Be it enacted by the Legislature of the State of Kansas:

New Section 1. The provisions of sections 1 through 17, and amendments thereto, shall be known as and may be cited as the golden years homestead property tax freeze act. The purpose of this act shall be to provide refunds arising from increased ad valorem tax assessments to: (a) Certain persons who are of qualifying age and who own their homesteads; or (b) certain persons who have a disability as a result of military service and who own their homesteads.

New Sec. 2. As used in sections 1 through 17, and amendments thereto:

(a) "Act" means the golden years homestead property tax freeze act.
(b) "Base year" means the year in which an individual becomes an eligible claimant and who is also eligible for a claim for refund pursuant to section 16, and amendments thereto. For any individual who would otherwise be an eligible claimant prior to 2019 2021, such base year shall be deemed to be 2019 2021 for the purposes of this act. In the event an individual is no longer an eligible claimant under this act, the individual shall establish a new base year in the year that the individual becomes an eligible claimant.
(c) "Claimant" means a person who has filed a claim under the provisions of this act and was, during the entire calendar year preceding
the year in which such claim was filed for refund under this act, except as
provided in section 3, and amendments thereto, both domiciled in this state
and was: (1) A person who is 65 years of age or older; or (2) a disabled
veteran. The surviving spouse of a person 65 years of age or older or a
disabled veteran who was receiving benefits pursuant to this section at the
time of the claimant's death, shall be eligible to continue to receive
benefits until such time the surviving spouse remarries.

(d) "Disabled veteran" means a person who is a resident of Kansas
and has been honorably discharged from active service in any branch of
the armed forces of the United States or the Kansas national guard and
who has been certified by the United States department of veterans affairs
or its successor to have a 50% or greater permanent disability sustained
through military action or accident or resulting from a disease contracted
while in such active service.

(e) "Homestead" means the dwelling, or any part thereof, owned and
occupied as a residence by the household and so much of the land
surrounding it, as defined as a home site for ad valorem tax purposes, and
may consist of a part of a multi-dwelling or multi-purpose building and a
part of the land upon which it is built or a manufactured home or mobile
home and the land upon which it is situated. "Owned" includes one or
more joint tenants or tenants in common.

When a homestead is occupied by two or more individuals and more
than one of the individuals is able to qualify as a claimant, the individuals
may determine between them as to who the claimant will be. If they are
unable to agree, the matter shall be referred to the secretary of revenue,
whose decision shall be final.

(f) "Household" means a claimant, a claimant and spouse who occupy
the homestead or a claimant and one or more individuals not related as
married individuals who together occupy a homestead.

(g) "Household income" means all income received by all persons of
a household in a calendar year while members of such household.

(h) "Income" means the sum of adjusted gross income under the
Kansas income tax act effective for tax year 2020-2022, and tax years
thereafter, without regard to any maintenance, support money, cash public
assistance and relief, not including any refund granted under this act, the
gross amount of any pension or annuity, including all monetary retirement
benefits from whatever source derived, including, but not limited to, all
payments received under the railroad retirement act, except disability
payments, payments received under the federal social security act, except
that for determination of what constitutes income, such amount shall not
exceed 50% of any such social security payments and shall not include any
social security payments to a claimant who, prior to attaining full
retirement age, had been receiving disability payments under the federal
social security act in an amount not to exceed the amount of such disability
payments or 50% of any such social security payments, whichever is
greater, all dividends and interest from whatever source derived not
included in adjusted gross income, workers compensation and the gross
amount of loss of time insurance. Income does not include gifts from
nongovernmental sources or surplus food or other relief in kind supplied
by a governmental agency, nor shall net operating losses and net capital
losses be considered in the determination of income. Income does not
include veterans disability pensions or disability payments received under
the federal social security act.

(i) "Property taxes accrued" means property taxes, exclusive of
special assessments, delinquent interest and charges for service, levied on
a claimant's homestead in 2019 2021 or any calendar year thereafter by the
state of Kansas and the political and taxing subdivisions of the state. When
a homestead is owned by two or more persons or entities as joint tenants or
tenants in common and one or more of the persons or entities is not a
member of the claimant's household, "property taxes accrued" is that part
of property taxes levied on the homestead that reflects the ownership
percentage of the claimant's household. For purposes of this act, property
taxes are levied when the tax roll is delivered to the local treasurer with the
treasurer's warrant for collection. When a claimant and household own
their homestead for only a part of a calendar year, "property taxes accrued"
means only taxes levied on the homestead when both owned and occupied
as a homestead by the claimant's household at the time of the levy,
multiplied by the percentage of 12 months that the property was owned
and occupied by the household as its homestead in that year. When a
household owns and occupies two or more different homesteads in the
same calendar year, property taxes accrued shall be the sum of the taxes
allocable to those several properties while occupied by the household as its
homesteads during the year. Whenever a homestead is an integral part of a
larger unit such as a multi-purpose or multi-dwelling building, property
taxes accrued shall be that percentage of the total property taxes that is
equal to the percentage of the value of the homestead compared to the total
unit's value. For the purpose of this act, the word "unit" refers to that
parcel of property covered by a single tax statement of which the
homestead is a part.

New Sec. 3. The right to file a claim under this act may be exercised
on behalf of a claimant by such person's legal guardian, conservator or
attorney-in-fact. When a claimant dies after having filed a timely claim,
the amount thereof shall be disbursed to another member of the household
as determined by the director of taxation. If the claimant was the only
member of such person's household, the claim may be paid to such
person's executor or administrator, but if neither is appointed and qualified,
the amount of the claim may be paid upon a claim duly made to any heir at law. In the absence of any such claim within two years of the filing of the claim, the amount of the claim shall escheat to the state. When a person who would otherwise be entitled to file a claim under the provisions of this act dies prior to filing such claim, another member of such person's household may file such claim in the name of such decedent, subject to the deadline prescribed by section 5, and amendments thereto, and the director shall pay the amount to which the decedent would have been entitled to such person filing the claim. If the decedent was the only member of such person's household, the decedent's executor or administrator may file such claim in the name of the decedent, and the claim shall be paid to the executor or administrator. In the event that neither an executor or administrator is appointed and qualified, such claim may be made by any heir at law and the claim shall be payable to such heir at law. Any of the foregoing provisions shall be applicable in any case where the decedent dies in the calendar year preceding the year in which a claim may be made under the provisions of this act, if such decedent was a resident of or domiciled in this state during the entire part of such year that such decedent was living. Where the decedent's death occurs during the calendar year preceding the year in which a claim may be made, the amount of the claim that would have been allowable if the decedent had been a resident of or domiciled in this state the entire calendar year of such person's death shall be reduced in a proportionate amount equal to a fraction of the claim otherwise allowable, the numerator of which fraction is the number of months in such calendar year following the month of the decedent's death, and the denominator of which is 12.

New Sec. 4. A claimant may claim property tax relief under this act with respect to property taxes accrued and, after audit by the director of taxation with respect to this act, the allowable amount of such claim shall be paid, except as otherwise provided in sections 6, 15 and 17, and amendments thereto, to the claimant from the income tax refund fund upon warrants of the director of accounts and reports pursuant to vouchers approved by the director of taxation or by any person designated by the claimant, but no warrant issued shall be drawn in an amount of less than $5. No interest shall be allowed on any payment made to a claimant pursuant to this act.

New Sec. 5. Except as provided in section 14, and amendments thereto: (a) For tax year 2020, no claim shall be paid or allowed unless such claim is filed with and in the possession of the department of revenue on or before April 15, 2022; and (b) for tax year 2021, and all tax years thereafter, no claim in respect of property taxes levied in any year shall be paid or allowed unless such claim is filed with and in the possession of the department of revenue on or before April 15 of the year next succeeding
the year in which such taxes were levied.

New Sec. 6. The amount of any claim otherwise payable under this act may be applied by the director of taxation against any liability outstanding on the books of the department of revenue against the claimant, or against any other individual who was a member of such person's household in the year that the claim relates.

New Sec. 7. Only one claimant per household per year shall be entitled to relief under this act.

New Sec. 8. (a) Commencing in tax year 2022, and all tax years thereafter, the amount of any claim pursuant to this act shall be computed by deducting the homestead ad valorem tax amount in the tax year the refund is sought from the amount of a claimant's base year homestead ad valorem tax amount.

(b) The amount of claim shall be computed only to the nearest $1.

(c) A taxpayer shall not be eligible for a claim pursuant to this act if such taxpayer has received for such property for such tax year either: (1) A homestead property tax refund pursuant to K.S.A. 79-4501 et seq., and amendments thereto; or (2) the selective assistance for effective senior relief (SAFESR) credit pursuant to K.S.A. 79-32,263, and amendments thereto.

(d) The maximum amount of a claim that may be claimed by a claimant in any one tax year pursuant to this act shall be $2,500.

New Sec. 9. (a) In administering this act, the director of taxation shall make available suitable forms with instructions for claimants. Copies of such forms shall also be made available to all county clerks and county treasurers in sufficient numbers to supply claimants residing in their respective counties. It shall be the duty of the county clerk to assist any claimant seeking assistance in the filing of a claim under the provisions of this act. The county treasurer of each county shall mail to each taxpayer, with the property tax statement of such taxpayer, information on eligibility for relief under this act to be provided by the secretary of revenue.

(b) The secretary of revenue is hereby authorized to adopt such rules and regulations as may be necessary for the administration of the provisions of this act.

New Sec. 10. (a) Every claimant under this act shall supply to the director of taxation, in support of a claim, reasonable proof of age and changes of homestead, household membership, household income, household assets and size and nature of property claimed as the homestead.

(b) Every claimant who is a homestead owner, or whose claim is based wholly or partly upon homestead ownership at some time during the calendar year, shall supply to the director of taxation, in support of a claim, the amount of property taxes levied upon the property claimed as a
homestead and a statement that the property taxes accrued used for purposes of this act have been or will be paid by the claimant. Upon request by the director, such claimant shall provide a copy of the statement of property taxes levied upon the property claimed as a homestead. The amount of personal property taxes levied on a manufactured home or mobile home shall be set out on the personal property tax statement showing the amount of such tax as a separate item.

(c) The information required to be furnished under subsection (b) shall be in addition to that required under subsection (a).

New Sec. 11. In any case in which it is determined that a claim is or was excessive and was filed with fraudulent intent, the claim shall be disallowed in full, and, if the claim has been paid, the amount paid may be recovered by assessment as income taxes are assessed, and such assessment shall bear interest from the date of payment or credit of the claim, until recovered, at the rate of 1% per month. The claimant in such case and any person who assisted in the preparation or filing of such excessive claim, or supplied information upon which such excessive claim was prepared, with fraudulent intent, shall be guilty of a class B misdemeanor. In any case in which it is determined that a claim is or was excessive and was negligently prepared, 10% of the corrected claim shall be disallowed, and, if the claim has been paid, the proper portion of any amount paid shall be similarly recovered by assessment as income taxes are assessed, and such assessment shall bear interest at the rate of 1% per month from the date of payment until recovered. In any case in which it is determined that a claim is or was excessive due to the fact that the claimant neglected to include certain income received during the year, the claim shall be corrected and the excess disallowed, and, if the claim has been paid, the proper portion of any amount paid shall be similarly recovered by assessment as income taxes are assessed.

New Sec. 12. No claim for relief under the provisions of this act shall be allowed to any claimant who is a recipient of public funds specifically designated for the payment of taxes during the period for which the claim is filed.

New Sec. 13. A claim shall be disallowed if the director of taxation finds that the claimant received title to such person's homestead primarily for the purpose of receiving benefits under this act.

New Sec. 14. For claims in respect to property taxes levied in any year, the director of taxation may extend the time for filing any claim or accept a claim filed after the filing deadline when good cause exists, if the claim has been filed within four years of the deadline.

New Sec. 15. (a) The director of taxation shall issue to the county clerk by October 1 of each year an electronic record containing the name of each eligible claimant who received a refund of property taxes under
this act for the prior year.

(b) When initially filing a claim under this act, the claimant shall be
given an election to receive such refund directly from the director of
taxation or have such refund applied to the claimant's ad valorem taxes in
the county. The claimant shall make the election on a form supplied by the
director of taxation. Such refund shall not be applied to any special
assessment.

(c) After the electronic record under subsection (a) has been received
from the director of taxation, the county clerk of the county in which the
property is located shall make any corrections needed, if any, based upon
information known by the county clerk concerning any change in
eligibility of any claimant listed in such record. After any needed
corrections have been made to the electronic record, the county clerk, on
behalf of each claimant listed in such record, shall certify the information
contained in such record to the county treasurer in lieu of paying that
portion of the first half of taxes on the claimant's homestead in the current
year, which equals the amount of the golden years homestead property tax
freeze refund received by the claimant for taxes levied in the preceding
year up to the amount of the first half of the property taxes due.

(d) The county treasurer shall certify and return the electronic record
referred to in subsection (a), including any changes made by the county
clerk pursuant to subsection (c), to the director of taxation by December 31
of each year. After receiving a claim of any claimant who is listed in the
electronic record submitted by the county treasurer, the director shall
examine the same, and, if the claim is valid, the director of accounts and
reports shall draw a warrant in favor of the county in which the claimant's
homestead is located upon a voucher approved by the director of taxation
in the amount of the allowable claim for refund. Sufficient information to
identify the claimant shall be directed to the county treasurer with each
warrant. Any taxes levied in any year on the homestead of any claimant
who has obtained the eligibility herein provided for in excess of the
amount paid to the county by the state and by the claimant on or before
December 20 of such year shall be paid by the claimant on or before May
10 of the succeeding year.

(e) For the purposes of this section, "electronic record" means the
same as defined in K.S.A. 16-1602, and amendments thereto.

New Sec. 16. A claimant shall only be eligible for a claim for refund
under this act if: (a) The household income for the year in which the claim
is filed is $75,000 or less; and (b) the appraised value of the homestead for
the base year is $485,000 or less. In the case of all tax years commencing
after December 31, 2022, the upper limit household income
threshold amount prescribed in this subsection shall be increased by an
amount equal to such threshold amount multiplied by the cost-of-living
adjustment determined under section 1(f)(3) of the federal internal revenue
code for the calendar year in which the taxable year commences.

New Sec. 17. If there are delinquent property taxes on the claimant's
homestead, the refund shall be paid to the county treasurer of the county in
which such homestead is located and applied first to the oldest of such
delinquent property taxes and applied forward to the most recent
delinquent property taxes and then to any other property taxes due on the
claimant's homestead.

New Sec. 18. K.S.A. 79-4501 through 79-4531 and 79-32,263, and
amendments thereto, and sections 1 through 18, and amendments thereto,
shall be collectively known and may be cited as the golden years
homestead property tax freeze program.

(a) (1) Each individual required to file a federal income tax return and any other individual whose gross income exceeds the sum of such individual's applicable Kansas standard deduction amount and Kansas personal exemption amount shall each make and sign a return or statement stating specifically such items as are required by the forms and rules and regulations of the secretary of revenue. If any individual is unable to make a return, the return shall be made by a duly authorized agent or by the guardian or other person charged with the care of the person or property of such taxpayer. Notwithstanding any provision of the Kansas income tax act to the contrary, all individuals not required to file a Kansas income tax return hereunder shall not be liable for any tax imposed pursuant to such act.

(2) In accordance with the provisions of K.S.A. 75-5151a, and amendments thereto, an individual who is required to file a return may file such return by electronic means in a manner approved by the secretary of revenue. A paid preparer who prepares 50 or more returns per year shall file by electronic means not less than 90% of such returns eligible for electronic filing. The requirements of this subsection may be waived by the secretary of revenue for a paid preparer if the paid preparer demonstrates a hardship in complying with the requirements of this subsection.

(3) For purposes of this subsection, a nonresident individual or fiduciary whose only source of income from this state is income from an electing pass-through entity under the salt parity act shall not be required to file a return.
(b) Every corporation subject to taxation under this act, including, but not limited to, all farmers, fruit growers, or like associations organized and operated on a cooperative basis, except electric cooperative exclusively engaged in the manufacture or distribution of electric power for their members, shall make a return, or statement stating specifically such items as may be required by the forms and regulations of the secretary of revenue. The return shall be signed by the president, vice-president, treasurer, assistant treasurer, chief accounting officer, or any other officer so authorized to act. The fact that an individual's name is signed on a return shall be prima facie evidence that such individual is authorized to sign such return on behalf of such corporation. In cases where receivers, trustees in bankruptcy or assignees are operating the property or business of corporations, such receivers, trustees, or assignees shall make returns for such corporations in the same manner and form as corporations are required to make returns. Any tax due on the basis of such returns shall be collected in the same manner as if collected from the corporation for which the return is made.

(a) The amount of income tax paid to another state by a resident individual, resident estate or resident trust on income derived from sources in another state, and included in Kansas adjusted gross income, shall be allowed as a credit against the tax computed under the provisions of this act. Such credit shall not be greater in proportion to the tax computed under this act than the Kansas adjusted gross income for such year derived in another state while such taxpayer is a resident of this state is to the total Kansas adjusted gross income of the taxpayer. As used in this subsection, "state" shall have the meaning ascribed thereto means the same as defined by subsection (h) of K.S.A. 79-3271(i),
and amendments thereto. The credit allowable hereunder for income tax paid to a foreign country or political subdivision thereof shall not exceed the difference of such income tax paid less the credit allowable for such income tax paid by the federal internal revenue code. No redetermination of income tax paid for the purposes of determining the credit allowed by this subsection shall be required for the taxable year for which an income tax refund payment pursuant to the provisions of section 18 of article 10 of the Missouri constitution is made, but the income tax paid allowable for credit in the next following taxable year shall be reduced by the amount of such refund amount, except that, for tax year 1998, the income tax paid allowable for credit shall be reduced by the amount of such refunds made for all taxable years prior to tax year 1998.

Sec. 27. K.S.A. 2021 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. tax benefit shall be deemed to have resulted if the amount of the tax had
been deducted in determining income subject to a Kansas income tax for
a prior year regardless of the rate of taxation applied in such prior year
to the Kansas taxable income, but only that portion of the refund shall
be included as bears the same proportion to the total refund received as
the federal taxes deducted in the year to which such refund is

Sec. 29. K.S.A. 2021 Supp. 79-32,138 is hereby amended to read as follows: 79-32,138. (a) Kansas taxable income of a corporation taxable under this act shall be the corporation's federal taxable income for the taxable year with the modifications specified in this section, except that in determination of such federal taxable income for all taxable years commencing after December 31, 2020, section 118 of the federal internal revenue code of 1986 shall be applied as in effect on December 21, 2017.

(b) There shall be added to federal taxable income:

(i) The same modifications as are set forth in K.S.A. 79-32,117(b), and amendments thereto, with respect to resident individuals, except subsections (b)(xix), (b)(xx), (b)(xxi), (b)(xxii) and (b)(xxiii);

(iii) the amount of any charitable contribution deduction claimed for any contribution or gift to or for the use of any racially segregated educational institution;

(iv) for taxable years commencing December 31, 2013, that portion of the amount of any expenditure deduction claimed in determining federal adjusted gross income for expenses paid by a taxpayer for health care when such expenses were paid or incurred for abortion coverage, a health benefit plan, as defined in K.S.A. 65-6731, and amendments thereto, when such expenses were paid or incurred for abortion coverage or amounts contributed to health savings accounts for such taxpayer's employees for the purchase of an optional rider for coverage of abortion in accordance with K.S.A. 40-2,190, and amendments thereto;

(v) the amount of any charitable contribution deduction claimed for any contribution or gift made to a scholarship granting organization to the extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 72-4357, and amendments thereto;
(vi) the federal net operating loss deduction; and
(vii) for all taxable years commencing after December 31, 2020, the amount of any deduction claimed under section 250(a)(1)(B) of the federal internal revenue code of 1986; and
(viii) for taxable years commencing after December 31, 2021, an amount equal to the electing pass-through entity owner's distributive share of the electing pass-through entity's losses attributable to the state that are taxed pursuant to the provisions of the salt parity act.

c) There shall be subtracted from federal taxable income:
(i) The same modifications as are set forth in K.S.A. 79-32,117(c), and amendments thereto, with respect to resident individuals, except subsection (c)(xx);
(ii) the federal income tax liability for any taxable year commencing prior to December 31, 1971, for which a Kansas return was filed after reduction for all credits thereon, except credits for payments on estimates of federal income tax, credits for gasoline and lubricating oil tax, and for foreign tax credits if, on the Kansas income tax return for such prior year, the federal income tax deduction was computed on the basis of the federal income tax paid in such prior year, rather than as accrued. Notwithstanding the foregoing, the deduction for federal income tax liability for any year shall not exceed that portion of the total federal income tax liability for such year which bears the same ratio to the total federal income tax liability for such year as the Kansas taxable income, as computed before any deductions for federal income taxes and after application of subsections (d) and (e) as existing for such year, bears to the federal taxable income for the same year;
(iv) for all taxable years commencing after December 31, 1987, the amount included in federal taxable income pursuant to the provisions of section 78 of the internal revenue code;
(v) 80% of dividends from corporations incorporated outside of the United States or the District of Columbia which are included in federal taxable income. As used in this paragraph, "dividends" includes amounts included in income under section 965 of the federal internal revenue code of 1986, net of the deduction permitted by section 965(c) of the federal internal revenue code of 1986. For all taxable years commencing after December 31, 2020, this paragraph does not apply to amounts excluded from income pursuant to K.S.A. 79-32,117(c)(xxvi), and amendments thereto, or amounts added back pursuant to K.S.A. 79-32,138(b)(vii), and amendments thereto; and
(vi) for all taxable years commencing after December 31, 2020, the
amount disallowed as a deduction pursuant to section 162(r) of the
federal internal revenue code of 1986, as in effect on January 1, 2018;
and
(vii) for taxable years commencing after December 31, 2021, an
amount equal to the electing pass-through entity owner's distributive share
of the electing pass-through entity's income attributable to the state that is
taxed pursuant to the provisions of the salt parity act.

(d) If any corporation derives all of its income from sources within
Kansas in any taxable year commencing after December 31, 1979, its
Kansas taxable income shall be the sum resulting after application of
subsections (a) through (c). Otherwise, such corporation's Kansas
taxable income in any such taxable year, after excluding any refunds of
federal income tax and before the deduction of federal income taxes
provided by subsection (c)(ii) shall be allocated as provided in K.S.A. 79-
3271 through 79-3293, and amendments thereto, plus any refund of
federal income tax as determined under K.S.A. 79-32,117(b)(iv), and
amendments thereto, and minus the deduction for federal income taxes
as provided by subsection (c)(ii) shall be such corporation's Kansas
taxable income.

(e) A corporation may make an election with respect to its first
taxable year commencing after December 31, 1982, whereby no addition
modifications as provided for in subsection (b)(ii) and subtraction

existed prior to their amendment by this act, shall be required to be made
for such taxable year.

Sec. 30. K.S.A. 2021 Supp. 79-32,143 is hereby amended to read as
follows: 79-32,143. (a) (1) (A) For net operating losses incurred in
taxable years prior to January 1, 2018, a net operating loss deduction
shall be allowed in the same manner that it is allowed under the federal
internal revenue code, except that such net operating loss may only be
carried forward to each of the 10 taxable years following the taxable
year of the net operating loss.

(B) For net operating losses incurred in taxable years beginning
after December 31, 2017, a net operating loss deduction shall be allowed
in the same manner that it is allowed under the federal internal revenue
code, except that such net operating loss deduction may only be carried
forward.

(2) For net operating farm losses, as defined by section 172 of the
federal internal revenue code, incurred in taxable years beginning after
December 31, 1999, a net operating loss deduction shall be allowed in
the same manner that it is allowed under the federal internal revenue
code except that such net operating loss may be carried forward to each
of the 10 taxable years following the taxable year of the net operating
(3) The amount of the net operating loss that may be carried back or forward for Kansas income tax purposes shall be that portion of the federal net operating loss allocated to Kansas under this act in the taxable year that the net operating loss is sustained.

(b) The amount of the loss to be carried back or forward will be the federal net operating loss after: (1) All modifications required under this act applicable to the net loss in the year the loss was incurred; and (2) after apportionment as to source in the case of corporations, nonresident individuals for losses incurred in taxable years beginning prior to January 1, 1978, and nonresident estates and trusts in the same manner that income for such corporations, nonresident individuals, estates and trusts is required to be apportioned.

(c) If a net operating loss was incurred in a taxable year beginning prior to January 1, 1988, the amount of the net operating loss that may be carried back and carried forward and the period for which it may be carried back and carried forward shall be determined under the provisions of the Kansas income tax laws that were in effect during the year that such net operating loss was incurred.

(d) If any portion of a net operating loss described in subsections (a) and (b) is not utilized prior to the final year of the carryforward period provided in subsection (a), a refund shall be allowable in such final year in an amount equal to the refund which would have been allowable in the taxable year the loss was incurred by utilizing the three year carryback provided under K.S.A. 79-32,143, as in effect on December 31, 1987, multiplied by a fraction, the numerator of which is the unused portion of such net operating loss in the final year, and the denominator of which is the amount of such net operating loss that could have been carried back to the three years immediately preceding the year in which the loss was incurred. In no event may such fraction exceed one.

(e) Notwithstanding any other provisions of the Kansas income tax act, the net operating loss as computed under subsections (a), (b) and (c) shall be allowed in full in determining Kansas taxable income or at the option of the taxpayer allowed in full in determining Kansas adjusted gross income.

(f) No refund of income tax that results from a net operating farm loss carry back shall be allowed in an amount exceeding $1,500 in any year. Any overpayment in excess of $1,500 may be carried forward to any year or years after the year of the loss and may be claimed as a credit against the tax. The refundable portion of such credit shall not exceed $1,500 in any year.

(g) For tax year 2013, and all tax years thereafter, a net operating
loss allowed by this section shall only be available to taxpayers subject to
the income tax on corporations imposed pursuant to K.S.A. 79-32,110(c), and amendments thereto, and used only to determine such
taxpayer's corporate income tax liability.

(h) Notwithstanding any other provisions of the Kansas income tax
act, for tax year 2006, if a net operating loss is incurred from the sale at a
loss of a historic hotel located in a community with less than 2,500 citizens
improved by funds borrowed on both such hotel and farmland owned by
the taxpayer that is located within 20 miles of such hotel, and previously
the farmland was sold at a gain and in which case a majority of the
proceeds were used to pay off the mortgage on such hotel, the net
operating loss may be carried back three years to offset the gain on the
sale of such farmland. The taxpayer may file an amended return for the
three prior years.
