HB 2002 Neutral Testimony – written only Reimbursement for revenue neutral notification costs House Taxation Committee Dave Trabert – CEO January 24, 2023

Chairman Smith and Members of the Committee,

We appreciate this opportunity to submit neutral testimony on HB 2002.

Local government entitities should be able to share the cost – less than \$1 per mailing according to the fiscal note on HB 2002 – to property owners, but if the Committee is inclined to reimburse the cost, we ask that you consider one amendment to the bill.

Simply put, local officials should be required to comply with all of the notification and filing deadlines in the revenue neutral law. For example, county clerks are required to submit final levy sheets to the Department of Revenue by November 30 of each year, but many counties were delinquent in 2022.

As noted in the attached response to our Open Records request, only 69 of the state's 105 counties submitted their report by November 30.

Thank you for your consideration.
