

Ad Astra 2 Congressional Redistricting; Sub. for SB 355

Sub. for SB 355 (Map Name: Ad Astra 2) redraws the state's four congressional districts using data obtained from the 2020 Census.

The ideal size for each congressional district is 734,470. In Ad Astra 2, each of the four districts has a population of 734,470, for an overall deviation of 0 persons or 0.00 percent.

Districts were built using counties, precincts, and census blocks. Ad Astra 2 splits the following counties: Douglas, Jackson, Pawnee, and Wyandotte.

The bill became effective upon publication in Issue 6A of the *Kansas Register* on February 10, 2022.

The Ad Astra 2 map is included on the following page. Visit www.kslegresearch.org/KLRD-web/Redistricting.html to view all proposed district plans with more detailed information and maps.
