Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) The governor shall not have any authority to modify election laws or procedures by issuance of an executive order.

(b) Except as provided in subsection (c), neither the executive branch nor the judicial branch of state government shall have any authority to modify the state election laws.

(c) The secretary of state shall not enter into any consent decree or other agreement with any state or federal court regarding the enforcement of any election law or the alteration of any election procedure without specific approval of such consent decree by the legislative coordinating council.

(d) Nothing in this section shall be construed to limit or otherwise restrict the judicial branch of state government in the exercise of any powers granted by article 3 of the constitution of the state of Kansas.

(e) If any provision of this section or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect the other provisions or applications of the section that can be given effect without the invalid provision or application, and, to this end, the provisions of this section are severable.

New Sec. 2. The secretary of state shall record and maintain a
residential address and a mailing address for each registered voter. The residential address of a registered voter shall correspond to a physical location where the registered voter resides and shall not be a post office box or other address that cannot be used as a residence. The mailing address may be the same as the residential address but shall be recorded separately as the mailing address of the registered voter. The secretary shall record such information in any electronic database of registered voter information maintained by the secretary that is accessible by county election officers.

Section 1. Sec. 3. K.S.A. 2020 Supp. 25-1122 is hereby amended to read as follows: 25-1122. (a) Any registered voter may file with the county election officer where the person is a resident, or where the person is authorized by law to vote as a former precinct resident, an application for an advance voting ballot. The signed application shall be transmitted only to the county election officer by personal delivery, mail, facsimile or as otherwise provided by law.

(b) If the registered voter is applying for an advance voting ballot to be transmitted in person, the voter shall provide identification pursuant to K.S.A. 25-2908, and amendments thereto.

(c) If the registered voter is applying for an advance voting ballot to be transmitted by mail, the voter shall provide with the application for an advance voting ballot the voter's current and valid Kansas driver's license number, nondriver's identification card number or a photocopy of any other identification provided by K.S.A. 25-2908, and amendments thereto.

(d) A voter may vote a provisional ballot according to K.S.A. 25-409, and amendments thereto, if:

(1) The voter is unable or refuses to provide current and valid identification; or

(2) the name and address of the voter provided on the application for an advance voting ballot do not match the voter's name and address on the registration book. The voter shall provide a valid form of identification as defined in K.S.A. 25-2908, and amendments thereto, to the county election officer in person or provide a copy by mail or electronic means before the meeting of the county board of canvassers. At the meeting of the county board of canvassers the county election officer shall present copies of identification received from provisional voters and the corresponding provisional ballots. If the county board of canvassers determines that a voter's identification is valid and the provisional ballot was properly cast, the ballot shall be counted.

(e) No county election officer shall provide an advance voting ballot to a person who is requesting an advance voting ballot to be transmitted by mail unless:

(1) The county election official verifies that the signature of the
person matches that on file in the county voter registration records, except
that verification of the voter's signature shall not be required if a voter has
a disability preventing the voter from signing. Signature verification may
occur by electronic device or by human inspection. In the event that the
signature of a person who is requesting an advance voting ballot does not
match that on file, the county election officer shall attempt to contact the
person and shall offer the person another opportunity to provide the
person's signature for the purposes of verifying the person's identity. If the
county election officer is unable to reach the person, the county election
officer may transmit a provisional ballot, however, such provisional ballot
may not be counted unless a signature is included therewith that can be
verified; and

(2) the person provides such person's full Kansas driver's license
number, Kansas nondriver's identification card number issued by the
division of vehicles, or submits such person's application for an advance
voting ballot and a copy of identification provided by K.S.A. 25-2908, and
amendments thereto, to the county election officer for verification. If a
person applies for an advance voting ballot to be transmitted by mail but
fails to provide identification pursuant to this subsection or the
identification of the person cannot be verified by the county election
officer, the county election officer shall provide information to the person
regarding the voter rights provisions of subsection (d) and shall provide
the person an opportunity to provide identification pursuant to this
subsection. For the purposes of this act, Kansas state offices and offices of
any subdivision of the state will allow any person seeking to vote by an
advance voting ballot the use of a photocopying device to make one
photocopy of an identification document at no cost.

(f) Applications for advance voting ballots to be transmitted to the
voter by mail shall be filed only at the following times:

preceding such general election.

(3) For question submitted elections occurring on the date of a
primary or general election, the same as is provided for ballots for election
of officers at such election.

(4) For question submitted elections not occurring on the date of a
primary or general election, between the time of the first published notice
thereof and the Tuesday of the week preceding such question submitted
election, except that if the question submitted election is held on a day
other than a Tuesday, the final date for mailing of advance voting ballots shall be one week before such election.

(5) For any special election of officers, at such time as is specified by the secretary of state.

The county election officer of any county may receive applications prior to the time specified in this subsection and hold such applications until the beginning of the prescribed application period. Such applications shall be treated as filed on that date.

(g) Unless an earlier date is designated by the county election office, applications for advance voting ballots transmitted to the voter in person in the office of the county election officer shall be filed on the Tuesday next preceding the election and on each subsequent business day until no later than 12 noon on the day preceding such election. If the county election officer so provides, applications for advance voting ballots transmitted to the voter in person in the office of the county election officer also may be filed on the Saturday preceding the election. Upon receipt of any such properly executed application, the county election officer shall deliver to the voter such ballots and instructions as are provided for in this act.

An application for an advance voting ballot filed by a voter who has a temporary illness or disability or who is not proficient in reading the English language or by a person rendering assistance to such voter may be filed during the regular advance ballot application periods until the close of the polls on election day.

The county election officer may designate places other than the central county election office as satellite advance voting sites. At any satellite advance voting site, a registered voter may obtain an application for advance voting ballots. Ballots and instructions shall be delivered to the voter in the same manner and subject to the same limitations as otherwise provided by this subsection.

Names and
addresses shall remain so listed until the day of such election. The county
election officer shall maintain a separate listing of the names and addresses
of persons qualifying for permanent advance voting status. All such lists
shall be available for inspection upon request in compliance with this
subsection by any registered voter during regular business hours. The
county election officer upon receipt of the applications shall enter upon a
record kept by such officer the name and address of each applicant, which
record shall conform to the list above required. Before inspection of any
advance voting ballot application list, the person desiring to make the
inspection shall provide to the county election officer identification in the
form of driver's license or other reliable identification and shall sign a log
book or application form maintained by the officer stating the person's
name and address and showing the date and time of inspection. All records
made by the county election officer shall be subject to public inspection,
extcept that the voter identification information required by subsections (b)
and (c) and the identifying number on ballots and ballot envelopes and
records of such numbers shall not be made public.

(j) If a person on the permanent advance voting list fails to vote in
four consecutive general elections held on the Tuesday succeeding the first
Monday in November of each even-numbered and odd-numbered year, the
county election officer may mail a notice to such voter. The notice shall
inform the voter that the voter's name will be removed from the permanent
advance voting list unless the voter renews the application for permanent
advance voting status within 30 days after the notice is mailed. If the voter
fails to renew such application, the county election officer shall remove the
voter's name from the permanent advance voting list. Failure to renew the
application for permanent advance voting status shall not result in removal
of the voter's name from the voter registration list.

(k) (1) Any person who solicits by mail a registered voter to file an
application for an advance voting ballot and includes an application for
an advance voting ballot in such mailing shall include on the exterior of
