are being studied, prompt us to regularly check the Mirror of Your Word so we can get things right, so we can avoid duplicity and be known as people trying to follow the heart of God!

My appeal to You dear Lord, is In the precious Name of Jesus, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

The Kansas department for children and families shall not publicly disclose the identity of any lottery prize winner, including recipients who are determined to have illegally received benefits.

(d) Temporary assistance for needy families; assignment of support rights and limited power of attorney. By applying for or receiving temporary assistance for needy families such applicant or recipient shall be deemed to have assigned to the secretary on behalf of the state any accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. In any case in which an order for child support has been established and the legal custodian and obligee under the order surrenders physical custody of the child to a caretaker relative without obtaining a modification of legal custody and support rights on behalf of the child are assigned pursuant to this section, the surrender of physical custody and the assignment shall transfer, by operation of law, the child's support rights under the order to the secretary on behalf of the state. Such assignment shall be of all accrued, present or future rights to support of the child surrendered to the caretaker relative. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant, recipient or obligee. By applying for or receiving temporary assistance for needy families, or by surrendering physical custody of a child to a caretaker relative who is an applicant or recipient of such assistance on the child's behalf, the applicant, recipient or obligee is also deemed to have appointed the secretary, or the secretary's designee, as an attorney-in-fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full.

(e) Requirements for medical assistance for which federal moneys or state moneys or both are expended. (1) When the secretary has adopted a medical care plan under
which federal moneys or state moneys or both are expended, medical assistance in accordance with such plan shall be granted to any person who is a citizen of the United States or who is an alien lawfully admitted to the United States and who is residing in the state of Kansas, whose resources and income do not exceed the levels prescribed by the secretary. In determining the need of an individual, the secretary may provide for income and resource exemptions and protected income and resource levels. Resources from inheritance shall be counted. A disclaimer of an inheritance pursuant to K.S.A. 59-2291, and amendments thereto, shall constitute a transfer of resources. The secretary shall exempt principal and interest held in irrevocable trust pursuant to K.S.A. 16-303(c), and amendments thereto, from the eligibility requirements of applicants for and recipients of medical assistance. Such assistance shall be known as medical assistance.

(2) For the purposes of medical assistance eligibility determinations on or after July 1, 2004, if an applicant or recipient owns property in joint tenancy with some other party and the applicant or recipient of medical assistance has restricted or conditioned their interest in such property to a specific and discrete property interest less than 100%, then such designation will cause the full value of the property to be considered an available resource to the applicant or recipient. Medical assistance eligibility for receipt of benefits under the title XIX of the social security act, commonly known as medicaid, shall not be expanded, as provided for in the patient protection and affordable care act, public law 111-148, 124 stat. 119, and the health care and education reconciliation act of 2010, public law 111-152, 124 stat. 1029, unless the legislature expressly consents to, and approves of, the expansion of medicaid services by an act of the legislature.

(3) (A) Resources from trusts shall be considered when determining eligibility of a trust beneficiary for medical assistance. Medical assistance is to be secondary to all resources, including trusts, that may be available to an applicant or recipient of medical assistance.

(B) If a trust has discretionary language, the trust shall be considered to be an available resource to the extent, using the full extent of discretion, the trustee may make any of the income or principal available to the applicant or recipient of medical assistance. Any such discretionary trust shall be considered an available resource unless: (i) At the time of creation or amendment of the trust, the trust states a clear intent that the trust is supplemental to public assistance; and (ii) the trust: (a) Is funded from resources of a person who, at the time of such funding, owed no duty of support to the applicant or recipient of medical assistance; or (b) is funded not more than nominally from resources of a person while that person owed a duty of support to the applicant or recipient of medical assistance.

(C) For the purposes of this paragraph, "public assistance" includes, but is not limited to, medicaid, medical assistance or title XIX of the social security act.

(4) (A) When an applicant or recipient of medical assistance is a party to a contract, agreement or accord for personal services being provided by a nonlicensed individual or provider and such contract, agreement or accord involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits, or other related issues, any moneys paid under such contract, agreement or accord shall be considered to be an available resource unless the following restrictions are met: (i) The contract, agreement or accord must be in writing and executed prior to any services being provided; (ii) the moneys paid are in direct
relationship with the fair market value of such services being provided by similarly situated and trained nonlicensed individuals; (iii) if no similarly situated nonlicensed individuals or situations can be found, the value of services will be based on federal hourly minimum wage standards; (iv) such individual providing the services will report all receipts of moneys as income to the appropriate state and federal governmental revenue agencies; (v) any amounts due under such contract, agreement or accord shall be paid after the services are rendered; (vi) the applicant or recipient shall have the power to revoke the contract, agreement or accord; and (vii) upon the death of the applicant or recipient, the contract, agreement or accord ceases.

(B) When an applicant or recipient of medical assistance is a party to a written contract for personal services being provided by a licensed health professional or facility and such contract involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits or other related issues, any moneys paid in advance of receipt of services for such contracts shall be considered to be an available resource.

(5) Any trust may be amended if such amendment is permitted by the Kansas uniform trust code.

(f) Eligibility for medical assistance of resident receiving medical care outside state. A person who is receiving medical care including long-term care outside of Kansas whose health would be endangered by the postponement of medical care until return to the state or by travel to return to Kansas, may be determined eligible for medical assistance if such individual is a resident of Kansas and all other eligibility factors are met. Persons who are receiving medical care on an ongoing basis in a long-term medical care facility in a state other than Kansas and who do not return to a care facility in Kansas when they are able to do so, shall no longer be eligible to receive assistance in Kansas unless such medical care is not available in a comparable facility or program providing such medical care in Kansas. For persons who are minors or who are under guardianship, the actions of the parent or guardian shall be deemed to be the actions of the child or ward in determining whether or not the person is remaining outside the state voluntarily.

(g) Medical assistance; assignment of rights to medical support and limited power of attorney; recovery from estates of deceased recipients. (1) (A) Except as otherwise provided in K.S.A. 39-786 and 39-787, and amendments thereto, or as otherwise authorized on and after September 30, 1989, under section 303 of the federal medicare catastrophic coverage act of 1988, whichever is applicable, by applying for or receiving medical assistance under a medical care plan in which federal funds are expended, any accrued, present or future rights to support and any rights to payment for medical care from a third party of an applicant or recipient and any other family member for whom the applicant is applying shall be deemed to have been assigned to the secretary on behalf of the state. The assignment shall automatically become effective upon the date of approval for such assistance without the requirement that any document be signed by the applicant or recipient. By applying for or receiving medical assistance the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments, representing payments received by the secretary in on behalf of any person applying for, receiving or having received
such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for assistance and shall remain in effect until the assignment has been terminated in full. The assignment of any rights to payment for medical care from a third party under this subsection shall not prohibit a health care provider from directly billing an insurance carrier for services rendered if the provider has not submitted a claim covering such services to the secretary for payment. Support amounts collected on behalf of persons whose rights to support are assigned to the secretary only under this subsection and no other shall be distributed pursuant to K.S.A. 39-756(d), and amendments thereto, except that any amounts designated as medical support shall be retained by the secretary for repayment of the unreimbursed portion of assistance. Amounts collected pursuant to the assignment of rights to payment for medical care from a third party shall also be retained by the secretary for repayment of the unreimbursed portion of assistance.

(B) Notwithstanding the provisions of subparagraph (A), the secretary of health and environment, or the secretary's designee, is hereby authorized to and shall exercise any of the powers specified in subparagraph (A) in relation to performance of such secretary's duties pertaining to medical subrogation, estate recovery or any other duties assigned to such secretary in article 74 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto.

(2) The amount of any medical assistance paid after June 30, 1992, under the provisions of subsection (e) is: (A) A claim against the property or any interest therein belonging to and a part of the estate of any deceased recipient or, if there is no estate, the estate of the surviving spouse, if any, shall be charged for such medical assistance paid to either or both; and (B) a claim against any funds of such recipient or spouse in any account under K.S.A. 9-1215, 17-2263 or 17-2264, and amendments thereto. There shall be no recovery of medical assistance correctly paid to or on behalf of an individual under subsection (e) except after the death of the surviving spouse of the individual, if any, and only at a time when the individual has no surviving child who is under 21 years of age or is blind or permanently and totally disabled. Transfers of real or personal property by recipients of medical assistance without adequate consideration are voidable and may be set aside. Except where there is a surviving spouse, or a surviving child who is under 21 years of age or is blind or permanently and totally disabled, the amount of any medical assistance paid under subsection (e) is a claim against the estate in any guardianship or conservatorship proceeding. The monetary value of any benefits received by the recipient of such medical assistance under long-term care insurance, as defined by K.S.A. 40-2227, and amendments thereto, shall be a credit against the amount of the claim provided for such medical assistance under this subsection. The secretary of health and environment is authorized to enforce each claim provided for under this subsection. The secretary of health and environment shall not be required to pursue every claim, but is granted discretion to determine which claims to pursue. All moneys received by the secretary of health and environment from claims under this subsection shall be deposited in the social welfare fund. The secretary of health and environment may adopt rules and regulations for the implementation and administration of the medical assistance recovery program under this subsection.

(3) By applying for or receiving medical assistance under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, such individual or such individual's agent, fiduciary, guardian, conservator, representative
payee or other person acting on behalf of the individual consents to the following definitions of estate and the results therefrom:

(A) If an individual receives any medical assistance before July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under paragraph (2), such claim is limited to the individual's probatable estate as defined by applicable law; and

(B) if an individual receives any medical assistance on or after July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under paragraph (2), such claim shall apply to the individual's medical assistance estate. The medical assistance estate is defined as including all real and personal property and other assets in which the deceased individual had any legal title or interest immediately before or at the time of death to the extent of that interest or title. The medical assistance estate includes, without limitation assets conveyed to a survivor, heir or assign of the deceased recipient through joint tenancy, tenancy in common, survivorship, transfer-on-death deed, payable-on-death contract, life estate, trust, annuities or similar arrangement.

(4) The secretary of health and environment or the secretary's designee is authorized to file and enforce a lien against the real property of a recipient of medical assistance in certain situations, subject to all prior liens of record and transfers for value to a bona fide purchaser of record. The lien must be filed in the office of the register of deeds of the county where the real property is located within one year from the date of death of the recipient and must contain the legal description of all real property in the county subject to the lien.

(A) After the death of a recipient of medical assistance, the secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by such recipient.

(B) The secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by a recipient of medical assistance during the lifetime of such recipient. Such lien may be filed only after notice and an opportunity for a hearing has been given. Such lien may be enforced only upon competent medical testimony that the recipient cannot reasonably be expected to be discharged and returned home. A six-month period of compensated inpatient care at a nursing home or other medical institution shall constitute a determination by the department of health and environment that the recipient cannot reasonably be expected to be discharged and returned home. To return home means the recipient leaves the nursing or medical facility and resides in the home on which the lien has been placed for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. The amount of the lien shall be for the amount of assistance paid by the department of health and environment until the time of the filing of the lien and for any amount paid thereafter for such medical assistance to the recipient. After the lien is filed against any real property owned by the recipient, such lien will be dissolved if the recipient is discharged, returns home and resides upon the real property to which the lien is attached for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. If the recipient is readmitted as an inpatient to a nursing or medical facility for a continuous period of less than 90 days, another continuous period of at least 90 days shall be completed prior to dissolution of the lien.
(5) The lien filed by the secretary of health and environment or the secretary's designee for medical assistance correctly received may be enforced before or after the death of the recipient by the filing of an action to foreclose such lien in the Kansas district court or through an estate probate court action in the county where the real property of the recipient is located. However, it may be enforced only:

(A) After the death of the surviving spouse of the recipient;
(B) when there is no child of the recipient, natural or adopted, who is 20 years of age or less residing in the home;
(C) when there is no adult child of the recipient, natural or adopted, who is blind or disabled residing in the home; or
(D) when no brother or sister of the recipient is lawfully residing in the home, who has resided there for at least one year immediately before the date of the recipient's admission to the nursing or medical facility, and has resided there on a continuous basis since that time.

(6) The lien remains on the property even after a transfer of the title by conveyance, sale, succession, inheritance or will unless one of the following events occur:

(A) The lien is satisfied. The recipient, the heirs, personal representative or assigns of the recipient may discharge such lien at any time by paying the amount of the lien to the secretary of health and environment or the secretary's designee;
(B) the lien is terminated by foreclosure of prior lien of record or settlement action taken in lieu of foreclosure; or
(C) the value of the real property is consumed by the lien, at which time the secretary of health and environment or the secretary's designee may force the sale for the real property to satisfy the lien.

(7) If the secretary for aging and disability services or the secretary of health and environment, or both, or such secretary's designee has not filed an action to foreclose the lien in the Kansas district court in the county where the real property is located within 10 years from the date of the filing of the lien, then the lien shall become dormant, and shall cease to operate as a lien on the real estate of the recipient. Such dormant lien may be revived in the same manner as a dormant judgment lien is revived under K.S.A. 60-2403 et seq., and amendments thereto.

(8) Within seven days of receipt of notice by the secretary for children and families or the secretary's designee of the death of a recipient of medical assistance under this subsection, the secretary for children and families or the secretary's designee shall give notice of such recipient's death to the secretary of health and environment or the secretary's designee.

(9) All rules and regulations adopted on and after July 1, 2013, and prior to July 1, 2014, to implement this subsection shall continue to be effective and shall be deemed to be duly adopted rules and regulations of the secretary of health and environment until revised, amended, revoked or nullified pursuant to law.

(h) Placement under the revised Kansas code for care of children or revised Kansas juvenile justice code; assignment of support rights and limited power of attorney. In any case in which the secretary for children and families pays for the expenses of care and custody of a child pursuant to K.S.A. 2020 Supp. 38-2201 et seq. or 38-2301 et seq., and amendments thereto, including the expenses of any foster care placement, an assignment of all past, present and future support rights of the child in custody possessed by either parent or other person entitled to receive support payments
for the child is, by operation of law, conveyed to the secretary. Such assignment shall become effective upon placement of a child in the custody of the secretary or upon payment of the expenses of care and custody of a child by the secretary without the requirement that any document be signed by the parent or other person entitled to receive support payments for the child. When the secretary pays for the expenses of care and custody of a child or a child is placed in the custody of the secretary, the parent or other person entitled to receive support payments for the child is also deemed to have appointed the secretary, or the secretary's designee, as attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary on behalf of the child. This limited power of attorney shall be effective from the date the assignment to support rights becomes effective and shall remain in effect until the assignment of support rights has been terminated in full.

(i) No person who voluntarily quits employment or who is fired from employment due to gross misconduct as defined by rules and regulations of the secretary or who is a fugitive from justice by reason of a felony conviction or charge or violation of a condition of probation or parole imposed under federal or state law shall be eligible to receive public assistance benefits in this state. Any recipient of public assistance who fails to timely comply with monthly reporting requirements under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations.

(j) If the applicant or recipient of temporary assistance for needy families is a mother of the dependent child, as a condition of the mother's eligibility for temporary assistance for needy families the mother shall identify by name and, if known, by current address the father of the dependent child except that the secretary may adopt by rules and regulations exceptions to this requirement in cases of undue hardship. Any recipient of temporary assistance for needy families who fails to cooperate with requirements relating to child support services under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary.

(k) By applying for or receiving child care benefits or food assistance, the applicant or recipient shall be deemed to have assigned, pursuant to K.S.A. 39-756, and amendments thereto, to the secretary on behalf of the state only accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant or recipient. By applying for or receiving child care benefits or food assistance, the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full. An applicant or recipient who has assigned support rights to the secretary pursuant to this subsection shall cooperate in establishing and enforcing
support obligations to the same extent required of applicants for or recipients of temporary assistance for needy families.

(l)(1) A program of drug screening for applicants for cash assistance as a condition of eligibility for cash assistance and persons receiving cash assistance as a condition of continued receipt of cash assistance shall be established, subject to applicable federal law, by the secretary for children and families on and before January 1, 2014. Under such program of drug screening, the secretary for children and families shall order a drug screening of an applicant for or a recipient of cash assistance at any time when reasonable suspicion exists that such applicant for or recipient of cash assistance is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, an applicant's or recipient's demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the applicant or recipient indicating unlawful use of a controlled substance or controlled substance analog.

(2) Any applicant for or recipient of cash assistance whose drug screening results in a positive test may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any applicant for or recipient of cash assistance who requests an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening. Such applicant or recipient who took the additional drug screening and who tested negative for unlawful use of a controlled substance and controlled substance analog shall be reimbursed for the cost of such additional drug screening.

(3) Any applicant for or recipient of cash assistance who tests positive for unlawful use of a controlled substance or controlled substance analog shall be required to complete a substance abuse treatment program approved by the secretary for children and families, secretary of labor or secretary of commerce, and a job skills program approved by the secretary for children and families, secretary of labor or secretary of commerce. Subject to applicable federal laws, any applicant for or recipient of cash assistance who fails to complete or refuses to participate in the substance abuse treatment program or job skills program as required under this subsection shall be ineligible to receive cash assistance until completion of such substance abuse treatment and job skills programs. Upon completion of both substance abuse treatment and job skills programs, such applicant for or recipient of cash assistance may be subject to periodic drug screening, as determined by the secretary for children and families. Upon a second positive test for unlawful use of a controlled substance or controlled substance analog, a recipient of cash assistance shall be ordered to complete again a substance abuse treatment program and job skills program, and shall be terminated from cash assistance for a period of 12 months, or until such recipient of cash assistance completes both substance abuse treatment and job skills programs, whichever is later. Upon a third positive test for unlawful use of a controlled substance or controlled substance analog, a recipient of cash assistance shall be terminated from cash assistance, subject to applicable federal law.

(4) If an applicant for or recipient of cash assistance is ineligible for or terminated
from cash assistance as a result of a positive test for unlawful use of a controlled substance or controlled substance analog, and such applicant for or recipient of cash assistance is the parent or legal guardian of a minor child, an appropriate protective payee shall be designated to receive cash assistance on behalf of such child. Such parent or legal guardian of the minor child may choose to designate an individual to receive cash assistance for such parent's or legal guardian's minor child, as approved by the secretary for children and families. Prior to the designated individual receiving any cash assistance, the secretary for children and families shall review whether reasonable suspicion exists that such designated individual is unlawfully using a controlled substance or controlled substance analog.

(A) In addition, any individual designated to receive cash assistance on behalf of an eligible minor child shall be subject to drug screening at any time when reasonable suspicion exists that such designated individual is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, the designated individual's demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the designated individual indicating unlawful use of a controlled substance or controlled substance analog.

(B) Any designated individual whose drug screening results in a positive test may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any designated individual who requests an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening. Such designated individual who took the additional drug screening and who tested negative for unlawful use of a controlled substance and controlled substance analog shall be reimbursed for the cost of such additional drug screening.

(C) Upon any positive test for unlawful use of a controlled substance or controlled substance analog, the designated individual shall not receive cash assistance on behalf of the parent's or legal guardian's minor child, and another designated individual shall be selected by the secretary for children and families to receive cash assistance on behalf of such parent's or legal guardian's minor child.

(5) If a person has been convicted under federal or state law of any offense which is classified as a felony by the law of the jurisdiction and which has as an element of such offense the manufacture, cultivation, distribution, possession or use of a controlled substance or controlled substance analog, and the date of conviction is on or after July 1, 2013, such person shall thereby become forever ineligible to receive any cash assistance under this subsection unless such conviction is the person's first conviction. First-time offenders convicted under federal or state law of any offense which is classified as a felony by the law of the jurisdiction and which has as an element of such offense the manufacture, cultivation, distribution, possession or use of a controlled substance or controlled substance analog, and the date of conviction is on or after July 1, 2013, such person shall become ineligible to receive cash assistance for five years from the date of conviction.

(6) Except for hearings before the Kansas department for children and families or,
the results of any drug screening administered as part of the drug screening program authorized by this subsection shall be confidential and shall not be disclosed publicly.

(7) The secretary for children and families may adopt such rules and regulations as are necessary to carry out the provisions of this subsection.

(8) Any authority granted to the secretary for children and families under this subsection shall be in addition to any other penalties prescribed by law.

prohibit such person from residing, working or regularly volunteering in a child care

criminal history record check to determine such person's fitness to reside, work or

(g) Local and state law enforcement officers and agencies shall assist the

(j) No child care facility or the employees thereof, shall be liable for civil damages to any person refused employment or discharged from employment by reason of such facility's or home's compliance with the provisions of this section if such home acts in good faith to comply with this section.

(k) For the purpose of subsection (a)(3), a person listed in the child abuse and neglect central registry shall not be prohibited from residing, working or volunteering in a child care facility unless such person has:

4. Whenever the information available to the secretary reveals that the subject of the request has no criminal history on record, the secretary shall provide notice thereof in writing to each child placement agency requesting information under this section.
5. Any staff person of a child placement agency who receives information under this subsection shall keep such information confidential, except that the staff person may disclose such information on a need-to-know basis to:

Sec. 11. K.S.A. 74-50,222 is hereby amended to read as follows: 74-50,222. As used in K.S.A. 74-50,222, 74-50,223 and 79-32,267, and amendments thereto:

(c) "secretary" means the secretary of commerce; and

(d) "student loan" means a federal student loan program supported by the federal government and a nonfederal loan issued by a lender such as a bank, savings and loan or credit union to help students and parents pay school expenses for attendance at an institution of higher education.

Sec. 12. K.S.A. 74-50,223 is hereby amended to read as follows: 74-50,223. (a)
Any county that has been designated a rural opportunity zone pursuant to K.S.A. 74-50,222, and amendments thereto, may participate in the program provided in this section by authorizing such participation by the county commission of such county through a duly enacted written resolution. Such county shall provide a certified copy of such resolution to the secretary of commerce on or before January 1, 2012, for calendar year 2012, or on or before January 1 for each calendar year thereafter, in which a county chooses to participate. Such resolution shall obligate the county to participate in the program provided by this section for a period of five years, and shall be irrevocable. Such resolution shall specify the maximum amount of outstanding student loan balance for each resident individual to be repaid as provided in subsection (b), except the maximum amount of such balance shall be $15,000.

(b) If a county submits a resolution as provided in subsection (a), under the program provided in this section, subject to subsection (d), the state of Kansas and such county which chooses to participate as provided in subsection (a), shall agree to pay in equal shares the outstanding student loan balance of any resident individual who qualifies to have such individual's student loans repaid under the provisions of subsection (c) over a five-year period, except that the maximum amount of such balance shall be $15,000. The amount of such repayment shall be equal to 20% of the outstanding student loan balance of the individual in a year over the five-year repayment period. The state of Kansas is not obligated to pay the student loan balance of any resident individual who qualifies pursuant to subsection (c) prior to the county submitting a resolution to the secretary pursuant to subsection (a). Each such county shall certify to the secretary that such county has made the payment required by this subsection.

(c) A resident individual shall be entitled to have such individual's outstanding student loan balance paid for attendance at an institution of higher education where such resident individual earned an associate, bachelor or post-graduate degree under the provisions of this section when such resident individual establishes domicile in a county designated as a rural opportunity zone which participates in the program as provided in subsection (a), on and after the date in which such county commenced such participation, and prior to July 1, 2023. Such resident individual may enroll in this program in a form and manner prescribed by the secretary. Subject to subsection (d), once enrolled such resident individual shall be entitled to full participation in the program for five years, except that if the resident individual relocates outside the rural opportunity zone for which the resident individual first qualified, such resident individual forfeits such individual's eligibility to participate, and obligations under this section of the state and the county terminate. No resident individual shall enroll and be eligible to participate in this program after June 30, 2023.

(d) The provisions of this act shall be subject to appropriation acts. Nothing in this act guarantees a resident individual a right to the benefits provided in this section. The county may continue to participate even if the state does not participate.

(e) The secretary shall adopt rules and regulations necessary to administer the provisions of this section.

(f) On January 1, 2012, and annually thereafter until January 1, 2024, the secretary of commerce shall report to the senate committee on assessment and taxation and the house of representatives committee on taxation as to how many residents applied for the rural opportunity zone tax credit.
Sec. 13. K.S.A. 79-3221 is hereby amended to read as follows: 79-3221. (a) All returns required by this act shall be made as nearly as practical in the same form as the corresponding form of income tax return by the United States. Unless another identifying number has been assigned to an individual by the internal revenue service for purposes of filing such individual's federal income tax return, the social security number issued to an individual, the individual's spouse, and all dependents of such individual for purposes of section 205(c)(2)(A) of the social security act shall be used as the identifying number and included on the return when filing such return.

(b) All returns shall be filed in the office of the director of taxation on or before the 15th day of the fourth month following the close of the taxable year, except as provided in subsection (c) hereof. Tentative returns may be filed before the close of the taxable year and the estimated tax computed on such return, paid, but no interest will be paid on any overpayment of tax liability, computed on such tentative return.

(c)(1) The director of taxation may grant a reasonable extension of time for filing returns in accordance with rules and regulations of the secretary of revenue. Whenever any such extension of time to file is requested by a taxpayer and granted by the director with respect to any tax year commencing after December 31, 1992, no penalty authorized by K.S.A. 79-3228, and amendments thereto, shall be imposed if 90% of the liability is paid on or before the original due date.

(2) For any tax year commencing after December 31, 2019, any taxpayer filing a corporate tax return shall file the return in the office of the director of taxation:

(A) No later than one month after the due date established under the federal internal revenue code, including any applicable extensions granted by the internal revenue service; and

(B) no penalty authorized by K.S.A. 79-3228, and amendments thereto, shall be imposed if the return is filed within one month after receiving an extension to file a tax return with the internal revenue service. The taxpayer shall not be required to file an extension request with the director pursuant to this subparagraph.

(2) For any tax year commencing after December 31, 2019, any taxpayer filing a return, other than a corporate tax return, shall file the return in the office of the director of taxation not later than the due date established under the federal internal revenue code, including any applicable extensions granted by the internal revenue service. No penalty authorized by K.S.A. 79-3228, and amendments thereto, shall be imposed if the return is filed not later than the deadline established by the internal revenue service. The taxpayer shall not be required to file an extension request with the director pursuant to this paragraph.

(d) In the case of an individual serving in the armed forces of the United States, or serving in support of such armed forces, in an area designated by the president of the United States by executive order as a "combat zone" as defined under 26 U.S.C. § 112 at any time during the period designated by the president by executive order as the period of combatant activities in such zone for the purposes of such section, or hospitalized as a result of injury received or sickness incurred while serving in such an area during such time, the period of service in such area, plus the period of continuous qualified hospitalization attributable to such injury or sickness, and the next 180 days thereafter, shall be disregarded in determining, under article 32 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, in respect to any tax liability, including any interest, penalty, additional amount, or addition to the tax, of such
individual:

(1) Whether any of the following acts was performed within the time prescribed therefor: (A) Filing any return of income tax; (B) payment of any income tax or installment thereof; (C) filing a notice of appeal with the director of taxation or the state board of tax appeals for redetermination of a deficiency or for a review of a decision rendered by either the director or the state board of tax appeals; (D) allowance of a credit or refund of any income tax; (E) filing a claim for credit or refund of any income tax; (F) bringing suit upon any such claim for credit or refund; (G) assessment of any income tax; (H) giving or making any notice or demand for the payment of any income tax, or with respect to any liability to the state of Kansas in respect of any income tax; (I) collection, by the director of taxation or the director's agent, by warrant, levy or otherwise, of the amount of any liability in respect to any income tax; (J) bringing suit by the state of Kansas, or any officer on its behalf, in respect to any liability in respect of any income tax; and (K) any other act required or permitted under the Kansas income tax act specified in rules and regulations adopted by the secretary of revenue under this section;

(2) the amount of any credit or refund.

(e) (1) Subsection (d) shall not apply for purposes of determining the amount of interest on any overpayment of tax.

(2) If an individual is entitled to the benefits of subsection (d) with respect to any return and such return is timely filed, determined after the application of subsection (d), subsections (e)(5) and (e)(7) of K.S.A. 79-32,105(e)(5) and (e)(7), and amendments thereto, shall not apply.

(f) The provisions of subsections (d) through (j) shall apply to the spouse of any individual entitled to the benefits of subsection (d). Except in the case of the combat zone designated for purposes of the Vietnam conflict, this subsection shall not cause subsections (d) through (j) to apply for any spouse for any taxable year beginning more than two years after the date designated under 26 U.S.C. § 112, and amendments thereto, as the date of termination of combatant activities in a combat zone.

(g) The period of service in the area referred to in subsection (d) shall include the period during which an individual entitled to benefits under subsection (d) is in a missing status, within the meaning of 26 U.S.C. § 6013(f)(3).

(h) (1) Notwithstanding the provisions of subsection (d), any action or proceeding authorized by K.S.A. 79-3229, and amendments thereto, as well as any other action or proceeding authorized by law in connection therewith, may be taken, begun or prosecuted. In any other case in which the secretary determines that collection of the amount of any assessment would be jeopardized by delay, the provisions of subsection (d) shall not operate to stay collection of such amount by levy or otherwise as authorized by law. There shall be excluded from any amount assessed or collected pursuant to this subsection the amount of interest, penalty, additional amount, and addition to the tax, if any, in respect of the period disregarded under subsection (d). In any case to which this subsection relates, if the secretary is required to give any notice to or make any demand upon any person, such requirement shall be deemed to be satisfied if the notice or demand is prepared and signed, in any case in which the address of such person last known to the secretary is in an area for which United States post offices under instructions of the postmaster general are not, by reason of the combatant activities, accepting mail for delivery at the time the notice or demand is
signed. In such case the notice or demand shall be deemed to have been given or made upon the date it is signed.

(2) The assessment or collection of any tax under the provisions of article 32 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or any action or proceeding by or on behalf of the state in connection therewith, may be made, taken, begun or prosecuted in accordance with law, without regard to the provisions of subsection (d), unless prior to such assessment, collection, action or proceeding it is ascertained that the person concerned is entitled to the benefits of subsection (d).

(i) (1) Any individual who performed Desert Shield services, and the spouse of such individual, shall be entitled to the benefits of subsections (d) through (j) in the same manner as if such services were services referred to in subsection (d).

(2) For purposes of this subsection, the term "Desert Shield services" means any services in the armed forces of the United States or in support of such armed forces if:

(A) Such services are performed in the area designated by the president as the "Persian Gulf Desert Shield area"; and

(j) For purposes of subsection (d), the term "qualified hospitalization" means:

(1) Any hospitalization outside the United States; and

(2) any hospitalization inside the United States, except that not more than five years of hospitalization may be taken into account under this subsection. This subsection shall not apply for purposes of applying subsections (d) through (j) with respect to the spouse of an individual entitled to the benefits of subsection (d).

Sec. 14. K.S.A. 79-32,212 is hereby amended to read as follows: 79-32,212.

(a) For taxable years 2002 through 2021, there shall be allowed as a credit against the tax liability of a taxpayer imposed under the Kansas income tax act, an amount equal to 100% of the amount attributable to the retirement of indebtedness authorized by a single city port authority established before January 1, 2002. ARTICLE I
PURPOSE

WHEREAS, States license psychologists in order to protect the public through verification of education, training and experience and ensure accountability for professional practice; and

WHEREAS, This compact is intended to regulate the day-to-day practice of telepsychology, the provision of psychological services using telecommunications technologies, by psychologists across state boundaries in the performance of their psychological practice as assigned by an appropriate authority; and

WHEREAS, This compact is intended to regulate the temporary in-person, face-to-face practice of psychology by psychologists across state boundaries for 30 days within a calendar year in the performance of their psychological practice as assigned by an appropriate authority; and

WHEREAS, This compact is intended to authorize state psychology regulatory authorities to afford legal recognition, in a manner consistent with the terms of the compact, to psychologists licensed in another state; and

WHEREAS, This compact recognizes that states have a vested interest in protecting the public’s health and safety through their licensing and regulation of psychologists and that such state regulation will best protect public health and safety; and

WHEREAS, This compact does not apply when a psychologist is licensed in both the home and receiving states; and

WHEREAS, This compact does not apply to permanent in-person, face-to-face practice, but it does allow for authorization of temporary psychological practice.

Consistent with these principles, this compact is designed to achieve the following purposes and objectives:

(a) Increase public access to professional psychological services by allowing for telepsychological practice across state lines as well as temporary in-person, face-to-face services into a state which the psychologist is not licensed to practice psychology;

A receiving state may, in accordance with that state's due process law, limit or revoke a psychologist's authority to practice interjurisdictional telepsychology in the receiving state and may take any other necessary actions under the receiving state's applicable law to protect the health and safety of the receiving state's citizens. If a receiving state takes action, the state shall promptly notify the home state and the commission.

(e) If a psychologist's license in any home state or another compact state, or any authority to practice interjurisdictional telepsychology in any receiving state, is restricted, suspended or otherwise limited, the e.passport shall be revoked and therefore the psychologist shall not be eligible to practice telepsychology in a compact state under the authority to practice interjurisdictional telepsychology.

ARTICLE V

If a distant state takes action, the state shall promptly notify the home state and the commission.
(e) If a psychologist's license in any home state or another compact state, or any temporary authorization to practice in any distant state, is restricted, suspended or otherwise limited, the interjurisdictional practice certificate shall be revoked and therefore the psychologist shall not be eligible to practice in a compact state under the temporary authorization to practice.

ARTICLE VI
CONDITIONS OF TELEPSYCHOLOGY PRACTICE IN A RECEIVING STATE

A psychologist may practice in a receiving state under the authority to practice interjurisdictional telepsychology only in the performance of the scope of practice for psychology as assigned by an appropriate state psychology regulatory authority, as defined in the rules of the commission, and under the following circumstances:
(a) The psychologist initiates a client/patient contact in a home state via telecommunications technologies with a client/patient in a receiving state; and
(b) other conditions regarding telepsychology as determined by rules promulgated by the commission.
ARTICLE VII
ADVERSE ACTIONS

(a) A home state shall have the power to impose adverse action against a psychologist's license issued by the home state. A distant state shall have the power to take adverse action on a psychologist's temporary authorization to practice within that distant state.

(b) A receiving state may take adverse action on a psychologist's authority to practice interjurisdictional telepsychology within that receiving state. A home state may take adverse action against a psychologist based on an adverse action taken by a distant state regarding temporary in-person, face-to-face practice.

(c) If a home state takes adverse action against a psychologist's license, that psychologist's authority to practice interjurisdictional telepsychology is terminated and the e.passport is revoked. Furthermore, that psychologist's temporary authorization to practice is terminated and the interjurisdictional practice certificate is revoked.

1. All home state disciplinary orders that impose adverse action shall be reported to the commission in accordance with the rules promulgated by the commission. A compact state shall report adverse actions in accordance with the rules of the commission.

2. In the event discipline is reported on a psychologist, the psychologist will not be eligible for telepsychology or temporary in-person, face-to-face practice in accordance with the rules of the commission.

3. Other actions may be imposed as determined by the rules promulgated by the commission.

(d) A home state's psychology regulatory authority shall investigate and take appropriate action with respect to reported inappropriate conduct engaged in by a licensee that occurred in a receiving state as it would if such conduct had occurred by a licensee within the home state. In such cases, the home state's law shall control in determining any adverse action against a psychologist's license.

(e) A distant state's psychology regulatory authority shall investigate and take appropriate action with respect to reported inappropriate conduct engaged in by a psychologist practicing under temporary authorization practice that occurred in that distant state as it would if such conduct had occurred by a licensee within the home state. In such cases, the distant state's law shall control in determining any adverse action against a psychologist's temporary authorization to practice.

(f) Nothing in this compact shall override a compact state's decision that a psychologist's participation in an alternative program may be used in lieu of adverse action and that such participation shall remain non-public if required by the compact state's law. Compact states shall require psychologists who enter any alternative programs to not provide telepsychology services under the authority to practice interjurisdictional telepsychology or provide temporary psychological services under the temporary authorization to practice in any other compact state during the term of the alternative program.

(g) No other judicial or administrative remedies shall be available to a psychologist in the event a compact state imposes an adverse action pursuant to subsection (c).
ARTICLE VIII
ADDITIONAL AUTHORITIES INVESTED IN A COMPACT STATE'S
PSYCHOLOGY REGULATORY AUTHORITY

In addition to any other powers granted under state law, a compact state's psychology regulatory authority shall have the authority under this compact to:

(b) issue cease and desist or injunctive relief orders to revoke a psychologist's authority to practice interjurisdictional telepsychology or temporary authorization to practice.

(c) During the course of any investigation, a psychologist may not change such psychologist's home state licensure. A home state psychology regulatory authority is authorized to complete any pending investigations of a psychologist and to take any actions appropriate under its law. The home state psychology regulatory authority shall promptly report the conclusions of such investigations to the commission. Once an investigation has been completed, and pending the outcome of such investigation, the psychologist may change the psychologist's home state licensure. The commission shall promptly notify the new home state of any such decisions as provided in the rules of the commission. All information provided to the commission or distributed by compact states pursuant to the psychologist shall be confidential, filed under seal and used for investigatory or disciplinary matters. The commission may create additional rules for mandated or discretionary sharing of information by compact states.

ARTICLE IX
COORDINATED LICENSURE INFORMATION SYSTEM

(a) The Commission shall provide for the development and maintenance of a coordinated licensure information system and reporting system containing licensure and disciplinary action information on all individuals to whom this compact is applicable in all compact states as defined by the rules of the commission.

(b) Notwithstanding any other provision of state law to the contrary, a compact state shall submit a uniform data set to the coordinated database on all licensees as required by the rules of the commission, including:

(2) licensure data;
(3) significant investigatory information;

(7) any denial of application for licensure and the reasons for such denial; and
(8) other information that may facilitate the administration of this compact, as determined by the rules of the commission.

c The coordinated database administrator shall promptly notify all compact states of any adverse action taken against, or significant investigative information on, any licensee in a compact state.

d Compact states reporting information to the coordinated database may designate information that may not be shared with the public without the express permission of the compact state reporting the information.

e Any information submitted to the coordinated database that is subsequently required to be expunged by the law of the compact state reporting the information shall be removed from the coordinated database.

ARTICLE XI
RULEMAKING

(a) The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this article and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

(b) If a majority of the legislatures of the compact states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compact state.
(c) Rules or amendments to the rules shall be adopted at a regular or special meeting of the commission.

(d) Prior to promulgation and adoption of a final rule or rules by the commission, and at least 60 days in advance of the meeting at which the rule will be considered and voted upon, the commission shall file a notice of proposed rulemaking:

   (4) the manner in which interested persons may submit notice to the commission of their intention to attend the public hearing and any written comments.

   (2) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.
   (3) No transcript of the hearing is required unless a written request for a transcript is made, in which case the person requesting the transcript shall bear the cost of producing the transcript. A recording may be made in lieu of a transcript under the same terms and conditions as a transcript. This paragraph shall not preclude the commission from making a transcript or recording of the hearing if the commission so chooses.
   (4) Nothing in this article shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.
   (i) Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

3. Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or
4. Protect public health and safety.

(m) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision shall take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

ARTICLE XII
OVERSIGHT, DISPUTE RESOLUTION AND ENFORCEMENT

(a) Oversight.

1. The executive, legislative and judicial branches of state government in each compact state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

2. All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a compact state pertaining to the subject matter of this compact that may affect the powers, responsibilities or actions of the commission.

3. The commission shall be entitled to receive service of process in any such proceeding and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact or promulgated rules.

(b) Default, technical assistance and termination.

1. If the commission determines that a compact state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

(A) Provide written notice to the defaulting state and other compact states of the nature of the default, the proposed means of remedying the default and any other action to be taken by the commission; and

(B) provide remedial training and specific technical assistance regarding the default.
(2) If a state in default fails to remedy the default, the defaulting state may be
terminated from the compact upon an affirmative vote of a majority of the compact
states, and all rights, privileges and benefits conferred by this compact shall be
terminated on the effective date of termination. A remedy of the default does not relieve
the offending state of obligations or liabilities incurred during the period of default.

(3) Termination of membership in the compact shall be imposed only after all other
means of securing compliance have been exhausted. Notice of intent to suspend or
terminate shall be submitted by the commission to the governor and the majority and
minority leaders of the defaulting state's legislature and each of the compact states.

(4) A compact state that has been terminated is responsible for all assessments,
obligations and liabilities incurred through the effective date of termination, including
obligations that extend beyond the effective date of termination.

(5) The commission shall not bear any costs incurred by the state that is found to be
in default or that has been terminated from the compact, unless agreed upon in writing
between the commission and the defaulting state.

(6) The defaulting state may appeal the action of the commission by petitioning the
United States district court for the state of Georgia or the federal district where the
compact has its principal offices. The prevailing member shall be awarded all costs of
such litigation, including reasonable attorney fees.

(c) Dispute resolution.
(1) Upon request by a compact state, the commission shall attempt to resolve
disputes related to the compact that arise among compact states and between compact
and non-compact states.

(2) The commission shall promulgate a rule providing for both mediation and
binding dispute resolution for disputes that arise before the commission.

(d) Enforcement.
(1) The commission, in the reasonable exercise of its discretion, shall enforce the
provisions and rules of this compact.

(2) By majority vote, the commission may initiate legal action in the United States
district court for the state of Georgia or the federal district where the compact has its
principal offices against a compact state in default to enforce compliance with the
provisions of the compact and its promulgated rules and bylaws. The relief sought may
include both injunctive relief and damages. In the event judicial enforcement is
necessary, the prevailing member shall be awarded all costs of such litigation, including
reasonable attorney fees.

(3) The remedies herein shall not be the exclusive remedies of the commission. The
commission may pursue any other remedies available under federal or state law.

ARTICLE XIII
DATE OF IMPLEMENTATION OF THE PSYCHOLOGY
INTERJURISDICTIONAL COMPACT COMMISSION AND
ASSOCIATED RULES, WITHDRAWAL AND AMENDMENTS

(a) The compact shall come into effect on the date on which the compact is enacted
into law in the 7th compact state. The provisions that become effective at that time shall
be limited to the powers granted to the commission relating to assembly and the
promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the compact.

(b) Any state that joins the compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

(c) Any compact state may withdraw from this compact by enacting a statute repealing the same.

(1) A compact state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(2) withdrawal shall not affect the continuing requirement of the withdrawing state's psychology regulatory authority to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

(d) Nothing contained in this compact shall be construed to invalidate or prevent any psychology licensure agreement or other cooperative arrangement between a compact state and a non-compact state that does not conflict with the provisions of this compact.

(e) This compact may be amended by the compact states. No amendment to this compact shall become effective and binding upon any compact state until it is enacted into the law of all compact states.

(2) The ex-officio members will be selected by their respective organizations.

(3) The commission may remove any member of the executive board as provided in the bylaws.

(4) The executive board shall meet at least annually.

(5) The executive board shall have the following duties and responsibilities:

(H) disclosure of investigatory records compiled for law enforcement purposes;
(I) disclosure of information related to any investigatory reports prepared by or on behalf of or for use of the commission or other committee charged with responsibility of investigation or determination of compliance issues pursuant to the compact; or
(J) matters specifically exempted from disclosure by federal or member state statute.

(3) If a meeting, or portion of a meeting, is closed pursuant to this provision, the commission's legal counsel or designee shall certify that the meeting may be closed and shall reference each relevant exempting provision.

(4) The commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, and the reasons therefore, including a description of the views expressed. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a majority vote of the commission or order of a court of competent jurisdiction.

The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the commission, which shall promulgate a rule binding upon all member states.
(4) The commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same nor shall the commission pledge the credit of any of the member states, except by and with the authority of the member state.
(5) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the commission.

(g) Qualified immunity, defense and indemnification:
(1) The members, officers, executive director, employees and representatives of the commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred, within the scope of commission employment, duties or responsibilities, except that nothing in this paragraph shall be construed to protect any such person from suit or liability, or both, for any damage, loss, injury or liability
caused by the intentional or willful or wanton misconduct of that person.

(2) The commission shall defend any member, officer, executive director, employee or representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities, except that nothing herein shall be construed to prohibit that person from retaining such person's own counsel and except that the actual or alleged act, error or omission did not result from that person's intentional or willful or wanton misconduct.

(3) The commission shall indemnify and hold harmless any member, officer, executive director, employee or representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities, so long as the actual or alleged act, error or omission did not result from the intentional or willful or wanton misconduct of that person.

SECTION 8.
DATA SYSTEM

(a) The commission shall provide for the development, maintenance and utilization of a coordinated database and reporting system containing licensure, adverse action and investigative information on all licensed individuals in member states.

(b) Notwithstanding any other provision of state law to the contrary, a member state shall submit a uniform data set to the data system on all individuals to whom this compact is applicable as required by the rules of the commission, including:

(6) other information that may facilitate the administration of this compact, as determined by the rules of the commission.

(c) Investigative information pertaining to a licensee in any member state will only be available to other party states.

(d) The commission shall promptly notify all member states of any adverse action taken against a licensee or an individual applying for a license. Adverse action information pertaining to a licensee in any member state will be available to any other member state.

(e) Member states contributing information to the data system may designate information that may not be shared with the public without the express permission of the contributing state.

(f) Any information submitted to the data system that is subsequently required to be expunged by the laws of the member state contributing the information shall be removed from the data system.

SECTION 9.
RULEMAKING
(a) The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

(b) If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact within four years of the date of adoption of the rule, then such rule shall have no further force and effect in any member state.

(c) Rules or amendments to the rules shall be adopted at a regular or special meeting of the commission.

(d) Prior to promulgation and adoption of a final rule or rules by the commission, and at least 30 days in advance of the meeting at which the rule will be considered and voted upon, the commission shall file a notice of proposed rulemaking:
   (1) On the website of the commission or other publicly accessible platform; and
   (2) on the website of each member state's physical therapy licensing board or other publicly accessible platform or the publication in which each state would otherwise publish proposed rules.

(e) The notice of proposed rulemaking shall include:
   (1) The proposed time, date and location of the meeting in which the rule will be considered and voted upon;
   (2) the text of the proposed rule or amendment and the reason for the proposed rule;
   (3) a request for comments on the proposed rule from any interested person; and
   (4) the manner in which interested persons may submit notice to the commission of their intention to attend the public hearing and any written comments.

(f) Prior to adoption of a proposed rule, the commission shall allow persons to submit written data, facts, opinions and arguments, which shall be made available to the public.

(g) The commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:
   (1) At least 25 persons;
   (2) a state or federal governmental subdivision or agency; or
   (3) an association having at least 25 members.

(h) If a hearing is held on the proposed rule or amendment, the commission shall publish the place, time and date of the scheduled public hearing. If the hearing is held via electronic means, the commission shall publish the mechanism for access to the electronic hearing.

   (1) All persons wishing to be heard at the hearing shall notify the executive director of the commission, or other designated member, in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

   (2) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

   (3) All hearings will be recorded. A copy of the recording will be made available on request.

   (4) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.
(i) Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

(j) If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with promulgation of the proposed rule without a public hearing.

(k) The commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

(l) Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, so long as the usual rulemaking procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

1. Meet an imminent threat to public health, safety or welfare;
2. prevent a loss of commission or member state funds;
3. meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or
4. protect public health and safety.

(m) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing, and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

SECTION 10.

OVERSIGHT, DISPUTE RESOLUTION AND ENFORCEMENT

(a) Oversight:

1. The executive, legislative and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

2. All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this compact that may affect the powers, responsibilities or actions of the commission.

3. The commission shall be entitled to receive service of process in any such proceeding and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact or promulgated rules.

(b) Default, technical assistance and termination:

1. If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated
rules, the commission shall:
(A) Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default and any other action to be taken by the commission; and
(B) provide remedial training and specific technical assistance regarding the default.

(2) If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the member states, and all rights, privileges and benefits conferred by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(3) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature and each of the member states.

(4) A state that has been terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(5) The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

(6) The defaulting state may appeal the action of the commission by petitioning the United States district court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing member state shall be awarded all costs of such litigation, including reasonable attorney fees.

(c) Dispute resolution:
(1) Upon request by a member state, the commission shall attempt to resolve disputes related to the compact that arise among member states and between member and non-member states.

(2) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

(d) Enforcement:
(1) The commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

(2) By majority vote, the commission may initiate legal action in the United States district court for the District of Columbia or the federal district where the commission has its principal offices against a member state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney fees.

(3) The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

SECTION 11.
DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR PHYSICAL THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL AND AMENDMENT
(a) The compact shall come into effect on the date on which the compact statute is enacted into law in the 10th member state. The provisions that become effective at that time shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the compact.

(b) Any state that joins the compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

c) Any member state may withdraw from this compact by enacting a statute repealing the same.

1) A member state's withdrawal shall not take effect until six months after enactment of the repealing statute.

2) Withdrawal shall not affect the continuing requirement of the withdrawing state's physical therapy licensing board to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

(d) Nothing contained in this compact shall be construed to invalidate or prevent any physical therapy licensure agreement or other cooperative arrangement between a member state and a non-member state that does not conflict with the provisions of this compact.

e) This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

SECTION 12.

CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. (a) The pharmacist shall exercise professional judgment regarding the accuracy, validity and authenticity of any prescription order consistent with federal and state laws and rules and regulations. Except as provided in K.S.A. 65-1635(e), and amendments thereto, and as may otherwise be provided by law, a pharmacist shall not dispense a prescription drug if the pharmacist, in the exercise of professional judgment, determines that the prescription is not a valid prescription order.

(b) The prescriber may authorize an agent to transmit to the pharmacy a prescription order orally, by facsimile transmission or by electronic transmission, provided that the first and last names of the transmitting agent are included in the order.

(c) (1) A new written or electronically prepared and transmitted prescription order shall be manually or electronically signed by the prescriber. If transmitted by the prescriber's agent, the first and last names of the transmitting agent shall be included in the order.

(2) If the prescription is for a controlled substance and is written or printed from an electronic prescription application, the prescription shall be manually signed by the prescriber prior to delivery of the prescription to the patient or prior to facsimile transmission of the prescription to the pharmacy.

(3) An electronically prepared prescription shall not be electronically transmitted to the pharmacy if the prescription has been printed prior to electronic transmission. An electronically prepared and transmitted prescription that is printed following electronic transmission shall be clearly labeled as a copy, not valid for dispensing.

(4) The board is hereby authorized to conduct pilot projects related to any new technology implementation when deemed necessary and practicable, except that no state moneys shall be expended for such purpose.

(d) An authorization to refill a prescription order or to renew or continue an existing drug therapy may be transmitted to a pharmacist through oral communication, in writing, by facsimile transmission or by electronic transmission initiated by or directed by the prescriber.

(1) If the transmission is completed by the prescriber's agent, and the first and last names of the transmitting agent are included in the order, the prescriber's signature is not required on the fax or alternate electronic transmission.

(2) If the refill order or renewal order differs in any manner from the original order, such as a change of the drug strength, dosage form or directions for use, the prescriber shall sign the order as provided by subsection (c)(1).

(e) Regardless of the means of transmission to a pharmacy, only a pharmacist or a pharmacist intern shall be authorized to receive a new prescription order or a refill or renewal order from a prescriber or transmitting agent. A pharmacist, a pharmacist intern...
or a registered pharmacy technician may receive a refill— or a renewal or order for continuation of therapy that contains no changes from the original prescription from a prescriber or transmitting agent if such registered pharmacy technician's supervising pharmacist has authorized that function.

(f) A refill is one or more dispensings of a prescription drug or device that results in the patient's receipt of the quantity authorized by the prescriber for a single fill as indicated on the prescription order.

A prescription for a schedule III, IV or V controlled substance may authorize no more than five refills within six months following the date on which the prescription is issued.

(g) All prescriptions shall be filled or refilled in strict conformity with any directions of the prescriber, except that:

(1) A pharmacist who receives a prescription order for a brand name drug product—excluding a biological product—may exercise brand exchange with a view toward achieving a lesser cost to the purchaser unless:

   (A) The prescriber, in the case of a prescription electronically signed by the prescriber, includes the statement indicates "dispense as written" on the prescription or when communicating a prescription by oral order;

   (B) the prescriber, in the case of a written prescription signed by the prescriber, writes in the prescriber's own handwriting "dispense as written" on the prescription;

   (C) the prescriber, in the case of a prescription other than one in writing signed by the prescriber, expressly indicates the prescription is to be dispensed as communicated;

   (D) the Federal Food and Drug Administration has determined that a biological product is not an interchangeable biological product for the prescribed biological product; or

(2) a pharmacist may provide up to a three-month supply of a prescription drug that is not a controlled substance or psychotherapeutic drug when a practitioner has written a drug order to be filled with a smaller supply but included sufficient numbers of refills for a three-month supply; or

(3) a pharmacist who receives a prescription order for a biological product may exercise brand exchange with a view toward achieving a lesser cost to the purchaser unless:

   (A) The prescriber, in the case of a prescription signed by a prescriber and written on a blank form containing two signature lines, signs the signature line following the statement "dispense as written";

   (B) the prescriber, in the case of a prescription signed by the prescriber, writes in the prescriber's own handwriting "dispense as written" on the prescription;

   (C) the prescriber, in the case of a prescription other than one in writing signed by the prescriber, expressly indicates the prescription is to be dispensed as communicated;

   (D) the biological product is not an interchangeable biological product for the prescribed biological product except for a prescription for a controlled substance, a pharmacist may use professional judgment to make the following adaptations to a prescription order if a patient consents, the prescriber has not indicated "dispense as written" on the prescription, the pharmacist documents the adaptation on the patient's
prescription record and the pharmacist notifies the prescriber:

(A) Change the prescribed quantity if:
   (i) The prescribed quantity or package size is not commercially available;
   (ii) the change in quantity is related to a change in dosage form; or
   (iii) the change extends a maintenance drug for the limited quantity necessary to
        coordinate a patient's refills in a medication synchronization program;

(B) change the prescribed dosage form, strength or directions for use if it is in the
    best interest of the patient and the change achieves the intent of the prescriber; or

(C) complete missing information on the prescription order if there is evidence to
    support the change.

(h) A pharmacist who selects an interchangeable biological product shall inform the
    patient or the patient's representative that an interchangeable biological product
    has been substituted for the prescribed biological product.

(i) If a prescription order contains a statement that during any particular time the
    prescription may be refilled at will, there shall be no limitation as to the number of
    times that such prescription may be refilled, except that it may not be refilled after the
    expiration of the time specified or one year after the prescription was originally issued,
    whichever occurs first.

(j) Prescription orders shall be recorded in writing by the pharmacist and the record
    so made by the pharmacist shall constitute the original prescription to be dispensed by
    the pharmacist. This record, if telephoned by other than the prescriber, shall bear the full
    name of the person individual so telephoning. Nothing in this section shall be construed
    as altering or affecting in any way laws of this state or any federal act requiring a
    written prescription order.

(k) (1) Except as provided in paragraph (2), no prescription shall be refilled unless
    authorized by the prescriber either in the original prescription or by oral order that is
    reduced promptly to writing and filled by the pharmacist.

(2) A pharmacist may refill a prescription order issued on or after the effective date
    of this act for any prescription drug, except a drug listed on schedule II of the uniform
    controlled substances act or a narcotic drug listed on any schedule of the uniform
    controlled substances act, without the prescriber's authorization when all reasonable
    efforts to contact the prescriber have failed and when, in the pharmacist's professional
    judgment, continuation of the medication is necessary for the patient's health, safety and
    welfare. Such prescription refill shall only be in an amount judged by the pharmacist to
    be sufficient to maintain the patient until the prescriber can be contacted, but in no event
    shall a refill under this paragraph be more than a seven-day 30-day supply or one
    package of the drug. However, if the prescriber states on a prescription that there shall
    be no emergency refilling of that prescription, then the pharmacist shall not dispense
    any emergency medication pursuant to that prescription. A pharmacist who refills a
    prescription order under this paragraph shall contact the prescriber of the prescription
    order on the next business day subsequent to the refill or as soon thereafter as possible.
    No pharmacist shall be required to refill any prescription order under this paragraph.
    A prescriber shall not be subject to liability for any damages resulting from the refilling of
    a prescription order by a pharmacist under this paragraph unless such damages are
    occasioned by the gross negligence or willful or wanton acts or omissions by the
    prescriber.

(l) If any prescription order contains a provision that the prescription may be
refilled a specific number of times within or during any particular period, such
prescription shall not be refilled except in strict conformity with such requirements.

(m) Any pharmacist who exercises brand exchange and dispenses a less expensive
drug product shall not charge the purchaser more than the regular and customary retail
price for the dispensed drug.

(n) Except as provided in K.S.A. 65-1635(e), and amendments thereto, and as may
otherwise be provided by law, nothing contained in this section shall be construed as
preventing a pharmacist from refusing to fill or refill any prescription if, in the
 pharmacist's professional judgment and discretion, such pharmacist is of the opinion
that it should not be filled or refilled.

(o) Within five business days following the dispensing of a biological product, the
dispensing pharmacist or the pharmacist's designee shall make an entry of the specific
product provided to the patient, including the name of the product and the manufacturer.
The communication shall be conveyed by making an entry that is electronically
accessible to the prescriber through:

1. An inter-operable electronic medical records system;
2. an electronic prescribing technology;
3. a pharmacy benefits management system; or
4. a pharmacy record.

(p) Entry into an electronic records system as described in subsection (o) shall be
presumed to provide notice to the prescriber. Otherwise, the pharmacist shall
communicate the biological product dispensed to the prescriber using facsimile,
telephone, electronic transmission or other prevailing means, provided that
communication shall not be required where:

1. There is no FDA-approved interchangeable biological product for the product
   prescribed; or
2. a refill prescription is not changed from the product dispensed on the prior
   filling of the prescription.

(q) A pharmacist shall maintain a record of any biological product dispensed for at
least five years.

Sec. 10. K.S.A. 65-1643 is hereby amended to read as follows: 65-1643. It shall be
unlawful:

(a) For any person to operate, maintain, open or establish any pharmacy within this
state without first having obtained a registration from the board. Each application for
registration of a pharmacy shall indicate the person or persons desiring the registration,
including the pharmacist-in-charge, as well as the location, including the street name and number, and such other information as may be required
by the board to establish the identity and exact location of the pharmacy. The issuance
of a registration for any pharmacy shall also have the effect of permitting such
pharmacy to operate as a retail dealer without requiring such pharmacy to obtain a retail
dealer's permit. On evidence satisfactory to the board: (1) That the pharmacy for which
the registration is sought will be conducted in full compliance with the law and the rules
and regulations of the board; (2) that the location and appointments of the pharmacy are
such that it can be operated and maintained without endangering the public health or
safety; and (3) that the pharmacy will be under the supervision of a pharmacist, a
registration shall be issued to such persons as the board shall deem qualified to conduct a pharmacy.

(b) For any person to violate the federal drug supply chain security act, 21 U.S.C. § 351 et seq.

c) For any person to distribute at wholesale any drugs or devices without first obtaining a registration as a wholesale distributor from the board.

d) For any person to operate as a third-party logistics provider within this state without having first obtained a registration from the board.

e) For any person to in any manner distribute or dispense samples of any drugs or devices without first having obtained a permit from the board so to do, and it shall be necessary to obtain permission from the board in every instance where the samples are to be distributed or dispensed. Nothing in this subsection shall be held to regulate or in any manner interfere with the furnishing of samples of drugs to duly licensed practitioners, to mid-level practitioners, to pharmacists or to medical care facilities.

(f) Except as otherwise provided in this subsection, for any person operating a store or place of business to sell, offer for sale or distribute any drugs to the public without first having obtained a registration or permit from the board authorizing such person so to do. No retail dealer who sells 12 or fewer different nonprescription drug products shall be required to obtain a retail dealer's permit under the pharmacy act of the state of Kansas or to pay a retail dealer new permit or permit renewal fee under such act. It shall be lawful for a retail dealer who is the holder of a valid retail dealer's permit issued by the board or for a retail dealer who sells 12 or fewer different nonprescription drug products to sell and distribute nonprescription drugs which are prepackaged, fully prepared by the manufacturer or distributor for use by the consumer and labeled in accordance with the requirements of the state and federal food, drug and cosmetic acts. Such nonprescription drugs shall not include: (1) A controlled substance; (2) a prescription-only drug; or (3) a drug product intended for human use by hypodermic injection; but such a retail dealer shall not be authorized to display any of the words listed in K.S.A. 65-1626(hh)(zz), and amendments thereto, for the designation of a pharmacy or drugstore.

g) For any person to sell any drugs manufactured and sold only in the state of Kansas, unless the label and directions on such drugs shall first have been approved by the board. Manufacture within this state any drugs or devices except under the personal and immediate supervision of a pharmacist or such other individual as may be approved by the board after an investigation and a determination by the board that such individual is qualified by scientific or technical training or experience to perform such duties of supervision as may be necessary to protect the public health and safety, and no individual shall manufacture any drugs or devices without first obtaining a registration to do so from the board.

(h) For any person to operate an institutional drug room without the personal and immediate supervision of a pharmacist or such other individual as may be approved by the board after an investigation and a determination by the board that such individual is qualified by scientific or technical training or experience to perform such duties of supervision as may be necessary to protect the public health and safety, and no individual shall manufacture any drugs or devices without first obtaining a registration to do so from the board. Such registration shall be subject to the provisions of K.S.A. 65-1637a, and amendments thereto, and any rules and regulations adopted pursuant thereto.

(i) For any person to operate a veterinary medical teaching hospital pharmacy without first having obtained a registration to do so from the board. Such registration shall be subject to the provisions of K.S.A. 65-1662, and amendments thereto, and any rules and regulations adopted pursuant thereto.
(j) For any person to sell or distribute in a pharmacy a controlled substance designated in K.S.A. 65-4113(e)(d) or (f)(e), and amendments thereto, unless:

1. (A) Such controlled substance is sold or distributed by a licensed pharmacist, or by a registered pharmacy technician or a pharmacy pharmacist intern or clerk supervised by a licensed pharmacist;
   
   (B) any person individual purchasing, receiving or otherwise acquiring any such controlled substance produces a valid photo identification showing the date of birth of the person individual and signs a log and enters in the log, or allows the seller to enter in the log, such person's individual's address and the date and time of sale or allows the seller to enter such information into an electronic logging system pursuant to K.S.A. 65-16,102, and amendments thereto. The log or database required by the board shall be available for inspection during regular business hours to the board of pharmacy and any law enforcement officer;
   
   (C) the seller determines that the name entered in the log corresponds to the name provided on such identification and that the date and time entered are correct; and
   
   (D) the seller enters in the log the name of the controlled substance and the quantity sold; or

2. there is a lawful prescription.

(k) For any pharmacy to allow customers to have direct access to any controlled substance designated in K.S.A. 65-4113(e)(d) or (f)(e), and amendments thereto. Such controlled substance shall be placed behind the counter or stored in a locked cabinet that is located in an area of the pharmacy to which customers do not have direct access.

(l) A seller who in good faith releases information in a log pursuant to subsection (j) to any law enforcement officer is immune from civil liability for such release unless the release constitutes gross negligence or intentional, wanton or willful misconduct.

(m) For any person to sell or lease or offer for sale or lease durable medical equipment or to supply medical grade oxygen to an end user without first obtaining a registration from the board, in accordance with rules and regulations adopted by the board, except that this subsection shall not apply to:

1. Sales not made in the regular course of the person's business; or

2. sales by charitable organizations exempt from federal income taxation pursuant to the internal revenue code of 1986, as amended.

(n) For any person to operate as an outsourcing facility within this state, or operate as an outsourcing facility outside of Kansas and ship, mail or deliver drugs into this state, without having first obtained a registration from the board.

(o) For any person to operate an automated dispensing system within this state without having first obtained a registration from the board.

(p) For any person to distribute drugs or devices into Kansas as an out-of-state manufacturer of such drugs or devices without first obtaining a registration as a manufacturer from the board.

Sec. 11. K.S.A. 65-1645 is hereby amended to read as follows: 65-1645. (a) Application for registrations or permits under K.S.A. 65-1643, and amendments thereto, shall be made on a form prescribed and furnished by the board. Applications for registration shall contain such information as may be required by the board in accordance with the provisions of K.S.A. 65-1655, and amendments thereto, and K.S.A. 65-1655a and 65-1655b, and amendments thereto. The application shall be accompanied by the fee prescribed by the board under the provisions of this section.
When such application and fees are received by the secretary on or before the due date, such application shall have the effect of temporarily renewing the applicant's registration or permit until actual issuance or denial of the renewal. However, if, at the time of filing, a proceeding is pending before the board that may result in the suspension, probation, revocation or denial of the applicant's registration or permit, the board may declare, by emergency order, that such application for renewal shall not have the effect of temporarily renewing such applicant's registration or permit. Separate applications shall be made and separate registrations or permits issued for each separate place at which there is carried on any of the operations for which a registration or permit is required by K.S.A. 65-1643, and amendments thereto.

(b) An application for a registration or permit under K.S.A. 65-1643, and amendments thereto, submitted for a facility physically located outside of the state of Kansas shall be accompanied by an additional non-resident fee prescribed by the board by rules and regulations pursuant to this section. Such fee shall not exceed $350 for a new registration and $250 for a renewal.

(c) The nonrefundable fees required for the issuing of the licenses, registrations or permits under the pharmacy act of the state of Kansas shall be fixed by the board as herein provided in this section, subject to the following:

| (1) Pharmacy, new registration not more than $150, renewal not more than $125; |
| (2) Pharmacist, new license by examination not more than $350; |
| (3) Pharmacist, reinstatement application fee not more than $250; |
| (4) Pharmacist, biennial renewal fee not more than $200; |

| (6) Pharmacist, reciprocal licensure fee not more than $250; |
| (7) Pharmacist, penalty fee, not more than $500; |
| (8) Manufacturer, new registration not more than $500, renewal not more than $400; |
| (9) Wholesale distributor, new registration not more than $500, renewal not more than $400, except that a wholesale distributor dealing exclusively in nonprescription drugs, the manufacturing, distributing or dispensing of which does not require registration under the uniform controlled substances act, shall be assessed a fee for registration and re-registration not to exceed $50; |
| (10) Special auction not more than $50; |
| (11) Samples distribution not more than $50, renewal not more than $50; |
| (12) Institutional drug room, new registration not more than $40, renewal not more than $35; |
| (13) Retail dealer selling more than 12 different nonprescription drug products, new permit not more than $12, renewal not more than $12; |

| (15) Veterinary medical teaching hospital pharmacy, new registration not more than $40, renewal not more than $35; |
| (16) Durable medical equipment registration fee, not more than $300, renewal not more than $300; |
| (17) Third-party logistics provider, new registration not more than $500, renewal not more than $400, except that a third-party logistics provider exclusively providing nonprescription drugs, the manufacturing, distributing or dispensing of which does not |

(18) outsourcing facility, new registration not more than $500, renewal not more than $400;

(19) repackager, new registration not more than $500, renewal not more than $400; or

(20) automated dispensing system registration fee, not more than $40, renewal not more than $35.

(c) For the purpose of fixing fees, the board may establish classes of retail dealers’ permits for retail dealers selling more than 12 different nonprescription drug products, and the board may fix a different fee for each such class of permit.

(d) The board shall determine annually the amount necessary to carry out and enforce the provisions of this act for the next ensuing fiscal year and shall fix by rules and regulations the fees authorized for such year at the sum deemed necessary for such purposes. The fees fixed by the board under this section immediately prior to the effective date of this act shall continue in effect until different fees are fixed by the board by rules and regulations as provided under this section.

(e)(f) The board may deny renewal of any registration or permit required by K.S.A. 65-1643, and amendments thereto, on any ground that would authorize the board to suspend, revoke or place on probation a registration or permit previously granted pursuant to the provisions of K.S.A. 65-1643, and amendments thereto. Registrations and permits issued under the provisions of K.S.A. 65-1643 and 65-1644, and amendments thereto, shall be conspicuously displayed in the place for which the registration or permit was granted. Such registrations or permits shall not be transferable. All such registrations and permits shall expire every year. The expiration date shall be established by rules and regulations adopted by the board. All registrations and permits shall be renewed annually. Notice of renewal of registrations and permits shall be sent by the board to each registrant or permittee at least 30 days prior to expiration of the registration or permit. If application for renewal is not made prior to expiration, the existing registration or permit shall lapse and become null and void on the date of its expiration, and no new registration or permit shall be granted except upon payment of the required renewal fee plus a penalty equal to the renewal fee. Failure of any registrant or permittee to receive such notice of renewal shall not relieve the registrant or permittee from the penalty hereby imposed if the renewal is not made as prescribed.

(f)(g) In each case in which a license of a pharmacist is issued or renewed for a period of time less than two years, the board shall prorate to the nearest whole month the license or renewal fee established pursuant to this section.

(g)(h) The board may require that fees paid for any examination under the pharmacy act of the state of Kansas be paid directly to the examination service by the person taking the examination.

Sec. 12. K.S.A. 65-1656 is hereby amended to read as follows: 65-1656. (a) Nothing contained in the pharmacy act of the state of Kansas shall prohibit a pharmacist licensed in this state from filling or refilling a valid prescription for prescription drugs not listed in schedule II of the uniform controlled substances act, which is on file in a pharmacy licensed or registered in any state and has been transferred from one pharmacy to another by any means, including by way of electronic data processing.
equipment, upon the following conditions and exceptions:

(1) Prior to dispensing pursuant to any such prescription, the dispensing pharmacist shall:

(A) Advise the patient that the prescription file at such other pharmacy must be canceled before the dispensing pharmacist will be able to fill the prescription;

(B) determine that the prescription is valid and on file at such other pharmacy and that such prescription may be filled or refilled, as requested, in accordance with the prescriber’s intent expressed on such prescription;

(C) notify the pharmacy where the prescription is on file that the prescription must be canceled;

(D) record the prescription order, the name of the pharmacy at which the prescription was on file, the prescription number, the name of the drug and the original amount dispensed, the date of original dispensing and the number of remaining authorized refills. Ensure records and notifications are in compliance with rules and regulations adopted by the board; and

(E) obtain the consent of the prescriber to the refilling of the prescription when the prescription, in the professional judgment of the dispensing pharmacist, so requires. Any interference with the professional judgment of the dispensing pharmacist by any other licensed pharmacist, agents of the licensed pharmacist or employees shall be grounds for revocation or suspension of the registration issued to the pharmacy.

(2) Upon receipt of a request for the transfer of a prescription information set forth in subsection (a)(1)(D), the requested pharmacist shall:

(A) Provide such information accurately and completely;

(B) record on the prescription the name of the requesting pharmacy and pharmacist and the date of request. Ensure records and notifications are made in compliance with rules and regulations adopted by the board; and

(C) cancel the prescription on file. No further prescription transfer shall be given or medication dispensed pursuant to such original prescription shall be provided in a timely manner to avoid interruption in the medication therapy of the patient.

(3) In the event that, after the information set forth in subsection (a)(1)(D) has been provided, a prescription is not dispensed by the requesting pharmacist, then such pharmacist shall provide notice of this fact to the pharmacy from which such information was obtained, such notice shall then cancel the prescription in the same manner as set forth in subsection (a)(2)(C).

(4) When filling or refilling a valid prescription on file in another state, the dispensing pharmacist shall be required to follow all the requirements of Kansas law which apply to the dispensing of prescription drugs. If anything in Kansas law prevents the filling or refilling of the original prescription it shall be unlawful to dispense pursuant to this section.

(5) In addition to any other requirement of this section, the transfer of original prescription information for a controlled substance listed in schedules III, IV and V for the purposes of refill dispensing shall be made in accordance with the requirements of section 1306.25 of chapter 21 of the code of federal regulations 21 C.F.R. § 1306.25.

(b) Two or more pharmacies may establish and use a common electronic file to maintain required dispensing information. Pharmacies using such a common electronic
file are not required to physically transfer prescriptions or information for dispensing purposes between or among pharmacies participating in the same common prescription file, except that any such common file must contain complete and adequate records of such prescription and refill dispensed as required by the pharmacy act of the state of Kansas.

(c) The board may formulate rules and regulations, not inconsistent with law, as may be necessary to carry out the purposes of and to enforce the provisions of this section except that the board shall not impose greater requirements on either common electronic files or a hard copy record system.

(d) Drugs shall in no event be dispensed more frequently or in larger amounts than the prescriber ordered without direct prescriber authorization by way of a new prescription order. Nothing in this section shall prevent a pharmacy from forwarding to another pharmacy an original, unfilled prescription for a noncontrolled substance or electronically forwarding an original, unfilled, electronic prescription for a controlled substance, at the request of the patient, in compliance with the provisions of the federal or state uniform controlled substances act.

(e) This section shall be a part of and supplemental to the pharmacy act of the state of Kansas.

Sec. 13. K.S.A. 65-1657 is hereby amended to read as follows: 65-1657. (a) No nonresident pharmacy shall ship, mail or deliver, in any manner, prescription drugs or devices to a patient, patient's agent or prescriber's office in this state unless registered under this section as a nonresident pharmacy. Applications for a nonresident pharmacy registration under this section shall be made on a form furnished by the board. A nonresident pharmacy registration shall be granted for a period of one year upon compliance by the nonresident pharmacy with the provisions of this section and rules and regulations adopted pursuant to this section and upon payment of the registration fee established under K.S.A. 65-1645, and amendments thereto, for a pharmacy registration. A nonresident pharmacy registration shall be renewed annually on forms provided by the board, upon compliance by the nonresident pharmacy with the provisions of this section and rules and regulations adopted pursuant to this section and upon payment of the renewal fee established under K.S.A. 65-1645, and amendments thereto, for the renewal of a pharmacy registration.

(b) As conditions for the granting of a registration and for the renewal of a registration for a nonresident pharmacy, the nonresident pharmacy shall comply with the following:

1) Provide information to the board to indicate the person or persons applying for the registration, the location of the pharmacy from which the prescription drugs will be dispensed, the names and titles of all principal owners and corporate officers, if any, and the names of all pharmacists dispensing prescription drugs to residents of Kansas;

2) be registered and in good standing in the state in which such pharmacy is located;

3) maintain, in readily retrievable form, records of prescription drugs dispensed to Kansas patients;

4) supply upon request, all information needed by the board to carry out the board's responsibilities under this section and rules and regulations adopted pursuant to this section;

5) maintain pharmacy hours that permit the timely dispensing of drugs to Kansas
patients and provide reasonable access for the patients to consult with a licensed pharmacist about such patients' medications;

(6) provide toll-free telephone communication consultation between a Kansas patient and a pharmacist at the pharmacy who has access to the patient's records, and ensure that the telephone number(s) will be placed upon the label affixed to each prescription drug container dispensed in Kansas; and

(7) provide to the board such other information as the board may reasonably request to administer the provisions of this section.

(c) When any nonresident pharmacy fails to supply requested information to the board or fails to respond to proper inquiry of the board, after receiving notice by certified mail, the board may assess a civil fine in accordance with the provisions in K.S.A. 65-1658, and amendments thereto.

(d) Each nonresident pharmacy shall comply with the following unless compliance would be in conflict with specific laws or rules and regulations of the state in which the pharmacy is located:

1. All statutory and regulatory requirements of Kansas for controlled substances, including those that are different from federal law;
2. Labeling of all prescriptions dispensed, to include, but not be limited to, identification of the product and quantity dispensed;
3. All the statutory and regulatory requirements of Kansas for dispensing prescriptions in accordance with the quantities indicated by the prescriber; and
4. The Kansas law regarding the maintenance and use of the patient medication profile record system.

(e) In addition to subsection (d) the requirements of subsection (c), each nonresident pharmacy shall comply with all the statutory and regulatory requirements of Kansas regarding drug product selection laws whether or not such compliance would be in conflict with specific laws or rules and regulations of the state in which the pharmacy is located, except that compliance constitutes only a minor conflict with specific laws or rules and regulations of the state in which the pharmacy is located would not be required under this subsection.

(f) Each nonresident pharmacy shall develop and provide the board with a policy and procedure manual that sets forth:

1. Normal delivery protocols and times;
2. The procedure to be followed if the patient's medication is not available at the nonresident pharmacy, or if delivery will be delayed beyond the normal delivery time;
3. The procedure to be followed upon receipt of a prescription for an acute illness, which policy shall include a procedure for delivery of the medication to the patient from the nonresident pharmacy at the earliest possible time, or an alternative that assures the patient the opportunity to obtain the medication at the earliest possible time; and
4. The procedure to be followed when the nonresident pharmacy is advised that the patient's medication has not been received within the normal delivery time and that the patient is out of medication and requires interim dosage until mailed prescription drugs become available.

(g) Except in emergencies that constitute an immediate threat to the public health and require prompt action by the board, the board may file a complaint against any nonresident pharmacy that violates any provision of this section. This complaint shall
be filed with the regulatory or licensing agency of the state in which the nonresident pharmacy is located. If the regulatory or licensing agency of the state in which the nonresident pharmacy is located fails to resolve the violation complained of within a reasonable time, not less than 180 days from the date that the complaint is filed, disciplinary proceedings may be initiated by the board. (i)(h) It is unlawful for any nonresident pharmacy which that is not registered under this act to advertise its services in this state, or for any person who is a resident of this state to advertise the pharmacy services of a nonresident pharmacy which that has not registered with the board, with the knowledge that the advertisement will or is likely to induce members of the public in this state to use the pharmacy to fill prescriptions.

(j) Upon request of the board, the attorney general may bring an action in a court of competent jurisdiction for injunctive relief to restrain a violation of the provisions of this section or any rules and regulations adopted by the board under authority of this section. (k) The board may adopt rules and regulations as necessary and as are consistent with this section to carry out the provisions of this section.

(l) The executive secretary of the board shall remit all moneys received from fees under this section to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. (m)(k) A violation of this section is a severity level 10, nonperson felony.

Nays: Hilderbrand, Steffen, Straub, Thompson, Tyson.

The Senate concurred.

EXPLANATION OF VOTE

Mr. Vice President: While SB 39 appears benign on the surface, my concern is for the incremental infringement on the ability of our mom and pop cattle producers to compete in a worldwide free market. If RFID tags are so necessary, then why do we not require the same regulations on beef that is imported as we do on US beef? Supporting RFID tags could potentially lead to mandates and the destruction of the good people of our state who raise Kansas Beef and help feed the entire world. I vote No, out of concern to protect the freedom of our Kansas Beef Producers. — Alicja Straub

Invocation by Reverend Cecil T. Washington:

Lord, Help Us See You Like Isaiah Did!
Isaiah 6:1-9

Heavenly Father, today, we’re joining with millions across this nation, humbling ourselves on this National Day of Prayer. And Lord, as we join so many others on behalf of this nation, it is to You, and to You only, that we must turn for salvation.

You are the Almighty God of Heaven and Earth. There is no person and nothing created that is on Your level. We have no other god before us! So, as we approach You in prayer today, would You allow us, in our feeble, fumbling, oftentimes failing ways to find grace flowing from Your Throne of Mercy?

Your Holiness is so real that sometimes it would seem impossible to come into Your awesome presence. Oh but once again, I’m reminded of what You did for Isaiah. In chapter 6, he tells of how he was blown away and dumbfounded when You granted him a glimpse of Your overwhelming majesty and Holiness.

Lord, would You begin to give us, in this nation, an eye opening glimpse of Your majesty and of Your Holiness. Help us to see You as Isaiah saw You, in such a way that it blows our minds and opens our eyes to the degree that a revival of Godly righteousness explodes across this land.

Lord, You are this nations only hope! I offer this prayer, as one who has had my own Isaiah moment. And I thank You Lord. In the precious Name of Jesus, Amen!

The Pledge of Allegiance was led by President Masterson.

Invocation by Reverend Cecil T. Washington:

To God Be the Glory, In Song!

Regardless of his own power and fame, King David wrote this song of praise, that God's people may well praise Him! In Psalm 8:1-2, these are the words he wrote... “I will give thanks to the Lord with all my heart; I will recount all Your wonders; I will be glad and rejoice in You; I will sing praise to Your name, O Most High.”

Heavenly Father, You inspired another song writer, Andre Crouch, to write a song of praise for today. And Lord, may the spirit of this melody bless Your heart and the heart of Your people! Pastor Washington sang the following song:

How can I say thanks for the things You've done for me
Things so undeserved, yet you gave to prove your love to me
The voices of a million angels could not express my gratitude
All that I am and ever hope to be, I owe it all to Thee
To God be the glory! To God be the glory! To God be the glory!
For the things You have done.
With Your blood, you have saved me
With Your power, You have raised me
To God be the glory, for the things You have done!
Just let me live my life, and let it be pleasing, Lord to Thee
And should I gain any praise, let it go to Calvary
With Your blood, You have saved me
With Your power, You have raised me
To God be the glory, for the things You have done! Amen!!

The Pledge of Allegiance was led by Vice President Wilborn.

The insurer may recover all or a portion of such expenses for attorney fees if an adverse judgment is returned against the healthcare provider for damages resulting from the healthcare provider's sexual acts or activity.

(b) Such action shall be defended by the insurer or the self-insurer, but if the board of governors believes it to be in the best interests of the fund, the board of governors may employ independent counsel to represent the interests of the fund. The cost of employing such counsel shall be paid from the fund. The board of governors is authorized to employ independent counsel in any such action against an inactive healthcare provider covered by the fund.

(c) The attorneys of record and the board of governors shall submit to the state board of healing arts expert witness reports which have been made available to the opposing parties in the case and, upon the request of the state board of healing arts, any depositions, interrogatories, admissions or other relevant information concerning the case which has been made available to the opposing parties in the case shall also be submitted. Failure to pay any judgment for which the self-insurer is liable arising from the self-insurer's rendering of professional services as a provider, the failure to comply with any provision of this act or the failure to comply with any conditions contained in the certificate of self-insurance shall be reasonable grounds for the cancellation of such certificate of self-insurance. The provisions of this subsection shall not apply to the Kansas soldiers' home or to any person who is a self-insurer pursuant to subsection (d) or (e).

(b) Any such provider or system that holds a certificate of self-insurance shall pay the applicable surcharge set forth in K.S.A. 40-3402(c), and amendments thereto.

Failure of a person engaged in such postgraduate training program to comply with the terms and conditions of eligibility to be self-insured by the medical care facility or mental health center, the failure of a medical care facility or mental health center to pay any judgment for which such medical care facility
or mental health center is liable as self-insurer of such individual, the failure to comply with any provisions of the health care provider insurance availability act or the failure to comply with any conditions for approval of the application or any conditions contained in the certificate of self-insurance shall be reasonable grounds for cancellation of such certificate of self-insurance or the authority of a medical care facility or mental health center to self-insure such individuals.

The Conference Committee Report was adopted.

EXPLANATION OF VOTE

Mr. Vice President: I vote “NO” on the Conference Committee Report on HB 2137 because a provision in the bill reduces and then eliminates the requirement to include Kansas-grown products in the manufacture of domestic wine and hard cider by a farm winery. The proposal to eliminate the requirement did not have a hearing; it was an amendment to the bill in committee. Since farm wineries are granted special privileges for their sales, the legislature should consider this issue carefully. I do understand that there is a constitutional question and agree that the State should identify the legislative intent and compelling interest in providing for farm winery licenses. This discussion should come before, not after, changes are made.—MARCI FRANCISCO

Senator Hawk requests the record to show he concurs with the "Explanation of Vote" offered by Senator Francisco on HB 2137.

INTRODUCTION OF BILLS AND SENATE RESOLUTIONS

SENATE CONCURRENT RESOLUTION No. 1615—

By Senator Pyle

A PROPOSITION to amend section 13 of article 2 of the constitution of the state of Kansas, relating to vote requirements for passage of bills or concurrent resolutions.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 13 of article 2 of the constitution of the state of Kansas is hereby amended to read as follows:

"§ 13. Majority for passage of bills. Except as provided in article 14 of the constitution of the state of Kansas, a majority of the members then elected (or appointed) and qualified of each house, voting in the affirmative, shall be necessary to pass any bill or concurrent resolution. Two-thirds (2/3) of the members then elected (or appointed) and qualified in each house, voting in the affirmative, shall be necessary to ratify any amendment to the Constitution of the United States or to make any application for congress to call a convention for proposing amendments to the Constitution of the United States."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to remove the constitutional provision that requires two-thirds of members then elected (or appointed) and qualified in each house, voting in the affirmative, shall be necessary to ratify any amendment to the Constitution of the United States or to make any application for congress to call a convention for proposing amendments to the Constitution of the United States and provide that a majority of such members, voting in the affirmative, shall be necessary to pass such measures.

"A vote for this proposition would amend the constitution to provide that a majority of the members then elected (or appointed) and qualified of each house, voting in the affirmative, shall be necessary to pass any bill or concurrent resolution, except as provided in article 14 of the constitution of the state of Kansas. This would lower the vote requirement from two-thirds to a majority of such members for any bill or concurrent resolution to ratify any amendment to the Constitution of the United States or to make any application for congress to call a convention for proposing amendments to the Constitution of the United States.

"A vote against this proposition would not make any changes to
the constitution and would maintain the current provisions related to vote requirements for passage of bills or concurrent resolutions."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2022, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

Upon the basis of each annual actuarial valuation and appraisal as provided for in
K.S.A. 74-4908(3)(a), and amendments thereto, the board shall certify, on or before
July 15 of each year, to the division of the budget in the case of the state and to the
agent for each other participating employer an actuarially determined estimate of the
rate of contribution which will be required, together with all accumulated contributions
and other assets of the system, to be paid by each such participating employer to pay all
liabilities which shall exist or accrue under the system, including amortization of the
actuarial accrued liability as determined by the board. The board shall determine the
actuarial cost method to be used in annual actuarial valuations, to determine the
employer contribution rates that shall be certified by the board. Such certified rate of
contribution, amortization methods and periods and actuarial cost method shall be based
on the standards set forth in K.S.A. 74-4908(3)(a), and amendments thereto, and shall
not be based on any other purpose outside of the needs of the system.

(b) (i) For employers affiliating on and after January 1, 1999, upon the basis of an
annual actuarial valuation and appraisal of the system conducted in the manner
provided for in K.S.A. 74-4908, and amendments thereto, the board shall certify, on or
before July 15 of each year to each such employer an actuarially determined estimate of
the rate of contribution which shall be required to be paid by each such employer to pay
all of the liabilities which shall accrue under the system from and after the entry date as
determined by the board, upon recommendation of the actuary. Such rate shall be
termed the employer's participating service contribution and shall be uniform for all
participating employers. Such additional liability shall be amortized as determined by
the board. For all participating employers described in this section, the board shall
determine the actuarial cost method to be used in annual actuarial valuations to
determine the employer contribution rates that shall be certified by the board.

(ii) The board shall determine for each such employer separately an amount
sufficient to amortize all liabilities for prior service costs which shall have accrued at
the time of entry into the system. On the basis of such determination the board shall
annually certify to each such employer separately an actuarially determined estimate of
the rate of contribution which shall be required to be paid by that employer to pay all of
the liabilities for such prior service costs. Such rate shall be termed the employer's prior
service contribution.

(2) The division of the budget and the governor shall include in the budget and in
the budget request for appropriations for personal services the sum required to satisfy
the state's obligation under this act as certified by the board and shall present the same
to the legislature for allowance and appropriation.

(3) Each other participating employer shall appropriate and pay to the system a sum
sufficient to satisfy the obligation under this act as certified by the board.

(4) Each participating employer is hereby authorized to pay the employer's
contribution from the same fund that the compensation for which such contribution is
made is paid from or from any other funds available to it for such purpose. Each
political subdivision, other than an instrumentality of the state, which is by law
authorized to levy taxes for other purposes, may levy annually at the time of its levy of
taxes, a tax which may be in addition to all other taxes authorized by law for the
purpose of making its contributions under this act and, in the case of cities and counties,
to pay a portion of the principal and interest on bonds issued under the authority of
K.S.A. 12-1774, and amendments thereto, by cities located in the county, which tax,
together with any other fund available, shall be sufficient to enable it to make such
contribution. In lieu of levying the tax authorized in this subsection, any taxing
subdivision may pay such costs from any employee benefits contribution fund
established pursuant to K.S.A. 12-16,102, and amendments thereto. Each participating
employer which is not by law authorized to levy taxes as described above, but which
prepares a budget for its expenses for the ensuing year and presents the same to a
governing body which is authorized by law to levy taxes as described above, may
include in its budget an amount sufficient to make its contributions under this act which
may be in addition to all other taxes authorized by law. Such governing body to which
the budget is submitted for approval, may levy a tax sufficient to allow the participating
employer to make its contributions under this act, which tax, together with any other
fund available, shall be sufficient to enable the participating employer to make the
contributions required by this act.

(5) (a) The rate of contribution certified to a participating employer as provided in

(iv) Except as specifically provided in this subsection, for the fiscal years commencing in the following calendar years, the rate of contribution certified to participating employers other than the state of Kansas shall in no event exceed the contribution rate for such employers for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which members contribute during the period: (A) For the fiscal year commencing in calendar years 2010 through 2013, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year; (C) for the fiscal year commencing in calendar year 2015, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (D) for the fiscal year commencing in calendar year 2016, an amount not to exceed more than 1.1% of the amount of the immediately preceding fiscal year; and (E) for the fiscal year commencing in calendar year 2017, and in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year.

This amount shall be certified by the board for deposit as additional employer contributions to the retirement benefit accumulation reserve for the participating employers under K.S.A. 74-4931, and amendments thereto.

following described property, to the extent herein specified, shall be and is hereby
exempt from all property or ad valorem taxes levied under the laws of the state of
Kansas:

First. All buildings used exclusively as places of public worship and all buildings
used exclusively by school districts and school district interlocal cooperatives organized
under the laws of this state, with the furniture and books therein contained and used
exclusively for the accommodation of religious meetings or for school district or school
district interlocal cooperative purposes, whichever is applicable, together with the
grounds owned thereby if not leased or otherwise used for the realization of profit,
except that: (a) (1) Any school building, or portion thereof, together with the grounds
upon which the building is located, shall be considered to be used exclusively by the
school district for the purposes of this section when leased by the school district to any
political or taxing subdivision of the state, including a school district interlocal
cooperative, or to any association, organization or nonprofit corporation entitled to tax
exemption with respect to such property; and (2) any school building, together with the
grounds upon which the building is located, shall be considered to be used exclusively
by a school district interlocal cooperative for the purposes of this section when being
acquired pursuant to a lease-purchase agreement; and (b) any building, or portion
thereof, used as a place of worship, together with the grounds upon which the building
is located, shall be considered to be used exclusively for the religious purposes of this
section when used as a not-for-profit day care center for children which is licensed
pursuant to K.S.A. 65-501 et seq., and amendments thereto, or when used to house an
area where the congregation of a church society and others may purchase tracts, books
and other items relating to the promulgation of the church society's religious doctrines.

Second. All real property, and all tangible personal property, actually and regularly
used exclusively for literary, educational, scientific, religious, benevolent or charitable
purposes, including property used exclusively for such purposes by more than one
agency or organization for one or more of such exempt purposes. Except with regard to
real property which is owned by a religious organization, is to be used exclusively for
religious purposes and is not used for a nonexempt purpose prior to its exclusive use for
religious purposes which property shall be deemed to be actually and regularly used
exclusively for religious purposes for the purposes of this paragraph, this exemption
shall not apply to such property, not actually used or occupied for the purposes set forth
herein, nor to such property held or used as an investment even though the income or
rentals received therefrom is used wholly for such literary, educational, scientific,
religious, benevolent or charitable purposes. In the event any such property which has
been exempted pursuant to the preceding sentence is not used for religious purposes
prior to its conveyance which results in its use for nonreligious purposes, there shall be
a recoupment of property taxes in an amount equal to the tax which would have been
levied upon such property except for such exemption for all taxable years for which
such exemption was in effect. Such recoupment tax shall become due and payable in
such year as provided by K.S.A. 79-2004, and amendments thereto. A lien for such
taxes shall attach to the real property subject to the same on November 1 in the year
such taxes become due and all such taxes remaining due and unpaid after the date prescribed for the payment thereof shall be collected in the manner provided by law for the collection of delinquent taxes. Moneys collected from the recoupment tax hereunder shall be credited by the county treasurer to the several taxing subdivisions within which such real property is located in the proportion that the total tangible property tax levies made in the preceding year for each such taxing subdivision bear to the total of all such levies made in that year by all such taxing subdivisions. Such moneys shall be credited to the general fund of the taxing subdivision or if such taxing subdivision is making no property tax levy for the support of a general fund such moneys may be credited to any other tangible property tax fund of general application of such subdivision. This exemption shall not be deemed inapplicable to property which would otherwise be exempt pursuant to this paragraph because an agency or organization: (a) Is reimbursed for the provision of services accomplishing the purposes enumerated in this paragraph based upon the ability to pay by the recipient of such services; or (b) is reimbursed for the actual expense of using such property for purposes enumerated in this paragraph; or (c) uses such property for a nonexempt purpose which is minimal in scope and insubstantial in nature if such use is incidental to the exempt purposes of this paragraph; or (d) charges a reasonable fee for admission to cultural or educational activities or permits the use of its property for such activities by a related agency or organization, if any such activity is in furtherance of the purposes of this paragraph; or (e) is applying for an exemption pursuant to this paragraph for a motor vehicle that is being leased for a period of at least one year.

Third. All moneys and credits belonging exclusively to universities, colleges, academies or other public schools of any kind, or to religious, literary, scientific or benevolent and charitable institutions or associations, appropriated solely to sustain such institutions or associations, not exceeding in amount or in income arising therefrom the limit prescribed by the charter of such institution or association.

Fourth. The reserve or emergency funds of fraternal benefit societies authorized to do business under the laws of the state of Kansas.

Fifth. All buildings of private nonprofit universities or colleges which are owned and operated by such universities and colleges as student union buildings, presidents' homes and student dormitories.

Sixth. All real and tangible personal property actually and regularly used exclusively by the alumni association associated by its articles of incorporation with any public or nonprofit Kansas college or university approved by the Kansas board of regents to confer academic degrees or with any community college approved by its board of trustees to grant certificates of completion of courses or curriculum, to provide accommodations and services to such college or university or to the alumni, staff or faculty thereof.

Seventh. All parsonages owned by a church society and actually and regularly occupied and used predominantly as a residence by a minister or other clergyman of such church society who is actually and regularly engaged in conducting the services and religious ministrations of such society, and the land upon which such parsonage is located to the extent necessary for the accommodation of such parsonage.

Eighth. All real property, all buildings located on such property and all personal property contained therein, actually and regularly used exclusively by any individually chartered organization of honorably discharged military veterans of the United States
armed forces or auxiliary of any such organization, which is exempt from federal income taxation pursuant to section 501(c)(19) of the federal internal revenue code of 1986, for clubhouse, place of meeting or memorial hall purposes, and real property to the extent of not more than two acres, and all buildings located on such property, actually and regularly used exclusively by any such veterans' organization or its auxiliary as a memorial park.

As used in this clause, "humanitarian services" means the conduct of activities which substantially and predominantly meet a demonstrated community need and which improve the physical, mental, social, cultural or spiritual welfare of others or the relief, comfort or assistance of persons in distress or any combination thereof including, but not limited to, health and recreation services, child care, individual and family counseling, employment and training programs for handicapped persons and meals or feeding programs. Notwithstanding any other provision of this clause, motor vehicles shall not be exempt hereunder unless such vehicles are exclusively used for the purposes described therein, except that the use of any such vehicle for the purpose of participating in a coordinated transit district in accordance with the provisions of K.S.A. 75-5032 through 75-5037, and amendments thereto, or K.S.A. 75-5051 through 75-5058, and amendments thereto, shall be deemed as exclusive use.

Tenth. For all taxable years commencing after December 31, 1986, any building, and the land upon which such building is located to the extent necessary for the accommodation of such building, owned by a church or nonprofit religious society or order which is exempt from federal income taxation pursuant to section 501(c)(3) of the federal internal revenue code of 1986, and actually and regularly occupied and used exclusively for residential and religious purposes by a community of persons who are bound by vows to a religious life and who conduct or assist in the conduct of religious services and actually and regularly engage in religious, benevolent, charitable or educational ministrations or the performance of health care services.
Eleventh. For all taxable years commencing after December 31, 1998, all property actually and regularly used predominantly to produce and generate electricity utilizing renewable energy resources or technologies when the applicant for such property, on or before December 31, 2016, has filed an application for exemption pursuant to this subsection or has received a conditional use permit to produce and generate electricity on the property from the county in which the property is located. Any exemption granted under the provisions of this subsection for such property when the applicant, after December 31, 2016, has filed such application or filed such application and received a conditional use permit, shall be in effect for the 10 taxable years immediately following the taxable year in which construction or installation of such property is completed. For purposes of this section, "renewable energy resources or technologies" shall include wind, solar, photovoltaic, biomass, hydropower, geothermal and landfill gas resources or technologies.

EXPLANATION OF VOTE

Mr. Vice President: Votes today have been difficult on a lot of issues, this being one of them. When I look at the bill as a whole, the good outweighs the potential bad. Even the bad which, most would say, is the property tax issue with our health clubs, the overarching principle to me is government should not be in the business of picking winners and losers. That’s what this does. Government is giving tax benefits to some and not others. That is not right. Is this bill the right way to deal with it? I do not know. The principle in this bill is correct and I have confidence as we move forward we can examine it more in depth and come to the proper solution. But the parts that are good in here, the business protections, the 20-mills for schools, the provision for the elderly, to me those are key pieces and for those reasons I vote aye.—RENEE ERICKSON

EXPLANATION OF VOTE

Mr. Vice President: I’ve had the privilege to serve on the education, judiciary and
taxation and assessment committees this session. Earlier today we overwhelmingly
passed a school funding bill that included a recommendation to give additional
compensation to school employees of up to $500. These are employees that kept their
jobs and were paid throughout the pandemic. That was the work of the education
conference committee. The interesting thing is that the judiciary and taxation
committees also worked to address the needs of Kansans that had businesses that were
shut down, didn’t have their income coming in but still had the property tax burden of
their business. There was a balance in these two pieces of legislation and we knew
business owners throughout the state would be positively impacted. This morning, we
just took one of these opportunities off the table without any Kansans benefiting from
our efforts. To make matters worse, this is the second year in a row that a strong
bipartisan vote by this body to provide property tax relief for our over-burdened retirees
has been stripped away. So I did vote ‘pass’ and I’m going to keep my vote of ‘pass’
because we’ve passed up on these opportunities to serve Kansans.—MOLLY

(c) The provisions of this section shall expire on January 1, 2025.
New Sec. 2.  (a) (1) There is hereby established in the state treasury the COVID-19 small business relief fund, which shall be administered by the legislative coordinating council. All expenditures from such fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports pursuant to vouchers approved by the chairperson of the legislative coordinating council or the designee of the chairperson.

(2) On and after April 1, 2023, any remaining moneys in the COVID-19 small business relief fund may be used in any manner consistent with state and federal law.

(3) (A) On or before February 15, 2023, the joint committee on special claims against the state shall meet and review the claims that have been accepted by a claimant pursuant to section 4, and amendments thereto, and shall report such committee's recommendation to the legislative coordinating council.

(B) On or before February 28, 2023, after receiving recommendations from the joint committee on special claims against the state, expenditures may be authorized by the legislative coordinating council and such requests may be approved by the members of the legislative coordinating council, as provided in K.S.A. 46-1202, and amendments thereto, acting on this matter, which is hereby characterized as a matter of legislative delegation, except that such disbursements and expenditures may also be approved while the legislature is in session.

(4) After the legislative coordinating council has approved the expenditures, the chairperson shall:

(A) Authorize payment of the amount of relief to be paid to such claimant by the state from the COVID-19 small business relief fund established pursuant to this section; and

(B) notify any county or city of the relief to be paid to such claimant by such governmental entity from such entity's fund established pursuant to section 5 or 6, and amendments thereto.

If the state receives any such moneys from the federal government for aid to the state of Kansas for coronavirus relief after July 15, 2021, the director of the budget shall also identify such moneys for the purposes of fulfilling transfers required by this section.

(2) Of such identified moneys, following transfers required in 2021 Senate Substitute for Substitute for House Bill No. 2196 and 2021 Senate Substitute for House Bill No. 2208, the director of the budget shall transfer the amount certified in subsection (d) from the remaining moneys available in special revenue funds. (5) The claimant shall submit any other information required by the board to resolve the claim.

(6) Any information received pursuant to this subsection shall be confidential, shall not be disclosed and shall not be subject to subpoena, discovery or introduction into evidence in any civil or criminal proceeding, except that such information may be disclosed to: (A) The board; (B) any employees of the board or the office of the attorney general in support of the board's duties; and (C) federal or state agencies, when necessary in the performance of their official duties or functions. Such information shall not be a public record and shall not be subject to the Kansas open records act, K.S.A. 45-215 et seq., and amendments thereto. The provisions of this paragraph shall not be required to be reviewed by the legislature and shall not expire in accordance with K.S.A. 45-229, and amendments thereto.

(b) (1) The board shall decide each claim based on the information submitted pursuant to this section or otherwise obtained by the board, and no hearings shall be required.

(2) Notwithstanding any other provision of law, a meeting of the board to decide a claim or conduct an informal reconsideration hearing shall not be subject to the Kansas administrative procedure act, K.S.A. 77-501 et seq., and amendments thereto, and shall not be subject to the Kansas open meetings act, K.S.A. 75-4317 et seq., and amendments thereto.

(c) In evaluating the claim award, the board shall consider the following factors for each claim:

(1) The duration and nature of the impact of each order making a restriction, including:

(A) The imposition of any curfew, occupancy restriction or other restriction on business operations; and

(B) any added duties prescribed by law on businesses in order to comply with any governmental order that applied to business operations;

(7) the amount of any benefits the claimant received under the employment security law of this state;

(8) whether the claimant has received any tax refund, rebate or other tax relief related to the COVID-19 pandemic;

(9) the percentage of the relief granted that the claimant projects to use for
employee pay, salary, compensation or benefits; and

(10) the extent to which non-governmental orders or restrictions and consumer behavior contributed to the monetary loss claimed by the business. The board shall quantify the amount of the claimed loss attributable to non-governmental orders or restrictions and consumer behavior and shall not grant relief for such amount.

(d) (1) On or before September 30, 2022, the board shall decide on all claims filed pursuant to this section and issue a written decision that either grants or denies relief for each claim. The board shall issue all of the written decisions on such claims on the same date.

(2) A written decision that grants relief shall:
(A) Specify the amount of relief to be paid to the claimant as calculated under this section and approved by the board;
(B) identify the governmental entity that issued the applicable order making a restriction;
(C) assign the amount of relief to be paid to the claimant according to the governmental entity that issued the applicable order making a restriction;
(D) notify the claimant that if the claimant does not use at least the percentage of the relief such claimant projected to use for employee pay, salary, compensation or benefits for such items, such relief may be subject to repayment; and
(E) notify the claimant of the right to an informal reconsideration pursuant to subsection (e).

(3) No relief to be paid shall be assigned to a county if the applicable order issued by the county was less restrictive than an applicable order issued by the state. If the applicable order issued by the county was the same as an applicable order issued by the state, the board may assign up to 50% of the relief to be paid to the county based on availability of moneys in such county's fund established pursuant to section 5, and amendments thereto.

(4) No relief to be paid shall be assigned to a city if the applicable order issued by the city was the same or less restrictive than an applicable order issued by the state or the county where such city is located.

(5) The claimant shall notify the board in writing whether the claimant declines such relief within 15 days of receipt of the written decision. If the claimant does not make such notification, the claim shall be deemed accepted.

(6) A written decision that denies relief shall specify the reasons for such decision and notify the claimant of the right to an informal reconsideration pursuant to subsection (e). The claimant shall notify the board in writing whether the claimant challenges such decision within 15 days of receipt of the written decision.

(e) (1) A claimant may request reconsideration of the decision of the board by requesting an informal hearing to be conducted by the board. Following such hearing, the board shall issue a written decision either granting or denying relief. A written decision granting relief shall comply with the provisions of subsection (d)(2)(A) through (d)(2)(D).

(2) A claimant shall notify the board in writing whether the claimant declines such relief within 15 days of receipt of the written decision. If the claimant does not make such notification, the claim shall be deemed accepted.

(f) On or before January 31, 2023, after the board has issued all written decisions under subsection (e), the board shall report all the claims in which the relief has been
accepted by the claimant to the joint committee on special claims against the state in an open meeting. The committee shall review such claims and shall make a recommendation on such claims to the legislative coordinating council pursuant to section 2, and amendments thereto.

(g) On or before March 1, 2024, any claimant who receives relief under section 2, and amendments thereto, shall report to the attorney general the actual percentage of the relief granted such claimant used for employee pay, salary, compensation or benefits. If such percentage is less than the percentage of the relief such claimant projected to use for employee pay, salary, compensation or benefits, the attorney general shall order the claimant to pay the full projected percentage to such claimant's employees or repay the difference between the projected percentage and the actual percentage to the attorney general. Any repayment received by the attorney general shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the COVID-19 small business relief fund.

(h) If a claimant files a claim with the board pursuant to this act, such claimant shall be prohibited from filing any claim in a civil action against the state and all subdivisions of government and each of their officers, employees, agents and representatives seeking damages or any other monetary relief based on an order making a restriction related to the COVID-19 pandemic, including, but not limited to, a claim under K.S.A. 48-933, and amendments thereto, the Kansas private property protection act, K.S.A. 77-701 et seq., and amendments thereto, or any claim related to compensation for a governmental taking. A claimant shall not be prohibited from filing any claim in a civil action seeking injunctive, declaratory or other nonmonetary relief.

(i) (1) Nothing in this act shall create any property right or right in action. The courts shall have no jurisdiction to entertain any action against the board, the attorney general or the state of Kansas, or any officer or agent thereof, founded on a claim that the claimant should have received different or better treatment pursuant to this act.

(2) Determinations made by the board pursuant to this act, including, but not limited to, the eligibility of any business for relief and the determination of the proper amount of such relief, if any, shall be committed to the sole discretion of the board based on the information available to it and shall not be subject to appeal or judicial review.

(j) The provisions of this section shall expire on January 1, 2025.

New Sec. 5. (a) The board of county commissioners of any county that issues, or previously issued, an order making a restriction under this act shall establish, by adoption of a resolution, a county COVID-19 small business relief fund. The board of county commissioners shall designate an officer of the county as the administrator of such fund.

(b) The officer of the county designated as the administrator of such fund shall determine the amount of moneys received by the county on and after January 1, 2021, that are identified as moneys from the federal government for coronavirus relief aid to the county that may be expended at the discretion of the county and are unencumbered. Of such identified moneys, such officer shall determine 35% of such moneys available in county funds. The officer shall certify the amount so determined from each county fund to the board of county commissioners and transfer such certified amount from such county funds to the county COVID-19 small business relief fund. At the same time as
such certification is transmitted to the board of county commissioners, the officer shall transmit a copy of such certification to the director of legislative research and to the attorney general.

(c) Except as provided in subsection (d), unless prohibited by federal law, moneys in the county COVID-19 small business relief fund shall be used only for the purpose of paying relief amounts authorized by the legislative coordinating council pursuant to section 2, and amendments thereto. Upon receipt of a notification from the legislative coordinating council that relief is to be paid to a claimant by the county from such fund, the county shall pay such relief and provide notice of payment to the legislative coordinating council.

(d) On and after April 1, 2023, any remaining moneys in the county COVID-19 small business relief fund may be used in any manner consistent with state and federal law upon adoption of a resolution by the board of county commissioners. Such resolution shall abolish the county COVID-19 small business relief fund on December 31, 2024, and all pending or future claims against the fund are hereby declared to be null and void.

(e) The provisions of this section shall expire on January 1, 2025.

New Sec. 6. (a) The governing body of a city that issues, or previously issued, an order making a restriction under this act shall establish, by adoption of an ordinance, a city COVID-19 small business relief fund. The governing body of the city shall designate an officer of the city as the administrator of such fund.

(b) The officer of the city designated as the administrator of such fund shall determine the amount of moneys received by the city on and after January 1, 2021, that are identified as moneys from the federal government for coronavirus relief aid to the city that may be expended at the discretion of the city and are unencumbered. Of such identified moneys, such officer shall determine 35% of such moneys available in city funds. The officer shall certify the amount so determined from each city fund to the governing board of the city and transfer such certified amount from such city funds to the city COVID-19 small business relief fund. At the same time as such certification is transmitted to the governing body of the city, the officer shall transmit a copy of such certification to the director of legislative research and to the attorney general.

(c) Except as provided in subsection (d), unless prohibited by federal law, moneys in the city COVID-19 small business relief fund shall be used only for the purpose of paying relief amounts as authorized by the legislative coordinating council pursuant to section 2, and amendments thereto. Upon receipt of a notification from the legislative coordinating council that relief is to be paid to a claimant by the city from such fund, the city shall pay such relief and provide notice of payment to the legislative coordinating council.

(d) On and after April 1, 2023, any remaining moneys in the city COVID-19 small business relief fund may be used in any manner consistent with state and federal law upon adoption of an ordinance by the governing body of the city. Such ordinance shall abolish the city COVID-19 small business relief fund on December 31, 2024, and all pending or future claims against the fund are hereby declared to be null and void.

(e) The provisions of this section shall expire on January 1, 2025.

New Sec. 7. (a) The provisions of this act are severable. If any portion of the act is declared unconstitutional or invalid, or the application of any portion of the act to any person or circumstance is held unconstitutional or invalid, the invalidity shall not affect
other portions of the act that can be given effect without the invalid portion or application, and the applicability of such other portions of the act to any person or circumstance shall remain valid and enforceable.

(b) The provisions of this section shall expire on January 1, 2025.

New Sec. 8. (a) The legislative post audit committee shall direct the legislative division of post audit to conduct a study of the performance of the board in carrying out the actions required by section 4, and amendments thereto. Such study shall include an analysis of the methods used by the board in making recommendations to the joint committee on special claims against the state.

(b) The study shall include a randomized study of not less than 10% of the total number of claims filed under section 4, and amendments thereto. The study may include information related to the process used by the board to grant or deny reconsideration requests.

(c) The legislative division of post audit shall report to the joint committee on special claims against the state and provide a summary of the findings of such study prior to January 31, 2023.

(d) The provisions of this section shall expire on January 1, 2025.

Sec. 9. K.S.A. 48-933 is hereby amended to read as follows: 48-933. (a) Each person within this state shall act and manage the affairs of such person and such person's property in any way which reasonably will assist and not detract from the ability of the state and the public successfully to meet disasters. This obligation includes appropriate personal service and use or restriction on the use of property during a declared state of disaster emergency under K.S.A. 48-924, and amendments thereto, or a declared state of local disaster emergency under K.S.A. 48-932, and amendments thereto. This act neither increases nor decreases these obligations, but recognizes their existence under the constitution and statutes and the common law of this state. (b) No personal services may be compensated by the state or any subdivision or agency thereof, except pursuant to statute enacted or ordinance duly adopted therefor.

(c) Compensation for property shall be only if the property was commandeered or otherwise used in coping with a disaster and its use or destruction was ordered by the governor, adjutant general, an official of a county, city or interjurisdictional disaster agency, or some other authorized member of the emergency management forces of this state.

(d) Any person claiming compensation for the use, damage, loss or destruction of property under this act shall file a claim therefor in the district court in the same manner as any other civil action. The court shall determine the validity of such claim in the same manner and under the same conditions prescribed for condemnation actions pursuant to K.S.A. 26-501 et seq., and amendments thereto. Unless the amount of compensation on account of property damaged, lost or destroyed is agreed upon by the claimant and the adjutant general, the amount of compensation shall be calculated in the same manner as compensation due for a taking of property pursuant to the condemnation law of this state.

(e) Nothing in this section;
Authorizes compensation for intangible losses occurring during the state of disaster emergency related to the COVID-19 health emergency described in K.S.A. 2020 Supp. 48-924b, and amendments thereto; or

(2) applies to or authorizes compensation for the destruction or damaging of standing timber or other property in order to provide a fire break or for the release of waters or the breach of impoundments in order to reduce pressure or other danger from actual or threatened flood.

MESSAGE FROM THE HOUSE

Announcing a line item veto message from the Governor, together with the enrolled copy of HB 2007, AN ACT making and concerning appropriations for fiscal years ending June 30, 2021, June 30, 2022, June 30, 2023, and June 30, 2024, for state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 75-4209, 75-6702 and 75-6706 and K.S.A. 2020 Supp. 2-223, 12-1775a, 12-5256, 55-193, 65-180, 72-5462, 74-50,107, 74-99b34, 75-2263, 75-6707, 76-775, 76-7,107, 79-2959, 79-2964, 79-3425i, 79-34,171, 79-4804 and 82a-953a and repealing the existing sections, received on April 26, 2021 and read on May 3, 2021.

Message from the Governor

I want to thank the legislature for working together thoughtfully and expeditiously to pass this budget, which includes many enhancements to the work we began before the pandemic to restore funding through fiscally responsible tax and budget policy. There is still more work to be done, however, this budget includes significant funding to support some of the most vulnerable Kansans, including those in long-term care and those with intellectual disabilities. It also increases access to newborn screening, preventive mental health, and crisis services.

While I support the majority of the provisions in this budget, there are items that have either been resolved in existing legislation or that would be better addressed not in this budget but through better collaboration between agencies and stakeholders. Other provisions tie funding mandates or prohibitions to blanket policies that should be either more narrowly tailored or independently vetted on their own merits through the regular legislative process.

I look forward to working with the legislature to address the critical funding measures that must be passed during Omnibus. These include our constitutional obligation to adequately and equitably fund our K-12 public schools, salary increases for state employees, and restored funding for state agencies whose budgets were reduced as a precautionary measure due to the COVID-19 pandemic.

Therefore, pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return House Bill 2007 with my signature approving the bill, except for the items enumerated below.

State Bank Commissioner—Per Diem Increase for Kansas Banking Board Members

Section 4(b) has been line-item vetoed in its entirety.

This section would increase the per diem for members of the state banking board from $35 to $100 for the 2021 fiscal year, which ends in less than 70 days. The legislature should study this issue over the interim and make recommendations applicable to all boards and commissions. These recommendations should consider the fiscal impact of potential increases.

Legislative Coordinating Council—Room 221-E

Sections 29(d) and 31(a) have been line-item vetoed in their entirety. Additionally, the following portion of section 30(a) has also been vetoed:

Provided further, That notwithstanding the provisions of K.S.A. 75-3765a, and amendments thereto, or any other statute, expenditures shall be made by the above
agency from the legislative coordinating council – operations account of the state general fund for fiscal year 2022 for the designation and identification of room 221-E of the state capitol building as a meditation room.

These sections would designate Room 221-E as the meditation room in the Statehouse. I support legislative efforts to provide a meditation space in one of the many rooms in the Capitol that remain unused for much of the year and are more convenient, more accessible, and closer to the public entrance.

Room 221-E, which is adjacent to the rest of the Governor’s Office and has been designated as part of the Governor’s Office space in the Statehouse, is currently being used by our constituent services team to provide critical assistance to Kansans on unemployment issues, proclamations, questions regarding legislative matters, and other inquiries.

Legislative Coordinating Council—Federal Coronavirus Relief Funding
Section 30(c) has been line-item vetoed in its entirety.

This section would require recommendation by the Legislative Budget Committee and approval by the Legislative Coordinating Council before any federal coronavirus relief funds can be spent. The process for allocating federal funds should follow the agreed-upon process of approval through the State Finance Council after recommendation from the SPARK Taskforce. This will ensure that federal funds are allocated with a full understanding of the relevant federal requirements and limitations while receiving input from the private sector through a transparent process. Changing this now will create confusion and slow down the ability to make meaningful investments critical to our economic recovery.

Department of Commerce—Public Broadcasting Facility Relocation
Sections 69(j), 70(i), 71(a), and 72(a) have been line-item vetoed in their entirety.

These sections would prohibit any appropriation from the state economic development initiatives fund to a public broadcasting station that moved to a different location or has a plan to move to a different location. It has been brought to my attention that this language was broader than intended. Please work with interested parties to agree to language that is more narrowly tailored.

Department for Health and Environment – Division of Health Care Finance
Protected Income Level for the Program of All-Inclusive Care for the Elderly (PACE)
That portion of Section 80(e) that reads as follows has been line-item vetoed:

(2) 300% of federal supplemental security income for any person in Kansas receiving services from a program of all-inclusive care for the elderly administered by the Kansas department of aging and disability services.

This would increase the protected income level for those who are in the PACE program above Kansans who are served under section 1915(c) of the federal Social Security Act. When I signed House Substitute for Senate Bill 25 in 2019, I approved an increase to the protected income level for both groups to $1,177 per month, which is reflected in rules and regulations. The protected income level should continue to be addressed in a comprehensive manner.

Kansas Department for Aging and Disability Services—Moratoriums at State Psychiatric Hospitals
Sections 84(s) and 85(a) have been line-item vetoed in their entirety.

These sections would prohibit the Kansas Department for Aging and Disability Services from making any expenditures that would impose a moratorium on admissions
at any state psychiatric hospital from the effective date of this act through June 30, 2023. It would also require KDADS to lift the moratorium by October 1, 2021, using existing resources.

I have worked with the legislature to include funding in last year’s budget for a comprehensive plan to safely and efficiently lift the moratorium. The COVID-19 pandemic delayed certain building activities in that plan, pushing the expected completion date to the beginning of 2022. This proviso simply lifts the moratorium earlier than is possible, without any feasible re-opening plan or funding. This will force the agency to pay higher costs for contract staff and an expedited construction timeline. I am committed to lifting the moratorium, but we should do so in a way that doesn’t endanger staff or patients or lead to high one-time costs that can be avoided through a more fiscally responsible approach.

Kansas Department for Aging and Disability Services—
Request for Proposals for the Program of All-Inclusive Care for the Elderly (PACE)
Section 84(t) has been line-item vetoed in its entirety.

This section would require the Kansas Department of Aging and Disability Services to issue a request for proposals from potential providers interested in participating in the PACE program.

If this is a priority for the Legislature, additional funding should be appropriated in the omnibus budget bill to expand the PACE program rather than simply requiring a request for proposals. Given the current language of this proviso, funding for expanding PACE would require an offset in funding from existing resources and initiatives. As a long-time supporter of the PACE program, I understand that it can provide long-term savings, but that should be acknowledged with a comprehensive funding plan that offsets initial costs.

Kansas Department for Aging and Disability Services—Larned State Hospital and Larned Correctional Mental Health Facility Pay Parity
Section 84(w) has been line-item vetoed in its entirety.

This provision would require the Kansas Department for Aging and Disability Services to provide the same starting salary and wages for entry-level positions at Larned State Hospital as are provided at the Larned Correctional Mental Health Facility using existing resources. If this is a priority for the Legislature, the Legislature should appropriate additional funding for the agency to implement higher entry-level salary and wages.

Kansas Department for Children and Families—Hope Ranch Pilot Program
That portion of Section 87(a) that reads as follows has been line-item vetoed:

Provided further, That in addition to other purposes for which expenditures may be made by the above agency from the youth services aid and assistance account for fiscal year 2022, an amount not to exceed $300,000 shall be expended by the above agency from such account for fiscal year 2022 for the purposes of funding the hope ranch for women pilot program: And provided further, That in addition to other purposes for which expenditures may be made by the above agency from such account for fiscal year 2022, expenditures shall be made by the above agency from such account for fiscal year 2022 for the creation of a report detailing activities conducted during the hope ranch for women pilot program, including the number of women served, the demographics of women served, the client service needs at intake, the length of services, the reasons for any cases closing, the recidivism rate, the client costs and the average project costs, and
a budget itemization report and budget transaction report: And provided further, That the secretary for children and families shall submit such report to the house of representatives committee on social services budget on or before January 31, 2022.

This language would require the Department for Children and Families to provide up to $300,000 of public funds to the Hope Ranch for Women organization. My administration has a strong record of supporting organizations combating human trafficking through competitive grants and other programs that ensure accountability of public funding. If the Legislature wishes to establish a new program to provide more funding to organizations doing this critical work, it should send a fully vetted piece of legislation to my desk after thorough legislative, stakeholder, and public review.

Kansas State University—Polytechnic Campus

Section 101(a) has been line-item vetoed in its entirety.

This allocation would allocate $160,080 to the Kansas State University Polytechnic campus with the stated justification that it is intended to reimburse the campus for revenue that was received by the Kansas Public Employees Retirement System from the sale of surplus property under K.S.A. 75-6609(f)(1). If the Legislature wants to create a different distribution formula for proceeds from the sale of surplus real estate, then it should amend the statute to do so for all state agencies and not provide an exception to the statute for the sale of surplus property by one entity. If this is intended to be an enhancement for Kansas State University Polytechnic Campus, then it should apply for such an enhancement through the normal process.

Kansas State University Extension Systems and Agricultural Research Programs—4-H Micromanagement

Sections 103(d) and 104(d) have been line-item vetoed in their entirety.

These sections would prohibit any expenditures by Kansas State University or Kansas State University Extension Systems and Agricultural Research Programs that would require participants to wear face coverings or have a COVID-19 vaccination to participate in any 4-H organization, unit, event, or activity. Most children eligible to participate in 4-H are not eligible to receive the COVID-19 vaccine, much less be required to take it. During the pandemic, many involved in 4-H have demonstrated commitment and leadership in protecting the health of their communities and family and we should commend them for their efforts.

Kansas Highway Patrol—Aircraft Trade-In and Purchase of Single-Engine Aircraft

Sections 121(a) and 121(f) have been line-item vetoed in their entirety.

This section requires the Kansas Highway Patrol to trade in two aircraft and allows it to purchase one aircraft. My budget provided comprehensive funding for Kansas Highway Patrol aircraft. This section does not. I encourage the Legislature to work with the administration to find comprehensive funding to address this needed enhancement, including the possibility of using one-time federal funding.

Kansas Highway Patrol—Capitol Police and State Troopers Pay Parity

Section 122(h) has been line-item vetoed in its entirety.

This measure would require the Kansas Highway Patrol to make expenditures to provide salary and wage parity between the Capitol Police and State Troopers. We should respect the Kansas Highway Patrol’s request to address this issue internally.

Section 140—2% Cut if Performance Based Budget Objectives Are Not Met

Section 140 has been line-item vetoed in its entirety.
This section would implement a complex and unnecessary system for ensuring that state agencies are following K.S.A. 75-3718(b). As the former Ranking Member of the Senate Ways and Means Committee, I know first-hand the importance of making budgeting decisions based on the effectiveness of state programs and services. State Agencies already provide annual performance-based budgets for consideration during the budgeting process. Although steps to continually improve agency data and metrics are important, attaching these efforts to substantial punitive budget cuts are dangerous and counterproductive. I will not sign a provision that would put critical state services like K-12 public schools at risk of a 2% cut. Any individual issues with the quantity or quality of information provided should be addressed internally. I will continue to be committed to ensuring that both the administration and the Legislature have the information needed to make informed budget decisions.

Section 141—Prohibiting Expenditures to Issue or Enforce Statewide Mask Mandate

This section would prohibit any expenditures to issue or enforce a statewide mask mandate. This proviso is unnecessary considering the significant changes made to the Kansas Emergency Management Act in Senate Bill 40. There are already enough avenues for the legislature—and even private citizens—to challenge or overturn public health measures such as mask mandates, which reduce the spread of the coronavirus, reduce hospitalizations, and save lives.

Section 142—E-verify Provisions

This section would require state agencies and some bidders, contractors, or employers who contract with the state to participate in E-verify beginning in fiscal year 2022 and ending June 30, 2023. Although I welcome policies to help improve oversight and accountability for state operations and contracts, blanket policy changes to the state’s administrative processes should be fully vetted by stakeholders, legislators, and the public through the traditional legislative process.

Section 143—Unemployment Insurance Modernization Request for Proposal Restrictions

This issue has already been addressed in House Bill 2196, which I signed on the same day that I signed this bill. House Bill 2196 establishes comprehensive oversight measures regarding unemployment system modernization efforts and avoids the undue and harmful delay in modernizing our unemployment insurance system that this section would cause.

Kansas Board of Regents—State University Capital Renewal Initiative

This section would provide $10,292,230 for the State University Capital Renewal Initiative. This funding is equivalent to the funding that was included in the budget to be used at the discretion of the Kansas Board of Regents. While I provided discretion to the Board of Regents on the use of this funding, the amount was calculated based on the share that the Regents System would receive if all state employees received a 2.5% salary and wage adjustment and not as a bond service payment on deferred maintenance. Although investments to address infrastructure issues are critically important, this specific state appropriation should be included with pay increases for state employees as intended. The Kansas Board of Regents should utilize federal funds
to pay for deferred maintenance.

A motion was made that, notwithstanding the Governor's objection, the line item veto Section 30(c) be reconsidered.

By a vote of 86 Yeas and 38 Nays, the motion having received the required two-thirds constitutional majority vote of the members elected or appointed to the House of Representatives, voting in the affirmative, the line item did pass.

There being no motion on the remaining line items, those vetoes were sustained.

The roll was called with 39 senators present.

Invocation by Reverend Cecil T. Washington:

The Final Adjournment; The Leave To Go Home!

Lord, as we gather today, we’re coming back from a break, and we’re looking at the conclusion of this session. Thank You for permitting us to serve, to serve You while serving others. Thanks for bringing us together, even though there were times we didn’t appear to be together. Only You could create harmony when facing so many obstacles, so many grounds for discord. Thank You for Your faithfulness, Your patience and Your willingness to look beyond our faults to meet our needs.

As we now look to suspend the events in these halls, we’ll turn toward other concerns that need our attention. But keep us mindful that we’re not to adjourn from serving or representing You. For You said in Romans 13:1-9, that all authority comes from and is accountable to You, that there is no adjournment from the responsibility to love one another Lord.

The term “Sine Die” comes from the Latin sine, meaning “without” and die, meaning “day.” We’re coming now to a time of adjournment, without a specified day to come back together. In a like-manner, Lord, we all face a final Sine Die, a final adjournment, looking forward to an unspecified day when You will dismiss us from our labors on this earth and prayerfully we’ll be ready to come together with You. In the gospel of Matthew 25:1-13, You give us the parable of 10 that were facing their finish. Only half of them, were ready, ready for You to receive them.

Lord, after all is said and done, when we face our final sine die, we want to be ready! Bring us on home to be with You. I lift this prayer, in the precious Name of Jesus! Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

MESSAGE FROM THE GOVERNOR

REGARDING VETO OF SENATE BILL 29

May 20, 2021

We already know that the solution to provide health care for 165,000 Kansans, bring thousands of jobs to our state, save small businesses money, and inject millions into our economy is to expand Medicaid.

Junk insurance – which does not cover pre-existing conditions or provide consumer protections – is just that: “junk.” Signing this bill would cause more Kansas families to go bankrupt over medical bills. If the Legislature wants to get serious about improving access to health care, they should join 38 other states and the District of Columbia and pass Medicaid expansion. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 29.

MESSAGE FROM THE GOVERNOR

REGARDING SENATE BILL 159

May 21, 2021

Senate Bill 159, this session’s omnibus budget bill, makes many important investments in our state. But as with many omnibus budget bills, not every appropriation included is necessary or appropriate. Therefore, pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return Senate Bill 159 with my signature approving the bill, except for the item enumerated below.

$500,000 from the State General Fund to the University of Kansas Medical Center for clinical trials on a COVID-19 treatment using MSCTC-0010 cells developed at the Midwest Stem Cell Therapy Center

Section 46(a) has been line-item vetoed in its entirety.

This section provides $500,000 to the University of Kansas Medical Center to conduct clinical trials for a COVID-19 treatment using MSCTC-0010 cells developed at the Midwest Stem Cell Therapy Center. During debate on the Senate’s original budget, contained in Substitute for Senate Bill 267, an amendment to add this funding was wisely withdrawn. The medical experts who lead the research associated with this proviso have clearly and plainly communicated to the Legislature that such a clinical trial would not be realistic or even feasible given the timeframe and funding provided. A 2018 article in the Journal of the American Medical Association found that the average cost of a clinical trial is $19 million, with the total cost of developing a new drug closer to $2 to $3 billion. Given those realities and the proven effectiveness of COVID-19 vaccines and treatments that are now widely available, we should focus our efforts on increasing the number of Kansans who are vaccinated so that we can prevent infections, severe illnesses, and deaths. We should listen to those with knowledge of how clinical
trials work when they tell us that the proposal outlined in this proviso is unrealistic and unneeded, and we should focus on saving lives by expediting vaccinations for as many Kansans as possible throughout the state.

MESSAGE FROM THE GOVERNOR
REGARDING VETO OF SENATE BILL 273
May 21, 2021

The COVID-19 pandemic has presented many challenges for Kansas businesses over the last year, and my administration has been committed to doing all we can to support their continued pandemic recovery efforts through the Strengthening People and Revitalizing Kansas (“SPARK”) Taskforce. The SPARK process brings together business, legislative, and community leaders from across the state to collaborate on data-driven, innovative investments using federal relief dollars. All recovery initiatives should go through the transparent, federally compliant, bipartisan, and efficient process we have already established through the SPARK Taskforce. SB 273 is well-intentioned, but it violates federal rules for the use of American Rescue Plan Act (“ARPA”) funds that prevent the state from placing conditions or requirements on local governments’ use of ARPA funds.

SB 273 also fails to comply with federal rules that prohibit using ARPA funds to resolve potential legal claims against state or local governments. I am committed to working with the SPARK Taskforce to develop relief programs that comply with federal requirements to ensure that our economy emerges from this pandemic stronger and more agile than ever. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 273.

“The Kansas Constitution endows our state Board of Education with the authority to set the curriculum for our public schools. We should let the state Board of Education do
that job, not the Legislature. This is legislative overreach. Should the Legislature wish to modify curriculum, I encourage the Legislature to collaborate with the State Board of Education.

INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS

The following concurrent resolution was introduced and read by title:

SENATE CONCURRENT RESOLUTION No. 1616—

By Senators Masterson and Wilborn

A CONCURRENT RESOLUTION urging the Governor of the State of Kansas to end Federal Pandemic Unemployment Compensation to ensure that businesses do not have to compete with the federal government in attempts to fill thousands of open positions.

WHEREAS, Kansas continues to operate three federal pandemic-related unemployment programs, including weekly Federal Pandemic Unemployment Compensation, in addition to benefits provided by the state's traditional unemployment insurance program, with the original justification for these expansions being that individuals needed additional benefits because of the COVID-19 pandemic, and those individuals could not work; and

WHEREAS, The economy of the State of Kansas has now dramatically recovered from the COVID-19 pandemic as evidenced by the 3.5% unemployment rate, which is lower than the state's average unemployment rate from 2016 to 2019, according to the U.S. Bureau of Labor Statistics, and at least 73,000 open jobs are currently available in the state; and

WHEREAS, Employers are struggling to find workers to fill these jobs as a result of the disincentive created by government benefits that, including unemployment benefits, currently total $44,756 on an annualized basis, while the median wage in Kansas is $38,667; and

WHEREAS, In 2019, the maximum allowed duration of unemployment benefits was
16 weeks, while the Kansas Department of Labor reports that individuals can now receive unemployment benefits for up to 79 weeks; and

WHEREAS, Governor Kelly's administration has instructed Kansas unemployment recipients to answer "yes" when asked if they looked for work, even if they have not looked for work, discouraging employment while promoting deceptive conduct; and

WHEREAS, Fraud is now pervasive in the unemployment compensation program as a result of program expansions, with one in four claims being identified or reported as fraudulent in 2020 according to the Kansas Legislative Division of Post Audit, resulting in Kansas paying out more than $600 million in fraudulent claims this past year; and

WHEREAS, It is well within this state's prerogative to end its participation in federal pandemic-related unemployment programs, with appropriate notice to the U.S. Department of Labor, as 23 other states have done as of May 26, 2021: Now, therefore,

Be it resolved by the Senate of the State of Kansas, the House of Representatives concurring therein: That the State of Kansas urges the Governor of the State of Kansas to help Kansas businesses attract and retain the employees they desperately need, spur further economic recovery and growth in Kansas and immediately give formal notice to the U.S. Department of Labor that Kansas will be withdrawing from participation in all federal pandemic-related unemployment benefits programs; and

Be it further resolved: That the Secretary of State shall send an enrolled copy of this resolution to the chairperson of the Legislative Coordinating Council.

President Masterson moved to advance SCR 1616 to final action, subject to amendment, debate, and roll call. Motion carried.
