Proponet to HB2498

Dear Madam Chair Landwehr and the House Committee on Health and Human Services,

I am writing today to let you know that our household is NOT for the requirement of the covid 19 jab to anyone, let alone to our children, just to be allowed to go to school or daycare, ect! It is UNCONSTITUTIONAL in every aspect to require a vax!! For ANYONE!! We were founded on FREEDOM of CHOICE! That is what makes us AMERICA, the Land of the FREE!

I urge you to be on the RIGHT side of HISTORY during this time! Be on the side of the AMERICAN PEOPLE that believe in our CONSTITUTION and our RIGHT to CHOOSE!!

Thank You for your time!

Sincerely,

Jamie Kurzen
