### ***Senate Committee on Public Health and Welfare***

In the Senate Committee hearing, a representative from DCF provided **proponent** testimony, stating the bill would provide an opportunity for oversight and continuous updates to the Legislature on the state of child welfare in Kansas and DCF would welcome the opportunity to work with the proposed joint committee.

Written-only **proponent** testimony was provided by the Children's Alliance of Kansas and the Kansas Association of School Boards.

No neutral or **opponent** testimony was provided.

### **Fiscal Information**

According to the fiscal note prepared by the Division of the Budget, DCF states staff time required by the bill is already included with DCF's current budget and DCF

assumes that there would be no fiscal effect on the agency for external members travel expenses, as the bill states those expenses would be the responsibility of the LCC. Legislative Administrative Services indicates enactment of the bill would increase costs by \$30,009 from the State General Fund in FY 2022. These costs include expenditures for 11 members for salaries, subsistence, mileage, tolls, and other expenses of \$25,949. There would also be committee assistant costs of \$4,060. Any fiscal effect associated with the bill is not reflected in *The FY 2022 Governor's Budget Report*.
