Bill number: SB 368

Proponent prohibiting the use of any form of ranked choice voting methods in elections.

Name: Jaime Kissinger

Chairman Thompson and Members of the Committee,

As a constituent of Sedgwick County Kansas, I am a proponent prohibiting any use of any form of ranked choice voting methods in elections. After viewing these methods, I was truly astounded that with only 20% of voters in Sedgwick County this would make very few that would count for the vote as many will not follow directions of how to vote in this method. I cannot even think of why anyone in our county would want this method with this amount of participation.

Frankly,

Jaime Kissinger
