(3) The director of vehicles may adopt any rules and regulations necessary to carry out the provisions of this subsection.

(l) The director of vehicles may issue a temporary identification card to an applicant who cannot provide valid documentary evidence as defined by subsection (c), if the applicant provides compelling evidence proving current lawful presence. Any temporary identification card issued pursuant to this subparagraph shall be valid for one year.

(m) Upon payment of the required fee, the division shall issue to every applicant qualifying under the provisions of this act an identification card. Such identification card shall bear a distinguishing
number assigned to the cardholder, the full legal name, date of birth, address of principal residence, a brief description of the cardholder, either: (1) A digital color image or photograph; or (2) a laser engraved photograph of the cardholder, and a facsimile of the signature of the cardholder. (2) Satisfactory proof that a person needs assistance with cognition shall include a statement from a person licensed to practice the healing arts in any state, an advanced practice registered nurse licensed under K.S.A. 65-1131, and amendments thereto, a licensed physician assistant or a person clinically licensed by the Kansas behavioral sciences regulatory board certifying that such person needs assistance with cognition.

(p) (1) The secretary of revenue shall permit an electronic online renewal of an identification card if the electronic online renewal applicant previously provided documentation of identity, lawful presence and residence to the division for electronic scanning. For purposes of this subsection, the division may rely on the division's most recent, existing color digital image and signature image of the applicant for the nondriver's identification card if the division has such images on file. The determination on whether an electronic online renewal application or equivalent of a nondriver's identification card is permitted shall be made by the director of vehicles or the director's designee. The division shall not renew a nondriver's identification card through an electronic online or equivalent process if the identification card has been previously renewed through an electronic online application in the immediately preceding card's expiration period.
