Kansas Resident

Chair Baumgardner and Members of the Committee, thank you for the opportunity to provide opponent written testimony on House Bill 2238.

My name is ephren taylor and im in opposition to this bill

This descriminates against trans atheletes (obviously)
Hasnt been data (on the very little data there is) to show that trans women have a significant advantage in sports.
Not a single trans woman has won a gold medal.
Making sports completely fair is a pipe dream anyway. we allow short and tall people to play together. We allow rich and poor to play together.
There are not many trans people in sports in kansas anyway
We are forcing everyone to go through inspections because of NOTHING.
GO solve real problems.
