

February 18, 2021

The Honorable Joe Seiwert, Chairperson
House Committee on Energy, Utilities and Telecommunications
Statehouse, Room 481B-W
Topeka, Kansas 66612

Dear Representative Seiwert:

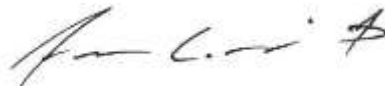

SUBJECT: Fiscal Note for HB 2330 by House Committee on Energy, Utilities and Telecommunications

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2330 is respectfully submitted to your committee.

HB 2330 would amend existing law concerning electric public utilities to authorize certain sales of electricity pursuant to power purchase agreements and exempt such sales from the Retail Electric Suppliers Act and certain renewable energy suppliers from public utility regulation. The bill would amend the definition of “customer-generator,” as used in the Net Metering and Easy Connection Act to include a person that contracts with an owner or operator under the provisions of the bill.

According to the Kansas Corporation Commission, enactment of HB 2330 would have no fiscal effect on the agency.

Sincerely,

Adam Proffitt
Director of the Budget
