The Honorable Adam Thomas, Chairperson
House Committee on Education
300 SW 10th Avenue, Room 218-N
Topeka, Kansas 66612

Dear Representative Thomas:

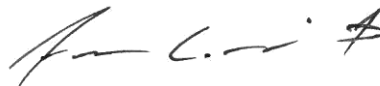

SUBJECT: Fiscal Note for HB 2702 by House Committee on Education

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2702 is respectfully submitted to your committee.

HB 2702 would change law regarding nonpublic school students participating in activities regulated by the Kansas State High School Activities Association (KSHSAA). In addition to requirements in current law, HB 2702 would allow nonpublic school students to participate in an activity at a public school if the activity is not offered at a student's private school and if the private school is a member of KSHSAA.

The Department of Education indicates that the enactment of the bill would have no fiscal effect for the state. The Kansas Association of School Boards (KASB) indicates that the enactment of the bill would not have a fiscal effect on school districts. However, KASB notes that some education interlocal organizations and cooperatives may experience additional revenues from a longer notice period to get additional parental consent and student participation in interlocal organizations and cooperatives.

Sincerely,

Adam C. Proffitt
Director of the Budget
