A PROPOSITION to amend article 1 of the constitution of the state of Kansas by adding a new section thereto, concerning oversight by the legislature of certain executive branch actions.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:
Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Article 1 of the constitution of the state of Kansas is hereby amended by adding a new section to read as follows:

"§ 17. Legislative oversight of administrative rules and regulations. Whenever the legislature by law has authorized any officer or agency within the executive branch of government to adopt rules and regulations that have the force and effect of law, the legislature may provide by law for the revocation or suspension of any such rule and regulation, or any portion thereof, upon a vote of a majority of the members then elected or appointed and qualified in each house."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to provide the legislature with oversight of state executive branch agencies and officials by providing the legislature authority to establish procedures to revoke or suspend rules and regulations.

"A vote for this proposition would allow the legislature to establish procedures to revoke or suspend rules and regulations that are adopted by state executive branch agencies and officials that have the force and effect of law.

"A vote against this proposition would allow state executive branch agencies and officials to continue adopting rules and regulations that have the force and effect of law without any opportunity for the legislature to directly revoke or suspend such rules and regulations."
Sec. 3. This resolution, if approved by two-thirds of the members
elected (or appointed) and qualified to the House of Representatives and
two-thirds of the members elected (or appointed) and qualified to the
Senate, shall be entered on the journals, together with the yeas and nays.
The secretary of state shall cause this resolution to be published as
provided by law and shall cause the proposed amendment to be submitted
to the electors of the state at the general election in the year 2022, unless
a special election is called at a sooner date by concurrent resolution of the
legislature, in which case it shall be submitted to the electors of the state
at the special election.
