of officers at such election.

(4) For question submitted elections not occurring on the date of a
primary or general election, between the time of the first published notice
thereof and the Tuesday of the week preceding such question submitted
election, except that if the question submitted election is held on a day
other than a Tuesday, the final date for mailing of advance voting ballots
shall be one week before such election.

(5) For any special election of officers, at such time as is specified by
the secretary of state.

The county election officer of any county may receive applications
prior to the time specified in this subsection and hold such applications
until the beginning of the prescribed application period. Such applications
shall be treated as filed on that date.

(g) Unless an earlier date is designated by the county election office,
applications for advance voting ballots transmitted to the voter in person in
the office of the county election officer shall be filed on the Tuesday next
preceding the election and on each subsequent business day until no later
than between 10 days prior to such election and 12 noon on the day
preceding such election. If the county election officer so provides,
applications for advance voting ballots transmitted to the voter in person in
the office of the county election officer also may be filed on the Saturday
preceding the election. Upon receipt of any such properly executed
application, the county election officer shall deliver to the voter such
ballots and instructions as are provided for in this act.

temporary illness or disability or who is not proficient in reading the
English language or by a person rendering assistance to such voter may be
filed during the regular advance ballot application periods until the close
of the polls on election day.

The county election officer may designate places other than the central
county election office as satellite advance voting sites. At any satellite
advance voting site, a registered voter may obtain an application for
advance voting ballots. Ballots and instructions shall be delivered to the
voter in the same manner and subject to the same limitations as otherwise
provided by this subsection.

(h) Any person having a permanent disability or an illness that has
been diagnosed as a permanent illness is hereby authorized to make an

permanent advance voting status.

(i) On receipt of any application filed under the provisions of this
section, the county election officer shall prepare and maintain in such
officer's office a list of the names of all persons who have filed such
applications, together with their correct post office address and the
precinct, ward, township or voting area in which the persons claim to be
registered voters or to be authorized by law to vote as former precinct
residents and the present resident address of each applicant. Names and
addresses shall remain so listed until the day of such election. The county
election officer shall maintain a separate listing of the names and addresses
of persons qualifying for permanent advance voting status. All such lists
shall be available for inspection upon request in compliance with this
subsection by any registered voter during regular business hours. The
county election officer upon receipt of the applications shall enter upon a
record kept by such officer the name and address of each applicant, which
record shall conform to the list above required. Before inspection of any
advance voting ballot application list, the person desiring to make the
inspection shall provide to the county election officer identification in the
form of driver's license or other reliable identification and shall sign a log
book or application form maintained by the officer stating the person's
name and address and showing the date and time of inspection. All records
made by the county election officer shall be subject to public inspection,
except that the voter identification information required by subsections (b)
and (c) and the identifying number on ballots and ballot envelopes and
records of such numbers shall not be made public.

(j) If a person on the permanent advance voting list fails to vote in
four consecutive general elections held on the Tuesday succeeding the first
Monday in November of each even-numbered and odd-numbered year, the
county election officer may mail a notice to such voter. The notice shall
inform the voter that the voter's name will be removed from the permanent
advance voting list unless the voter renews the application for permanent
advance voting status within 30 days after the notice is mailed. If the voter
fails to renew such application, the county election officer shall remove the
voter's name from the permanent advance voting list. Failure to renew the
application for permanent advance voting status shall not result in removal
of the voter's name from the voter registration list.

(k) (1) Any person who solicits by mail a registered voter to file an
application for an advance voting ballot and includes an application for an
advance voting ballot in such mailing shall include on the exterior of such

provided by the secretary of state. No portion of such application shall be
completed prior to mailing such application to the registered voter.

(3) An application for an advance voting ballot shall include an
envelope addressed to the appropriate county election office for the
mailing of such application. In no case shall the person who mails the

information concerning elections and voting procedures by federal law.

(5) A violation of this subsection is a class C nonperson
misdemeanor.

(l) (1) No person shall mail or cause to be mailed an application for
an advance voting ballot, unless such person is a resident of this state or is
otherwise domiciled in this state.

(2) Any individual may file a complaint in writing with the attorney

(c) The county election officer shall compare the driver's license
number, nondriver's identification card number or copy of other valid
identification provided by a voter to the voter registration list verified by
the division of vehicles in accordance with federal law. If no identification
information was provided by the voter or if such information does not
match the information on the voter registration list, the county election
officer shall transmit a provisional advance voting ballot.

Sec. 4. K.S.A. 25-1128 is hereby amended to read as follows: 25-

and amendments thereto. If returning an advance voting ballot by mail, a
voter shall mail such ballot using the United States postal service or any
other delivery service that provides the voter with a receipt indicating that
the ballot was mailed and allowing the voter to verify that the ballot was

such person designated by the voter shall sign a statement in accordance
with K.S.A. 25-2437, and amendments thereto.
