to each such incentive, and any rules and regulations of the secretary

(3) submit an application to the secretary, in the form and manner as
designated by the secretary, and provide all information requested by the
secretary, including, but not limited to, evidence establishing sales of more
than $10,000,000 to the qualified firm for the qualified business facility as

not limited to, providing the secretary with evidence showing the amount
of sales to the qualified firm for each year that an incentive is claimed. The
agreement shall be entered into before any benefits may be provided under
this act; and

(5) if the qualified supplier meets the requirements for the investment
tax credit pursuant to section 3, and amendments thereto, commit to
repayment of the amount of all benefits received under this act in the event
the requirements of this act, any rules and regulations of the secretary
pursuant to this act or the terms and conditions of the agreement pursuant
to paragraph (4) are not met and the qualified supplier is disallowed in
whole or in part by the secretary.

undertaken by a qualified firm or qualified supplier to ensure that the
qualified firm or qualified supplier remains in good standing with the state
and in compliance with the provisions of this act, any rules and regulations
adopted by the secretary with respect to this act and any agreement entered
into pursuant to this act and continues to meet the requirements for the
benefits provided under this act. The secretary of commerce shall certify
annually to the secretary of revenue that the qualified firm meets the
criteria for designation as a qualified firm and is eligible for such benefits.
The secretary of commerce may obtain any and all information reasonably
necessary to determine such eligibility. Such information shall be
confidential to the same extent as information provided to the secretary to
determine eligibility pursuant to K.S.A. 74-50,131, and amendments
thereto.
(2) Confidential financial information, any trade secret or other
information that, if known, would place the qualified firm at a
disadvantage in the marketplace or would significantly interfere with the
purposes of this act in the judgment of the secretary that is obtained under
this section shall not be subject to disclosure pursuant to K.S.A. 45-215 et
seq., and amendments thereto, but shall upon request be made available to
the legislative post audit division. The provisions of this paragraph shall expire on July 1, 2027, unless the legislature reviews and reenacts such provisions pursuant to K.S.A. 45-229, and amendments thereto, prior to July 1, 2027.

(h) The books and records concerning investments made, sales, employment and wages of any employees for which the qualified firm, qualified supplier or third party has retained any Kansas payroll withholding taxes or any other financial, employee or other records that pertain to eligibility for benefits or compliance with the requirements of this act shall be available for inspection by the secretary or the secretary's duly authorized agents or employees during business hours on at least 10 days' prior written notice. The secretary may request the department of revenue to audit the qualified firm or qualified supplier, or a third party if applicable, for compliance with the provisions of this act.

(i) The secretary of revenue, in consultation with the secretary of commerce, shall develop a form that shall be completed annually by any qualified firm or qualified supplier that received any tax benefit pursuant to this section and section 3 or 4, and amendments thereto. Such form shall request, at a minimum, the information required by K.S.A. 79-32,243(a)(1) through (a)(6), and amendments thereto, and such other information as shall reasonably be required by the secretary of revenue and the secretary of commerce. The contents of the completed form shall be confidential except as provided in K.S.A. 79-3234, and amendments thereto.

(j) The secretary of commerce or the secretary of revenue may adopt rules and regulations for the implementation of this act.

New Sec. 3. (a) For taxable years commencing after December 31, 2021, a qualified firm or qualified supplier that makes a qualified business investment in a qualified business facility and meets the requirements of section 2, and amendments thereto, and of this section shall be allowed a credit for such investment as provided by this section against the tax imposed by the Kansas income tax act, the premium tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by the net income of financial institutions imposed pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto. The credit shall be earned by the taxpayer each taxable year based on the amount of the qualified investment made in that taxable year as further provided in this section. The amount of the credit that is earned each taxable year shall not be claimed by the taxpayer in the taxable year that such credit is earned but shall be divided into three equal portions or installments. In the case of a qualified firm, a 1/3 portion or installment shall be claimed by the qualified firm commencing with the taxable year after the credit is earned and a second and third such portion or installment, respectively, shall be claimed
in each of the next successive two taxable years. In the case of a qualified
supplier, a $\frac{1}{3}$ portion or installment shall first be claimed commencing
with the taxable year that the qualified firm that selected the qualified
supplier as eligible for benefits under this act substantially completes the
qualified business facility, as determined by the secretary.

(b) The amount of the tax credit earned in a taxable year shall be up
to 15%, at the discretion of the secretary, of the amount of the qualified
investment that is invested during such taxable year. In determining such
percentage, the secretary shall consider factors including the extent of
prospective new employment, the quality of new jobs and wage or salary
levels, the total amount of investment, the potential for development of the
industry in this state and the potential for ancillary industry development
and indirect economic development. The secretary shall also consider
factors pursuant to subsection (d). Such percentage shall be set forth in
the agreement pursuant to section 2, and amendments thereto. The total
qualified investment shall be completed within five taxable years
commencing from the date of such agreement. In the case of a qualified
firm, the total amount of the qualified investment shall be at least
$1,000,000,000. The qualified firm or qualified supplier shall repay to the
state all tax credits received if the total qualified investment is not
completed.

(c) The secretary of commerce shall set forth in the agreement
pursuant to section 2, and amendments thereto, a percentage of the earned
tax credit that may be refundable when claimed, as provided in subsection
(a). The percentage shall be determined as provided in subsection (d).
Such percentage of a tax credit installment may be refundable to such
taxpayer if the amount of the installment claimed for that taxable year
exceeds the taxpayer's tax liability for such year. The secretary shall set
forth in the agreement any additional provisions, if necessary, regarding
disposition of the earned tax credits. No earned tax credit shall be
refundable after the three successive taxable years period that a portion or
installment of such credit may be claimed. An installment portion of an
earned tax credit that is not refunded remaining after such installment
has been applied against the taxpayer's tax liability shall be carried
forward for application first against the taxpayer's tax liability in the next
successive tax year or for refund, as the case may be, within the three
taxable year period of time that the earned tax credit may be claimed. An
installment portion of an earned tax credit that has not been applied against
the taxpayer's tax liability or refunded at the end of the third successive
taxable year period that installment portions of such earned tax credit may
be claimed shall be forfeited. An earned tax credit, or any portion
thereof, shall not be refundable.

(d) The base percentage that may be refundable in each taxable year
of the \( \frac{1}{4} \) portion of an earned tax credit that may be claimed, as provided by subsection (a), shall be 50%. The secretary may provide for an additional percentage that may be refundable up to 100% of the total eligible earned credit. In addition to the factors set forth in subsection (b), the secretary shall base the additional determination of the percentage of the tax credit that may be earned by the taxpayer in a taxable year on the qualified firm or qualified supplier meeting specified goals that shall be set forth in the agreement. Such goals shall include targets for the:

1. Creation of new jobs, including new jobs for suppliers;
2. Benefit to the local, regional or state economy, including the development of suppliers in Kansas;
3. Amount of capital investment;
4. Benefit to the development of the qualified firm's industry in Kansas; or
5. Other measures or goals, if any, of the secretary consistent with the purposes of this act.

(e) The qualified firm or qualified supplier shall meet the requirements of this act, any rules and regulations of the secretary of commerce under this act and the terms of the agreement to receive a credit each year that a credit is earned or an installment portion of the earned credit is claimed. No credit shall be issued by the secretary of revenue unless the qualified firm or qualified supplier has been certified by the secretary of commerce as eligible as provided by section 2, and amendments thereto, for each taxable year the credit is claimed. The secretary of commerce shall provide such certifications to the secretary of revenue.

(f) In the event the tax credit awarded to the qualified firm or qualified supplier is later disallowed in whole or in part by the secretary of commerce or the secretary of revenue, the qualified firm or qualified supplier shall be liable for repayment to the state of the amount disallowed as provided by section 2, and amendments thereto.

(g) As a condition for claiming credits pursuant to this section, any qualified firm or qualified supplier shall provide information pursuant to K.S.A. 79-32,243, and amendments thereto, as part of the tax return in which such credits are claimed. Such credits shall not be denied solely on the basis of the contents of the information provided by the qualified firm pursuant to K.S.A. 79-32,243, and amendments thereto.

New Sec. 4. (a) For taxable years commencing after December 31, 2021, a qualified supplier that meets the requirements of section 2, and amendments thereto, and this section may be eligible to retain up to 65%, as determined by the secretary, of the qualified supplier's Kansas payroll withholding taxes under the Kansas withholding and declaration of
estimated tax act for the qualified supplier's employees in a taxable year
that such requirements are met. This benefit shall be available for a period
of up to 10 successive taxable years. In determining the percentage and
number of successive years, the secretary shall, at a minimum, consider
the factors set forth in sections 3(b) and (d), and amendments thereto, as
applicable. Qualified suppliers that have been selected by a qualified firm
for benefit eligibility, and that meet the sales amount requirement, as
provided by section 2, and amendments thereto, may be eligible to earn
benefits of this section prior to the qualified firm's commencement of
commercial operations at the qualified business facility. Any benefits shall
only be awarded after the qualified firm that has selected the qualified
supplier for benefit eligibility commences commercial operations.
(b) For purposes of the benefit under this section, a qualified supplier
may utilize or contract with a third-party employer to perform services
whereby the third-party employer:
(1) Serves as the legal employer of the qualified supplier's employees
providing services to the qualified supplier;
(2) performs such services in Kansas; and
(3) is subject to, and the qualified supplier's employees are subject to,
the Kansas withholding and declaration of estimated tax act.
(c) The qualified supplier shall submit an application to the secretary
of commerce in the form and manner required by the secretary and provide
all information requested by the secretary. If approved by the secretary,
the qualified supplier shall enter into an agreement with the secretary, as
required pursuant to section 2, and amendments thereto, with such terms
and conditions as may be required by the secretary. In addition, the
agreement shall set forth the percentage of payroll withholding taxes to be
retained each year and any requirements or performance targets to receive
such benefits, as determined by the secretary. If necessary, the secretary
may also enter into an agreement with any third party described in
subsection (b), or such third party may be a party to an agreement between
the qualified supplier and the secretary.
(d) The agreement between the secretary of commerce and the
qualified supplier shall specify that, if the qualified supplier fails to
comply with the terms and conditions set forth in the agreement or fails to
comply with the provisions set forth in this act, the secretary may
terminate the agreement. If such agreement is terminated, the qualified
supplier shall not be entitled to any further benefits provided under this
section and shall be required to remit to the state an amount equal to the
aggregate Kansas payroll withholding taxes retained by the qualified
supplier, or remitted to the qualified supplier by a third party, pursuant to
this act as of the date the agreement is terminated.
(e) For each year that the agreement is in effect, the secretary of
commerce shall certify to the secretary of revenue:

(1) That the qualified supplier is eligible to receive benefits under this act and the terms of the agreement;

(2) the number of employees;

(3) the amount of gross wages being paid to each such employee; and

(4) the percentage of payroll withholding taxes to be retained by the qualified supplier.

(f) Any qualified supplier that has entered into an agreement with the secretary of commerce pursuant to this section and section 2, and amendments thereto, and is eligible to receive benefits pursuant to this section, shall complete and submit to the department of revenue the amount of Kansas payroll withholding tax being retained by the qualified supplier in the form and manner prescribed by the director of taxation.

(g) The secretary of revenue and the secretary of commerce shall cooperate to develop and coordinate procedures to implement the provisions of this act.

New Sec. 5. (a) On and after July 1, 2022, a qualified firm that meets the requirements of section 2, and amendments thereto, and this section may be eligible for partial reimbursement of total payroll costs paid to qualified business facility employees during a taxable year, as approved by the secretary of commerce.

(b) As determined by the secretary a qualified firm shall be eligible for such reimbursement commencing on the date the qualified firm:

(1) Enters into an agreement with the secretary as provided in section 2, and amendments thereto;

(2) commences construction of the qualified business facility; or

(3) commences commercial operations at the qualified business facility.

(c) The amount of the reimbursement each year shall be up to 10%, as allowed by the secretary, of the total payroll costs paid for that year, as determined by the secretary. The secretary may grant such reimbursement for up to 10 successive years. In determining the percentage and number of successive years, the secretary shall, at a minimum, consider the factors set forth in sections 3(b) and (d), and amendments thereto, as applicable.
