assigning a state aid computation percentage to the amount of the median
AVPP shown on the schedule, decreasing the state aid computation
percentage assigned to the amount of the median AVPP by one percentage

increasing the state aid computation percentage assigned to the amount of
the median AVPP by one percentage point for each $1,000 interval below

(3) For general obligation bonds approved for issuance at an election

(6) A school district that had an enrollment of less than 260 students
in the school year immediately preceding the school year in which an
election is held to approve the issuance of general obligation bonds shall

transferred by the director from the state general fund to the school district
capital improvements fund for distribution to school districts. All transfers

considered to be demand transfers from the state general fund, except that
all such transfers during the fiscal years ending June 30, 2020, June 30,
2021, and June 30, 2022, and June 30, 2023, shall be considered to be
revenue transfers from the state general fund.
(d) Payments from the school district capital improvements fund shall
be distributed to school districts at times determined by the state board of
education to be necessary to assist school districts in making scheduled
payments pursuant to contractual bond obligations. The state board of
education shall certify to the director of accounts and reports the amount
due each school district entitled to payment from the fund, and the director
of accounts and reports shall draw a warrant on the state treasurer payable
to the treasurer of the school district. Upon receipt of the warrant, the
treasurer of the school district shall credit the amount thereof to the bond
and interest fund of the school district to be used for the purposes of such
fund.

obligations incurred by school districts pursuant to general obligation
bonds issued upon approval of a majority of the qualified electors of the
school district voting at an election upon the question of the issuance of
such bonds.
(f) On or before the first day of the legislative session in 2017, and
each year thereafter, the state board of education shall prepare and submit
