MR. PRESIDENT:

I move to amend **SB 539**, As Amended by Senate Committee, on page 1, following line 19, by inserting:

"New Section 1. (a) Any county is hereby empowered and authorized in accordance with the provisions of this act to levy an earnings tax upon:

- (1) All individuals employed or working within such county; and
- (2) all resident individuals of such county who are employed or working outside such county.

(b) The rate of any earnings tax pursuant to subsection (a) shall not exceed 1% per annum.

(c) The revenue derived from the earnings tax authorized by this act shall be pledged for general county purposes.

(d) At least 50% of the revenue derived from the earnings tax authorized by this act shall be credited in the budget of the county to reduce the amount of revenue otherwise necessary to be derived from the ad valorem property tax.

(e) If any provision of this act or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this act, which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

New Sec. 2. As used in this act:

- (a) "Act" means the provisions of sections 1 through 6, and amendments thereto.

(b) "Earnings tax" means a tax on the salaries, wages, commissions and other compensation earned by:

- (1) Residents of the county; and
- (2) nonresidents of the county for work done or services performed or rendered in the county.

(c) "Salaries, wages, commissions and other compensation" does not include contributions to any deferred compensation plans, including, but not limited to, any salary reduction plans, cafeteria plans or any other similar plans deferring the receipt of compensation by a resident or nonresident if such contribution is not subject to Kansas state income tax at the time such contribution is made.

New Sec. 3. (a) No county shall levy an earnings tax until the governing body of such county shall first submit such proposition to and receive the approval of a majority of the electors of the county voting thereon at election specified by the county. Any county proposing to adopt an earnings tax shall adopt a resolution giving notice of its intention to subject such proposition for approval by the electors in the manner required by K.S.A. 25-105, and amendments thereto. The notice shall state the time of the election, the rate of the tax and the purpose for which the proceeds will be expended in accordance with section 1(c), and amendments thereto. Every election held under this act shall be conducted by the county election officer.

(b) If a majority of the electors voting thereon at such election shall approve the levying of such tax, the governing body of that county shall provide by resolution the levy of the tax. Any repeal of such tax, or any reduction or increase in the rate thereof, within the limits of this act, shall be accomplished in the manner provided for in this act for the adoption and approval of such tax, except that the governing body of a county shall be required to submit such question upon submission of a petition signed by the electors of such county equal in number to not less

than 10% of the electors of such county. If a majority of the electors voting thereon at such election fail to approve the proposition, it may be resubmitted under the conditions and in the manner provided in this act for submission of the original proposition.

(c) Any resolution that has been adopted to give notice of the intention of the governing body of the county to submit the proposition of levying an earnings tax to the electors of the county shall contain provisions pledging the use of the revenue to be received from such tax if such resolution is approved by the voters in accordance with the provisions of section 1(c), and amendments thereto. Such description shall be consistent with that contained in the notice of election required by subsection (a).

(d) In any county imposing an earnings tax pursuant to this act, once every five years after the initial levy of the earnings tax by the county, the question whether to continue to impose an earnings tax shall be submitted to the electors in the same manner provided in this act for the original proposition.

New Sec. 4. Any person exempt from the payment of state income tax pursuant to K.S.A. 79-32,113, and amendments thereto, shall be exempt from the payment of an earnings tax levied pursuant to this act.

New Sec. 5. The amount of earnings tax paid to another county with an earnings tax by a resident individual shall be allowed as a credit against the earnings tax of the county of such individual's residence.

forth by resolution of the county.

The state of Kansas and its political subdivisions shall be entitled to deduct and retain of the total amount so collected to compensate such employer for collecting the tax a percentage as follows: 3% if such county earnings tax is less than 1% of gross earnings; or 1.5% if such county earnings tax is 1% of gross earnings.

If any such county should impose such duty on employers, each such employer shall be entitled to deduct and retain 1.5% of the total amount collected to compensate such employer for collecting such tax. The governing body of any such county, by resolution, may reduce, eliminate or reimpose, if eliminated, the fee allowed to employers by this subsection.

(e) (1) All employers within the state, upon request as provided in this subsection, shall submit to any county levying an earnings tax a complete listing of all their employees who reside within the territorial limits or boundaries of the requesting county and their current addresses according to the records of the employer. Any request shall be made in writing and shall be mailed to the principal office of the employer.
