The Honorable Will Carpenter, Chairperson  
House Committee on Federal and State Affairs  
300 SW 10th Avenue, Room 346-S  
Topeka, Kansas 66612

Dear Representative Carpenter:

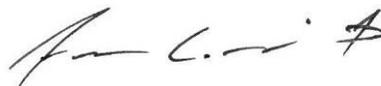

**SUBJECT:** Fiscal Note for HB 2046 by House Committee on Federal and State Affairs

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2046 is respectfully submitted to your committee.

HB 2046 would amend current law to remove parental, legal guardian, and judicial exceptions allowing individuals 15 to 17 years of age to marry and would require that marriage licenses be issued only to applicants who are least 18 years of age. The bill would also modify the three-day waiting period between the application for a marriage license and issuance to exclude Sunday, holidays, and other days the clerk's office is closed.

The Office of Judicial Administration states enactment of the bill would have a fiscal effect on the operations of the Judicial Branch because the bill's provisions would reduce the number of marriage license applications processed by district court clerks. Enactment of the bill would also reduce the workload of judges and clerks because there would no longer be the need for judicial review or review of parental consent. The Office indicates enactment of the bill could result in a decrease of revenue to the State General Fund if the number of marriage licenses applications decreases. The Office states a fiscal effect cannot be estimated until the Judicial Branch has an opportunity to operate under the bill's provisions. Any fiscal effect associated with HB 2046 is not reflected in *The FY 2024 Governor's Budget Report*.

Sincerely,

Adam Proffitt  
Director of the Budget
